## TOWN WARRANT FOR 1951

---

### TOWN OF HAMPTON STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton on Tuesday, the 13th day of March, 1951, at Ten o'clock in the forenoon to act upon the following subjects:

Article 1. To choose by Australian Ballot one Town Clerk, one Selectman for three years, one Treasurer, one Collector of Taxes, one Highway Agent, and three Auditors.

Article 2. To choose all other necessary officers for the ensuing year.

Article 3. To vote upon the following article:  
"Shall the provisions of chapter 171-A of the Revised Laws relative to playing games of beano be adopted in this town?" (This article appears on the Australian Ballot).

Article 4. On petition of Victor A. Bogrett, Jr., and ten other legal voters to see if the town will vote to adopt the non-partisan ballot system for all future town elections, regular or special. (This Article appears on the Australian Ballot).

(The polls for the election of officers and on Article 3 and Article 4 will open at Ten o'clock in the forenoon and will not be closed earlier than Three o'clock in the afternoon of the same day).

Article 5. To raise and appropriate such sums of money as may be necessary for Town Officers' salaries and expenses, election and registration, municipal court, care and supplies for Town Hall, police department, fire department, moth department, highways and bridges, street lighting, library, town poor, Memorial Day, parks and playgrounds, cemetery, sewer department, sidewalks, comfort station, town notes, Hampton Beach, and all other necessary charges arising within the town.

Article 6. To see if the town will give the Selectmen power to borrow money in anticipation of taxes.

Article 7. To see if the town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by the town through tax deeds.

Article 8. To see if the town will vote to authorize the Selectmen to take action according to the terms of leases against certain or all lease holders leasing lands from the town of Hampton who have not paid their ground rent, or taxes or both.

Article 9. To see if the town will vote to raise and appropriate the sums of \$448.67 for State Aid Roads, if the State contributed \$1,794.67.

Article 10. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of new fire hose for the fire department.

Article 11. On petition of the Educational Committee of the Hampton Monday Club to see if the Town will vote to raise and appropriate the sum of (\$500.00) five hundred dollars to be used for the purpose of mosquito control.

Article 12. On petition of Kenneth W. Langley and nine other legal voters to see if the Town will vote:

“To raise and appropriate for economic advancement of the town through publicity and promotional services of the Seacoast Regional Development Association, in cooperation with other regional communities, a sum not exceeding one one-hundredth of one percent of assessed valuation, namely \$878.00”.

Article 13. On petition of Roland W. Paige and eighteen other legal voters to see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the care and maintenance of deserted and abandoned cemeteries in the Town of Hampton.

Article 14. On petition of John W. Perkins and ten other legal voters to see if the Town will vote to adopt the Caucus Law, so called, relative to the conduct of Town Caucuses as provided in Sections 84 to 95, inclusive, of Chapter 33 of the Revised Laws of 1942 and any amendments thereto.

Article 15. On petition of Bernice Hendrix and twelve other legal voters to see if the town will vote to raise and appropriate the sum of \$1,000.00 to continue the Christmas lighting project in the business section of the town under the supervision of a committee consisting of Mr. Harold Winchester, Mrs. Ruth Perkins, and Mrs. Gertrude Lougee.

Article 16. On petition of Walter R. Clark and ten other legal voters.

“To see if the Town will vote to amend the Zoning Ordinance adopted at the Annual Town Meeting on March 8, 1949, by adding to Appendix A of said Ordinance the following: Additional Residence “A”, beginning at a point in the Town line between Towns of Hampton and North Hampton, which said point is 200 feet westerly from the westerly sideline of the Little River Road, so called, and thence running in a south-westerly direction in a line parallel to and 200 feet westerly from the said westerly sideline of said Little River Road to a point 200 feet south westerly from its intersection with the North Beach Road; thence turning and running in a straight line 200 feet to a point on the westerly side of the Little River Road, which said point is 200 feet southerly from the southerly sideline of the North Beach Road; thence turning and running north-easterly along the westerly side of said Little River Road to said Town line; thence turning and running westerly by said Town line 200 feet to the point of beginning, and that the zoning map dated February 2, 1948, be amended accordingly.”

Article 17. On petition of Charles F. Butler and ten other legal voters to see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purpose of developing a new parking area at Hampton Beach on land owned by the Town of Hampton on the southerly side of Island Path, so-called, and to authorize the Selectmen to proceed with the development thereof, to make such parking charges as they shall deem reasonable and to take all steps necessary to enable the Town to operate the same.

Article 18. On petition of Ernest R. Underwood and

ten other legal voters to see if the town will vote to rescind the motion passed at the last annual town meeting with regard to the property known as the FISH HOUSE AREA.

Article 19. On petition of Donald S. Murray and thirteen other legal voters to see if the town will vote to extend the present sewer system to include Ann's Terrace, and to raise and appropriate the sum of \$6,500.00 necessary to accomplish said extension.

Article 20. On petition of Donald S. Murray and ten other legal voters to see what action the town will take regarding the lighting on the streets in the center of the town i. e. Dearborn Ave., High St., Winnacunnet Road, Ann's Lane, Mill Road, Academy Ave., Exeter Road, and to instruct the Selectmen to take necessary action regarding the installation of additional lights.

Article 21. To receive the report of the Committee appointed at the last Annual Town Meeting to study the advisability of creating a water district.

Article 22. On petition of Thomas O. Moore and eleven other legal voters to see if the town will vote to accept the road leading off from Dearborn Ave., sometimes called Moore Ave., continuation of Kershaw Ave.

Article 23. On petition of William J. Thompson and twelve other legal voters to see if the Town will accept the street known as Locke Lane in the Town of Hampton.

Article 24. On petition of Laurice Brown and twelve other legal voters to see if the town will vote to accept from Ida P. Rice a deed of a certain tract of land to be used as a public highway. Said tract being forty feet

wide and extending Southeasterly from Lafayette Road for a distance of 444 feet then Northeasterly 219½ feet and commonly known as Rice Terrace.

Article 25. On petition of J. Walter Hollis and eleven other legal voters to see if the Town will accept the street known as Hackett's Lane in the Town of Hampton.

Article 26. On petition of J. Walter Hollis and eleven other legal voters to see if the Town will vote to accept the streets in the section east of Moulton Road known as the Great Lots, as public convenience will require.

Article 27. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars to be used for the purposes of civilian defense.

Article 28. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 23rd day of February in the year of our Lord, 1951.

ELROY G. SHAW,  
HARRY D. MUNSEY,  
GEORGE H. SUMNER,

Selectmen of Hampton, N. H.

## RESULT OF TOWN MEETING

March 13, 1951

---

Meeting was called to order at 10 a. m. by the Moderator, John W. R. Brooks. Warrant was then read by Moderator after which Prayer was offered by Rev. Floyd G. Kinsley.

