Physician's Report.

To the Honorable Board of Commissioners of Belknap County :

I herewith submit my annual report of the vital statistics as physician to the County Farm. There have been five deaths during the year, to wit: Rosa Bickford, insane ward, aged 19 years, insanity; Ann Ladd, aged 61, Tamsen Rowe, aged 73, paupers, paralysis; Terrence Sullivan, aged 32, tramp, for internal injuries received on road; Jesse Reynolds, aged 26, prisoner, syphilis. This concludes the deaths. There has been one birth, pauper, transported for the occasion. And now let me say that great praise is due the superintendent and matron for their kindness to the sick.

Respectfully submitted,

H. C. WELLS, M. D.,

Physician in Charge.

September 27th the body of George Hurlburt was found in the town of Belmont, in what is known as the Hurricane Road. He was last seen, so far as any knowledge can be obtained by the officials, at about seven o'clock the previous evening going toward Belmont, in an easterly direction from his home. The body was found about one-third of a mile in a westerly direction, the other side from his home. A coroner's jury was summoned, and after a careful investigation, they returned a verdict that Hurlburt came to his death by being killed by some person to the jury unknown.

After several weeks of constant work upon the case, under the power given me by the statute, I engaged assistance from the Pinkerton National Detective Agency. A very efficient detective was furnished, but on the night of the tragedy there had been an exceedingly heavy thunder storm, all traces of teams or foot prints were totally obliterated, and as no trace of Hurlburt could be found after he left his home, it was an exceedingly difficult case to handle. Up to the present time no arrests have been made although there is information in this office that most likely will lead to the apprehension of parties, who, if not the real criminals, yet are probably acquainted with the facts. The case has not been abandoned, and every effort will be made during my term of office to bring the criminals to justice.

This being my final report as Solicitor for this county, I desire to return my thanks to all of the officers, not only of the county, but of the various towns and cities, who have invariably shown me all the courtesy and kindness that is possible for one official to show to another, and I should indeed be ungrateful if I did not appreciate and acknowledge the willing courtesy that has been extended to me by the members of the Belknap County Bar, who have materially aided me in performing the not always pleasant duties of a County Solicitor.

Dated, December 31st, 1900.

F. M. BECKFORD, County Solicitor.

E. P. THOMPSON,	

Laconia, N. H., Jan. 1, 1901.

Auditors' Report.

To the Supreme Court;—

We herewith submit our semi-annual report of auditing the several accounts of the county officers as required by law.

We have examined the bills rendered by the county commissioners for their services and expenses from January 1, to to July 1, 1900, and are of the opinion that the sums charged for services are for time actually spent in the business of the county and that the sums charged for expenses are reasonable.

We have also examined the treasurer's account and find it correct with proper vouchers for all payments made by him. We have compared the orders paid by the treasurer with the record of orders drawn by the county commissioners and find that they agree and that the treasurer has paid all orders drawn by them.

The treasurer had on hand Jan. 1, as shown by the last report \$11,396.17 and has received from all sources since then \$4,636.86, making \$16,033.03. He has paid out on orders drawn by the commissioners \$11,788.33, on orders drawn by the court \$3,038.70, coupons on bonds \$970, making the total payments \$15,797.03, which leaves a balance on hand \$236.

We have also examined the books of the county commissioners and find that they have drawn orders on the treasurer as above stated, of which \$5,334.45 was for the support of external poor as follows:

Alton	\$444.87
Barnstead	110.50
Belmont	106.45
Center Harbor	0.00
Gilford	112.64
Gilmanton	356.60
Laconia	2,246.89
Meredith	623.32
New Hampton	334.59
Sanbornton	369.23
Tilton	629.36
	<hr/>
	\$5,334.45

And the balance was for purposes as follows :

County farm and jail	\$4,888.60
Court house	487.00
Sheriff and deputies, May Term	549.50
Salaries	443.75
Miscellaneous	85.03

The commissioners exhibited vouchers for all orders drawn by them corresponding in amount to the order, and the auditors are of the opinion that the sums charged therein for articles purchased are according to the market value and have been used for the benefit of the county.

The commissioners have filed with the auditors the following sworn statement :

"We hereby certify that the County of Belknap owed on July 1, 1900, aside from bonded indebtedness, about thirteen hundred dollars."

A. J. PILLSBURY, }
E. P. THOMPSON, } Auditors.

Laconia, N. H., July 1, 1900.

To the Supreme Court :

We herewith submit our eighth semi-annual report of auditing the several accounts of the county officers for the period ending December 31, 1900, as required by law.

We have examined the bills rendered by the County Commissioners for their services and expenses from July 1 to October 31, 1900, and are of the opinion that the sums charged for services are for time actually spent in the business of the county, and that the sums charged for expenses are reasonable.

We have also examined the treasurer's account and find it correct with proper vouchers for all payments made by him. We have compared the orders paid by the treasurer with the record of orders drawn by the county commissioners and find that they agree and that the treasurer has paid all orders drawn by them except one of three dollars. The treasurer had on hand July 1, 1900, \$236. He has received from taxes \$30,000; from the county farm and all other sources, \$857.02, making a total of \$31,093.02. He has paid out on orders drawn by the county commissioners \$12,056.61; on orders drawn by the court \$4,451.71; notes and interest \$4,090.67; bond coupons \$1,050.00, making the total payments \$21,648.99, which leaves a balance on hand of \$9,444.03.

We have also examined the account of the Superintendent of the County Farm and find that he has received from board of inmates and all other sources including the sum of \$499.85 which he had on hand July 1, \$748.02 which he has paid to the County Treasurer.

We have also examined the books of the County Commissioners and find that they have drawn orders on the treasurer as above stated of which \$5023.03 was for the support of external poor and the balance was for purposes as follows :

County Farm and Jail	\$5,302.74
Court House	535.68
Sheriff and deputies, Nov. Term,	588.42
Salaries	450.00
Miscellaneous	159.74

The Commissioners exhibited vouchers for all orders drawn by them corresponding in amount to the orders, and the Auditors are of the opinion that the sums charged therein for articles purchased are according to the market value and have been used for the benefit of the county.

The Commissioners have filed with the Auditors a sworn statement of the outstanding indebtedness December 31, which is hereto annexed.
