TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Temple on Tuesday, the Tenth day of March, next, at ten o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.
3. To see what sum of money the Town will vote to raise and appropriate for the maintenance of highways and bridges.
4. To see if the Town will vote to accept State aid for the improvement of Class V roads and raise and appropriate the sum of \$515.48, the State to contribute the sum of \$3,436.51.
5. To see what sum of money the Town will vote to raise and appropriate for snow removal.
6. To see what sum of money the Town will vote to raise and appropriate for the purchase of calcium chloride for use on Class V roads.
7. To see what sum of money the Town will vote to raise and appropriate for highway equipment, or take other action thereto.
8. To see what sum of money the Town will vote to raise and appropriate for old age assistance.
9. To see what sum of money the Town will vote to raise and appropriate for the support of the library.

10. To see what sum of money the Town will vote to raise and appropriate for Memorial Day, said sum to be handled under the auspices of the Legion.

11. To see if the Town will vote to raise and appropriate the sum of \$51.00 (1/100th of 1% of the valuation of the Town) for the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

12. To see what sum of money the Town will vote to raise and appropriate for the support of the Temple Volunteer Fire Department, said sum to be turned over to the Treasurer of the Department.

13. To see if the Town will vote to accept the Jennie Hayward Fund in the form of 50 shares of Incorporated Investors Stock and also to authorize the acceptance of any other stock which might be left in the future.

14. To see what action the Town wishes to take in regard to the games of Beano in said Town.

15. To see if the Town will vote to authorize the Selectmen to release to Howard A. Haney and Georgine M. Haney by suitable deed any right of way it may have in and to that portion or section of the North End Road, so-called, on the Haney farm, which has been abandoned, said road having been relocated and straightened over its present course.

16. To see what sum of money the Town will vote to raise and appropriate to repair the town wood-shed, or take any other action thereto.

17. To see if the Town will vote to adopt the non-partisan ballot for the election of officers in the town of Temple.

18. Will the Town vote that 10 separate petitions must be filed in lieu of a declaration.

19. To see if the Town will vote to allow the Collector of Taxes additional compensation for his services in collecting the State Head Tax and to fix the amount thereof.

20. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes not exceeding the sum of \$20,000.00.

21. To transact any further business which may legally come before the meeting.

Given under our hands and seal this 5th day of February in the year of our Lord nineteen hundred and fifty-three.

LIBRARIAN'S REPORT

If you recollect the circulation figures of last year, it will probably amaze you to read that the circulation of Juvenile books has increased to 1506 this past year. Among the factors that have contributed to this noteworthy growth in reading among the youngsters are the Bookmobile, which now leaves 120 books each visit, three-quarters of which are for children; the assortment of books which are brought to school for correlation with the work being studied; and the Reading Contest held this past summer for Grades 1-3. Martha Hadley was awarded the prize book for reporting on the largest number of books read.

There was a slight increase in adult circulation with Fiction leading 568 over Non-Fiction 436. Having the Library open on Saturday afternoon during the Winter has contributed to this.

No record has been kept of the number of books borrowed directly from the State Library in Concord, but it is apparent that more of our borrowers are making use of this splendid service which helps us so much by providing books that we do not have the funds to purchase, and some of which are of particular interest to only a few people.

One hundred and three books were added to the Library this year—48 of them gifts. We continue to subscribe to the Junior Literary Guild for three age groups. And we recently subscribed to the Literary Guild for adults.

The Library hours until May 1st are from 2-4 on Wednesday and Saturday afternoons. From May 1st to Nov. 1st the Library is open 2-4 on Wednesday and 7-9 on Saturday.

Respectfully submitted,

BARBARA A. HEDMAN

Librarian

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Temple qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 5th day of March 1953, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to become a member of the Cooperative High School District #2 (Grades 7-12) as laid out by the State Board of Education comprising the School Districts of Francestown, Greenfield, Sharon, Peterborough, Jaffrey, Temple and Hancock, or take any necessary action relating thereto.
9. To see if the district will vote to authorize the School Board to raise a sum of money by the issuance of Serial Notes or Bonds, in the name of and on the credit of the District, in accordance with Chapter 72, N. H. Revised Laws, this sum to be used in connection with and for the erection of the proposed addition to the present school building. The said serial notes to be obtained on such rates and terms as may be deemed advisable by the School Board; or take any other action relating thereto.

10. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

11. To transact any other business that may legally come before the meeting.

Given under our hands at said Temple this eleventh day of February, 1953.

REPORT OF THE SCHOOL BOARD

For Fiscal Year Beginning July 1, 1951 and
Ending June 30, 1952

To the Citizens of the Town of Temple, N. H.
The Board of Education of Temple respectfully submits its annual report with that of the Treasurer, Superintendent and Auditors.

Our teaching staff, Miss Stone, Mrs. Carter and Miss Edwards are carrying along the instructive part of our school program very nicely.

The Health Program of the children is under the able supervision of Miss Sybil Beatham, School Nurse.

The School Lunch Program has been a major project this year and through the cooperation of townspeople and friends from surrounding towns we are on the way to accomplishing our goal. The former coal room has been transformed into a kitchen for school lunch purposes and we wish to extend our sincere appreciation to the following people and concerns who have made this possible. To Mr. Brooks Quinn, who did most of the carpentry work, with the assistance of Mr. Stimson and Mr. Maynard. Mr. Brown did the electric wiring and Mr. Cutter helped with the painting. This work was all donated.

The school children purchased an electric refrigerator and also raised \$100.00 towards an electric stove. The Ladies Aid raised and contributed \$25.00 to help in this purchase. The Greenville Electric Lighting Company sold the stove to us at below cost and also donated the cable to install same.

Mr. Robert Fish of Peterborough donated a white metal cabinet for the sink. We also received donations of \$20.00 from the American Legion Post and \$5.00 from the Legion Auxiliary.

Mrs. Leighton is doing an excellent job of managing and cooking for the School Lunch.

The newly organized Parent Teachers Association has proposed to raise funds to aid in the school lunch program. By reason of this generous offer we have been able to reduce the cost per pupil per meal and are thus enabling all children to participate.

We hope everyone will help to make the P.T.A. a success by becoming a member and attending the meetings. Meetings are held every second Wednesday of each month at the school house at 8:00 P. M.

We wish to thank everyone for their cooperation and support.

THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Temple:

I respectfully submit my sixth annual report as your Superintendent of Schools.

Instruction

Your school has enjoyed another successful year under the competent instruction of Miss Helen Stone and Mrs. Lucy Carter. Miss Ethelyn Edwards, music supervisor, is continuing to do a very effective piece of work in providing a well-rounded music program for the children with the assistance of the classroom teachers.

Instrumental flutes have been added to the music program during the past year. This instrument develops in the child a sense of rhythm and a concrete desire to read notes and understand some of the technicalities of music composition. There is a sense of deep satisfaction developed in the child when he feels that he can play a musical instrument with comparative ease.

We are still carrying on a complete testing program as explained last year, with the addition of the California Test of Personality. This test is administered each year to grade five youngsters. The function of the test is to reveal the degree to which each pupil is self-adjusted and socially adjusted. The teacher is thereby aided in understanding the child and his reactions to certain situations that may arise in the classroom and on the playground. This test acts as a guide for placing the pupil in activities and situations where he will become a well-rounded and adjusted individual.

A new reporting system in the form of a revised report card was introduced this fall, which we feel affords the teacher a more adequate device for reporting the growth and achievement of a child, than was previously used. All systems of reporting a child's progress in school, by use of a *Report Card* are necessarily limited. Thus we attempt to supplement the report card by written notes, telephone conversations, and personal conferences. We are eager to have parents consult with us so that we may arrive at common understandings and do the best work possible for your children.

The School Savings Program has become a definite part of the educational offerings of the school. One day each week is set aside for children to purchase stamps ranging in price from 10c to \$1.00. These stamps are placed in a book and when the book is filled (\$18.75) it is turned in for a \$25.00 Defense Bond. During the school year 1951-52, the Temple school children saved \$310.15. The six towns in Supervisory Union #63 participating in this program, saved \$3,323.50.

Health Supervision

The School Nurse report reveals the details of her work. As is indicated in Miss Beatham's report, we have been comparatively free from contagious diseases. A great deal of this success can be attributed to the splendid cooperation given to us by the parents.

Building and Grounds

In addition to the improvements connected with the School Lunch Program and mentioned in the School Board's Report, it became necessary to replace much of the water supply lines in the basement of the school. This has given us better water pressure and eliminated a health hazard that has been in existence for some time. Our water supply is one that has caused considerable difficulty over the years. However, it is expected that as replacements are made in the main lines, the water supply will improve at the school.