Prayer for Town Meeting, March 13th, 1951.

God of our fathers, known of old, through Whom they received faith to found our fair community as "A beautiful place of Pines," and who gavest to their children the integrity to preserve it as the Community we now enjoy and cherish, be with us yet, lest we forget, Lest we forget that it is of Thy providence that such benefits are ours.

For the privilege of gathering that each may have a part in the government by which we are governed, we give Thee thanks, and grant that in our deliberations of of this day we may constantly be controlled by Christian charity and fair mindedness; and may we covet and cherish for all the regret to hold and express the truths that Thou givest us to see. And will Thou refine and purify the light that comes to each of us, until that truth shall more and more be begun, continued and ended in Thee. Guide those whom we shall choose to conduct our affairs that they may ever be mindful of the trust and confidence we place in them.

May we never cease to be vigilant in guarding here in our midst those principals for which our sons and daughters have gone out from our Community to preserve; Yea, which those principals they are even now on land and sea and in the air sacrificing to preserve. Guard and keep them strong and steadfast in Thee; that they laboring there, and we laboring here, may hasten the day when

Justice "shall run down as waters and righteousness as a mighty stream." And this we pray in the name of Christ. Amen.

Ballot Clerks were then appointed who were: Elmore L. Dearborn, Fred W. Blake, John Scruton, Clarence Shaw, Henry Bailey, Minnie Philbrook, Caroline Higgins and John Creighton.

Motion: to close polls at 7:30 p. m.

This was VOTED.

# TOWN WARRANT FOR 1952

---

TOWN OF HAMPTON

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton on Tuesday, the 11th day of March, 1952, at Ten o'clock in the forenoon to act upon the following subjects:

Article 1. To choose by Australian Ballot, one Town Clerk, one Selectman for three years, one Treasurer, one Collector of Taxes, one Highway Agent, and three Auditors.

Article 2. To choose all other necessary officers for the ensuing year.

(The polls for the election of officers will open at Ten O'Clock in the forenoon and will not be closed earlier than Six O'Clock in the afternoon of the same day).

Article 3. To raise and appropriate such sums of money as may be necessary for Town Officers' salaries and expenses, election and registration, municipal court, care and supplies for Town Hall, police department, fire department, moth department, highways and bridges, street lighting, library, town poor, Memorial Day, parks and playgrounds, cemetery, sewer department, sidewalks, comfort station, town notes, Hampton Beach and all other necessary charges arising within the town.

Article 4. To see if the town will vote to raise and appropriate the sum of \$1,500. which will raise the Selectmen's salary to \$1,200. each and allow \$300 for expenses.

Article 5. To see if the town will vote a 48-hour week for the police department and raise and appropriate the sum of \$4,000. to meet the additional expense.

Article 6. To see if the town will vote to raise and appropriation the sum of \$5,500. in order to give the fire department a weekly increase.

Article 7. To see if the town will give the Selectmen power to borrow money in anticipation of taxes.

Article 8. To see if the town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by the town through tax deeds.

Article 9. To see if the town will vote to authorize the Selectmen to take action according to the terms of leases against certain or all lease holders leasing lands from the town of Hampton who have not paid their ground rent or taxes, or both.

Article 10. To see if the town will vote to raise and appropriate the sums of \$363.43 for State Aid Roads, if the State contributed \$2,422.89.

Article 11. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of new fire hose for the fire department.

Article 12. To see if the town will vote to raise and appropriate for economic advancement of the town through publicity and promotional services of the Seacoast Regional Development Association, in co-operation

with other regional communities, a sum not exceeding one one-hundredth of one percent of assessed valuation, namely, \$948.00.

Article 13. On petition of Roland W. Paige and fourteen other legal voters to see if the town will vote to raise and appropriate the sum of \$300.00 for the care and maintenance of deserted and abandoned cemeteries in the town of Hampton.

Article 14. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (old age and survivors' insurance) as authorized by Chapter 234 of the Laws of 1951, and to raise and appropriate the necessary sums of money to defray the town's share of the cost thereof.

Article 15. If the foregoing article is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Article 16. On petition of Charles F. Butler and nine other legal voters of the town of Hampton to see if the town will vote to raise and appropriate the sum of \$1,000. to pay for the cost of an engineering survey to determine the advisability and cost of extending the present sewerage system located in the Hampton Beach Precinct over the remaining streets in the Precinct not now serviced by the sewer.

Article 17. On petition of Harold L. Pierson and ten other legal voters of the town of Hampton to see if the moderator will appoint a committee of three persons to

meet with the proper authorities of the Hampton Water Works and request such water company to add flourine to the water supply as a preventive for dental decay in accordance to the standards established for such flourination by the American Dental Association and the United States Department of Public Health and the cost of approximately eight cents per person per year be borne by the subscribers to such water supply.

Article 18. On petition of Frank B. Freeman and nine other legal voters of the town of Hampton to see what action the town will take on raising and appropriating the sum of \$3,000.00 for the grading and laying out of a Soft Ball or Little League diamond in the Northwest corner of Tuck Field. The said work, to be under the supervision of the selectmen.

Article 19. On petition of William W. Treat and nine other legal voters of the town of Hampton to see if the town will vote to have a survey made of the need for additional parking space in the business section of the town and to have a committee of five appointed for that purpose from the floor; said committee to report its recommendation to the next annual town meeting.

Article 20. On petition of Mary Trenholm and twelve other legal voters of the town of Hampton to see if the town will vote to extend the present sewer system to include Ann's Terrace and to raise and appropriate the sum of \$4,900.00 to accomplish said extension.

Article 21. On petition of J. Walter Hollis and thirteen other legal voters of the town of Hampton to see if the town of Hampton will install a sanitary sewer on the streets known as Fairfield drive and Ruth's Lane, and appropriate the necessary monies.

Article 22. On petition of Richard R. Grenier and nine other legal voters of the town of Hampton to see if the town will vote to accept a street, as laid out by Richard Grenier, running from Ann's Lane to Mill Road as soon as the street has been constructed and approved by the selectmen.

Article 23. To see if the town will vote to amend the Zoning Ordinance adopted at the Annual Town Meeting on March 8, 1949, and amended at the Annual Town Meeting March 14, 1950, as follows:

By adding in Section 4 of Article 1, after the word "annual," the words "or special" so that the said Section 4 shall read as follows:

Section 4. This ordinance and the boundaries of districts shown on the Zoning Map may be amended at any annual or special town meeting in accordance with the provisions of the State Zoning enabling Act, Chapter 51 of the Revised Laws, 1942, or any amendments thereto.

Article 24. To see if the town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plats showing new streets or the widening thereof, or parks, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Rockingham, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive, Chapter 53 of the Revised Laws of New Hampshire as inserted in Section 1, Chapter 138 of the Laws of 1949.

