SELECTMENS' REPORT

The publishing of the Real Estate Assessment Booklet has been helpful to the taxpayer and has answered many questions previously asked of the Selectmen.

The Bridge at the foot of Cooper Hill was completed under the supervision of the State Highway. It is noted that this road is receiving much usage and a new trailer is now located on this road.

The new school crossing lights were installed. One opposite the Cannon residence, the other opposite the entrance to the elementary school by Walker's home. A new four-way flasher was installed at the East Alstead four-corners. The cost of these installations exceeded the original estimate due to setting of one more pole than planned at the East Alstead four-corners and longer arms to hang the school flashers on than originally proposed.

The school crossing guards have been very effective in controlling the children as well as slowing traffic.

We wish to thank the Vilas Pool Committee for the splendid job of running the pool, and keeping it open under adverse conditions; such as lack of rainfall and limited funds. It is hoped in the near future that the town will raise money to install permanent and moveable gates.

A special Town Meeting was held to purchase the Universalist Church. This was approved by the voters with no opposition. The meeting lasted less than half an hour.

This year's warrant includes an article to pay off the long term note on the church at the rate of \$2,000 a year, plus 5% interest.

Please read the articles relative to Race Track Rules and Regulations carefully. We believe these rules as set forth with the aid of legal counsel are fair to all parties concerned.

We wish to call your attention to the newly formed Alstead Youth Group who are using the Municipal Building as a center.

This group uses the building Monday and Friday evenings under the supervision of at least one adult. Any one wishing to act as a supervisor or to help in any way please contact Mrs. Erwin Ward or Mrs. Joseph K. Durrell. This further usage of the building will increase the appropriations needed for the maintenance and upkeep, but should be money well spent.

Please read the planning board report and the proposed zoning. It is our opinion that the time has come to approve this action.

We wish to thank everyone who assisted us this past year, with special thanks to Grace Ellis for her excellent work on the Tax Booklet, as well as helping us keep accurate records.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 18, 1972

Board of Selectmen
Alstead, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Alstead for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the audit reports must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds and Vilas Pool Fund.

FINANCIAL STATEMENTS

General Fund:

Comparative balance Sheets: December 31, 1970 - December 31, 1971:
(Exhibit A-1)

Comparative Balance Sheets - General Fund - as of December 31, 1970 and December 31, 1971, are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by \$903.27, from \$9,410.27 to \$10,313.54, during the year ended December 31, 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2. The factor which caused the change was as follows:

Increase in Current Surplus:

| | |
|----------------------------------|----------|
| Net Budget Surplus (Exhibit A-4) | \$903.27 |
|----------------------------------|----------|

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are

presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$2,205.81, less a net overdraft of appropriations of \$1,302.54, resulted in a net budget surplus of \$903.27.

Long Term Indebtedness:

Comparative Balance Sheets: (Exhibit A-5)

Comparative Balance Sheets which disclose the long term indebtedness of the Town as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-5. As shown therein, the long term debt increased by \$7,500.00 during 1971. Outstanding long term notes at December 31, 1971 totaled \$18,100.00.

TREASURER

Classified Statement of Receipts and Expenditures:

(Exhibit B-1)

A classified statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. A summary of the Treasurer's account and proof of balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town of Alstead. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Alstead for their assistance during the course of the audit.

CERTIFICATE OF AUDIT

January 18, 1972

This is to certify that we have examined and audited the accounts and records of the Town of Alstead for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Alstead at December 31, 1971 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

ROAD AGENT'S REPORT

This past year tarring was done on Flying Cloud Hill Road, Slade Hill, Woods Road and Rhoades District.

Culverts were laid on Riley's Road, replacing two bridges, one on Bacon, Rogers, Pine Cliff, and Putnam's Roads.

T.R.A. work was completed on Riley's Road, crushed gravel and black topped.

Duncan money was used on Fletcher's Road from Route 123 to Putnam's farm, using crushed gravel.

Gravel was applied on Hooward's Road, Corbin, Abild, Log Cabin Roads; also other bad spots.

The bridge at the dam of Warren Pond was replaced with steel springers and new plank and others repaired.

I wish to thank any one that assisted me in any way this past year.

Clifford C. Clark
Road Agent

REPORT OF THE ALSTEAD POLICE DEPARTMENT

Police activities for Alstead for the year 1971 were comparable to those of other nearby communities with a definite increase in complaints during the summer months when more activity is going on. A police officer's job is not a pleasant task and everyone will agree that law and order is a must -- until he or she gets caught disobeying it and then the enforcing officer is less than a popular guy!

