## SELECTMEN'S REPORT

At the last annual Town Meeting, the establishment of a Zoning Commission to study the needs of the Town of Hillsborough was authorized. This committee has been appointed, but the time required for proper consideration of all phases of this subject precludes a report at the 1967 Town Meeting. The members of the committee are Richard Crane, Chairman, Margaret Grund, Adolph Baer, Jr., Walter Morse, Thomas Mitchell, and Lawrence Duggan.

The new Post Office for Hillsborough is nearly completed, and will be landscaped, with parking areas, when good weather permits. The proceeds of the sale of the land amounting to \$5,000.00, has been earmarked, and is being held for the development of the remaining land as a town parking area. We hope that this can be done in conjunction with the Post Office parking lot, so that the whole area may be finished properly.

Legal action against the Town of Hillsborough, and the Selectmen individually, was instituted last May, pertaining to the operation of the Town Dump. We understand that this action has now been withdrawn, after appearing on the court docket on three occasions. Preparation for the case, even though not tried, has necessarily incurred legal and other expense which must be paid for by the Town.

Another action brought against the Town through the State Tax Commission has resulted in the order by that Commission to re-assess all property in the Town of Hillsborough. We feel that not only was this an unfortunate time to bring this action by the Selectmen of Deering, but that there were also other ways in which their problem could have been resolved. Since the order has been issued, however, we have no choice but to comply, and feeling that the proper method of full re-assessment is by the State Tax Commission, we are asking approval so that the task may be done impartially, fully, and with sufficient time given, to do the job correctly.

For the first time in many years, a request for construction of Town buildings, and the financing of such construction by long term notes, is being presented to the voters of the Town of Hillsborough.

The consideration of a new fire station has been a part of the deliberations of the Fire Commissioners for some years, as has the Police Station by the Selectmen. When Precinct approval was given to the Fire Station study last

year, the committee was appointed by both the Fire Commissioners and the Selectmen, to consider the needs, and design a combined Fire and Police Station. This committee consisted of John Duarte, Chairman, Ollo York, Selwen Davis, George Vaillancourt, Clarence Thompson, and Dallas Cutter.

Following many general discussions, the committee employed John R. Holbrook Associates to assist in design and estimates of cost. After numerous drafts and arrangements, a building design was developed which satisfied all interior needs, and presented a most acceptable exterior. Complete specifications have not yet been developed for the proposed building, so that cost figures are estimates at this time, although probably on the high side of final figures.

A project of this type and size must necessarily be the responsibility of the whole Town. Therefore, the request for approval of the construction and financing, is being presented in the Town Warrant.

Anderson-Nichols is proceeding with the necessary surveys and accumulation of data prior to developing a full report on the extent of the Sewage Treatment plant, and extensions of sewer mains for Hillsborough. We hope that definite cost estimates will be available within the next few months.

Highway department projects for the coming year include the rebuilding of Park St., Summer St., and the Old Henniker Road from the brook to the start of the refinished road at Alfred Rowe's barn. The two-year Town Road Aid project, will be the start of the rebuilding of the road from the Upper Village to East Washington. The first step will be from the end of the State Road in the Upper Village to approximately, the corner of the Bucklin Road.

## PLANNING BOARD REPORT

**Fiscal Year Ended December 31, 1966**

The 1966 activities of the Planning Board encompassed the following topics of local concern:

**POLLUTION.** Preliminary planning for sewage handling and treatment facilities in Hillsboro is under way by Anderson-Nichols Co., consulting engineers. The Planning Board has recommended to the Selectmen an ordinance prohibiting septic tanks within 150 feet of Loon Pond.

**LOCAL GROWTH.** Following the vote of the 1966 Town Meeting the Planning Board prepared Subdivision Regulations which were presented at a public hearing and adopted with amendments at a special Town Meeting on December 6. The Board feels that these regulations will prove an effective guide in the future development of Hillsboro.

Three applications for trailer permits were referred to the Planning Board, which recommended that all be denied because they were located along major access routes to the Town. One permit was granted and two denied by the Selectmen.

