### 1980 ANNUAL TOWN MEETING WARRANT STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Haverhill, in the County of Grafton, and State of New Hampshire qualified to vote in Town Affairs:

You are hereby notified to meet at the James R. Morrill School in North Haverhill in said Town of Haverhill on Tuesday March 11th, 1980 at eight o'clock in the forenoon to act on the following matters. Article One will be decided by written ballot. The polling booths will be open from 8:00 A.M. to 6:00 P.M. for voting on Article One. At 6:00 P.M. the meeting will adjourn to reconvene at 8:00 P.M. at the James R. Morrill School in North Haverhill, said Town of Haverhill for consideration of the remaining articles in this warrant.

Article 1, To choose by a non-partisan ballot one Selectman for a term of three (3) years, a Town Clerk for a term of one (1) year, a Treasurer for a term of one (1) year, a Tax Collector for a term of one (1) year, a Highway Agent for a term of one (1) year, a Trustee of Trust Funds for a term of three (3) years, and a Moderator for a term of two (2) years.

Article 2. To announce the results of the balloting on Article 1.

Article 3. To choose one or more Auditors for a term of one (1) year, one Library Trustee for a term of three (3) years, one Cemetery Commissioner for a term of five (5) years, and one Cemetery Commissioner for a term of one (1) year, and all other necessary Town Officials.

Article 4. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners and any other Town Officers and Committees heretofore chosen and pass any vote relating thereto.

Article 5. To see if the Town will vote to contribute funds for the construction of Class V Highways as provided in Chapter 241 RSA as amended.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest bearing notes or orders in anticipation of taxes, to provide for the expenses of the current year.

Article 7. To see if the Town will vote to authorize the Selectmen to accept, appropriate, and expend gifts of Federal or State Aid in the name of the Town of Haverhill.

Article 8. To see if the Town will vote to authorize the Selectmen to distribute Inventory Blanks by mail.

Article 9. To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town through Tax Collector's Deed, by Public Auction Sale or by advertising for Sealed Bids, except that the Selectmen would be empowered to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs and interest.

Article 10. To see if the Town will vote to appoint or elect a Budget Committee to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next Annual Report.

Article 11. To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and pass any other vote relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of seventeen thousand five hundred dollars (\$17,500.00) to buy a used backhoe for the road maintenance department.

Article 13. (IF ABOVE ARTICLE 12 PASSES TOWN VOTE) To see if the Town will vote to authorize the withdrawal of fifteen thousand dollars (\$15,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 to help defray the cost of the backhoe.

Article 14. To see if the Town will vote to authorize withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a setoff against the following debt service:

Purpose	Amount
Town Maintenance Building Grader Haverhill-Newbury Bridge	\$10,000.00 \$10,000.00 \$10,000.00
Total	\$30,000.00

Article 15. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the purpose of a State Audit of the Town Accounts.

Article 16. To see if the Town will vote to raise, appropriate and contribute the sum of fifteen thousand (\$15,000.00) to the Cottage Hospital for the purpose of purchasing a protable X-Ray unit.

\*Article 17. To see if the Town will vote to adopt the following ordinance relating to dogs within the North Haverhill Precinct:

- 1. That no dogs shall be allowed to run at large without restraint within the limits of the North Haverhill Precinct at any time of the year, or any time of the day or night.
- 2. That all Police Officers and Dog Officer are hereby authorized to impound any dog found running free within said Precinct, on property other than that owned or leased by the said owner of the dog.
- 3. That running at large shall mean any dog which when not on premises owned or leased by the owner of said dog, is not on a leash or otherwise physically restrained from running or going as it pleases. Any form of restraint which places the dog physically under the control of a person, will be deemed to be sufficient restraint for purposes of this order.
- 4. That this ordinance shall become effective immediately upon its adoption.

Article 18. To see if the Town will vote to make approximately twenty (20) acres at the east end of the Dean Memorial Airport property available for an Industrial Park.

Article 19. To transact any other business proper to come before said meeting.

Given under our hands and seals this 25th day of February A.D. in 1980.

John Fullerton Winthrop W. Klark Richard G. Kinder

(Articles may be added or amended up to the time official warrant is posted.)

\*Articles which have been brought by petition.

## MINUTES OF ANNUAL TOWN MEETING March 13, 1979

The polls at the James R. Morrill Elementary School in North Hayerhill were opened at 8:00 A.M. by Moderator Richard Rutherford reading Article 1.

ARTICLE 1. To choose by a non-partisan ballot one Selectman for a term of three (3) years, a Town Clerk for a term of one (1) year, a Treasurer for a term of one (1) year, a Trustee of Trust Funds for a term of three (3) years, a Highway Agent for a term of one (1) year,

The polls were open until 6:00 P.M. for voting. At 6:00 P.M. the meeting was adjourned until 8:00 P.M., to be reopened for the consideration of the remaining of articles in the warrant. 740 ballots cast.

ARTICLE 2. Referendum Question #1. To see if the Town will vote to make approximately twenty acres of the Dean Memorial Airport property available for an Industrial Park.

ARTICLE 3. To announce the results of the balloting on Articles 1 & 2.

Selectman: Ralph Fitts Richard Kinder	109 605	Treasurer A. Frank Stiegler, III	647
Town Clerk Helen M. Smith	709	Tax Collector Norma Lavoie	684
Road Agent Albert J. Boucher Maurice F. Naylor		Trustee of Trust Funds Maurice C. Slight Roland F. Clough	30 8

Referendum	Question
Yes	361
No	359

115

Wm. Smith, Jr.

The elected officers were sworn in by the Moderator.

ARTICLE 4. To choose one or more Auditors, for a term of one (1) year, two Library Trustees, one for a term of three (3) years and one for a term of one (1) year, one Cemetery Commissioner for a term of five (5) years and all other necessary Town Officers.

Everett Sawyer made the motion that Evangalyn Anderson be elected auditor for a term of one year. James Hood seconded the motion.

Mabel Billings made the motion that Roland Clough be elected Library Trustee for a term of three years. Robert Clifford seconded the motion.

There was no motion for the one term for Library Trustee. The clerk cast one ballot for Mildred Miller.

Karl Bruckner made the motion that Harry Moses be elected Cemetery Commissioner for a term of five years. Paul LaMott seconded the motion. The Clerk cast one ballot for Harry Moses.

Paul LaMott made the motion that the Selectmen appoint all other necessary Town Officers. Ezra B. Mann, II, seconded the motion. It was so voted.

 $\frac{\text{Article 5}}{\text{Treasurer}}$ . To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other Town Officers and Committees heretofore chosen and pass any vote relating thereto.

Karl Bruckner Moved the article be accepted as printed. Paul LaMott seconded the motion. It was so voted.

Article 6. To see if the Town will vote to contribute funds for the construction of Class V Highways, as provided in Chapter 241 RSA, as amended.

James Hood moved the article be accepted as printed. Francis Lackie seconded the motion. It was so voted.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to issue interest bearing notes or orders in anticipation of taxes, to provide for expenses of the current year.

Ezra B. Mann, II moved the article be accepted as printed. Vernona Wallace seconded the motion. It was so voted.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to accept, appropriate and expend gifts of Federal or State aid in the name of the Town of Haverhill.

Mabel Billings moved the article be accepted as written. James Hood seconded the motion. It was so voted.

ARTICLE 9. To see if the Town will vote to authorize the Selectmen to distribute Inventory Blanks by mail.

Susan Hehre moved the article be accepted as written. Robert Lane seconded the motion. It was so voted.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to administer, or to sell real estate acquired by the Town through Tax Collector's Deed, by public auction sale or by advertising for sealed bids, except that the Selectmen would be empowered to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs and interest.

Paul LaMott moved the article be accepted as written. Francis Lackie seconded the motion. It was so voted.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town through Tax Collector's Deed to abutting land owners upon payment of amount not less than all taxes, costs, and interest. This article shall have effect in the area known as the Mountain Lakes District only.

Vernona Wallace moved the article be accepted as written, Mabel Billings seconded the motion.

Paul LaMott made the motion that the article be amended to read, that the Selectmen "may" sell the lots in question. Ezra B. Mann, II seconded the motion. This article was passed as amended, by a voice vote.

ARTICLE 12. To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and to pass any other vote relating thereto.

Richard Kinder moved the article be accepted as printed. Robert Lane seconded the motion. Stephen Wellington made the motion that the appropriation to White Mountain Mental Health Center be raised from \$2,000.00 to \$4,171.25, an increase of \$2,171.25. Paul LaMott seconded the motion. The amendment was passed as amended by a unanimous voice vote.

Budget \$ 547,554.28 Increase 2,171.25 \$ 549,725.53

ARTICLE 13. To see if the Town will vote to appoint or elect a Budget Committee to recommend to the next annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next Annual Report.

Karl Bruckner moved the article be accepted as written. Ezra B. Mann, II seconded the motion. It was so voted.

ARTICLE 14. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations for the following specific purposes and in the amount indicated herewith or take any other

action hereon:

APPROPRIATION	AMOUNT
White Mt. Community Service	2,000.00
Senior Citizens	5,000.00
North Country Home Health	4,000.00
Ambulance	3,000.00
	\$ 14,000.00

Walter Young moved the article be accepted as written. Clark Ingalls seconded the motion. It was voted by a unanimous voice vote.

ARTICLE 15. To see if the Town will vote to appropriate twenty thousand (\$20,000.00) dollars for a new highway truck and authorize the withdrawal of twenty thousand dollars (\$20,000.00) for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972.

Walter Young moved the article be accepted as written. James Hood seconded the motion. It was so voted by a unanimous voice vote.

ARTICLE 16. To see if the Town will vote to authorize withdrawal from Revenue Sharing Fund established under the Provision of the State and Local Assistance Act of 1972 for use as a setoff against the following debt service:

Purpose		Amount
1978 Town	Maintenance Building	$1\overline{0,000.00}$
1978 Town	Grader	10,000.00
		\$ 20,000,00

Walter Young moved the article be accepted as written. Eden Aldrich seconded the motion. It was so adopted by a unanimous voice vote.

ARTICLE 17. To see if the Town will vote to provide Workmen's Compensation coverage for eligible employees by participating in the New Hampshire Municipal Assn. Self-Funded Workers Compensation Program, commencing

April 1st, 1979, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

Winthrop Klark moved the article be accepted as printed. James Hood seconded the motion. Selectman Klark stated that Precinct employees are eligible under the plan, but Precincts must apply to the Town for acceptance to the program. This article was passed by a voice vote.

ARTICLE 18. To see if the Town will vote to raise, appropriate and contribute the sum of nine thousand dollars (\$9,000.00) to the Cottage Hospital.

Dr. David Frechette moved the article and explained that the \$9,000.00 would be used to purchase a portable defibrillator and a cryostat. Larry Fournier seconded the motion. Article passed by a unanimous voice vote.

\*ARTICLE 19. To see if the Town of Haverhill will vote to adopt the current National Fire Protection Association's Life Safety Code 101. The code deals with life safety from fire and like emergencies. It covers construction, protection and occupancy features to minimize danger to life from fire, smoke, fumes, or panic before the buildings are vacated. It specifies the number, size, and arrangement of exit facilities sufficient to permit prompt escape of occupants from buildings or structures in case of fire or other conditions dangerous to life. However, private homes are excluded. This code gives the local authority the jurisdiction.

Winthrop Klark made the motion that this article be passed over. Selectman Klark stated, it was found after the article was presented by petition that a vote issue must be preceded by two (2) public hearings. It was the opinion of the Town's counsel not to bother with a vote on this article. Donald Miller seconded the motion. It was so voted.

\*ARTICLE 20. To see if the Town will vote to keep town owned important agricultural land in agriculture.

Richard McDanolds moved the article. Everett Henson seconded the motion.

Selectman Winthrop Klark read to the assembly a legal opinion from the Town's attorney, Laurence Gardner of Hanover.

According to Gardner, any action taken on the article would not be advisory in nature, since State law delegates responsibility for all prudential matters, including use of Town land, to the Selectmen. It is within the Selectmen's prerogative to administer all Town owned land.

After much discussion Karl Bruckner moved that the article be passed over, stating that in the interest of fairness the ballot on the land use referendum during the day should be accepted as the Town's opinion on the question of developing town owned agricultural land.

Bernard J. Wolfe, Jr. seconded the motion. After two (2) indecisive voice votes on whether to pass over the measure, a division of the house was called for. 171 favored passing over the article while 94 opposed the move. The article was passed over.

\*ARTICLE 21. To see if the Town will vote to authorize an organization called "Citizens for Proper Planning" to develop and present to the Town sensible alternatives for land use.

