ORGANIZATION OF CITY GOVERNMENT.

Tuesday, January 6, 1920.

The members of the city government for the municipal year of 1920, having met for organization, agreably to the provisions of the city charter, the convention was called to order by His Honor Mayor Watson, at ten o'clock in the forenoon.

Hon. Orville E. Cain announced that William H. Watson, having been officially notified of his election to the office of mayor for the current municipal term, was present for the purpose of taking the oath of office. The oath of office by law prescribed was administered to the mayor-elect, William H. Watson, by Hon. Orville E. Cain, who then introduced him to the Aldermen and Councilmen and to the citizens who were present.

After roll-call by the clerk, His Honor Mayor Watson administered the oath of office to the following named members of the boards of aldermen and councilmen, to wit:

BOARD OF ALDERMEN.
Ward 1.—Benjamin P. Hopkins.
Ward 2.—Elbridge H. Ingalls.
Ward 3.—Charles E. Adams.
Ward 4.—Renouf Russell.
Ward 5.—Willie A. Dodge.
Prayer was then offered by the Rev. Austin H. Reed, as follows:

Almighty God whose kingdom is everlasting and power infinite; who art the fountain of wisdom and whose word is law: we beg Thy guidance and blessing upon those who have the governance over us in this city; give to him who has been chosen as the head of our municipal government a generous portion of Thy Spirit, and grant truth and justice may rule in all of the deliberations of those in authority, and that their decisions may promote Thy glory and the true welfare of the people of this city.

Bless and prosper, Oh Lord, the people, the schools, the industries and the Churches of this town. Restrain class hatred,
oppression and lawlessness and promote in our midst unselfishness, freedom, true patriotism, and an unbounded love for Thee and all mankind.

This we ask through the merits, and in the name of Jesus Christ our Lord and Leader. Amen.

After the prayer Mayor Watson delivered his inaugural address. Frank H. Whitcomb was elected city clerk and Charles S. Wright city messenger and the councils then adjourned until 7.30 o'clock.

At 7.30 o'clock in the evening the common council organized by the choice of Waldo W. Buckminster as president and Harry E. Gale, clerk.
THE MAYOR'S ADDRESS.

To the Honorable City Councils and Citizens:

Another year has passed into history and we are met to usher in a new municipal year, to take the oath of our respective offices and to organize our legislative and administrative civic body.

Chosen by our citizens, we have by our oaths now taken pledged ourselves to give our best in talent, time, and endeavor to the business of the city.

At this time I wish to extend to those who were in the councils during the past year, my personal appreciation of the earnest and untiring efforts of every one of you and to commend the good feeling and harmony shown in your relations with each other in dealing with the city affairs throughout the past year. We who are but renewing our offices, heartily welcome the new members and look forward to a year of useful labor.

A general review of the condition of affairs under the heads of the various departments of the city, is profitable at this time and recommendations for the consideration of the councils will be submitted for your earnest consideration.

Finance.

An examination of the city reports gives us in a clear and concise form the financial condition of our city and our citizens may by an examination of the following statement obtain a general understanding of the methods of grouping expenditures and the relative cost of the various departments.
Statement of the Disbursements of the Financial Year Ending December 1, 1919.

General government expenses, salaries, city hall, municipal court $17,465.66
Protection of persons and property, police, fire department, etc 23,459.57
Health department, hospitals, vital statistics 2,490.11
Highways, bridges, street lights, sprinkling streets 70,445.84
Education, schools and library 100,106.41
Charities 10,177.12
Patriotic purposes 1,456.20
Recreations, parks, playgrounds, band concerts 2,227.22
Public service enterprises, water, drains, cemeteries 32,385.73
Interest on bonded debt and annuity 4,368.32
Permanent improvements, Monadnock road 8,173.33
Payment on indebtedness, bonds, investment 9,950.00
Payments to state and county, taxes and the governmental divisions 101,997.60

$384,703.11

An increase in the amounts of practically all the items over the expenditures of last year can be noticed, particularly in the item of state taxes, which is double the amount paid in taxes to the state in previous years.

The following summary of the financial condition is deserving of study:

Assets:
Cash on hand in the treasury $48,287.44
Uncollected taxes and assessments 50,546.59

Total assets $98,834.03
Liabilities:
City orders outstanding .................................. $ 1,618.05
Balance due Union School District ..................... 15,000.00
Highway bonds, loan of 1914 ............................. 12,000.00
Highway and bridge bonds, loan of 1915 ............... 15,000.00
Refunding bonds, loan of 1916 .......................... 50,000.00
City cemetery notes ...................................... 7,094.92

Total liabilities ........................................ $100,712.97
Total assets .............................................. 98,834.03

Net debt, (excess of liabilities over assets) ......... $ 1,878.94
Net city debt, 1918 ...................................... 37,161.95
Net city debt, 1919 ...................................... 1,878.94

Decrease of debt (as compared with previous year)$ 35,283.01

The increase in the state tax paid by the city will without doubt continue for some years and this, together with the general increase in cost of operating in all departments will necessitate the raising of a larger amount by taxation the coming year.

The showing in regard to the reduction of over $35,000 in the net city debt for the year is especially gratifying.

It may be of interest to note the net value of the property belonging to the city, which in round number is as follows:
Property owned by the city .............................. $500,000.00
Bonded indebtedness ..................................... 75,000.00

Net value .................................................. $425,000.00
Schools.

The consideration of the financial side of our schools which are administered by the Union School District is of value in that nearly one-third of all the money raised by taxation in our city is expended through the schools in preparing our children for life and citizenship.

