REPORT Of The SELECTMEN

Another year has now passed and the Board of Selectmen of the Town of Jaffrey is again submitting its annual report to the residents and taxpayers of the Town of Jaffrey.

BUDGET COMMITTEE. The Budget Committee held its annual meetings with the various department heads to consider their budget requests for the year 1965. The procedure of the Budget Committee since its initial beginning has been to meet with the various department heads and discuss their proposed budget items; hold a public meeting and wind up with an executive meeting in accordance with the vote of the 1962 Town Meeting. This Budget Committee procedure has proven very satisfactory and it felt that the Committee has done an excellent job.

TAX RATE. The tax rate increased from \$5.20 to \$5.40 per \$100.00 valuation during 1964. This was due to an increase in expenditures. The Town has been very fortunate in being able to keep the tax rate down fairly well as surrounding towns have not been so fortunate as Jaffrey.

TAX REAPPRAISAL. It had been hoped that the tax reappraisal of the community would be accomplished during 1964. However, it was necessary by the State Tax Commission to again postpone this task, as they were shorthanded and other towns in the State were more urgently in need of reappraisal than Jaffrey. However, the Selectmen have recently received word that this will definitely be accomplished during the current year.

TOWN ROAD AID CONSTRUCTION. This work done under the supervision of the Highway Agent was allocated for 1964 to Henschman Road.

SIDEWALKS. This project begun during 1963 was finally completed during 1964. The Main Street from School Street to Charlonne Street was widened and a newly surfaced sidewalk installed. Since this project was completed the traffic congestion has lessened considerably.

SEWER CONSTRUCTION. This sewer construction project as approved by the 1964 meeting will be let for bids during the Spring. It was necessary to delay this project as there were several technicalities that had to be cleared before we could proceed with it.

TOWN HIGHWAY GARAGE. This building was constructed during 1964 and the highway and water works departments are now under one roof, and this building now permits the Town to have its equipment under cover.

OLD MEETING HOUSE. The clock faces on the Old Meeting House were refinished and should last for sometime to come.

NEW INDUSTRY. With the founding of the Jaffrey Community Corporation it is felt that this will enable the Town to secure new industry. One industry will occupy one of the sites now being readied in the newly formed industrial park by the coming summer. It is hoped that this will attract other industries.

The Board of Selectmen wishes to express its appreciation to the voters and residents of Jaffrey for their cooperation in making task as your selectmen easier. At this time we also wish to express our appreciation to Atty. William D. Tribble who serves as Counsel for the Selectmen during Town Meeting on a voluntary basis.

TOWN MEETING WARRANT

TO: The Inhabitants of the Town of Jaffrey, County of Cheshire, qualified to vote in Town Affairs:

You are hereby notified to meet at Conant High School Auditorium in Jaffrey Village, in said Town of Jaffrey, on Tuesday, the Ninth Day of March next, at nine o'clock in the forenoon (polls to remain open until six o'clock in the afternoon) to act upon the following subjects:

