HELP PREVENT FOREST FIRES

YOU can HELP THE WAR EFFORT by PREVENTING FOREST FIRES. The rules of the game are simple.

1. *Always* be careful with fire in or near woodlands.
2. Comply with regulations governing the use or starting of fires there. Remember
 - a. You need written permission from your local forest fire warden for debris burning fires when the ground is not covered with snow.
 - b. Be sure your match, cigar, cigarette and pipe ashes are OUT before dropping them.
3. Be fire-minded NOW as never before; be careful; caution others to be careful; be cooperative and thus help your warden, your town, your nation and yourself!

HELP THE WAR EFFORT by PREVENTING FOREST FIRES

The 1944 fire record for our town is:

Number of fires, 1; acreage burned, 5; number of permits issued, 7.

Report of Superintendent

To the School Board and Citizens of Jackson:

Statistical data for the year ending in June, 1944, are as follows: Total registration during year, 29; percentage of attendance, 91; cases of tardiness, 59; visits of school nurse, 25; visits of superintendent, 14; number transported, 9.

Because the scarcity of teachers made it impossible to secure a qualified teacher who could and would teach all eight grades, it was decided early in the year to divide the school. Mrs. Elizabeth Breen was engaged for the primary room and Miss Mabel Harris for the upper grades. Both are excellent teachers and the present situation is eminently satisfactory. At

the time of this report there are 12 pupils in the primary room and 12 in the grammar school.

Pupils whose tuition is paid at Kennett High school this year are: Daniel Dinsmore, grade 12; Gordon Johnson, grade 10; Janet Kelley, grade 11; Shirley McInnis, grade 12.

Respectfully submitted,

JOHN H. FULLER