During the past year by vote of the Union School District the contract with the Normal School to educate our grade school pupils was renewed for a further period of five years. In view of the fact that under the contract the amount paid per pupil increases with the increase in average cost per pupil in the cities of the state; and taking into consideration the further fact that there has been an increase in number of over a hundred pupils in the grade schools this year, there will be an increase in cost of our grade schools of more than $12,000. The new educational bill passed recently by the state legislature requires a net payment this year to the State Educational Board of more than $4,000, which coupled with the increase in salary granted to the teachers in the High School of about $2,000 a year, it can readily be seen that the city will be forced to raise a considerable amount for educational purposes over previous years.

The net value of the property of the Union School District has been increased by $16,500 during the past year by the payment of $6,500 of Wheelock School bonds and $10,000 of the High School bonds.

Highway Department.

In the Highway Department wages were increased and materials and supplies were necessarily higher. In conjunction with the State and Federal aid, a good start was made on a permanent highway in West Keene, the Monadnock Road, so-called.

When we look over the cost of this department we must
take into consideration that there are over a hundred miles of highway within the city limits to be cared for and that to this department is turned over the care and over-sight of work not embraced in the construction and maintenance of highways. The cost in caring for our city trees alone imposed a heavy burden on this department during the past year. In this connection it may be noted that a high power spraying outfit has been purchased and I recommend that an adequate appropriation be made for labor and supplies to thoroughly spray and care for our fine shade trees.

It seems to me that it would be a good business policy for this city government to adopt a constructive plan of yearly highway improvement projects of a permanent type, adding each year a certain amount of good pavement on each of our main thoroughfares.

The heavy auto truck traffic which probably has not as yet reached the limit of development, calls not only for heavier road construction but heavier bridge construction and some permanent bridge work will have to be done this year.

**Water Department.**

This department is in a very satisfactory financial state. The condition of plant and equipment shows very efficient management.

Timber to the value of more than $15,000 has been sold from the Roxbury water-shed and additional land has been purchased sloping toward Roaring Brook.

The recent occurrence of fires in business blocks and manufacturing plants should bring forcibly to our attention the need of some method of maintaining a proper water pressure when many streams are being drawn from our water system, and I recommend that you give this matter your earnest consideration.
Fire Department.

This department has maintained its usual standard of efficiency and during the past year has made a remarkably good record in lessening the fire loss in our city. I will refer you to the recommendations for this department made by the Chief Engineer.

Police Department.

Under the management and control of the Police Commissioners this department has been well maintained.

The entire board of commissioners retires at this time and individually they are to be commended for their untiring efforts throughout their terms of office to maintain an efficient force.

Health Department.

The Board of Health has been especially conscientious in its work and throughout the year has successfully labored to better the health condition of our city.

Poor Department.

In spite of the enormous increase in the cost of all necessaries of life, this department has made a fine showing. No meritorious request for help has been denied so far as I have been able to learn.

Conclusion

We are now come to a critical period in the matter of demands for greater expenditures due to increase in cost of labor and supplies. In our position as trustees of the public funds we should exercise great care to receive full value for the city’s money. We must remember, however, that the citizens will not be content with a penurious attitude on the part of the
councils, but that they will insist upon and ought to expect, that we furnish the city with adequate maintenance and improvement but at a minimum expense.

The citizens by their votes have shown their full confidence in you and I can say that I can rely on your utmost support for an economical and businesslike administration of the affairs of the city for the coming year.

and that the sum of one hundred thousand dollars be raised by taxation the present year.

To the Mayor and City Councils of the City of Keene:

Respectfully represents the undersigned that it is about to purchase from the Keene Development Company a tract of land on the northerly side of Marlboro Street in said Keene and known as the Emmonds land, and that it is its intention to erect thereon certain buildings to be used in the carrying on of its business of manufacturing shoes, said buildings to be a one or two story brick building of modern construction, and a power
plant, to install machinery and carry on therein the business of the manufacture of shoes.

Wherefore it requests that you exempt the land, the buildings to be erected thereon, as stated above, the machinery to be used therein, the stock in trade and the invested capital from taxation, except state and county taxes, for a period of ten years next ensuing.

W. H. McELWAIN COMPANY,
By Clifford R. Warren, Secretary.

Dated at Boston, Massachusetts, this 11th day of February, 1920.

A JOINT RESOLUTION relating to exemption.

Resolved by the City Councils of the city of Keene, as follows:

Whereas, the W. H. McElwain Company has petitioned the City of Keene for an exemption from taxation on its land, buildings to be erected thereon, stock in trade, machinery and capital to be invested in its business of manufacturing shoes, it is hereby resolved that said land, the buildings to be erected thereon, stock in trade, machinery and capital to be invested be exempt from taxes, except state and county taxes, for a period of ten years from April 1, 1920.

AN ORDINANCE.

Be it ordained by the City Councils of the City of Keene, as follows:

That section 3, Chapter 8 of the City Ordinances be amended by striking out the words "Forty seven" on the second line of said section, and substituting therefor, the words
"Seventy two," and be further amended by striking out the words "Thirty five" in the twelfth line of said section, and substituting therefor the word "Fifty" so that said section shall read, when amended, as follows:

Each member of every company in the fire department shall receive for his services at the rate of seventy-two dollars per year in addition to the sum allowed by law; but no member shall be paid for less than three months' service, unless sooner discharged from his company by the proper authority, for cause other than his own request, nor unless he shall have performed his duties in a manner satisfactory to the company officer, and responded to all calls made upon him, or given satisfactory excuse for any failure to do so. In addition to the foregoing compensation, each fireman, or other person, who, under the direction of the board of engineers, answers a telephone or still alarm, not exceeding four persons, or performs service at a brush fire, shall receive fifty cents per hour in full payment for such service. The names of such persons as may perform the foregoing services, with the place visited, time employed, and compensation due, set opposite their respective names, shall be certified within fifteen days from the end of the month, as a pay-roll by the clerk of the board of engineers to the city clerk, who shall certify the same to the auditor and disburse the amount specified to the employees, taking their receipt therefor.

