REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.
If you must burn —
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish or grass by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire **before** you light the match.

4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

REPORT OF THE GOSHEN FIRE DEPARTMENT

The firemen sorely miss Chief "Charlie" Abbott whose efforts in our behalf were tireless.

The dream of a new and adequate fire station has been realized this year thanks to the efforts of the citizens of Goshen, members of the Fire Department, and Edith Pike, who made land available at the present site.

Response to the firemen's annual auctions has been excellent and we would like to take this opportunity to thank the firemen and all townspeople who have strived to make them successful.

Through the N. H. Forest Fire Service we have obtained a cab and chassis. This unit is in good mechanical condition and the firemen are going to make it into a very serviceable tank truck.

This year the department answered nine calls and 59 men responded.

We again thank everyone, particularly the firemen for their efforts to control fire in Goshen.

Respectfully submitted,

FRANK LUND

Chief

GOSHEN POLICE DEPARTMENT REPORT

The last year required more man-hours than ever before and we had to hire more deputies.

We had an increase in breaking and entering cases, more calls regarding dogs and miscellaneous cases plus a number of accidents, acts of vandalism, Rand Pond calls and District Court cases.

Your chief attended a basic training school in Newport.

REPORT OF THE SECRETARY
OLIVE G. PETTIS LIBRARY, 1968

The trustees and librarian have attended state and regional meetings as well as their own. A written policy of government was adopted as required by the Affiliated Libraries of New Hampshire.

The town reports 1927 through 1967 were bound so that now we have three bound volumes — 1879 through 1967.

Books have been donated by Mrs. Winthrop Richmond, Mrs. John Bagnasco, Mrs. Ernest Johnson, Mrs. Charles Howard and Mr. John Hopkins. By being an affiliated library we received \$100.00 worth of reference books through state aid. Mrs. Harold Sweet gave a subscription to "Wild Life."

A new furnace was installed by Mr. Ralph Wright.

Thanks are also due Mr. and Mrs. Maurice McClellan for the donation of a strip of land adjoining the library, to Miss Peggy Pike for mowing the lawn and keeping the flag flying, and to Mr. Jack Warburton and Mr. Charles Pearson for the time they devoted to the library.

The annual book fair sponsored by the Friends of the Library was again a success. The Friends donated \$225.00 toward the cost of the furnace and gave three books as prizes for the best book reports by pupils of the Goshen-Lempster School who use this library.

We wish to thank all our friends and townspeople for their cooperation and their donations to the library and the fair and especially to our librarian, Mrs. Currier, for her devotion to our interests.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The number of students totals 125 — broken down as follows:

Grade 1	19
Grade 2	14
Grade 3	13
Grade 4	16
Grade 5	11
Grade 6	18
Grade 7	16
Grade 8	18

Forty-eight students are attending area high schools: 1 at Sunapee, 5 at Claremont, and 42 at Newport.

EDUCATIONAL TV

A television installation has been made with one set available for the school. This will make it possible to utilize the educational programs of Channel 11 — Durham — as another source of teaching media. In today's changing world, it is no longer sufficient to teach just from the textbook. The body of knowledge is so vast that the best teachers must utilize a great variety of teaching materials in order to meet the needs of students.

HIGH SCHOOL TRANSPORTATION

An Article has again been placed in the Warrant — by petition — to consider providing transportation for high school students. Unfortunately there was no discussion at last year's meeting when a similar Article came up for consideration. Afterwards, a number of people expressed concern that no discussion was held on the matter. An open discussion should prove helpful on this problem which I consider a serious one. Today, a high school education is a necessity — not a luxury. Transportation to and from high school should not be a hardship on a student or his parents. Certainly equality of educational opportunity is strained when some of your students have to resort to some of the present practices. I firmly believe transportation should be provided at District expense.

TUITION

A major part of the budget increase is caused by tuition increase in area high schools. There are also six additional students who are eligible for high school next year which adds to the budget increase. Since tuition charges amount to nearly \$40,000 (\$39,515) the rates at varied schools might be of interest:

	Claremont	Newport	Sunapee
Regular Tuition	\$ 640	\$ 635	\$ 695
Rental Charge	55	45	
	\$ 695	\$ 680	

State Average Tuition — \$695

The tuition rental charge could be eliminated or substantially reduced if Goshen-Lempster chose to enter an A R E A agreement with one high school. Additional Incentive Aid would also be available from the State.