However, the duties of law enforcement officers are not always devoted to catching the culprit, but also in lending a hand to assist others in need and this was the case on a number of occasions during the year.

At the vote of the town's people during the last town meeting, three adults were put on as school crossing guards and from comments made, it would appear that this has helped the situation some, but Mechanic Street is still narrow and both driver and pedestrian must be cautious.

So that I can keep up with the ever changing laws and enforcement of these laws, I attended two, twelve-week courses held one night a week in Keene for Cheshire County Police Officers and sponsored by the N. H. State Police and by the County Sheriff's Department.

A breakdown of work performed for the year is as follows:

| | |
|--|----|
| Accidents - major with injuries and property damage | 4 |
| Accidents - minor with property damage only | 16 |
| Assault cases | 3 |
| Assisting other law enforcement officers | 17 |
| Bicycles impounded for violations | 3 |
| Breaking, entering and larceny reported | 11 |
| Court action taken | 15 |
| Disturbing peace, drunk or disorderly | 8 |
| Dog complaints | 19 |
| Domestic problems | 6 |
| Defective equipment tickets issued | 18 |
| Emergency messages and others delivered | 9 |
| Fire of suspicious origin | 3 |
| Letters written to Motor Vehicle Dept. requesting the suspension of licenses | 3 |
| Malicious destruction to property | 4 |
| Military personnel AWOL apprehended | 2 |
| Miscellaneous minor thefts including boats, tools, firewood, gasoline, number plates, Xmas trees etc. | 9 |
| Miscellaneous complaints (not included in above) | 91 |
| Missing persons (not all residents, but some thought to be found in Alstead as well) | 6 |
| Prowlers | 7 |
| Snowmobile complaints | 2 |
| People away on vacation and seasonal dwellings checked | 8 |

Respectfully submitted,
Erwin W. Ward, Chief of Police

REPORT OF THE ALSTEAD FIRE DEPARTMENT

The past year saw some changes in the overall structure of the Fire Department and much behind-the-scenes work in continuing in an effort to give the town the best protection possible. Each year the department responds to more alarms, and as the area grows this trend will undoubtedly continue.

The firemen participated in three fund raising activities in 1971 – the usual Saturday Night Social Party at the Town Hall and the ever popular Fourth of July weekend fair plus a raffle on a snowmobile. The proceeds from these events were used to purchase various fire fighting and fund raising equipment.

Engine 3 stationed in East Alstead was given a new lease on life through the dedicated efforts of some of the firemen who spent many man hours rebuilding the pump and drive train. However, this truck is over 30 years old and thought must be given to replacing it in the not too distant future.

The Fire Department has thirty men on the active rolls and is always receptive to considering new members. Anyone interested in joining can either contact a fireman for an application form or can request one in writing. The address is Alstead Fire Department, Box 63, Alstead, N.H. 03602.

Below is a run-down of 1971 activities and alarms:

| | |
|-------------------|----|
| Fires | 23 |
| Meetings | 17 |
| Training Drills | 10 |
| Power-off Standby | 8 |
| Mutual Aid Calls | 7 |

REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF

Lest We Forget - It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.
4. Most important - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

SHEDD PORTER MEMORIAL LIBRARY

As your Librarian, I hereby submit my report for 1971.

This Fall the school bus pupils started their visits to the Library on Mondays instead of Fridays. Library opening one-half hour earlier. Two parents accompany them each time.

Mrs. Laura MacLane, having served as Trustee since her retirement as Librarian in 1966, declined serving another three years. She was replaced by Mrs. Suzanne Sweet of Alstead Center.

One hundred fifty dollars was used to adult reference books from the Memorial fund in memory of Mrs. Hermine Cole of Alstead Center.

Posters were on display at Alstead schools during National Library Week. Mrs. Huntley and her 2nd grade class and Mrs. Terry with 7th and 8th grades from Vilas School visited the Library that week.

Mr. Plaisted accompanied his classes from Acworth to the Library and Museum in January. Miss Knight brought the 2nd grade in May, Mrs. Mates with 4th grade and Mr. Terry with 6th grade in June visited the library and all groups had the filing system explained to them by your Librarian.

Exhibits during the year in the Library were by Alstead Elementary children displaying their art in March, Children's Art Month. In June both Alstead schools had an Art exhibit. In July in conjunction with the Town's 4th of July celebration a Hobby Exhibit by the Town's people, all exhibits were well attended.

