## THE STATE OF NEW HAMPSHIRE Town Warrant

To the Inhabitants of the Town of Westmoreland in the County of Cheshire in said State, qualified to vote in Town Affairs:

The polls will be open at 10:00 AM. and will not close before 8:00 P.M.

You are hereby notified to meet at the Town Hall in said Westmoreland on Tuesday, the seventh day of March, next at seven of the clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To hear the reports of Agents and Auditors and take any action relating thereto.

4. To see if the Town will vote to raise and appropriate the sum of \$869.00 as its fair share of operating costs of Elliot Community Hospital.

5. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be deposited in the present Town History Saving's Account; the principal to be used toward the printing of a Town History and Genealogy; the interest to be used for accumulating material for the same; or take any other action relating thereto.

6. To see if the Town will vote for Class IV or Class V roads construction, reconstruction or betterment aid, and raise and appropriate the sum of \$839.41, the State to contribute \$5,596.05.

7. To see if the Town will vote to raise and appropriate the sum of \$368.00 for support of the Monadnock Regional Association.

8. To see if the Town will vote to raise and appropriate the sum of \$125.00 for White Pine Blister Rust Control.

\*9. To see if the Town will permit the Westmoreland Athletic Association, Inc. to play basketball in the Town Hall, in accordance with rules and regulations mutually agreed upon by the Association and the Selectmen of the year 1962 until the next annual meeting.

10. To see if the Town will vote for snow removal and sanding of either Class V or Class IV roads, or take any other action relating thereto to raise and appropriate money for the same. 11. To see what sum of money the Town will vote to raise and appropriate in addition to what is required by law for highways and bridges.

12. To see what disposition the Town will vote to make on the income of the Jotham Lord Fund.

13. To see if the Town will vote to raise and appropriate the sum of \$299.00 – 30 cents per capita for Monadnock Family and Mental Health Service.

14. To see if the Town will raise and appropriate \$1,000.00 and to authorize the Selectmen to borow, not to exceed \$5,000.00 more, to finish the Jenkin's Hill project so called. Notes, to be amortized at \$1,000.00 per year starting in 1973, or take any other action relating thereto.

\*15. To see if the Town will vote to raise and appropriate the sum of \$200.00 for permanent improvements to the South Village Cemetery.

16. To see if the Town will vote to accept the budget as submitted by the Budget Committee under the authority of the Municipal Budget Act. This budget may be considered item by item or as a whole but may not be increased more than ten percent, in any item as a whole.

17. To see if the Town will vote to accept from D. W. Stone, approximately seven acres of land which adjoins the East Road and is contained in two parcels which lie on each side of the entrance to their project, or take any other action relating thereto.

18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

19. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 16th day of February in the year of our Lord nineteen hundred and seventy-two.

### TOWN MEETING

#### March 9, 1971

The Westmoreland Town Meeting was called to order at 1:00 P.M. by the Moderator Talbot R. Hood who read the Warrant and declared the polls open. He stated the polls would remain open until the conclusion of the Town Meeting in the evening. Mr. Hood called the meeting to order at 7:00 P. M. for the conducting of Town business by reading the Warrant.

Mr. Hood said he felt it was appropriate to single out a member of Town who had given a number of years of service to the Town and who had stepped down. He went on to say that Donald Paine could be called one of our Town Fathers for the many years of service to the Town — that we owed him a debt of gratitude. This was followed by applause for Mr. Paine.

Articles 2. and 3. Robert Moore, Jr. moved that these two articles be taken up together as both concerned the budget. The motion was seconded and passed in the affirmative.

Article 16. Motion made that the Town vote to appropriate the sum of \$598.92 for the use of the Westmoreland Planning Board to accomplish the objectives shown in the annual report as printed in 1971 and toward the objectives as set forth last year. Seconded and voted in affirmative.

Article 17. Moved that the Town vote to establish a Capital Reserve Fund to be used for the purchase of a new fire truck and to raise and appropriate the sum of \$1,000 to be paid into said fund. Seconded and voted in the affirmative.

Article 18. Mr. Lutz moved that the Town of Westmoreland raise and appropriate funds to extend the tar surface of C. Paine Road from the corner of Butterfield Road to Poocham Road. Seconded. Motion Defeated.

Article 19. Moved to allow the Selectmen to put the old town grader and sand screen up for bids. The Selectmen to have the right to reject any or all bids. Seconded and voted in affirmative.

Articles 20, and 21 were voted in affirmative.

Article 22. was approved and passed in the affirmative.