This ordinance shall take effect April 1st, 1920.

AN ORDINANCE.

Be it ordained by the City Councils of the City of Keene, as follows:

That section 13, of Chapter 23, of the City Ordinances be
amended by striking out the words "Two hundred" in the second line, and substituting therefore, the words "Three hundred," and be it further amended by striking out the words "One hundred and twenty five" in the third line, and substituting therefore, the words "One hundred and seventy five," and be it further amended by striking out the words "One hundred" and substituting the words "One hundred and fifty," so that said section when amended, shall read as follows:

Passed April 1, 1920.

Be it remembered, that I, John A. Drummer of Keene in the County of Cheshire and State of New Hampshire, being of a sound mind and memory, do make this my last will and testament in manner following, viz:—
After all my just debts and funeral charges are paid I give bequeath and devise all my estate both real and personal as follows,

First. To the City of Keene the sum of One Hundred Dollars in trust, the income thereof used and expended annually in keeping my burial lot in Woodland Cemetery in good and suitable condition, and also the Lot of my son Charles H. Drummer in said cemetery.

Second. To my two Grand Children, Mary A. Stearns and Linn E. Drummer the sum of two thousand Dollars each, to remain in hands of my Executor during their lives, and the interest or income thereof to be paid to them annually, but in case of sickness or misfortune, my Executor may pay over and use such part of the principal as he may judge necessary from time to time, for their relief, and at decease of my wife Sarah J. Drummer they are to have the income of Two Thousand Dollars more, to each of them, to remain in hands of my Executor during life, same as the first two thousand, and in case of death—either of them the same income is to go to their children, unless they leave a widow, in which case she shall hold the same while she remains his widow, but if they leave no widow or children, the remaining Grand Child is to have the income of the whole principal, and at the decease of both Grand Children, the whole principal is to go to the Great Grand children equally.

Third. To my beloved wife Sarah J. Drummer the sum of One Hundred Dollars to be paid as soon as may be after my decease, for her present use, and all my Household Furniture, Wood, Hay, Grain and provisions on hand at my decease, with the privilege of getting her firewood off from either of my three lots in north part of said Keene, Viz: Appleton lot, Keyes, or Holman lot, (so called) said lots not to be sold, but at decease of my said wife, to go to and be the property of the City of Keene in trust the income thereof, after paying taxes and other expenses thereon, the income to be divided among
the poor of Keene same as the Simmons and Eastburn fund is divided, I give also to my said wife the use and income of my homestead place for and during her natural life, to occupy or rent as she may choose, also the use and income of all my personal and real estate of every description during life, except what is otherwise bequeathed, she paying taxes assessed thereon, and insurance and keeping Buildings in repair.

Fourth. I give and bequeath to the Beaver Brook Lodge No. 36 of the Independant Order of Odd Fellows of Keene the sum of Five Hundred Dollars as a Building Fund, but not to be paid to them until after the decease of my said wife.

Fifth. To the Elliot Hospital in said Keene the sum of Two Hundred Dollars to be paid to them after the decease of my said wife.

Sixth. As to the residue and remainder of my estate (if there should be any) of every description I give and bequeath and devise to the Elliot Hospital one half and to the Beaver Brook Lodge No. 36, the other half, if they are in good standing at the time.

Seventh. I hereby authorize my Executor to sell and convey any or all my personal or real estate at the proper time, without license from the Judge of Probate, and I do hereby appoint and constitute Leonard Wellington of Keene, Sole Executor of this my last will and testament, revoking all former wills by me made.

In witness whereof I hereunto set my hand and seal this tenth day of June A. D. 1896.

J. A. DRUMMER, (Seal).

Signed sealed and declared by said John A. Drummer as his last will and testament in presence of us, who at his request, in his presence and in presence of each other subscribed our names as witnesses thereto.

To the City Councils of Keene, N. H.

In the will of the late Nancy A. Wright of which Edwin D. Hayward is appointed Executor, are the following legacies.
Fourth. I order and direct that so much of the sum of two hundred dollars shall be expended as is necessary to give me a suitable burial and I direct my executor, hereinafter named, to place and erect suitable grave stones at my grave and at the grave of my sister, Carrie M. Richardson, in Greenlawn Cemetery.

Fifth. I give and bequeath to the City of Keene the sum of one hundred dollars, the same to be held in trust and the income therefrom used for the perpetual care of the burial lot in said Keene where I am buried. I give to the Town of Jaffrey, New Hampshire, the sum of fifty dollars to be held in trust and the income therefrom to be used for the perpetual care of the burial lot where my father and mother are buried.

Sixth. I order and direct that in case there is not sufficient money in my estate to pay all the foregoing legacies that legacies one and two shall abate first and that legacy three shall abate and then legacies four and five.

All legacies are now abated excepting the above mentioned, fourth and fifth, on account of insufficient funds. After paying cost of administration, funeral and last sickness bills, there will be left in above Estate about ninety dollars, with which the Executor would like to buy two grave stones as provided in legacy four. The Executor would like to have the City of Keene relinquish all claim that it may have in said Nancy A. Wright's Estate.

The same request will be made to the Town of Jaffrey.

EDWIN D. HAYWARD,
Executor.

ITEMS OF INTEREST.

The Keene Water Works were established and have been extended from time to time by authority of a charter from the legislature of New Hampshire, granted July 3, 1861, and amendments thereto dated June 24, 1868.

The first contract was made with the Patent Water and Gas Pipe Co., of New Jersey, Sept. 3, 1868.

Water was let into the system November, 1869.

1872.

Beech Hill reservoir was built and connected with the system.

1882.

The Waring system of sewers was adopted and turned over to the city in 1883.

1886.