1. To choose a Town Clerk, Selectman for three years, a Tax Collector and all other necessary Town and School District Officers.
2. To vote by separate ballot on the seven ordinances having to do with zoning as proposed by the Planning Board of said Town of Jaffrey.
3. To hear all reports except that of the Budget Committee.
4. To hear the report of the Budget Committee and to raise and appropriate such sums of money as may be required for the support of the Poor, building and repairing of highways and bridges, fire and police departments, Memorial Day, street and building lighting and all other Town Charges.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to raise the sum of \$2,500.00 to continue the work now in progress on the Tax Map or act in any way relating thereto.
7. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 for the purpose of reconstructing the bridge No. 170/090 leading from Peterborough Road to Cheshire Village or act in any way relating thereto.
8. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 for the purpose of reconstructing Bridge No. 195/110 leading from Peterborough Road at Hadley Station to the residence of Fred Press, or act in any way relating thereto.
9. To see if the Town will vote to authorize the Selectmen to expend from the Highway Department Equipment Capital Reserve Fund the sum of \$3,175.00 for the purpose of purchasing a new pickup truck for the use of the Highway Department, or act in any way relating thereto.
10. To see if the Town will vote to raise and appropriate the sum of \$340.20 for the payment for one year for the changeover in lighting to 11000 lumen lighting on East Main Street and continuing to Grove Street, or act in any way relating thereto.
11. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,035.00 for the purpose of trading the present 1964 Plymouth Police Cruiser towards a new cruiser for the Police Department, or act in any way relating thereto.
12. To see if the Town will vote to raise and appropriate the sum of \$22.44 for the purpose of defraying the charge for one year for the installation of one street light on Jaquith Road near the residence of Adelia F. Whitcomb, or act in any way relating thereto.
13. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,000.00 for the purpose of replacing the Raft at the Beach at Lake Contoocook, or act in any way relating thereto.
14. To see if the Town will vote to retain the land belonging to the Town of Jaffrey located on Main Street, between the Public Service Company right-of-way and the Homer Sawtelle property for use of the Jaffrey Water Works, but that the Selectmen be authorized to dispose of the building located thereon by sale to the highest bidder, or act in any way relating thereto.

15. To see if the Town will vote to amend the vote of the March 1960 Town Meeting relating to the Jaffrey Airpark under Article 14, as now reads: "shall not exceed one thousand (\$1,000.00) dollars per annum pro-rated over a twenty year period" to read: "shall not exceed one thousand (\$1,000.00) dollars per annum pro-rated over a twenty-four year period", or take any action relating thereto.

16. To see if the Town will vote to raise and appropriate the sum of \$44.88 for the purpose of defraying the cost of installation and charges for one year for the two street lights to be located on Wheeler Street.(By petition).

17. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for the purpose of State Aid Reconstruction on Route #137, or North Street so-called, beginning at the intersection of Main Street and extending along Route #137 towards and beyond its intersection with Old Peterborough Road, a distance of 0.4 miles more or less, on condition that the State will allocate the sum of \$14,000.00; total cost of this project to be \$21,000.00. (By Petition).

18. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the purpose of painting the Town Clock Tower at the Jaffrey Womens Club Building, or act in any way relating thereto.

19. To see whether the Town will authorize the Selectmen to apply to the State of New Hampshire, to the Federal Aviation Agency, and to private sources, for grants of funds for improvements to the Jaffrey Municipal Airport proposed in the Federal Aid Airport Program, and to accept said funds.

@). To see whether the Town with authorize the Selectmen to apply to the State of New Hampshire, to the Federal Aviation Agency, and to private sources, for grants of funds for improvements to the Jaffrey Municipal Airport proposed in the Federal Aid Airport Program, and to accept said funds; and to raise and appropriate a sum not exceeding \$10,000.00 to be used on a matching fund basis with money from private sources toward the local share of the costs of the proposed improvements; or take other action relating thereto. (By Petition).

21. To see if the Town will vote to accept the right-of-way located between Burrington Street and Aetna Street and deeded to the Town of Jaffrey by Harold C. Knight and Marjorie K. Shattuck, or act in any relating thereto.

22. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,500.00 for the purpose of improving the two commons on Main Street, where the War Memorials are located, or take any action relating thereto.

23. To see if the Town will vote to raise and appropriate the sum of \$250.00 to be paid the Civil Defense Director of this Town, provided the Federal Government will provide matching funds, or take any other action relating thereto.

24. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Civil Defense purposes, or take any other action relating thereto.

25. To see what action the Town will take relative to disposing of the so-called "Poole" land located at Thorndike Pond left the Town of Jaffrey under the terms of the will of the late Alice Poole, or take any other action relating thereto.

26. To take up any other business that may be properly brought before the meeting.

27. Shall the provisions of Chapter 287 of the N. H. Revised Statutes Annotated, relating to games of Beano be accepted in this Town?

Report of the

FOREST FIRE WARDEN and your DISTRICT CHIEF

REPORT OF THE FOREST FIRE WARDEN

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

POLICE DEPARTMENT'S REPORT

January 5, 1965

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year of 1964.

