TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Bartlett in the County of Carroll in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Bartlett on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ART. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ART. 3. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name of the Town and on the credit of the same, negotiable notes therefore, said notes to be repaid during the current year from taxes collected within current municipal year.

ART. 4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds or by any other means.

ART. 5. To see if the Town will vote to raise and appropriate the sum of \$500.00 as the Town's share toward the operating cost of the Eastern Slope Regional Airport for 1967.

ART. 6. To see what sum the Town will vote to raise and appropriate in 1967 to be placed in a capital reserve fund for the survey of streets and a tax map.

ART. 7. To see if the Town will vote to instruct the Selectmen to promulgate ordinances with regard to building permits.

ART. 8. To see if the Town will vote to instruct the Selectmen to promulgate ordinances with regard to Public Health regulations under RSA 147:1.

ART. 9. To see if the Town will vote to set up a minimum standard for the acceptance of roads in the Town of Bartlett.

ART. 10. To see if the Town will vote to accept a deed from Jack B. Middleton of two certain pieces of land; one located between the Maine Central Railroad and Route 302 and being 25 feet in width, and the other being located on the southerly side of the Maine Central Railroad and being 66 feet in width.

ART. 11. To see if the Town will vote to accept a deed to a certain strip of land on the westerly side of Route 16 and 302, sixty-six feet wide and running westerly to a point on line of Portland and Ogdensburg Railroad, and also beginning on the westerly line of the railroad, a strip of land sixty-six feet wide running westerly to the westerly line of lots 22 and 21. The Selectmen shall not build and/or maintain a road on such land unless and until land shall meet their requirements for acceptance as a town road.

ART. 12. To see if the Town will vote to accept a Deed from Curry Co., Inc., and George McHenry Seamann of a certain piece of land located on the southerly side of the Maine Central Railroad and being sixty-six (66) feet in width and five hundred eight (508) in length.

ART. 13. To see whether or not the town will vote to accept **approximately 5,000** feet of road, all 66 feet in width (save at one point where 50 feet wide) in the development entitled "Intervale Highlands, A Subdivision of Land in Bartlett, New Hampshire, Carroll County, Sections 1, 2, and 3" with all initial costs of construction and the grant of land to be without cost to the town, and all layout and construction subject to the approval of the Selectmen.

ART. 14. To see if the town will vote to abandon the Town Road known as the Swett Mountain Road, running from the Jericho Road over Swett Mountain, past the old Swett farm to line of land of Murphy to Goodrich Falls.

ART. 15. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and sixty-seven.

ERVIN W. GRANT
BENSON F. HOWARD
GEORGE L. HOWARD

LIBRARIAN'S REPORT

The book circulation for the Bartlett Public Library for 1966, was 5,567. There hundred and eighty-seven new books were purchased. The library received \$20.00 from the Bartlett P.T.A. group and \$100.00 from the Francis P. Murphy Auxiliary Post. The library received many books as gifts this year. The following gave books to the library: Mr. Robert Beals, Mrs. Virginia White, Mrs. Carol Swift, Mrs. Esther Hannan, Mr. Arthur Harney, Mrs. Middleton, Miss Brown and Mr. Wilfred Davis. Dr. Alice Baumgartner of the Dept. of Education donated her travel expenses to P.T.A. meeting for art books for the library.

The librarian took a course in March in "Cataloging and Classification" and attended five cooperative book-buying meetings. The Bookmobile visited the library five times and left a total of 1016 books.

The Friends of the Library have been holding meetings where they are working to find out all that there is available about the history of Bartlett. They would appreciate any old pictures anyone might have of the area.

Our proposed budget for 1967 is as follows:

Salary	\$1,330.00
Books and magazines	1,000.00
Supplies	90.00
Travel	40.00
Janitor	30.00
Miscellaneous	10.00
Total	\$2,500.00

The increase in the book budget is necessary because of the increase of the price of new books and magazines.