Susan Hehre moved the article. Pamela Miller seconded the motion.

Selectman Klark again offered Attorney Gardner's legal opinion, that the "Town Planning Board has exclusive jurisdiction" over decisions regarding town planning. The article could only serve to establish an advisory group only.

Alan Ingle expressed a concern for the gross lack of planning in our town. He argued that the responsibility of planning should be in control of

the citizenry. Inhabitants of each area within the town should decide in an open effort.

The motion was approved, and the article was defeated by a voice vote.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to appoint a Highway Agent to supervise all town maintenance functions within said Town. The Highway Agent would be hired by and accountable to the Board of Selectmen and serve at the pleasure of the Board. This article would take effect as of March 11th, 1980.

Larry Fournier moved the article. Francis Lackie seconded the motion.

In speaking for the article, Selectman Richard Kinder noted that the Highway Agent has charge of some \$250,000.00 in equipment, and disburses a \$150,000.00 budget.

This article was defeated by a voice vote.

\*ARTICLE 23. To see if the Town of Haverhill will adopt the following resolution: Whereas, there is determined to be the need of a Housing Commission in the Town of Haverhill...Now, therefore, in accordance with Section 4 of Chapter 203, et. seq. of New Hampshire Revised Statutes Annotated; and in accord with the foregoing finding of need, there is hereby created a Municipal Housing Commission for the Town of Haverhill, with all the powers and authority granted by said Chapter 203.

James Hood moved the article. Mary Campbell seconded the motion.

Administrative Assistant, Daniel Ayer, described the Commission and explained its purpose. The main advantage to approval was that the five-man body could advise the Selectmen in the use of HUD and Community Development funds if applied for in the future.

Larry Fournier moved the article be passed over. Harry Simano seconded the motion. It was so voted.

\*ARTICLE 24. To see if the Town will vote to amend resolution #16 of March 8, 1977 Town Meeting ("to sponsor 25 additional units of existing housing for elderly low income persons under Section 8") to read "elderly and/or low to moderate income persons."

A. Frank Stiegler, III moved the article be passed over. Larry Fournier seconded the motion. It was so voted by a voice vote.

ARTICLE 25. To see if the Town will vote to discontinue the Highway described as that section of Hollins Road from the Intersection of Route 10 to the Intersection of the Ladd Street Cemetery Road as allowed by RSA 238:1.

James Hood moved the article be accepted as written. Paul LaMott seconded the motion.

The land now reverts to Ernest Provencal, whose property abuts the road. This road was closed several years ago to gates and bars. It was so voted by a voice vote.

ARTICLE 26. To transact any other business proper to come before said meeting.

On a motion by Ezra B. Mann, II the meeting was adjourned at 9:50 P.M.

\*Articles have been brought by petition.

Respectfully, HELEN M. SMITH Town Clerk

### SELECTMEN'S REPORT

1979 was a very busy year for the Board as the responsibilities of the Selectmen grow with each succeeding year.

The Old Town Hall & Town Clerk's Building were sold to Mr. & Mrs. James Hood who converted the Old Town Hall into a roller skating rink giving the children of Haverhill an added place to go at night. The purchase price was put toward the payment of the new Town Garage thus enabling us to finish paying for that building in 1980. The Municipal Building is now paid off and we feel it is necessary to make improvements to it starting off with insulation to save money on escalating fuel costs.

We are happy to see many new businesses and recreation facilities open in Town and we wish them success in their dealings here in Haverhill. There is also a new electronics plant in Town working out of the old Conners and Hoffman building with plans to expand to North Haverhill which will create many new jobs for people here in Town.

We lost our Administrative Assistant Daniel Ayer and he was replaced by Russell Denver, who along with Secretary Patti Klark, Tax Collector Norma Lavoie & Town Clerk Helen Smith respond effectively to the needs of the public. They are all there to help you, so feel free to call them for assistance.

The Board has worked hard at keeping the taxes low and we will continue in our effort to do so. Suggestions on ways to further help us fight inflation will be appreciated. A lot of work has gone into this Town Report and we hope you will find it informative and enjoyable.

As the year 1979 comes to an end we may have all experienced the Charles Dickens quote from the beginning of his famous novel A TALE OF TWO CITIES, "It was the best of times, it was the worst of times." We hope for the best for the Town in the new decade before us.

Respectfully submitted, JOHN FULLERTON WINTHROP W. KLARK RICHARD G. KINDER

### ADMINISTRATIVE ASSISTANT'S REPORT

1979

This is my first chance to say hello to the citizens of the Town of Haverhill. Since coming to Town in August I have found the people to be friendly and cooperative helping me to adjust to the Town in fairly good order. I have watched and listened to people to get the gist of what the problems are in Town.

1979 was a year that saw the dedication of the Bedell Bridge in July and its subsequent destruction in September. New businesses have moved into Town offering the people of Haverhill a diverse choice of recreational activities as well as a large number of new jobs. 1979 also saw the Town's portion of the tax rate go down from .43¢ per hundred in 1978 to .37¢ per hundred in 1979.

1980 will start off with the Selectmen, Budget Committee, and the Department heads doing all they can to keep the 1980 budget as low as possible, as well as providing you, the taxpayers, the best possible services. This year will also see a growth in the economic power of the people in Town. With a new electronics firm currently in Woodsville with plans to move to North Haverhill in the spring, it will create more jobs which means more money available to individuals who use that money locally, thus helping local businesses.

In closing, I would like to thank the citizens and the Board of Selectmen for their support, also I would like to commend Patti Klark and Norma Lavoie for their professionalism in hard jobs.

I feel that the Town of Haverhill will have some bright years ahead of it in the 1980's.

Respectfully submitted,

RUSSELL F. DENVER Administrative Assistant to the Board of Selectmen

### REPORT OF THE HAVERHILL POLICE DEPARTMENT

The Police Department takes great pleasure in thanking the Board of Selectmen and all residents of the Town of Haverhill for their support and cooperation during 1979.

1979 will, forever, shockingly remind each of us, including members of the Police Department, that we are not immune to being victims of crime, even in the North Country. This past year will be indelibly etched in our memories as being one of despair, fear and frustration.

During 1979, as in years past, the Police Department tried to display to all a willingness to respond to citizen complaints and problems where appropriate and to vigorously pursue criminal violators in order to hold them accountable for their transgressions. We feel that we have impacted in both goal areas, however, we are also aware that they are goals that are never fully achieved.

An area of vital concern to us has been in regards to motor vehicle accidents. During 1979, the Department investigated one hundred and four (104) accidents, which was a substantial increase over the preceding year. The majority of the reported accidents were caused by speed, alcohol and driver inattentiveness. Consequently, it was and will also remain a goal of the Department to highlight vehicle misconduct by continuous patrol and, where appropriate, to issue citations.

The Police Department, as a never-ending training process, continued to send all officers to weekly seminars covering all facets of criminal justice. Several Haverhill Special Police Officers attended an Officer Training School in Plymouth, New Hampshire two nights a week for eight weeks. Additionally, the Department conducted firearms training twice to three times a year and also recently has begun an extensive In-Service Training Program for all officers once a month.

Of vital concern to us has been tremendous increases in juvenile crimes and arrests during the past two years. However, in 1979, the Department experienced fewer juvenile arrests (56) while realizing enormous increases in adult arrests (206). We feel that one of the primary reasons for fewer juvenile arrests was the creation of the Juvenile Diversion Committee which was a joint effort by the Police Department, the New Hampshire Probation Department and the Haverhill District Court in reducing the number of juvenile recidivists.

In conclusion, the Department, as a matter of policy and a primary goal, will continue to reflect a concerned attitude toward the Town of Haverhill and be ready to serve whenever needed.

Total number of juvenile petitions entered	52
Total number of civil cases entered (in- cluding small claims and landlord & tenant)	444
Total of all cases entered	1,396

Respectfully submitted,
Helen M. Smith, Clerk

### 1979 REPORT OF THE HAVERHILL PLANNING BOARD

The Planning Board was very active during 1979 with twenty-seven (27) applications being submitted for approval or review. Twenty (20) applications were approved and the balance either denied or having to be completed during 1980.

During 1979 a motion was passed by the Board that an application fee of Twenty-Five (\$25.00) Dollars is to be received with each application submitted to the Board. The following must be submitted to the Clerk, two (2) weeks prior to the meeting which is held on the third Tuesday of each month:

- (a) A completed application form
- (b) \$25.00 application fee
- (c) At least one copy of the proposed plan

Effective August 21, 1979, a new amendment to the New Hampshire RSA 36:23 was passed by the Legislature stating that the Planning Board "shall notify, by certified or registered mail, return receipt requested, the applicant and abutters regarding the placement of the plat on its agenda for consideration not less than 5 days before such placement". Also, the definition for an abutter is "any person who owns land within 200 feet of the boundaries of the land under consideration". Land across a public right of way, river, etc. is included.

On October 16, 1979, there was a public hearing on the proposed amendments above mentioned to the Town of Haverhill's subdivision regulations. Also at that hearing an addition to the application fee in the Town's subdivision regulations was discussed, being as follows: "that the subdivider also pay any costs connected with notifying the applicant and abutters whenever the proposed subdivision is on the agenda for consideration". Only a few people

attended that public hearing.

Also passed by the New Hampshire Legislature in the Fall of 1979 was the new "Gravel Pit Law" which requires all landowners opening new excavations for commercial sand, gravel, soil and construction aggregate to first obtain a permit from their town planning board prior to excavation.

The new Clerk of the Planning Board, effective January 1, 1980, is Paola McCabe of Pike, New Hampshire. Her telephone number is 989-5938. You may contact her directly, or leave your messages at the Selectmen's Office.

The members of the Planning Board are: Richard Fabrizio, Chairman; William Hall, Secretary; Bernard Wolfe; Susan Leonard; Richard Kinder; and Robert Maccini.

HAVERHILL PLANNING BOARD

Patricia Wolfe, Clerk

December 31, 1979

### HAVERHILL MASTER PLAN

The Town of Haverhill, in its continuing role as an active supporting member of North Country Council, engaged that agency to provide professional planning assistance in developing a "Master Plan" for the community.

Staff Regional Planner, Mr. Ray Lobdell, from North Country Council was assigned to direct the planning effort. Additional arrangements were made by the Council to obtain Federal funding thus enabling the committment of two full time planning technicians to the project.

Appointees, Messrs.Bart Mann III, a native son and resident of Haverhill and Victor Holtzinger of Monroe, commenced work on the "Master Plan" 2 April 1979.

Attention was initially directed to the delineation of the geo-physical characteristics of the Town. Using soils maps supplied by the Soil Conservation Service, the total acreage of each soil type was determined and the distribution of same at the Town and Precinct level established.

Seperate maps were colorfully illustrated to reflect the many faceted characteristics of the Town's topographic features. The State Road Map for Haverhill was updated to reflect recent changes and an "over-theroad" survey was conducted for verification. Existing structures were identified as part of the survey.

A "Haverhill Master Planning" booth was set up at the North Haverhill Fair, 2nd through 5th of August. Several of the completed speciality maps were displayed as was examples of completed "Master Plans" of other communities. Planning personnel at the exhibit explained the planning process and distributed literature to the public.

Approximately 40 Haverhill residents enthusiastically responded to public announcements and invitations to accept an active role in the community planning process. A Citizens Advisory Committee was formed and presently are making significant contributions to the planning process.

The Citizens Advisory Committee assisted in the preparation and distribution of a Public Opinion Survey. This questionnaime was directed to Town residents and non-resident land owners alike. The results of this survey will be published and be made a part of the "Master Plan".

Presently, the Citizens Advisory Committe is divided into three groups to study and evaluate the data accumulated by an inventory of Haverhill's natural, community and human resources. From this digest of information goals and objectives will be determined for incorporation into the "Master Plan".

In closing, a generous thank you is extended to the resident and business community of Haverhill for the splendid cooperation in supplying data for the planning process and for the sincere participation in the Public Opinion Survey. Expressions of gratitude are also extended to the Town Officers and employees who are always courteous, ever generous and willing to contribute. To the active members of the Citizens Advisory Committee, your continued dedication is commendable and your accolades will be recorded on the pages of Haverhill's future.

A special note of thanks is extended to Bart Mann III whose technical expertise, coupled with a resident knowledge of Haverhill Town, was of immeasurable importance during the initial phase of planning.

Respectively submitted,

V. Holtzinger

### NORTH COUNTRY COUNCIL

In Haverhill, North Country Council is assisting the planning board and the Town in the development of a community master plan to help guide future growth and development in the Town. This will be an intensive project taking approximately 18 months to complete. Provided information on subdivision regulations and water supply. Assisted the Town, the North Haverhill Water Precinct, and the local development corporations in investigating the options for an industrial park. Attempting to identify viable options for the redevelopment of the abandoned hydro-site in Woodsville.