Article 25. On petition of John P. Knobloch and nine other legal voters of the town of Hampton to see if the

town will vote to amend the Zoning Ordinance adopted at the Annual Town Meeting on March 8, 1949, by adding to Appendix A of said Ordinance the following: Additional Residence "A", beginning at a point in the Town line between Towns of Hampton and North Hampton, which said point is 200 feet westerly from the westerly sideline of the Little River Road, so called, and thence running in a southwesterly direction in a line parallel to and 200 feet westerly from the said westerly sideline of said Little River Road to a point 200 feet southwesterly from its intersection with the North Beach Road; thence turning and running in a straight line 200 feet to a point on the westerly side of the Little River Road, which said point is 200 feet southerly from the southerly sideline of the North Beach Road; thence turning and running northeasterly along the westerly side of said Little River Road to said Town line; thence turning and running westerly by said Town line 200 feet to the point of beginning, and that the zoning map date February 2, 1948, be amended accordingly.

Article 26. On petition of William Thayer Barry, Jr., and twelve other legal voters of the town of Hampton to see if the town will vote to amend the Zoning Ordinance adopted at the Annual Town meeting on March 8, 1949, and amended at the Annual Town Meeting March 14, 1950, by adding to Appendix A. of said Ordinance the following: Additional Residence "A", beginning at a point in the boundary line between the Towns of North Hampton, and Hampton, which said point is 300 feet easterly from the center line of the location of the Boston and Maine Railroad, and thence continuing easterly along said Town line to a point 200 feet easterly from the easterly side of the Mill Road, so called; thence turning and running southerly by a line parallel to and 200 feet easterly from the easterly side of said Mill Road to its intersection with Residence "A" District, "Hampton Village"; thence turning and running westerly along said Residence "A"

District to a point 300 feet easterly from the easterly sideline of the Lafayette Road; thence turning and running northerly by a line parallel to and 300 feet easterly from the easterly sideline of the Lafayette Road to the point of beginning, and that the zoning map dated February 2, 1948, be amended accordingly.

Article 27. On petition of Peter Filicamo and nineteen other legal voters of the town of Hampton to see if the town will vote to classify a certain section of High Street as a Residence B Area, said area to begin at the easterly end of the present Business Area on High Street and extend easterly to Mill Road; said proposed Area being more specifically described as follows:

Beginning at a point 200 feet southerly from the southerly line of High Street opposite the westerly boundary of the Advent Church property as projected across High Street and running northerly by said westerly boundary projected to a point 200 feet northerly from High Street; thence turning and running easterly by a line parallel to and 200 feet northerly from High Street to a point in the westerly sideline of Mill Road; thence turning and running southerly by Mill Road to a point 200 feet southerly from High Street; then turning and running westerly by a line parallel to and 200 feet southerly from High Street to the point of beginning.

Article 28. On petition of Wilfred Boudreau and twenty-seven other legal voters of the town of Hampton to see if the town will vote favorably to have Manchester Street oiled.

Article 29. On petition of Helen Taylor and fifteen other legal voters of the town of Hampton do hereby petition the town of Hampton for a sidewalk on Moulton Road.

Article 30. On petition of John G. Clancy and twelve other legal voters of the town of Hampton to see if the town will vote to raise and appropriate the sum of seventy dollars for signs for North Shore, Hampton Beach.

These signs would forbid people to change clothes in cars or in public before or after bathing. In addition they would prohibit people from taking dogs on the beach during the summer season.

Article 31. On petition of Wilfred Boudreau and twenty-six other legal voters of the town of Hampton to see if the town will vote to change the name of Marsh Avenue to Sunset Boulevard. This article to take effect on its passage.

Article 32. On petition of Margaret M. Wingate and seventeen other legal voters of the town of Hampton to see if the town favors or opposes the establishment of a Military Air Base in Newington, New Hampshire.

Article 33. On petition of Margaret M. Wingate and seventeen other legal voters of the town of Hampton to if the town shall direct the Selectmen to communicate with the Secretary of Defense for Air in Washington, D. C., and record with him the vote taken by the voters in regard to the establishment of a Military Air Base in Newington, New Hampshire.

Article 34. To see if the town will vote to raise and appropriate the sum of \$1,000.00 to continue the Christmas lighting project in the business section of the town.

Article 35. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 21st day of February in the year of our Lord, 1952.

# REPORT OF SPECIAL AUDITOR

---

To the Selectmen and Auditors  
of the Town of Hampton, N. H.

Gentlemen:

I have completed an audit of the Books, Accounts and records of the Town for the year ended December 31, 1951 and as a result of the findings, I submit herewith this report, which sets forth the operations for the period under review, also a Balance Sheet as at December 31, 1951.

The attached exhibits are as follows:

- "A" Balance Sheet as at December 31, 1951
- "B" Summary of Inventory April 1, 1951
- "C" Schedule of Town Property December 31, 1951.
- "D" Report of Outstanding Debt December 31, 1951.
- "E" Statement of Receipts and Payments for the Year ended December 31, 1951.
- "F" Detail of Appropriations for the Year Ended December 31, 1951.
- "G" Detail Statement of Payments and Summary showing the Receipts and Payments to be in balance, December 31, 1951.

Schedule No. 1 — Police Dept. Payroll.

Schedule No. 2 — Fire Dept Payrolls.

Schedule No. 3 — Parking Space Payrolls.

Schedule No. 4 — Highway Dept. Payrolls.

Schedule No. 5 — Health and Sewer Dept. Payrolls.

Schedule No. 6 — Comfort Dept. Payrolls.

Schedule No. 7 — Special Activities Payrolls.

## ASSETS

The cash in the Treasury, Dec. 31, 1951 (\$95,860.31) was verified by a reconciliation of the Receipts and Disbursements as disclosed by the Cash Book with the Deposits and Withdrawals as listed on the Bank Statements.

The outstanding 1951 Taxes were checked with individual accounts as entered in the Tax Collector's Commitment Book and Valuation Book, reflecting a total of unpaid 1951 Property Taxes of (\$28,107.82).

The outstanding Land Rents of (\$887.50) were verified and found to be correct.

## LIABILITIES

The Outstanding Bonds aggregating (\$254,000.00) were verified and found to be correct.

Exhibit "A" follows:

Net Debt December 31, 1951	\$208,245.95
Net (Debt) December 31, 1950	180,168.73
Increase of Debt, Year Ended December 31, 1951	\$28,077.22

## GENERAL REMARKS

The Summary of Inventory April 1, 1951 was examined with the Individual items as set forth in the Valuation Book.

In connection with the Exhibits of the Report, a careful examination was made of the various accounts and in my opinion, the Statements attached set forth a correct report of Operations, for the period under review.

Respectfully submitted,

SANFORD G. YORK,

Public Accountant.

