### **TOWN WARRANT**

**THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.**

**To the Inhabitants of the Town of PITTSBURG in the County of Coos in said State, qualified to vote in Town Affairs:**

You are hereby notified to meet at the Town Hall in said Pittsburg on Tuesday, the eighth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To bring in your ballots for the election of one Selectman, for three years; one Selectman, for one year; one Road Agent for the Lake District; one Road Agent for the Middle District; one Road Agent for the Lower District; a Town Clerk; a Treasurer; three Auditors; one Overseer of the Welfare; a Library Trustee, for three years; and one Trustee of the Trust Funds.  
Also, to bring in your ballots to see if the Town will vote to have one Road Agent for the three districts.
2. To see if the Town will vote to give the Selectmen authority to appoint all necessary Town Officers not listed under Article 1.
3. To see if the Town will vote to give the Selectmen authority to hire money in anticipation of taxes.
4. To see if the Town will vote to observe Old Home Day and raise money for same.
5. To see if the Town will vote to elect a committee to set a date and manage the Old Home Day observance.
6. To see if the Town will vote to raise the sum of one thousand dollars (\$1,000) for the Upper Connecticut Valley Mental Health Service, Inc.
7. To see if the Town will vote to raise the sum of seven hundred dollars (\$700) for the White Mountains Region Association.
8. To see if the Town will vote to raise the sum of six hundred dollars (\$600) and appropriate same for the operating expenses and matching funds for Northern Coos Community Health Association.
9. To see if the Town will vote to authorize the Selectmen,

- until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the report for a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N. H. R. S. A. 33:7 et seq., as amended, and pass any vote relating thereto.
10. To see if the Town will vote to raise and appropriate a sum of \$5,000.00 for the purpose of preparing a facilities plan on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U. S. C. ss1251 et seq.) and will qualify the Town for Federal funds; and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U. S. C. ss1251 et seq.) and pass any vote relating thereto.
  11. To see if the Town will vote to accept the bequest under Paragraph 7 of the Will of the late Bremer W. Pond, and use the same for a building for the use of the Town, said building to contain (a) an auditorium for the Pittsburg School which shall also be available to the citizens of the Town on suitable occasions, and (b) a new library building to provide adequate accomodations for the Town Library, so situated as to be accessible to the staff and students of the school; said building to be constructed on land owned by the Pittsburg School District, and title to be in the name of said Pittsburg School District for administrative purposes, including the obtaining of any State or Federal funds which may become available for the construction, maintenance, and operation of said building and the facilities contained therein, and make any necessary appropriation therefor.
  12. To see if the Town will raise and appropriate eight hundred twentyfive dollars (\$825) as the Town share of the operation of the North Country Council, Inc.
  13. To see what action the Town will take to increase the wages and salaries paid by the Town.
  14. To see how much money the Town will vote to continue a full-time Police Officer and raise money for same. (BY PETITION).
  15. To see if the Town will vote to have the Selectmen apply for a grant from the N. H. Highway Safety Department for matching funds for a Police Cruiser. (BY PETITION).
  16. If a vote on the above article is in the affirmative, will the Town vote to raise the sum of \$5,000 (five thousand dollars)

- for the matching funds to apply for the purchase of a Police Cruiser and the maintenance thereof. (BY PETITION).
17. To see if the Town will vote to accept as a fifty foot wide public road that certain part of Round Pond Road beginning at land now or formerly of John Kimball and extending to the end of the property now or formerly of Forrest Stiles, a distance of approximately 3,077 feet. (BY PETITION).
  18. To see if the Town will vote to prohibit the burying, storing, or transporting of radioactive materials or waste through or within the Town of Pittsburg. (BY PETITION).
  19. To see if the Town will vote to appropriate one thousand two hundred dollars (\$1,200) for the Tennis Court Fund and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
  20. To see if the Town will vote to appropriate eleven thousand dollars (\$11,000) for screened gravel to be put on Town Roads, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
  21. To see if the Town will vote to raise and appropriate seven hundred dollars (\$700) to help support emergency services at the Upper Connecticut Valley Hospital.
  22. To see if the Town will vote to continue snowplowing of driveways.
  23. To see if the Town will authorize the Selectmen to appoint a committee and make a study of possible methods of garbage and refuse disposal, to take the place of the present dump, and render a report and recommendations thereon to the next annual Town Meeting.
  24. To see what sum of money the Town will vote to raise for a garage for the Ambulance.
  25. To see what sum of money the Town will vote to raise for emergency dispatch services.
  26. To see if the Town will vote to apply Anti-Recession Fiscal Assistance money in the amount of two hundred fifty-eight dollars (\$258), plus interest, to the maintenance of the Town Dump.
  27. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept on behalf of the Town, grants of Federal or State aid, or both, as may become available.
  28. To see what action the Town will take in regard to the build-

- ing of a highway shed, and money for the same.
29. To see if the Town will vote to accept the budget and raise money for same.
  30. To transact any other business that may legally come before the meeting.

