Commissioners' Report

To the Citizens of Grafton County:

Your Commissioners herewith present their report, together with the report of the Sheriff, Solicitor, Clerk of the Court, Jailer, and Auditors and the Superintendent, Physician and Chaplain of the County Farm for the year ending December 31, 1930, and a statement of the financial standing of the County at the close of the year.

During the 1929 session of the General Court of New Hampshire the following act was passed:

“AN ACT Ratifying the Action of the Grafton County Delegation Relating to an Appropriation for the Grafton County Farm.

BE IT ENACTED BY THE SENATE AND HOUSE OF REPRESENTATIVES IN GENERAL COURT CONVENED:

1. LEGALIZATION. The vote and action taken by the Grafton County Delegation at a meeting held on April 10, 1929, on the following resolution be and hereby are legalized and confirmed.

RESOLVED, that the sum of two hundred thousand dollars is hereby appropriated to provide for the construction, equipment and furnishing of a new almshouse and additional facilities connected therewith at the Grafton County Farm in Haverhill. A committee of seven is hereby appointed, said committee to consist of the three county commissioners for Grafton County and the following members of the county delegation: David S. Austin of Waterville, Harry M. Eaton of Littleton, Curtis W. Hyde of Lebanon and Olin H. Renfrew of Orford. Said committee is authorized to make all the necessary contracts for plans of construction, equipment and furnishing of said almshouse and facilities, said sum or such portion thereof as may be necessary to be expended under their direction. Said committee is further authorized to dispose of existing buildings and equipment as said county

farm upon the most favorable terms available and the proceeds therefrom shall be applied to carry out the provisions of this resolution: provided, however, that such application shall not increase the sum of two hundred thousand dollars authorized to be expended hereunder.

The county commissioners are authorized to borrow upon the faith and credit of the county said sum of two hundred thousand dollars or any portion thereof to carry out the provisions of this resolution and for that purpose may issue bonds and notes in the name and on behalf of the county at a rate of interest not exceeding five per cent per annum. Such bonds shall be designated Grafton County Farm Bonds and, except as herein otherwise provided, such bonds and notes shall be issued in conformity with the provisions of Chapters 38 and 59 of the Public Laws.

2. TAKES EFFECT. This act shall take effect upon its passage."

The condition of the buildings and the danger of a disastrous fire convinced the committee that there should be constructed at the earliest possible time a new fire-proof building, adequate to the needs of the County for the housing of its various dependents.

After due consideration and study of the requirements, the firm of Wells and Hudson, Hanover, New Hampshire, was chosen as architect of the building. Plans have been completed and advertised, bids closing July 31st. At a meeting held at the Farm August 2nd, bids were accepted for the building construction, heating, plumbing, lighting, refrigeration and laundry totalling \$171,465.16.

It should be gratifying to inhabitants of our County that more than \$130,000 of this sum has been awarded to Grafton County contractors.

It has been voted by the Committee to send copies of this letter to all members of the 1929 Grafton County legislative delegation, to the selectmen of the various towns in the County and for

publication in the several newspapers in the County. It will be the desire of the Committee to furnish from time to time additional news of progress in this work.

On January 16th, the Building Committee met and went over the building and found the work on the new structure to be progressing very satisfactorily. It is expected that it will be ready for occupancy about May 1, 1930

On June 1st, the new almshouse having been completed, work of moving into same began.

On May 24th, the Building Committee sent invitations to the members of the Grafton County Delegation, to the two Senators and a representative of each paper in the County to meet at the County Farm on Saturday, June 7th. at 10:00 A. M., for the purpose of inspecting the new building and to make arrangements for the dedication of same. About twenty five responded to the call and at noon Mr. and Mrs. J. E. Andrews, Superintendent and Matron, served one of their bounteous dinners which was enjoyed by all. It was decided to have the dedication on Saturday, July 12th. and at 2:00 o'clock exercises were held, presided over by Geo. A. Pushee, Chairman. Remarks were made by Representative, Amos N. Blandin of Bath, Representative Chas. B. Ross of Lebanon, Representative David S. Austin of Waterville and Clerk of the Senate, Norris Cotton of Warren. Music was furnished by the Woodsville High School orchestra to whom the committee extend their thanks. There were about seven hundred present among whom were several State Officials. Punch and ice cream was served and all reported their approval of the New Building.