---

## AUDITOR'S REPORT

I hereby certify that I have audited the Books and Records of the Town of Hampton for the year 1951 and that the following exhibits and schedules are in accordance with the Books, Records and Accounts of the Town of Hampton as of December 31, 1951.

SANFORD G. YORK,  
Public Accountant.

## REPORT OF LIBRARIAN

I hereby submit the following report of Hampton Public Library from January 1, 1951 to December 31, 1951.

Number of volumes added by purchase	430
Adult Fiction	282
Adult Non-Fiction	94
Juveniles	54
Circulation	
Adult Fiction	10,387
Adult Non-Fiction	2,384
Juvenile Fiction	2,349
Juvenile Non-Fiction	440
Book Circulation	15,563
Magazine Circulation	2,520
Book and Magazine Circulation	18,083

In the Spring the Library was asked to take charge of circulating books sent from the State Library to be used by teachers taking the course "Speech for Teachers." This course was given at the Academy once a week for a period of fifteen weeks. At the close of the course the books were returned to the State Library.

Book Week was observed from November 11 to 17. On display was the Poster "New Horizons with Books," designed by Marcia Brown. Books for young people were exhibited during the week, then put into circulation.

The outstanding work added to the Reference Department this year is the two-volume edition of Webster's New World Dictionary of the American Language. Some gifts have been received and thanks are given to the donors.

From time to time teachers have taken collections of books in the schools, so that the circulation of children's books is actually larger than appears on my records.

Balance of Fine money	\$56.10
Fines	96.15
Necessary expenses	93.01
Balance	59.24

MARGARET S. NOYES,  
Librarian.

## FIRE DEPARTMENT INVENTORY

Fire Headquarters, Marsh Ave.

4-Run apparatus room, boiler room and heating equipment, Fire alarm control room — fully equipped with 6 circuit fire alarm board, tape recording registers, bells, two way Motorola Base Station Unit, 2 Telephone lines and 1 Private telephone line, Battery room fully equipped with 6-circuit battery control boards, rectifiers etc.. ground control boards, charging board, battery rack with 162 batteries, high rate motor generator charging set, automobile battery charging unit and various small equipment. Hose drying tower, 2 single bed rooms, dormitory, office, kitchen and assembly hall.

### Apparatus

Engine No. 1 — 1922 Ahrens-Fox 750 Gallon Pumper.

Equipment: 1 - 24 foot extension ladder, 1,000 feet of 2½" Hose, 200 feet 1½" Hose, 250 feet booster hose, booster tank, 100 gallons capacity, 30 feet 5" suction hose, 1 oil lantern, 2 2½ gallon soda and acid extinguishers, 2 axes, 2 hydrant wrenches, 1 plaster hook, 4 hose fittings and adapters, 1 1½" fog nozzle, 4 2½" nozzles, 1 booster nozzle and 3 nozzle tips.

Engine No. 3 — 1937 Mack 500 Gallon Pumper

Equipment: 1 35-foot extension ladder, 1 14 foot roof ladder, 1,500 feet of 2½" hose, 450 feet of 1½" inch hose, 250 feet booster hose, booster tank 125 gallons capacity, 30 feet of 4½" suction hose, 7 brooms, 1 hammer, 2 canister and 2 O. C. D. gas masks, 1 first aid kit, 1 stretcher, 2 2½ gallon foam extinguishers, 1 15 lb. carbon dioxide extinguisher, 1 5 gallon Indian pump can, 1 Motorola two way mobile radio unit, 2 axes, 1 crow bar, 1 wire cutter, 1 pair rubber gloves, 2 hand lights, 1 hose clamp, 2 hose gates, 2 hydrant wrenches, 1 hydraulic jack, 1 plaster

hook, 2 ropes, 3 shovels, 12 hose fittings and adapters, 1 1½" fog nozzle, 2 2½" nozzles, 1 booster nozzle and 6 nozzle tips.

#### Engine No. 4 — 1948 Mack 500 Gallon Pumper

Equipment: 1 24 foot extension ladder, 1 14 foot roof ladder, 1,600 ft. of 2½" hose, 200 ft. 1½" hose, 250 ft. of booster hose, booster tank 250 gal. cap., 30 ft. 4½" suction hose, 1 bucket, 6 brooms, 1 hammer, 2 cannister and 2 O. C. D. gas masks, 1 first aid kit, 2 2½ gal. foam extinguishers, 1 15 lb. carbon dioxide extinguisher, 4 5 gal. Indian pump cans, 1 Motorola two way mobile radio unit, 2 axes, 1 crow bar, 1 wire cutter, 1 door opener, 1 pair rubber gloves, 2 hand lights, 1 hose clamp, 2 hose gates, 2 hydrant wrenches, 1 hydraulic jack, 1 plaster hook, 2 ropes, 2 shovels, 9 hose fittings and adapters, 1 1½' fog nozzle, 2 2½" nozzles, 1 booster nozzle, 3 nozzle tips.

#### Ladder No. 1 — 1941 Mack City Service Ladder

Equipment: 2 45 foot extension ladders, 1 35 foot extension ladder, 1 32 ft. extension ladder, 2 24 foot roof ladders, 2 20 foot roof ladders, 2 16 foot roof ladders, 1 10 foot folding ladder, 250 feet booster hose, 100 gallon booster pump, booster tank of 150 gallon capacity, 20 feet of 2½" suction hose, 4 brooms, 4 salvage covers, 1 hammer, 2 O. C. D. gas masks, 1 first aid kit, 1 life net, 1 stretcher, 1 ladder pipe, 2 nozzle tips, 1 2½ gallon foam extinguisher, 1 Motorola two way mobile radio unit, 2 axes, 1 crow bar, 1 roof cutter, 1 wire cutter, 6 hay forks, 1 pair rubber gloves, 1 hose gate, 3 plaster hooks, 3 ropes, 3 shovels, 2 hose fittings and adapters, 1 distributing nozzle and 1 nozzle tip.

Chief's Car — 1951 Oldsmobile equipped with two way Motorola mobile unit.

Reserve Equipment: 1 25 foot extension ladder, 1 14 foot roof ladder, 3,450 feet of 2½" hose, 1,550 feet of 1½" hose, 20 feet 2" suction hose, 20 feet of 1½" suction hose,

20 feet of 4' suction hose, 9 buckets, portable pump 500 gallon capacity, portable pump of 100 gallon capacity, 1 siphon, portable generator 1,500 watts, 1,000 feet wire cable, 2 floodlights, 2 spot lights, 1 inhalator, 1 resuscitator, 1 first aid kit, 6 oil lanterns, 1 deluge set, 1 foam generator, 12 cans foam powder, 6 O. C. D. stirrup pumps, 6 axes, 2 wrecking bars, 3 handlights, 1 hydrant wrench, 2 shovels, 2 rakes and 1 two-way Motorola base station unit.

