REPORT OF BUDGET COMMITTEE

The following requests were received from the Selectmen:

(1) The Board of Selectmen requests that the Budget Committee recommend an appropriation of \$15,000.00 for the purchase of a new Garbage Collection and Packer Truck, the money either to be borrowed on short term notes or taken from cash on hand. A similar request was made in 1964 but specified that it be purchased in 1964, if the need should arise. As the purchase was not made in 1964, a new request is made this year without limiting time of purchase.

The Committee recommends that \$15,000 be appropriated for this purpose, the money to be borrowed on short term notes, to be paid back over a period not to exceed three years.

(2) The Board of Selectmen requests the Budget Committee to recommend an appropriation of \$12,000.00 for the purchase of a new Truck and Snowplow, the money to be raised by short term notes or taken from cash on hand.

The Committee recommends that \$12,000.00 be appropriated for this purpose, the money to be borrowed on Short Term Notes, for a period not to exceed three years.

(3) A request was received from the Selectmen for an appropriation for \$3,000 for Dredging.

We recommend that his request be granted, and the money be appropriated from cash on hand.

A request was received from the Water and Sewer Commission for an appropriation of \$4,220.00 for repairs (Gunite) to the Perkins Brook Dam.

Report of Municipal and District Court

The Gorham Municipal Court was in operation only during the first six months of 1964, during which period 95 complaints were disposed of.

Of these complaints, 88 were violations of the Motor Vehicle laws; 4 were cases of larceny, 1 was a case of burglary and 2 were minor misdemeanors consisting of breach of peace.

Fines collected amounted to \$1,375.00 and were disposed of as follows:

To State of New Hampshire	\$ 548.00
To Town of Gorham	632.70
For expenses of Court (supplies, labor, materials, etc.)	194.30
	<hr/>
	\$1,375.00

On July 1, 1964, the Municipal Court was dissolved by law, and the Gorham District Court became operative.

The Gorham Judicial District consists of the towns of Gorham, Shelburne, Randolph and the unorganized places in Pinkham Notch. All violations of law which occur within the District must be brought before the Gorham Court; none which occur outside the District may be brought before this court, but rather must be taken to the court of that District within which the violation occurred.

The net effect of the jurisdictional rule has probably reduced to a small degree the number of cases handled in the Gorham District Court, as contrasted with operations of the former Gorham Municipal Court which on occasion handled cases from Milan, Errol and even Jackson.

By appointment of Governor King, the position of Associate Justice of the Court has been filled by James J. Burns, Esq. of Berlin. Mr. Burns is a most capable attorney and well qualified to preside over the court.

Mrs. Marie Andrews has been named as Clerk of the Court, with responsibility for all records, and receipt and disbursement of all funds.

Court sessions are held regularly on Thursdays at 5:30 p.m. and at such other times as necessary. The public is welcome to attend any such sessions, other than those involving juveniles. All parents of young people who are newly licensed to operate motor vehicles are urged to consult the Court at any time in regard to matters relating to their children and their use of automobiles.

Total complaints handled in the District Court during the final six months of 1964 were 126. Of these, 106 were violations of Motor Vehicle laws, 6 were of Fish and Game laws, 3 were felonies (1 burglary, 2 cases of reckless driving—death resulting), and the remaining 11 cases were misdemeanors of other types.

Fines collected amounted to \$2,061.60. In addition, 17 small claims cases were entered in Court, with \$4.50 of the entry fees paid over to the town.

Disbursements of the Court were as follows:

Paid to State of New Hampshire	\$ 566.50
Paid to Town of Gorham	1,246.58
For expenses of Court, including witness fees and travel (\$43.92)	248.52
	<hr/>
	\$2,061.60

DIVISION OF PUBLIC HEALTH
61 South Spring Street
Concord

December 28, 1964

Mr. Albert Wilson
Town Clerk
Gorham, N.H.

To the Citizens of Gorham:

During 1964, 48 visits were made in the community, and these visits are classified as follows:

Administration and Promotion	12	School	3
Cardiac	6	Postpartum	1
Health Supervision	1	Tuberculosis	22
Mental Health	3		

Fifteen children have attended the Orthopedic Clinic in Berlin, and three children have attended the Pediatric-Cardiology Clinic in Lancaster.

The Heaf testing program for tuberculosis has not been carried out in the school for two years, and we again need to establish Sabin Polio Clinics.

To improve our community health programs, we must realize that the enjoyment of the highest standard of health is one of the fundamental rights of every human being, without distinction of race, religion, political belief, economic or social condition. The health of all peoples is fundamental to the attainment of peace and security, and is dependent upon the fullest cooperation of individuals and communities. The health development of a child is of basic importance; the ability to live harmoniously in a total changing environment is essential to such development. Informed, active cooperation on the part of the public is of the utmost importance in the improvement of the health of their people. Help your neighbors to accept good health policies and hopefully bring about a better understanding and improved use of existing health services.

It is with pleasure that I extend my appreciation to the Citizens of Gorham for their cooperation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R.N.