Polls will not close before 6:00 p. m.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and seventy-seven.

EDWIN M. ROBIE

# Fire Department Report

The year of 1976 saw the number of fire alarms double, we received fifteen alarms with only two of them out of town. There were eight chimney fires, two building fires, two dump fires, two car fires, and one brush fire. The increase in chimney fires bespeaks the increased use of wood for heating purposes. We can not caution people enough to have chimneys thoroughly inspected before using wood. Chimney fires can be dangerous.

The department has held regular monthly meetings as well as training sessions and schools. Two inspections of the school and town hall were made with the Fire Marshal's office, and all fire safety standards are up to date. Eight men attended eight days of fire schools. In addition to meetings, training sessions, and schools the department put in 353 hours of work on repair and maintainance on the vehicles, equipment, and station.

We believe a fire department should not just put out fires, but should keep people aware of how to protect themselves from fires. A few years ago we started a campaign to have a fire extinguisher in every home, this has been very successful and has saved several dwellings. This year we are initiating a campaign to have a smoke-detector in every home. These detectors pick up and detect fumes and smoke before they become visible, and sound a loud alarm sufficient to wake up anyone sleeping. They have been instrumental in saving hundreds of lives, as 80% of all fatalities in fires are caused by smoke inhalation and asphyxiation. People pay hundreds of dollars to insure their property, and should be willing to pay about 40 dollars to insure their lives. Think about it, and look over our display at the Town Hall during Town Meeting.

This year we held several raffles, and we would like to thank everyone for helping to make them successful. This money is used within the department to augment some of the fire equipment. Over the years we have bought several thousand dollars worth of equipment for the town.

In the coming year we are planning to improve the water supply areas, and to complete the town fire plan. We are optimistic about completing a water source for the Dalton Road, and installing two more dry hydrants.

I sometimes wonder how many people realize that the job of a volunteer fireman is the most hazardous part-time job in the country today, due in a large part to the toxic gases produced by burning plastics, insulators, paints, and finishes of modern homes; not to mention the explosive materials.

I would like to take this opportunity to thank each and every man in the Department for a job well done, and for the many hours they have put in keeping equipment in working condition.

Pittsburg Fire Department  
Carl T. Carlson, Chief

---

## **Pittsburg Police Department**

**PITTSBURG, NEW HAMPSHIRE 03592**

During the year 1976, the Department had 761 phone calls from the public. We had 115 civil disturbances, two suicides, 4 drug cases, 11 breaking and enterings, 23 thefts. Many of the stolen items were located and returned to the owners.

The Department prosecuted 41 motor vehicle court cases during the year, mostly motor vehicle violations, and made 15 criminal arrests.

We were asked to assist the Towns of Stewartstown and Colebrook, and worked with the U.S. Border Patrol, Customs Patrol, N.H. Fish and Game, State Police, and worked with the FBI on the bank robbery in West Stewartstown.

At this time I would like to take the opportunity to thank everyone in the Town of Pittsburg for their help and cooperation in 1976, and hope that we can all work together in the coming year.

Pittsburg Police Department

LESLIE LORD, Chief.

# **Pittsburg Ambulance Services**

## **ANNUAL REPORT**

During 1976 the Pittsburg Ambulance Corps added three more attendants, making a total of 23.

We are benefited by these people being stationed in different parts of the town because they often are able to be dispatched to the emergency in their area, making it possible for the patient to get emergency care while the Ambulance is enroute.

The Corps purchased a jumpkit and Resusci-Anne to add to our equipment. The jumpkit was purchased with monies from the Brenda Pierce Fund. We raffled off a gun cabinet which was donated by the Ethan Allen Furniture Factory, and raised nearly enough to pay for our Resusci-Anne.

As you know, Resusci-Anne is a life-like mannequin that we use in our training. This is a most beneficial aid to obtain the highest quality training possible for the Corps.

Added to our equipment is another oxygen unit placed at Donna Gray's, at Indian Stream. We now have five throughout the town. The others are located at Powder Horn Lodge (Back Lake), one at the Fire Station (Village), two at Martin Hewson's (1st Lake), one in his car and one at his residence.

We also have one hospital bed, an oxygen control valve for large oxygen cylinders, one support walker, and a number of pairs of crutches that are available to residents of Pittsburg on a loan basis.