A reading program for children 7 to 9 years of age during July & August was met with success, 19 started and 13 completed, receiving 'Reading Achievement Certificates' and having their pictures in our Weekly Paper. 366 books were read in program.

Mrs. MacLane, Mrs. Sweet and your librarian attended 5 book meetings in Kenne, Claremont and Charlestown. New books were on display and reviews were given by State Consultants.

84 books were borrowed by request from the State Library.

Number of books purchased, 113; gifts, 75; magazines on loan, 25; daily papers, 2; weekly paper, 1.

A three year subscription of Christian Science Monitor was a gift from the Christian Science Society of Bellows Falls, Vt.

REPORT OF CHARLESTOWN VISITING NURSE ASSOCIATION

The Charlestown Visiting Nurse Association continues to serve the towns of Charlestown, Alstead, Acworth, and Langdon through the capable hands of Mrs. Richard Farmer, N.N., B.S.

The first six months of the year, we were able to provide the services of Mrs. George Rivers, registered physical therapist. Since then, we have begun working with the Sullivan County Homemaker Service in the training of Home Health Aides. We hope to be able to provide the services of these aides sometime in 1972.

With the resignation of our office clerk, Mrs. Normand Beaudry, we have employed Mr. Ernest Kinson, Jr.

The Association continues to operate the state and federally funded "Child - Youth Project" clinic for pre-school children.

VILAS POOL COMMITTEE REPORT

Vilas Pool once again opened for the season on the 13th of June under the leadership of George Nostrand as supervisor, with his sister, Stephanie Nostrand and Julie Stevens, as full-time life guards. This being an increase of one full-time life guard which was needed for the safety of patrons. Part-time life guards were hired as needed. Swimming lessons were once again run weekly from July until the end of August for beginners through senior lifesaving. Approximately 75 area children took part in this program. Archery equipment was bought and a program was initiated for the first time this year. More clearing was done on the island and a new boat landing dock was installed there. A fireplace and picnic table were placed there for the convenience of picnickers. A new concrete base was poured and a new diving board was installed. Painting was also done. Once again we were fortunate enough to obtain the services of 2 O.E.O. students who were available to help out with general maintenance, lifeguarding, etc.

The second annual Vilas Pool Day was a roaring success with approximately 500 people attending throughout the day. Several contests were held for swimming, boating, diving and archery, with trophies awarded the winners at the dance held in the evening. Special attractions were the fireworks at 10:00 P.M. and 12 bushels of hot buttered corn on the cob which was free and quickly consumed. Another highlight of the day was the firing of Erwin Ward's antique cannon, which was also on display at the pool. Special thanks to all of the town people and organizations that helped in many ways to make this day the success that it was.

Vilas Pool's own Swan boat was in operation, free of charge, for the summer, as were the rowboats. Several outside businesses, families and organizations used the facilities for special occasions.

The Alstead Outing Club operated the concession stand for the first time in two years for the convenience of patrons. Even though the cost of everything has gone up over last year, we managed with minimum repairs to keep the cost of operation to only a slight increase over last year.

PLANNING BOARD REPORT

Your Planning Board has been hard at work throughout the past year. Its major project has been the formalizing of Alstead's fourth building and zoning code. We have been ably assisted in this project by Planner, Richard Rourke of the Southwestern, N.H. Regional Planning Commission. With Mr. Rourke's experience and advice in this field, especially as it relates to small New Hampshire towns, we believe we are presenting a Zoning Ordinance that contains the best features of many other small town ideas.

The Ordinance will be presented at this March Town Meeting. A copy of same is inserted in each town report that every voter would have received prior to town meeting.

The Planning Board unanimously supports the Zoning Ordinance and urgently trusts it will meet with the approval of the citizens. Times have changed with vigor; our town population is increasing and land subdivision has accelerated. To preserve our towns fine living and assure the continued value of our properties, the times require we have reasonable control of individual action for the mutual benefit of all.

The Planning Board worked with the "Committee to Purchase the Alstead Universalist Church" and fully supported the positive action taken by the citizens at the Special Town Meeting. The building not only is a structure of architectural beauty and historical charm, but will serve the town well as time goes by. The "Committee to Purchase the Church" is submitting its own report and having conferred with them on the matter we know they will present a wide range of valued uses for the building and what such uses will entail.

1975 — not being that far in the future the Planning Board has started work on the problem of future solid waste dump needs for Alstead in order to adhere to State Law by the dead line of 1975. We attended a fine seminar on solid waste disposal in Dublin, N.H. on January 12th, conducted by the Manadnock Region Association and the N. H. Southwestern Regional Planning Commission. There was much valuable information presented to aid your Planning Board in presenting a choice of solutions to this problem.