The Roxbury supply was brought into the city via Beech Hill.

1890.

The first meters were installed.

1891.

Ten and one-half miles of cement lined pipe were replaced with cast iron. There remains in service (1916) 7,047 feet in Court St., 400 in Roxbury St., and 186 in West St.
1902.

Additional water from Roxbury was brought into the city via South Keene.

1908.

The Board of Water Commissioners was abolished by the city councils.

1910.

The dam at Echo Lake was rebuilt, raising the water in the lake six feet.

1914.

The meter system was adopted and all services ordered metered.

1917.

Guards maintained at Echo Lake for three months.

ALTITUDES OF THE LAKES, DAMS AND PIPE LINES OF THE KEENE WATER WORKS.

City Clerk.

REPORT OF THE CITY MESSENGER.

To His Honor the Mayor and the City Councils:

I submit my third annual report as City Messenger and Janitor of City Hall building, for the year ending December 1, 1920. Receipts for the rental of City Hall during the year amount to the sum of $3,122.04 which has been deposited with the City Treasurer and the vouchers returned to the City Clerk. In addition to this amount the City Treasurer received $25.00 from the state as rent of City Hall for the Normal School June 15, 1920. Total receipts for City Hall $3,147.04. I also deposited $15.79 for boiler flues sold to City Water Works.

Statement of each month's receipts as follows:

December, 1919, $188 00
January, 1920, 387 00
February, 77 00
March, 416 00
April, 456 29
May, 291 25
June, 57 00
July, 25 00
August, 81 00
September, 194 00
October, 465 00
November, 484 00
Receipts for the rental of Hall making a gain of $1,526.63 over the receipts of the year 1919. This is the largest revenue ever received from the rent of City Hall.

The hall has been used on occasions of public interest, free of charge.

The constant use of the hall requires a great deal of additional work which has been done with as little expense as possible in this time of high prices.

The scenery of the hall is in very bad shape and I would urge that new scenery be purchased and that the interior of the hall be renovated.

I wish to thank Mayor Watson and the different City Committees for advice and courtesies extended to me this year.

Respectfully submitted,

CHARLES S. WRIGHT,
City Messenger.

Island street bridge was badly damaged by two heavy trucks passing at the same time. The truck drivers disregarded the notices stating that the bridge was safe for one slowly moving 5-ton load at a time.

A bill of $234.05 has been presented against the "Tri Borough Auto Service Company for repairs. The matter of settlement is in the hands of the City Solicitor.

The Mayor and Bridge committee have made a contract with The Groton Bridge Company to erect a new steel bridge at Island street to be completed by Oct. 1, 1921.

The contract is for a modified duplicate of Winchester street bridge strengthened to carry two 15-ton trucks with both loads on one floor beam as may happen when trucks meet. The abutments are to be enlarged and strengthened. The plans for abutments were prepared in the department office.

REPORT OF PARK COMMISSIONER.

To His Honor, the Mayor, and Gentlemen of the City Councils:

The work of trimming trees and clearing out underbrush in Wheelock Park was continued this year, most of the work being done at the eastern end of the park in the fifteen acre tract last donated by Mr. Wheelock, where no clearing had ever been done before. The whole area has now been quite thoroughly gone over and a moderate outlay each year will keep this park in good condition. A number of large pines, partially decayed, were cut last winter and sold at the mill. Others are to be taken out during the present winter.

The one hundred thirty-five acre tract off upper Elm Street, conveyed to the city under the will of the late John A. Drummer, was placed early in the season in charge of the park commissioner, and a small income has been derived from its use as a pasture. This land is found well covered with pines ranging from seedlings to those of marketable size. Of the latter, a great number are large trees suitable for the mill.

Some needed repairs have been made to the drives and paths in Robin Hood Forest and they are now in passable condition,

Respectfully submitted,

GEORGE A. LITCHFIELD,
Park Commissioner.

Influenza became epidemic about Jan. 22, 1920 and it was necessary to open an emergency hospital; the Elks Home was offered by that society and maintained until the crisis was over. The Red Cross volunteered to do all in their power and their help was very effective. The City is under great obligations to the Red Cross, B. P. O. E., and many citizens for help and advice during the epidemic.
At the present time the city is free from disease, a few cases of Chicken Pox being the only communicable disease.

All houses and rooms affected were fumigated, and in several instances bedding and clothes were taken to the incinerator and burnt.

76 complaints were investigated and where conditions were found to be in an unsanitary condition, they were corrected.

The increase in cases of tuberculosis is due to the clinic established early in the season, when a survey of the city brought to light many cases, some doubtful and others positive.

Physicians and parents have been negligent in reporting communicable diseases. Their attention is hereby called to the penalty of such neglect—and are warned that action will be taken by the Board of Health to enforce all statute laws and the rules and regulations of the State Board of Health.

REPORT OF FOOD INSPECTOR.

To His Honor the Mayor and Gentlemen of the City Council:

The Board of Health respectfully submit the following report of the food inspector.

PAUL F. BABBIDGE,
Secretary.

August 31, 1920.

Board of Health,
City of Keene, N. H.
Gentlemen:

I hereby submit my report as food inspector for the city of Keene, from September 1, 1919 to August 31, 1920.

I have visited fifty-two stables and dairies and passed upon their sanitation and cleanliness.

Three hundred and eighty-seven cows have been physically examined for tuberculosis, or other contagious or infectious disease. In general the conditions appear improved upon over the preceding year.

Restaurants have been visited and inspected as heretofore.

Respectfully submitted,

F. V. DEDERICK, D. V. M.
REPORT OF TRUSTEES OF KEENE PUBLIC LIBRARY.

To the Honorable Mayor and City Councils:

Gentlemen:

The Trustees of the Keene Public Library submit the following report:

During the year needed repairs have been made on the exterior of the Library building, the stack room has been repainted and refinished and a large section of glass which was damaged by the ice and snow of last winter has been replaced in the skylight. The trees on the grounds have been trimmed and cared for.

