**REPORT OF HEALTH OFFICER  
TOWN OF FRANCONIA, N. H.**

**For Year Ending December 31, 1963**

Three Well Child Conferences were held this year for infants and preschool children. They were given a physical examination by the physician and immunization shots against whooping cough, tetanus, diphtheria, smallpox and polio. Booster shots were also given to those who needed them.

Due to the epidemic in Canada a special Oral Sabin Polio vaccine type III clinic was held and all children and adults who had not received this type previously were given the opportunity to protect themselves against this particular type.

Home visits were made by the public health nurse to infants, preschool children and adults for counseling and assistance in solving health problems.

My sincere thanks for the cooperation received.

Respectfully submitted,

LORETTA B. RUSSELL, R. N.

## SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Franconia qualified to vote in District affairs:

You are hereby notified to meet at the new Franconia Elementary School on the third day of March, 1964, at 5 o'clock in the afternoon (Polls to be open from 5:00 p.m. to 10:00 p.m. Business meeting for consideration of the articles of the warrant will be called to order at 8:00 p.m.) to act upon the following subjects:

1. To choose all necessary officers for the School District for the ensuing year.
2. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
3. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
4. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
5. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.
6. To see if the District will authorize the School Board to make application for, and to receive, in

the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State Agencies.

7. To transact any other business that may legally come before the meeting.

**REPORT OF SCHOOL NURSE—1963**

The school health program has been carried out with complete physical examinations for all pupils, when requested by parents. Dr. Ralph Parker serves as school physician.

Heights, weights, vision tests and audiogram tests were done on all pupils. Notices were sent home to parents stating any defects found.

Registration Days were held in May for the incoming first grade and kindergarten children. On registration day each child is weighed and measured by the school nurse.

At the request of the parents, Sabin Oral Polio vaccine was administered to 15 pupils in October. Pupils who had missed this type at previous clinics received the vaccine.

In May and December T. B. Heaf Tests were given to 30 pupils in grades 1 and 4. These tests are given at the parents' request.

One child was treated at Pediatric clinic, during the year.

Vaccine for Asthma was administered to one pupil monthly by the school nurse.

I wish to thank the parents and all those connected with the school for their kind assistance and cooperation.

Respectfully submitted,  
EVA LOWDEN, R. N.  
School Nurse

## REPORT OF PRINCIPAL

I herewith submit my fifth annual report as Principal of the Franconia Elementary School.

### ADMINISTRATION:

The present school year for Grades 1 through 6 began on Monday, September 9, 1963 in the new Franconia Elementary School with a total grade enrollment of 70 pupils.

Kindergarten opened a week later with an enrollment of 22 pupils. As of this writing, there are 90 pupils enrolled in the school, including the Kindergarten children.

A breakdown of this figure shows that 20 are in Kindergarten, 9 in Grade 1, 14 in Grade 2, 11 in Grade 3, 11 in Grade 4, 10 in Grade 5 and 15 in Grade 6.

The transition from one school building to another is, of necessity, rather difficult. However, due to the careful planning by the School Board, the co-operation and pre-school efforts of all members of the faculty, as well as the helpful assistance of Mr. Sullivan, the school custodian, it was effected with a minimum of difficulty. The first day of school found everything in readiness and so, as usual a real working day ensued. Needless to say, it was also a very pleasurable day and one long to be remembered by everyone concerned.

I would like to mention the fact that the staff, the faculty and the pupils are greatly enjoying the attractive new school building. It is an extremely practical plant, also, and one in which school efficiency and school safety can be maintained at a high level at all times. In addition, the pupils are very proud of their new building and certainly co-operate in helping to keep it in excellent condition.

The opening of school found two changes in the faculty. Mrs. Pauline Cole of Franconia, a former Lisbon teacher, replaced Mrs. Natalie Wheeler as instructor in the 5th and 6th grades. Mrs. Eleanor Herbert of Franconia replaced Mrs. Sara Zanes in Kindergarten. The school is indeed fortunate to have the services of these two excellent and conscientious teachers.