The Building Committee feel that the unfortunate of the County are well provided for and that in the long run it will be a saving financially for the County.

County Farm Bonds

Invitations for proposals for the purchase of \$200,000 Coupon County Farm Bonds were sent out

October 11th by the County Commissioners, to be in not later than 7 P. M. Wednesday, November 13, 1929. Bidder to name the interest rate not to exceed 5 per cent. No. bid less than par to be considered. At a meeting of the County Commissioners held at Woodsville, New Hampshire November 13, 1929 the following bid from Harris, Forbes & Co., was received: If issued bearing interest at the rate of $4\frac{3}{4}$ per cent, we bid you \$98.64 and accrued interest. If issued bearing interest at the rate of 5 per cent we bid you \$100.65 and accrued interest.

ORDERED, that the said proposal of Harris, Forbes & Co., Inc., at \$100.65 and accrued interest for bonds bearing interest at the rate of 5 per cent and the same hereby accepted. Bonds to be dated Nov. 1, 1929 and payable \$11,000 thereof November 1, 1931 to 1940 inclusive, and \$10,000 Nov. 1, 1941 to 1949 inclusive. Denomination \$1,000. Interest payable semi-annually May 1st and Nov. 1st.

Due to the dry weather in 1929, the water supply during the summer and fall was practically exhausted. The present water system is composed of a reservoir, an artesian well equipped with an electric pump, a pipe line from the river with electric pump, and a spring for drinking purposes. In 1929 the flood changed the course of the river and during the season there was very little water at the inlet. The dry weather of the past season has left the supply almost nil, so it will be necessary to secure additional water from some other source. The commissioners have conferred with the Water Commissioners of Woodsville Water District in regard to connecting with their water system, but as yet no definite arrangements have been made.

On February 14th. the County Commissioners issued a call for a special meeting of the Grafton County Delegation to be held at the State House at Concord on Wednesday, February 26, 1930 at 3:30 P. M. for the purpose of taking whatever action seemed necessary regarding the furnishing water for the County Farm at Haverhill, N. H.

On February 26th. the Delegation met and

voted unanimously, authorizing \$25,000.00 for the construction of a water supply system for the Grafton County Farm at Haverhill, and authorized the County Commissioners and Building Committee to make all necessary contracts and plans for constructing said water supply.

A contract was made with the Fire District of Woodsville by its Water Commissioners for a term of 20 years at \$600.00 per year to furnish the necessary water for the County Farm property and on July 1, 1930 the water was turned on and the job completed well within the appropriation. Five notes were issued to the Littleton Savings Bank for \$5,000 each payable \$5,000 per year beginning December 1, 1931 at 4 $\frac{3}{4}$ per cent.

The Commissioners wish to extend their thanks to the members of the Delegation who served on the Building Committee for their very great assistance and hearty cooperation in building the New Almshouse and constructing the Water System.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews for the faithful and efficient manner in which they performed their duties as Superintendent and Matron of the County Farm.

The Commissioners further wish to extend their thanks to the various county and town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of Grafton County and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so, as it is their farm and an institution in which they alone should be interested.

Respectfully submitted,
GEORGE A. PUSHEE,
FRED PARKER,
JOHN GADD,

Commissioners.

Any town or county furnishing any assistance to any person within six years preceding his death shall be entitled to recover from the estate of such persons the sum or sums paid out for such assistance, the said claim to be a preferred claim against his said estate after payment of funeral charges, expense of last sickness and expenses of administration, provided he leaves no widow or minor children living at his decease.

CHAPTER 106, SECTION 1, as amended

“SECTION 1. No town shall be liable for the support of any person unless he, or the person under whom he derives his settlement, shall have wholly gained a settlement therein during the ten years preceding the last date of application for support provided that no person having a settlement in any town in this state upon arriving at the age of seventy years shall lose that settlement on account of being exempt by law from paying a poll tax, if he resides in said town.”

SECTION 2. All expenses thus incurred, or such part thereof as the board may determine, shall

be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons so quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes.