An added expense in the maintenance of the library has been caused by the purchase of a new boiler—the old one being past repair—and increases in the salaries of the employees. It was found very difficult to obtain a permanent third assistant but the trustees were fortunate in securing the services of Miss Dorothy Reed for the summer. She did excellent work and much repairing of books, mounting of pictures and progress on the Juvenile Catalogue resulted.

In September the trustees engaged Mrs. Lena Craigin Bishop as third assistant, and she is especially helpful in work with the children. Not having a children's room Miss Saxton, the librarian, is making special effort to do as much for the...
children as possible. She has again carried through the "Summer Vacation Reading Club" most successfully, and during the children's week she arranged a splendid exhibit of Juvenile books in the Entrance Hall. The trustees thought it desirable to send Miss Saxton to the New England meeting of the Library Association, held at the Isles of Shoals the first week in July, and to the annual meeting of the New Hampshire Library Association held at Concord. The expenses being met from the interest of the Thayer fund. Two hundred dollars from the interest of the fund was appropriated for the purchase of books to be marked, "From the Thayer fund."

The library was closed for a week, by order of the Board of Health, during the epidemic of influenza in the early spring. This accounts for a slight decrease in the circulation.

The work of the librarian and assistants has been up to its usual high standard of excellence and has been greatly to the satisfaction of the trustees. The trustees recommend an increase in the amount of money appropriated for the purchase of books, the popular demand for new fiction having for the past two years greatly exceeded the possible supply from available funds.

Further statistics may be found in the librarian's report hereto appended.

MARY A. A. PRENTISS,
Secretary.
REPORT OF THE LIBRARIAN.

To the Board of Trustees of the Keene Public Library:

The report of the librarian for the year 1919-1920 is here-with presented:

The library has been facing rather difficult conditions but the year closes with quite a satisfactory record of work and accomplishment.

From January to August, we were seeking a new assistant and in the meantime employing students and during the summer vacation period, a teacher substitute to help us. Time and care were required to teach them the necessary details, that the service to the public might not be impaired. All proved agreeable and efficient workers in the particular duties required of them.

Increased prices have affected the library as every other branch of life and industry. Although an additional appropriation was granted by the city for the book fund, it proved inadequate and for several months no new books were purchased except some current fiction which could be paid for by the money received from fines. The display shelf of new non-fiction lost its customary attractiveness and interest, while the request for recent fiction from all classes of readers, even children, has been so insistent that the seven-day shelf is cleared of its volumes as soon as they are placed upon it, and often offers practically nothing unread to the habitual borrowers of the latest
books. Indeed it is doubtful, if, considering this universal demand for current fiction, any public library can satisfy the demand without the aid of a duplicate pay collection. The gift from the Thayer Trustees' fund has enabled us to buy some of the expensive but much needed new books for the fall and winter's reading. With these additional sums, however, the number of new books added this year is 100 less than last. Ninety-three new titles of fiction were added. These facts will plead for themselves the need of an increased appropriation for books in the coming year.

In February, the midst of the busiest season, the library was closed six days on account of the influenza.

During the summer the work of classifying and filing the picture collection was completed, the duplicating of the children's catalog gotten well under way and the travel table supplied with new, attractive and useful folders which were of service not alone to our own borrowers but also to visitors. A collection of material on the industries of the country was begun and now includes many pamphlets, some posters with exhibits showing the processes in the manufacture of silk, cotton and woolen goods. This required the writing of many postals and letters and the expenditure of small sums of money but it will prove the nucleus of a commercial geography source of great use to teachers.

After the opening of the schools, letters were written to the principals of each building that all the teachers might be sure of knowing of the school collection, pictures, etc.

Library conferences with the entering class of the Normal school have been started this year with groups of about twenty students.

The invitation of the trustees and librarian to the members of the Normal Summer school to use the library was responded to by a very large number and the privilege apparently much enjoyed.

While fewer new books were being purchased, a "Read-a
bit" table was arranged on which good old books were displayed. The books were frequently changed and it is thought a good many readers found books of especial interest to them.

The present facilities do not enable the library to do for the children all that is desirable. We were, therefore, very glad to participate in the celebration of "Children's Good Book Week," now an established custom throughout the country observed by publishers, booksellers and libraries. The library exhibit of fresh copies of juvenile books, both new and old, while it failed to attract as many mothers as we had hoped, proved of great interest to the young people themselves. Interest in vacation reading was stimulated during the summer by the formation of a nature club, the members of which met to tell each other stories from the books read, to enjoy nature walks and the dramatization of nature myths as well as stories told by the club leaders. Two story-hours were held for the Vacation Readers, one in midsummer and one in the fall when certificates were given to those who had read the required number of books from the lists. Music and games were also enjoyed. We are indebted to Mrs. Fanny Brewster and Mrs. George Doucounes who delighted the children with their stories on these occasions.

Thirty-seven books and magazine subscriptions for the coming year have been paid for from the special funds.

The librarian attended the meeting of the New England library association at the Isles of Shoals in July, also the state meeting at Concord in September. At the latter, there was an opportunity to choose books which the A. L. A. was distributing from camp libraries now discontinued. About 20 books of recent date, mostly technical, which we could hardly afford to buy but which are proving really useful, were selected.

Again the librarian is glad to express her appreciation for suggestion and loyal help from trustees and assistants.

REPORT OF SUPERINTENDENT OF CEMETERIES.

To His Honor the Mayor and Gentlemen of the City Councils:

The undersigned respectfully presents the report of the Cemetery Department for the year ending Nov. 30, 1920.

