REPORT OF THE SELECTMEN

The Town Meeting in 1971 brought many changes in your local government. We are grateful to all of those who have worked together with us and been patient with the problems the year has brought.

One decision forced upon us was the matter of the Penalty imposed in 1970 on those who for one reason or another did not return an Inventory to the Selectmen. The choices seemed to be a) enforce it, b) rescind it, or c) forget it. Accordingly we made an appointment with the full Executive Board of the State Tax Commission for a review of the situation. It became apparent that to enforce it would mean going to court, and since a current court case had been decided in favor of the defendant, we would lose our case for the same reason, viz. the impossibility of proving willful failure to file. On the third choice listed above, we couldn't "forget it" because some people had paid and others had refused to pay. In addition, the returning of the penalty would constitute a decision plus the mechanism for taking a property through tax sale for non-payment of a penalty was unknown. Therefore, it was decided to return the money to those who had paid and excuse the rest. A further reason influencing us was the money realized by the Penalty in no way made up for the bad feeling created in the minds of those who might very well have unintentionally omitted to mail an Inventory.

On September 28, 1971, the first Selectman went to the Tax Commission with some Town books and records for what the Division of Municipal Accounting calls a "desk audit." Many suggestions were made, and several corrections were noted. A careful comparison of this year's Town Report with last will indicate some of the changes.

The dump has been a problem to us. Those who have worked there feel that stated hours and attendants at other local dumps have made ours very popular. It is apparently impossible to get people to dump towards the back even under ideal conditions. Whether the Town would want to go for hours and an attendant, or settle for increased activity by the Road Agent, or pass some ordinance and posting the place legally, it still adds up to increased costs.

Each voter is urged to think carefully about the question of highway equipment. The intent of the article in the Warrant is to present choices so the Selectmen and the Budget Committee will know the wishes of the majority of the people at this point. In winter especially, the roads must be kept open.

Again, thanks to all those who have made this year possible for our town.

Respectfully submitted,

JOHN P. HOPKINS
Chairman

REPORT OF THE GOSHEN CEMETERY COMMISSION

1971 saw a relatively uneventful year in this department. The preparation of the plot plans, measuring, and researching information continued.

People with arrangements made prior to 1967 are still urged to contact Mrs. Nelson and list their lots and pick up their deed (at no charge). This cooperation will permit the Commission to create a complete set of records, which will also be of great value in the future.

The damage sustained when someone chose to burn out their car on our new blacktop driveway was partially covered by insurance.

Damage to headstones has been on the increase here as well as elsewhere. We have in excess of 25 stones that need the attention of a professional. A mason, experienced in this kind of work, has been contacted and he will begin work in the spring. I am sure everyone realizes that this will cost money.

It should be pointed out that under New Hampshire law, any moneys for setting up Trust Funds must be paid to the Town. After acceptance at the Town Meeting, the Town then pays that sum to the Trustees of the Trust Funds. In other words, if you are planning to set up a Trust Fund, please don't pay the Trustees direct: they can't accept it legally.

REPORT OF THE SECRETARY OLIVE G. PETTIS LIBRARY, 1971

The renovations in the back room were completed, the library walls were painted by Mr. and Mrs. LeClair and Mr. Nelson, the paint furnished by the Friends of the Library, drapes were donated by Mrs. Bernard Richardson and the furniture rearranged.

During the summer the exterior of the building was painted thanks to the Friends of the Library.

The book collection was weeded and reclassified by the librarian and a member of the State Library staff.

An open house was held in May so that all interested townspeople could view the improvements and get acquainted with the library and librarian.

During the first half of the year Mrs. LeClair took books to the school which were well circulated among the children.

A reading contest was conducted for the children during the summer, it concluded with a party given for all participants by Mrs. LeClair with prizes for the winners.

Again we received one hundred dollars from the state to be used for reference books.

Mrs. LeClair presented a very interesting program of movies for adults and children, projectors loaned by the Goshen-Lempster School and the Goshen Historical Society and operated by Mr. LeClair and Mr. Nelson.

A bequest of fifty dollars was received from the estate of Mrs. Marjorie Oliphant and was used to buy a most needed file cabinet.