Article 23. Discussion about allowing the money for the Humane Society. Mr. Cox said there was no provision in the budget for it. He then explained the Municipal Budget Act. If it could be put under another category and not exceed the 10 per cent allowed it was all right with the budget committee. Mrs. Hunter suggested we pass the hat at the door. Defeated.

Moved that the Town raise and appropriate and donate to Monadnock Humane Society the sum of \$100.00 by increasing the figure under the Health Department by \$100.00. Seconded. Standing vote called for. Defeated.

### **REPORT OF HISTORY COMMITTEE**

The Committee lost a most valuable member during the past year, Mrs. Dorothy Dunn. Dr. Albert Harden has kindly offered to carry on the research of the various school districts that Mrs. Dunn had started, and Mrs. Laura Bailey was appointed replacement secretary of the Committee.

Some progress has been made this year. The Committee has received additional old pictures, and would appreciate more. Some money has been earned and turned over to the Committee by Mrs. Marjorie Hudson for genealogical research. An invaluable map has been presented to the Committee by Mrs. Ruth Burt which she prepared, in collaboration with Mr. Glenn Britton and the late Mrs. Britton, showing many historic landmarks of the town. Another fine map has been completed by Mrs. Bertha Staples, accurately showing all residences in town as of 1970. Both of these maps will be on display at the Town Hall during the annual Town Meeting.

Mrs. Joan Storms, of West Chesterfield, was engaged to write a narrative history on a trial basis. She completed a first chapter, covering the settlement of the town up to 1775. However, she has now moved away from the area and will not be available for further work.

A detailed history of the religious societies of East Westmoreland has been completed by Mrs. Isabelle Johnson and given to the Committee for inclusion in the town history.

Much research has been accomplished regarding genealogy, the industrial history of the town, boundaries and lot lines.

The Committee wishes to express its appreciation to all who have helped in any way, and will gratefully receive any further assistance.

Laura G. Bailey, Secretary

# VILLAGE DISTRICT MEETING

## March 13, 1971

The meeting was called to order at 1:16 P.M. by the Clerk, Nancy Staples who called for nominations for a temporary moderator. Linn Starkey, Jr. nominated Wesley Staples for temporary moderator. The motion was made, seconded and passed, that the nominations cease and the Clerk cast one ballot for Wesley Staples as temporary moderator. The Clerk cast one ballot and Mr. Staples was declared temporary moderator. Mr. Staples then read the warrant.

Under article one: Linn Starkey, Jr. nominated the names of Wesley I. Staples for moderator, Nancy A. Staples for clerk, Earl Spaulding, Jr. for treasurer and Marcia Starkey for auditor and that the clerk cast one ballot for these offices. The motion was seconded and carried. The clerk cast one ballot and they were declared elected.

Under article two: Robert Cox nominated the name of Linn Starkey, Jr. for Commissioner for three years. The motion was made and seconded that the nominations cease and the clerk cast one ballot for Linn Starkey, Jr. for commissioner for three years. The clerk cast one ballot and Mr. Starkey was declared elected.

Under article three: Robert Cox moved that we accept the report of the auditor which appears on page 45 of the town report. This motion was seconded and carried.

Under article four: Mr. Starkey reported that nothing had been done concerning the 2-3 mile limit. Mr. Cox said that to include these people, they would have to petition the district to be included. Richard Rhodes made the motion that no action be taken. This was seconded and carried.

Marcia Starkey raised the question as to whether the change in the time of school meeting would change the District Meeting. The motion was made, seconded and passed that if the time of school meeting is changed, the District Meeting would be changed to 1/2 hour before School Meeting.

Talbot Hood made the motion that the Westmoreland Village District go on record urging the town planning board to complete its assigned tasks with speed and alacrity.

There being no other business, the motion was made that we adjourn. This was seconded and the meeting was adjourned at 1:45 P.M.

> Nancy A. Staples, Clerk

The moderator, treasurer and auditor were sworn in by the clerk. The clerk was sworn in by the moderator.

# AUDITOR'S REPORT

This is to certify that we have examined and audited the accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds, Briggs Christmas Fund, Library Treasurer, Road Agents and Treasurer of the Fire Department for the year 1971, and find them correct and properly vouched.

> Bertha A. Staples Marianne E. Putnam Auditors

The scene on the cover of this year's Town Report shows the "North Depot" village as it was in the early 1900s. The farm buildings at the left were known as the Fred Chickering place. They were later owned by his cousin, Arthur H. Chickering, Sr., father of Samuel J. Chickering who lives on Route No. 63 today. The beauty of the fields, so well kept, reflects the farmers pride. The buildings burned on Labor Day in 1931.

