ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
WESTMORELAND
NEW HAMPSHIRE
for the year ending December 31, 1973
and
SCHOOL DISTRICT OFFICERS
for the year ending June 30, 1973

Looking Backward

by Ruth Selden White
(Mrs. Richard E.)

How carelessly we say, "They cleared the land",
 Dismissing with such words the arduous way
First farmers built the homes which they had planned
 And settled where the wilderness once lay.
Historians tell us of this hardy band
 Who fell the trees, dragging the trunks away
For timber, tore up the roots, left them to stand
 Upright, a spiny fence, lest cattle stray.

Oh, could these men come back across some hill,
 To gaze about them where the farmlands lie,
They'd find new modes of living, here today.
 Few of their landmarks would await them still, —
Remnants of fences, water-wheels gone dry,
 Some great, old tree, lonely against the sky.

In East Westmoreland, on the Hurricane Road, an area historically known as Mutton Hill to older town residents was once a small village with a school, church store, tavern, shoeshop, blacksmith shop and about a dozen dwelling houses.

On the front cover is shown one of these houses, owned by Richard and Ruth White since 1928. We believe this to be the oldest frame house in Westmoreland.

According to research and historical data written by Forrest W. Hall (1855 — 1941), somewhat of a town historian, Henry Chamberlain, a cordwainer (1722 — 1811) married in 1740 at Bridgewater, Massachusetts to Susana Hinds, was a very early settler of Westmoreland. The story goes that he had a log house east of the present "White" buildings near what was afterwards the noted apple tree known as the "Yoke Tree". Henry and Susanna's fourth child Betsey (1752 - 1850) was said to have been the first white child born in Westmoreland after the New Hampshire grant in 1752. Soon after this Indian troubles compelled the Chamberlains to abandon their home and return to Massachusetts.

After a lapse of twenty years, in November 1771 we find Henry Chamberlain Jr. (1747 — 1828) selling this farm to Jonah Edson, later a Revolutionary War soldier, born in Bridgewater, Mass. in 1751, who had come to Westmoreland as a young man and married Betsey Chamberlain here June 4, 1772. Henry Chamberlain, Jr., a preacher, was instrumental in building this house about 1780 and also a small church nearby, no longer standing.

Jonah and Betsey Edson had fourteen children born here. Their ninth child Lois married Benjamin Knight, a horse trader, and in 1826 Jonah sold the 140-acre farm to Benjamin Knight. As was often customary in earlier years, Benjamin leased the farm on the same day in 1826 back to Jonah and Betsey for their use during their natural lives. Jonah died in 1831, age 80, but Betsey lived until 1850, age 98. During her later years Betsey lived in a small house attached to the north side of the present house, which was later moved back and presently stands a bit northeast of the "White" house. Later owners used it for a sugarhouse.

In April 1852 Benjamin Knight sold the 140-acre farm to his son, Dean E. Knight, who in September 1852 sold it to Seth C. Hall for \$2,000.

From 1852 to 1920 it remained in three generations of Halls, Seth C. Hall, brothers Forrest W. and Frank P., and Gaius, the son of Forrest W. Hall, who presently lives in Keene. Many changes and improvements were made. In 1852

all new clapboards, windows and blinds were put on the old house at a cost of \$400. In 1858 Seth Hall installed an iron sink and a copper pump in the kitchen with lead pipe from the well. In 1869 the large center chimney was removed and front stairs installed. In 1890 drain tile was put around the buildings, down through the field nearly to the brook. All kinds of fruit trees, raspberry and strawberry plants and grapes were set out, also 20,000 pine seedlings.

In 1909 "The Hurricane Telephone Company" was formed and built four and one-half miles of telephone line, seven subscribers in Keene and four in Westmoreland, one being the Halls. The N. E. Telephone Co. was paid \$425. to put up the wire, install the phones and connect them at Keene.

Since the Whites purchased the farm from Gaius Hall, electricity has been installed, a need which Forrest Hall had foreseen not only for light but also power. The maple tree growing between the house and road was planted there by Richard White the year they bought the farm.