The extremely heavy snow-fall of last winter was a real test of the efficiency of the department, which was, however, well met, as all avenues were promptly opened after each storm, and no part of the cemeteries was at any time inaccessible if burial was preferred to entombment.

There were however a much larger number than usual placed in the tomb, taxing its capacity beyond the limit to which it is adapted, and emphasizing the need of a more adequate receiving vault or tomb.

The handling of the deep snow kept the workmen busy, and also prevented to a large extent the removal and trimming of trees that is usually done each winter, one of the trees that was to have been removed has since blown down, fortunately without doing damage.

The activities of the spring season were delayed by the frost remaining in the ground much later than usual, nevertheless a very good season’s work has been accomplished.

It may be noted that the past summer is the first in nearly thirty years, at least, in which the grass has been constantly green in all parts of the cemeteries, throughout the entire season, and kept growing well into October. This of course made extra mowing.
There are now approximately two hundred and seventy-five lots receiving annual care, and nearly two hundred and fifty lots receive the perpetual care provided by the interest from trust funds.

Several lots of the latter class, for which the fund is adequate, have been resurfaced and the monumental work cleaned and repaired.

One hundred and fifty-three permits for burial or removal have been received. Thirty-nine family lots and four single graves have been sold.

The rapidity with which the lots that were improved last year were being taken made it evident that further work of the same kind was needed this year, and a considerable amount has been done.

There have been some fifty or more lots resurfaced for the owners, or graded and completed ready for sale. In addition to this several unsightly places have been surfaced with loam and seeded. A stand-pipe has been placed on the westerly side of Terrace Avenue for the convenience of adjacent lot owners, for which many have expressed their appreciation.

The ditches in the low lands, between Woodland and the N. E. Div. have been thoroughly cleaned out, but are not as effective as they should be, apparently because of the need of lowering the bed of Beaver Brook.

At the present time the wire fences are receiving attention and will be put in good conditions as fast as circumstances will permit.

The coming year a good deal of work is needed on the present avenues, and some new ones should be made, and I would recommend provision be made for this purpose.

While the receipts of the department are the largest in its history, the expenses are undoubtedly greater in proportion, owing to the increased cost of labor and all materials, while the income is to a more or less extent stationary.

I wish to thank you, Gentlemen; for your expression of
confidence, and for your interest and cooperation in the welfare of this department.

An itemized account of my receipts for the year follows:

Dec. 1919. Sexton work, $64.00; labor, $33.50; loam, $15.00; fertilizer, $3.00; grass seed, $1.00; care of lots, $409.00; collected on lots sold, $80.00.

Jan. 1920. Sexton work, $80.00; labor, $51.00; loam, $10.00; fertilizer, $2.00; grass seed, $1.00; care of lots, $135.50; collected on lots sold, $90.00.

Feb. 1920. Sexton work, $52.00; labor, $6.00; grass seed, $0.75; fertilizer, $1.50; care of lots, $27.00; collected on lots sold, $180.00.

Mar. 1920. Sexton work, $84.00; labor, $26.00; loam, $25.75; fertilizer, $3.50; grass seed, $1.75; care of lots, $37.00; collected on lots sold, $24.00.

April 1920. Sexton work, $228.00; labor, $14.00; loam, $10.00; fertilizer, $2.00; grass seed, $1.00; care of lots, $17.00; collected on lots sold, $200.00.

May 1920. Sexton work, $188.00; labor, $24.70; loam, $0.50; fertilizer, $2.75; grass seed, $1.50; care of lots, $60.00; collected on lots sold, $377.00.

June 1920. Sexton work, $93.00; labor, $8.50; care of lots, $14.00; collected on lots sold, $286.00.
July 1920. Sexton work, $113.00; labor, $8.50; care of lots, $5.00; collected on lots sold, $178.00.

Aug. 1920. Sexton work, $71.00; care of lots, $5.50; collected on lots sold, $340.00.

Sept. 1920. Sexton work, $69.95; labor, $125.00; loam, $62.50; fertilizer, $12.50; filling and sods, $28.50; grass seed, $6.50; collected on lots sold, $199.00.

Oct. 1920. Sexton work, $97.00; labor, $70.50; loam, $73.50; fertilizer, $10.00; grass seed, $4.50; care of lots, $33.00; collected on lots sold, $130.00.

Nov. 1920. Sexton work, $60.00; labor, $98.50; loam, $59.50; fertilizer, $15.00; grass seed, $7.00; care of lots, $9.00; collected on lots sold, $151.00.

Total for the year, $5,015.65

These several amounts have been deposited with the city treasurer, and I am in possession of the vouchers for the same.

LAURA E. MASON,
Superintendent.

REPORT OF CITY PLAYGROUNDS DIRECTOR.

To His Honor the Mayor:

On August 27th over two hundred children together with parents and friends attended the closing day at the City Playground in Wheelock Park. The season this year was of but five weeks duration and in that short time nearly two thousand children were cared for at the Park. The ages of the children ranged from three to sixteen years with a noticeable increase of those who were below seven years of age.

Respectfully submitted,

GERTRUDE K. McCUSHING.
REPORT OF CITY SOLICITOR.

To His Honor the Mayor and Gentlemen of the City Councils:

As Solicitor for the City, I beg leave to submit the following report:

I have attended to all matters that have been brought to my attention during the year.

Seventy-four complaints have been prosecuted before the Municipal Court for offenses against the Police Laws and City Ordnances, and proper disposition of same has been made.

I have advised city officials on different questions as requested, and have also furnished written opinions when asked for.

There will be introduced in the next General Court a bill providing that the City and those towns in the County which overpaid their share of the county taxes for the years 1911 to 1916, inclusive, may be reimbursed. We hope that the various representatives from the County will see the justice of this and will cooperate in its passage.