The retention of Mrs. Leone Philbrook of Sugar Hill as the 3rd and 4th grade teacher keeps the instruction level in that room at the same very high plane as seen in the past. In addition to my duties as Principal, I teach Grades One and Two. In December, Mr. John Garneau joined the faculty as an instructor of Physical Education.

Mrs. Marion Callender of Lisbon continues to teach music in all grades as well as in Kindergarten. Her classes are always greatly enjoyed by the children.

Mr. Richard Sullivan is doing an outstanding job as school custodian. Naturally, the completion of any new plant involves many extra duties, and in the performance of these, Mr. Sullivan has proven to be a valuable and extremely conscientious addition to the school staff. His constant co-operation is greatly appreciated by everyone concerned .

#### CURRICULUM:

As in previous years, much stress is being laid on the teaching of the basic fundamentals in each subject. The State Program of Studies is carefully carried out. All phases of the reading program, such as language, visual and auditory readiness, is stressed throughout the entire school according to the needs and abilities of the individual child.

Again, as in previous years, individual guidance, direction and help are maintained. Each child is helped

to realize his or her potential. The formation of good work habits is constantly stressed.

The Visual Aids Program continues to be exceedingly successful. The constant use of the Speed-i-o-scope is of great benefit to the children. Its educational value cannot be too highly emphasized.

Those educational programs which are available to this area through the Television media are proving to be more helpful year by year. The children are gaining much information due to the use of this phase of the Visual Aids Program.

The Science Research Association Reading Program has now been introduced in Grades 3 and 4. It continues throughout Grades 5 and 6. It is proving very worthwhile as it encourages an individual rate of progress in reading.

A new Physical Education Program was initiated in December with Mr. John Garneau as instructor. Pupil enthusiasm is high. Mr. Garneau also teaches Health in Grades 5 and 6, supervises those same pupils during their outdoor noon recess and assists with the ski program.

Orientation Day was again held in the spring of 1963. The sixth graders also visited the Littleton High School. Plans are already underway to continue the close contact between the Franconia Sixth Grade and the Junior High in Littleton.

#### SCHOOL LUNCH:

The new kitchen facilities and the splendid seating arrangements in the all-purpose room contribute much toward a smooth running program under the capable management of Mrs. Alma Shores. Approximately 55 pupils participate daily in the program.

Delicious Thanksgiving and Christmas dinners were served by Mrs. Shores, who also assists with refreshments at the various parties.

#### SCHOOL HEALTH:

Dr. Ralph Parker and Nurse Eva Lowden have given complete physicals to the pupils whose parents so desired.

Mrs. Lowden has conducted eye and ear examinations.

Mrs. Lowden visits the school regularly and is on call at any time. Her report will give you further details as to her other activities in this school.

#### SCHOOL ACTIVITIES:

Due to the fall completion of the all-purpose room, assemblies could not be held. However, they are now being planned and will be carried out. For instance, as of this writing, Mrs. Philbrook is planning a winter assembly concerning the Science Association Reading Program in Grades 3 and 4. This assembly, as usual, will be an outgrowth of actual classroom work.

A series of parties was planned and is in the process of being carried out. The annual Christmas program, with 100% pupil participation, was presented in the school's auditorium Wednesday evening, December 18.

The 1963 Ski Program, sponsored by the Franconia School District, proved very successful. In addition, it is interesting to note that the Franconia Ski Team, consisting of David Kenney, Perry Moulton, William Hultgren and Philip Robertson placed second in the Roland E. Peabody Memorial ski race. Perry Moulton, Grade 5, finished second in the slalom while David Kenney, Grade 5, tied for first place in the downhill event.

As of this writing, plans have gone into effect for another ski program for the winter of 1964. At present, 46 elementary school pupils from Grade One through Grade Six have registered for this ski program.

**CONCLUSION:**

I wish to express my sincere thanks to the people of Franconia, the Board of Education, Superintendent of Schools Ronald Perham, the staff and pupils for their co-operation.