We have had a very busy year investigating some 955 complaints. Motor vehicle violations top the list as usual, a total of 141 violators were brought before the District Court, an increase of 20 over last year. Officers also warned 189 motorists for various infractions of motor vehicle laws. Auto accidents decreased, there were 60 accidents during the year as compared to 69 in 1963. One fatal accident was recorded, the first in five years.

One matter that is causing us some concern, is the increase in the drinking activities of minors. Fourteen minors were brought before the Court for having alcoholic beverages in their possession. Four adults were brought in for procuring the liquor for the minors and one adult was in for selling beer to minors.

In service training is continuing, we now have 7 officers who are capable of taking photographs at auto accidents, these same officers also develop and print the photos. We hope that by the end of 1965 all officers will be trained in this important phase of police work. One of the officers is attending classes in Criminal Law and Auto Accident investigation at St. Anselm College.

We have purchased new equipment with funds received from our annual dance. There is a Police Cruiser Desk purchased in September, a great help to the officers. All equipment, film, flash bulbs, photographic paper used in our photography work is paid by these funds.

Special officer Charles J. McCabe resigned during the year, new officers appointed are Robert Mason, Gerard Marrotté and Randy Cournoyer Jr.

HIGHWAY AGENT'S REPORT

For the Year Ending
December 31, 1964

TO: The Citizens of Jaffrey.

I am herewith submitting my third annual report as your elected Highway Agent with a brief summary of what has been accomplished during the year ending December 31, 1964.

Town Road Aid Construction. The Henchman Road leading from Jaffrey Center to Proctor Road was widened, regraded and generally repaired.

Sewers. A new sewer extension to serve the Ridgecrest and Pinecrest Road area was put in during the past year. This extension had been greatly desired for quite some time. This sewer is now in operation with the main sewage system running along Route #202.

Town Construction. Some town construction was done on Gap Mt. Road to make this road usable during the winter and spring season as we now have year round residents living in that area. Also, some town construction was done in conjunction with the work done along Main Street sidewalk from Char-lonne Street to School Street.

Conant Cemetery. The road around the cemetery was repaired and resurfaced during the past year.

Tarring. The annual program of tarring roads was again conducted during the year.

Summer Maintenance. Brush along the highways was removed; gutters and drains cleaned up and general maintenance done on most of the roads in need of repairs.

Snow Removal. This department continued the practice of subletting the plowing of driveways as it has proven to be successful, releasing the highway department for the complete snow clearance of the highways.

Street Markings. The various parking and traffic lines and lanes were all repainted during the year.

Main Street Sidewalk. As mentioned in the above paragraph "Town Construction", the sidewalk was widened and completely resurfaced. Due to unfortunate circumstances it was necessary to delay this project once it had been begun, but it was finally completed and has proven very satisfactory in the flow of traffic along Route #124.

The year 1964 has been a fruitful year and the work planned for the most part was accomplished. I wish at this time to express my sincere thanks and appreciation for the support and cooperation given me in the discharge of my duty as Highway Agent.

Respectfully,
RICHARD H. WILSON
Highway Agent

ABSTRACT OF SPECIAL TOWN MEETING

Abstract of business transacted at the Special Town Meeting Nov. 17, 1964.

Art. 1. Sale of Town Land to the Roman Catholic Bishop of Manchester. It was moved, seconded and carried:

"That the Selectmen are hereby authorized to sell and convey in the name of the Town of Jaffrey to the Roman Catholic Bishop of Manchester, a certain parcel of land bounded and described as set forth in Article 1 of the warrant for this Town Meeting; said premises to be conveyed for the sum of Fifty (\$50.00) Dollars."

