## 1972 BICENTENNIAL REFLECTIONS

What a glorious and satisfying year it has been! The mountains of work planned and accomplished far exceeded the highest hopes and anticipations of everyone. John Wright said it all at the Bicentennial Banquet in his welcoming address when he said: "Well, this has been quite a year—from the very earliest days of the celebration when the afghan was made, through the snowy day of the Snowmobile Costume Party, to the night of the Square Dance in September. We have had many memorable moments—the spontaneous gaiety of the Fashion Show, the ringing songs of the choral groups that entertained us, the tasty barbecue, the flashing fireworks, the interesting and colorful exhibits, the tensions of the auction, the dash and flair of the great parade, the fun and excitement of Airport Day, all climaxed by tonight's party. We owe the great success of the Bicentennial Celebrations to many people, both natives of Carroll and out-of-towners, and we are happy so many of our friends from other communities have joined us here tonight. Much is owed to many: townspeople and businesses who decorated their places with bunting and flags, the stores and shops who sold our cookbook, history book and coin, the firemen and their friends who worked so hard at the barbecue, the benefit game workers, those who arranged the exhibits and the Fashion Show and made them such a success, the dedicated people who worked behind the scenes at all the events, the participants in the parade and those who helped in the various shows and dances, the pilots who flew and flew at Airport Day and those who sold tickets and chances. Sure, there were a few rough days, and a few dark clouds on occasion, but on the whole I think we have much of which to be proud. The Bicentennial Committee wishes to thank you all and to thank the management of the Mount Washington Hotel for this splendid banquet and for its cooperation throughout the year."

Charles Ricardi, Jr., never got the opportunity to state it publicly because of a turn of events at the Presentation Ceremony, but his prepared text should be made known: "To everyone of you who have been so generous of your time and energy during this year of celebration, there will be a place for you in our next history book that will make your children and grandchildren very proud."

We would be remiss in summarizing such an eventful year if mention was not made of the extreme good fortune of the town of Carroll, in having as one of its summer residents, the generous and talented author of our history book, Fred Lehr.

Congratulations to all who put forth their best efforts to assure the Town of Carroll, in this its Bicentennial year of 1972, its place in history. Let us hope that all of our efforts will never be forgotten nor desecrated.

**REPORT OF THE WHITE MOUNTAINS REGION ASSOCIATION**  
**SUMMARY PROGRAM OF THE WHITE**  
**MOUNTAINS REGION ASSOCIATION**  
**1972 — (35th Year)**

The officers and directors held two meetings to re-assess the goals and projects of the Association to make them more meaningful for the 1970's. Out of these two, eight hour sessions came agreements on five programatic objectives. They were the need to insure a quality environment, orderly development, improved public transportation facilities, vocational training, and the need for a community college. The first objective has received the most attention since these sessions were held. In this regard the Association sponsored a workshop on air pollution in Berlin.

The Association has spoken out on the need to preserve the small family farms and, thus, it has actively supported the Open Space Bill, HB44. The Bill permits selectmen to tax land upon current use instead of its potential value. The Association spoke out in support of this Bill at a senate hearing in Concord and contacted the state senators and representatives in the region notifying them of the Association's position on the subject.

The Association sponsored a very successful sewage conference in Waterville Valley. Billed as a "sharing of ideas" the conference dealt with some new concepts in sewage treatment such as combining wood wastes with sewage to make fertilizer.

The Association organized a hearing on regional planning in Twin Mountain and worked with the Town of Carroll in setting up what turned out to be the most successful snowmobile hearing in the State.

Finally, as an integral part of its annual meeting the Association, held a very exciting panel discussion on "Development/Environment." Gov. Frank W. Sargent of Massachusetts, a former commissioner in the Department of Natural Resources there, addressed the group following the annual dinner on a theme in keeping with the theme of the meeting, "Best Use of Our Natural Resources."

Non-environmental Association activities for the past year included: help in preparing background information for the Berlin and Whitefield Airports for the hearings in Concord before the Civil Aeronautics Board; creation of a new Association logo and a very successful fall foliage shunpike folder; continued promotion of the off season through news releases and the sponsorship of several canoe races, the most ambitious and successful of which was the New England Canoe Slalom held in Campton. Also, the Association assisted a group in Berlin develop a plan for a hotel trade learning course.