Respectfully submitted,

ALICE M. LEAVITT,  
Principal

## REPORT OF SUPERINTENDENT

To the School Board and Citizens of the Franconia School District:

I herewith submit my twenty-first annual report as Superintendent of Schools.

The total enrollment of your school last year was 70, the average membership was 63.7 and the percent of attendance was 91.7. There were 16 tuition pupils enrolled, 6 from Easton, 1 from Sugar Hill, and 9 from Lisbon Town #3 School Districts. Last year there were 31 pupils enrolled at Littleton High, 19 in grades 7 & 8 at Littleton, 2 pupils at Lisbon Public School and one pupil enrolled at St. Johnsbury Trade School.

The enrollment this year at Franconia Elementary School is 90 at the present time. Seven pupils from Easton, 9 from Lisbon Town #3, and two from Sugar Hill are included. There are 48 pupils attending public schools outside the district, 13 at Littleton Junior High, 34 at Littleton High, and one at Lisbon High School.

Graduating from Littleton High School are: Charles Casey, Halina Gawel, Judith Prescott and Lynn Raynor.

Probably by the time you read this report most of you will have visited the new school. Franconia citizens may well be proud of this new building and the school program offered to its elementary children.

I wish to commend Mrs. Alice Leavitt, Franconia Elementary School Principal and her staff for setting up the program in the new school with efficiency and dispatch. The work showed careful planning and excellent cooperation by all members of the staff.

The School Board appreciated the many acts of assistance by the builder, Mr. Clinton Clough, and the architect, W. Brooke Fleck. I personally wish to thank

each member of the School Board and the Building Committee for the numerous hours spent on this project leading to its successful completion.

As predicted, the elementary classes have already shown increased enrollment; Kindergarten 22, Grades 1 & 2—24, Grades 3 & 4—20, Grades 5 & 6—24.

We expect a change in the organization of the Supervisory Union in the near future, perhaps during the next two years. This depends on the approach of the State Department of Education to school reorganization in the North Country.

At the present time there are two laws permitting revision of New Hampshire school districts, the Area school law and the Cooperative School District law. Both laws encourage the establishment of larger school districts.

Before supervisory union changes are made, meetings will be held with the school boards in the area. If you have thoughts regarding district organization pass them on to your school board members.

Franconia School District will undoubtedly be aided by funds from the New Hampshire Sweepstakes next year. At the present time there is no way of accurately estimating its effect on taxes.

I certainly appreciate your cooperation in all matters pertaining to the welfare of your children. Your School Board meets regularly. They are attentive to their duties and are most helpful in the operation of the school system. Thank you.

Respectfully submitted,

RONALD A. PERHAM  
Superintendent of Schools

**SUPERVISORY UNION NO. 34**  
**REPORT OF SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #34, during 1963-1964, received a salary of \$9,800.00 which was made up as follows: \$4,750.00 paid by the State Department of Education from the per capita tax and \$5,050.00 prorated among the several school districts. Allowance of \$1,300.00 for travel within the Union was also prorated as stated above.

The table below shows the proration of salary and travel charged to each school district.

## REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience—a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump—it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern.

Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

**Proposed Zoning Ordinance  
for the  
Town of FRANCONIA, New Hampshire**

**ARTICLE I**

**Preamble**

In pursuance of authority conferred by Chapter 31, Sections 60-39, New Hampshire Revised Statutes Annotated, 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy in the process of development of the incorporated Town of Franconia, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangements, wise and efficient expenditure for public requirements, and by other means, now therefore the following ordinance is hereby enacted by the voters of the Town of Franconia, New Hampshire in official meeting convened.

**ARTICLE II**

**Districts**

For purpose of this ordinance the Town of Franconia is divided into districts as shown on the Zoning map filed with the Town Clerk and dated February 24, 1964, and including the following: (1) Residential District; (2) Limited Commercial; (3) Rural; (4) Commercial.