The building in the center was the Westmoreland Creamery, owned by the Westmoreland Creamery Association, some of its members being Marshall Dana, Willard Bill, Dr. James Craig and Frank Knight. Mr. Edwin J. Hill operated the Creamery for them. Early in the century the farmers took their cream there to be made into butter. In later years a business of renovating butter was carried on there. About 1920 a family by the name of Tegu opened a cheese factory. This was an outlet for the local dairymen to sell their milk. The Tegus made three kinds of cheese, one of which was a brick-shaped cheese which was soaked in brine and therefore somewhat salty. Another round cheese like a cannonball was wrapped in cheesecloth and dipped in paraffin. The third kind was the regular cheddar wheel type. The Creamery building was destroyed by fire in 1925.

The general store was in the lower part of the building at the right, It had a tenement over the store and was used as a dwelling and store for seventy-five years. Waldo Burt sold the property to Albert Thompson in 1886, who operated the first store. Mr. Thompson (great-grandfather of Thomas and Eliot Thompson) and his heirs leased the property to three generations of Warrens: Dexter, Earl and Leonard. It was a country store where one could obtain the necessary items for the farm family: groceries, household needs, patent medicines, cotton dress goods, notions, some clothing, grain, coal, fertilizers and other farm supplies. In 1923 the Thompsons sold the property, but the Warrens continued the store until all store stock was sold at auction May 1, 1938, and fire destroyed the old landmark on August 26, 1938.

The photo inside the Town Report shows the interior of the store, with Earl Hodgkins, the clerk (now living in Springfield, Vermont), and Leonard D. Warren, the genial owner on the right.

The Boston and Maine Railroad was active then and contributed to the community. A nostalgic era to many has passed.

## LIBRARY REPORT

1971 has been a year of change, disappointment, and progress for your Library. Mrs. Perley (Lucy) Thompson retired after 25 years as Librarian Trustee. A reception was held on June 30th at the Library to honor her service to the Library . . . a service of guidance, direction, and help which has greatly benefited the Town of Westmoreland.

Mrs. Russell (Helen) Prange was elected in March and we were indeed fortunate to acquire her services as Trustee. With her trained "Librarian" qualification, professional experience, and understanding, she has given immeasurable aid and assistance to us all in these past 10 months.

It was with extreme regret that the Library Trustees accepted Mrs. Conrad (Viola) Adams' resignation effective August 31st. Her knowledge of your reading likes and dislikes, her gentle guidance toward a book that might be enjoyed, away from one that might not appeal, and her special affection for the younger "generation" are what we all remember. She carved her own niche in our hearts during her 4 years as Librarian.

Mrs. Elwin' (Barbara) Messer became our Librarian September 1st. With her present and past volunteer work to the School Library, she has brought to us her detective abilities and a developing photographic memory that has helped us tremendously in her short time with us.

Our disappointment for the year is reflected in our purchase of new books. New Hampshire State aid to the Library of \$100.00 was not forthcoming this year and we cannot see the possibility of reinstatement in the near future. This money, if received, would have permitted us to purchase more new books for your enjoyment.

We reap many benefits from our association with the State Library in Concord . . . namely the Bookmobile service, catalogue cards, and servicing individual requests for books.

The Bookmobile which visits us two or three times a year permits us to make a wide selection of books to supplement our own stock.

Catalogue cards, unfortunately, are available only for current and previous-year book publication. We do order these (at no direct cost to us) for each new book purchased and we have back-ordered them for all nonfiction books purchased to January, 1970. With respect to books purchased prior to 1970, we are making a strong effort to classify these for you. It is a time consuming process and the progress benefits you in your use of the Library. The strongest benefit we receive from association with the State is the ability to obtain your special requests for particular books. Such books may be obtained for you through the State Library District Office in Keene, directly from the State Library in Concord, or through an inter-Library loan. You need only advise Mrs. Messer of the title and author of the particular book you wish to read and she will locate it for you.

To continue the availability of the above benefits, we must make progress toward the basic qualifications as set forth by the State for affiliated Libraries . . . namely the hours open for public use and the presence of lavatory facilities. At present, the Library is open 2 hours each Wednesday evening during Daylight Saving Time and 4 hours each Saturday afternoon. This coming year, 1972, we shall open an additional 2 hours each Monday evening during Daylight Saving Time. These additional hours do not meet the basic qualification of 15 hours per week for a population over 1,000 but it is a step forward.