**HISTORICAL SITES.** Basic repairs to the roof and foundation of the Center School were completed during the year.

The Board hopes that the Town can gain title to Gleason's Falls during 1967, and thus insure the protection of one of the Town's prime scenic attractions.

**OTHER ACTIVITIES.** The Planning Board also considered problems of local concern; - junk car disposal, beautification and underground lines, relocation of the Town Barn, and the Town's participation in regional associations, to cite a few. Several members of the Board attended the Community Planning Seminars held in Concord last fall.

## REPORT OF CIVIL DEFENSE DIRECTOR

The Civil Defense unit of Hillsboro has been very inactive this past year, doing only the minimum required by the State in the form of communications checks.

The organization needs a new Director as well as a new Radiological Officer. The tentative resignation of your Director has been in the hands of the Board of Selectmen for several months. The sooner that a new Director is appointed the better off this vital emergency organization will be.

We have appreciated the cooperation of the many department officers and hope that with new leadership the organization can be reactivated.

W. E. DUBBEN, Director

## FOREST FIRE WARDEN'S REPORT

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important - Instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES  
Hillsboro    2 Fires    .6 Acres burned    71 Permits issued

**HILLSBOROUGH BRIDGE VILLAGE FIRE PRECINCT  
PRECINCT WARRANT**

To the Inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in Precinct affairs:

You are hereby notified to meet in the High School Auditorium in said Precinct on Monday the 20th day of March, 1967, at seven thirty o'clock in the afternoon. Election of officers and balloting on Articles 1-4 will take place between 7:30 p.m. and 9:00 p.m. Articles 5 through 12 will be taken up at 7:30 p.m.

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose one Water Commissioner to serve five years and one Fire Commissioner for three years.

Article 4. To choose a Treasurer, Auditors and other necessary officers for the ensuing year.

Article 5. To hear the reports of the Fire Commissioners, Water Commissioners, Clerk, Treasurer, Auditors and other Officers and Committees heretofore chosen and to pass any other vote relating thereto.

Article 6. To raise such sums of money as may be necessary for paying the current expenses of the Precinct, the debt of the Precinct, and any other charges arising within said Precinct.

Article 7. To see if the Precinct will vote to instruct and empower the Fire Commissioners to borrow such sums of money as may be necessary to meet current expenses of the Precinct and in anticipation of taxes.

Article 8. To see if the Precinct will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) for the purchase of Fire Fighting Equipment.

Article 9. To see if the Precinct will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to add to the Capital Reserve Fund for the acquisition of Fire Equipment.

Article 10. To see if the Precinct will vote to appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) from the Water Department income for the purpose of operating the Water Department for the year 1967. Or to take any other action in relation thereto.

Article 11. To see if the Precinct will vote to appropriate

the sum of Two Thousand Dollars (\$2,000.00) from the Sewer Department income for the purpose of operating the Sewer Department for the year 1967. Or to take any other action in relation thereto.

Article 12. To see if the Precinct will vote to establish a capital reserve fund for the purpose of capital improvements to the Water Department and to appropriate to said capital reserve fund the surplus held by the Water Department as of December 31st 1966, in the amount of Two Thousand Nine Hundred forty-nine Dollars and Ninety-Six Cents (\$2,949.96). Or to take any other action in relation thereto.

Article 13. To see if the Precinct will vote to establish a capital reserve fund for the purpose of capital improvements to the Sewer System and to appropriate to said capital reserve fund the surplus of said Sewer Department as of the 31st day of December, 1966, in the amount of Three Thousand Nine Dollars and Twenty-one Cents (\$3,009.21). Or to take any other action in relation thereto.

Article 14. To see if the Precinct will vote to convey the Daniels-McClintock land to the Town of Hillsborough for the purpose of using the same as a site for new Fire and Police Station. Or to take any other action in relation thereto.

Article 15. To see what sum of money the Precinct will raise or appropriate to build a new Fire House. Or to take any other action in relation thereto.

Article 16. To see if the Precinct will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to add to the Capital Reserve Fund for the building of a New Fire Station.

Article 17. To transact any other business that may legally come before the meeting.

Given under our hands this 1st day of March in the year of our Lord nineteen hundred and sixty-seven.