Art. 2. Sale of Town land to the Jaffrey Community Corporation. It was moved, seconded and carried:

"That the Selectmen are hereby authorized to sell and convey in the name of the Town of Jaffrey to the Jaffrey Community Corporation a certain parcel of land known as the "Sand Pit", "Old Town Dump", and "Jason C. Sawyer land" and being that part of the premises presently owned by the Town of Jaffrey conveyed to the Town of Jaffrey by deed of Ralph E. Danforth dated June 19, 1917 and recorded in the Cheshire County Registry of Deeds, Volume 380, Page 471, and in deed of Jason C. Sawyer to the Town of Jaffrey dated May 21st, 1964 and recorded in said Registry in Volume 720, Page 274 excepting therefrom certain parcels of land and rights-of-way as particularly described in the attached reservations marked, A, B, C, D. The Town of Jaffrey shall have the privilege of entering the premises and removing sand from these areas where such removal in the judgement of the Selectmen of the Town and the Jaffrey Community Corporation would not adversely affect the premises for actual or potential industrial development.

In making this determination it should be recognized that it is in the best interest of the Town that the premises be used or reserved for industrial development rather than be used or reserved for a sand bank.

The sales price of the premises shall be Six thousand (\$6,000.00) Dollars for the Jason Sawyer land plus Fifty (\$50.00) Dollars per acre for the remaining land.

The Selectmen are authorized to execute deeds and other instruments to convey the premises by a good and proper description and to do such other things as to give effect to this motion; and to make any changes in the description of the land reserved or conveyed, not substantially inconsistent with the vote herein; and in the event of any dispute between the Town of Jaffrey and the Jaffrey Community Corporation relating hereto, to submit the same to arbitration pursuant to the New Hampshire Arbitration Act, New Hampshire Revised Statutes, Annotated, Chapter 542.

Reservation A - Town Garage Property:

A certain parcel of land containing three and 3/10th (3.3) acres of land and generally described as follows: "Beginning at a point on the westerly boundary of the within conveyed premises at the north side of Pine Street so-called, thence southerly by the property of Elsie Kykyri and Eino and Marie Hautanen to the Northerly side of East Brook Street, so-called, thence Easterly approximately four hundred and fifty feet, to a point, which said point is approximately seven hundred and ninety feet, more or less, Northerly of the center line of Turnpike Road, so-called, to an intersecting tangent point on a curve having a radius of twenty-five feet; thence turning by said tangent point and running Northerly from said tangent point one hundred and ninety feet to a point which is approximately five hundred and thirty-five feet easterly of the point of beginning; thence westerly to the point of a beginning; said measurements being more or less and subject to a general revision by mutual agreement of the Selectmen and the Jaffrey Community Corporation upon a survey of the premises; said reserve Town Garage Property containing about three and 3/10ths acres of land.

Reservation B - Donald and Marie Baird

A certain parcel of land situated in Jaffrey, County of Cheshire and State of New Hampshire and bounded and described as follows:

"Beginning at a point on the southwesterly side of East Brook Street, so-called, thence, southerly and southwesterly by land now or formerly of Donald and Marie Baird, to land

of Louis J. Duval, thence easterly on said Duval land not more than one hundred and sixty-five feet; thence northerly and easterly by a line to be determined, to other land now of the Town of Jaffrey to a point on the extended line of the southwesterly side of East Brook Street, so-called, said point being easterly of the point of beginning along said extended line not more than one hundred seventy-five feet, thence westerly by said extended line of the southwesterly side of East Brook Street so-called, to the point of beginning; the said lot to be known as the Baird lot, and the exact dimensions and bounds of the same to be determined by mutual agreement of the Selectmen of the Town of Jaffrey and the Jaffrey Community Corporation.

Reservation C - Rights of Way.

Reserving to the Town, a right-of-way on over and under certain strips of land, sixty feet wide running in a northerly direction from Turnpike Road, so-called, being State Highway Route #124; to the southeasterly corner of the Town Garage property, so-called; and fifty feet wide running westerly from the southeasterly corner of the Town Garage Property, so-called.

Report of the HIGHWAY GARAGE Committee

At the annual Town Meeting held March 10, 1964, it was voted the Town raise and appropriate the sum of \$40,000.00 for the construction of a highway garage and the purchase of land on the Old Turnpike Road belonging to Jason C. Sawyer for the sum of \$6,000.00 and that the Moderator appoint a Highway Garage Building Committee.

