DEDICATION OF THE TOWN REPORT

MRS. GLADYS M. MARCHE

We dedicate this year's Town Report to one who served as Librarian of the Nichols Memorial Library from 1927 to 1970.

Endeared in the hearts of every child and adult with whom she came in touch.

We can only have the deepest appreciation for one who has spent a lifetime in the education and cultural life of Kingston.

We hope the enjoyment and warmth you have brought to us will be yours in retirement.

March 11, 1970

Meeting was called to order at 8 p.m. by the Moderator, Richard L. Russman. Prayer was offered by Rev. G. Randall Shook. The Moderator appointed the following to serve on the Finance Committee for a Three Year Term: Carolyn R. Christie, Joseph A. Bassett, J. Edward Stevens, and Robert L. Vincent. The Moderator thanked those serving on the Finance Committee for the term expiring this year. The Moderator mentioned several corrections in the Town Report, and introduced the Town Clerk and the Board of Selectmen.

ARTICLE 2 – It was voted to raise \$165,939.75 to defray town charges for the ensuing year and make appropriations of the same.

Under this Article, a motion was made and seconded to take up the budget item by item. The Moderator announced that the voice vote indicated the motion (as an amendment) was lost, but he was challenged by several voters. At this time, the Moderator appointed four tellers to assist in counting the standing vote. (Tellers were Benedetto Romano, David Conant, George Tucker, Andrew Wight) The result of the standing vote was yes 49 and no 119, thus defeating this amendment.

ARTICLE 3 – It was voted to authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

ARTICLE 4 – It was voted to set the Salary of the Tax Collector at \$2,000.00 per year.

ARTICLE 5 – An Amendment was made and passed that the Town will raise and appropriate \$18,000.00 for replace-

ment and repairs to two Wooden Bridges on the Little River Road. (Standing vote yes 112 no 67)

The Original motion, as amended, was carried.

ARTICLE 6 — It was voted to raise and appropriate the sum of \$1,000.00 for the repairs of the so-called Thorn Road.

ARTICLE 7 — It was voted to raise and appropriate the sum of \$652.75 and the State will contribute \$4,351.70 for Class V Highways, under the provision of the T.R.A.

ARTICLE 8 — It was voted to raise and appropriate the sum of \$500.00 for support of the Portsmouth Mental Health Clinic.

ARTICLE 9 — It was voted to raise and appropriate the sum of \$143.25 to alleviate the causes of poverty within Rockingham County, by contributing said amount to the Rockingham County Community Action Program, Inc.

ARTICLE 10 — The Moderator ruled this article out of order, and it was passed over. (This was regarding the purchasing of two new radios for the Police Department.)

ARTICLE 11 — It was voted to raise the sum of \$500.00 a year for three consecutive years, a total sum of \$1,500.00 to help defray the cost of a police cruiser.

ARTICLE 12 — It was voted that the Leash Law be put into effect, whereby dogs will be restrained at all times.

ARTICLE 13 — It was voted that the Town establish a Museum to be known as the Kingston Historical Museum for the specific purpose of procurement, preservation and public display of any and all items pertaining to the history of the Town; said Museum to be under the control of a committee comprised of five (5) members who shall act under the control and direction of the Selectmen and who shall be appointed by the Selectmen for three (3) year term of office. The suggested committee: J. Edward Stevens, Arthur Reynolds, Edward Cowles, Gertrude Wilson and Dorothy Champion.

Under this Article an amendment was made but NOT passed that Article 13 be combined with Article 15.

A Motion was made and passed to take up Articles 17—18 and 19 before continuing with Articles 14—15 and 16.

ARTICLE 17 — It was voted to terminate the so-called Reverend Choat and other Parsonage Lots Trust Fund and devote both the principal and accumulated income to one or more purposes as provided for in R.S.A. 31:19.

ARTICLE 18 – It was voted (as amended) that the balance of interest and monies be divided equally between the Kingston Ambulance Fund and the Kingston Historical Museum.

(Here it was noted that the Fire Department would then have a total of \$5,412.19 available for the Ambulance Fund, and by the use of Federal Ambulance Matching Funds, would still probably be able to have a new ambulance, per Fire Chief William H. Friend.)

Another amendment was made and passed to authorize the Fire Wards to apply for Federal Ambulance Matching Funds, and dispose of the present Ambulance, if necessary.

ARTICLE 19 – Was ruled out of order by the Moderator.

ARTICLE 14 – It was voted to authorize the Selectmen to sell to the Kingston Veterans' Club, Inc., all rights, if any, held by the Town in or to the building and the land upon which it is situated as well as the adjoining plot located immediately to the rear for the sum of one dollar. Plot No. 1 is located at the corner of Church Street and North Danville Road, and upon which is situated the Kingston Veterans' Club House, runs approximately 83 feet along Church Street and 132 feet along North Danville Road. Plot No. 2 is located immediately to the rear of Plot No. 1 and is approximately 99 feet in width and runs approximately 182 feet in length along North Danville Road. Said building and lands have been known as the Kingston Vets' Club property and used as such for more than 20 years. All costs of surveying, if necessary, and deed transferring are to be borne by the Kingston Veterans' Club, Inc.