Part of the barn across the road was built in 1828. It was raised four feet, and a stable for young cattle installed by Seth Hall. Later Forrest and Frank raised it one and one-half feet and moved it one foot toward the west, installed a better foundation and stable for twelve cows. In 1952 Richard White added the stable toward the east.

Many other interesting little stories are connected with this house and area nearby, such as the large stone doorstep, the old stone horse block used by churchgoers, the only powder mill in town, getting water to the barn from the "Goose Pond" through sap pine logs, the story of the church, the story of the "Job", the Edson Cemetery where Jonah and Betsey are buried, and many humorous anecdotes.

TOWN WARRANT

To the Inhabitants of the Town of Westmoreland in the County of Cheshire in said State, qualified to vote in Town Affairs:

The polls will open at 1:00 P.M. and will not close before 8:00 P.M.

You are hereby notified to meet at the Town Hall in said Westmoreland on Tuesday, the fifth day of March, next at seven of the clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of Agents and Auditors, and take any action relating thereto.
4. To see if the Town will vote for Class IV or Class V roads construction; reconstruction or betterment aid, and raise and appropriate the sum of \$837.47, the State contributing \$5,583.14.
5. To see if the Town will vote for snow removal and sanding of either Class IV or Class V roads, or to take any other action relating thereto, to raise and appropriate money for the same.
6. To see what sum of money the Town will vote to raise and appropriate in addition to what is required by law for highways and bridges.
7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be deposited in the present Town History Savings Account; the principal to be used toward the printing of a Town History and Genealogy, the interest to be used for accumulating material for the same; or take any other action relating thereto.
- *8. To see if the Town will vote to raise and appropriate the sum of \$845.00 as its fair share of operating costs of Elliot Community Hospital.
- *9. To see if the Town will vote to raise and appropriate the sum of \$407.00 for support of the Monadnock Regional Association.
- *10. To see if the Town will vote to raise and appropriate the sum of \$499.00 — 50 cents per capita, for Monadnock Family and Mental Health Service.
- *11. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the use of the Westmoreland American Revolution Bicentennial Commission in planning and carrying out Bicentennial celebration activities.

12. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to repaint the outside of the Town Hall.
13. To see if the Town will vote to authorize the Selectmen to apply for, contract for and accept aid from the Federal Disaster Assistance Administration in Washington, when the President declares that a disaster has occurred.
14. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a set-off against the following debt service incurred for "Priority Expenditures" since January 1, 1972;
15. To see if the Town will permit the Westmoreland Athletic Association, Inc. to play basketball in the Town Hall, in accordance with rules and regulations mutually agreed upon by the Association and the Selectmen of the year 1972 until the next annual meeting.
16. To see what disposition the Town will vote to make of the income of the Jotham Lord Fund.
- *17. To see if the Town will vote to appropriate \$2,000.00 for Library improvements and authorize withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
18. To see if the Town will vote to accept the Budget, as submitted by the Budget Committee under the authority of the Municipal Budget Act. This Budget may be considered item by item or as a whole but may not be increased more than ten per cent, in any item as a whole.
19. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
20. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 12th day of February in the year of our Lord nineteen hundred and seventy-four.

TOWN MEETING

March 6, 1973

The Annual Town Meeting of Westmoreland was opened at 1:00 P.M. by Talbot Hood, Moderator. The polls were declared open, and the items in the warrant were scheduled to be taken up at 7:00 P.M.

The Meeting was called to order at 7:03 P.M. and the entire warrant was read by Talbot Hood, Moderator. The following articles were taken up one at a time, with individual actions noted herewith:

Article 2. Raise Money and Appropriate. Moved to consider under Article 27, Budget. Voted in the affirmative.

Article 3. Town Reports. Voted in affirmative to accept as printed in Town Report, with two minor corrections for typographical errors.

Article 4. Raise and Appropriate \$890.00 for Cheshire Hospital. Voted in the affirmative.

Article 5. Town History Savings Account — \$1,000.00 Voted in the affirmative.

Article 6. Raise and Appropriate \$830.74 for Class IV or V roads. Voted in the affirmative.

Article 7. Raise and Appropriate \$387.00 for Monadnock Regional Association. Voted in the affirmative.

