The book circulation for the Bartlett Public Library for 1969 was 6,968. This is an increase of 886 books over 1968. Two hundred fifty-four new books were added to the circulation. The Bookmobile visited the library four times and left a total of 1249 books.

The librarian attended five cooperative book-buying meetings. The state aid grant received for 1969 will be used to purchase the new Standard Library Catalog, Follett's Modern American Usage, Fowler's Dictionary of Modern English Usage, Onion's Oxford Dictionary of English Etymology, Browne's World's Greatest Scriptures, and Compton's Dictionary of Natural Sciences.

The library celebrated National Library Week in the spring and Children's Book Week in the fall with story hours and film programs.

The Monday night film programs for children were held again during the summer with an average of 25 in attendance. The library also conducted the "Four Thousand Footer Reading Club" for the children during the summer. Fifteen children became members and read many books during the summer. At the end of summer the members went to a very enjoyable hike up Pine Mountain in Gorham, N. H.

The financial report that accompanies this report shows a balance of \$621.62 that should be explained. The librarian submitted two large book orders with Campbell and Hall in October and November, but due to a holdup on these orders by the jobbers, these books weren't processed until the second week of January. The invoice for these books amounts to \$518.93 so that the actual balance for 1969 is \$102.69.

The proposed budget for 1970 is listed below. The \$400 item for new closet is for a proposed closet to be constructed in the downstairs basement to be used for storing the back issues of magazines and supplies. It is recommended that a library keep back issues of magazines for five years for reference purposes. Our library subscribes to 24-monthly magazines and needs much more room to store them. The present storage closet will be removed and shelves put on the wall in its place.

This year the library will be receiving the American Opinion as a gift of Mr David Taylor and the Appalachia is a gift of Mr Walter Tre-carten, Jr. Memorial books have been given in memory of Mrs Grace Garland and Douglas Eliason.

Regional Airport Report — 1969

To the Selectmen of the Area Towns:

The Directors of the Airport Authority have found 1969 to be another year of steady growth in the use of the Regional Airport. Those of you who have visited the airport during the year will have had occasion to notice the increased number of aircraft parked on or near the parking area or hangars.

The completion of the new six bay T-hangar produced \$750.00 in rent last year, although at the same time it also increased our insurance and snow removal costs. In any event, it provided a much-needed service to the flying patrons of the airport.

The Directors are still actively working with authorities towards solving the problem for at least some form of navigational device for the airport. It is planned to make further repairs to the edges of the runway where erosion will endanger the pavement unless curative steps are taken.

In addition to town appropriations and hangar rent, the authority received \$3,500 in grants from the Mulford Trust last year which enabled the Directors to pay off the balance of the T-hangar note, amounting to \$2,515.07. It should be noted that Town Appropriations, even including such net profit as we may make on the T-hangar, would not alone have been sufficient to carry our 1969 operating expenses. We are hopeful that more towns will join in appropriations for 1970.

Respectfully submitted,

NURSE'S REPORT

All children received the eye and ear screening test. Eye examinations were advised for four children. One child with a hearing defect, was advised to have further exams, and an operation was performed. This child is still under care.

Nineteen children in grade 1 received the Tine Tuberculosis Skin Test. No reactors were found.

Six health films were shown.

Forty-six children from grades 1, 4, and 7 received physical examinations at the Memorial Hospital.

The school in cooperation with the State Health Department, conducted a measles survey. Those children needing immunization were notified.

A pre-school vision-hearing screening program for children, ages 4 through 6, was held in May. This program was under the direction of the State Department of Health, and sponsored by the Conway Rotary Club.

The dental health program has helped us to improve our needed dental care. Very few children are not receiving regular dental care. Hopefully, our dental matching fund program may be able to furnish care for these children.

Respectfully submitted,

CATHERINE AGUERE, R.N.
