### TOWN FINANCES

A study of Statement Number 1 shows that the Town of Stoddard has entirely paid up an indebtedness of \$10,000, incurred for the completion of its trunk-line highway, during the last five years, and on January 31, 1936, had accumulated a surplus of \$2,776.88. On the same date the total amount of uncollected taxes amounted to only \$616.87. It is also noted that the town tax rate has been well below the average State tax rate during the last ten years and that the local rate was reduced from \$3.10 per hundred in 1935 to \$2.30 per hundred in 1936.

This commendable record indicates that the financial affairs of the town have been well managed and as a result the Town of Stoddard holds an enviable position, financially, compared to some of the less fortunate communities in the State.

The Comparative Statements of Appropriations and Expenditures indicate a small net overdraft of appropriations in 1935

which was more than offset by net unexpended appropriation balances in 1934 and 1935. The absence of large appropriation overdrafts, which are becoming too common in many towns, accounts in part for the present sound financial standing of the town.

#### SELECTMEN

The vouchers and orders drawn by the Selectmen during the year 1935, and the period from February 1st to September 1st, 1936, were examined, together with the accompanying invoices and payrolls. The vouchers were checked with the corresponding entries in the Selectmen's Receipts and Payments Book to see if the correct amounts had been entered and the proper classifications made.

#### TOWN TREASURER

The accounts of the Town Treasurer for the same period were examined. The checks drawn by the Treasurer were compared with the orders of the Selectmen and found to agree in each instance. The Treasurer's Cash Book balance as of September 1, 1936 was \$1,101.39. The balance in the Keene National Bank reconciled with this amount.

It is suggested that the Treasurer's work might be lessened somewhat, if, instead of drawing a separate check for each Selectmen's order, he countersign the orders and use them as checks, recording each order in his Cash Book at the time of countersigning.

While this method is recommended it is left to each Town Treasurer to decide which method is best adapted to his particular case.

#### TAX COLLECTOR

The accounts of Tax Collector John T. W. Mountford for the tax levies of 1934 and 1935 were audited. The 1934 taxes have all been collected and remitted to the Treasurer. On the date of audit there remained uncollected 1935 taxes amounting to \$292.03. Of this amount \$269.83 were advertised on August 31, 1936.

## RECOMMENDATIONS

The valuations and descriptions of property should not be written in the Collector's Warrant Book as this leaves no space for the Collector to make his entries. Only the amount of taxes should be included in the Warrant. If the Collector, for the purposes of advertising or any other reason, desires a description of property, this is always obtainable from the Selectmen's Inventory records.

In cases where the property of soldiers was totally exempt the tax was figured on the exempted property and the amount entered in the Collector's Warrant Book, although the amount of such tax was not actually included in the total amount of the Warrant. The tax on any property exempted to soldiers should not be included in the list committed to the Collector. Thus if John Jones, an ex-soldier, owned property valued at \$800—there would be no entry in the Collector's book.

If, however, he owned property valued at \$1,200—the tax on \$200 would be assessed against him and should be included in the Collector's list.

It is recommended that the record of tax sales and redemptions be kept on the regular prescribed form which is designated as the "Record of Tax Sales" sheet.

## GENERAL

No discrepancies, irregularities or shortages were discovered in the accounts of any town officer, and, except as noted herein, the accounts were found to have been kept in accordance with the uniform system prescribed by the State Tax Commission.

It is requested that this report be included in the next annual printed report of the town.

Yours very truly,  
 (Signed) HAROLD G. FOWLER  
 Municipal Accountant  
 State Tax Commission

NOTE: Because of the expense, Statements 1, 2, 3 and 4 were not printed but can be examined upon application to the Selectmen.

## REPORT OF TRUSTEES OF TRUST FUNDS

---

The Trustees of Trust Funds have continued the work of cleaning up around the three cemeteries but, because of the work done during the past two years, less work was required this year to put them in order.

In the New Cemetery the gravel walks laid last year were extended into the south half leaving very little more of this work to be done. It is our opinion that these walks are a decided improvement, both in appearance and in the matter of keeping them up.

It is expected that the income from present funds will prove sufficient to do the necessary cleanup work each year but, unless additional funds are received, it will not be possible to make the many improvements in the cemeteries that are desirable.

The following amounts were expended:

New Cemetery	\$73 45	
Old Cemetery	27 20	
Stevens Cemetery	4 60	
Flowers for donor's lots	8 00

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and the citizens of the Stoddard School District:

The superintendent of schools submits this his second annual school report for your consideration.

### SCHOOL ORGANIZATION

School Board: Lawrence M. Holmes, chairman; Kenneth McClure, Albert E. Prime.

Supt. of Schools: Vincent Gatto, Ed.M., Hillsboro, N. H.

Teacher: Agnes Dolan.

Below is a list of those pupils who maintained perfect attendance for one or more periods during the school year 1935-1936.

Lawrence Holmes, two terms; Emily Lambert, two terms; James Robertson, one term; Edith Lambert, one term; Cynthia Holmes, two terms; Leona Holmes, two terms; Shirley Holmes, two terms; Victor May, two terms; Arlene Rockwell, one term; Kenneth Rockwell, one term; Marjorie Rockwell, one term; Ruby Rockwell, one term.

### GENERAL DISCUSSION

This year the Stoddard Grammar school has had an enrollment fluctuating from ten to twenty pupils. Families keep moving in and out. Considering the historic background of the town, its possibilities as a summer resort, and as a manufacturing center, it seems to be reasonable to believe that if the right people could be induced to settle here, that Stoddard could once more be turned into a busy and prosperous community. Here is a suggestion for the live wires of Stoddard, and we have some, to start a well organized publicity campaign for the achievement of this purpose.

Notwithstanding the restlessness which has been experienced, the school board, the superintendent, and the teacher, with the support of the general public, have succeeded in keeping up the usefulness and success of the school.

We are all proud of the fact that last June we held the first graduation ever held in the town of Stoddard. A most interesting program was given before a large audience in the historic Congregational church which was beautifully decorated with plants and flowers. The school children furnished musical numbers. A song entitled, "The Old Home Town," was composed for the occasion by Lawrence Holmes, and was sung by his two little girls, Cynthia and Shirley. Addresses were made by Reverend William Weston, pastor of the church, and Vincent Gatto, superintendent of schools. Mrs. Nellie J. Stewart, a local resident and former grand opera star, added to the occasion with her beautiful voice.

The graduating class consisted of one pupil, namely Leona Holmes, daughter of Lawrence Holmes, chairman of the school board, and a descendant of one of the earliest families of the town. Leona read in a most effective manner an original essay entitled, "The History of Stoddard." It was thought fitting that Mr. Holmes should present the diploma to his daughter. He did this with appropriate remarks. This part of the program brought the exercises to a fitting climax. Leona's name may well go down in local history worthy to be remembered side by side with "Ocean Born Mary."

In conclusion let us hope that our graduating classes may become more numerous as the years go by, so that Stoddard may have plenty of well educated young people who may be instrumental in establishing an outstanding community in the Granite state!

Respectfully submitted,

VINCENT GATTO

Superintendent of Schools.

Hillsboro, N. H., February 3, 1937.