In preparation is a canoeing folder, which, if enough advertising can be sold, should be out well before Spring of 1973.

Organized a meeting and prepared a statement regarding the then proposed visitor's information center on the Kancamagus Highway with the U.S. Forest Service.

Presented awards to 4-H Clubs in both Coos and Grafton Counties.

Appeared on six radio programs, attended one travel show in Harrisburg, Pennsylvania, and spoke before several groups in the Region.

Inquiries for the year totaled 5,501.

Wrote 45 news releases and 126 personal letters.

Also wrote five newsletters, "Recreation Pressures in the White Mountain National Forest," "New Year's Resolution!," "Our Open Space", one on the "Sewage Conference", and a personal newsletter by John P. Wilson.

## **TWIN MOUNTAIN LIBRARY ANNUAL REPORT**

We are pleased to present this report of activities for the past year. During the year new books have been ordered (75) for all age groups. Records and magazines were also selected for your pleasure. A first for your library was the purchase of a cassette recorder, which is a living library of the spoken word. This is a new idea for libraries. The annual summer reading program was again sponsored by the recreation department. The recreation committee made and displayed during Bi-Centennial Week a relief map of 1860 of the Town of Carroll. Each house, farm, mill, etc., was depicted. The younger children made posters of their favorite places in town. These are on display in the library.

National Library Week was observed with several displays set up by the Go-Getters 4-H Club and one featuring Bi-Centennial memorabilia.

New library hours were extended as of July 1st to comply with the state regulations—Monday night 6-8:30 p.m.; Wednesday 2-4:30 p.m.; Saturday 1-4 p.m.

We wish to thank our many friends who have donated books and magazines to the library during the past year.

You are invited to visit your library on election day.

Respectfully submitted,

**NORTH COUNTRY HOME HEALTH AGENCY, INC.**

January 18, 1973

Selectmen and members of Budget Committee  
Township of Carroll  
Twin Mountain, N.H.  
Dear Sirs:

The North Country Home Health Agency, Inc., wishes to officially file a budget request for the year 1973. Our staff made 32 total nursing visits and 2 social work visits for a total of \$932.00 cost to the agency.

Our request is for funds based on population as listed in 1970. Carroll has 309 people and at one dollar per person this amounts to \$309.00, as your share of the appropriation.

We will continue to provide services of the nurse, social worker and physiotherapist in the coming year. We hope to add the Home-maker Home Health aide services in 1973. The \$309.00 is a small insurance to pay to insure your residents of this necessary and money-saving service.

Our agency now serves 15 towns with a total population of 16,097 people and covering 720 square miles.

Our sincere thanks for the cooperation received.

Respectfully submitted,

**RICHARD M. HALL**  
Administrator, N.C.H.H.A., Inc.

**WHITE MOUNTAIN COMMUNITY SERVICES**

December 14, 1972

Mr. Robert Thompson, Chairman  
Board of Selectmen  
c/o Town Clerk's Office  
Carroll, (Twin Mountain), N.H.  
Dear Mr. Thompson:

In anticipation of the coming budget hearings to be held in the towns of the North Country with the consideration of requests for appropriations in the new year, we are eager that support for White Mountain Community Services again be included in the town budgets within the area we serve. A personal representative of WMCS will deliver this letter to you and make the formal request for the appropriation.

This year we are asking for an appropriation of \$1.25 per person in each community, based on the population count. For the town of Carroll (Twin Mountain), this will amount to \$448.75. The response of the towns last year was most helpful: all the towns appropriated monies for White Mountain Community Services and most of them voted the full amount requested.

Demand for the services of our agency continues to grow, and in the past year we have served people in all of the towns in our area. Through our extensive program of consultation with many other professionals—physicians, school personnel, welfare workers, public health nurses, clergymen, etc.—we are bringing useful insights of community mental health to many more people than those we treat directly.

Sincerely yours,

ROBERT WHITNEY, JR.  
President, Board of Directors