The following cases, in which the City is a party, are now pending in the Superior Court:

No. 5. Equity. Boston & Maine Railroad vs. City of Keene.

This is the same case mentioned in last year's report, on which nothing was done. I have conferred with the counsel for
the railroad for disposition of same, but as yet the case has neither been transferred to the Superior Court nor dismissed.

**No. 80 and 194. Equity. City of Keene vs. Town of Roxbury; and No. 191. Equity. City of Keene vs. Town of Nelson.**

These are petitions in which the City asks for abatement of taxes on land owned by the City in said towns, and used for water conservation. I understand that the defendant towns intend to transfer the construction of the Statute of 1911 to the Supreme Court. This has not yet been done.

**No. 128. Equity. William C. Coughlin vs. City of Keene.**

This is a petition for an assessment of damages caused to the plaintiff's farm by reason of the discontinuance of a part of Appleton Street as a highway. This matter, under the usual rules, was referred to the County Commissioners. Messrs. Norwood and Davis did not sit with the Commissioners, and Messrs. D. R. Cole and Forrest G. Hall were appointed by the Court to act in their stead, with Commissioner Wellman. The matter was heard during the past summer by the Commissioners. They reported an assessment of damages of $4,500.00. Mr. Coughlin has declined to accept this amount, and has moved the Court for a trial by jury. This matter will probably be in order for trial in our coming April term of court.

**No. 560. Civil. City of Keene vs. Tri-Borough Auto Service Company.**

This is an action against the defendant for driving over and upon the Island Street Bridge with auto trucks of excessive weight, by which the bridge was damaged. The matter was continued until the next term, but we expect a settlement by the defendant for the damages incurred.
The Solicitor also appeared before the Public Service Commission at a public meeting held in Keene in regard to the increase of gas rates, and has on two different occasions attended hearings before the Public Service Commission at Concord in relation to the petition of the Keene Electric Railway Company for abatement of taxes, and also in relation to the petition of the Keene Gas & Electric Company for an increase of rates for gas.

Respectfully submitted,

JOSEPH MADDEN,
City Solicitor.

REPORT OF OVERSEER OF POOR.

To His Honor the Mayor and Gentlemen of the City Councils:

I hereby submit the annual report for the year ending December 1st, 1920.

In behalf of the City and County, I want to thank the Red Cross, Bureau of Public Service, and all other societies and clubs who have in a great many ways helped to improve the condition and comfort of many families; also, Miss Richardson and Mrs. Powers for their services in improving the condition in families—especially where there are children.

During the year I have collected in reimbursements for the City and County six hundred and fifty-seven dollars ($657). This money was obtained by having a conservator or guardian appointed for people who had an equity in property but for various reasons were unable to get ready money on same, which I find it not only a saving to the County and City, but provides the temporary relief for the applicant.

During the year I have furnished aid to City and County dependents; also dependent soldiers and their families as follows:

CITY DEPENDENTS.

Mrs. Charles Farnum, $50 00
Martha J. Marden, 72 00
Isaac Longeover, 1 25
Flora Lettenmeyer, 120 00
George C. Mason, 120 00
Rhoda Burpee, 192 00
Catharine Cheever, 200 00
Mrs. Joseph David, 48 00

$803 25

CITY DEPENDENT SOLDIERS AND THEIR FAMILIES.

Mary Graves, $180 00
Lucretia Cummings, 3 13
Mrs. James Leach, 27 13
Mrs. Michael Gorman, 50 00
Mary St. John, 75 00

Keene, N. H., July 1, 1920.
REPORT OF CHIEF ENGINEER OF FIRE DEPARTMENT AND CITY ELECTRICIAN.

To His Honor the Mayor and Gentlemen of the City Councils:

As required by the City ordinance governing the fire department, I herewith submit my report for the year ending November 30, 1920.

The department has responded to the following alarms, 17 bell alarms, 132 still alarms and 3 out of town calls making a total of 152 alarms. The department has responded to more fire calls this year than in any other year in the history of the city. A great number of these still alarms would have been bell alarms but for the quick response of our Motor Combination Chemical.

On October 4, 1920 the new Motor Ladder Truck arrived at the fire station and on Oct. 9th was accepted by the Fire Department Committee. On Oct. 11th the new truck was placed in service at 7.30 p. m. taken to Beaver Mills where the ladder and chemical tanks were tried out. The new truck which is a Mack Motor Ladder truck of 40 horse power carries 240 ft. of ladders, 600 ft. of 2½ in. fire hose, one 40 gal. chemical tank with 200 ft. of chemical hose, two 3 gal. chemical tanks, one door opener, 2 axes, 2 bars, 2 hay forks, 2 shovels, 1 tin roof
cutter and 2 plaster hooks. This new piece of fire apparatus
is a great addition to the department as it will be able to re-
respond to alarms more quickly than horse drawn apparatus.

The estimated value of buildings damaged for fire
was

\[
\begin{align*}
\text{Damage to buildings was} & \quad 15,352 \ 33 \\
\text{Insurance on said buildings was} & \quad 113,000 \ 00 \\
\text{Insurance paid was} & \quad 15,352 \ 33 \\
\text{Value of contents of said buildings was} & \quad 279,900 \ 00 \\
\text{Damage to said contents} & \quad 23,350 \ 98 \\
\text{Insurance upon property was} & \quad 246,575 \ 00 \\
\text{Insurance paid} & \quad 23,350 \ 98
\end{align*}
\]

Apparatus and force: The apparatus and force of the de-
partment under a Chief and three assistant chiefs, located on
Vernon street, is as follows: The Keene Steam Fire Engine
and Hose Company, H. E. Raymond, captain, 25 men, has Amos-
keag Steamer No. 1, Button Steamer No. 2, one Combination
Chemical and Hose Wagon, 1 relief Hose Wagon and 1 Motor
Chemical with two 40 gallon chemical tanks and other neces-
sary equipment. Washington Hook and Ladder Company, M.
J. Carey, captain, 20 men, has one Auto Ladder Truck and two
relief Trucks. Deluge Hose Company, E. H. Applin, captain,
20 men, has one combination Chemical and Hose Wagon. We
have on hand about 7,000 feet of No. 1 hose, 1,500 feet of linen
hose at South Keene, 1,000 feet of No. 2 hose which is unfit for
fire service. During the year the Chief and his assistant Chiefs
have inspected the buildings in the fire precinct several times.

