**GAFNEY LIBRARY**

Report For The Period February 1st, 1935  
to January 31st, 1936 inclusive

Gafney Library was dedicated ten years ago the twenty-eighth day of last August. Thousands of people have enjoyed the comfort of the reading rooms and the privilege of borrowing the books.

For several years, boxes of books have been loaned to our friends at South Wakefield and Brookfield and books have been given to Union Library and to the County Home at Ossipee.

The past year, the Library has been open the usual time with the exception of two weeks in May when it was closed for the scarlet fever epidemic.

The attendance has been 4188 and the circulation 4632. One hundred and fifty-five books have been catalogued, the greater part of which were given by interested friends. "My Book House", a collection of twenty-three volumes has recently been added to the Juvenile section. These books are beautifully illustrated and contain a wealth of material for our young readers.

The Reading tables have been well supplied with magazines, given by friends.

ABBIE F. TUTTLE

Librarian

## GRADUATES FROM EIGHTH GRADE, JUNE 1935

Winnifred Downs, Wallace Kimball, Virginia Nason, Carroll Shea, Isabelle Weeman, George Davenport, Evelyn McDonald, Hope Weeks, Norman Reed, Alfred Weeks, Daniel Clow, Robert Hatch, Edwin Howe, Vincent McDonald, Natalie McCrillis, William Powell, Everette Thompson, Janet Stevens.

Of these eighteen graduates from our eighth grades all but two entered some secondary school in this or another state last September.

This year we have 18 pupils in Rochester High School, 7 in Nute High School, and 14 in Brewster Academy.

For the past three or four years there has been a considerable increase in the number of our pupils who elect to attend Rochester High School. This is due chiefly to the fact that Rochester offers opportun-

ities for manual training and domestic arts which are not given in the other high schools to which we have been sending our pupils. Brewster Academy dropped its Commercial Department a year ago. This also accounts for the fact that fewer of our pupils are now attending that institution than formerly.

Our corps of teachers is the same this year as last. We are fortunate in not being obliged to make any changes.

Medical Inspection remains under the charge of Miss Maude McBride as for several years past. Her report will follow.

Respectfully submitted,  
 FRED W. DUDLEY  
 Superintendent of Schools
