## SUPERINTENDENT'S REPORT

---

Mrs. Chairman and Members of the School Board:

I hereby submit for your consideration my tenth annual report of the Campton schools.

The schools opened in September with the following teachers in charge: viz., Ruth E. Brogan, Village; Leona P. White, Lower Village; Pauline Davis, Beebe River Grammar; Beth Bolton, Beebe River Primary; Hazel P. Thompson, Center; Hazel Corson, Livermore Falls; Madeline Jenness, Blair; Doris I. Howe, Bog; Viola M. Pray, Branch; and Eva B. Steele, West Road.

Ethel L. Pease, who was elected to the Beebe Grammar school position, resigned a few days before schools were to open on account of sickness. Pauline Davis was secured as a regular teacher to begin the second week. The first of November, she was taken ill, due to a fall, and during the Christmas recess resigned. Mrs. Stella A Fleming was secured for the remainder of the year. Mrs. Fleming is a teacher of successful experience. All of the regular teachers are normal school graduates. Regular teachers are employed in the Bog, Blair, and Branch schools where cadet teachers have been used for two years past.

The school on the West Road was opened in September with an enrollment of nine. Since then, the school has increased to eighteen.

Transportation this year from Beech Hill is to the Bog school. Those who are in the east part of the town are transported to the Center school.

There are six non-resident pupils attending our schools (three temporarily) from whom we receive tuition.

There are thirty-one resident pupils, this year, who are attending high school for whom we pay tuition.

The annual health examination required of all school children was made by Addie Bilodeau, R. N., of Lincoln. Many defective teeth were reported with a considerable number who have adenoids and enlarged tonsils. Reports of all defects were sent to the parents.

The school census taken in September, reported 103 boys and 91 girls or a total of 194 children in town between the ages of five and sixteen. This is two less than were reported one year ago.

The school registers last June showed the following thirteen pupils with a perfect record for the year and who received a roll of perfect attendance at the grammar school graduation: viz., Vera L. Croft and George L. Estabrook from Village school; Myrle Smith and Earline Leonard, Beeber River schools; Clifton Moulton, Livermore Falls school; Edward Palmer, Blair school; Roxy Hutt, Center school; Katherine Sargeant, Lower Village school; Harold Mitchell, Lester Mitchell, Jr., Lilla Mitchell, Ruth Mitchell and Louise Pulsifer, Bog school.

The four schools with highest per cent of attendance are: Bog 97.83; Village 97.07; Beebe Grammar 96.82 and Livermore Falls 96.56.

The average per cent of attendance in all schools last year was 94.16. All but four of the schools had the full 360 sessions. The average for the district being 359.35. The two village schools, Center and Livermore Falls schools had but 358 sessions. We are in hopes this year to have full time in all schools.

The teachers recorded 10 visits by school board members, 245 by the superintendent and 346 by citizens and others. All of the schools in town, during the fall term 1928, were visited by Dr. Butterfield, Commissioner of Education.

Some of the school buildings need a coat of paint. The wood rooms, for the most part, are too small to hold a year's supply of fuel. It would seem best to construct sheds so that a year's supply of wood might be put in at one time and thereby guarantee a supply

of dry wood for the year. Wet or green wood is not an economical fuel to burn and the results are not at all satisfactory. Improvements should be made in the toilet condition at the West Road school house.

The attendance of some children is too irregular due to minor illnesses caused probably by poor health habits. Let us all practice good health habits to the extent of our knowledge, so that our pupils may be kept in as good physical condition as is possible in order that they may obtain the most possible from their school days.

Respectfully submitted,

ALONZO J. KNOWLTON.
