SUPERINTENDENT'S REPORT

To the School Board and Citizens of Bethlehem :

It is with pleasure that I submit to you my annual report relative to your school.

Bethlehem School opened in September with an enrollment of 162 pupils. This compares with an enrollment of 164 a year ago. There are a total of 57 tuition pupils registered in high schools. Of this number, 50 are enrolled in Littleton High School, 6 in St. Johnsbury Trade School and one in Whitefield High School.

Tuition rate this year at Littleton is \$458.00. The rate for 1966-1967 has been set at \$443.00.

Only one change in staff took place last summer. Mrs. Charlotte Keysar resigned to accept a similar position in Milford. Mrs. Hadwen was transferred to Grade 3 and Mrs. Louise Smith was elected to teach remedial reading. In January, Mrs. Claramond Morrill requested release from her contract as a result of the transfer of her husband from Lancaster to Rochester, N.H. Mr. Gordon Flight of Lancaster, a graduate of Gordon College and currently on a graduate program toward a Master of Education at Plymouth State College, was elected to replace Mrs. Morrill.

Since my last report, the kitchen, lunch room and first grade room have been repainted. Fluorescent lights have been installed in two more rooms, a new traffic light was installed on Route 302 and the heating system was converted from coal burning stokers to oil burners. In connection with this conversion from coal to oil, it should be brought out that it was necessary to issue serial notes for only \$6,000.00, and not

\$7,500.00 as originally estimated. These notes were purchased by the Merchants National Bank of Manchester at a rate of 3% per annum. New equipment purchased includes tables and chairs for the lunch room area.

I am pleased to state that at this time the school building is in good condition and I do not visualize any major repairs at this time. I would hope that the program of replacing the old incandescent lights with new fluorescent lights will continue until all classrooms are well lighted.

As of July 1, Mr. William Grass, Jr. will be superintendent of the entire Union #35 with Mr. Harvey Harkness, Jr. as assistant superintendent. It is hoped that a business manager can be employed to do much of the work in that area thereby permitting the superintendent and assistant to devote more time to administration and supervision.

In closing, I wish to express my sincere appreciation to the Citizens of Bethlehem, the school board, teaching staff and other personnel for their continued cooperation and support. I have enjoyed working with the people of Bethlehem for nine years as principal of your school and for the past nineteen years as superintendent. I sincerely hope that I have contributed in a small way to the better education of your children. It has been a privilege for me to have served you.

Respectfully submitted,

LESLIE S. CUMMINGS

Program of the White Mountains Region Association 1965 (28th year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 33,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Out-standing Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member inn-keepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.