### Station No. 2, Academy Avenue

2 Run apparatus room, fire alarm board, hose drying tower, double bed room, bath room, lounging room, basement and heating system.

#### Apparatus

##### Engine No. 2 — 1941 Seagrave 500 Gallon Pumper

Equipment: 1 35 foot extension ladder, 1 14 foot roof ladder, 1,500 feet of 2½" hose, 450 feet of 1½" hose, 250 feet booster hose, booster tank of 200 gallon capacity, 30 feet 4" suction hose, 2 buckets, 3 brooms, 2 salvage covers, 1 first aid kit, 2 2½ gallon foam extinguishers, 1 15 lb. carbon dioxide extinguisher, 6 5 gallon Indian pump cans, 1 Motorola two way mobile radio unit, 1 axe, 1 crow bar, 1 burst hose jacket, 1 wire cutter, 1 pair rubber gloves, 2 hand lights, 1 hose clamp, 2 hose gates, 2 hydrant wrenches, 1 hydraulic jack, 1 plaster hook, 2 ropes, 3 shovels, 8 hose fittings and adapters, 1 1½" fog nozzle, 2 2½" fog nozzles, 1 booster nozzle, 7 nozzle tips, and 1 cannister gas mask.

##### Old Engine No. 2 — 1934 Reo 350 Gallon Pumper

Equipment: 150 feet booster hose, booster tank capacity 110 gallon capacity, 20 feet 3½" suction hose, 1 35 foot extension ladder, 3 buckets, 6 brooms, 10 5 gallon Indian pump cans, 2 axes, 1 hydrant wrench, 1 plaster hook, 1 saw, 2 shovels, 3 hose fittings and adapters, 1 nozzle 2½", 1 booster nozzle and 3 nozzle tips.

## FIRE ALARM SYSTEM

### Circuit No. 1

12 Fire alarm boxes,  $5\frac{1}{2}$  miles of wire and pole equipment. Coverage, Beach section from F street to Mile Bridge.

### Circuit No. 2

14 Fire alarm boxes,  $3\frac{1}{2}$  miles of wire and pole equipment Coverage, Beach section D street north to Boar's Head.

### Circuit No. 3

28 Fire Alarm boxes. 15 miles of wire and pole equip. ment. Coverage, North Beach section from Boar's Head to Town Line. Winnicummet Road to Locke. High Street to Five Corners to Coast Guard Station.

### Circuit No. 4

19 Fire alarm boxes,  $11\frac{1}{2}$  miles of wire and pole equipment. Coverage, Winnicummet Road (partial) from Landing Road to Lafayette Road and sections southerly of these points and Exeter road.

### Circuit No. 5

21 Fire Alarm boxes. 10 4-5 miles of wire and pole equipment. Coverage, Winnicummet Road (partial) to Academy Ave., Lafayette Road at Town Square and all sections northerly of these points.

## SCHOOL WARRANT

---

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton, on Friday, the seventh day of March, 1952, at three o'clock in the afternoon, and to cast ballots from that hour until at least eight o'clock in the evening of said day for candidates for the following district officers:

1. Moderator (for the ensuing year).
2. Clerk (for the ensuing year).
3. Member of the School Board for the ensuing three years.
4. Treasurer (for the ensuing year).

You are also notified to meet at the same place at eight o'clock in the evening of the same day, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
2. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
3. To see what sum of money the district will raise and appropriate for the support of the schools, for the salaries of school district officials, and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the

state equalization fund together with other income: the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

4. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

5. To see if the School District will vote to approve a compromise settlement in the sum of three thousand nine hundred seventeen dollars and sixty-six cents (\$3,917.66) of the claim of the School District against the Aetna Casualty and Surety Company in connection with the bid bond furnished by the Company as surety and Leon Keyser, Inc., as Principal to the School District of the Town of Hampton, dated April 18, 1951.

6. To see if the District will vote to empower the Moderator to appoint a committee of four to serve with the School Board to secure preliminary plans for housing Grades Seven, Eight and Nine and to present such preliminary plans at a Special Meeting of the School District to be held not later than September 30, 1952.

7. To transact any further business that may legally come before said meeting.

Given under our hands at said Hampton this 15th day of February, 1952.

HAROLD L. PIERSON,  
D. MALCOLM HAMILTON,  
CAROLINE P. HIGGINS,

School Board.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board of Hampton:

I herewith submit to you my twenty-second annual report as Superintendent of your schools. Included will be reports from the Principals of the Academy and High School and the Centre School. The heads of various departments have also been asked to report a summary of the work of their respective programs. The statistics presented are those of the school year 1950-51, the last completed school year, except that the September pupil enrollment is that of September 1951. Although some class enrollments have increased above these figures, it seems best for purposes of comparison to consider only the initial enrollment.

The present year began Wednesday, September 5th, 1951 with an initial enrollment of 658. This compares with last year's figure of 596 and the previous year's 606. It is noticeable that our largest registrations are in the lower grades with 156 pupils in grades one, two and three and with 123 in grades four, five and six. The kindergarten, with 53 children in attendance, is the largest so far enrolled. This foresees increasing enrollments under normal growth during the coming years. As new homes are constructed in town, it is reasonable to expect still further growth.

In September 1953, a ninth grade of 75 pupils will enroll in the High School. This is the minimum figure since it considers only the pupils now enrolled in grade seven and does not take into account the children in families who will move into Hampton or its neighboring towns. As

this and following classes move up, the High School population will be above capacity.

The plans for the Centre School anticipated the time when the Junior High School (grades seven and eight) would move out of the present building, since their rooms would be needed to completely house kindergarten through six.

The survey made in 1949 by the Educational Service Associates prophesied an enrollment of 693 in the year 1953. This was based upon normal growth. Increases above this now bring our expected total to 729 as a minimum. The only solution seems to be provision for housing grades seven, eight and nine. This would relieve the foreseen overcrowding in both the Centre School and High School. With these three grades together we would have a unit of two hundred pupils, a more efficient grouping than our present one hundred.

There seems to be several methods of meeting our situation, each of which has its own unique advantages. The construction of a new building housing grades seven, eight and nine should be considered. This would eliminate the wide spread that now exists, in age and development, among the pupils in our Centre School. Additions to one or the other of our present buildings is also a possibility. Consideration should be given to some form of consolidation with neighboring towns. The committee appointed at the school meeting of 1951 "to study present and future housing of the secondary school program in Hampton" is considering various plans and will bring in its report.

