Interest on building fund,	300.00

I. A. FORREST,
EMMA H. KENNETT,
ERNEST E. KENNETT,

School Board.

February 1, 1925.

SUPERINTENDENT'S REPORT

To the Citizens of Madison:

I herewith submit my fourth annual report as Superintendent of Schools, it being the twelfth in the series of such reports.

The schools have progressed well during the past year. In some cases pupils have been able to do two years' work in one. We are constantly testing the work, seeking to remedy defects and improve the standing. Our excellent high school serves as an incentive to the grade pupils to complete the elementary work. All who finished the grade work last June entered high school or plan to do so a year later.

Teachers—There are six teachers in the employ of the district.

High School—Edwin C. Conner, Headmaster; L. May Quimby, Assistant.

Elementary—Beatrice M. Gregory, Mason school, 11 pupils; Helen Merrifield, Nickerson school, 18 pupils; Winifred Phillips, Madison Corner school, 27 pupils; Esther B. Lapierre, Silver Lake school, 31 pupils.

The faithful work of the teachers should be appreciated. Too often parents fail to visit the schools and voice the kind regard they really feel for those who teach their children.

I earnestly wish some provision could be made for special instruction in music and drawing.

MEDICAL INSPECTION

An excellent piece of work was carried out in providing an opportunity for dental work for the pupils. Miss Elfie Green, who acted as school nurse, opened her house for dental service. An old barber's chair was secured, a dental engine rented and Dr. F. E. Meader, of Wolfeboro, was hired to do the work. Appointments were made

through the Superintendent's office so that no time would be lost and Dr. Mea'ler worked twenty-three days, serving forty-seven pupils besides some adults. Thanks is due to the Men's Club, Mothers' Club, Silver Lake Woman's Club, the Christian Endeavor Society and single individuals who contributed aid for this most beneficial work. The inspection this fall shows many less defects in the teeth.

REPAIRS

Excellent work has been done in repairing and improving school property. Silver Lake schoolhouse has been painted inside, cement steps laid and chemical toilets installed. Madison Corner schoolhouse ceiling painted, slate blackboards placed and a new bookcase built. The Nickerson schoolhouse was painted outside and some slate blackboards placed. The High School hall was repainted and a new bookcase and seven new desks added. The following should be considered for the coming year :

Ventilating stove at Silver Lake.

Inside painting at Nickerson.

PRIZES

In the Carroll County Farm Bureau essay contest, Millie Pearson, of Mason school, won a one-dollar prize, and Stanley Jackson, of Madison Corner school, won a two-dollar prize.

HIGH SCHOOL

Madison High school still continues to thrive both in numbers and accomplishment. The total enrollment is 47, only one less than last year, in spite of the fact that both Tanworth and Ossipee have started high schools in their own towns. The excellent spirit of endeavor and scholarship still continues. The teachers, both carrying heavier

schedules than last year, are showing what can really be accomplished in a small high school. Athletic activities are thriving. The basketball team is one of the best. The English Club is doing splendid work in conducting business meetings and arranging programs and social activities. Very noticeable is the desire of the pupils to do something for the benefit of the school. Flower beds have been made, a flag pole secured and a name placed over the door. Current events and study of local history have been special features of the work. The campaign scrapbooks attracted attention even to the State office at Concord, this being an excellent way of teaching present and practical citizenship. The practical side of the course in Economics and Business Practices is meeting with special favor.

The school has secured a Babcock Milk Tester and is testing samples of milk for any who desire such service. A project is on hand in the physics class to study the possibilities of a water supply for Madison, figuring the fall, etc. The French classes are reading a regular French magazine and thus acquiring a practical use for knowledge of this language.

In several cases prizes for excellence in composition have been won by the students. Prize on Lincoln essay was won by Ruth Pearson, '25. Prize of \$5.00 and a book was won by the school from the Scholastic for the best book review. In the essay contest arranged by the Carroll County Farm Bureau, Frank Pearson won first prize in both county and state. Robert Granville won second in the county. Rhoda Pearson won third prize. Two-dollar prizes were won by Pearl Granville, Esther Jackson and Eleanor Nason.

One-dollar prizes won by Leonard Bickford, Harriet Meloon and Doris Pratt.

The *Madisonian*, still a popular and well edited school magazine, is paying its own way. Few schools can so successfully publish a school paper.

Last June the second class graduated seven fine young people—six young men and one young lady. One of these is in Boston University, one in the University of New Hampshire and one in the Wentworth Institute. Two others are earning money to start college next fall. In the next graduating class there are twelve young people—five young ladies and seven young men. These are all looking forward to college, normal school or other advanced institutions.

Madison is doing well for the schooling of its boys and girls and the money is well spent. The boys and girls are making much of their opportunities.

Our school record for the year ending June 30, 1924, showed an average attendance of 118, and average membership of 123. The total enrollment was 137. The percent of attendance was 96.

The following pupils had perfect attendance for the school year ending June, 1924:

Benjamin D. Bickford—Mason School.
Esther F. Jackson—Madison Corner School.
Evelyn Sargent—Madison High School.
Sylvia Eldridge—Madison High School.
Pearl Granville—Madison High School.
Samuel F. Lyman—Madison High School.
Harriet A. Meloon—Madison High School.
Charles W. Merrow—Madison High School.
Eleanor Nason—Madison High School.

To citizens, School Board, teachers, and pupils, I wish to express appreciation of their helpfulness and kindly sympathy.

Respectfully submitted,

F. W. JACKSON.
