BOSCAWEN PUBLIC LIBRARY

---

The schedule at the library maintains these hours the year around, namely:—Tuesdays 2:00—4:30 and 6:30—8:00 o'clock. Saturdays 2:00—4:30 o'clock.

Penacook Branch is now open Wednesdays 3:00—8:00 o'clock. The change in hours was made to accommodate the high school pupils and the general public. This change has made a gain of 52 borrowers.

The Vacation Reading club was conducted as usual with 20 registering at Boscawen and 28 at Penacook Branch. Previous to Book week, the librarian visited all the schools in town in the interest of the library. Every pupil in the Main St. school, Miss Marian Dickson, principal, became borrowers of the branch library. Sub-stations have been established in the Water St., and High St., schools. Books for adults have been added at Water St. school. National Book week was observed at Penacook Branch with an attendance of about 150. Mrs. Marjorie Sturm of Concord gave a chalk talk; group of interesting stories by Miss Edna Ballard; and a play, read by Mrs. Marjorie Emery, with the children impersonating the characters. Mrs. Emery presented the certificates to the boys and girls who completed the work required in the vacation reading club; games followed the program.

In the town hall at Boscawen the program included a chalk talk by Mrs. Sturm, followed by games conducted by the Recreational Advisor of Strafford County. The boys and girls received their certificates from Edward Webster, treasurer of the Board of Trustees. Approximately 150 were in attendance. The Penacook Congregational Church enrolled in the reading contest.

Our librarian attended the District Neighborhood meeting

at Warner. She was accompanied by two of the trustees, Mr. Buxton and Mrs. Hall, also Mrs. Buxton and Mrs. Ben Little, a trustee of the library at Webster. Mrs. Emery was re-elected secretary and treasurer.

The librarian, accompanied by Mrs. Hall and Mrs. Camilla Hildreth, a member of the board of trustees at Canterbury library, attended Alumni Day at the New Hampshire Library School at New Hampton.

Mrs. Emery attended the meeting of the New Hampshire Library Association at New London and was re-elected secretary of the Association. She was also appointed chairman of the membership drive for the State Association in our district.

The librarian and her assistant, Mrs. Emma Flanders, had an attractive booth at the Community Fair sponsored by Ezekiel Webster Grange, which portrayed the library as the main factor in Adult education.

Miss Holly Knowlton, employed under the National Youth Administration, has mended 624 books, and 21 were sent to the bindery.

Total circulation this past year has been 14,799; an increase of 1586 over last year. Adults-fiction, 9,120; non-fiction, 1,302; Juvenile-fiction 3,045; non-fiction, 1,322; magazines 967.

502 books have been added—273 by gift and 229 by purchase. We would express our thanks to the donors, Boscawen Woman's Club, Mr. and Mrs. Moses T. Cavanaugh, Jonathan D. MacIntyre, Louise Taitron, Marion Dickson, John Lancaster, Dorris L. Bassett, Mrs. Lewellyn Fletcher, Carl Glover, Sammy Littlefield, Elizabeth G. Hall; also to the school teachers in town for their cooperation during Book Week observance. We also appreciate an interesting collection of flood pictures which we have on record.

The library received a gift from the late Alvin B. Cross, of 471 volumes, in memory of his wife, Elizabeth May (Gage) Cross, a native of Boscawen and deeply interested in the history and welfare of the town.

Book-cases have been added to the branch and public library, also a new desk for the librarian. The library was attractive with two decorated trees and wreaths during the Christman holidays.

ELIZABETH G. HALL,  
*Secretary of the Board of Trustees.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens:*

Since the last report was written the Boscawen Schools in Penacook have been entirely separated from the other Penacook schools and are all located on the first floor of the old Academy building.

We have an excellent teaching force, each of the four teachers having two grades under her care.

During this year of reorganization we have been, I believe, wisely conservative in policy and expenditures. We shall enter the next school year with a pretty definite knowledge of the situation there.

The other schools in town are being conducted successfully. The Supervisor of Music is now, for the first time, teaching in High Street and Water Street schools.

The Board is asking the district to provide for needed improvement of the toilets at the Plains. These toilets were installed nineteen years ago.

The rooms used by the Penacook school are fairly satisfactory for elementary schools, except that some of them are deficient in light. In the two front rooms the window area is about half of standard requirements. When the High School was moved to this building it was considered that these rooms would pass as recitation rooms with a well lighted study-room on the second floor. The budget makes no provision for adding windows during the coming year, but I do believe that the district should plan for a remodelling of the building in the near future, to provide adequate natural light in every room used.

After this year of readjustment Boscawen School District will be well started as a new and bigger social and political unit. The policies formulated now will affect the children and the community for years to come. The community and especially the parents should realize that it is

most important to start right, for in the long run it is community sentiment that makes or breaks public institutions.

If there is in the community any man or woman who is outstanding in his interest in young people, his intelligent yearning for social betterment, his freedom from petty personal prejudices, his high personal ideals, and withal his practical common sense in financial matters, that one should be drafted to serve on our school board, the most important office within the gift of the local electorate.

Respectfully,

GEORGE W. SUMNER.

March 2, 1937.