Article 8. Permission to Westmoreland Athletic Assoc. to use Hall. Voted in the affirmative.

Article 9. Snow removal and sanding on Class V or IV roads. Voted in the affirmative.

Article 10. Highways and Bridges. Voted to take up with Article 27, Budget.

Article 11. Disposition of income from Jotham Lord Fund. Voted for use of the Library.

Article 12. Raise and Appropriate \$399.00 for Monadnock Family and Mental Health. Voted in the affirmative.

Article 13. Town Conservation Commission. Voted to table until end of Warrant in order to disseminate more information.

Article 14. Discontinue road. Maker of this article subsequently requested withdrawal. Voted to pass over the article.

Article 15. Acceptance of Trust Funds held by East Cemetery Association. Voted to accept the three Trust Funds in question.

Article 16. Selectmen and Planning Board to locate land for highway garage and material. Voted in the affirmative.

Article 17. Appropriate not to exceed \$50,000.00 for land, building, and equipment for Town Highway Department. Voted in the affirmative.

Article 18. Committee of three to work with Selectmen to implement Article 17. Voted in the affirmative.

Article 19. \$3,000.00 to paint outside of Town Hall. Voice vote indecisive. Rejected on a show of hands.

Article 20. Highway Department personnel. Discussion indicated that salaries and operating expense would come from Summer and Winter Maintenance Funds in the Budget.

Moved and seconded that the Selectmen hire two full-time men for the Highway Dep't., compensation to be set at the discretion of the Selectmen. Voted in the affirmative.

Article 21. Purchase Trucks, Plows and Loader. It appearing that this proposal was already covered in Article 17, it was moved to pass over this article. Voted in the affirmative.

Article 22. Replace Tax Collector's fixed salary with a percentage of Warrant. Moved and seconded that the fixed salary paid the Tax Collector be replaced by a variable salary based on a percentage of the Warrant, as recommended by the N. H. Municipal Association. Motion defeated.

Article 23. Raise salary of Selectmen to \$700.00 each. Voted in the affirmative.

Article 24. Raise the salary of Trustees of Trust Funds to \$50.00 each. Voted in the affirmative.

Article 25. \$2,000.00 for new roof of Fire House. Voted in the affirmative.

Article 26. \$1,000.00 for new roof for Library. Voted in the affirmative.

Article 27. Approval of the Budget. Moved and seconded that the Budget be considered as a whole. Voted in the affirmative. Moved and seconded that the Budget as a whole be approved and that money be raised and appropriated for those additional items for which money has not already been voted — in the amount of \$129,516.74. Voted in the affirmative.

Article 28. Borrow in anticipation of taxes. Voted in the affirmative.

Article 13. Taken from the table. Discussion brought out the relation between a Conservation Commission, Planning Board, and Zoning. Moved and seconded that Selectmen

appoint a three man Conservation Commission within 30 days, and a temporary Chairman to call the first meeting. Voted in the affirmative.

Article 29. Other legal business. Discussion of County activity on a new jail, and request for an expression of opinion from the meeting. Moved and seconded that a letter be sent to the County Commissioners and County Delegation expressing the feeling of Westmoreland citizens that a new jail facility was undesirable and unwelcome. Motion defeated — 45 opposed, 38 for, by show of hands. Moved and seconded that the County Commissioners be invited to attend an open meeting to be set up within the next two months, to discuss the matter and to hear the townspeople's opinions at first hand. Voted in the affirmative.

The Planning Board recommends an increase in number of members because of greatly increased work load. Moved and seconded that the Selectmen be authorized to appoint two additional members to make the Board consist of Seven members. Voted in the affirmative.

The Polls were closed at 8:02 P.M. Meeting adjourned at 9:45 P.M.

VILLAGE DISTRICT MEETING

March 9, 1973

The meeting was called to order at 6:30 P.M. by the Moderator, Wesley Staples, who read the Warrant.