This past year of 1979 saw a mixture of planning and action for the North Country Council, Inc. Major contributions were made in rural and economic development, local planning, and transportation.

In rural development, the Council assisted approximately twenty-five communities in taking prositive steps on such concerns as housing, downtown revitalization, water supply and solid waste. The council has helped communities obtain needed housing resources. Working with appropriate state and federal agencies, the Council assisted targeted communities by preparing applications and by providing information so decisions can be made. In economic development, the Council assisted two communities with steps toward the creation of parks which will provide a necessary place for additional jobs. Energy development activities have encouraged the development of indigenous resources such as wood and hydro power. NCC has also been active in helping local companies with loan applications and business counseling, and in assisting a targeted community with a revolving loan fund. Additional business development services will be provided during the coming year to encourage

existing area and other in-state businesses to expand or locate so that more jobs can be provided in the North Country. An industrial brochure has been published which promotes the quality of life in the region and the resources available for small companies.

Local planning assistance, such as master planning, subdivision regulations, zoning, review of development proposals continues to be a major function of the Council. This activity will take on greater significance with the N.H. Supreme Court's emphasis on local master planning as a basis for local regulations.

Technical reports have been prepared on Mt. Washington Valley's Seasonal Population and on wetland evaluation and management. Brief and informative fact sheets on community investment strategies, land capability and wetlands are also available.

To advocate North Country transportation needs at the state and federal level, a Transportation Committee has been organized with representatives from different communities and transportation sectors.

The Council acts as a "regional spokesman" with membership on the Governor's Advisory Committee on Growth, the N.H. Environmental Law Clinic, and the State's Forestry Resources Committee. By sponsoring forums and conferences on growth in the forest industry, agricultural development, and regional land use, the Council has brought together people, ideas, and resources to generate appropriate solutions.

We believe that the Council has a program that can assist its rural communities in meeting the challenges and opportunities of the 1980s. The Board of Directors, the staff and the entire Council greatly appreciates the support your Town has provided in 1979 and over the last few years. Please call us at 823-8108 if the Council can be of service to your Town.

Respectfully submitted, NCC Representatives Karl T. Bruckner Paul LaMott We have had a quiet year here at Dean Memorial. Northern Air Inc. never resumed operations and their contract was terminated by the town. The runway lights are in operation, on demand, controlled by a switch in the big hangar. The Soil Conservation Service used the airport again this year as a base for aerial seeding of winter rye, to prevent erosion of the cornfields during the winter months.

This year it is planned to repair the hangar roof and complete the grading around the runway lights. The power cable from the switch to the lights is also to be placed underground to comply with regulations.

We did have an exciting 15 minutes in August when a student pilot on a cross country flight put out a distress call that he was lost and nearly out of fuel With the use of his radio and our base Unicom we directed him to a safe landing at our airport. An incident such as this, makes our airport seem worthwhile.

Robert Gibson Airport Manager Roland & Shirley McKean Authorized Representatives

NORTH HAVERHILL LIBRARY ASSOCIATION MEETING TO CONVENE INMEDIATELY FOLLOWING THE ADJOURNMENT OF THE NORTH HAVERHILL PRECINCT MEETING AT THE JAMES NORRILL ELEMENTARY SCHOOL IN NORTH HAVERHILL, NEW HAMPSHIRE ON March 13th, 1980. Richard R. Rutherford, Chairman Library Trustee

### A SHORT HISTORY ON MEALS ON WHEELS

The Haverhill Senior Meals on Wheels was started in 1974 by Marian McLean, who was a VISTA Volunteer at that time, for the New Hampshire Association for the Elderly.

An Article (by petition) was put in the Warrant in March of that year for \$5,000.00 of Revenue Sharing Funds to be used for meals for the elderly. That Article was passed.

A survey was made by Lillian Grew and Alma Granger for those persons eligible and for places to prepare the meals. Cottage Hospital prepared the meals which were then taken to the VFW Hall in North Haverhll and the finishing touches for the meals was done, they were driven to the participants. There are between 30 and 35 people each day scheduled for meals. One driver goes North to Woodsville and the other South in the Haverhills.

It is understood with all persons receiving meals that if they can afford it a donation should be given, but if they cannot afford it they shall be served regardless.

The people who work or have worked on the meals program at different times are:

Lillian Grew	Alma Granger
Colema Souard	Max & Pearl Robinson
Melvin Adams	Roland & Marion McLean
Florence Clough	Edith Henson
Daisy Clark	

The meals are delivered twice a week and mileage is paid to the person driving the cars to deliver the meals.

It would be quite a hardship to some of our elderly if we had to stop this project...We serve approximately 19 people in the Woodsville area, 6 in Haverhill, 9 in North Haverhill and 1 in Center Haverhill twice a week.

### COTTAGE HOSPITAL

The past year at Cottage Hospital marked several milestones that strengthened your community hospital. We began our seventy-fifth year with an operating budget designed to stabilize costs and improve the financial well-being of the hospital. From what we learned from our first budget we have corrected our mistakes and hope to do better this year. Our medical staff grew with the addition of our own surgeon. His service allows many surgical procedures to be done here rather than having the patient sent out of town and away from family and friends.

Last year the hospital treated 8,334 patients. Of this total 7,046 were treated as out-patients and 1,288 were admitted for treatment and care that required a stay of at least twenty-four hours. With our hospital serving communities of two adjoining states it is interesting to note that 58.2% of our patients come from New Hampshire and 41.8% from Vermont. Our service has no boundaries.

The Cottage Hospital has asked for community support in the past and we shall ask for your continued support this year and in the future. Your dollars do not go for salaries and supplies, however. OUr operating budget must provide these funds necessary to operate the facility. The requests to the towns are specifically for new and replacement equipment used in the diagnosis and treatment of patients. In our asking for your support we would ask that you recognize us for the important economic asset we are to the community.

This year \$1,131,323 will come into Cottage Hospital as federal revenue for Medicare services. This represents our tax dollars returning to our own community. The \$537,379 we receive from Blue

Cross and other insurance plans also represents a return of insurance premiums that we, our employers, have sent out of the community. These dollars return to the hospital and again re-enter our economy as wages and services purchased here. Very few industries are as efficient in recycling our dollars.

I look forward to the new year and the challenges of the 80's. I am confident that with your support and guidance Cottage Hospital will grow stronger, returning to the community better health care at a reasonable cost.

Sincerely, EDWARD A. LORANGER Administrator

### COTTAGE HOSPITAL VOLUNTEER AMBULANCE FINANCIAL REPORT

June 1, 1978 to June 1, 1979

Receipts		<u>Disbursements</u>
Cash on hand June 1, 1978	755.11	Ambulance Maintenance 4,806.25 Insurance, Registration, License 4,796.00

### Service for 1979

### Annual Report for 1979

North Country Home Health Agency provides services to people in their own homes who have health-related problems. Nursing visits are provided for the chronically ill, for care following hospitalization or for acute care in lieu of hospitalization. Physical Therapy and Speech Therapy are available to homebound patients. The Homemaker/Home Health Aides work with the nurses and therapists to assist with personal care, light housekeeping and meal preparation, and other health-related services aimed at keeping people independent in their own homes for as long as possible.

This year we added a program aimed at reducing child abuse through personal contact by Family Assistants with families which are not coping.

Our Public Health activities are aimed at prevention of disease, and include child immunization clinics, well-child conferences, handicapped children's clinics, adult health screenings and child dental screenings. Monthly well-child and immunization clinics are now held in both the Littleton and Haverhill areas, and three times a year in Lisbon and Lincoln. Health promotions for the assessment of problems and newborn visits to infants and mothers are also made. There is no charge for any of the clinics, health promotions or newborn visits.

North Country Home Health Agency serves 15 towns in 1200 square mile area. Its main office is 60 High Street, Littleton, and there are satellite offices in Lincoln and Woodsville.

Nursing Care	5,168	Visits
Physical Therapy	233	Visits
Speech Therapy	61	Visits
Social Work	9	Visits
Home Health Aide	4,534	Hours
Homemaker	3,902	Hours
Family Assistants	1,771	Hours
Newborns and Mothers	159	Visits
Health Promotions	507	Visits

### Clinics for 1979

Attended by:	155	

Services included to residents of Haverhill are: 878 Nursing Care visits; 33 Physical Therapy visits; 6 Speech Therapy visits; 957 Home Health Aide hours, 804 Homemaker hours; 111 Health Promotions and 31 Newborn visits. Residents may attend the clinics in any location.

### WHITE MOUNTAIN MENTAL HEALTH CENTER

### Director's Report

January - December, 1979

Enclosed in this report are facts and figures which reflect the activities of White Mountain Mental Health Center during the past year. Our request for Town Support is based primarily on our goal of maintaining service delivery at this level for the coming year. I hope you find this information useful.

### A. Clinical Activity:

- 1. Enrolled 355 clients (about 80% of which were new referrals). A total of 506 clients were counseled during the year, in 2,434 sessions.
- 2. Held numerous consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, attorneys, etc.) and organizations concerning those individuals they were attempting to serve.
- 3. Held educational and community information sessions with and for interested professional and lay persons in the region served by the Agency.

### B. Services Rendered:

- 1. A 24-hour, 7-day a week, on-call emergency service for problems that need immediate attention. A White Mountain Mental Health Center Staff Member is on-call at all times. During the year, there were approximately 400 emergency contacts, 60% of these occurring at night or on weekends.
- 2. A Case Management Program to provide more extensive care for those individuals

for whom individual therapy is not sufficient.

- 3. Outpatient counseling to area residents the major activity of the Clinic. The services offered include individual counseling, group therapy, family therapy, marital counseling, and play therapy (for children). The services are provided in Littleton and the three satellites located at the Cottage Hospital in Woodsville, at the Lin-Wood Medical Center in Lincoln, and at Weeks Memorial Hospital in Lancaster.
- 4. Intensive diagnostic and inpatient care in our local hospitals for those individuals experiencing an emotional problem.
- 5. Psychotropic medication. In certain cases, medication is used as an adjunct to other forms of therapy listed above. During the year, only 6% of our clients required medication.
- 6. Pre-admission screening and aftercare services for patients entering and leaving the New Hampshire Hospital, in Concord.
- 7. Social, phychological and psychiatric evaluation and/or testing for schools, courts, and State Vocational Rehabilitation services.
- 8. Psychiatric consultation to physicians and to hospital staffs serving patients hospitalized in our local general hospitals; mental health consultation to the District Court, school system, police, Headstart, public nurses, and the Welfare Department.

- 9. Sponsorship of T.E.M.P.O., a sheltered workshop for develop-mentally disabled persons between the ages of 15 and 65, now serving 24 individuals. This Program provides job skills training, through contracts obtained from local business and industry. This Program offers a comprehensive program of skills training to individuals with various needs and levels skill.
- 10. Specialized clinical services for the elderly.
- 11. Specialized clinical programming for post-New Hampshire Hospital patients by the on-site location of a State Hospital employee, for follow-up purposes.
- 2. Contractual participation with Burch house, a halfway house facility used as an alternative to inpatient hospitalization.
- 13. Participation with P.A.D.A. (Program on Alcohol and Drug Abuse) to maintain joint programs so as to strengthen services to alcoholics.

White Mountain Mental Health Center is approved as a comprehensive mental health center by the Northern New Hampshire Mental Health Center, Inc., and is a Member Clinic of said Organization. White Mountain Mental Health is affiliated with the New Hampshire Association of Community Mental Health Clinics, New Hampshire Health and Welfare Council, the Association of Mental Health Administrators, and the New Hampshire Association of Mental Health

This non-profit Agency is governed by a 25-person Area Council of local citizens, and a 12-member Regional Board of Directors of the Northern New Hampshire Mental Health Center. Local elections are held each year at the time of the Agency's Annual Meeting (in May). All money voted or contributed to White Mountain Mental Health Center is used to support local needs. This agency serves 22 towns, with a resident population of 25,775.

Milton T. Bratz, Ph.D. Area Director

### GRAFTON COUNTY

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Last year (1978-79) the total county tax raised was \$1,977,142. These monies were appropriated by the County Delegation and administered by the Commissioners. Some of the ways this money was spent was in maintenance of our courthouse, nursing home, county farm, sheriff's department, jail and house of correction, social welfare, etc.

The average number of patients in our nursing home is 140. The average daily census of the Jail/House of Correction is 25. We had a total of 349 inmates in the Jail and 114 inmates in the House of Correction during our fiscal year.

