Deering Board of Selectmen
Harvey C. Stimpert, Chairman
Hillsboro, New Hampshire

Gentlemen:

This is to inform you that the work necessary to establish the control of White Pine Blister Rust in Deering was completed this past season. Control of the disease has been established and the only further work required in your town is to maintain that control. In order to do this: periodic examinations of the control area will be made and when further eradication work is required, your financial assistance will again be requested.

For the present, it is not necessary for you to include funds for this project in your annual budget and I trust that you will inform your Budget Committee of this fact.

I wish to take this opportunity to thank you for your co-operation in this work and I should also like to again remind you that this office will be glad to assist your pine owners with their Blister Rust problems at any time.

Very truly yours,

SOLON D. CONNOR

District Leader in Charge

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hillsboro and Deering:

It is a pleasure to make my first report to you as Superintendent of Schools.

We are in the process of completing our first year as a cooperative school district and due to the planning and efforts of Mr. Moody and the school board the period of transition has been a smooth one indeed. Much credit is due these people for their untiring efforts to make this possible.

As anticipated, our enrollment continues to grow and our projection through 1960 shows no letup on total school enrollment although the potential entrants to the elementary school shows a slight decline with the population remaining constant, which at this writing does not seem probable.

Enrollment (Sept.)	52-53	53-54	54-55	55-56
High School	125	130	132	144
Junior High	66	77	78	70
Elementary	261	267	276	389
	452	474	486	503
Total	452	474	486	503

On October 1, Mr. John Economopoulos took over the Principal's duties. His prior service consists of three years as principal of Henniker High School and two years at Newmarket High School. Mr. Williams Hoban was released early in September in order to devote full time to his camping business. Mr. Roger Rada of Queens, N. Y., has taken over his coaching and teaching duties. Mr. Rada comes to us after finishing his work for a Master's Degree at Springfield College.

Mrs. Eva Doble and Miss Lulu Cilley retired last June after many years of service to the youth of this area. Both were honored at graduation in June. Mrs. Iva Farrar replaces Mrs. Doble and Mrs. Elinor Vaillancourt returns to fill the vacancy in the elementary school created by Miss Cilley. Miss Frances Kelley starts her teaching career by filling a vacancy created by the need of an additional teacher.

Miss Marguerite Worth, teacher of Home Economics resigned to be married and moved to Michigan and we were fortunate in bringing back from Vermont, Miss Irene McAlister, to replace her.

At Christmastime in 1953 Mr. Lund resigned to accept a more lucrative position in Connecticut. We finished out the year with three different substitutes and this year have as our shop teacher, Mr. Leo Bilodeau who comes to us from Lincoln. Mr. Gerald Avery, resigned to accept a position in his home community of Lebanon. Mr. James Stoughton of Amherst, Mass., replaces him in the English department.

This is quite a large turnover in a single year and I hope that the excellent staff which we now have will find it to their advantage to be with us for several years.

The program of studies was completely revised last spring and is in full operation this year. By this action we have been able to raise the standard in many of the college preparatory courses and feel that we are much better able to meet the needs of the pupils.

At a time when so much criticism of young people is prevalent, it is refreshing to be able to compliment our pupils for their efforts to cooperate with the administration and teachers.

The group accident insurance program which was inaugurated last year proved worthwhile and will probably continue to be a service offered to the pupils.

Our noon lunch program continues to grow more popular each year, under the capable management of Mrs. Florence McClintock assisted by Mrs. Henrietta Johnson. It is no longer in the experimental stage, but has come to stay as a school service and Hillsboro has every right to be proud of its kitchen and service.

This year with the aid of the Federal Government we have established a new milk program where the pupils are able to purchase a half-pint of milk at four (4) cents. In a 16 day period we served 7141 half-pints of milk. This is a wonderful program, in which every child should be participating, and we hope to see it continued a long time.

The problem of housing becomes more acute with each entering first grade. For complete information on this problem the committee authorized at the last District Meeting will give a full report.

Hillsboro is extremely fortunate in having as its school nurse Mrs. Anna Bailey, R. N. If ever a person was dedicated to her work, it is she. Her activities over and above the call of duty are innumerable. Again this year every child in both the high and elementary school was examined by a physician and all defects reported to the parents. Nurse Bailey's report will be found in another section.

In closing I wish to express my appreciation to the citizens of the community, the School Board, and the entire staff for making my work so enjoyable. Were it not for their cooperative efforts we would have been unable to accomplish so much toward our common goal—Education for our youth.

Respectfully,

NORMAN R. HARTFIEL

Superintendent of Schools

NURSE'S REPORT

June 28, 1954

To the Board of Education of Hillsboro: 1953-1954

I am submitting an account of the School Nursing work for the year 1953-54.

For the first time in a number of years we were without a dental clinic in school, due to the illness of Dr. Harvey Grimes who has faithfully done so much for our school children every year for quite some time. We hope that he will come back to us in the coming year. Effort has been made to have other dentists come to school but so far we have had no success, thus, a very small amount of dental work has been done privately.

The hearing test clinic was held in school, as usual, with our HC Audiometer which takes care of the pupils from the 3rd through the 12th grades (358 were tested). 103 from the two 1st and the two 2nd grades also were tested this year with a True Tone Audiometer loaned to us by the State Board of Education in Concord. In all 461 were given that benefit. From that number only 6 were found defective, 4 slightly defective and 2 with hearing from one ear only—4 reported to an Otologist, the other 2 had already done so in the previous year.

We had 174 cases of Mumps in the 1st, 2nd, 3rd, 4th, 5th, and 6th grades and 23 in the following grades: 7, 8, 9, 10, 11, and 12; with no complications from any of them; 1 case of chickenpox, 7 cases of Impetigo, and no pediculosis (head lice).

A T. B. Patch Clinic was held in school April 12. 201 were patched, that includes grades 7, 8, 9, 10, 11, 12, and 3 teachers. Patches were removed after 48 hours and read again 2 days later. Only 11 were reactors. This was followed by a chest X-ray clinic on April 28. 41 pupils, 9 teachers, 2 adults in the Cafeteria, and the Office Secretary, 16 outside adults were X-rayed. All were found either negative or the finding insignificant, no T. B. in School. As in the past the Seniors requested the X-ray for future references only, and an individual report was issued to them for their benefit. Pupils paid 50¢, Adults \$1.00.

Free lunches were provided by the school to 12 pupils and on April 5th free lunches were provided by the P. T. A. to 10 more pupils. Free milk was given to 7 pupils, then to 5 pupils, these are the ones who bring their cold dry lunch. The free milk was paid with a small balance left in the bank just for that, plus \$10.00 given me by a member of the Nursing Association Board of Directors and \$1.00 by another lady, the rest \$1.50, was paid by me with the Salvation Army Fund. Thanksgiving and Christmas dinners were given to 10 and 14 children (24) also paid with the Salvation Army Fund (\$9.20), this was before free lunches were given to any one of them.