The building committee appointed by the Town Moderator submits the following report.

The Sawyer land was purchased by the Selectmen for the sum of \$6,000.00 leaving the sum of \$34,000.00 for construction and incidentals.

At a special Town Meeting held November 17, 1964, it was voted to resell the so-called Sawyer land to the Jaffrey Community Corporation for the sum of \$6,000.00. This has been done by the Selectmen.

Plans and specifications were drawn for an eight-stall (8) garage together with office space for the Highway Department and Water Commission, show bath and boiler room. Size of building over-all is 40' by 140'.

The Selectmen advertised for bids about the First of Sep-

tember. On September 22, 1964, bids were opened by the Selectmen at the Town Office Building. There were but two bids: Seppala & Aho at \$36,598.00 and Russell O. Starked at \$36,833.00 with Seppala & Aho being the low bidder.

The low bid of \$36,598.00 together with the cost of the Sawyer land, surveying, insurance, oil tank and pump, etc., being more than the \$40,000.00 authorized by the Town it was necessary to negotiate with Seppala & Aho.

The Selectmen awarded the contract to Seppala & Aho for \$33,900.00.

Construction was started about the first of October and was in use by the Highway Department, Water Commission and the School District the First of December.

Respectfully submitted,

ERNEST J. PRATT, Chairman
DAVID R. SAWYER
B. LEONARD KRAUSE
RICHARD R. BUSSIÈRE

Building Committee

CIVIL DEFENSE

The following work has been done by Jaffrey's Civil Defense Organization:

1. The updated National Shelter Survey shows Jaffrey to have three (3) qualified Fallout Shelters:

a. Clay Library with 53 Spaces

b. St. Patrick's School with 235 Spaces

c. Queen of Peace Mission Seminary Chapel with 87 Spaces

These shelters with a total of 375 spaces have been marked and will be supplied with food and water this Spring. Jaffrey's two public schools have been disqualified because of a lack of protection factors.

2. Radef Teams, William Hotin, Chief, and your Director, have periodically checked the Radiological equipment. One meter was found faulty and has been repaired by the State Agency.

3. Fire Fighting Unit, Nelson W. Gill, Chief, has taken over the warning unit and has participated in two test alerts designed to check out and update warning units.

4. Communications Unit, Homer J. Sawtelle, Chief, has investigated several radio units, but made no purchase because of a change in matching funds regulations which prohibited the use of Federal Funds for communication units to be installed in an Operation Center with P.F. factor of less than 100. Jaffrey's Operation Center, Clay Library, which would be used in a fallout emergency only, has a P.F. factor of only 40 plus.

5. The Civil Defense Director has had an average of ten (10) pieces of mail a week to read, digest and file. This total of over 500 pieces of mail including several reports to be made, one consisting of forty (40) pages has required the Director to spend an average of four (4) hours weekly during the past year on Civil Defense Work.

Respectfully submitted,

CHARLES W. BACON,
Director

There were three changes and one addition to the staff at Conant High School when school opened in September, 1964. Mr. Richard Grover replaced Mr. Thomas Marx, Mrs. Geraldine Lyle replaced Mr. Robert Cook, (Mrs. Lyle was later replaced by Mr. Richard Warren), and Mr. Richard Koehler replaced Mr. Bruce Jones. Due to the increased load in English an additional teacher was added to the staff. There were no changes at the Grade School, except for Mr. Roger Blaisdell who left to teach in Manchester, Conn.

SCHOOL PROGRAM

JAFFREY GRADE SCHOOL

There were no major changes in the curriculum during the past year. "The Math Workshop for Children" that has been in use in grades 1, 2 and 3 was extended into grade 4 in September. Miss Cutter, fourth grade teacher, attended a three-day math workshop in Peterborough, which was under the direction of Assistant Superintendent Earl Barnes. A series of meetings of all fourth-grade teachers in Supervisory Union 47 is being held throughout the year. This is the same type of in-service training which was used when the system was introduced in the first three grades. Also, Mr. Craig has been working several times a week with a group of sixth graders on some of the aspects of modern math.