In addition to providing good for the nursing home complex and agricultural services for the community, the farm also continually shows a profit. In our fiscal year 1979 the farm profit was \$60,654, due in part to sales of pigs at \$5,500, cows at \$27,000, wood at \$1,800, hay at \$2,100, milk at \$135,444 and produce at \$48,129.

We have completed Phase II-Design of the sewage project and anticipate beginning construction under Phase III in the spring. The total overall cost of the project is approximately \$540,000, of which \$400,000 is federal grant, \$110,000 State share and \$30,000 County share.

We are making an effort to conserve energy, particularly in the courthouse building, and are taking a hard look at any modifications in this so called "modern" facility that will make it a less expensive consumer of fuel.

A trial dispatching service was instituted for 16 area fire departments and probably will be made a permanent function during the latter part of 1979. A yearly fee is charged for this service.

Grafton County employs 230 people of whom we are very proud. It is because of these people that Grafton County continues to operate efficiently and within budget.

There are many other concerns that we, the Commissioners deal with. We invite the citizens of Grafton County to take part in any of our regular meetings held each Monday morning at the courthouse in North Haverhill.

Richard L. Bradley, Chairman Dorothy Campion, Clerk Arthur Snell

### REPORT TO TOWNS

### REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to apppoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municiple forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

### TO THE RESIDENTS OF THE TOWN OF HAVERHILL:

As your Fire Warden, I wish to express my sincere thanks to all of you for your cooperation and understanding. Your efforts to understand and uphold the permit laws in the Town of Haverhill, have resulted in very little damage or loss to the town from forest and grass fires in the past few years.

To all the fire departments in town, and the men who work so hard to keep them active, I wish to express my thanks for all the help and cooperation they have given the town. It seems they never get thanked enough publicly.

To Capp Moses, who has been writing fire permits in the Haverhill area for the last 13 years, and who has recently retired, we wish him well, and a heartfelt "thanks" from all of us in the Fire Service.

Lastly, I cannot emphasize enough how important the support of the citizens is to your local fire departments. They need and deserve it to maintain the high level of professionalism which is their standard.

### 1979 Forest Fire Statistics

	No. of Fires	No. of Acres
State	1,099	318
District	21	16.4
Town	4	3 <sup>1</sup> 2
Dist. Fire Chief John Q. Ricard		Forest Fire Warden Norman Demers

To the Inhabitants of Haverhill:

The year 1979 was another busy one for us with 48 runs. It seems we can't get through the year without at least one major fire. This year it was Carroll Hastings' barn. Only a good effort by several members of Twin State Mutual Aid saved the house from involvement. Although the surrounding areas have been plagued heavily by them, we have had very few chimney fires. We hope we can attribute this to safe installations and caution by people using wood stoves. We commend and caution them because we feel the insurance companies are about to step in and make it difficult for people to obtain insurance if wood stoves are used.

Our big project this year has been the remodeling of our upstairs meeting room. We have taken the old walls down, insulated, put new walls back up, installed a new kitchen and new wiring. We hope to complete it by spring and then have an open house to allow the public to view our efforts.

Our hope for the coming year is to find a better chassis for a tanker and use the present chassis for our reel. We are also going to ask the voters to approve funds for a used aerial ladder. We realize this is a big step, however with the start up of the Opera Block project and the possibility of increased chimney fires we feel there is a real need for this apparatus. We also feel that if we can find this truck we can eliminate our van thereby not increasing the numbers of apparatus we have. As best we can ascertain, this truck would cost approximately \$10,000. We would be willing to help and be glad to start a public fund raising effort to take some of the burden

off the taxpayers.

Again as in the past, I would like to thank the Haverhill Police Department for their cooperation in traffic control. This is a continuing problem with people chasing the fire apparatus and blocking roads. As in the past, we would like to offer anyone who wants to go to fires a chance to ride on the apparatus as a member.

The runs for 1979 are as follows:

Structure	17
Chimney	8
Smoke Investigations	6
Bomb Scares	2
Stand-by	5
Other	9
Wrong town toned	1
=	48

### WOODSVILLE FIRE DISTRICT

Warrant for Annual Meeting 1980

To the inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton and State of New Hampshire qualified to vote on said District affairs:

You are hereby notified to meet at the Community Building on High Street in said District at thirty minutes past seven in the evening on Tuesday March 18th, to act on the following matters:

Article 1. To choose a Moderator.

Article 2. To choose a Clerk.

Article 3. To choose a Treasurer.

Article 4. To choose an Auditor.

Article 5. To choose one (1) Library

Trustee for the ensuing year.

Article 6. To choose one (1) District Commissioner for a term of three (3) years.

Article 7. To choose one (1) District

Commissioner for a term of one (1) year.

Article 8. To choose one (1) Water 8 Light Department Commissioner for a term of three (3) years.

Article 9. To choose one (1) member of the Recreation Committee for a term of five (5) years.

. Article 10. To hear the reports of the officers heretofore chosen and to pass any

vote relating thereto.

Article 11. To see if the District will vote to raise and appropriate a sum of money for the purchase of a used aerial ladder for the Fire Department, such funds to be raised by serial notes or bonds, and to authorize the District Commissioners to expend such funds.

Article 12. To see if the District will vote to direct the Water & Light Department Commissioners to turn over to the District a certain sum of money to help meet the expenses of the District.

Article 13. To raise and appropriate such sums as may be necessary for the coming year, including the Fire Department.

Article 14. To hear a report of the Commissioners relative to the Sewage Treatment Plant.

### 1979 COMMUNITY RECREATION REPORT

The 1979 Woodsville Community Recreation program began in January with the Little

League Boys Basketball program.

Four teams were organized, and a round-robin type of schedule was conducted. McAllister's Gems, coached by Alan Page, won the playoffs and were declared champions. Over 40 boys between the ages of 9-13 participated in the program.

The Summer Recreation program commenced with Babe Ruth baseball under the direction

of Tim Whalen.

The Woodsville entry in the TRIANGLE League faired quite well finishing second behind Bradford and eventually placing several players on the All-Star team and competing in the State Babe Ruth Playoffs.

A very successful 1979 Little League baseball program was conducted. Bruce Labs acted as coordinator. Games were played on an exhibition basis with an all-star team from Lisbon. This was an addition to regularly scheduled games. An all-star team was selected and it participated in the Lyndonville boys baseball tournament.

T-Ball was conducted again for both boys and girls ages 7-9. This league was instrumental in developing players for the regular little league baseball program.

Summer basketball was again conducted, and the Woodsville entry competed with Blue Mountain High School in several regularly scheduled contests.

The 1979 Youth Recreation program commenced in July and had good attendance. A regular schedule of events was conducted and visitations with the Littleton youth program were held.

Pet shows, bicycle rodeos, doll fashion shows and crafts highlighted the program which lost very little time to rain. Red Cross swimming instruction was conducted at the A.P. Hill Community Swimming Pool. Water Safety instructor Sharon Brown was swimming director. She was assisted by Randy Slayton, Teresa Bagonzi, Bernie Fraser, Laurianne Boyce and Karen Gale.

The Field Meet and Swim Meet highlighted closing activities and many trophies, ribbons, and certificates were awarded.

The community swimming pool, a part of the summer recreation program, was open from June to September. Swimming hours were 1-5 p.m. and 6-8 p.m.

I would like to express my sincere appreciation to those people who helped me during and after my unusual summer injury and filled in and kept things running. I especially want to thank Randy Slayton for his fine work in leading the Y.R. morning program.

I would also like to thank the organizations who have made contributions to the program, especially the Cohase Lions Club who have generously donated a sum of money for the renovating of the basketball court.

I would like to thank the precinct commissioners and recreation committee members for their interest and support. And again, I should like to commend our treasurer, Thelma Strobridge, for her superb management of the program's finances.

Respectfully submitted, JOHN BAGONZI Recreation Director

### WATER AND LIGHT DEPARTMENT (Woodsville Fire District)

INFORMATIVE MESSAGE TO THE VOTERS OF WOODSVILLE FIRE DISTRICT:

Enclosed is a copy of a letter from Hoyle, Tanner & Associates, Inc., engineers for the Hydroelectric study. This letter will bring you to the current status of this study.

Also enclosed is a copy of a letter from Dufresne-Henry, engineering firm which is self-explanatory.

We have recently purchased a Burrows Computer system, which will now enable us to do our own billing again and in hopes of being of some service to other town departments in the future. We also hope to be able to render a more detailed report in the future.

WATER & LIGHT COMMISSIONERS

Carlisle Griffin Herman Pudvah C. Lincoln Butson

### HOYLE, TANNER & ASSOCIATES, INC.

Regarding: STATUS OF HYDROELECTRIC STUDY

This letter will briefly summarize actions taken to determine whether or not it is economically feasible to redevelop the Woodsville hydroelectric facilities.

From a brief inspection of the dam and power station made in December 1979, it appears that a feasible retrofit of the power station may be accomplished by extending the station structure and installing two tube-type turbine units. Automatic operational control and emergency shut down, available in current tube-type models, can result in lower manpower costs. Whether this method of redevelopment would be feasible, and whether it would be more feasible than refitting the existing station will require investigation.

Assuming some head loss due to backwater, we have approximated an average annual output of 2,500,000 KWH. This is somewhat higher than output in the past. It may be obtainable with units sized so that a smaller unit could remain in operation at lower River flow, and with measures to reduce ice problems on the trash racks.

We have completed the application for a U.S. Department of Energy Feasibility Study Loan for which we have been retained. This appears to be the most reasonable course of action as the loan is cancelled if study proves redevelopment is not economically feasible. The study will take into account the long range feasibility of redeveloping and operating this hydroelectric site in comparison with the projected increases in fuel adjustment charge for power purchased from a combined nuclear-fossil generating mix.

Respectfully submitted, HOYLE, TANNER & ASSOCIATES, INC. David Thomas, P.E.

### WILD AMMONOOSUC PROJECT

During the coming year the Board of Commissioners intends to take steps to improve the quality of Woodsville's water supply and still maintain the economical method of conducting the water to its customers.

Our engineers, Dufresne-Henry, have obtained approval from the New Hampshire Water Supply and Pollution Control Commission for the construction of an infiltration gallery in the Wild Ammonoosuc River, the source of our water supply.

The project will consist of excavating a trench in the river bed at a location about 1000 feet upstream from the present intake, where at least 5 feet of overburden above bedrock exists. A perforated pipe will be placed in the trench and be surrounded with gravel. A special filter fabric will be placed over the gravel and the remainder of the trench will be filled with special filter sand.

The perforated pipe will terminate in a collectorwell at the river's edge. From the well a water main will be laid along the river, down to the existing supply pipe at or near the present intake structure where it will be connected with the necessary valves and fittings.

The magnitude of the project will depend on the expected rate of filtration through the filter media. To be feasible, the yield of the infiltration gallery must provide at least 500 gallons per minute and this may require several parallel pipe trenches so as to intercept as much of the river flow as possible.

The work will be accomplished by Department personnel who will first conduct preliminary tests to investigate the optimum or most suitable location for the project. These tests will be governed by the ability of our excavating equipment to do the work.

The material costs, because of the nature of the project, are difficult to determine until the preliminary tests are performed. For this reason we have set a budget figure of \$30,000 and hope that the final project will stay within this amount.

### WARRANT FOR ANNUAL MEETING OF NORTH HAVERHILL WATER DISTRICT

To the inhabitants of the North Haverhill Water & Light District in the town of Haverhill, N.H., qualified to vote in District affairs:

You are hereby notified to meet in the North Haverhill Morrill Elementary School, Thursday, March 13, 1980 at 7:30 in the evening, to act on the following matters:

- Article 1. To choose a Moderator for the ensuing year.
- Article 2. To choose a Clerk for the ensuing year.
- Article 3. To choose a Treasurer for the ensuing year.
- Article 4. To choose a Commissioner for the term of three (3) years.
- Article 5. To choose an Auditor for the ensuing year.
- Article 6. To raise and appropriate such sums of money as may be deemed necessary for the ensuing year for new equipment and for maintenance of the Fire Department and for street lights, and sidewalks of the District.
- Article 7. To see if the voters of the District will accept the water rates as proposed by the committee.

- Article 8. To see if the District will vote to authorize the Commissioners to borrow money to provide for current expense or for an emergency until taxes are collected and give notes for the same.
- Article 9. To see if the District will vote to authorize the Commissioners to place surplus money, if some exists, into trust funds.
- Apricle 10. To act on any water customers outside the District.
- Article 11. To see if the District will vote to authorize the Commissioners to seek and accept any grants or funds available for water works improvements.
- Article 12. To see if the District will vote to authorize the purchase of a new fire truck cab and chassis.