The present new addition to the Centre School now serves the kindergarten and two divisions each of grades one and two. The activity room will probably be complet-

ed by the time this report is published. The six classrooms incorporate many of the most improved principles of modern school construction. The furniture is moveable. This enables the teacher to arrange pupils in different small groups in accord with their varying needs and activities. The unit of instruction is now a group rather than an entire class. The benefits of this method are evident. Modern instruction requires more room. For this reason the rooms measure 40 x 24 rather than 28 x 22, the previously approved size in our Centre School. The rooms of the main building were increased in size by removing the cloak partitions. The old wooden floors are now replaced by tile-asphalt in the addition and linotile in the main part. Lighting has been given special attention. All floors are light colored, the walls are finished in attractive colors with a high reflector factor. The windows are unusually large and the artificial lighting of the most approved type.

Each classroom for the lower grades is a self-contained unit with toilets, sink, counter and wardrobe within the room. This construction leads to a more efficient administration with less confusion throughout the building.

There are fourteen classrooms in the Centre School. These allow for two divisions of each grade, kindergarten through six with a small remedial room. As soon as grades seven and eight are housed elsewhere, our situation will be all that can be expected.

As an improved service to the children of our school, the Lions club of Hampton has purchased a Keystone Telebinocular and presented it to the schools of Supervisory Union No. 21. This machine more accurately tests the eyes of the pupils, measuring the sight for different defects, near and far sightedness, color blindness and movement of the eyes in vertical and horizontal direc-

tions. From these tests, defects will be found and analyzed which were not found before. This contribution of the Lions club will aid naturally in the school work of the pupils.

I wish to compliment the teaching staff of Hampton on their willingness to devote their own time to professional courses that they might better serve the children under their care. Twenty-seven teachers have done work for college credit since the report last year. This was done at five different colleges or through courses given in Hampton by college staffs. Of the two courses in Hampton, that of last year was in charge of the University of New Hampshire faculty. The second Hampton course is now being conducted by the Harvard-Boston University extension service. We are pleased that teachers from other districts in New Hampshire and Massachusetts enrolled with us for this work.

The Hampton School District has faith in visual education. It now has two moving picture machines, one of which was given to us by the Trustees of the Academy. A film strip machine was also purchased by the Trustees. At the winter meeting of Supervisory Union No. 21, the purchase of a film strip library was authorized. These strips are strictly teaching aids, made by recognized teachers for presentation of school subjects. Since they are costly, it was felt that an individual district could not offer a library of its own. By joint purchase of the seven districts, the entire library will be available to all, the cost being apportioned according to the number of pupils who will be using the films. Pictures are always attractive to children. If arithmetic, geography, history and science can be presented in picture form, the lessons are learned more easily.

The Trustees of the Academy and High School have continued their policy of generous contributions to the program of the school. A Powermatic 16" planer was pre-

sented to the Academy. This is an expensive item and will save the district expense since we can now plane our own rough stock. The Home Economics department was furnished a complete Bavince Case with a capacity of 28 boxes, with two sewing tables to match. The heavy duty vacuum cleaner is also a gift of the Trustees. They have also continued their policy of supplying the school with new typewriters — one of these being an electric Royal. These contributions serve to make the work of the Academy more pleasant and more efficient.

Hampton schools now have a staff of thirty-two teachers, nine of whom are new to the district — two of these being additions because of divided grades. The large fifth grade will require one more teacher for the year 1952-1953. The interest of the teachers in the welfare of the pupils is proven daily by faithful endeavor in their contacts with the children. It is also proven by the fact that they have formed their own organization whose purpose is to still better serve the schools. They have worked under difficulties this year, caused by the constuction of the addition, which was continued after the classes were organized. The lack of facilities for continuing the lunch program offered problems. Our auditorium was also denied them. In spite of these handicaps, I believe the year will prove our staff to be an efficient body and the year a successful one.

As always, the Parent-Teacher Association is a valued ally of the school. It has shown active interest in the welfare of the pupils. When the redecorated lunch room is available, its help will be appreciated. It is encouraging to know that there is such a group of interested citizens always working for the welfare of the schools and its pupils.

Our schools are continually checked by recognized standards. The work accomplished is measured in terms of approved statistics. It is hoped that parents and citi-

zens may visit often. Consultations with teachers lead to united effort of home and school. Each has its contribution to the life of your child. Working together, the child may be led to the fulfillment of his potentialities. This is the purpose for which schools are founded.

I wish to express my appreciation for the help of our efficient school board, for the achievements of an excellent staff of teachers, and for pupils of whom we all are proud.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

February 16, 1952

## HIGH SCHOOL PRINCIPAL'S REPORT

---

Dear Mr. Gillmore:

I herewith submit my annual report as Principal of Hampton Academy and High School.

Over the last year there has been so slight a change in the enrollment that our physical condition remains the same. We are just at our capacity and fit into the building comfortably. The class we expect to enter next year is somewhat larger and we will need additions to our equipment. I would suggest than an allowance be made in the budget and that an order for homeroom desks be placed soon.

The tarring of the play and parking area has been an advantage. It is much more usable. We still need more play area. The physical education classes should be held out-of-doors during the season weather permits. I have recommended the purchase of the field out back many times. I still think it would be a wise move.

We have been allowed fifty dollars to obtain films. The increased cost of transportation and rental makes it necessary for us to ask for an increased allowance. In order to make the money go as far as possible we have used mostly free films. The advertising included under such circumstances has not been objectionable. Postage both ways makes these films stand us about \$1.25 each.

We have all felt the need to improve our library. Modern methods of teaching use more and more reference books. I have asked all teachers to be alert in keeping us informed of their needs. It would be advisable, therefore,

to make provision in the budget so that these needs can be met. You have always found a way to get books for us and we appreciate it. However, this item is likely to be larger in the future and I think it only fair to warn you.

During the past year many things asked for in the past have been obtained and are in use. We want to express our appreciation to the school board and trustees for a micro-projector, a film strip projector, a duplicating machine, science equipment, shop machinery, driver training aides, band instruments and equipment, office machines and files beside the usual supplies. Our storage space and locker rooms have been improved. Shrubs and trees have added to the attractiveness of the building and grounds. The youth of this community are indeed fortunate to have such attractive, well equipped schools.

Several years ago we did considerable remedial work in the fundamentals. Our steady growth and high teacher load, as a result, made us temporarily give it up. We are returning to that program and have inaugurated classes in remedial arithmetic this year through the interest of one of our teachers. A test was given and all pupils falling below an agreed-upon standard were required to take remedial classes. Of course pupils do not like additional work, but we believe it has real value. We hope to extend the program to include reading, writing and place geography.

Last year we graduated a class of forty-five. Thirteen are attending college, two preparatory school, two business school, one nursing school and one photography school. Fifteen are employed, one is in the Air Force and two are married.

This is the first year we have had the full-time services of a music supervisor. It has made a noticeable difference

in the high school. The band appeared at our football games, a concert has been conducted and an operetta is planned for the spring. Classes in music appreciation are held regularly in addition to the glee clubs and chorus. I feel we have moved in the right direction.

