REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State—town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned – 1972 season:

STATE	–	410 fires	361 acres burned
DISTRICT	–	102 fires	55½ acres burned
TOWN	–	None Reported.

RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT

January 1, 1972 – December 31, 1972

The Rural District Health Council is continuing to provide comprehensive health services to the member towns: Northwood, Nottingham, Deerfield, Barrington, Strafford, New Durham and Middleton. The nurses provide visiting nurse services as ordered by the physicians, and physical, occupational and speech therapy is available through a contractual agreement with the Portsmouth Rehabilitation Center. There is an active Family Planning program for anyone interested.

The Well Child Clinics continue to be a very important part of the program. Monthly clinics were held at the Deerfield Community Center for preschool children from Northwood, Nottingham and Deerfield with Dr. William Whitney of Exeter as attending physician. The New Durham Community Center is the site for a monthly clinic for preschool children of New Durham and Middleton with Dr. Wendy Tinklepaugh of Amherst, N.H. attended. In August, a new monthly clinic was initiated at the Barrington Congregational Church for preschool children of Barrington and Strafford with Dr. Tinklepaugh in attendance. Physical examinations and immunizations are done at each of these clinics.

In August, Mrs. Madeline Sullivan moved from the area and Mrs. Ardala Houle has been employed to fill the vacancy. Miss Arlene Thorne continues in the program with a dedication known to all who have the privilege of knowing her. These two nurses provide excellent care for their patients and their spirit of cooperation is a great factor in the continuing success of the Rural District Health Council.

Recently, the towns of Farmington and Milton have expressed interest in joining the Rural District Health Council. This is to be acted upon at their town meetings. The Council representatives are also investigating the possibility of locating the office in one of the member towns and establishing the agency independent of the Portsmouth Rehabilitation Center. With the continued expansion of the Council, the coming year could prove to be a busy one for all involved in the program.

The Rural District Health Council has been supported by the funds contributed by the towns at a rate of \$1.00 per capita, a state grant and fees for service.

Anyone interested in the program or needing the service is asked to contact Mrs. Cynthia Blood at the Portsmouth Rehabilitation Center, Tel: 436-5716, or a representative of the Rural District Health Council in his town.

Cynthia Blood

REPORT OF THE LIBRARIAN AT THE MIDDLETON LIBRARY

This is my first report as your acting librarian, and I hope to convey to you in a very few words what we are trying to do. The Middleton Town Library had in inventory of 2,000 books(appro.). This includes the 205 books that were donated to the library by Mr. & Mrs. James Gibbons in 1972.

In August, 1972, the library was able to sell about 40 books for a total sum of \$48.80. We are always glad to sell you one of our older books to make room for a newer and up to date version or substitution. This is the only way we will be able to make our library a profitable and successful venture. We definitely need more genuine interest in the library and its functions. If you would like me to answer any questions please call me at 473-2040. Because of bad weather in the winter we haven't been open as much as we would like to be. The N.H. State Library has been up to lend us many books. We received a total of 249 books from them in 1972. They will inform us two weeks previous to their visit. I hope that as a group we will cooperate to make our library one of the best "Little Libraries" in the area.

REPORT OF THE SUPERINTENDENT OF SCHOOLS AND THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Middleton School District:

In September of 1972, the enrollment of Middleton pupils in the Farmington Schools was as follows.

School	Grade												Total	
	1	2	3	4	5	6	7	8	9	10	11	12

In addition to the above pupils, there is one pupil being tuitioned to a special school for the handicapped. This brings the total enrollment of Middleton pupils in school to 105, an increase over last year of two.

Tuition rates are as follows:	Grades 1 through 7	\$387.00

	High School	689.00
	Great Bay School	945.00

Miss Margaret O'Neal	Additional	1
Miss Sharon Hoage	Mrs. Bonnie Wilkinson	2
Miss Marilyn Gerrato	Additional	2
Miss Jennifer Bates	Miss Florence Stevens	5

Mr. Lawrence G. Blondin	Miss Carolyn Prybylo	9 - English
Mr. Robert Wilkinson	Mrs. Lillian Emerson	10 - English
Mr. Keith Kenney	Mrs. Barbara Spear	11 - Social Studies
Mr. Robert Johnson	Mr. Charles McCoy	12 - English
Mr. Roy Estabrook	Mrs. Judith Blaisdell	E.E.A. Position (Special Education)

As the reader may note, there were fourteen positions filled for the 1972-73 School Year as compared with seven for the year before. Three of these positions had been added since the start of the 1971-72 year. All but two teachers positions are funded locally, the other two by the Emergency Employment Act and by Title I of the Elementary and Secondary Education Act.

In general it is felt that the quality of the staff remains good, and hopefully, the quality can be maintained and improved as experience is gained, as well as additional skills.

It is hoped that by the time this report is in the hands of the voter, the issue as to where Middleton pupils will attend school will be settled for at least twenty years. This will have been done by the adoption of the Farmington AREA School Plan by the voters of both districts. As you know, the committee completed its work, had hearings, and had the plan approved by the New Hampshire State Board of Education at its December meeting. All that remained to be done at this writing was to obtain the approval of the people. The plan has advantages for both districts over the present arrangement and, it is felt, in the long run, both districts will gain benefits.

Problems that face the Farmington School District and thus influence the education of Middleton pupils are the following, briefly outlined. Paramount is the need for more classroom space. Hopefully, this problem will be solved soon. The morale of the teachers is rather depressed due to the budget restrictions which prevented salary increments. The Farmington Board is working with the teachers at the present time in order to try to reach an amicable settlement. The assistance of Federal programs has made possible a special education program for the older youngsters, and a learning disabilities program for some of the younger pupils. Hopefully, these programs can be expanded as space and funds become available. Another problem facing the Farmington Schools is that of meeting the Elementary School Minimum Standards by 1975. This will be delayed until more space is provided, and then the funding provided to make the standards a reality.

It is felt that the pupils from Middleton have the same privileges as the Farmington children in the schools. They often take part in the extra curricula activities of the school, including plays, sports, and the music programs. They also achieve as well as other students in their school work. The contribution of the

Middleton boys and girls to the Farmington Schools has been of good quality and much appreciated.

In closing, the undersigned should like to express their appreciation for the cooperation they have received from local citizens, school board members, and students. Your continued cooperation and support is earnestly solicited.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent of Schools