The other qualification of lavatory facilities presents a serious monetary problem to us all. We present this future problem to you now for your thought and consideration. As the town grows in population, we shall be required to have more library hours available for public use and the installation of lavatory facilities will require architectural and financial planning.

### Report of Forest Fire Warden and District Chief

## LEST WE FORGET - IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 as nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fires at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.

4. Most important instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message. Number of fires reported and acres burned - 1971 season:

State	463 fires	160 acres
District	41 fires	12 acres
Town	3 fires	2 acres

## School Warrant

To the inhabitants of the School District in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 10th of March, 1972, at 7:30 o'clock in the evening to act upon the following articles. The polls will be open from 6:00 P.M. to 9:00 P.M.

Article 1. To choose all necessary school district officers:

A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer from July 1, 1972, for the ensuing year.

2 auditors for the ensuing year.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

Aritcle 4. To see what direction the District will give to its A.R.E.A. Planning Committee.

NOTE: This special committee should complete its work by March, 1973. Does the District desire to participate in an Authorized Regional Area Plan for grades seven and eight? Discussion and opinion vote is requested. See Administrator's Report.

Article 5. To see if the District will authorize the School Board to take any option(s) for the purchase of property adjacent to the present school site.

NOTE: Property may become available and the Board desires to obtain options as necessary if practicable.

Article 6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district. Article 7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

Article 8. To transact any other business which may legally come before this meeting.

Given under our hands at said Westmoreland this 10th day of February, 1972.

Donald E. Hall, Chairman Roger S. Adams Lois M. Delano School Board

A true copy of Warrant attest:

## SCHOOL DISTRICT MEETING

Agreeable to the foregoing warrant, the legal voters having met at the time and place mentioned in the warrant, the meeting was called to order by the moderator at 2:00 P.M.

Article 1. Mr Butterfield, moderator then read the warrant and declared the polls open. Mr. Butterfield stated that if there was no objection, he was going to wait for 10 or 15 minutes for late comers before going on with the meeting. There was no objection. When the meeting was continued, Donald Hall, school board member, introduced the administrative staff of the district and asked that they be permitted to speak, if there was no objection. No objection was voiced.

Article 2. Winnie Cox made the motion, which was seconded and voted that we accept the reports of agents, auditors, committees and officers as posted in the Town Report. Motion carried.

Article 3. Robert Cox made the motion which was seconded and voted that the district authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid or other funds for educational purposes as may 'now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency. Motion carried.

Article 4. Winnie Cox made the motion which was seconded and voted that starting in 1972, the school meeting be held the Friday evening following the annual Town Meeting. The school board explained that the vote was not binding but it would like the consensus of the meeting.

By a show of hands — in favor 35 opposed 10, Motion carried.

Article 5. Robert Cox made the motion which was seconded that the district elect its District Officers at the time and date of the election of its Town Officers beginning in 1972. Roger Adams and Robert Moore spoke against the motion. By a voice vote, the nays were in the majority. Motion not carried.

Article 6. Robert Cox made the motion that the District vote to favor an A.R.E.A. Plan for grades seven and eight. This was amended by Lois Delano to move that the district be recorded as in favor of continued study of an A.R.E.A. plan for grades seven and eight. This was accepted by Robert Cox, and the amendment was seconded. A discussion followed with explanations by the school board and Supt. Day. By a voice vote, the motion was carried. Article 7. Donald Hall made the motion which was seconded that the District vote to raise and appropriate \$188,268.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District. Robert Moore made the motion, which was seconded, that this be amended, to raise and appropriate \$186,591.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district. The latter amendment was the amount recommended by the Budget Committee. A discussion followed with explanations by the school board and Supt. Day. The amendment was voted on first. By a show of hands there were 28 in favor of the amendment and 24 against. Motion carried.

Article 8. Donald Hall thanked all that were involved in making the basketball court at school.

Article 9. Robert Cox asked regarding "minimum standards" which were explained by Mr. Champagne. Mr. Leinster spoke regarding the successful kindergarten we have in town. The meeting was declared adjourned with the polls to remain open until 6:00 P.M. At 6:00 P.M. the polls were declared closed. The ballots were then counted.

The following officers were elected:

- Moderator Marcius R. Butterfield 70 votes was declared elected.
- Clerk Dorothy R. Rhodes 70 votes was declared elected.

School Board Member for Three years — Lois M. Delano — 68 votes — was declared elected.

