FIRE WARDEN'S REPORT

In making my annual report for the past year as Fire Warden and Fire Chief it is a pleasure for me to say that we have had another good year on brush fires.

We only had one brush fire which could have been a large one. And this was prevented by the way our men turned out and fought that fire. They did good work and held the fire down to four acres. We discovered after the fire was out that it was in Raymond.

We can keep our good record by every one being careful about their fires, and not burning when there is any danger of the fire getting away. Always get a permit from the Warden or Deputy Warden before you start a fire unless the ground is covered with snow.

The fire department was called out of town for a fire in Danville and one in Sandown.

We had several chimney fires and one house fire which we lost because we ran out of water.

There are several ways in which we can improve the water question: and I hope that every one will give us their support.

Respectfully submitted,

ROBERT W. SMITH,
Forest Fire Warden.

South Hampton	82.68

ALL SCHOOL COSTS PER \$1000. EQUALIZED VALUATION

Epping	17.58	5.24	12.34
Danville	20.60	4.29	16.31
Sandown	15.89	5.63	10.26
South Hampton	15.91	5.12	10.79

In closing, I want to thank the School Board and the teachers for their immediate and kindly co-operation and help. It is no easy task to take over the supervision and administration of all the schools in eight towns and I know that the willingness to co-operate has made the transition from one administration to another possible with least possible loss of educational efficiency.

Respectfully submitted,

H. RAYMOND DANFORTH,
Supt. of Schools.