You — the taxpayers — are paying a high premium for the privilege of letting a very few students go to different high schools. Even this could no doubt be modified if it was more logical geographically that one section of a community should go to a different high school than the one in the A R E A agreement. (An example of this can be seen in the Claremont-Unity A R E A Agreement where students from Unity go to Stevens High School, yet those from the East Unity section are assigned to Newport High School.)

I feel it is my duty to keep bringing to your attention the possible savings under an A R E A agreement. If you can continue to afford the present arrangement, the decision is yours.

Respectfully submitted,
GORDON B. FLINT
 Superintendent of Schools

REPORT OF HEAD TEACHER

1968-69

In the spring of 1968, Mrs. Myrtie Starkey and Miss Jan Bradeen, aided by Mrs. Louis Bevilacqua (once again donating her services as Teacher Aide in the primary grades) took the children of grades 1 through 3 to visit the Dartmouth College Museum. Special exhibits and tours of the museum have been made possible through Title III, ESEA project — Dartmouth-Lake Sunapee Center for Regional Innovation.

The 1968 Eighth Grade graduation exercises, with Rev. Robert Densmore as speaker, were held in the school multi-purpose room. Jane Starkey was Salutatorian and Darlene Dow was Valedictorian. Among the activities of the program included the presentation of diplomas by Mrs. Marian Kosotsky, music under the direction of Mrs. May Nethersole, and the serving of refreshments by the Parents' Club. Mr. and Mrs. Wilber Campbell donated flowers.

In the fall, Mrs. Sharon Otterson joined the staff as the new first grade teacher, replacing Mrs. Starkey. Mr. James Russell, replacing Miss Nancy Hamilton, came as teacher of science and social studies in the semi-departmentalized 6th, 7th and 8th grades. Mrs. Irene Cain continued in her capacity as teacher of English and mathematics, and Mrs. Hester Morrissey returned as 4th and 5th grade teacher.

The special reading improvement program under Title I, ESEA was continued with Mrs. Raymond Barrett as teacher. This part-time program, supported by federal funds made available through a cooperative project with Newport and Sunapee, makes it possible for small group reading classes for some 20 children. The program is administered by Mr. A. J. Soucy, Teacher Consultant and Title I coordinator for the school union.

Music has become a regular curriculum offering this year with Miss Marsha Kimball as teacher, coming once a week to all grade levels. Children are becoming acquainted with many phases of music, using new books, recordings, and their voices. It is expected that Miss Kimball will be in charge of music activities for graduation and that in the future, special programs might be presented to the community on some appropriate occasion.

Mrs. June Buck, our school nurse, arranged immunization clinics at the school and assisted with pre-school registration. She has arranged interesting dental programs with films and demonstrations, showing the development and care of teeth. She has also checked the sight and hearing of all children.

This year, with Mrs. Wright as chairman and Miss Bradeen as teacher-coordinator, the Parents' Club sponsored the Dental Clinic. Dr. Houlihan of Claremont was the dentist. Interested parents and friends furnished transportation for the children.

The 1968 Christmas program consisted of a short play written and staged by the pupils in Mr. Russell's home room, and presented to the student body.

Mrs. John Hooper has charge of the school lunch program this year, serving delicious and nutritious hot meals to the majority of students.

Mr. Charles Newton is doing an excellent job of keeping our school warm, clean, and attractive.

Mr. and Mrs. Wilber Campbell continue to get our children to school and home again safely in spite of the particularly difficult driving conditions that prevailed this winter.

The staff wishes to express appreciation to the School Board, Mr. Gordon B. Flint, Mr. John Sokul, Mr. A. J. Soucy, Mrs. June Buck, the Parents' Club, and to all others for their interest and efforts on behalf of our school.

Respectfully submitted,

IRENE W. CAIN

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

NOTICE: POLLS OPEN FROM 12:00 NOON TO 5:00 P.M.

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the fifteenth day of March 1969 at 12:00 noon to act upon Articles 1, 2 and 3, the meeting to be recessed and opened again at 2 o'clock in the afternoon to act upon the remaining Articles in the Warrant, (Articles 4 through 8).

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose one Member of the School Board for the ensuing five years.

Article 3. To choose an Auditor for the ensuing year.

Article 4. To hear the reports of Auditors, Agents, Committees, or Officers chosen, and pass any vote relating thereto.

Article 5. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of the statutory obligations of the District.

Article 6. (Inserted by Petition.) To see if the School District will authorize the School Board to contract for bus service for the children going to Newport High School, and to see what sum the School District will raise and appropriate to finance the same.

Article 7. To see if the District will authorize the School Board to appropriate receipts from Federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1969-70 for the school lunch program, general expenses, equipment, and improvements.

Article 8. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this seventeenth day of February 1969.