Recommendations: The Board of Engineers recommend
the purchase of 1,000 feet of hose this year. We also recom-
mend further motorizing the department by the addition of a motor pumping engine. Also we recommend that the City place another permanent man in the department to drive the new Motor Ladder Truck, so as to give the city better and more efficient service. The fire alarm telegraph system in care of Assistant Chief E. B. Riley, the fire alarm electrician, continues to give excellent satisfaction.

There is about 25 miles of wire in the six fire alarm circuits of which 20 miles of it is copper wire, and the other five miles is of No. 12 galvanized iron wire of the tapper circuits, which is very rusty and nearly unserviceable and will have to be replaced the coming year. I recommend that this be replaced with copper instead of iron wire which will then make it a permanent job.

To the Mayor, and members of the joint standing committee on fire department, the members associated with me on the board of engineers, officers and members of the department and to the public, I extend my sincere thanks and appreciation for the liberal aid and generous support rendered me during the past year.

F. W. TOWNE.
Chief Engineer.

The following signals were adopted by the board of engineers, January, 1907:

1. The superintendent has the right to strike one blow upon the bells at any time, to test the circuit; also to ring in one round from any box, preceded by a single blow, exactly five minutes after the noon stroke, on Saturdays, for the purpose of testing the boxes.

2. In case of a serious fire the engineers may cause a second alarm to be sounded from the nearest box. A second alarm is given by striking ten blows, followed by the box number.

3. As Box 9, which is located on city hall, is still likely to be used for general alarm, and to be pulled for a fire which is not in or near the square, the engineers will ring in a second alarm, or four full rounds, from this box if there is fire of any magnitude near the square.

4. The old alarm on city hall will only be rung between 9 p.m. and 6 a.m. except in case of serious fire.

5. Arrangements have been made with the Beaver Mills Company and alarms of fire will be given on their whistle the same as by the bells.
NO SCHOOL STORM SIGNAL.

Three (3) blasts, (approximately 5 seconds long at 3 seconds intervals) on steam whistles at Impervious Package Co. and Keene Wooden Ware Co. or C. L. Russell Chair Co.

In stormy weather, notice to be telephoned from Normal School Office, as follows:

1.05 p. m. Signal—No afternoon session.
11.05 a. m. Signal—One session. Grades above the second will remain at school until one o'clock.

Penalty for not making return as required by law, $200.00.

THE LAW RELATING TO THE INVESTIGATION OF THE CAUSES OF FIRES.

Public Statutes, Chapter 115.

Sect. 21. When property is destroyed by fire, it shall be the duty of the board of firewards or engineers of towns having such officers, and of selectmen in other towns, to make investigation of the cause, circumstances, and origin thereof, and especially to examine whether it was the result of carelessness or of design. The investigation shall be commenced within two days of the occurrence of the fire, not including the Lord's day. They shall have the powers vested in justices of the peace to compel the attendance of witnesses to testify before them upon such inquest.
Sect. 22. They shall present to the city or town clerk, for record by him in a book provided by the insurance commissioner, a written statement of all the facts relating to the cause of such fires, the kind, value, and ownership of property destroyed, and of such other particulars as may be called for in the form provided, and of any other facts which to them seem pertinent; and such record shall be made within two weeks of the occurrence of the fire.

Sect. 23. The clerk shall make a transcript of such fire record upon a blank form provided by the insurance commissioner, for each six months preceding, and forward the same to the insurance commissioner within fifteen days from the first of July and the first day of January in each year. He shall also transmit to the insurance commissioner at any time upon his request, a copy of the record as to any particular fire, or any facts concerning it.

Sect. 24. Any officer neglecting or refusing to perform any duty required of him by any of the provisions of the three sections next preceding, shall be fined not exceeding two hundred dollars.

REPORT OF SEALER OF WEIGHTS AND MEASURES.

To the Honorable Board of Mayor and Aldermen of the City of Keene:

I herewith submit a record of my work during the year as Sealer of Weights and Measures.

I have visited every place in Keene that is known to me where goods are sold by weight or measure. I have found the people willing to comply with the weight and measure laws, and anxious to have their scales and measures tested. I have called at about two hundred different places and made about eight hundred and fifty tests.

Tax Collector.

Keene, December 2, 1920.
To His Honor the Mayor and Members of the City Councils:

I have examined the bonds, notes, deposit books, and other securities belonging to the city in the hands of the city treasurer and the trustees of trust funds, and find the same correctly set forth in the proper schedules to be printed in the annual report.

I have also examined the books and vouchers of the several officers and find that their collections and deposits for the year ending November 30, 1920, were as follows:

I have examined, verified and allowed all claims paid by the city during the fiscal year, amounting to $459,249.07 and the disbursements as reported by the city clerk agree with the entries made by the auditor in his book.

Respectfully submitted,

WALTER M. HUBBARD,
City Auditor.

VITAL STATISTICS.

To His Honor the Mayor and Gentlemen of the City Councils:

In compliance with an act of the legislature, passed June session, 1887, amended by the legislature of 1889, requiring "clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths to the municipal officers for publication in the annual report," I herewith submit the following:

FRANK H. WHITCOMB,
City Clerk.