Total cost of supporting paupers at County Farm for year ending December 31, 1930	\$25,999.97

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of County Farm shall make up his report to Jan. 1, annually and also Section 2 of said Chapter requires that the Superintendent's report shall contain, in addition, a list of paupers actually supported at the Farm and the number of weeks each was supported, also a statement of the average cost per week for each pauper with an explanation of the basis upon which such calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1930 was 170. The number of weeks board is

ascertained by taking the number of days between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the total number of weeks each was supported.

The whole cost of supporting paupers at the Farm for the year ending Dec. 31, 1930 was \$25,999.97. This sum divided by the whole number of weeks furnished—4378 gives \$5.93 plus, as price per week.

The moving of our large family into the new building has meant extra labor for all employees on the Farm, but there has been a spirit of co-operation that has made the work go along pleasantly; and now that we are settled in our new home, we appreciate its additional comforts and conveniences.

I thank the Commissioners, Chaplain, Physician, Employees and all others with whom I have worked during the year. I also take this opportunity to thank our many outside friends who have supplied us with books, magazines and many other articles. Christmas donations were unusually generous, consisting of candy, fruit, fancy work, Christmas packages and a large number of potted plants. All were appreciated, and added much to the pleasure of our family on this, the first Christmas in the new home.

Respectfully submitted,

J. E. ANDREWS.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1930 and find them correctly cast and properly vouched.

FRED PARKER,
JOHN GADD,

Commissioners for Grafton County.

Chaplain's Report

To the citizens of Grafton County

In this my first report I wish, in behalf of the comfort, convenience and safety of the people whose homes and living quarters are in the new building, to express gratitude to the citizens of the county who made the present accommodations possible.

We enjoy a semi-pastoral relation with the people at the county farm—seeing them in their rooms, in the hospital and about the yard. They in turn evidence their appreciation of this contact in their words, smiles and general good cheer.

Religious services are held on alternate Sunday afternoons in the new, spacious chapel. Comparative large numbers are able to attend.

Two funeral services have been held since May first.

At Christmas we sought to cooperate with the Commissioners and the Superintendent in bringing cheer by the way of two beautifully decorated and heavily loaded trees and an entertainment. Several Christmas songs were sung and a group of friends from North Haverhill furnished the program of readings, story telling and music.

Respectfully Submitted,

C. L. CARTER.

Report of County Physician

To the County Commissioners:

It is well to state at the outset that this County Institution is of four departments: The almshouse; the hospital; The House of Correction and the Jail.

It has been my duty to prescribe for illness in all of them. Inmates of the Almshouse are, when ill in bed, immediately taken to the hospital, where they are constantly under the observation and care of the head nurse and her assistants.

Surgical patients are cared for in the hospital, many of whom have come from distant parts of the country.

The wisdom of the County Delegation of 1929 in deciding to erect a new, modern, fireproof building to take the place of the old structure, that was a firetrap, expensive to heat in winter and continually requiring repairs, and had outlived its usefulness, is evident to the most casual observer. Every taxpayer in the County must experience a true feeling of gratification and of duty well done when he knows that the County's poor are now in a safe, comfortable place that will prove economical to maintain.

Old people require warm rooms and those in the new building are always comfortable. The ventilation seems to be perfect as you will notice in going about; something that is far too uncommon in large buildings where many people are housed. The sanitation is modern and those who make this their home seem to take pleasure in keeping both themselves and the building clean.

The hospital itself is modern and well equipped for such cases as usually come to a hospital, except fractures. Just now we cannot handle broken bones well because we have no X-ray.

In these days of increasing motor traffic and accidents there will probably be an increasing number of broken bones. This hospital should be in

a position to care for all such as are County charges.

I wish to thank the Commissioners for their continued courtesy and valuable counsel. To Superintendent and Mrs. Andrews, Mrs. Hope our head nurse, and to all who have assisted me in my work, I wish to express my deep appreciation.

Respectfully submitted,

E. M. MILLER, M. D.,
County Physician.

During the year there have been numerous breaks and petty larcenies by boys under seventeen years of age. I have taken such steps as seemed necessary to punish these by Court action in the

Municipal Courts and in the Superior Court, but as they are juvenile cases I have not listed them among "cases handled" in this report.

In addition to the Superior Court work numerous minor offenses have been handled in the Municipal Courts of the County.

Such legal opinions as have been requested by County Officers have been rendered and much attended to.

Respectfully submitted,

WALTER M. FLINT,
Grafton County Solicitor.