Linn Starkey, Jr. made the motion that we take up Article 4 in place of Article 1. This was seconded and passed. Under Article 4, Linn Starkey, Jr. made the motion that we dissolve the Village District and all monies be turned over to the Selectmen to be used for improvement to the Athletic Field. This was seconded by Earl Spaulding, Jr. The two Commissioners explained the reason to dissolve was that a District can receive no Federal or State Funds and if we undertake any projects, we do it all by ourselves. There was some discussion following. This motion passed by a unanimous vote. The motion was made and passed for adjournment. The meeting was adjourned at 6:45 P.M.

Nancy A. Staples, Clerk

TREASURER'S REPORT OF WESTMORELAND VILLAGE DISTRICT 1973

As previously reported in the annual report for the year ending December 31, 1972, a balance in the Savings Account at the Keene Co-Operative Bank; Account No. #10237, was \$46.45.

At the annual meeting held in March 1973, it was voted to disband the Westmoreland Village District. This motion was seconded and passed. It was voted that any funds remaining in the name of the Westmoreland Village District were to be turned over to the Town of Westmoreland for the specific use of the Westmoreland Athletic Field. This subsequent motion was voted upon and passed.

On or about July 6, 1973 with accrued interest of \$1.17, the sum of \$47.62 was turned over to the Westmoreland Town Treasurer by the Westmoreland Village District Treasurer for the sole benefit of the athletic field.

E. B. Spaulding, Jr.
Treasurer

BUDGET OF THE TOWN OF WESTMORELAND, N. H.

1973 PLANNING BOARD REPORT

As authorized at the 1973 Town Meeting, two members were added to the Planning Board, bringing the total Board membership to seven. These additional members have helped make it possible for the Board to accomplish many of its objectives. In 1973, regular open meetings were held on the first and third Mondays of each month. The Chairman of the Town Conservation Commission participated at several of the meetings in order to coordinate the efforts of the two groups.

Several special meetings were held for the purpose of updating both our Subdivision and Zoning Regulations. The revisions set forth were discussed during two open hearings and prepared for presentation to the voters at the 1974 Town Meeting.

On-sight inspections of proposed subdivisions were also made during the year. These inspections are being made for the purpose of making more valid evaluations of the sites being submitted to the Board for approval.

We now have on file a set of Town Road Specifications that were prepared with the help of the Road Agent. Any new roads constructed in town will be subject to these specifications.

Some limited progress was made toward the establishment of a Master Plan, however, the cost involved in this program makes it a slow process.

During the coming year we expect to be kept busy as a result of increased activity by subdividers. We also plan to continue with the updating of our subdivision regulations and hope that it will be possible to make further headway on the Town Master Plan.

Richard G. Delano,
Chairman

LIBRARY REPORT

1973 was a busy year for your library. Book circulation is up both adult and juvenile over the previous year. Requests for books and resource materials not in the library's collection have been supplied through inter-library loans. Visits from the State Bookmobile have enabled us to offer our patrons a wide choice of books which a limited book budget could not afford to purchase.

Story hours for children during the summer months and bi-weekly programs for the kindergarten class are now regular features of the library community service.

A selection of books chosen to meet the reading interests of the elderly are sent monthly to the County Home.

Much time has been spent weeding the book collection and up-dating the subject files. Although this is time-consuming work it provides for a more efficient use of the book stock.

The installation of a new roof and having the electric wiring brought up to current safety standards has solved some of our problems. However, we are still concerned with the deterioration of the books due to moisture in the library which could be controlled by maintaining heat in the building during the winter months.

If we are to retain the benefits offered by the New Hampshire State Library we must meet the minimum standards as set forth in the State Library Development Program which requires that libraries in towns with a population of 1,000 should be open 15 hours a week, have hot and cold running water, toilet facilities and telephone service. We do not meet these requirements at the present time. We plan to extend our hours in the coming year and hope to get a further extension from the commission as we move to acquire the physical facilities.

Acknowledgments

To — Mr. and Mrs. Emery Neff for their gifts to the library's Development and Book Funds. Mrs. Elwin Messer for her contribution of the proceeds from a dinner prepared for the Snowbelters. The Coffee Hour With Books for Book Memorials. Mr. and Mrs. Oscar Ekberg for their gift in memory of Walter Dunn. Mrs. David Leinster for her help with the Summer Story Hours.