Report of Recreation Commission

To the Inhabitants of the Town of Gorham:

The Recreation Commission, a five man board appointed by the Selectmen, is in its fifteenth year of operation. The Gorham Recreation Department is now in its eighth year-round recreation program. The 1964 attendance records show that a greater number of people have found varied and attractive activities in the Department program. A great majority of the participants in the program have shown their appreciation for opportunities they have had in this respect through continued participation, and through the letters and remarks directed to the Recreation Department during the year.

Again, this year, we have endeavored to fulfill any requests made of us within the limitations of our abilities and budget appropriations. Through the cooperation and continued interest of the various individuals, organizations and departments who have helped, by working together for the common good and the improvement of our leisure time opportunities, it has been possible to submit this report of our progress during the past year. We solicit your continued help and cooperation through the years to come. Our sincere thanks to one and all.

The Staff attended the Playground Workshop (held at Bristol, N.H.) which is sponsored by the N.H. Recreation Society and also attended the Playground Workshop at the Recreation Center, sponsored by the Dept. At the playgrounds, a different program of events was outlined for the Playground Staff each week. The weekly program topics are listed as follows:

Week of—

June 22—Get Acquainted Week
 June 29—Safety Week
 July 6—Be Kind To Animals Week
 July 13—Circus Week
 July 20—Citizenship Week
 July 27—Talent Week
 Aug. 3—Arts and Crafts Week
 Aug. 10—Round-up Week

The children participated in special events held on their individual playgrounds throughout the summer. The Annual Family Night was held the last week of the scheduled season and consists of families of children who attended the summer sessions, enjoying a cookout and a variety of activities. LIBBY MEMORIAL SWIMMING POOL

Personnel: Brian Mattson, Head Life Guard; Allen Ledger, George Lacombe, Morris Thompson and Donna Gauthier, Life Guards; Arthur Ellis, Maintenance.

The Libby Memorial Swimming Pool was open for a period of eleven weeks and two days from 10:00 a.m. to 8:00 p.m. daily for general swimming. Swimming lessons were from 9:00 a.m. to 12:00 noon Mon. through Thurs. and from 10:00 a.m. to 12:00 noon Fridays and Saturdays. Five Life Guards and a Maintenance Man were employed. All five of the Life Guards were qualified Water Safety Instructors, having completed the course at the Red Cross National Aquatic School.

Red Cross swimming instructions were offered to the following classes: Beginners, Intermediates, Swimmers, Advanced Swimmers, Junior Life Saving and Senior Life Saving. Senior Life Saving tests were also conducted for personnel employed in areas other than Libby Memorial Pool. An adult swimming course was also offered on Sat. mornings. At the beginning of the season 210 registered for swimming lessons, but due to vacations and inclement weather, some parents found it necessary to withdraw their children from the program before the final tests were given. Therefore, these children were not recorded as failing the course but as dropping out.

Course	Passed
Beginners	20
Intermediates	6
Swimmers	3
*Advanced Swimmers	0
Junior Life Saving	4
Senior Life Saving	3
**Senior Life Saving	5

*Those in the Advanced Swimmers Division were not able to complete the test—dropped course.

**Were given Senior Life Saving tests only.

The Swimming Pool was open 79 days, on 29 of which the weather was inclement or cold. This is the reason that many children did not continue on with their lessons and were not tested at the end of the season.

Cascade children were transported to the swimming pool Tues. and Thurs. mornings for swimming lessons and afternoons Mon. through Fri. for general swimming. During inclement weather the children were not transported. The eighth annual Swim Meet was

held Aug. 17th and an informal meet was held with Bristol, N.H. (Rec. Dept.) on Aug. 20th.

Participation in the State Recreational Swim Meet held at Claremont, N.H. was canceled—inclement weather curtailed practice sessions.

Program of the White Mountains Region Association 1964

The White Mountains Region Association this year has published and distributed 136,000 promotional folders and cooperated with the five other Region Associations in publishing 400,000 copies of the New Hampshire Accommodations Booklet.

We received a total of 7,500 individual inquiries about the Region which were answered with a package of folders and with personal letters. Because we are closely associated with the State of New Hampshire promotional effort, we receive in our office inquiries which are generated by the State. The Region Association's address is listed on one and one-half million individual pieces of literature published by the State.

In addition to maintaining an active and effective mailing office, the Association has encouraged and promoted many important developmental projects for the region. Such projects include Northern Ventures, a venture capital corporation to assist people who have ideas for industry; Temple Monorail System at Twin Mountain; the Kilkenny project in Lancaster; Mt. Agassiz Development in Bethlehem and Big Bear Ski area at Bartlett.

Through our Industrial Council we have changed the emphasis of industrial development of the State of New Hampshire so that it includes the northern three countries and also encourages a "do it yourself" attitude with industrial development groups.

Last year we assisted in promoting an appropriation of \$65,000 for the construction of the Whitefield Regional Airport and went on record opposing the Livermore Falls Dam in the Pemigewasset Valley.

Presently we are planning to establish an active Historical Sites Committee which will encourage the development of major historical sites in the region, an asset which we have which has not been developed to its full potential.

The work of the Association is continually hampered by a lack of adequate funds. In order to do the work necessary to raise our economy, the full support of all towns in the region is needed.

Respectfully submitted,

JOHN P. WILSON

Executive Secretary
Lancaster, New Hampshire