  The amount not to exceed \$14,000.00 and to be financed not more than 10 years.
- Article 13. To act on the following proposed changes to the By-Laws of the District: Article 8 Section E change percent of interest to 12% so article would read E. For new main or extension, the customer or customer group will be required to pay the cost of such main, plus interest at the rate of twelve (12) per cent per annum, within ten (10)

years from the date of completion of such extension. This agreement must be accepted by the Commissioners prior to starting of said construction.

Article 10. add the following: A twenty-give (25) dollar charge may be levied for other use of hydrants.

Article 14. Change \$5.00 to \$7.50 in line one and \$5.00 to \$10.00 in Line 2 so it would read:

\$7.50 fine will be charged for delinquent water bills of over 45 days.

Article 14. To see if the District will vote to send children to Woodsville Youth Recreation Program and pay costs related thereto.

Article 15. To transact any other business proper to come before this meeting.

DISTRICT COMMISSIONERS ROBERT RUTHERFORD FRANCIS A. STODDARD BARRY BIGELOW

### ANNUAL REPORT OF THE NORTH HAVERHILL FIRE DEPARTMENT

To the residents of the precinct of North Haverhill.

In a continuing effort to improve the fire department and to keep you abreast of our activities, I am pleased to file this report. During the past year many things have happened in the fire department. First and foremost, the station has been fully insulated, combination windows put on, painted, and the water entrance fixed. Also, the firemen, themselves, paid to tar the driveway. Regretfully, though, this has caused the department to be over on its budget. But, the amount over budget is roughly the same amount as you as taxpayers would have had to pay as a payment on the loan for the addition which was not built.

The addition to the fire station which you voted to build at last years precinct meeting was not built because of cost. It would have cost about \$5,000.00 more than was authorized to spend.

The department is proud to have continued to run Little League in town and to have delivered food baskets at Christmas. Our thanks to all the others who have helped sponsor these two projects.

Our annual banquet this year was a huge success, mainly because we invited former, as well as, existing firemen and their wives. Plans have already been made to repeat this event for 1980.

The department wishes to thank the residents of North Haverhill, and the entire town, for your encourgement and support in 1979. I would like to thank the members of the department for the dedication and help that they gave me during this, my first year as chief.

### MOUNTAIN LAKES DISTRICT

ANNUAL MEETING

March 17, 1979

The 1979 Annual Meeting of the Mountain Lakes District was called to order at the District Building on March 17, 1979 at 7:00 P.M. by the Moderator, William Hall. Mr. Hall proceeded with the reading of the Warrant.

Article 1. To elect the following District officers: One Commissioner for a term of three years, One Commissioner for a term of one year. A Treasurer for a term of one year, a District Clerk for a term of one year, a District Moderator for a term of one year, and such other District Officers as may be required by law.

The Moderator called for nominations for one Commissioner for a term of three years. The names of Jerry Johnson, Kathie DeBaise, and Rick Sierpina were placed in nomination. After balloting, the Moderator announced that twenty five (25) votes had been case for Jerry Johnson, fourteen (14) for Rick Sierpina, and one (1) for Kathie DeBaise. Jerry Johnson was declared elected.

Nominations were called for one Commissioner for a term of one year. The names of Kathie DeBaise, Rick Sierpina, and Dick Spicer were placed in nomination. The results of the balloting were read as follows: twenty two (22) for Kathie DeBaise, eleven (11) for Rick Sierpina, and eight (8) for Dick Spicer, Kathie DeBaise was declared elected. Nominations were called for District Treasurer, a term of one year. Nominations were closed after the name of Vernona Wallace had been placed in nomination. The clerk was directed to cast one ballot for Mrs. Wallace. Upon doing so, it was declared that Vernona Wallace was elected District Treasurer for a term of one year.

The Moderator called for nominations for the office of District Clerk, term of one year. The names of Georgia O'Brien and Cindy Hudson were placed in nomination. Results of the balloting were thirty one (31) for Georgia O'Brien, and twelve (12) for Cindy Hudson. Georgia O'Brien was declared elected.

Nominations for Moderator, term of one year, were called for. The names of William Hall and Mabel Billings were placed in nomination. The ballot results were: thirty (30) for William Hall, and thirteen (13) for Mabel Billings. Mr. Hall was declared elected.

The oath of office was then administered by Attorney L. Gardner, Justice of the Peace, to all the duly elected officers of the District.

Article II. To see if the District will vote to incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefore in conformity with the New Hampshire Municipal Finance Act, RSA Chapter 33.

Mabel Billings moved the article be adopted as read. Jerry Johnson seconded the motion, and it was so voted.

Article III. To see what sum the District will appropriate to pay the expenses of the District during the 1979 fiscal year for the purpose set forth in the District budget.

Annemarie Godston moved that the budget be adopted as printed. Vernona Wallace seconded the motion. The budget was then discussed at length with Jerry Johnson offering explanations of budget items as they were conceived by the budget committee and discussed at the budget hearing. Attorney Gardner explained the legal item on the budget. There was some carryover of monies from 1978 and these would be used to reduce the total budget figure to read fifty three thousand eight hundred sixty five dollars and eighty nine cents, (\$53,865.89). Constance Kelleher made a motion to vote the article, this was seconded by Annemarie Godston. The vote was twenty six (26) affirmative, thirteen (13) negative, with three (3) abstaining. The budget was so adopted.

Article IV. To transact any other business that may legally be brought before the District meeting.

Mr. Hall recognized Jim Dockham, who discussed the inclusion of Mountain Lakes residents who actually live in the town of Bath, as to precinct taxes or at least the payment of a recreation fee. He was instructed to consult with the Selectmen of both towns as to their feelings and the legal aspects of these residents voting in the District and paying District taxes.

Barbara Dockham spoke of the differing groups of Mountain Lakes residents and their goals for the District in the future. She suggested a committee made up of volunteers from all groups to discuss future plans. This idea was given unanimous support.

A motion was made at 9:25 P.M. by Walter Keane, seconded by John Manter, and it was voted to adjourn.

Respectfully submitted,
GEORGIA R. O'BRIEN, Clerk

### MOUNTAIN LAKES DISTRICT WARRANT FOR ANNUAL DISTRICT MEETING

To the voters of the Mountain Lakes District located in the Town of Haverhill, New Hampshire who are qualified to vote in District affairs.

Take Notice and Be Warned: That the annual District Meeting of the Mountain Lakes District of Haverhill, New Hampshire will be held on Saturday, March 15th, 1980 at 7:00 p.m. at the Ski Lodge Building in the Mountain Lakes District to act upon the following subjects:

- I. To elect the following District officers: One Commissioner for the term of three years. A Treasurer for a term of one year. A District Clerk for a term of one year. A District Moderator for a term of one year. And such other District officers as may be required by law.
- II. To see if the District will vote to incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefore in conformity with the New Hampshire Municipal Finance Act, RSA Chapter 33.
- III. To see what sum the District will appropriate to pay expenses of the District during the 1980 fiscal year for the purposes set forth in the District budget.
- IV. To transact any other business that may legally be brought before the District meeting.

Given under our hands and seals this day of March, 1980.

District Commissioners:

JERRY JOHNSON
JAMES DOCKHAM
KATHIE DEBAISE
(Articles may be added or amended up to time official warrant is posted.)

### MOUNTAIN LAKES DISTRICT REPORT OF THE COMMISSIONERS

To the voters and Taxpayers of Mountain Lakes District:

At the Annual Meeting, March 18th, the elected Commissioners were Ms. Kathie DeBaise and Mr. Jerry Johnson for one and three years respectively. They had been appointed in the summer of 1978 to fill the positions vacated by Roger Knauth & Walter Keane when they resigned in order to get the Monteau Ski Area on its feet by the 1978-1979 season.

After the Philions' resignation during the winter of 1979 Dianne Lutz Rappa was hired to take over as Administrative Assistant.

Ms. Rappa's familiarity with the area, having lived and worked here for three years, lent an added insight toward the improvements that took place and the overall communication between the Town & District, contributing to the stability of the Mountain Lakes District.

The District Office was moved from the "hubbub" of the Monteau Ski Lodge to the newly renovated Community Center, making that once again an active center for the summer recreation program and visitors throughout the year.

With the financial help of the Mountain Lakes Association and Ms. Rappa's recreational background, the James P. Hall Recreation Site was completed to enhance the summer fun with its unique playground gym set, volleyball, badminton, and horseshoe areas. Tennis and

swimming lessons, folsksing circles, Monteau lunch hikes, exercise classes, movies, fishing and spontaneous get-togethers were part of the extensive ten week summer program.

Special event holidays featured the Misicale Caravan from UNH, fireworks, a square dance, tennis tournaments, an international breakfast, family softball games; a corn cob and wiener roast, organized youth games and a dance party.

Monteau Ski Area, Inc., which is owned and operated by William Hall, Roger Knauth, Walter Keane and their families is a private enterprise within Mountain Lakes District and is open to the public. Monteau opened for its first season with downhill and cross country skiing, citizen races and special cross country events. The night skiing and the friendly atmosphere of the lounge added a new dimension to the District.

After extensive work around the Community Center/District Office to avoid flooding due to washouts and installing a culvert, the Town accepted our petition to service four more roads in the District. With these improvements the District is one step closer to providing the services promised by the original developers.

A dry fire hydrant installed across from the District will be followed in the ensuing years by two others to help local fire departments in their fire protection in the District. The release to the Town of \$17,500 in escrow funds designated for the Crestfield Section was accomplished in the last quarter of 1979.

The Management Committee, composed of members of the Mountain Lakes Community Association, was given the legal authority to enforce the Mountain Lakes covenants and easements. The litigations involving the Mountain Springs Water Company will continue in 1980.

This past year has seen a number of improvements in the District and we look confidently to the years ahead for additional improvements to be made.

Respectively submitted,

Jerry Johnson Kathie DeBaise Jim Dockham

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Commissioners Mountain Lakes District P.O. Box 19 Woodsville, N.H. 03785

Members of the Board:

Submitted herewith is the report of an examination of the financial statements of the Mountain Lakes District for the years ended December 31, 1978 and 1977 which was made by this Division in accordance with the provisions of RSA 71-A:20.

One of the enclosed audits must be given to the District Clerk for retention as part of the District's permanent records.

### FINANCIAL STATEMENTS

Analysis of Changes in General Fund Balance:

On a budgetary basis, the changes in general fund balance are summarized as follows:

### Year ended December 31, 1977

Excess of Appropirations over Expenditures

9,310

Excess of Actual Over Estimated Revenues

3,068

Net Increase

\$ 12,378

### Year Ended December 31, 1978

Excess of Actual Over Estimated Revenues	\$ 288
Excess of Expenditures Over Appropriations	25
	\$ 263
Fund Balance Used to Decrease District Assessment	(11,396)
Net Decrease	(\$11,133)

### GENERAL COMMENTS

### C.E.T.A. Funds:

Federal C.E.T.A. Funds in the amount of \$4,499 were received and disbursed during the year 1978, but was not included in the 1978 annual District budget. All expenditures, irregardless of source should be incorporated in the annual budget.

### Inventory of Fixed Assets:

As is the practice with many New Hampshire precincts, the District has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets, we recommend the District conduct an inventory of these assets as soon as is practical. As part of their long-term policies, District Officials should initiate fixed asset records. Cost or consideration given is the generally accepted method of valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost in unavailable for existing fixed assets, an estimate of original cost is an acceptable standard under accounting principals for governmental entities. The existence of fixed asset records will not only aid District Officials in their control of these assets, but should be an invaluable tool in long range planning.

### Conclusion:

The provisions of Chapter 71-A, Section 20, require that the Auditor's summary of findings and recommendations shall be published in the next annual report of the District. Publication of the Exhibits contained in this audit letter, however, must be published in its entirety.

We extend our thanks to the officials and employees of the Mountain Lakes District for their assistance during the course of the audit.

MUNICIPAL SERVICES DIVISION DEPARTMENT OF REVENUE ADMINISTRATION

### PRECINCT OF HAVERHILL CORNER 1979 ANNUAL MEETING

The Annual Meeting of the Precinct of Haverhill Corner was called to order at the Parish House in Haverhill Corner on March 14, 1979 at 7:30 P.M. by Moderator Karl T. Bruckner.

The Moderator announced that under Article 1 of the Warrant, the election of a Moderator for the coming year was in order. Karl T. Bruckner was nominated by Stuart Pompian and seconded by Henry Fogarty. Karl T. Bruckner was the only person nominated for this office and having a majority of the ballots cast, was declared elected.

Under Article 2 Sue Bruckner was nominated for Clerk by Nancy Pompian and seconded by Jan Holden, and having a majority of the ballots cast was declared elected.