REPORT OF HIGHWAY COMMITTEE

In the past year progress had been made in several areas which we feel are worthy of mention in this report.

At the last March meeting \$50,000.00 was voted for Capital Outlay for the Highway Department of this \$35,800.00 has been spent at the end of the year for the following:

Gallian T500 Grader
Wing for Grader

Diamond Reo Truck
Plow and Wing for Truck

Approximately 3 acres of land

The land purchased is located in the south end of Town off the McAdam Road and known as the Fredette Gravel Bank. We hope anyone interested will feel free to view the new lot and also look at the equipment.

The Highway Committee authorized by the voters to work with the Selectmen was made up of Richard Lawson, Richard Goodnow, and Wesley Staples. This committee spent many hours of time with the Selectmen in deciding on the above equipment. The Selectmen appreciate the talents and time given by the Committee.

Wesley Staples was hired as the Highway Agent to work full time and at the present time John Burt is working full time with him.

Because of the equipment purchases more funds were available for use on the highway. Approximately \$700.00 plus Town equipment time were added to the T.R.A. account to complete the Glebe Road. The Jenkins Hill project was completed and several culverts that were needed in other areas of town have been put it.

In 1974 we will use the balance of the Highway Fund to erect a Town Garage. The balance of the money for the Town Hall Parking lot will be used to complete the Parking Lot project.

The Selectmen welcome your comments and interest in how your tax dollars are being spent.

Thomas M. Barrett, Sr.
David J. Bailey, Jr.
Robert W. Moore, Jr.
Selectmen of Westmoreland

REPORT OF TOWN HISTORY COMMITTEE

To coincide with the national bicentennial celebration in 1976, the committee has tentatively set that year for publication of your Town History. However, much remains to be accomplished and the committee feels it should not be bound to that date if it would result in less than the best effort that can be produced.

During the past year volunteers have begun research on three major topics, namely, agriculture, railroads, and the County Farm. There are still more topics to be researched, as well as genealogical studies to be continued.

Mrs. Bertha Staples has joined the committee and is engaged in map work and research of roads.

In order to complete the history, financial support will be required of the town, and residents should be giving this matter their consideration.

Please continue to "research" your attics and bring forth any diaries, photographs, maps atlases, artifacts, memories, etc. that might well become part of a valuable collection of historical data to be preserved by the town for future generations.

School Warrant

To the inhabitants of the School District in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 8th day of March, 1974, at 7:30 o'clock in the evening to act upon the following articles. The polls will be open 6:00 p.m. to 9:00 p.m.

ARTICLE 1. To choose all necessary school district officers:
A moderator for the ensuing year.
A clerk for the ensuing year.
A member of the school board for the ensuing three years.
A treasurer from July 1, 1974 for the ensuing year.
Two auditors for the ensuing year.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 3. To see if the district will vote pursuant to RSA 31:105 to provide indemnification for district employees, school administrators, school board members, district officers or agents from personal loss or expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of him employment or office.

ARTICLE 4. To see if the District will vote to authorize the school board to make application for, to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

ARTICLE 5. To see if the District will vote to raise and appropriate Seven Thousand (\$7,000.00) Dollars for the purpose of purchasing additional land adjacent to land currently owned by the District. Said appropriation to be a supplemental appropriation for the fiscal year July 1, 1973 to June 30, 1974. Further, to see if the District will vote to authorize the school board to take necessary action to effectuate the purpose of this article.

NOTE: This money will be added to the Six Thousand (\$6,000.00) Dollars which was raised and appropriated under Warrant Article 5, at the adjourned District Meeting May 24, 1972. Purchase will be from the Theodora A. Gerould Estate. The new total of Thirteen Thousand (\$13,000.00) Dollars will be for actual purchase of land and costs and expenses in connection with said transaction.

ARTICLE 6. To see if the District will vote to raise and appropriate the sum of Four Thousand (\$4,000.00) Dollars for the addition of a staff member at the Westmoreland Elementary School and, further, to see if the District will vote to authorize the school board to take necessary action to effectuate the purpose of this article.