A survey of our runs for 1976 shows that they differ from other years only in the respect that the majority of emergencies were home and auto accidents, consisting of fractures, lacerations, etc. Other years the majority has been heart attacks or heart related problems.

During the calendar year of 1976 we had 88 calls, 33 being transfers and 55 were emergency runs.

At the present time there is a 40-hour Advanced First Aid and Emergency Care Course being organized to be given soon by Madelene Judd.

We have in-service training at our monthly meetings which enables us to work more efficiently as a team.

The members of the Pittsburg Ambulance Service hope that no one is in need of our service, but if you are, we are ready to serve you.

Respectfully submitted,

MADELENE JUDD, President.

# **U. C. V. Mental Health Service, Inc.**

Upper Connecticut Valley Mental Health Service, Inc. is a non-profit organization governed by an Executive Board composed of Northern Coos County people:

Rev. Phyllis Benner	Miss Elizabeth Ann Maliszewski
Mr. Michael Biron	Mrs. Josephine Mayhew
Mr. Roger Boyington	Mr. James Pembroke
Mr. Clifton Cilley	Dr. Ezra Rabie
Mrs. Kathleen Emerson	Mr. William Sambito
Dr. William H. Gifford	Dr. Edmund Shahin
Mrs. Helen Lesperance	Mrs. Mary Washburn

The Agency is administered and operated by the following professional people:

Robert A. Schmidt, Ph.D.	- Executive Director, Psychologist
Rosemary Brewster, M.D.	- Medical Director, Psychiatrist
Arthur Weinstein, M.S.	- Psychologist
Joan I. McGrath, M.S.W.	- Social Worker
Elizabeth Macdonald	- Administrative Assistant
Linda I. Cilley	- Secretary-Receptionist

Last year the Agency provided services to 22 Pittsburg people for a total of 139 direct service hours on either an outpatient or hospitalized basis. In addition, consultation and testing were provided to the schools to assist them in designing suitable academic programs for individual students.

Starting in January of this year, we have been mandated to provide a 24 hour-7 days a week Emergency Service. There are no special funds provided for this service.

As in the past, we are asking the towns to help us in maintaining these essential services within our local area.

Respectfully submitted,  
Robert A. Schmidt, Ph.D.  
Executive Director

# **Report of Services Rendered in the Town of Pittsburg**

**NORTHERN COOS COMMUNITY HEALTH ASSOCIATION**

**P.O. Box 26—142 Main St.**

**Colebrook, New Hampshire**

Northern Coos Community Health Association is one of the forty New Hampshire Community Health Agencies whose purpose is to provide health services to people in their homes, and to help both sick and well people to attain and maintain health.

One of the advantages of a locally controlled health agency is that its services can be developed in response to local needs. Our Board of Directors is made up of your friends and neighbors and they are willing to listen to and act upon your suggestions and comments.

Last year, our home visiting program provided 143 visits to people in Pittsburg, providing NURSING, PHYSICAL THERAPY, PERSONAL CARE, HOMEMAKING, and health and welfare information to the townspeople.

Community wide services include:

IMMUNIZATION CLINICS held monthly on a rotating basis in Colebrook, Pittsburg, North Stratford and Errol.

We are in hopes of expanding the services offered to include health screening tests and informational services.

EXPECTANT PARENTS CLASSES touched the lives of about 25 families. These sessions are held in the fall and in the spring and are open to anyone who is interested.

FAMILY PLANNING PROGRAM offers education, counselling, referrals, free physical examinations and contraceptives.

Community services are generally free. Home visiting services are often covered by Medicare, Medicaid, or special State and Federal Grants and sometimes by private insurance. Those not covered are charged on a sliding fee basis geared to the financial capabilities of each patient. These free or partial free services result in our dependence on the towns we serve for financial aid. Contributions this year are especially important as they will help us obtain matching funds to continue and expand Homemaker/Home Health Aide services as well as our Maternal and Child Health programs (immunizations clinics, expectant parents classes and family planning program). \$1.00 of local funds enables us to obtain \$3.00 of Federal money for Homemaker/Home Health Aide services and \$1.00 of local funds enables us to obtain \$9.00 of Federal money for Family Planning services.

Respectfully submitted,  
Dorothy Frederick, R.N.  
Executive Director

# Report of District Fire Chief and Town Forest Fire Warden

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint State and Town or City responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as Town or City Fire Warden and several other persons as Town or City Deputy Fire Wardens to a three-year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the Fire Warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

BURNHAM A. JUDD, District Fire Chief		EDWIN ROBIE, Forest Fire Warden

## TOWN OF PITTSBURG, NEW HAMPSHIRE

### Town Report for 1976 from North Country Council, Inc.

The Council provided information to the Pittsburg School District with its Local Public Works application, and information to the town on area-wide approaches to the solid waste situation.