Under Article 3 it was moved by Stuart Pompian and seconded by Bill Andrews that the report of the Treasurer and other agents be accepted as printed in the Town Report. It was voted unanimously to accept the reports.

Under Article 4 Bob Smith nominated and Buzz Page seconded Earl Aremburg for the three year term as Precinct Commissioner. Earl Aremburg was the only person nominated for this office and having a majority of ballots cast was declared elected.

Under Article 5 Stewart Holden was nominated for Treasurer by Charles Ford and seconded by Mary Ford. Stewart Holden the only person nominated and having a majority of ballots cast, was declared elected.

Under Article 6 James Barber was nominated for Auditor by Jan Holden and seconded by Mary Ford. James Barber having a majority of ballots cast was declared elected.

The oath of office was administered to all the above persons with the exception of James Barber, who was not present.

Under Article 7 is was moved by Dr. Frechette and seconded by Tony Smith that a six-inch cast iron pipeline be installed from the Spring Lots to the reservoirs at a cost not to exceed \$70,000.00. After an explanation by Precinct Commissioner Bob Smith as to reasons for the new line and the merits of cast iron pipe over plastic, the motion was unanimously approved.

Under Article 8 Paul Hunt moved that we borrow \$70,000.00 at 5% for forty (40) years from FHA, seconded by Tony Smith. After some discussion about the possibilities that this would limit the commissioners ability to borrow at the cheapest rate, Paul Hunt amended the motion to read "or anywhere else the Commissioners could get the lowest rate possible for the longest term". The amendment was seconded by Buzz Page and was voted unanimously. The motion was amended to read: that the Commissioners be authorized to borrow \$70,000.00 at 5% for forty (40) years from FHA or anywhere else the Commissioners could get the lowest rate for the longest term was unanimously approved.

Under Article 9 it was moved by Dr. Frechette that the Commissioners raise water rates by the percentage necessary to cover the costs of the loan to become effective April 1, 1979. It was seconded by Paul Hunt. There was some discussion as to other sources of money and/or grants, but the motion was unanimously approved.

Earl Aremburg moved that Article 10 be adopted, Tony Smith seconded it. Bob Smith moved that Article 10 be amended to read:

To see if the Precinct will vote to raise and appropriate a sum not to exceed forty throusand dollars (\$40,000.00) for the purpose of preparing a facilities plan on sewage which is a requirement contained in the Federal Water Pollution Control Act, as amended by 33 U.S.C., Sec. 1251 et seq., and will qualify the Precinct for Federal funds, such sum to be generated as follows:

(1) Thirty thousand dollars (\$30,000.00) to be provided by the Federal Government under the Financial

Assistance Program of the Construction Grants Section of the Federal Water Pollution Control Act as amended by 33 U.S.C., Section 1251 et seq., and pass any vote relating thereto.

Buzz Page seconded the motion. The motion to amend passed by unanimous voice vote.

It was moved and seconded and unanimously voted that on the main motion be by ballot. Earl Aremburg said that a 2/3 vote was needed.

The Moderator declared the vote would be by ballot. The ballots showed 46-yes and 28-no. The Moderator declared that 74 votes had been cast, 46 were necessary for the 2/3, that 46 had been cast affirmatively and that the motion was passed (my arithmetic tells me that 2/3 of 74 is 49 1/3 and that 50 votes were needed).

It was moved by Nancy Pompian and seconded by Ruth Fogarty that we pass over Article 11. It was voted unanimously that we do so.

Under Article 12 it was moved by Louis Pike and seconded by Joe Lavoie that the precinct install one street light in the proximity of the Nowell Brown residence on dark Route 25. It was unanimously voted to do so. Paul Hunt said that he had an extra street light in front of his residence that he would give the corner.

Under Article 13 it was moved by Buzz Page and seconded by Charles Ford that the Commissioners be authorized to borrow money and to provide for current expenses or for emergencies until taxes are collected and to give notes for the same. The motion was unanimously approved.

It was moved by Doctor Laurel Lyons and seconded by Roger Warren that the Village appropriate the sum of \$23,220.00, of which \$7,220.00 was to be raised by taxes.

Paul Hunt moved that we amend the budget by taking \$2,000.00 from the street light expenses and putting it in a reserve for a new fire truck. Tony Smith seconded the motion. Paul Hunt then explained

that the tank truck was of 1948 vintage and that there were serious problems with the foundation of the fire house, causing the front of the building to slowly lean west. It was his feeling that we needed to put aside \$2,000.00 this year and \$4,000.00 next year (when the present fire truck is paid for) and to accumulate a fund for the needed repair of the fire house and eventual replacement of the tanker.

Stewart Holden said he believed we should wait until the note on the present fire truck was paid off in one or two years and then put that same amount in a reserve.

The amendment was defeated by a voice vote.

Paul Hunt made a motion to amend Article 10 by increasing the budget \$2,000.00 for a reserve fund for a new fire truck. The motion was seconded by Tony Smith. The amendment was defeated. The main motion carried by unanimous vote.

Under Article 15 Edith Celley moved and Earl Aremburg seconded the following resolution:

Resolved: That it be brought to the attention of the Haverhill Cooperative School Board that the cupola on Alumni Hall is in sad repair, that the members of the precinct feel that a part of their heritage has been neglected and that they wish to direct the School Board's attention to this fact, and that the Clerk be instructed to send a copy of this resolution to the School Board.

It was unanimously voted to do so.

Paul Hunt moved that eligible precinct employees be provided with Workmen's Compensation coverage by participating in the N.H. Municipal Association's Self-funded Workers Compensation Program. Seconded by Tony Smith. The motion was voted unanimously.

It was moved by Dr. Frechette and seconded by Jan Holden that the meeting be adjourned. Upon an affirmative vote, the Moderator adjourned the meeting at 9:30 P.M.

### WARRANT FOR ANNUAL MEETING

To the inhabitants of the Precinct of Haverhill Corner, in said Haverhill, who are qualified to vote in District affairs:

You are hereby notified to meet in the Chapel, in said Precinct, on Wednesday, March 20th, 1980 at 7:30 o'clock in the evening to act upon the following articles:

- Article 1: To elect a Moderator for the term of one year.
- Article 2: To elect a Clerk for the term of one year.
- <u>Article 3</u>: To hear the report of the Treasurer and other agents.
- Article 4: To elect one Precinct Commissioner for the term of three years.
- Article 5: To elect a Treasurer for the term of one year.
- Article 6: To elect an Auditor for the term of one year.
- Article 7: Vote to raise the salaries of the Treasurer and the Fire Chief by one hundred (\$100.00) dollars.
- Article 8: To raise by taxation fifteen hundred (\$1,500.00) dollars to Capital Reserve for a fire truck fund.

- Article 9: To see if the voters will vote to give the Fair Association water for their new fairgrounds, at an annual rate of five hundred (\$500.00) dollars.
- Article 10: Vote to authorize the Precinct Commissioners to borrow money to provide for current expenses, or for emergency, until the taxes are collected and to give note for same.
- Article 11: To raise such sums of money for the ensuing year as printed in the budget.
- Article 12: To transact any other business proper to come before this meeting.

Aldrich General Store, No. Haverhill
Mann's Drug Store, Woodsville
Office of Superintendent of Schools
Municipal Building, Woodsville

### HAVERHILL COOPERATIVE SCHOOL DISTRICT

Notice of Time Limit for Filing Candidacies for School Board Member and Moderator of the Haverhill Cooperative School District

The undersigned Clerk of this School District herewith gives notice of the time limit for filing declarations of candidacy from this School District for election to the office of School Board Member and Moderator of the Haverhill Cooperative School District.

The election will occur during the Annual Meeting called to convene at the James R. Morrill Elementary School, North Haverhill, New Hampshire, on March 19, 1980 at 10:00 o'clock in the forenoon and to close not earlier than 7:00 o'clock in the afternoon, and will be conducted under the non-partisan ballot law, each pre-existing district voting separately.

The School District is entitled to elect the following at that time:

- 1 Moderator, for term expiring in 1981
- 1 School Board Member from the pre-existing district of Haverhill for term expiring in 1983
- 1 School Board Member from the pre-existing district of Woodsville for term expiring in 1983
- I School Board Member-at-Large for term expiring in 1983

Written declarations of candidacy must be filed with the undersigned prior to 5:00 o'clock on February 18, 1980 in order for the name of the candidate to appear on the ballot. Forms may be obtained from the undersigned Clerk. Filing fee is \$1.00.

No person may file a declaration of candidacy for more than one position on the School Board to be elected at such election. Any qualified voter of this School District is eligible to file with the undersigned.

Absentee ballots may be applied for after February 4, 1980.

Mary Ashley
Clerk of the Haverhill
Cooperative School District

### MINUTES - 1979 MEETING

James R. Morrill Elementary School North Haverhill, N. H., March 27, 1979

Alan Page 1980 Stephan A. Elliott 1982
Peter Kimball 1982 Charles A. Wood 1980
Archie Steenburgh 1981 C. Thomas Chase 1981
Member-at-Large, James Walker, Jr. 1980

Pursuant to the warrant, the meeting convened at the gymnasium of the James R. Morrill Elementary School, in the Town of Haverhill, N. H., on the twenty-seventh day of March, 1979, at ten o'clock in the forenoon.

The meeting was called to order by the Moderator, Mr. Richard Rutherford, who read the warrant and the affidavit of posting.

The Moderator asked School Board Member Peter Kimball to please inspect the Ballot Box. It was found empty. The Box was closed and subsequently locked by the Moderator who declared the Balloting open.

Lynda Vigent was duly appointed and sworn in by the Moderator as Ballot Clerk for the day.

At seven o'clock the Moderator asked: "Have all qualified voters voted who wish?" After a moment of silence he said: "I declare the Ballot Box closed." Mr. Rutherford asked the members of the School Board, not running for reelection, to count the ballots.

At seven-thirty o'clock the Moderator called the meeting to order. He explained that he had officially read the complete warrant in the morning at the opening of the meeting at ten o'clock.

ARTICLE ONE. To choose, by non-partisan ballot, a Moderator for the ensuing year. Count found as follows: Richard Rutherford, 142; John Cobb, 1;

Roger Wells, 1; Donald Duck, 1; Steenburgh, 3; Richard McDanolds, 1; and Paul Hart, 1. Mr. Rutherford having more than a majority of votes cast, was declared elected Moderator for the ensuing year and was sworn in by Charles A. Wood.

ARTICLE TWO. To choose, by non-partisan ballot, two members of the School Board, one from the pre-existing Haverhill School District for a term of three years, and one from the pre-existing Woodsville School District for a term of three years. Results: Pre-existing Haverhill School District for a term of three years: Patricia M. Demers, 40; Peter C. Kimball, 158. Mr. Kimball was declared elected. Pre-existing Woodsville School District for a term of three years; Victor A. Roy, 4; Stephan A. Elliott, 37. Mr. Elliott was declared elected. Both gentlemen were sworn in by the Moderator.

ARTICLE THREE. To hear reports of the School Board, Treasurer and the Superintendent of Schools and to pass any vote relating thereto. Mr. Page moved that the District vote to accept the reports of the School Board, Treasurer and Superintendent of Schools as printed. Seconded by Kent Riach. Mr. Pompian asked for an amendment to change the \$3,000.00 given by the Lion's Club to \$5,000.00. Article voted in the affirmative.

ARTICLE FOUR. To see if the District will authorize the School Board to make application for and to receive in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any other federal, state or private source. Sue Harris moved that the School Board be so authorized. Seconded by Mr. Pompian and voted in the affirmative.

ARTICLE FIVE. To see if the District will vote to authorize the application of any unanticipated income to expenses. Mr. Foote made the motion to

authorize the application of any unanticipated income to expenses. Seconded by Mr. Miller.

ARTICLE SIX. To see if the School District will vote to raise and appropriate the sum of \$25,000.00 for the construction of public tennis courts on property owned by the District; to authorize the School Board to accept and expend donated funds from the Haverhill Recreation Association in the amount of \$12,500.00 and also to apply for, accept and expend \$12,500.00 in Federal matching funds from the Land and Water Conservation Fund. No District monies will be expended during the construction phase of this project. Charlotte Smith was given permission to explain this article for the benefit of anyone not having previous knowledge. She said that the vote tonight would actually mean that no more than \$12,500.00 would be raised, and no school monies used for the proposed tennis and basketball courts at Haverhill Academy. The Bureau of Outdoor Recreation will grant the District matching funds in the amount of \$12,500.00. Private contributions will also be received. Questions were asked about who could use the courts and Mrs. Smith said that anyone who wanted to could use them. They will be open to the public. She said that the courts will be built on school ground, and built right. That the Recreation Association would work with the School District for this much-wanted Physical Education Facility. There were comparisons made between this facility and the Swimming Pool at Woodsville with suggestions made about certain aspects. Mr. Wellington spoke of tennis as being a competitive and interesting sport, which is usually unavailable to small towns for lack of facilities. He hoped the young people would have a chance to learn this sport. It was voted in the affirmative.