NOTE: The professional staff of the school has identified a need for a "Resource Teacher" to work with individuals, small groups, or any combination in the areas of self-motivation, success, self-discipline, confidence, auditory problems, language development, attention, motor skills and directions, etc. This position would be a resource for the rest of the school working with "young, slow," and in the future "gifted" children.

ARTICLE 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of the statutory obligations of the District.

ARTICLE 8. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

ARTICLE 9. To transact any other business which may legally come before this meeting.

Given under our hands at said Westmoreland this 14th day of February, 1974.

Lois M. Delano
Donald E. Hall
Roger S. Adams
School Board

SCHOOL DISTRICT MEETING

March 9, 1973

Agreeable to the foregoing warrant, the legal voters having met at the time and place mentioned in the warrant, the meeting was called to order by the moderator, Marcius Butterfield, at 6:00 P.M., Friday, March 9, 1973. The polls were declared open for voting, to remain open until 9:00 P.M., under Article 1.

At 7:30 P.M. the business meeting was called to order by the moderator. The warrant was read. Few people were in attendance at this time, so action on Article 2 was postponed for 15 minutes, at the consent of those in attendance.

Article 2. At 7:45 P.M. Article 2 was taken up. Robert Moore made the motion which was seconded and voted that reports of Agents, Auditors, Committees or officers be accepted. By a voice vote the motion carried.

Sup. Day, Mr. Cass, business manager, and Mr. Grove, principal, were introduced. As there was no objection to any of the group speaking at any time, the moderator made this a ruling.

Article 3. The motion was made seconded and voted that the District vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now, or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency. By a voice vote the motion carried.

Article 4. Roger Adams made the motion which was seconded that the District raise and appropriate the sum of \$228,953.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

A discussion of the budget followed, led by Mr. Butterfield.

Mr. Scott asked about the purchase of land for the school. Mrs. Delano explained concerning the dealings with the trustee of the Gerould estate. This trustee is now dead so she is talking with a new trustee, who expects to be appointed. It was brought out that the Planning Board could take this property by eminent domain, but they would rather not do this. They would rather purchase the property.

By a voice vote the motion carried that the District raise and appropriate the sum of \$228,953.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

Article 5. The motion was made and seconded that this article be passed over. Motion carried.

Lois Delano wanted an indication of the voters opinions regarding the Gerould land. Robert Moore said no vote was necessary. It should be left up to the School Board.

Mr. Day talked about the school and the educational system. He expressed his pleasure at working with the school board.

Donald Hall brought the group up to date on the AREA.

The business meeting was adjourned, with the polls to remain open until 9:00 P.M.

At 9:00 P.M. the polls were declared closed and the meeting adjourned.

Results of the election of school officers:

44 ballots cast.

Moderator — Marcuis R. Butterfield — 42 votes and was declared elected. Talbot Hood received 1 vote.

Clerk of School District — Dorothy R. Rhodes received 43 votes and was declared elected.

Member of the School Board for Three Years — Roger S. Adams received 40 votes and was declared elected. Charles Clapp received 1 vote and Linn Starkey 2 votes.

District Treasurer — Marjorie Hudson received 44 votes and was declared elected.

District Auditors — Griffith Royea received 13 votes and was declared elected. Robert Cox received 9 votes and was declared elected. Others receiving votes were: Bertha Staples, Gilbert Bigelow, Barbara Reynolds, Eleanor Adams, Evelyn Hunter, Mary Ann Putnam, David Leinster, Earl Spaulding, Talbot Hood, Carlson Barrett, Arthur Herrick Jr., and Bonnie Royea.

The officers were then sworn in.

A true record of the meeting attest:

Dorothy R. Rhodes
Clerk of the School District

REPORT OF SUPERINTENDENT

As your present superintendent retires in June and a new team takes over the administrative and leadership responsibilities, it is a good time for reflection.

Theoretically as superintendent, I should have no favorites, but I am confessing that since 1967, Westmoreland has been one of my favorite towns. In 25 years of superintendency, I have served 20 communities in New Hampshire and before that six others as teacher or principal. It reminds me — its people — very much of my own home town of West Stewartstown. As you struggle to pay your taxes, I think with gratification that my own little town paid taxes and tuition for my public school education. Later I was able to secure a bachelor's degree and a master's degree at Plymouth and the University of New Hampshire. I have used my limited talents for a 37-year career in New Hampshire. Perhaps I have made a contribution to our youth because a small community like yours provided me the educational tools and the motivation. Beyond this, I have especially liked to work with the fine members of your school board during these seven years.