The Council has identified the improvement of the Beecher Falls rail line as a top priority and will be assisting the N.H. Public Utilities Commission in preparing an application for federal Economic Development Administration funds.

On a regional level, North Country Council, Inc. completed the Overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applicants. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

**Planning News**, the Council's quarterly newsletter, disseminates useful information on community planning, economic development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's Economic Development Committee will be investigating the probable impact of the lessening of energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,  
BURNHAM A. JUDD  
MALLET ANDERSON  
NCC Representatives

# **SCHOOL WARRANT**

## **PITTSBURG SCHOOL DISTRICT**

### **The State of New Hampshire**

To the Inhabitants of the School District in the Town of Pittsburg qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the 8th day of March, 1977, at 10 o'clock in the forenoon at which time the polls will be open. The School Business Meeting will begin at 1 p. m. or immediately following the Town Meeting should it be extended to the afternoon session, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the ensuing year(s).
2. To see if the District will appropriate Two Hundred Seven Thousand Five Hundred Dollars (\$207,500.00) or any other sum for the alteration and enlargement of the present Pittsburg School building, and to raise said sum through the issuance of serial notes or bonds upon the credit of the District for all or any portion of the sum so raised and appropriated, and to authorize the School Board to determine the terms and conditions upon which said bonds or notes shall be issued, including the sale and the time and place of payment of principal and interest, in accordance with the provisions of the Municipal Finance Act, N. H. Revised Statutes Annotated, Chapter 33, and any amendments relating thereto. (By Ballot).
3. To see if the Pittsburg School District will vote to appropriate the sum of Two Hundred Forty Thousand Dollars (\$240,000.00) or any other sum, for the construction of a building containing a library and auditorium on land owned by said Pittsburg School District, said building to become the property of said School District for administrative purposes, in accordance with Article 11 of the Warrant for the Annual Town Meeting of the Town of Pittsburg to be held on March 8, 1977, and a favorable vote thereon. (By Ballot).
4. To see if the Pittsburg School District will vote to accept the bequest under paragraph 7 of the Will of the late Bremer W. Pond as set forth in said Will for the use of the Town for the purpose of constructing a building to contain an auditorium for the Pittsburg School which shall also be available to the citizens of Pittsburg for use on suitable occasions, and new library space to provide adequate accommodations for the town library so situated as to be accessible to the staff and

students of the school, and to apply the proceeds of said bequest, together with any interest or dividends which shall have accrued thereon or which shall thereafter accrue thereon, to defray in part the appropriation voted under Article 3 above.

5. To see whether the District will vote to accept any State and/or Federal funds that may be forthcoming in connection with the alteration and enlargement of the Pittsburg School, or said Pond auditorium-library building, or either of them.

6. To take any action incidental to or in connection with the foregoing matters.

7. In the event of a favorable vote on the foregoing articles, and contingent upon acceptance thereof, to see whether the District will vote to raise and appropriate the sum of \$20,000.00 to defray fees and costs incidental to the issuance of said bonds or serial notes, and of furnishings and equipment for said school addition.

8. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other Officer or Agent of the District.

9. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

10. To see if the District will vote to accept the provisions of RSA 195-A (as amended) providing for the establishment of an area school or schools located in the Town of Pittsburg to serve the following grades, 1-12, from the School Districts of Clarksville and Pittsburg in accordance with the provisions of the plan on file with the District Clerk. (By Ballot).

11. To see if the District wishes to exclude from its Social Security plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00.

12. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

13. To see if the District will vote to appropriate the sum of Ten Thousand and Ten Dollars (\$10,010.00) for cost items agreed upon through negotiations (RSA 273-A).

14. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of school District Officials and for the payment of the statutory obligations of the District.

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Pittsburg this 21st day of February, 1977.

DOROTHY S. AMEY, Chairman  
CARL CARLSON  
DAVID C. GARCELON  
PITTSBURG SCHOOL BOARD

DOROTHY S. AMEY, Chairman  
CARL CARLSON  
DAVID C. GARCELON  
PITTSBURG SCHOOL BOARD

The Clarksville and Pittsburg  
**Authorized Regional Enrollment  
 Area Plan**

**Between the School Districts of Clarksville and  
 Pittsburg**

This Agreement is entered into pursuant to Chapter 195-A of the New Hampshire Revised Statutes Annotated, as amended, between the School Districts of Pittsburg and Clarksville.