Books for the library were donated by Mr. Barker and Mrs. Carrick.

Regular trustees' meetings were held and the librarian and trustees attended book selection meetings and advisory council meetings.

The annual book fair sponsored by the Friends of the Library was held in July and again was a financial success, we wish to thank all who contributed books, plants, food, white elephants and time and to those who patronized it.

REPORT OF THE FIRE DEPARTMENT

This year the Fire Department answered 8 calls with 35 men responding. Estimated damage was \$400.00.

Again this year, with the help of the firemen and the citizens of Goshen, we had a successful auction. With money from the auction and donations, we were able to pay \$1,000 on the principal of the fire house note.

During the year we also bought a new portable pump, suction hose and related equipment.

I am retiring from the Fire Department this April and would like to take this opportunity to thank all the firemen and the people of Goshen for all the help they have given me.

Respectfully submitted,

FRANK LUND

Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947. Nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if you town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.

4. **Most Important** — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 — was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remember and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

State	463 fires	160 acres
District	26 fires	10.8 acres
Town	0 fires	0 acres

REPORT OF THE BUILDING INSPECTOR

Permits were issued in 1971 for five new homes, the placing of four mobile homes and four advertising signs. Complaints were followed up and the regulations were explained to many persons.

It is recommended that the item of "Occupancy Permit" be dropped as it is impractical to enforce without more specific regulations as to the completion of projects. It is further recommended that the permit fee be raised so that the costs of the Inspector be covered while he makes the necessary periodic inspections of projects under construction.

I have appreciated the opportunity to serve this town in this capacity for the past three years, hoping to help protect its future property values.

Total number of visits 1,433 and 829 consultations equal 2,262 patient Service units. The above consultations include four referrals for patients outside the Agency area.

The Agency employed one full-time Public Health Nurse and four part-time RNs during 1971 for a total of 1.53 nurses plus 1 part-time

Physical Therapist and one secretary for 20 hr./wk. A total of 7,724¾ miles was traveled by the staff to bring care to the people of the eight participating towns: Croydon, Goshen, Grantham, Lempster, Newbury, Newport, Unity and Washington.

The Home Health Agency, with the help of the Sunapee Visiting Nurse has sponsored eight free Immunization Clinics. There were 63 children from outside the eight-town area.

The agency goals are to prevent and control disease and to promote optimal health for the individual and the public. Each year the Agency has been able to provide more comprehensive (total) care.

In addition to skilled nursing care and teaching self care, the Agency staff helps patients to find assistance from other services. Some of these are: Local and State Welfare, Crippled Children's, Convulsive Disorder, Cystic Fibrosis, and Mental Health Clinics, Planned Parenthood Association of the Upper Valley, N. H. Communicable Disease Dept., Maternal and Child Health Services, Clothing Services, Community Action Programs, Homemakers and other services as indicated by the patient and his family's needs.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The present number of students totals 104 — with the break-down by grades as follows:

Grade 1	15
Grade 2	10
Grade 3	15
Grade 4	16
Grade 5	11
Grade 6	11
Grade 7	16
Grade 8	10

Sixty-two students are attending area high schools: 1 at Sunapee, 1 at Claremont, 1 at Keene, and 59 at Newport.

A five-year tuition survey may be of interest:

High School	1967-68	1968-69	1969-70	1970-71	1971-72
Claremont	3	5	3	1	1
Sunapee	3	1	1	1	1
Keene			1	1	1
Newport	44	42	53	55	59

FINANCES — MINIMUM STANDARDS

The final actions of the 1971 General Court in substantially reducing State funds for education have created a fiscal crisis at the local level. In 1971-72 Goshen-Lempster suffered a reduction in State Aid funds as follows:

School Year	Incentive Aid	Foundation Aid	Building Aid	Sweepstakes
1970-71	\$ 3,841	\$ 7,523	\$ 1,289	\$ 1,022
1971-72	1,326	1,468	709	2,165
	<u>Loss \$ 2,515</u>	<u>Loss \$ 6,055</u>	<u>Loss \$ 580</u>	<u>Gain \$ 1,143</u>
				NET LOSS \$ 8,007

It is hard to seriously consider or plan for needed improvements and up-grading the school program at a time when the level of financial support for schools bears so heavily on the local property tax.