In 1967, the State Board of Education decided that Supervisory Union 29 should be enlarged to serve the five other districts adjacent to Keene — Chesterfield, Harrisville, Marlborough, Nelson, Westmoreland. The purpose was to bring districts of similar economic and social interests together into one educational enterprise. There was reluctance on the part of the smaller districts, feeling that their needs would be overlooked. And Keene displayed some resistance too, probably believing that it was big enough to provide the desirable educational services. The few remaining board members, Mrs. Mildred Huber of Nelson, Mr. Alphonse Despres of Marlborough, Mrs. Clara Wellington of Chesterfield, Mrs. Lois Delano of Westmoreland, Mr. Howard Wheelock of Keene, will remember our early problems — finding office space, equipping, staffing, and getting acquainted. After a year or two of suspicion and distrust, the attitude has changed to cooperation and confidence.

We have been joined even more firmly by the formation of two Authorized Regional Enrollment Plans, one for Grades 9-12, the other for Grades 7 and 8. Now, truly Keene High School is our high school, and Keene Junior High School serves most of our secondary children.

In fact we are more frequently asking: Why should geographic boundaries of our communities established in the 18th century determine educational boundaries? The six

governmental bodies that manage our schools directly may have outworn their original advantage. Some of us hope that in a few short years, Supervisory Union 29 may become one governmental entity with the single purpose of providing quality education at an equitable cost from its citizens.

Unhappily, we can show no improvement in financing our schools. People sometimes resist desirable improvements because of the great burden on property tax. The State of Maine shares 50% of the local costs of education. Vermont provides over 40%. Our state provides only 4%. Under these circumstances the towns rich in resources find it easy to finance schools, those with many children and few resources find it extremely difficult. A recent publication proves this continuing dilemma. At 100% valuation these towns had these tax rates in 1973: Marlborough, \$36.91; Keene, \$32.20; Winchester, \$31; Swanzey, \$30.95; Westmoreland, \$28.95; at the other extreme — Stoddard, \$6.84; Roxbury, \$8.64; Harrisville, \$15.34; Nelson, \$17.26; Chesterfield, \$20.60, in between. In other words, Marlborough has to tax itself approximately five times as hard as Stoddard to raise similar relative amounts.

Since the schools under these circumstances take such a large part of the tax dollar, there is always resistance, even by some who have children to be educated. In reality, the cost of schools is nearly always a reaction to the increased costs of all other expenses of society. For example, using the reported 8% inflation of 1973, the costs of our schools would be expected to rise 8%, without any increase in services, just to match the new inflationary level. Gasoline, fuel oil, electricity, books, supplies, contracted services all increase. In order to "stay in place" the staff, teachers, aides, and custodian, need an increase of nearly 8% to have the same purchasing power in September, 1974, as in September, 1973.

This year your administrators pared the instructional materials cost to the bone. We hoped that for once we could bring a budget to you with practically no change in taxes for the same services. We also desired to bring your children some needed additional services, a part-time resource teacher to give assistance to children with serious learning problems, a part-time art teacher to begin to fulfill requirements of the minimum standards for elementary schools. Of the two positions, your principal and teachers urge us to give first priority to the resource teacher. If children are not assisted in solving their learning problems in their one trip through school, they are forever handicapped. I know the question you will ask: "Can we afford it?" Only your citizens can decide.

At this time it looks as if we might have success in obtaining land to enlarge our lot and lay good plans for the future by so doing. There have been at least two friendly and profitable meetings of the several town boards and committees. There have been additional appraisals and negotiations. A special article will be placed in your warrant to raise the necessary additional funds.

Once again the people of Keene face the problem of needed expansion of its high school to serve its youth and those of six other districts. We will strive to build an enlarged vocational center to serve many of our young people in Cheshire County. It is now recognized that secondary schools must serve the needs of all youth, vocational as well as academic.

