TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Danville on Tuesday, the thirteenth (13) day of March, next at 1:30 of the clock in the afternoon, to act upon the following subjects:

Polls open at 1:30 — Business meeting at 7:30 in the P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate fifty dollars (\$50.00) for the old Meeting House Association.
4. To see how much of the Parsonage Fund the Town will vote to spend for preaching for the ensuing year.
5. To see if the Town will vote to authorize the Selectmen to hire money for the use of the Town in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to sell Tax Title Property.
7. To see if the Town will vote to authorize the Selectmen to appoint a Committee of three to handle all the bus

business of the Fire Department, and to have this Committee elected by ballot in 1963 election, one to be elected for one year, one to be elected for two years, and one to be elected for three years, with one being elected each year thereafter.

8. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to be used in co-operation with State and Federal funds for the control of White Pine Blister Rust within the confines of the Town.

9. To see if the Town will adopt a zoning ordinance recommended by the Planning Board.

10. To see if the Town will vote to authorize the Selectmen to sell the former Eaton School, land and buildings, and authorize the Selectmen to enter funds realized from said sale into a trust fund with interest to be used for tuition for High School.

11. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 24th day of February, in the year of our Lord nineteen hundred and sixty-two.

REPORT OF THE LIBRARY COMMITTEE

This has been a busy year for the library. In April Mrs. Deborah Meigs was appointed librarian. One hundred thirty-six individuals were recorded under the new borrowers' list. With only two hours per week, from four to six on Mondays, the library has had a circulation of 3,600 books for the year. There were five bookmobile visits and 100 books were purchased during the year.

We wish to express our sincere appreciation for the work of our two former library trustees, Mahlon C. Currier, whom we lost by death; and Roland C. Butters, who resigned. Mrs. Patricia Cote and Mrs. Virginia Sears were appointed to fill the positions of trustees for the rest of the year.

Respectfully submitted,

AMY R. KIMBALL

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

Number of permits issued, 0

Number of acres burned, 0.

REPORT OF AUDITORS

We, the undersigned auditors have examined the accounts of Town Clerk, Tax Collector, Town Treasurer, and the Selectmen. All were properly cast and supported by proper vouchers. The assets of the Trustees of Trust Funds and the Parsonage Committee were seen. However, the \$3,000.00 U. S. Government Bonds of the Eaton Fund were not seen because of the inability of the auditors to be available during banking hours. These bonds are kept in a safe deposit box at the Exeter Banking Company, Exeter, New Hampshire.

SCHOOL NURSE'S REPORT

To the Superintendent, School Board members and
Citizens of Danville:

The accent today on school nursing is in the area of Health Education. Your school nurse is still the one who does heights and weights, tests eyes and ears, applies band-aids when she is available, is the liaison between the school and the home for every physical and emotional need of the child, arranges clinics, and is on call for every one of the duties expected of her. (According to a study on the graduate level at Boston University, these duties number one hundred and thirty-one.)

However, in addition to these traditional functions which she performs, the scope of school nursing has broadened considerably. Health Education has become the dynamic force, the impetus, the reason for the performance of the school nurse's tasks. The opportunity for teaching health presents itself in almost every phase. Even formal classroom teaching is possible on a limited basis, although usually the nurse is the source guide for health education materials.

Last year our county was without a state public health nurse; this year one is available so that we shall resume the pre-school clinics and polio clinics if the latter are desired by you.

Urine testing was done last year but will probably not be done again on a Union-wide basis. It has been found that the results do not warrant the time and expense involved. Diabetes is a spectacular disease in children and will show up in ways other than in the urine test.

I wish to thank all those involved in the cooperative effort acquiring and maintaining maximum health for our school children.

Respectfully submitted,

CONSTANCE J. HUSS, R. N.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Danville:

The new Danville Elementary School is an outstanding accomplishment, not only because it is very much needed but because this very complete educational plant could not possibly be built today for the same amount of money. As you undoubtedly know, this building has been visited many times already by citizens of other interested communities. Its location, building plan and construction are gaining the reputation of being somewhat of a model for smaller communities.

With the new school we have gained several new members on the staff. Mr. John Furlong, Principal, is a graduate of Norwich University. He has had teaching experience in Montpelier and was teaching principal at Sandown. Mrs. Ruth Sander, teacher of Grades 3 & 4 is a graduate of Massachusetts College of Art. Mrs. Bonnie Surette who teaches Grades 5 & 6 is a graduate of U. N. H. Mrs. Elizabeth Collins is teaching Grades 1 & 2. This staff is very interested in the newer developments in curriculum and is attempting at all times to implant this into the daily program.

The Danville School Board and staff, as well as other schools in Supervisory Union #14, are gathering information concerning such areas as the new comprehensive high school program, classes for exceptional children, and guidance. Although these areas are not of direct concern to Danville, knowledge is needed because tax dollars are used for tuition, etc.

The Danville School Lunch program is another outstanding feature of the school program. Almost all the students are taking part in the program, not just because of the school's location, but because of the menus, etc. Phases of this program have been noted in State Department of Education publications and the program has had an excellent rating all year.

Undoubtedly, Danville people will continue an effort in the area of the physical plant. The School Board and staff are interested in the development of the play areas, grading, driveways, seeding, playground equipment, etc. When this

is completed, Danville Elementary School will be a very attractive, functional school; meeting the needs of the community.

May I say in closing that becoming Superintendent of Schools after the school year had been in progress was not easy; but even so, little change was noted in your community. This was primarily due to the firm grasp that both the faculty and school board have on the entire educational plan.