I feel that we have a well-balanced school program at present. We are meeting the needs of the youth of the community in an adequate manner. There is always the question of how far we should extend our services without it becoming too great a burden on the taxpayer. I believe that this community has reason to be proud of its schools.

I want to commend our teachers for their cooperation. They often devote their time for extra-curricular activities beyond the usual day's work. While I believe that they should, it is nice to know that it is appreciated.

In this brief report I have touched on the things that I thought should be commended or ones I felt needed attention.

I want to express my appreciation to you and the school board for past assistance and to request your cooperation in the future.

Respectfully submitted,

BRUCE E. RUSSELL,

Principal.

## CENTRE SCHOOL REPORT

---

To the Superintendent of Schools:

I herewith submit by Annual Report for the Centre School for 1951-1952.

Many changes have taken place since the last report was presented and much progress has been made.

Due to building conditions, school was started somewhat late in September, with the Junior High occupying the High School auditorium and the first six grades in session at the Centre School. Tentative plans at this writing are that we shall be in session longer in June to make up for some of the time which was lost.

There were a number of alternatives to consider when it was definitely seen that the new addition to the Centre School would not be ready for occupancy in September but the best solution for all concerned seemed to be to open the Centre School, grades one through six on an all-day session and to place the Junior High School at the High School in the manner mentioned above. It was confusing at first but everyone assumed his share of the burden and it worked out better than had been anticipated.

After Christmas, progress enough had been made on the addition so we could move into our permanent quarters. The Kindergarten started in its regular rooms and both sections of grades one and two were moved into the rooms they would normally occupy at the Centre School and movement for this school year was ended.

Things in general are most satisfactory both in the renovated old building and in the new addition. The

color scheme is excellent and the modernization has made the entire plant a pleasant and practical place in which to work. There have been many favorable comments from pupils, teachers and visitors.

From an administrative standpoint the changes are excellent, because it makes natural areas into which groups of comparative ages may play together. This factor alone is worth much. At the present time the basement has not been completed, the activity room is not ready and the auditorium is not finished but prospects are they too will soon be available for use.

It is very difficult to describe what has been done and how facilities are being used, but it is hoped that an open house will be held in the not-too-distant future where the whole plant will be open for public inspection.

Several new members to the staff were present when school opened in September; Miss Phyllis Brown as Kindergarten teacher, Mrs. Barbara Martens, grade four, Mrs. Elizabeth Goggin in grade four, Miss Elvira Lewis, grade five, and Mr. Robert Martens for Junior High Social Studies. With the new teacher changes, Mrs. Wormwood was placed in grade three and Mrs. Stevens in grade six, those grades being nearer the areas where both had the most experience. All are doing a fine job and Hampton is fortunate in having such a fine elementary school teaching staff. Mrs. Goggin left at Christmas vacation and was replaced by Mrs. Whittum, who is also a fine teacher.

Other school activities are being carried on, though for obvious reasons we have not done as much on some of them as in previous years. Our visual education program has been sharply curtailed insofar as films are concerned for lack of a place to show them but we have found a good substitute in the new slide projector which can be used

quite readily in each room. Film strips used in this projector, in many respects, are better than films for they can be made to be much more timely and correlate much better. It is hoped that we shall be able to do more with films and the movie projector when we can again use the auditorium.

Our testing program has included the Kinder Preference tests in grade eight, Iowa Reading tests in grades four through eight, Metropolitan Complete Battery in grades two and three and Primary Mental Abilities tests in grade one. We also have just completed the new Progressive Achievement Battery in grades four through eight though the results have not returned. These tests when profiled and placed in each child's cumulative record folder present bits of evidence which when summed up over a period of years gives a fairly accurate account of any child's behavior pattern.

Now that construction is nearly complete, it is already time to be thinking seriously of what is to happen to the Junior High School. This plant is not designed to house them and we already are being crowded by their presence. At this writing they are using a room which was supposed to be a testing and reading room and Mrs. Simmons has to use the Teachers' room for her classes. The teachers need their room and it should be returned to them. Next year when grade five is divided we shall already have no regular room for one of the Junior High School grades.

It is only a thought, but it could be a practical solution of our Junior High School problem to plan with the cooperation of Hampton Falls and North Hampton some type of a consolidated Junior High which would relieve crowded conditions in all of them, including our Senior High School.

It is probably being planned, but another problem for consideration should be landscaping of the grounds with the addition of some hard surfaced play areas and some new playground equipment. Conditions as they now exist make it difficult and children do not get the most out of their play.

Our other school activities such as athletics, music, art, physical education, etc., are being carried on in their usual way and individual reports will account more fully for them. Mr. Eastman had one of the best baseball teams last spring that we ever had, when he came up with an undefeated season against competition which included much larger schools than ours. Basketball this year has not been quite so successful because about all the regulars were lost by graduation and this coupled with lack of practice facilities and ineligibility rulings has made a difference.

We are still using the Rinehart Handwriting System with good results. This year we have started the first grades on Print-Script writing instead of Cursive because research has proven that children learn to read more quickly and easily when the type of letters they use in their writing conforms more closely to the kind they see in their reading.

In spite of the conditions under which we have operated since last September the children of Hampton have not suffered or lost out on part of their education for tests show we are on a par with this same period in other years.

Respectfully submitted,

M. WAYNE BOWIE, Principal.

## PHYSICAL EDUCATION AND ATHLETICS REPORT

---

Dear Mr. Gillmore:

Following is the annual report of Physical Education and Athletics.

The activities engaged in at the High School have been essentially the same, instruction in the skills of football, volleyball, softball and basketball, followed by game situations. Hand hockey, a modified game, continues to meet the interest and needs of the boys in vigorous and competitive activity. The individual activities of badminton and archery were again presented. Some of these activities were modified because of the lack of a grassed area. Tumbling and combative activities were also a part of the program.

Following the basketball season, an intramural program in basketball and volleyball, in the form of a consolation-elimination tournament, was conducted.

The present is critical. Total mobilization may be called at any moment to save our way of life. One essential need is physical fitness among our youth approaching induction into the armed forces. Our potential enemies are primitive, rugged and unaffected by the ease and prosperity of this machine age which democracy has created. A high level of physical fitness among American youth will not only provide a better defense; it may lead to the very survival of many who might otherwise succumb during combat situations.

We are now planning to introduce the program based on Physical Fitness Achievement for American Youth of

High School graduation ages as suggested by the Department of Defense. The testing program will be set up in batteries of five tests which include basic physical activities such as running, jumping, climbing, throwing, lifting, dodging, etc.

The program for the boys in the Junior High school has included simple combatives, relays, tumbling, pyramid building, and skills in the various seasonal sports; self-testing activities based on jumping, running and throwing, and net games modified to the auditorium.