- A. The name of the Authorized Regional Enrollment Area School shall be the Pittsburg School located in Pittsburg. The Pittsburg School District shall be the receiving district, and the Clarksville School District shall be the sending district and together they shall form the region which will be served by the A.R.E.A. school. The receiving district shall be responsible for Grades 1-12.
- B. The rate of tuition shall be the local cost of current expenses per pupil in grades 1-8 and 9-12, or the state average cost per pupil grades 1-8 and 9-12 respectively, whichever is less, for the school year immediately preceding that for which the charge is made. Local costs shall be computed by the Superintendent of Schools and approved by the State Department of Education prior to December 15. The tuition rates shall be made available to the sending district at the time they are published by the State Department of Education.
- C. State Incentive Aid shall be designated to the sending district.
- D. The receiving district shall bill the sending district on a semi-annual basis and the sending district shall pay said tuition on a semi-annual basis not later than January 15 and June 15 in each year.
- E. The estimated initial enrollment in the A.R.E.A. school for September, 1977, will be as follows:

	Grades 1-8	Grades 9-12
Clarksville	33	13
Pittsburg	89	82
	122	95
Total		217

The figures for Pittsburg include the estimated number of tuition students in Grades 9-12 from other districts as follows:

Stewartstown	Grades 9-12 17
--------------	-------------------

- F. The date of operating responsibility shall be July 1, 1977. No district comprising the Authorized Regional Enrollment Area may withdraw from the plan before July 1, 1982.
- G. All students living within the sending district shall attend the A.R.E.A. school if assigned to one of the grades listed in Article A, with the following exceptions:
1. Students who are enrolled in Grades 10, 11 and 12 in another school for the year 1977-78 shall be permitted to continue their education in that school until graduation, and the sending district shall pay the tuition charges as established by law.
  2. The sending district may pay tuition to any other district for pupils requiring special education or desiring vocational education not provided by the receiving district.
  3. The sending district upon written notification to the receiving district and acceptance upon by the receiving district, may in exceptional cases tuition to a neighboring school district.
- H. The receiving district will provide facilities to accommodate all students in Grades 1-12 from the sending district in accordance with Article F.
- I. There will be at least two joint school board meetings of the Clarksville and Pittsburg School Boards annually for the purpose of consulting and advising about any and all matters of joint interest. The sending district will be advised of any improvements or changes in policies, curriculum, and other school programs and services.
- J. A member of the Clarksville School Board may attend any or all meetings conducted by the Pittsburg School Board in an advisory capacity and will receive agendas and copies of the minutes of meetings so called and conducted.
- K. The Pittsburg A.R.E.A. Schools shall give the sending district progress reports and attendance reports for all pupils enrolled under the provisions of the written plan. The same pupil regulations will apply to pupils from the sending district as to those of the receiving district.
- L. The written plan may be amended by the two districts comprising the region, consistent with the provisions of RSA 195-A, except that no amendment shall be effective unless the question of adopting such amendment is submitted at an annual or special school district meeting to the voters of the districts voting by ballot with the use of

a checklist, if requested by any registered voter of the district, after reasonable opportunity for debate in open meeting and unless a majority of the voters of each district who are present and voting shall vote in favor of adopting such amendment. Furthermore, no amendment to the written plan shall be considered except at an annual or special school meeting of the two districts and unless the text of such amendment is included in an appropriate article in the warrant of such meeting. It shall be the duty of the school board of each district to hold a public hearing concerning the adoption of any amendment to the written plan at least ten days before such meeting and to cause notice of such hearing and the text of the proposed amendment to be published in a newspaper having a general circulation in the area before such hearing.

# Proceedings of School District Meeting of March 2, 1976

## THE SCHOOL DISTRICT OF PITTSBURG COUNTY OF COOS STATE OF NEW HAMPSHIRE

### ARTICLE 1.

The polls were declared open at 10 o'clock by the Moderator and both the town warrant and school warrant were read by him. The school business meeting was opened at 1:30 p.m.

### ARTICLE 2.

At the end of all discussion the Bond issue was voted on by written ballot with the following results:  
 $\frac{2}{3}$  vote necessary or 84. The vote was 108 (no), 17 (yes), 1 (void), or a total of 126 votes cast. It was declared a (no) vote.

### ARTICLE 3.

No action was taken under this article as Article 2 was not a favorable vote.

### ARTICLE 4.

A motion was made by Gordon Covill and seconded by Robert Gray to pay the school officers the same as all other town officers. It was voted on and was a vote.

### ARTICLE 5.

Under this article Dorothy Amey gave a report of the A.R.E.A. Committee. Gordon Covill made a motion seconded by Lesley Covell to see if the town would favor an A.R.E.A. agreement if Clarksville was also in favor. Voted on and recommended by the voters.