ARTICLE SEVEN. To see what sum of money the District will vote to raise and appropriate for the support of schools, for salaries of School District Officials and Agents and for the payment of statutory obligations of said District and to authorize the application against said appropriation of such sums as are estimated to be received from the State

Foundation Aid and Building Aid Funds together with other income; the school Board to certify to the Selectmen the balance between the estimated revenue and appropriations, in accordance with the formula adopted by the Haverhill Cooperative School District; and the School Board further to certify to the Selectmen the amount to be raised by taxation by each of the two pre-existing school districts. Charles Wood said: "I move that the School District vote to raise and appropriate for the support of schools, for the salaries of School District Officials and Agents and for the payment of statutory obligations of said District, the sum of \$1,299,862., and to authorize the application against said appropriation such sums as are estimated to be received from the State of New Hampshire together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and appropriation, in accordance with the formula adopted by the Haverhill Cooperative School District; and the School Board further to certify to the Selectmen the amount to be raised by taxation by each of the two pre-existing school districts." Seconded by Mr. Foote. Without any discussion, this motion passed by unanimous vote.

ARTICLE EIGHT. To transact any other business that may legally come before said meeting. Mr. Mann made the motion to adjourn. Seconded by many voices, the meeting was adjourned at seven-forty-seven, having lasted seventeen minutes.

### SCHOOL WARRANT HAVERHILL COOPERATIVE SCHOOL DISTRICT

To the Inhabitants of the Haverhill Cooperative School District qualified to vote in the Haverhill Cooperative School District affairs:

You are hereby notified to meet at the James R. Morrill Elementary School Gymnasium, North Haverhill, New Hampshire on the 19th day of March, 1980, polls to be open for the election of District Officers at 10:00 o'clock in the forenoon and to close not earlier than 7:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 7:30 o'clock in the afternoon.

Article 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.

Article 2. To choose, by non-partisan ballot, three members of the school board, one from the pre-existing Haverhill School District for a term of three years, one from the pre-existing Woodsville School District, for a term of three years, and one member-at-large for a term of three years.

Article 3. To hear reports of the School Board, Treasurer and the Superintendent of Schools and to pass any vote relating thereto.

Article 4. To see if the district will authorize the School Board to make application for and to receive in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any other federal, state of private source.

<u>Article 5.</u> To see if the District will vote to authorize the application of any unanticipated income to expenses.

Article 6. To see if the District will vote to esta-

blish a Capital Reserve for the financing of appropriate capital improvements at the James Morrill Elementary School and Woodsville High School, such reserve to be created in accordance with RSA Chapter 35 and any amendments relating thereto.

Article 7. To see if the district will vote to allocate to the Capital Reserve Fund an amount equal to 50% of the unencumbered balance, said amount not to exceed \$10,000.00 in any given year.

Article 8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District Officials and agents and for the payment of statutory obligations of said District and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid and Building Aid Funds together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and appropriations, in accordance with the formula adopted by the Haverhill Cooperative School District; and the School Board further to certify to the Selectmen the amount to be raised by taxation by each of the two pre-existing school districts.

 $\frac{\text{Article 9.}}{\text{legally come}}$  To transact any other business that may

Given under our hands this 13th day of February, 1980.

TOTAL APPROPRIATIONS	\$1,324,862.00	\$1,506,884.00

<sup>\*</sup>The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The Supervisory Union Board decides the legal share of the superintendent's salary and other Supervisory Union expenses. The Supervisory Union's share of the Superintendent's salary for 1979-80 is \$28,210.00 with \$3,000.00 allowed for travel. The retirement board assesses the amount of the teacher's retirement.

July 29, 1979 E. I. Anderson
District Treasurer

#### AUDITOR'S REPORT .

I certify that I have examined the accounts of the Treasurer of the Haverhill Cooperative School District for the year ending June 30, 1979 and find them correct and showing a balance of \$51,129.38.

The Woodsville Elementary School Bonds 241 through 247 and all coupons were paid and destroyed except coupons of Nov. '72 and there is a balance of \$18.50 on deposit in the National Shawmut Bank of Boston to pay these coupons when presented.

The Haverhill Cooperative Bonds 30 through 32 (\$5,000.00 Bonds) of the 6.20% issue and coupons were paid and destroyed.

The Haverhill Cooperative Bonds 17 and 18 (\$5,000.00 Bonds) of the 6.10% issue and coupons were paid and destroyed except #25, 26, 27 & 28 for Jan. '79. There is \$610.00 on deposit in the National Shawmut Bank of Boston to pay these coupons when presented.

I also certify that I have examined the accounts of the Treasurer of the Haverhill Cooperative School Lunch Programs and have found them to be complete and correct.

Roland F. Clough, Auditor Haverhill Cooperative School District

#### REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Haverhill Cooperative School District:

I submit, herewith, my fifteenth annual report as Superintendent of Schools.

#### 1978-1979

#### REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my fifteenth annual report to the voters of the Haverhill Cooperative School District.

The priorities of any organization are changing constantly depending upon resources available to a company, school or other agency. With the advent of a possible recession, high energy costs, more bureaucratic red tape, programs foisted on local school districts, shrinking dollars, etc. we must address ourselves to providing every economy and, at the same time, provide for a good educational system within the ability of the community to support the schools economically.

An interesting study has recently been released comparing the priorities of school boards to those of the general public. This is a nationwide study and would vary in different parts of the country. It does, however, serve as a frame of reference for all of us to study.

Board Priorities Declining Enrollments Collective Bargaining Cutting Programs Curriculum Reform Discipline High Cost of Energy Federal Interference Declining Tax Base Staff Cuts Public Apathy Outmoded Facilities Accountability Drug Abuse Teacher Militancy Student Legal Rights Desegregation

## Public Priorities Discipline Drug Abuse Declining Tax Base Curriculum Reform Poor Teachers Desegregation Crime/Vandalism Overcrowded Schools/Classes Student Apathy Parent Apathy Teacher Apathy Alcoholism Mismanagement School Board Policies Communication Problems Outmoded Facilities Federal Interference Parent Involvement Teacher Militancy Declining Enrollments

Many of the priorities listed above are evident in our community and, it appears that school boards are working at cross-purposes with the general public. But, when working with the general welfare of everyone, not your own personal or group priorities, your perspective changes dramatically.

As you have all noticed, we are now operating under a new financial Accounting System called Handbook-II Revised. Although we have encountered a number of problems in our first year of implementation it is our feeling that the system will help us in budgeting in future years.

The New Hampshire Accountability planning process calls for local districts to complete the following steps by June 1981 or thereabouts:

- Develop essential student outcomes for both state mandated and locally desigmated fields of learning.
- Develop performances indicators for all essential student outcomes.
- Design and carry out sound assessment procedures.
- 4. Analyze the assessment data.
- Report the assessment results to the State Department of Education and the local community.
- Develop a management plan based on assessment results.

In Haverhill, we are at Step #2 of the program. In the very near future, the professional staff will be meeting with the advisory group to streamline outcomes and indicators. If our proposed timetable can be met we will assess our fourth and eight graders later this spring. Next year we will be working on an assessment tool for high school students. This will

be a very difficult task but with the professional and advisory group working together we should be successful.

Everyone is energy conscious these days because of the high cost of oil. Our oil account has more than doubled for the 1980-81 fiscal year. The following is the basis for our rationale in budgeting the figure of \$93,131.00. Based on our fuel consumption for 1978-79 the following is our projection:

#### #4 Fuel Oil

Woodsville Elementary	511.90	barrels	(-30%) (153.57)
	358.33	barrels	@ 43.00=15,408.

\$93,131.

We are attempting to work on our buildings in order to have them as energy efficient as possible yet within our fiscal ability to pay. Some of our projects are:

#### James Morrill

Installation of a gas hot water heater in order that we may shut our boiler down six months of the year.

Zone the old building.

A set back system which will keep our buildings energy efficient year round.

Insulation around our windows.

### Woodsville Elementary

Installation of a gas hot water heater so we can shut our boiler down six months of the year. Insulation in the gymnasium and storage areas. Woodsville High School
Zone the old building
Install a set back system
Replace metal windows on the north side of the old building.

Last spring we sent a questionnaire to inhabitants of the district. In order to be as consistent as possible we chose every fifth name on the checklist. The results were gratifying in that the vast majority of people are pleased with their school system. From these results we have received some valuable suggestions that will help us in our program planning.

May I take this opportunity to express my appreciation and thanks to the Haverhill Cooperative School Board members, faculty and voters of the district for their support and cooperation during the past year.

Respectfully submitted, NORMAN H. MULLEN Superintendent of Schools REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my tenth annual report to the voters of the Haverhill Cooperative School District.

Our school year opened on August 29th and 30th with our annual Fall Workshop. During the first session the staff was divided into subject area groups and continued working on the new State Accountability Plan. This plan involves a restating of the school curriculum in behavioral terms. The plan also includes competency tests at the end of grades four, eight and twelve. This work will continue during the school year until the plan is completed.

The afternoon featured a teacher awareness session presented by project ADAPTS, an organization concerned with alcohol and drug abuse with respect to society at large and school children in particular. The presentation was an effort to help educators understand and prevent the abuse of alcohol and other drugs in regard to the driving task and also with regard to the social and personal interactions of students. The main emphasis was on ways in which teachers can help students develop responsible behavior, understanding of self, value clarification, responsible decision making and positive alternatives to the use of alcohol and other drugs. If this project receives further funding, the consultants will be available to schools throughout the state during the school year.

The second day of the workshop was devoted entirely to medical and health considerations. The morning session featured the "Heart Saver Course" and dealt with cardio-pulmonary resuscitation. This presentation was made most ably by the Cottage Hospital Volunteer Ambulance Squad. In the final session the same group presented a "hands-on" Basic First Aid Course, a subject long overdue on our workshop agenda. A special thanks should go to Me. and Mrs. Alden Monot who organized and helped to present both sessions.

With respect to our enrollment projection (printed

(separately) they seem to be following the downward trend that is seen nationally. The survival percentages in the projection indicate a small outmigration of children in Woodsville and a slight inmigration of children in the Haverhill area, about 1% in each case. The high school survival percentages are influenced not only by in or out migration but by the fact that children have the option of dropping out of school at age sixteen. In any case, the factors mentioned so far have only a minimal effect on the situation. The major reason for the smaller enrollments both locally and nationally is the declining birth rate.

During the period beginning in 1975-76 to the present 1979-80 the total number of incoming kindergarten children has averaged 57. The current census figures show that our average kindergarten classes will average about 40 children over the next four years, an average drop of 17 children per hear.

While our enrollments have not reached a point of attrition that call for immediate and far reaching changes, they do merit our close attention.

Our achievement scores at both elementary schools continue to remain well above grade level. A truly remarkable performance was put forth by our 5th graders (1978-79) who achieved an astonishing full year above grade level on the average. Again our reading and language scores are higher than our math scores although both are well above an acceptable minimum. These tests are given to all students grades 1-8 each spring. Each child's results are profiled and placed in his or her record folder. District wide profiles are kept at the central office.

On January 14th and 15th School Administration Unit #23 underwent a comprehensive review of our Title I program. Each year federal monies are allocated to school districts to help educationally and culturally deprived children obtain supplementary services. In S.A.U #23 these funds are used for

remedial reading, health and psychological services and prescriptive teaching. We received favorable comments about our staff and the quality of our remedial program. We were also asked to submit a sample of our Title I individualized learning plans to the state office so that they could serve as examples for other programs around the state. On the negative side of the ledger we were reminded that no handicapped children could be served with Title I monies and that a stricter line must be drawn between our Title I program and our special education (handicapped) program.

A special thanks to our school lunch operators who have done a fine job in a year of unprecedented inflation and rising food costs.

My thanks to the School Board, the staff and the voters of the Haverhill Cooperative School District for their support.

Respectfully submitted, HAROLD J. HASKINS Assistant Superintendent of Schools

At Woodsville High School we take great pride in our high educational standards and the academic and extracurricular achievements of our students. Such attainment does not come easily as many ingredients are necessary, among them being students, faculty, school facilities and parents. All play a very important role in a student's educational program and progress.

