TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jackson in the County of Carroll in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the town house in said Jackson on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

To see what sums of money the Town will vote to raise and appropriate for the following purposes:

3. Maintenance of summer highways and bridges.

4. Snow removal from highways and dooryards and sanding highways.

5. Street lighting.

6. Old Age assistance and J. H. Hodge account.

7. Poor relief.

8. Maintenance of Cemetery.

9. Memorial Day exercises.

10. Library.

11. Maintenance of Church and Parsonage.

12. Fire Protection.

To see what part, if any, of available State Aid Highway Construction funds Town will vote to recommend to use for reconstruction of that part of Carter Notch Highway beginning at Route 16A, opposite Jackson Church and ending at driveway leading to Wentworth Castle, so-called, at top of Falls Hill. Such reconstruction appears necessary if working plans are to be made for sidewalk construction here from proceeds of "Georgia A. Wentworth Riverbank Improvement Fund." 24. To see what sum of money, if any, Town will vote to raise and appropriate to further or increase permanent improvement reconstruction of Thorn Hill Roadway as set forth in Article No. 23 (above).

25. To see if the Town will vote to raise and appropriate the sum of \$1,152.16 to reimburse the treasurer for over-expenditure on summer maintenance of highways and bridges.

Report of Superintendent

To the School Board of Jackson:

The school was greatly improved last summer by refinishing the floors, rewiring and installing new lights. The pupils have the advantage this year of a Music Supervisor, Miss Golden E. May, once each week. You, as a school board, and the people of Jackson have made possible better educational opportunities for the elementary pupils.

This year, as the result of the new State Aid Law, the Jackson School District received \$517.86 from State funds. This is only a part of the increased cost of the school. This State money is granted for the support of both elementary and high school education.

The PTA has given playground equipment, and is helping to finance milk for each child in cooperation with the Federal School Lunch Program.

The teachers this year are Mr. John Miner of Springfield, Massachusetts, teacher of grades 5-8, and educated at Boston University; and Miss Judith Rogers of South Euclid, Ohio, teacher of grades 1-4, and educated at Haffins College, Virginia and Wheelock College, Boston, Massachusetts. There are 11 pupils in grades 5-8, and 17 in grades 1-4.

The pupils attending Fryeburg Academy are:

Raymond Abbott

Eleanor Davis

Carmon Davis

Joyce Davis

Ann Tibbett

The pupils attending Kennett High School are:

Lois Flint
 Maurice Barrows
 Glorie Dubie
 Chester Hayes
 Rita Hodge

When money is available, the building needs to be painted, and some new seats purchased, especially for the primary room.

I appreciate the efforts which you and the teachers have made to provide a good educational program for the boys and girls of Jackson.

Respectfully submitted,

HAMMOND YOUNG