### ARTICLE 6.

Vernon Hawes made a motion seconded by Tabor Gray that Article 6 be indefinitely postponed. Vernon Hawes stated he would withdraw his motion if the school board and supervisory union were willing to admit that they cannot handle the situation at school. Tabor Gray withdrew his motion also. Gordon Covill made a motion seconded by Tom Tanner to accept Article 6 as written. It was voted on and was a vote.

### ARTICLE 7.

Howard Day made a motion seconded by Gordon Covill that Article 7 be accepted as written. Voted on, it was a vote.

### ARTICLE 8.

Under Article 8, Tom Tanner made a motion we accept the

article as written. It was seconded by Gordon Covill. It was voted on, it was a vote.

**ARTICLE 9.**

Gordon Covill made a motion seconded by Tom Tanner to accept the article. It was voted on. It was a vote.

**ARTICLE 10.**

Under this article, Dorothy Amey gave a report of the school budget. Robert Gray made a motion to amend the budget to accept the budget all but \$828 for a secretary that will not be needed. Seconded by Gordon Covill. Voted on, it was a vote. Lesley Covell made a motion seconded by Mary Washburn to accept the budget as amended. Voted on, it was a vote.

**ARTICLE 11.**

Under Article 11, a recommendation by Gordon Covill seconded by Robert Gray that the school board be more concerned and conservative preferably on raises on the Supervisory Union level preferably 50% less as a minimum. The recommendation carried.

Mrs. Amey reported under this article that Clifton Clogston Jr. resigned from the A.R.E.A. committee and a new member is needed. Everett Hawkins nominated Gordon Covill and he did not accept. Burnham Judd nominated Robert Gray and he did not accept. Robert Prehemo nominated Lindsey Gray and he did not accept. Floyd Howe nominated Don Stohl, the motion was seconded by Ernest Harris. Voted on, it was a vote.

Burnham Judd made a motion that the business meeting be adjourned. It was seconded by Edwin Robie and it was voted on and was a vote.

At 6 o'clock the polls were declared closed by the moderator and the votes were counted with the following results: 313 ballots cast.

<b>SCHOOL BOARD for 3 years:</b>	<b>Charles F. Colcord</b>	<b>184</b>
	David C. Garcelon	66
	Marjorie Sraw	51

## Superintendent's Report

Providing a free public education is a responsibility delegated to local school districts. Meeting this responsibility requires adequate and available financial resources. This poses a most challenging situation in light of recent rising costs in our economy which are reflected in local costs to operate schools and town government. Adding to that challenge is the acceptance that an education shall be available to all youngsters including the handicapped. Recent federal and state legislation mandates that school districts shall be responsible for providing local special educational programs for all handicapped youngsters not requiring institutionalized programs. Included are not only the physically handicapped, but also those who are emotionally, academically, socially or mentally handicapped.

Preliminary programs are already operational in meeting the needs of the handicapped pupils in local schools. Placement teams comprised of special education teachers, classroom teachers, school nurses, the guidance counselor, and school principals have begun the placement review process and recommendations for special programs have been made. Plans are also being made by the local Staff Development Committee to make available in-service training programs for teachers. The purpose of the in-service training programs will be to assist regular classroom teachers in meeting the needs of the handicapped pupil and also in developing individualized educational programs for each handicapped youngster.

Included in this school report is a copy of the proposed Authorized Regional Enrollment Area plan. The plan, if accepted by the voters of Pittsburg and Clarksville, would provide a basis through which Pittsburg would be assured of receiving tuition pupils as well as a formula for determining tuition rates for the next five years.

A joint planning committee of members from the Clarksville and Pittsburg School Boards considered the advantages and disadvantages of such a plan. It was the decision of the planning committee that advantages do outweigh disadvantages; for example, under the plan Clarksville would be assured that it has a school to which it can send pupils for five years at a tuition rate based upon a formula agreed upon in advance. The greatest advantage to Pittsburg School District would be the receipt of an additional 10% in school building aid. This is particularly important in light of the building addition being proposed and renovations contemplated within the existing school building.

The disadvantage to Clarksville would be that the town would be obligated for five years to tuition its pupils to Pittsburg.

The disadvantage to Pittsburg would be that should Clarksville increase drastically in pupil population in the next few years, Pittsburg would be obligated to receive all pupils for the five year term.

Considering both these advantages and disadvantages, it is strongly recommended that the plan be adopted by both towns.

