GAFNEY LIBRARY

## Librarian's Report

February first marks the end of another year at Gafney Library. The Library has been open the usual hours and during the summer months the attendance and circulation were more than in previous years. Our summer visitors are our greatest readers.

The year's circulation was 6012, the attendance 5414 and the number of books catalogued 70.

Gafney Library is in need of new books, the number of books catalogued was much lower than for several years. Friends have given the magazines for the reading tables. Mr. Herman Smith of Brookfield gave us about seventy-five books for which we were very grateful.

Of these twenty-one graduates, sixteen entered some secondary school in September. At this time we have 16 pupils in Brewster Academy, 17 in Ro-

chester High School, and 6 in Nute High School.

Our estimate for high school tuition in last year's budget was too low. We estimated a cost of \$1300. The actual cost will be over \$1800. This additional cost should be taken care of in this year's budget.

We have reason to be grateful that tuition is free at Brewster Academy. Otherwise our tuition bill would be greater by some \$1200.

Several changes have been made in our corps of teachers this year. Mr. Linton has been transferred from East Wakefield to Union Grammar School. He is succeeded at East Wakefield by Mrs. Hazel Merrill of Ossipee. Mr. Norman Hartfiel is in charge of Sanbornville Grammar School. Mr. Hartfiel is a resident of Farmington and a graduate from the four-years' course at Keene Normal School.

Medical Inspection in the schools is continued in charge of Miss Maude McBride, whose report will follow.

Owing to a reduction in the number of supervisory unions in the state, many changes have been made in the former unions. Supervisory Union No. 41, in which Wakefield had been placed for fifteen years, has been broken up and the towns of which it had been composed have been put into three separate unions. Wakefield now forms a part of Supervisory Union No. 64, composed of Wolfeboro, Wakefield, Brookfield, Middleton, Moultonboro and Tuftonboro.

Respectfully submitted,

FRED W. DUDLEY

Superintendent of Schools

Mumps were prevalent the last of the school term and Impetigo in Sanbornville for a short time in the fall term.

Milk is being furnished by the N. H. Federal Funds, and Cod Liver Oil is also being furnished by the same funds.

Hot lunches are being planned for the Wakefield Corner and Union schools through the cooperation of the Woman's Club and the Ossipee Rotary Club. The East Wakefield school is 100% with hot lunches, each child bringing his own.