I am sure that you will develop confidence in the new administrative team of Union 29, encourage its best leadership, and give it your support. You have a fine faculty and a quality school situation.

I shall miss you. It has been a pleasure to serve you.

John W. Day, *Superintendent*

REPORT OF THE SCHOOL NURSE

The following is my report for the year ending June 30, 1973:

Work of School Nurse:

- 172 pupils received vision screening tests
- 3 pupils received vision notices for defects
- 172 pupils received hearing tests
- 2 pupils received hearing notices for defects
- 172 pupils were weighed and measured
- 172 pupils received health inspections
- 42 pupils participated in the urine testing program
- 33 pupils participated in the stern needle tuberculosis testing program
- 42 pupils received physical exams
- 33 pupils participated in Dental Hygiene Program receiving cleaning, flouride treatment and dental care instruction
- 25 pupils appeared to be in need of dental care

The school nurse continues to serve this community as its yearly needs present themselves. With continued cooperation from the school personnel and parents, we are able to discover health problems and correct them. The building of healthful attitudes is ever present and the prevention of health problems continues to be one of our aims.

I wish to thank all who helped to make this school health year a successful one.

Respectfully submitted,

Evelyn Shelley

School Nurse

PRINCIPAL'S REPORT

1973 — 1974

The 1973-74 school year opened on September 6 with 160 students enrolled. There has been very little fluctuation.

Our big move this year in the area of curriculum was the acquisition of a new science program. We now have a laboratory type of program where the students learn by doing it for themselves. The materials and resources are provided and through the right combination of motivation, observations and guidance by the teachers, the students discover the world on "their own".

Physical Education is also an area of the curriculum which we have been working on this year. I have become aware of the fact that the students of Westmoreland lose out on the sports program at Keene High School simply because they do not have the experience required to participate. Therefore, this fall a soccer team and this winter a basketball team have been organized. Hopefully, through the experience gained on these teams, more Westmoreland students will be able to participate as high school students.

I would like to take this opportunity to thank all "activity period mothers" for their precious time. I would also like to thank the P.T.A. for everything they have done and especially the mother librarians for all of their time.

At the present time, the school staff consists of the following:

Steven Groves, Principal	Mathematics, Grades 5-8
	Reading, Grade 8
Virginia Hall	Language, Grades 5-8
	Reading, Grade 7
Ruth Jacobs	Science, Grades 5-8
	Reading, Grade 6
Raymond Morris	Social Studies, Grades 5-8
	Reading, Grade 5
Anne Hall	Grade 4
Janice Lefebvre	Grade 3
Linda Fisk	Grade 2
Maureen Jeter	Grade 1
Janice Spry	Remedial Reading
Evelyn Shelley	School Nurse
Marcia Starkey	Teacher Aide
Nancy Staples	School Lunch Manager
Lois Leach	Kitchen Staff
Joanne Hall	Kitchen Staff

Richard Delano

Lois Delano

Abbot Royea

Bus Driver

Bus Driver

Custodian

Once again, I would like to thank all the people who are making this school year a success.

Steven P. Groves

Principal

Nov. 18	Keene, N. H.	Sara Dawn	David G. Adams	Dawn L. Taft

EDUCATION
STATE OF NEW YORK

Table with multiple columns and rows, containing names and numerical data. The text is extremely faint and largely illegible.

The picture above shows the Tavern on Mutton Hill, burned in 1936, owned then by Mrs. Herbert E. Hall (Blanche Carpenter Hall). She inherited it from her mother, Lizzie Carpenter, who had acquired it from her father Almon Craig. The barn in the picture was built by Eugene Carpenter, father of Blanche Hall.

Jonah Edson owned this building in 1797. It was used as a tavern from 1806 to 1810 by Samuel Winchester who married a daughter of Jonah Edson. Later Seth C. Hall, Jr. owned and operated it as an Inn unsuccessfully.

At one time there was a shoeshop on the second floor. A dance hall extended the entire length of the front of this building, which faced the Hurricane Road. The cellar hole is near the Hurricane Road by the Russell Goodrich house. It had been owned by many people before the Goodrichs bought it in 1954.
