$14,360.00
3. To see if the Town will raise and appropriate the sum of $851.30 for TRA (The State to furnish the sum of $5,675.31).

5. To see what sum the Town will raise and appropriate for plowing and sanding roads, and plowing driveways in winter.

6. To see if the Town will raise and appropriate the sum of $2,000.00 to be added to the Capital Reserve Fund for future purchase of road equipment.

7. To see what action the Town wishes to take in regards to electing a full time Road Agent, for a term of three years, at an annual salary of $5,200.00. The same to take effect in 1969. The Road Agent would earn 2 weeks annual leave per year. This would be in addition to other benefits that are mandatory by law.

14. To see if the Town will authorize the Selectmen to appoint an attendant for the Town Sanitary Disposal Area. This is the only stipulation set forth by the State, that we have not conformed to, and the Board feels that it will be advantageous especially in the summer months.

16. To see if the Town will raise and appropriate $225.00 for the Lakes Region Mental Health Center.

STANLEY RANSOM,
Treasurer
A great deal of progress has been made during the year 1967. We have completed two State supervised training schools, and are at present having a third school program. We are having a good attendance totaling 66 hours for instruction plus various training schools being attended throughout the year, by the men, at various other locations.

The department has responded to several fires during the year: 2 house fires, 4 chimney fires, 2 dump fires, and 2 false alarms.

Through the generosity of the Gene Nathan family, the department acquired two Survive Air units, which enables the men to enter smoke-filled areas.

The Hopkinton Fire Department of Hopkinton, Mass., has donated a resuscitator inhalator. Through the years this department has given our department various pieces of equipment for which we are very grateful.
We are now equipped with a communication system consisting of two two-way truck radios and a base station.

A detailed illuminated wall map of the town is mounted in the station. This was made by the members of the department.

We are proud of our department, and wish to thank our Ladies Auxiliary for their efforts in our behalf during the past year.

The following is a list of the equipment purchased with the money raised and appropriated by the Town:

EDWARD G. MASI,

Chief
REPORT OF FOREST FIRE WARDEN
AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:
1. No burning of debris and waste between the hours of 9:00 a.m. and 5:00 p.m. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.