**ARTICLE III**

**General Provisions**

A. No Junk yard or place for the storage of discarded machinery, vehicles, or other scrap materials shall be maintained in any District, except that after public hearing in which evidence on both sides is heard, the Board of Adjustment shall have authority to decide whether a permit shall be issued or not.

B. No owner or occupant of land in any District shall permit fire or other ruins to be left but shall remove the same within one year.

C. Any uses that may be obnoxious or injurious by reason of the production or emission of odor, dust, smoke, refuse matter, fumes, noise vibrations, or similar conditions, or that are dangerous to the comfort, peace, enjoyment, health, or safety of the community or leading to its disturbance or annoyance are prohibited in any District.

D. No land in any District shall be used for a dump, other than as provided under Article VI, Section 4, or for disposal of refuse, waste, or junk of any kind, nor used in any manner that is disorderly, unsightly, noxious, offensive or detrimental to the public or the owners or occupants of the adjacent property or prejudicial to the general welfare of the community, without approval, in writing, of the Board of Adjustment upon such conditions as it may determine, or, upon petition for a public hearing, the said Board of Adjustment shall have authority to decide whether such petition shall be granted.

E. Owners and lessees of a business enterprise situated in any District, other than as permitted in the Residential District, shall be permitted to have two advertising signs away from the premises of such enterprise, and, the sum of the height and width of such sign shall not exceed fifteen feet, and no part of which shall be displayed in excess of twelve feet above grade. Advertising signs of Business enterprises situated outside the Town of Franconia shall be permitted only upon approval of the Board of Adjusters and shall conform to the same conditions as applied to business enterprises situated within the Town of Franconia.

F. The removal of sod, loam, clay, sand, gravel or other natural inorganic material from any premises in any District is allowed in instances when such removal will be of such character that by proper re-grading, draining, re-loaming, and re-seeding it will be left in sightly condition and protected against erosion.

## **ARTICLE IV**

### **Residential Districts**

- A. The Residential Districts shall enjoy the following provisions:
1. It shall be a district mainly of residences.
  2. Home produce and products may be bought and sold and exposed for sale in this district.
  3. Tourist homes may be maintained and operated in this District.
  4. Residences may be used to house such uses by the owner or tenant as offices for doctor, engineer, architect, lawyer, real estate and insurance, or other recognized professions and such home occupations as hairdressing, dressmaking, manufacture of food products, except that the number of persons employed at any one location shall not number more than four persons in addition to the owner or tenant.
  5. Churches, schools, sanitarium, public parks, and playgrounds are permitted in this District.
  6. Owners or lessees of a property conducting a business enterprise thereon shall be allowed to have on the premises two signs advertising such enterprises, and a single face area of any such sign shall not exceed thirty (30) square feet; also, a sign pertaining to the lease, sale or use of a lot or building thereon, shall not exceed a single face area of five (5) square feet.

7. The use of land for the permanent accommodation of auto home trailers shall be prohibited except upon written approval of the abbutors and upon issuance of a permit by the Board of Adjustment.

## **ARTICLE V**

### **Limited Commercial District**

The following shall be permitted in the Limited Commercial District.

1. Any use permitted in the Residential District under the same provisions as apply to residences in that district.
2. Lodgings, houses, apartment houses, hotels, motels, tourist courts, inns, or cabins, including such retail businesses within these permitted buildings as are conducted for the convenience of the residents or guests.
3. Retail shops and restaurants.
4. If any proposed use is such to attract vehicles, ample space shall be provided on the property to accommodate all such vehicles attracted by the business.
5. Any sign or advertising display may be employed that is of sound construction and considered to be in keeping with the general appearance of the town. Such signs shall be no larger than that permitted under Article IV, Section 6.

## **ARTICLE VI**

### **Rural District**

The Rural District shall enjoy the following provisions:

1. Any use in the Residential District or Limited Commercial District shall be permitted under the same provisions as apply to those Districts.
2. It shall permit all general farming and lumbering activities.
3. Golf courses, playgrounds, picnic areas, recreational camps, trailer parks and airports.
4. It shall permit an area for municipal disposal of rubbish and garbage or an incinerator for the same.