JEAN GARLAND, Librarian
 HILDA HOWARD
 EVA GRANT
 FLORA JONES, Chairman
 Trustees

LIBRARY TREASURER'S REPORT

Balance brought forward		\$138.74

E. NEWTON HOWARD

B. R. BARNES

F. H. GEORGE

Commissioner

Report of Forest Warden and District Chief

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householders carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — instruct your children that matches are not playthings.

All incinerator burners must have permit to burn when snow is off ground.

Permits issued, 65. Fires, 2. 1¾ acres burned.

Programs of White Mountains Region Association

1966 — (29th Year)

Printed and distributed more than 300,000 folders and booklets promoting the White Mountains Region.

Received and answered 15,000 individual inquiries which represents an increase of more than one hundred per cent over last year.

Wrote sixteen news releases for the use of local media and five newsletters to the members, promoting economic development ideas in the region.

Supported the 4-H awards program to encourage development of agriculture.

Assisted in programs of natural beauty and good land-use practices.

Presently am initiating a program of ski area engineering research to combat the snow erosion problems at ski areas.

Worked in cooperation with many other groups working to promote the economy of the White Mountains Region and the State of New Hampshire.

Respectfully submitted,

JOHN P. WILSON

Executive Secretary
Lancaster, New Hampshire

SCHOOL WARRANT

FOR ANNUAL MEETING

OF THE BARTLETT SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Bartlett qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in Intervale in said District on the 14th day of March, 1967, at eight o'clock in the evening to act upon the following subjects:

ARTICLE 1. To choose a Moderator for the coming year.

ART. 2. To choose a Clerk for the ensuing year.

ART. 3. To choose a member of the School Board for the ensuing three years.

ART. 4. To choose a Treasurer for the ensuing year.

ART. 5. To choose an Auditor for the ensuing year.

ART. 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ART. 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

ART. 8. To see if the District will vote to authorize the School Board to purchase a 48 or 54 passenger school bus for a sum not to exceed \$6,500.

ART. 9. To see if the District will vote to raise and appropriate the sum of \$3300 as a deficiency appropriation for the school year 1967-1968, resulting from an unanticipated increase in tuition charges by the Conway School District and an over-expenditure in the maintenance of the school plant.

ART. 10. To transact any other business that may legally come before said meeting.

Given under our hands at said Bartlett this 27th day of February, 1967.

BURTON P. PATCH

Report of Superintendent

Bartlett School District

A careful study of the transportation routes was made by the Bartlett School Board, Principal Richard Surette, and myself. It was concluded that the Bartlett School District should purchase a 48 or a 54 passenger school bus, and an article has been placed in the School Warrant for this purpose.

At the present time, Bartlett has several small independent routes. These are all functioning well but the routes operated by the two teachers do place some limitations on the amount of time which these teachers should devote to their classes. There is another disadvantage in staying with the several small private contractors and, of course, this is cost.

We therefore feel that it would be in the best interest of the Bartlett School District to consolidate these small routes. This would make transportation routes more flexible under the strict control of the school board. In some instances it would provide safer transportation, and the district could afford to carry the maximum insurance coverage on this vehicle. A district-owned bus would also be used for late bus activities, to transport Junior High and High School students to plays and other activities, and to transport Elementary children in both educational excursions and extra-curricular activities.

Bartlett has been fortunate in maintaining a stable and fine professional teaching staff. Mr. Richard Surette, Principal of the Bartlett Elementary School, with several years' experience is exhibiting fine qualities of leadership in both the school and the community. Mrs. Bonnie Dallinger, a graduate of the University of New Hampshire, is the only other new teacher on the staff. Although she is a beginning teacher, she has a genuine awareness of the needs of children in her grade and is attempting to meet these needs through individualization of instruction.

My thanks to the career teachers and older members of the teaching staff for their efforts to acquire knowledge and techniques which continually work toward the improvement of the quality of education for the boys and girls of Bartlett.