# REPORT OF THE SCHOOL NURSE

## Westmoreland Elementary School

The following is my report for the year ending June 30, 1971. Work of the School Nurse:

- 180 pupils received vision screening tests
- 16 pupils received vision notices
- 180 pupils received hearing tests
  - 3 pupils received hearing impairment notices
- 168 pupils were weighed and measured
- 168 pupils received health inspections
- 10 pupils appeared to be in need of dental care
- 13 pupils were checked for smallpox vaccination
- 68 pupils participated in the urine testing program
- 14 staff members participated in the sterneedle Tuberculosis testing program
- 29 pupils received Tetanus & Diptheria immunizations 1 pupil received Smallpox immunization vaccination
- 37 pupils received polio immunizations
- 25 pupils received Rubella immunization
  - 7 pupils received Rubella immunization
- 6 pupils received Tuberculin Tine tests
- 11 pre-school children attended registration to attend 1st grade
- 8 pupils were referred to the Guidance Clinic

The school nurse continues to serve this community as their yearly needs present themselves. With continued cooperation from the school personnel and parents, we are able to discover health problems and correct them. The building of healthful attitudes is ever present and the prevention of health problems continues to be one of our aims.

I wish to thank all who helped to make this school health vear a successful one.

> Respectfully submitted Evelvn Shellev. School Nurse

## ADMINISTRATIVE REPORT

## PROGRESS

We are reporting briefly some of the major events during the five years our six districts have been together as a supervisory union. It is the continuing goal of the State to bring together districts in a geographical area which have similar economic, social, and educational interests. The union was enlarged following a decision by the State Board of Education that Chesterfield, Harrisville, Keene, Marlborough, and Westmoreland would work together as on administrative unit. It has worked effectively for boys and girls from July, 1967.

There has been much progress in improving educational programs in the elementary grades. We endeavor to maintain similar programs in all schools, first to provide for the needs of the boys and girls, second to prepare them for the secondary programs they will enter. New books and educational materials have been purchased in nearly all subjects and much progress has been made in using audiovisual devices. Our libraries have grown in numbers of books and our pupils have responded by greatly increasing the quantity and variety of their reading. Teachers and principals of all districts are striving to constantly improve curricula offerings and administrative procedures.

Though some progress has been made, our weakness is recognized in the limited provision of the so-called special areas of art, music, physical education, guidance, and education of the handicapped. The largest district, Keene, hes been increasing these services, but it too falls short of a desirable level. It is a common shortcoming of the schools of New Hampshire, and may have to await a more ample provision of state funds.

We think that great progress has been made in the secondary schools of Marlborough and Keene. Marlborough High School has become a good little high school, and Keene High School maintains a high level of quality. Courses in both have been updated, new materials purchased, and new methods adopted. We are making steady strides towards providing more vocational educational opportunities. Though Keene High and Keene Junior High are crowded with pupils, annually some worthwhile changes are made.

#### MAINTENANCE

Most of our buildings are in fine condition when age and original building limitations are considered. Improved custodial care and steady progress in lighting, heating, roofing and grounds upkeep have been accomplished. We firmly believe that our properties should be kept at a high level of efficiency, cleanliness and appearance. There is more to be done, but we have reached the point where the level of expenditure will not have to be increased, except to keep up with inflation. Now, we are proposing special articles in the "town" budgets to provide alarm systems to make more certain that fire losses of large size will be avoided.

## A.R.E.A. PLANS

Since 1966 five of our districts have operated successfully within the Keene Authorized Regional Enrollment Plan. This plan insures that all of the districts are guaranteed by Keene of a place for high school education, and Keene can plan on the entire enrollment of the sending districts. Although the tuition costs have advanced considerably in the six-year period, they compare on the low side with New Hampshire and Vermont high school which offer equal programs. This has made possible a good working relationship with opportunity for the sending districts to constructively criticize and the receiving district to strive constantly to improve its program. Legally, and in fact, Keene High School is the high school of the five districts.

During the District Meetings of March and April, 1970, seven districts voted a study committee to work together as a planning Board. The charge is to determine the advantages and disadvantages of extending the A.R.E.A. plan or to develop a new plan for at least grades seven and eight. The pupils of grades seven and eight of Harrisville, Nelson, Marlow, and Stoddard have been attending Keene Junior High School for several years. The districts of Chesterfield, Marlborough, and Westmoreland were sufficiently interested to vote to share the study. Though several meetings have been held, progress has been slow, due in part to Keene's problem of building. The Keene District will probably bring the question of a new school for the intermediate grades to the District for decision again in March, 1972.

