CHARLES S.B. KNOWLES

1973

Charles Knowles, more commonly known to those who knew and loved him as "King", was born in Seabrook, May 16, 1916 and died in the line of duty August 12, 1973.

He was first appointed a Police Officer in 1938 and had served under eight Chiefs in his thirty four years of service. He belonged to numerous Police Organizations, the Rand Memorial Church, the Star in the East Lodge AF & AM of Exeter, and the East Gate Club of Seabrook.

"King" served the Town well, and will never be forgotten by those who knew and loved him.

SEACOAST HOME HEALTH ASSOCIATION  
1972-1973

Fiscal Year	1971-72	1972-73	1973
Total calls	3886	4206	1584
Seabrook	1185	1235	400

In fiscal 1972-1973, 1235 calls were made 407 of which were made at no charge. It is the policy of the agency to scale fees or provide service on a no-charge basis to those patients unable to pay. In addition to Nursing Service the services of the Physical Therapist and Speech Therapist were utilized in Seabrook.

178 Children from Seabrook are being followed at our Well Child Clinic. They receive physical exams, immunization, counseling blood tests and developmental screening. This past year for the first time, we were able to offer a Dental Clinic for those children in our Well Child Clinic which included cleaning and topical fluoride treatment. In the past year we sponsored an immunization clinic in the school with the help of the school nurse, 209 children were immunized. A vision and hearing screening were also offered.

Visits are made monthly on those persons in your town who come under the State TB program to check on their medication supply, observe for adverse reactions and make appointments for the follow-up chest x-rays.

We also are involved with the Aftercare program in conjunction with the Seacoast Regional Counseling Center. Patients who have been discharged from New Hampshire Hospital are followed, appointments are made for them to be seen at the Counseling Center for medication reviews and additional assessment and much emotional support is given to both the patient and family.

Referrals are made to appropriate agencies when the need arises.

Doris Gardner  
Nurse Supervisor

FACT SHEET FOR 1973  
CHILD & FAMILY SERVICES  
OF N.H.  
SEACOAST REGIONAL OFFICE

- WHO: Seacoast Regional Office of Child & Family services of N.H. serves the seacoast area of Rockingham County and Durham in Strafford County. We are members of Family Service Association of America and Child Welfare League of America. Our Staff all hold Master of Social Work degrees.
- WHERE: We are located at 24 Front St., Exeter. Tel. 772-3786
- WHEN: Families in crisis turn to us for counseling because of marital discord, uneasy parent-child relationships, conflicts in adolescence, unwanted pregnancy or any other problem.
- WHY: Our counseling practices insure concern and confidentiality. We are available when people are upset. By working with whole families we help members toward better communication. We also see people individually and we use the group method whenever it seems likely to be most helpful.

WHAT WAS DONE IN 1973

Three hundred and sixty five families came to us and sixty more families used our services through our consultation with other agencies.

In Seabrook we worked with 14 families in this way.

REPORT OF TRAFFIC SAFETY COMMITTEE

FOR 1973

- 1: Established separate traffic lanes at 286-1A junction to eliminate a source of frequent accidents.
- 2: Had curve warning signs placed at the end of South Main Street and on the Centennial Road detour. Yield signs were also placed on Walton Road and Farm Lane while the railroad bridge was being re-decked.
- 3: The hazards of parking on the roadsides on routes 1 and 1A were eliminated by making these two main thoroughfares "NO PARKING" from the Massachusetts line to the Hampton and Hampton Falls lines.
- 4: The late Chief Knowles with the aid of the police safety officer surveyed the entire town, street for street, and established proper speed limits for each street. This included the beach roads also. An ordinance is in the making to establish these speeds as as legal within the town.
- 5: The Safety Committee obtained a Radar Unit, with Federal assistance money, to aid in speed control on the most hazardous roads in the town.
- 6: Without cost to the town, the committee procured First Aid equipment for the Police cruiser. This is in addition to the equipment on the Ambulance/Cruiser.
- 7: Complaints received by the Selectmen and Police Department relative to dangerous parking, undue speeding etc., were followed up by members of the committee and suggestions made as to reducing these hazards.
- 8: The committee established safety rules for use at the dog track entrance and roads leading thereto, and assisted the track people on problems dealing with construction of the entrances as they pertained to the old and the proposed new road lines.
- 9: The committee has obtained from Federal Funds the sum of \$2500.00 to be used for a Highway Safety Traffic Control vehicle. This unit to be used for this purpose, only. It will carry the Radar unit and will handle all traffic problems, accidents, speed control, traffic movement etc. We are the first town in New Hampshire to be granted money for this purpose, and it is hoped that we can set an example for other communities to follow.

Report of Traffic Safety Committee

10: The committee still has several problems to overcome with regard to Traffic Movement. A major item is the Railroad Avenue-route 1 junction. Steady traffic on route 1 north and south almost precludes the possibility of entering from Railroad Avenue. However, the State has offered a solution that could eliminate this problem. The solution is to make the parking area of the Post Office and the new bank in one unit; then a light arrangement would be established to handle cross traffic and north-south traffic, thereby eliminating the present problem altogether.

We, the Safety Committee, would like in passing, to pay tribute to the late Chief Knowles, who as a standing member of this committee did much to keep the rest of us on an "always moving ahead" basis.

It should be noted, that this committee is basically an advisory committee to the Selectmen.

Respectfully,

C.Wendall Lever, Chairman  
Roland L. Felch, Acting Chief  
Seabrook Police Department  
William Felch, Highway Department