May I call your attention to another article in the Warrant asking for a deficiency appropriation of \$3,300. This resulted from an unanticipated increase in tuition charges by the Conway School District and an over expenditure in the maintenance of the school plant. Bartlett had a deficit last year and we tried to hold up an additional year hoping that this could be made up. It could not, and, therefore, we are asking the School Board to vote favorably on this Deficiency Appropriation Article.

I want to take this opportunity to express my appreciation to the Bartlett School Board for its dedication to the task of providing quality education for the children and youth of Bartlett.

DAVID APPLETON,

Superintendent of Schools

Report of School Nurse

1966-1967

180 Students received physical inspections, and eye and ear tests.

18 Incoming first grade children had eye and ear tests.

40 Children had dental cleaning and fluoride treatments.

We had a speaker on dental hygiene and the importance of proper dental care; and films were shown stressing the importance of healthful living.

Many thanks to all for helping to improve our dental program.

Respectfully submitted,

CATHERINE AGUERE, R.N.

Report of Special Reading Teacher

"Today's children can learn to read" is the heading of many articles and editorials. The school agrees and has been striving daily to teach all the children of all the people. Indeed the schools have done rather well according to statistics!

The lack of materials and time to teach have been two handicaps.

Many new texts have been provided, such as the S.R.A. Kits for individualized reading, supplementing the basic reading program. Paper-covered Library Kits for each grade level are now being used. New teaching machines are in each building to implement the teaching process. The Overhead projector is very adaptable and can be used for a few or an entire room. The new Tachist-O-Films with the projector that times the flashes is designed to increase accuracy and speed at all levels from simple letters to phrases. The Language Master, which is a simplified tape recorder allows a child to work in a small group or alone. Many games to provide drill on the word skills have been placed for use.

The role of the Special Reading Teacher is to provide more of that essential ingredient, Time. Time is needed to find the individual's specific needs and to reinforce those needs, either individually, or in small groups.

There are eight schools in our district. My time is allotted according to the pupil enrollment and the money available in each district. I work with individuals and small groups throughout the day. Most of my time has been with the lower grades.

More than seventy children have been tested individually to ascertain their grade level and comprehension capacity. These suggestions give a basis on which to start instruction. In many instances, the entire reading group meets with me for specific instruction. Much of the work is phonics, syllables and accent, and increasing word power. Better listening habits and comprehension are two goals constantly in mind.

My methods have included a careful diagnosis of reading problems and the selection of proper materials for each child. These facts plus the active cooperation on the part of both children and teachers, have increased my own effectiveness. A continued pattern of the above variables should provide each child with more confidence through his increased improvement in reading skills.

In my work in School Union No. 9, I have found an able administration, cooperative fellow workers, and challenging work with boys and girls at every grade level.

LEONE M. SHERBURNE

Special Reading Teacher

Role of the Elementary School Counselor

I am pleased to be able to submit a progress report concerning my role as school counselor as funded under Title I, Public Law 89-10. Since the role of elementary school counselor was new to the school union, I felt obliged to define and communicate this role to parents and teachers. As a school counselor I meet with individuals and groups to deal with the normal developmental problems of children which interfere with their academic achievement and personal growth. I am also concerned with the various school union-wide tests being given to determine which pupils are working up to their potential and which are not.

Thanks to the help and cooperation of the Principals and Teachers in the school union, the program is well under way. Private interviews are conducted in every school that is visited. The two highest grades in each school are participating in constructive group discussions. Interviews with parents and teachers are provided to discuss the progress of specific children. The first half of the STEP Reading Test Program has been completed. The Stanford Achievement tests are now being given and will soon be completed. Within a short time the Lorge-Thorndike Intelligence Tests will be administered. Lastly rapport has been established with the Carroll County Community Service and periodic meetings are conducted to discover ways in which we can better aid each other.

The work that has begun will continue with the hope that as the role of the school counselor becomes clearer in the minds of children, parents, and teachers, more effective service can be rendered to more children.

I would like to thank all the people who have worked with me in the formation and implementation of the school counselor program.

LAWRENCE ZEGER,
Elementary School Counselor