ARTICLE 15 – It was voted to authorize the Selectmen to establish an Historical Recording Committee for the Town of Kingston, N.H. This committee to consist of five members appointed by the Selectmen, with maximum term of appointment of five years with the term of one member to expire annually. This committee responsible for preserving for the Town future historical events by recording, photography, or other methods, in preparation for the 300th Anniversary of Kingston, N.H.

ARTICLE 16 – It was voted (as amended) that the balance of the 275th Anniversary account of approximately \$600.00 for the use of the Historical Recording Committee, and that the Town shall discharge the 275th Anniversary Committee.

It was noted here that the 275th Anniversary Committee should be commended on having the \$600.00 left over, as many towns do not break even.

ARTICLE 20 — It was noted (as amended) that the balance of the 275th Anniversary Medals be turned over to the Library Trustees to be sold at \$10.00 each and the proceeds to be used for the benefit of the library.

ARTICLE 21 — It was voted to authorize the Selectmen to sell tax deeded property at Public Auction.

ARTICLE 22 — It was voted to accept the Auditors' Report and the Town Report as printed, with corrections.

ARTICLE 23 — Mr. Leonard Sanborn gave a short statement as to the reason the articles on the Building Code could not be inserted in the official Town Warrant for 1970. The Planning Board was too late in having its first hearing to give enough time between that and the Town Meeting. There must be a preliminary hearing, then a second hearing, and the final vote must be by ballot. The Planning Board still wants to submit a Building Code at a future date.

It was voted to adjourn at 10:05 p.m.

Bettie C. Ouellette
Town Clerk

The newly elected officers took the oath of office administered by the Moderator, Richard L. Russman.

REPORT OF THE TRUSTEES OF TRUST FUNDS

TOWN OF KINGSTON, N.H.

1970

In general this has been an uneventful year for the cemetery work.

Eight plots sold with perpetual care.

One half of a previously sold plot was transferred to another owner.

Three plots were newly covered with perpetual care.

In the Pine Grove Cemetery we finished laying out the plots in the new section.

We must report at this time that our Greenwood Cemetery has become a playground for people learning to drive automobiles; several of our corner posts have been hit and some badly damaged.

Motor cycles and skimobiles are all over the place, and some baseball is played.

We would like people to learn to respect this hallowed ground and help where ever possible to teach others to do the same.

REPORT OF THE LIBRARIAN FOR 1970

The library has been the scene of many new and exciting activities during 1970. The outside of the library has been enhanced by the addition of the lighted flag pole and the lighted walkway to the Junior library. The walls in the adult library have been painted. New lights have been installed between the stacks and a new heating system added.

Our joy is in the Junior Library which has a bright floor covering and gay painted stacks. The books are arranged by beginning, intermediate and junior high reading level. There are two study tables and reference material is conveniently located.

The Junior Library was opened in February. Several teachers bring their classes regularly to the library. We have also shown movies and had story hours for the kindergarden classes.

A coffee hour was sponsored by the PTA and library soon after school opened for the teachers at the Bakie School and the Junior High School to acquaint them with the services available through their local library, state library and the bookmobile.

The Kingston Garden Club filled the urns at the front entrance of the building at the beginning of the summer and contributed floral arrangements for the reading room during the year.

During National Library week, Mr. Eugene Finch lectured and presented slides which showed how archeologists searched for Indian relics. William Tucker loaned his collection of Indian artifacts which he found on the shore of the PowWow river. The third grade exhibited their Indian art work.

The Friends of the Library had book repair workshops, card parties and a very successful book sale in October. They also contributed and arranged lovely Christmas decorations. The antique Christmas cards which were on display were loaned by Miss Elaine Cheney.

Mr. and Mrs. Walter Jones donated a Christmas tree to the Junior Library and hand made decorations were given by the children of Kingston.

Gifts of money have been received to purchase books in memory of Mrs. Henry Howard Clark, Miss Grace Daley, and Miss Emma Vincent.

The library received \$100.00 in State Aid to be used for the reference books. The money received from the Pine Tree

Grange Trust Fund was used to purchase the book, "Saint Gaudens" by Louise H. Tharp.

We are grateful to Mrs. Mary Edgar, Librarian at Sanborn Regional High School for her services during the spring and summer.

On September 27th, the Trustees and Friends of the library gave a retirement tea for Mrs. Louis Marche who served as librarian for thirty-seven years. Many friends attended and she was presented with gifts and a sum of money.

Library courses at UNH, Southeast District Advisory Council and book buying meetings have been part of the activities which Mrs. Stratton, the Assistant Librarian, and I have attended.