Thorough cleaning of our building each summer has helped to reduce the cost of re-decorating, in that re-painting is not necessary so frequently. However, the School Board has provided a sum of money in the budget to repaint the exterior of the building thereby protecting the wooden areas against weathering and to paint the basement areas making them more attractive, and easier to keep clean.

The children, under the direction of the teachers, are doing an excellent job in maintaining the building and keeping it clean. This arrangement is a distinct saving to the district.

An attempt has been made to keep the grounds around the school clean and attractive. Lawns are being maintained during the summer so that the appearance of the school area will be a credit to the town. The school children, under the direction of Miss Stone are developing some plans for landscaping the area. It is expected that this will be started this spring and summer.

Cooperative School Study

The Cooperative School Study has moved along quite rapidly the past few months. The Peterborough Transcript has been carrying detailed reports on the work of the Committee. Your representatives have been members of the school board and Mrs. Ralph Wheeler. They have been conscientious in their attendance at the meetings and have represented the town well. It is expected that by the time we hold our annual school district meeting, we will have in our hands some detailed information in the form of a brochure, to study and aid you in the decision you wish to make on the article pertaining to the Cooperative School.

This program is going to require some serious thought on the part of the citizens of Temple. Our census returns for October 1952 indicate that in September 1954 we will have an estimated enrollment of 71 pupils. Thus any action that is taken must set the March meeting of 1954 as the very last moment at which a solution can be made, with the exception of a vote on the Cooperative School Study. This must be done this year. Temple is in an unique position in that it does have three programs which it can follow.

- (1) Send pupils in grades 7-12 to Appleton Academy.
- (2) Construct another room on the present building and employ another teacher.
- (3) Enter the Cooperative School Plan.

Appleton Academy has consented to accept all pupils in grades 7-12. Plans and sketches of a proposed addition with estimated costs have been developed and will be discussed prior to and at the district meeting. The Cooperative School program will be submitted to the voters for their consideration.

Space does not permit going into the details of any of the above, but information will be available at the annual district meeting by your School Board.

State Aid

On November 12, 1952, the Temple School Board received a check for \$705.71 which was the district's allotment of state aid for the school year 1952-53. This was largely due to our increased enrollment during the school year 1951-52. It will be noted that this sum has been included in our estimated income for the school year 1953-54, thereby reducing the estimated assessment.

Finance

The School Board's budget for 1953-54 calls for an increase of \$2,546.25. This increase is reflected in tuitions - \$1,350; Repairs - \$353; Instructional Costs \$270; Insurance \$253; Expenses of Administration \$136.26; Operation of School Plant \$98; Miscellaneous Items \$86.00. The receipt of state aid has reduced the increase in so far as assessment is concerned to \$1,840.55.

The budget has been very carefully worked over and every effort has been made to provide the funds necessary to carry on an effective educational program in an economical manner.

Conclusion

I wish to thank the Temple School Board and the citizens of Temple for their continued support and assistance the past year.

NEWELL J. PAIRE
Superintendent of Schools

SCHOOL NURSE

Each year brings forth its problems and in the Spring of 1952 there was the problem of Measles in the Temple Public School. I should say Winter as it began in January and lasted until the first of April. Happily the Fall of 1952 has been relatively free from disease except for colds, but as life is so uncertain it is always better to be on the safe side and treat each cold as if it was the forerunner of something more serious and watch each child carefully.

As School Nurse I made fourteen visits to the Temple Public School during the year of 1952. I accompanied Dr. Cayward when he made his yearly inspection of the children in October and assisted with the Doctor's records.

The children were weighed and measured twice during the year, in September and June and most showed a satisfactory gain. Each month each child was checked for signs of communicable disease and except for the measles none was found.

In February the seven upper grade pupils were given the group audiometer tests for hearing loss. I hoped to be able to check all with the single audiometer who showed a loss but due to circumstances beyond my control was unable to do so. I aim to do so within the next month.

Vision tests were given the first graders and reports sent to the parent of one child who showed a loss of sight.

Defects found by Dr. Cayward on physical examination were:

Diseased Tonsils	6
Defective teeth	17
Enlarged cervical glands	4