In grades one through six, the program has had to be modified because of lack of suitable areas for activities. The program has consisted of simple group games, relays, modified games, quiet games, self-testing activities and exercises which strengthen the body. Posture exercises and evaluation by teacher and pupil have been part of the program.

We eagerly look forward to the completion and use of the new activities room which will extend the program.

Before landscaping of the Center School begins, there should be a plan made of the area adjacent to incorporate some of the following ideas:

1. Areas allocated to the primary and intermediate groups.
2. These areas to contain apparatus suitable for the age group. (Most of the present apparatus is suited to the upper grades.) Swings and Jungle Gym should be placed in the primary area. A jumping platform and a climbing fence of varying height can be home-made.
3. Suitable area should be reserved for eventual installation of a hard surface area.

Advance planning is a must to prevent haphazard installation of apparatus and to provide free play away from such apparatus.

#### ATHLETICS

Our athletic teams during the past year were primarily in a rebuilding status. The only group that had a real measure of success was the track team, which placed second in the State Meet.

The Athletic Council has functioned well in administering the athletic program. Its finances are in a healthy position in comparison with last, even though equipment costs have gone up and gate receipts down.

Respectfully submitted,  
JOHN G. PETERSON,  
Director of Physical Education.

---

Dear Mr. Gillmore:

The schedule for the Junior High School classes for girls is arranged the same as last year with a double period once a week allotted to each grade. When warm weather permitted, classes were held on the hard-surface courts at the High School. At this time drills and lead-up games in basketball occupied half of the time while the other half included large group games. During cold weather, because of the building project at the Centre School, classes are held in the classrooms where quiet group games are played.

A cheerleading squad, recently organized, consists of eight eighth graders and two seventh graders. We are still using the old white and navy blue uniforms given to us by the High School when they purchased new ones. It is our hope that snappy, new uniforms for the Junior High will soon be provided.

On Saturday mornings classes for those interested in developing further skills in basketball have been held

from 10 a. m. to 11 a. m. The grades included are from six through eight.

In the High school, the fall schedule included field hockey, drills and playing under Mrs. Pitman's supervision. Basketball was incorporated shortly after the close of the field hockey season. The program included introduction of new skills, drills and play in basketball with the fundamental aim of drawing out those students possessing inferior feelings because of the lack of skills. Saturday mornings from 11 a. m. to 12:30 p. m. are devoted to those high school pupils interested in personal development of skills and techniques in basketball.

Classes in basketball for those on the interschool team are held after school sessions in the gymnasium. This season the girls won eight out of twelve games played. On January 19th twelve girls traveled to the University of New Hampshire in Durham to partake in a basketball playday. Attempts throughout the whole season have been made to instill in all the participants, not only the eagerness to win and win fairly, but also good, wholesome sportsmanship as a necessary quality for all genuinely interested in athletic activities.

Other activities to be included in the physical education program for the remaining year are badminton, volleyball, rhythmic activities, softball, and large group games. Stunts and tumbling has recently been introduced for the purposes of developing well-rounded physical poise, rhythmic skills, and finer coordination. An intramural program in basketball and volleyball is planned to include a greater number of participants and to encourage those reserved pupils to enter the game with zest and pleasure, and without the fear of ridicule.

Respectfully submitted,

ELLA REUTHER,

Girls' Physical Education Director.

## MUSIC REPORT

---

Dear Mr. Gillmore:

Following is a report of the work in Music in the Hampton School during 1951.

Our work in the grades continues as usual to follow the program of singing, dancing, listening. The purchase of the portable record player and small portable organ facilitates the carrying out of this program.

The work at the Center School culminated in a program given by all the pupils in June when the English Operetta "Six and Four are Ten" was presented. The proceeds from the Operetta were used to pay our indebtedness for the organ and to buy an excellent collection of records suitable for all grades.

The music at the High School has included one regular class in Appreciation and two regular classes starting in September. Girl's Ensemble, Mixed Chorus and Boys' and Girls' Glee Clubs make up the singing classes.

Pupils in the High School music classes attended four festivals during the past year, two concert festivals and two auditions festivals. Both Girls' Ensemble and Mixed Chorus received Superior rating at the New England Festival in Boston in May.

The Band went to the Boston Festival and played in Hampton on Memorial Day.

In September, three gentlemen started giving lessons on band instruments, under the auspices of our school department. Mr. Howard Rowell of Haverhill teaches brasses; Mr. Nelson Ward of Portsmouth, clarinet; and Mr. Burke of Portsmouth, drums. The instrumental program as now set up is giving good results.

Since giving my full time to the Hampton Schools, I feel we are accomplishing much more and the enjoyment of music by the pupils is therefore much increased.

Respectfully submitted,

ESTHER B. COOMBS,

Director of Music.

## SCHOOL NURSE'S REPORT

---

Dear Mr. Gillmore:

The following report is submitted for the year 1951.

Regular routines have taken place as far as the Health Program is concerned.

Visual tests have been given in cases of suspected visual defects, and corrected — also several children have received special aid, which has been sponsored by the Lions Club of Hampton. The rest of the school will be tested by the new Keystone Visual apparatus which has also been made available by them.

The new School Doctor has been appointed, therefore physical examinations will soon be in progress. This exam is to be done on the 1st, 5th and 8th grades — which enables the children to have a physical at the beginning, middle and end of grade school — and also before entering High School. Also all sport activities are to be preceded by a physical exam.

Dental Clinic is in session and many of the children have taken advantage of the financial savings the clinic affords. Also the Red Cross has again brought financial aid to those who need it.

All children are weighed and measured yearly upon entering school — and are also to be checked in the spring. This enables the nurse to keep an accurate growth chart on each individual through his growing years.

Respectfully submitted,

TERESA D. HAY, R. N.

## ART TEACHER'S REPORT

---

Dear Mr. Gillmore:

I submit the following report on Art in the High School and Centre school for 1951.

Painting with poster paints is now practised in full in the first six grades giving a great deal more joy and satisfaction to more pupils than did the old program of just crayon and free hand cutting. We paint every other week with all pupils participating at once, giving a richer and fuller program to the pupils than painting only a few at a time. Crayon and free hand cutting is being done between painting classes.

An exhibition of painting from all the grades, one through High School was shown at the Hampton Home Center showing childlike interpretations of landscapes, activities, portraits, and impressionistic Art. In the spring a large exhibition of all types of work was shown at a P. T. A. meeting.

The High school class opened in September with a class of thirty-six pupils, about 12 more than can be handled with ease as four classes meet at once, with pupils progressing at their own rate of speed and all problems presented individually relative to the pupil's need. More time in the High school could be used to a great advantage.

An enjoyable program was presented in the High school by the Art class with student painting and teacher participation.

I wish to thank all the teachers for their splendid cooperation and you Mr. Gillmore and the Board of Education for the fine materials used in the Art program.

JANICE E. WHOLEY,  
Art Teacher.