At the beginning of the school year the new Scott, Foresman "Sixties" edition of their reading program was extended into grade three. As in the past few years, Mr. Craig has been able to give assistance to some of the children who can profit from extra help in this area.

Several new science series have recently come onto the market and are being studied by the faculty for consideration of future use in the school.

During the summer of 1964, a third music supervisor was employed by Supervisory Union 47 to relieve the heavy work load carried by Mr. Woodward of Jaffrey and Mr. Edgerly of Peterborough. Miss Carter, the new instructor, teaches the music classes in grades 1 through 4, also giving

free group instrumental lessons to pupils in grades 4 through 6. Mr. Woodward has the music classes in grades 5 and 6 and gives free group instrumental lessons to pupils of grades 4-6 also. The school year 1963-1964 was a very busy one for the Jaffrey Grade School Band under the direction of Lawrence Woodward.

This band, supplemented by Junior High players, participated in the Spring Concert at Conant, marched in the Memorial Day Parade and in the parade of the State-wide Band Festival held in Jaffrey during the Spring. The band is continuing under the name Junior Band, meeting this year at the Junior High with Miss Carter.

Our teachers have continued to maintain an excellent record in graduate study and professional improvement. This year Emily Holbrook completed the course "Technical Processes in a School Library" at the University of New Hampshire and Mary Hamilton the course "Educational Research" at Keene State College. Attending the New England Reading Conference at Poland Spring, Maine, in September, were Abbie Brown, Emily Holbrook, and Clayton Craig.

In the fall of 1963, the Crooked Mountain Rehabilitation Center conducted a speech screening program in grades 1-4. As a result of this service, a speech therapy program was inaugurated during the spring of 1964. The instructor was Mrs. Marianne Noyes, who conducted classes one-half day weekly from January through June. It was possible to help more children than expected in this amount of time, due to the fact that some did not need as much time as others. The results were gratifying and the same procedure will be in operation from January to June 1965.

A long-awaited and rather important purchase was made during the past year. A portable public address system was acquired with the cost being divided between the School District and money made from the operetta presented in the spring of 1963. It has been used several times at various activities and the results are very satisfactory.

CONANT HIGH SCHOOL

The purpose of our educational program at Conant High School is to assist each individual to make the most of his physical, emotional, and mental capacities so that he or she may live a worthwhile and productive life in our democratic society.

There has been a noticeable expansion in the French program at Conant which is in keeping with the modern methods of teaching foreign languages. One hundred and ten students in grades 10-12 are presently enrolled in the program. Future plans call for the eventual teaching of a foreign language at the Junior High School level. The new tape recordings, records, and text books have been enthusiastically received.

During the past year there has been greater exploitation in the fields of science and mathematics. Change has given way to change as our society continues to move in an era of increasing technology, industrialization and urbanization. At Conant High School the science department is in its second year of the new science curriculum. New library, research, and laboratory materials have been added in an attempt to keep abreast of change and aware of obsolescence. All freshman are now required to take a Life Science course.

In the field of mathematics the term "modern mathematics" has found greater expression during the past school year. A course in Modern Geometry has been added in order to satisfy the sequential needs of those students who have completed Modern Algebra I and Modern Algebra II. An additional section of Modern Mathematics will be added next year to provide further opportunity to understand and simplify mathematics.

In order to cope with the existing emphasis in the fields of communication and human relations a psychology course

PART III SCHOOL PLANT

A. Repairs

In addition to the regular summer maintenance program, the following repairs and improvements were made to the buildings by the custodians, assisted by a summer maintenance crew. At the Grade School new fluorescent lights were installed in all classrooms, principal's office, school nurse's office, teachers' room and conference room, a new hood and exhaust system was put in in the kitchen, and a large number of desks sanded and refinished. The lunchroom and nurse's office were repainted.

At Conant several rooms, stairwells, corridors, principal's office, and main office were repainted. New shelves were installed in the music room and custodian's room. A new partition was put in in the shop, and all classroom desks sanded and given three coats of sealer. The front steps of the old building were also repaired.

for seniors has been offered at Conant. This course may best be considered as our contribution to contemporary thinking in the area of the social science. The student response has been most enthusiastic.