The school district was indeed unfortunate to lose the services of Mr. Raymond Stuart. He had taught Industrial Arts at Pittsburg School for over twenty years and due to health reasons resigned from his position in December. His years of dedicated service to the school, both in and out of the classroom, will always be remembered by the townpeople, his students and colleagues.

My appreciation is extended to the members of the Pittsburg School Board for their efforts in planning and proposing the Authorized Regional Enrollment Area Tuition Plan and their sincere interest in school affairs and also to the Pittsburg Building Committee, comprised of school board and selectmen, who have spent many long hours of work in preparing the proposed building addition.

Respectfully submitted,  
STEPHEN E. DEHL  
Superintendent of Schools

---

## Guidance Counselor's Report

The year 1976 was a transitional one for the guidance services of Supervisory Union No. 7. John M. Shields, guidance counselor for the past five years, retired and I came on board in September. My initial objective was to carry out those programs which had already been established by my predecessor.

All scheduled testing both on the elementary and secondary level for all schools was carried out. The major emphasis since my arrival was in administering reading and individual tests in an attempt to find those students with special needs.

The registration, placement and scheduling of students was carried out during the Spring. Re-evaluation of this procedure has been undertaken the results of which we hope will make this service even more valuable in the coming years.

The necessary graduate follow-up survey required by the State Department of Education has been completed in both high schools and the results forwarded to Concord.

The greater utilization of school placement committees has resulted in having all those students presently in special programs

re-evaluated. Where it was deemed necessary, class schedule changes were carried out so that greater assistance to those students needing help could be given. Through the use of these committees we have established a clean line of communications between the school, the parents, and the necessary referral agencies.

A program of Career Education has been established or is in the planning stages in the eighth grade in all the schools. A workshop designed to inform teachers about career education was held in January of this year.

I believe a much greater use of the guidance services was done by former graduates of our schools. They have asked us for assistance in finding information, obtaining necessary forms and in actually helping them return to school for further training and education. I am happy to say that some of those seeking assistance have been out of school for at least twenty years.

It is hoped that through cooperative efforts between the faculty, the parents and the students we can continue to improve the guidance services of Supervisory Union No. 7; and remember, I am only as far as your telephone.

Respectfully submitted,

OLIVER B. MARTINS,

Guidance Counselor.

---

## School Health Report

The health programs in the Stewartstown and Pittsburg Schools are planned to maintain the highest of health standards. Our success is dependent upon the cooperation of the home with the home with the school and requires the active interest of all parents.

Dr. William Gifford and Dr. Marjorie Parsons again provided their professional medical advice and care for all our students.

Each year the following services are performed:

1. Checking heights, weights, and teeth.
2. Testing hearing and vision.
3. Physical examinations for those participating in athletics as well as students in grades 4, 8, and 11.
4. T. B. skin tests as needed for students and for all personnel.
5. Immunizations as needed.
6. Urine tests for students in Grades 4, 8 and 11.
7. Home visits.
8. Phone calls and letter contacts for follow through health care as deemed necessary.
9. Promotion of good mental health.
10. First aid and emergency care.
11. Health teaching and counseling as well as continuous super-

vision of general health and well being.

.. 12. Scoliosis screening clinic for Grades 5, 6 and 7.

The Matching Dental Program sponsored by the State of New Hampshire and the local towns was utilized this year with both the local dentists, Dr. Brault and Dr. Bartlett.

The New Hampshire Bureau of Dental Health has presented the dental prevention program to the fourth grade, with daily brushing and flossing of teeth and weekly food coloring tablets used to detect plaque under supervision of classroom teachers. The object of this program is to eliminate dental plaque and help the student develop daily habits necessary for effective oral hygiene and thereby reduce dental diseases.

A pre-school hearing and vision clinic will be sponsored in May by the New Hampshire Division of Public Health for early detection of any defects, and the Sight Conservation Program presented by the State of New Hampshire is still being used by those needing their services.

The Portsmouth Rehabilitation Center is available to our area by mobile unit for evaluations of students failing hearing tests.

Crippled Children's Service provides orthopedic examinations and treatments at clinics held in either Littleton or Berlin.

North Country Education Services provides speech therapy for all students in the Union requiring help.

Upper Connecticut Valley Mental Health Services provide their professional services for students requiring their help as well as psychological testing by The Pupil Placement Team.

Once again, a reminder to all parents of children entering the first grade that the State Department of Education requires each youngster to meet the following requirements prior to school entry:

1. Physical examination.
2. T. B. test within one year.
3. Complete diphtheria, pertussis and tetanus vaccine series (5 in all).
4. Complete oral polio vaccine series (5 in all).
5. Rubella vaccine (German measles).
6. Rubeola vaccine (measles).