A tentative, new A.R.E.A. plan is being written. It may not involve all of the districts as this is local prerogative. If a plan is acceptable to some of the districts and the State Board, it can begin existance in September, 1974. We have another year for work and decision. Such an arrangement can provide stability ond better education for all the districts while securing for them state funds and incentive aid.

### **FINANCES**

"What happens when an irresistable force meets an immovable object?" This old riddle comes close to illustrating the predicament in New Hampshire. For years and years the districts of our little state have voted their tax money for schools, bearing almost the complete burden. Your school leadership has been frustrated and discouraged because decisions must be made on the basis of "what will they cost" rather than "what is their value for children." State support seems to have hit bottom. Whereas the state funding in the United States averages 47 per cent of public school costs, New Hampshire sharing was actually cut in half, down to 4 per cent. This is in face of the usual annual inflation rate of six per cent. Real estate is not equal in the districts and is not rapidly expandable to meet increasing costs. There seems to be agreement that education needs to keep up with the times, but the source of funds remains practically static.

As our Business Manager writes: "Our budget proposed for 1972-73 are largely 'maintenance' budgets, supporting those services and educational conditions which presently exist." Even so, costs advance due to conditions beyond local control: gas tax, oil costs, electricity, telephone rates, rentals, retirement changes, and all supplies and books. We simply cannot hold the line without cutting services. It is natural to expect personnel to seek compensation increases to at least equal the increased costs of living. We do sincerely hope that more can be provided from State funds to insure greater equity and additional dollars.

#### CAREER EDUCATION

You will be hearing more about a proposal called C.O.E.D. It means: Complete Occupational Education Development. It will involve all of our districts and will be supported for at least three years with federal money.

Perhaps a good way to end this report is to look into the future with the new U.S. Commission of Education, Sidney P. Marland, as he envisions the following:

"The term 'career education' means to me basically a point of view, a concept — a concept that says three things: First, that career education will be part of the curriculum for all students, not just some. Second, that it will continue throughout a youngster's stay in school, from the first grade through senior high and beyond, if he so elects. And third, that every student leaving school possesses the skills necessary to give him a start in making a livelihood for himself and his family, even if he leaves before completing high school."

In conclusion, we do hope that the financial problems of the moment will not cloud our vision of what good education has meant and must mean to the future of our boys and girls, and the very future of our beloved nation.

## PRINCIPAL'S REPORT

The 1971-72 school year opened on September 7, with 166 students enrolled. At present time there are 164 students.

The major emphasis in curriculum this year was in the area of Language Arts. A new English series with the new linguistic approach was adopted throughout grades 1-8 as well as a new spelling series. This will help the children a great deal in preparation for Keene High School.

The reading program was also completed this year with the purchase of grade 5 and 6 reading books. Through federal funds, we were able to hire a remedial reading teacher that has complemented our reading program tremendously. In keeping with the text book revision program, we will be conducting an intensive search for material in the area of science.

At this point I would like to make a special note of the physical education program throughout the school. Although limited in some areas, I feel that it is of great importance and that the children are benefiting immensely.

I would like to thank the P.T.A. for all of its services this year. Without its help, many important things would never be done. I would also like to make a special point to thank the "mother librárians" for their fine job.

At present the school staff consists of the following:

## PLANNING BOARD

During 1971 the Planning Board objective was to establish proposals or regulations covering land subdivision, mobile home parks and solid waste disposal.

Most of the board meetings of the past year were spent in framing the subdivision proposals which have now been offered to the voters for their consideration. A few meetings were attended by developers who are now in the process of subdividing tracts in the town.

The board is still in the preliminary stages of gathering information on the questions of mobile home parks and solid waste disposal. The waste disposal problem in particular, is expected to become more critical because of the state-wide ban on open burning which is expected to be enforced in 1975.

A problem which was brought up at the last town meeting involved the current status of the many Town and County roads which are now assumed to be in either a closed or semi-closed state. Because of recent land devlopment activities, the Town will have to determine whether or not certain of these roads remain a Town liability or if their upgrading and repair will be the responsibility of the developer. In this regard, Marjorie Hudson and Anita Aldrich are currently researching County records in order to clarify several road closings made many years ago, which now appear to be of questionable legality.

The Planning Board schedule for 1972 will (probably?) have this road question as its top priority, while work on the longer range programs concerning mobile home parks and solid waste disposal will continue.