Of great importance is the role of the student - of his awareness of his responsibilities as a student within the educational framework. Failure to recognize his responsibilities can only lead to frustration and failure. Student apathy toward formal learning appears to be one of the greatest handicaps preventing academic success today. Lack of self-direction and motivation are factors that are becoming more evident among students. Only through the joint efforts of everyone can these negative factors be overcome.

The role of the faculty cannot be minimized. It is through their efforts and leadership that students are given the opportunities to acquire new knowledge, understanding and skills. We are very fortunate at Woodsville High School to have a group of teachers who are truly dedicated to providing a quality educational program and who are sincerely interested in the individual needs and interests of students. My personal appreciation is extended to these teachers who consider their positions much more than "just a job."

It is felt that along with improvements in the Community Building in the areas of music and locker rooms, the physical facilities are adequate in meeting the needs of the students. With the conscientious maintenance provided by the custodians, the buildings are in very satisfactory condition.

Last, but by no means least, is the vital role parents must play in the formal education of their children. Very little can be achieved unless parents take a sincere interest in the educational process. It is through the parents' understanding and support that education becomes meaningful and profitable for them and their children. It is with this in mind that parents are encouraged to visit school and to talk with the teachers, thereby enabling them to become more familiar with the school's educational programs and activities.

Staff changes at Woodsville High School for the 1979-80 school year are: Mrs. Diana Walker replacing Miss Dianne Lutz in the physical education program; Mrs. Kathleen Lindsey succeeding Mr. Herman Laturnau in the math department; Mrs. Sylvia Holden replacing Mrs. Meryle Taylor in the home economics department; Mr. Steven Walker replacing Mr. Durward Mommsen in science; and Mr. John McAloon, vocational agriculture, succeeding Mr. Douglas Gabel.

In conclusion I wish to thank the Superintendent of Schools, the Assistant Superintendent of Schools, the members of the Haverhill Cooperative School Board, the faculty of Woodsville High School, the citizens of the Town of Haverhill and the surrounding communities for their continued support and understanding.

Respectfully submitted, Donald R. Evans Principal

#### HAVERHILL ACADEMY JUNIOR HIGH PRINCIPAL'S REPORT January 16, 1980

Haverhill Academy Junior High School opened on September 5, 1978 with an enrollment of 154 (83 eighth graders and 71 seventh graders) with a few additions and withdrawals during the year.

There were only a few staff changes - Miss Joanne Smith was elected to the seventh grade English position because an opening appeared there. Mr. Charles Gasque replaced Mr. Raymond Craigie in instrumental music, and before the year was over Mr. Craigie replaced Mr. Gasque, who resigned after finding other employment.

Open House was held for parents and friends in November during American Edcuation Week with good interest from the public.

Our annual winter carnival was carried on with the usual enthusiasm from the students.

The athletic programs were carried on with the usual good results thanks to the coaches and students.

Science fairs were presented in the spring. These were well received not only by the students but by the parents and others as well.

A few assemblies were held during the year for students. The V.F.W. Post #5245 and Auxiliary of North Haverhill are very kind in visiting us and helping us keep the true remembrance of Veterans' Day and Memorial Day.

The eighth grade left money for our school library and sports program as well as for the flower garden in front of the school building.

At our final assembly on June 14, 1979, graduation was held on the Common and in addition to the presentation of diplomas, awards were given. (see list on following page)

Please feel free to visit our school at any time to observe the school in operation.

It is a privilege for me to have served you this school year and many grateful thanks for the cooperation and kindnesses.

Respectfully submitted,

Howard W. Evans

#### WOODSVILLE ELEMENTARY SCHOOL REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of the Woodsville Elementary School for the year ending December 31, 1979.

The school enrollment as of the writing of this report is 181. The enrollment by grades is as follows: Kindergarten - 20, Grade 1 - 31, Grade 2 - 27, Grade 3 - 24, Grade 4 - 33, Grade 5 - 17, Grade 6 - 29.

There have been two changes in the faculty this year. Mrs. Mary Anne Robinson replaced Mrs. Susan Wright in Kindergarten and Mrs. Janice Gravely, a graduate of Westchester State College in Pennsylvania, is teaching Grade 2.

The School Lunch Program, under the direction of Mrs. June Chamberlin, is serving approximately 125 pupils and teachers each day.

A testing program was conducted on all levels in the school. Tests given were the Metropolitan Readiness Tests in Kindergarten, the complete battery of the Stanford Achievement Tests in Grades 1-6 and the Otis-Lennon Mental Ability Tests in Grades 3 and 6.

An Open House was held in October so that parents could meet and talk with the teachers. The large number of parents who visited made the Open House a successful evening.

Christmas and Spring Music Programs were presented by the Music Department and were attended by large audiences.

A series of assembly programs was presented

at the school during the past year. These programs were obtained by the Rivers Reach Arts Association and the New Hampshire Artists in the Schools Program.

The Special Education Program involves pupils who are having difficulty doing the work in the regular classroom because of learning disabilities. Several tests are used to pinpoint the learning difficulties of these youngsters. These include reading analysis tests, phonics inventory tests, psycholinguistic tests, achievement tests and intelligence tests. A full time aide is working in this program with the Special Education teacher.

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their cooperation throughout the year.

Respectfully submitted,

George C. McKelvey Principal

#### JAMES R. MORRILL ELEMENTARY SCHOOL REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of the James R. Morrill Elementary School for the year ending December 31, 1979.

The school enrollment as of the writing of this report is 218. The enrollment by grades is as follows: Kindergarten - 26, Grade 1 - 31, Grade 2 - 31, Grade 3 - 39, Grade 4 - 30, Grade 5 - 30, Grade 6 - 31. Grade 3 is split into two sections because of the large number of pupils.

There was only one change on the faculty this year. Miss Rose Bailey, a graduate of the University of Lowell, replaced Mrs. Janet Chapell in Grade 3.

Approximately 160 pupils and teachers are taking part in the school lunch program. This program is under the direction of Mrs. Mary Allbee.

The annual testing program was conducted on all levels in the school. Metropolitan Readiness Tests were given in the Kindergarten. The complete battery of the Stanford Achievement Test was given in grades 1-6, and the Otis-Lennon Mental Ability Test in grades 3 and 6.

Two awards were presented to sixth graders last June. The James R. Morrill Award was presented to Jeffrey Page and the Phyllis Page Memorial Award to Christian Leahy.

An Open House was held on Tuesday evening, October 23, so that parents could visit the school and meet the teachers. Approximately 85% of the children were represented by a visiting parent.

Christmas and Spring Music Programs were

presented by the Music Department and were attended by large audiences.

A series of assembly programs was presented at the school during the past year. These programs were obtained by the Rivers Reach Arts Association and the New Hampshire Artists in the Schools Program.

The Special Education Program involves pupils who are having difficulties doing the work in the regular classroom because of learning disabilities. Several tests are used to pinpoint the learning difficulties of these youngsters. These include reading analysis tests, phonics inventory tests, psycholinguistic tests, achievement and intelligence tests. A full time aide is working in this program with the Special Education teacher.

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their cooperation throughout the year.

Respectfully submitted,

George C. McKelvey Principal

#### Report of School Nurse Haverhill Cooperative School District 1978-1979

Number	of	Pupils Screened	887
Number	of	School Visits	319
Number	of	Home Visits	390

#### Communicable Diseases Reported:

Chicken Pox	49
Pediculosis	6
Impetigo	4
Scabies	4
Strep Throat	10

Tests Done		Defects	Corrections
Vision	887	94	102
Hearing	515	15	11
Blood Pressure	287		
Hemoglobin	289	refer	red 1
Urinalysis	288	refer	red 1
Inspections Height & Weight First Aid		990 950 76	
Teeth Defe	cts 490	Corr	ections 485

T & A 3

Dr. Frechette examined a total of 289 pupils. This year we included Hemoglobin tests with each physical. For this year, Dr. Frechette donated his time for the pupils Physical Education exams (Soccer, Baseball, Basketball, Track and Field Hockey). We purchased 1 pediatric blood pressure cuff, 1 adult blood pressure cuff and materials to do the Hemoglobin tests with monies saved on the above Phys. Ed. physicals.

We held a series of immunization clinics during

the year. Every pupil had the opportunity to be brought up to date with recommended immunizations.

Total doses given during the year at school clinics are as follows:

Tetanus and Diphtheria	45
Sabin Oral Polio	61
Measles, Mumps, Rubella	2
Rubella	6
Measles	31
Mumps	313
Tota1	458

Dr. Frechette donated the time of his nurses,
Nancy Notterman and Jan Kinder for these clinics.
I would like to thank the following nurses who donated
their time to help with the clinics: Mrs. Poppy Clark,
Mrs. Eve Maccini and Mrs. Virgie Jones. I also want
to thank the school secretaries, Mrs. Helen Rogers,
Mrs. Jackie Estes and Mrs. Carol Griffin. They really
made these clinics go!

We had eight mornings of Dental Clinics.

Dr. Munson examined 60 pupils and did 27 extractions of deciduous teeth, 3 extractions of permanent teeth and a total of 85 fillings. Everett Sawyer transported the second group of pupils each clinic morning. Money for this transportation was donated by the Ladies Auxiliary to the Haverhill Memorial V. F. W. and we are grateful to them for this community service.

The Lions and Lionesses of the Cohase Lions Club sponsored the pre-school Vision and Hearing program in October. Fifty-four children attended this clinic and several were referred to their family physicians and eye doctors for follow-up care. I want to thank the Cohase Lions and Lionesses for their help. Without our local service organizations assistance it would be impossible to offer these clinics for our pre-school and school age children.

#### PUBLIC NOTICE

Mrs. Stark, Dental Hygienist presented her dental program on brushing and flossing and good dental care to pupils in grades IV. At the start of the program all pupils had a dental survey and at the end of the brushing program a followup check. I would like to thank the 4th grade teachers, Mrs. Barbara Uresky and Mrs. Regis Roy for their cooperation in this program.

Dr. David Frechette came to the High School for three special programs:

12/7/78: Home Economics Class - Teen-age Pregnancies and Their Complications.

5/10 & 5/17/79: V. D. Movie and Question and Answer Period - Grades 9-12.

We want to thank Dr. Frechette for his interest and help with these educational programs.

We also had Polly McLaughlin for a program and movie on Breast Self Examination (for Cancer) with the Senior Girls and their mothers.

On June 4th Terry Rutz, Clinical Audiologist from the Portsmouth Rehabilitation Center tested eight children for hearing problems.

During the year routine screening tests were done and referrals made when necessary.

I would like to thank the Cohase Lions Club for their assistance with the Sight Conservation Program. Again, this year they have paid for several eye examinations and lenses when needed.

I want to thank everyone that made our school health program possible; pupils, parents, and our capable, faithful teachers. I also want to thank Mr. Mullen, Mr. Haskins, Mr. McKelvey, Mr. Howard Evans and Mr. Donald Evans for their continued assistance and cooperation.

Respectfully Submitted, Muriel LaMott, School Nurse To the Voters of the Haverhill Cooperative School District:

Checklist Supervisors (Haverhill Cooperative School Board Members) will meet as follows:

Wednesday, February 13, 1980 - 7:00-9:00 P.M.
Haverhill Academy Junior High School, Haverhill, NH
Wednesday, February 20, 1980 - 7:00-9:00 P.M.
James R. Morrill Elementary School, North Haverhill, NH
Wednesday, February 27, 1980 - 7:00-9:00 P.M.
Woodsville Elementary School, Woodsville, NH
Wednesday, March 12, 1980 - 7:00-9:00 P.M.
Woodsville High School, Woodsville, NH
Saturday, March 15, 1980 - 10:00-12:00 AM
Office of Superintendent of Schools
Municipal Building, Woodsville, NH

For the purpose of correcting the checklists of the pre-existing Haverhill School District and the pre-existing Woodsville School District.

ARCHIE STEENBURGH C. THOMAS CHASE JAMES H. WALKER, JR. CHARLES A. WOOD STEPHEN A. ELLIOTT PETER KIMBALL ALAN PAGE

Note: In order to be able to vote in School District affairs, you must register for the School Checklist, even though you may be already listed on the Town Checklist.

#### SCHOOL ADMINISTRATIVE UNIT #23

#### REPORT OF

#### SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the School Administrative Unit expense is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S. A. U. #23, during the 1979-1980 school year, will receive a salary of \$28,210.00, prorated among the several school districts. The Assistant Superintendent will receive a salary of \$23,219.00, prorated among the several school districts. Allowance for travel within the Unit for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The following table shows the proration of salaries and travel to each school district.

Bath Benton Haverhill Cooperative Lincoln-Woodstock Cooperative Monroe Piermont Warren	Superintendent's Salary Travel  \$ 1,489.49 \$ 158.40