## **ARTICLE VII**

### **Commercial District**

The following shall be permitted in the Commercial District.

1. Any use permitted in the Residential District, Limited Commercial District, and Rural District under the same provisions as applied to those districts.
2. Restaurants, retail shops, wholesale business, and Light Industry.
3. Garages, parking lots and filling stations.
4. Business offices, hall and clubs.

5. If any proposed use is such as to attract vehicles, ample space shall be provided on the property to accommodate all such vehicles by the business.

## **ARTICLE VIII**

### **Nonconforming uses**

A. Any nonconforming use other than uses specified in B and C below may continue in their present use except that any nonconforming use or building may not be:

1. Changed to another nonconforming use;
2. Re-established after discontinuance for one year except to a use conforming to the District in which it is located;
3. Extended; except by permission of the Board of Adjustment;
4. Rebuilt after damage exceeding 50 percent of its value.

B. No junk yard may continue as a nonconforming use without special permit from Board of Adjustment, for more than one year after the effective date of this ordinance, except that a junk yard may continue as a nonconforming use in a Commercial District if within that period it is completely enclosed within a continuous fence of a suitable type, as to screen completely the operations of the junk yard. Plan of such building or fence shall be approved by the Board of Selectmen before it is erected.

C. No outdoor advertising structure may continue as a nonconforming use for more than two years after the effective date of this Ordinance unless it is designed to direct attention to a business or profession conducted on the premises or within the town of Franconia.

## **ARTICLE IX**

### **Administration**

1. It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority to enforce the provisions of this ordinance.

## **ARTICLE X**

### **Board of Adjustment**

Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen, shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 31 of The New Hampshire Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing authority shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment. The Board of Adjustment shall conform in membership and term of office to the provisions of Sections 60-39, Chapter 31, Revised Laws of New Hampshire, 1955, as amended. In

addition to the general powers granted said Board by said Chapter 31, it may, in harmony with and subject to its provisions: permit a non-conforming temporary use for an initial period of not more than two years. Permits may be renewed by the Board of Adjustment for successive periods of not more than one year each.

## **ARTICLE XI**

### **Amendments**

This ordinance may be amended by a majority vote of any legal town meeting where such amendment is published in the warrant calling for the meeting and when such amendment has received a public hearing, which hearing has been advertised and given a legal fifteen-day notice.

## **ARTICLE XII**

### **Penalty**

Every person, persons, firm or corporation violating any of the provisions of this ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

## **ARTICLE XIII**

### **Saving Clause**

The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

## **ARTICLE XIV**

### **Definitions**

For the purpose of this ordinance, certain terms are defined as provided in this section.

A. **Home produce and Products** means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried upon the property of the resident, also such articles as are manufactured or altered by members of the household of the *bona fide* resident of any property.

B. **Tourist Home** shall mean any place consisting of a room or group of rooms located on one premises where transient accommodations for sleeping or living purpose for not more than six persons are provided for a price.

C. **Junk** means any old metals; old bottles; old paper products; old rubber products; one or more motor vehicles and other machinery, abandoned or in a dismantled and inoperable condition; and other second-hand articles the accumulation of which is detrimental or injurious to the neighborhood.

D. **Nonconforming use** means a building, structure or use of

land existing at the time of enactment of this ordinance and which does not conform to the regulations of the district in which it is situated.

**E. Trailer Park** means a land area, occupied or designed for occupancy by two or more trailers or mobile homes in use for living purposes.

**F. Industry** is the gainful activity involved in producing, distributing and changing the form of raw materials, or of assembling components and parts, packaging, warehousing, and transporting finished products; such production involves the employment of management, labor, machinery, and real estate to create tangible products, or utility services having value.

## **ARTICLE XV**

### **When Effective**

This ordinance shall take effect upon its passage.