We like to urge all parents to take advantage of the pre-school clinics available in their area to prepare their children for meeting the above requirements for entering school. If your child does not meet the requirements of law, he or she will be omitted from school until the necessary preparations are fulfilled.

Every year everyone involved in our schools strives to improve the health program for all students. Hopefully, with everyone working together, we are maintaining and achieving high standards.

Respectfully submitted,

CONSTANCE PIERCE, R.N.,

School Nurse: Pittsburg, Stewartstown and Clarksville.

## PITTSBURG - CLARKSVILLE TITLE 1 PROGRAM

Each year the Pittsburg-Clarksville School District receives a certain amount of money through Title 1 ESEA. The money allotted to the district is presently used to fund a remedial reading program and a pre-school program.

The remedial reading program focuses on grades 1-3, where fundamental reading skills are learned. The program gives reinforcement to children who do not receive enough individual instruction in the classroom to acquire these skills. Children meet every day with the teacher-aide in small groups or individually. They work on the same skills being taught in their reading classes: skills they have not yet acquired.

Title I uses a variety of learning methods. Since most work in reading classes involves books and paperwork, Title 1 stresses the multi-media approach. Records, filmstrips, manipulatives, and teacher-made games comprise most of our materials.

Eligibility for the program is decided in part by tests given each spring. However, teachers and parents also refer students throughout the school year.

The Pittsburg-Clarksville School District presents a unique situation to first graders and their teacher. No public kindergarten is available, so many students do not acquire basic skills such as using pencils, crayons, or scissors; listening and acting as a group; pre-reading skills; and a basic speaking vocabulary (a small proportion of each class does not speak English). In addition to this, a large proportion of each class fails to acquire the social skills necessary for school. This situation is due to the fact that the children live in a rural community. Many times they do not associate with other children until the first day of school. This creates a kindergarten situation in the first grade for the first month or two of school. It also forces the class one or two months behind schedule. It is unrealistic to expect such a class to achieve all first grade skills.

Pittsburg is fortunate, however, to have received enough money from Title 1 to institute a year-long pre-school program. All children are screened in the fall. Eligible children receive instruction in their homes and in the classroom each week. Home visitations are less threatening to students and offer parents a chance to be directly involved. Classroom instruction offers children a chance to develop social skills crucial to a successful first year.

In conclusion, I wish to thank those involved in the program - parents, teachers, and staff - for making the program a success.

Respectfully submitted,

LAURIE POTTER, Director  
Title I Program

## Vershire Schools and Shops

During the past year, the Colebrook Vershire Schools and Shops have continued to educate, rehabilitate, and graduate people with multiple handicapped problems who reside within a thirty mile radius of Colebrook, New Hampshire.

Thirty-five handicapped and disadvantaged people received some type of training—may it be special education, cooking, furniture repair, furniture refinishing, caning, woodworking, and sewing. Of course the ultimate goal is to assist the student to be more self sufficient and “mainstreamed” into the community if possible.

Three students in the past year have graduated from the Vershire Schools and Shops. One is now employed at the Ethan Allen Furniture Factory at Beecher Falls, Vt. Another is employed at the Tillotson Rubber Company and the third graduate is now stationed with the Boys Job Corps in Montana.

Staff and students thoroughly enjoyed several field experiences during the year. An overnight trip to Keene, N., produced a lot of thrills and excitement for the students as they enthusiastically competed in the Special Olympics at Keene.

The Vershire Schools and Shops students are still talking about the one-day trip to the Granby Zoo in Canada. These “live” trips outside the Colebrook community have been culturally enriching to both the staff and students.

An overnight trip to Lebanon, N. H., was a fruitful experience for the staff and students. They visited a sheltered workshop and were able to observe other handicapped people producing a saleable item. Other points of interest were a tour through a museum, and other historical landmarks.

The Colebrook Vershire Schools and Shops continue to provide special education courses - reading, writing, and arithmetic for the shop students. The teaching staff is supervised by a certified special education teacher.

A trust fund was set up about three years ago and the annual interest is used along with other charitable donations to assist with the operational cost of running the Vershire Schools and Shops.

Some students are not covered by tuitions, therefore, the interest from the trust fund and money from individuals and organizations is used to defray the deficit of nontuitional students. We, the Advisory Board and Staff, are forever grateful for your support through volunteers, spreading the message, financial giving and knowing that the local community is supporting us wholeheartedly.

The Vershire Schools and Shops will continue to assist people with intellectual, physical, and emotional limitations and provide them with human understanding and knowledge so that their lives will be more meaningful.

Cordially yours,

VERN LAUMAN,  
Coordinator of Vershire Schools and Shops.