We wish to thank the following book donors – John Aron, Mrs. Joseph Bassett, Miss Marion Clark, Mr. and Mrs. Charles Collins, Donald Day, Estate of Oliver Elliott, Exeter B. P. W., Mrs. Kenneth Hodges, Mrs. George Jones, Kingston Garden Club, William Moore, Paul Raymond, Mrs. Lawrence Smith, Jr., Mrs. Norman Stratton and Harold Webster. Special thanks goes to Peaslee Park Antique Shop for the establishment of the Nichols Memorial Library Fund.

Over 800 new books were added to the library in 1970.

Respectfully submitted,

Janet Merrick

TOWN OF KINGSTON PLANNING BOARD

ANNUAL REPORT

Members

Joseph A. Bassett, Chairman	Term expires 1971
Leonard F. Sanborn, Secretary	Term expires 1972
Mrs. Doris Smith	Term expires 1973
Herbert M. Federhen III	Term expires 1974
Donald H. Clark, Selectman	Term expires 1974

In 1970, the Planning Board held 21 meetings, including three formal hearings, a joint meeting with the Conservation Commission and the Town Forest Committee, one with a representative of the State Planning Office, two with

representatives of the Traffic Research Section of the N. H. State Highway Dept., and one with residents of Great Pond Park.

Plans to re-submit a Building Code for vote at the Town Meeting were abandoned after one hearing because of legal requirements for hearing notices and approval by ballot. The new Board did not pursue this matter after Town Meeting.

During the year, 15 single-lot subdivisions were approved, each requiring a hearing and notice by advertisement. One multiple-lot subdivision was approved in Shore Road and another is pending in New Boston Road. Five property surveys were signed as required for recording.

In April, 1970, the Board decided to study Mobile Home regulations and invited the public to hear Frank J. Sparks, Jr., of the New England Mobilehome Assn. in May. Thereafter, an ordinance was prepared, formal hearings held and a vote taken by ballot on Election Day which resulted in disapproval. The Board decided in December to change the proposed Ordinance in line with public suggestions and scheduled hearings in preparation for a vote by ballot at the 1971 Town Meeting.

The Board agreed in April that consideration is urgently needed for Zoning, a Building Ordinance, and engineering study of future sewer and water needs but decided to deal with the Mobile Home study first.

When the Planning Board was created in 1954 it was constituted with 5 members but under the law (Chapter 36) may consist of 5 or 7 members. We recommend that the Town be asked to vote on increasing the Board to 7 members at this time. We also feel that there is a real need for more information on what voters want the Board to do which could be obtained by more voters attending the regular meetings of the Board.

J. A. Bassett, Chairman
L. F. Sanborn, Secretary

ANNUAL REPORT OF THE KINGSTON FIRE DEPT.

Your fire dept. responded to a total of 183 calls; 131 were ambulance and rescue calls, 4 bomb scares, 1 lost person, 3 false alarms, 6 to render assistance to other fire depts. and 38 were in town fire calls.

Our insured losses were held to a very low figure again this year.

During the year, 20 of our men attended the N.H. Chiefs Fire Training schools.

We are still running our own training and drill sessions on Monday evenings.

During this year our fund raising endeavors have contributed nearly \$5,000.00 to be placed in capital reserve funds and to purchase firefighting equipment. All donations are either used to purchase ambulance supplies, firefighting devices or placed in Capital reserve funds.

During August we held a "Firemans" day with a parade and muster. It was declared a success by every one attending.

To reach the Fire Dept. for the ambulance, fires and all other emergencies, dial 642-5512. Please use this number for emergencies only. For information or to reach Fire Stations, dial 642-3626 or call me direct by dialing 642-5408.

REPORT OF THE KINGSTON HISTORICAL MUSEUM COMMITTEE

At the annual Town Meeting of 1970, by the vote of the townspeople a committee of five was formed with the purpose of establishing an Historical Museum in and for the Town of Kingston. The original committee appointed included Mrs. Rodney Wilson, Secretary; Mr. J. Edward Stevens, Curator; Mr. Edward Cowles, Treasurer; Mr. Arthur Reynolds and Mrs. Donald Champion, co-chairmen.

Several organizational meetings were held during the next two months. The committee was granted the use of the Old Kingston Fire House and Tramp House on Depot Road. The building, however, needing rather extensive repairs and alterations before it will be able to be used. Work is nearly completed now, but efforts had to cease because of extreme cold and an inadequate heating system. Work will resume shortly.

Many articles of historical value have been donated during the past year and it is anticipated that with the formal opening this spring many more donations will be made.

This has been a monumental task for this small committee, each of us having the museum operating as our ultimate goal, but none of us really sure how to get there. The legal aspects in themselves have been overpowering. However the spirit and enthusiasm of the other members of our committee have more than out-weighed our problems.

We are looking forward to a very successful year.

Respectfully submitted,
Dorothy Champion
(Mrs. Donald Champion)