The music department added a second member to its staff, Miss Barbara Carter, in an attempt to more adequately meet the needs of its developing music program. Greater emphasis has been placed on band instruction in the middle grades so as to increase individual and group instrumental skills in senior high school. The music department at Conant High School continues to make its contribution to its own members, its community, its neighboring communities, and the state. Following are a few highlights of the past year.

1. Greater emphasis in Junior High Band by expanding instrumental lessons in the middle grades.

2. Selection of 4 members to participate in the All State Music Festival in Portsmouth.

3. Participation in a Choral Workshop with the Keene A-Cappella Choir.

4. Joint Concert with Raymond High School.

5. Host school for the New Hampshire State Auditions Festival for Choruses and Bands.

The highlight of last year's athletic program was winning the Monadnock league baseball title.

The school library continues to improve as a resource center. Last year, as an average, over one hundred students a day used the library facilities. New books have been added; over 125 books in the fiction section. Science, and social studies have increased by some 75 volumes, as well as some 50 books in the non-fiction area. Colliers Encyclopedias and a set of Lincoln Library have been added to the reference shelves. An adequate library office was completed this past summer. This office serves as a workshop for processing books, and an area for housing periodical literature.

The Industrial Arts program introduced a Unit Machine Shop course. Students enrolled in this new course are placed in an apprenticeship setting where they become thoroughly familiar with several pieces of machinery. Also included this year, as a phase of the broadening Industrial Arts curriculum, is graphic arts. In graphic arts, students are being exposed to all phases of the printing process.

Statistics released through the Guidance Office for 1963-64 illustrate a graduating class of 59 students, which was almost double that of the previous year. Of this graduating class nearly 50% went on to post secondary education. Keene State College and the University of New Hampshire continue to attract the largest number of our graduates who go on to a four-year college or university.

In the area of Testing and Counseling, the Guidance Office has continued in its use of the New Hampshire State Department Testing service for Grades 7, 8, and 10. It should be emphasized that all students in all grades are administered aptitude, achievement and general intelligence tests at varying points in their high school careers. The tests themselves are but a single criterion in the evaluative process which enables us to be of greater service to the individual student. This year all students in grades 8 through 11 received individual counseling regarding their course of study for next year.

Just as this review of 1963-64 closes in retrospect one looks forward to the challenges of another year. And so it will be with our educational community. It will be our desire to pursue a quality of excellence in all our endeavors within the framework of personal humility and service to our fellow man.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

Colds, digestive upsets and rashes presented the usual daily problems of taking or sending sick children home from school in order to protect the other children.

Dr. Franklin Sterling, our school doctor, examined all children in the odd-numbered grades in all three Jaffrey schools, as well as members of the athletic and cheering teams. He is consulted in special cases and for general school health programs. This fall he administered the Asian Flu vaccine to teachers and school personnel who desired it.

During the year, with the audiometer and eye testing equipment furnished by the Lion's Club, a vision and hearing test is given to all the pupils. Defects were reported to parents, or corrected through various programs and clinics available.

The Dental Clinic sponsored by the Jaffrey Woman's Club, with work started by Dr. Raymond Moore, was continued with the help of two Peterborough dentists, Dr. Robert Duhaime and Dr. Robert Weathers. This fall Dr. Donald Johnson did the work for the clinic.

Glasses were provided for certain pupils through the generosity of the Jaffrey Community League.

In September, a new scale, with measuring rod, was purchased for the nurse's room as well as an examination screen and lamp. At the Grade School, a new lamp also helps with the removal of slivers and foreign bodies.

At the end of the year, pre-school registration and examinations were held to acquaint parents and new pupils with teachers and school regulations and to acquire whatever information is needed. Health histories were also checked at that time, so that any defects found could be corrected during the summer.

During the year special problems arise and are taken care of, clothing needs met as discovered, and cooperation given to special agencies to help with family problems.

To end the year the health records were completed up to date and filed.