Some unmet needs of the Minimum Standards for Elementary

Schools involve adding specialized services in Art, Library, Physical Education, and Guidance Counseling.

Goshen-Lempster is one of the Districts that does not provide transportation for high school students. At present these needs cannot be met without adding to the local tax burden.

Is it fair to ask the question — Do the citizens of New Hampshire really believe in equal educational opportunity in 1972?

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools

REPORT OF HEAD TEACHER

1971 proved to be an interesting and busy year at our school. The Fall saw the return of all five full-time teachers and both of our part-time teachers.

Mrs. Doris Newman, who returned in the Fall, has now retired after many years of teaching. She is replaced in her Grade One position by Mrs. Marjorie Patterson. Miss Jan Bradeen has returned to teach second and third grades and Mrs. Ethel Jarvis in the fourth and fifth grade position. The sixth, seventh, and eighth grades are shared between Mrs. Irene Cain, teaching Math and English, and Mr. James Russell, teaching Social Studies and Science.

We are fortunate to have Mrs. Elizabeth Barrett on a three-day-a-week basis, under the federally funded Title I Reading Program. Mr. A. J. Soucy, Teacher Consultant, administers the Title I Program as well as ably assisting the teachers in the school. Mrs. Mary Ann Thomas, teaching Music one day per week, rounds out our teaching staff.

The year started out on a musical note, with a January appearance of Mr. Earl North's Newport High School Band for an afternoon of music that interested all.

In March, Mrs. Buck, our School Nurse, arranged for a Dental Hygienist to visit the school with interesting films and demonstrations showing the development and care of teeth.

In April we uncovered many untapped talents in our first Talent Show which under the direction of Mrs. Thomas played to a crowd of one hundred plus in the auditorium.

Also in April, the eighth grade spent a morning at Newport High School trying to find out what lay ahead of them. Mr. Herbert Williams, Director of Guidance, then came to the school to assist the graduates in course selection.

Grades 2-5 and 6-8 enjoyed separate trips to the Dartmouth Museum in Hanover during the Spring. The Museum's vast storehouse of materials and artifacts provides for both an interesting visit and some exciting "MOVE" kits which they lend us for classroom use.

June 12th saw the graduating class off on their "Class trip" to the Boston Museum of Science and Canobie Lake Amusement Park.

Graduation was held June 18th in the school auditorium. The speaker was the Rev. William Hazelett. Michael Yurgeles was Salutatorian, and Sheryle Hartwell was Valedictorian. Diplomas were presented by Mr. Williamson. Music was under the direction of Mrs. Thomas. Refreshments were provided by the Parents' Club. Mr. and Mrs. Camp-

bell donated flowers.

This Fall new activities were begun and old ones continued. The sixth, seventh and eighth grades made a trip to Fort Number Four in Charlestown. Mrs. Jarvis' fourth and fifth graders have started a Junior Garden Club. With the aid of our two town librarians Mrs. Miller and Mrs. LeClair, the School is visited biweekly so that the children may borrow any books they wish. With the aid of Mrs. Killoran we have begun a once a week sewing program for interested seventh and eighth grade girls.

This year the Parents' Club again sponsored the Dental Clinic with Mrs. Wright as Chairman, and Mr. Russell as Teacher Coordinator. Dr. Houlihan of Claremont is the dentist. Interested parents and friends provided transportation for the children.

The 1971 Christmas assembly featured a program of music directed by Mrs. Thomas.

We would like to express our appreciation here to those people who by their daily actions and attitudes make our school a better place: Mrs. Hooper, our cook; Mrs. Newton, our janitor, and the Campbells our bus drivers.

We wish to express our appreciation to the members of the School Board, Mr. Gordon B. Flint, Mr. John Sokul, Mr. A. J. Soucy, Mrs. June Buck, the Parents' Club and to all for their interest and efforts on behalf of our School.

Respectfully submitted,

JAMES F. RUSSELL
