Commissioners' Report

To the Citizens of Grafton County:

Your Commissioners herewith present their report, together with the report of the Sheriff, Solicitor, Clerk of the Court, Jailer, and Auditors and the Superintendent, Physician and Chaplain of the County Farm for the year ending December 31, 1931, and a statement of the financial standing of the County at the close of the year.

During the 1931 session of the General Court of New Hampshire the following act was passed:

An act providing for assistance to aged and dependent persons as follows:

For the more humane care and relief of aged and dependent persons, a system of assistance is hereby established. Such assistance shall be administered in each county by the county commissioners and the cost of such assistance, together with the expense occasioned thereby, shall in the first instance be paid by the county; but the county shall be reimbursed by each city or town legally chargeable for such assistance rendered, together with the expense occasioned thereby.

This act became effective September 1, 1931 and has been granted to nine persons up to December 31, 1931.

Due to the depression, aid required during the present year has exceeded all records. The number taken care of at the Farm has been the heaviest in history and had it not been for the new building it would have been necessary to have taken care of many more outside which would have increased the expense materially. The number assisted off the Farm has been very expensive and after practicing economy to the limit, taking into consideration that we are dealing with human beings, it has been necessary to exceed the appropriation by approximately \$25,000.00.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews for the faithful and efficient manner in which they performed their duties as Superintendent and Matron of the County Farm.

The Commissioners further wish to extend their thanks to the various county and town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of Grafton County and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so, as it is their farm and an institution in which they alone should be interested.

Respectfully submitted,

GEORGE A. PUSHEE,

FRED PARKER,

JOHN GADD,

Commissioners.

Selectmen of Town and Overseers of the Poor

Your attention is called to the following extracts from
the laws of 1903:

CHAPTER 42, SECTION 1

CHAPTER 106, SECTION 1, as amended

“SECTION 1. No town shall be liable for the support of any person unless he, or the person under whom he derives his settlement, shall have wholly gained a settlement therein during the ten years preceding the last date of application for support provided that no person having a settlement in any town in this state upon arriving at the age of seventy years shall lose that settlement on account of being exempt by law from paying a poll tax, if he resides in said town.”

SECTION 2. All expenses thus incurred, or such part thereof as the board may determine, shall be

deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons so quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes.

Total cost of supporting paupers at
 County Farm for year ending
 December 31, 1931 \$38,797.42

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of County Farm shall make up his report to January 1, annually, and also Section 2 of said Chapter requires that the Superintendent's reports shall contain, in addition, a list of paupers actually supported at the Farm and the number of weeks each was supported, also a statement of the average cost per week for each pauper with an explanation of the basis upon which such calculations were made.

The whole number of persons supported and partially supported for the year ending Dec. 31, 1931, was 207. The number of weeks board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the number of weeks each was supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1931 was \$38,797.42. This sum divided by the whole number of weeks furnished—4696 weeks gives \$8.26 plus, as price per week.

The past year has brought about several changes in our working force, and an increase in number in the Almshouse, especially in the Hospital department. Many contributions, as usual, have been received from our outside friends and were greatly appreciated.

I wish to thank the Commissioners, Chaplain, Physician and Employees for their help and co-operation in our work for the year.

Respectfully submitted
 J. E. ANDREWS.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1931 and find them correctly cast and properly vouched.

GEORGE A. PUSHEE,
 FRED PARKER,
 JOHN GADD,
 Commissioners for Grafton County.

Chaplain's Report

North Haverhill, N. H.
December 31, 1931.

To the citizens of Grafton County

Grafton County Farm Home, surely here, too, is "a house by the side of the road" which proves by its ministry of comfort and care, and by its management that it is "a friend to man."

Religious services are held in the chapel every other Sunday at 1:30 P. M. Familiar hymns of childhood days are used and apparently liked by all. Sometimes a "heart seems strangely warmed" as these old familiar words and tunes remind one of a Presence in our midst.

To vary the type of service occasionally some one is brought to the service who tells a story which involves Christian ideals, principles and motives.

As usual at Christmas a group of young people, a reader and others from North Haverhill assist in an evening's entertainment and fun. Two trees brought much cheer and many tokens of thoughtfulness and love. Other occasions during the year bring pleasure and variety.

On the whole this is a home of mercy to many whose pathway through the years has led them to this place. They are the guests, the county is the host. And the county feels with Sam Walter Foss:

"Let me live in a house by the side of the road

Where the race of men go by—

The men who are good and the men who are bad,

As good and as bad as I.

I would not sit in the scorner's seat

Nor hurl the cynic's ban—

Let me live in a house by the side of the road

And be a friend to man."

Respectfully submitted,

C. L. CARTER,

Chaplain.

Report of County Physician

To the Commissioners of the County of Grafton:

I submit herewith my report of the clinical affairs of the Hospital for the year ending December 31, 1931.

The hospital has run pretty nearly to full capacity throughout the year. The wise and economical policy of the commissioners in sending to the County's own hospital such cases as would surely become County charges, has resulted in a considerably increased number of major operations and also of obstetrical cases.

Superintendent and Mrs. Andrews have been personally interested in every individual and have kept the hospital on a very high plane for service.

The installation of a modern X-ray outfit has been timely and has demonstrated the wisdom of the County Delegation. In the few months of its use, it has already saved the County about one-sixth of its entire cost.

The hospital is always ready to receive emergency cases, but before they are sent in, one of the commissioners should be consulted whenever possible.

I would gratefully acknowledge the valuable council of the Commissioners, the cooperation of the management, and the assistance of all those connected with the institution.

Respectfully submitted,

E. M. MILLER,

County Physician.