The Planning Board will welcome for investigation suggestions from any member of the community that will further our mutual well being.

COMMITTEE TO PURCHASE THE UNIVERSALIST CHURCH

The Universalist Church was purchased last year for \$10,000. The town now owns a fine building of architectural beauty and historical import that will become of great and useful value to the town. The building has been appraised for \$75,000.

The committee has consulted with many citizens and received many suggestions for its use. We note below a list of these ideas:

1. Adequate town offices for Selectmen, Town Clerk and Tax Collector, Highway Department, Planning Board, Board of Adjustment.

2. Community use: adequate meeting hall, youth center, Boy Scouts, Girl Scouts, the Grange, Alstead Outing Club, 4-H Groups, Senior Citizens and Alstead Historical Society. In view of greatly increased attendance at town meetings over the past three years, attention is called to the crowded conditions of the present facilities.

At this time action must be taken to bring the building to its full and active use potential. Toward that end the committee presents an article in the 1972 town warrant requesting \$5,000 for the following purposes.

1. To properly maintain the building.

2. To arrange for necessary facilities, adequate permanent water supply, adequate sewerage and washroom facilities, adequate heat and adequate parking space (readily available in the rear of the property).

3. The retention of the professional services of a competent architectural firm and its engineering department to fully inspect the building and draw up preliminary plans to adapt it for the previously herein planned uses. The architect would be instructed to retain the outside contours of the building.

The committee is aware that the remodeling of the interior of the building will involve a sizeable sum of money. However, such a program will create a needed and useful addition to the town's property that will answer to the town's viable and constructive community living. Once the plan is approved its cost can be funded through extended financing. It is suggested that the yearly amortization be earmarked from the Vilas Trust Funds. Further, it is suggested that upon completion of the renovation a suitable bronze plaque be affixed to the building stating:

"This building built in 1844 and used as the Universalist Church Alstead for 127 years was purchased by the town's people of Alstead in 1971. The building was completely renovated for valued use by the community through funds made available from the Vilas Trust Funds.

The building now known as the "Alstead Community Hall" is herein dedicated by the citizens of Alstead to the memory of Mr. Charles N. Vilas and Mr. John G. Shed in sincere appreciation of their many valued, tangible, gifts to the town.

It is felt by your committee that such action as set forth above being approved by the citizens of Alstead in town meeting assembled, the town of Alstead will face the future and its needs for successful community living with vigor and logical thinking.

**RULES AND REGULATIONS PERTAINING
TO MOTOR VEHICLE RACING AND OPERATION
OF MOTOR VEHICLE RACE TRACKS**

**TOWN OF ALSTEAD
COUNTY OF CHESHIRE
STATE OF NEW HAMPSHIRE**

To promote the health, safety and general welfare of the community by regulating and licensing of motor vehicle race-tracks within the Town limits, the following regulations and rules are hereby adopted by the Town of Alstead pursuant to the authority conferred by the Revised Laws of the State of New Hampshire as set forth in NHRSA 31:41-a and NHRSA 31:42:

SECTION 1.

Authority

31-41-a Motor Vehicle Race Tracks. Towns shall have the power to make by-laws relating to the regulation and licensing of motor vehicle race tracks within the limits of the town, and may fix fees not to exceed one hundred dollars annually for the operation of such race tracks, and may enforce the observance of such by-laws by suitable penalties not exceeding twenty-five dollars for each offense, to inure to such uses as said towns may direct. For the purposes of this section, a motor vehicle shall be defined as any self-propelled vehicle, except tractors, activated by an internal combustion engine and not operated exclusively on stationary tracks.

31:42 - Regulation by Selectmen. Prior to adoption of by-laws by a town under the provisions of sections 41 or 41-a the selectmen may regulate the operation of open-air motion picture theatres or motor vehicle race tracks within the limits of the town and fix reasonable fees for such operation, provided that such regulations made by the selectmen shall only be effective until the next annual town meeting and provided further that nothing herein contained shall be deemed to prohibit the town from adopting by-laws in accordance with the provisions of sections 41 or 41-a, at any special town meeting, which shall supersede any regulations made by the selectmen.

SECTION 2.

Definitions

For the purposes of these rules and regulations

Motor Vehicles: Any vehicle propelled by mechanical power that is designed to travel over ice or snow supported in part, by skis, belts or cleats or low-pressured tires. ("snowmobiles"); self-propelled vehicles, except tractors, having but two wheels in contact with the ground and with pedals and saddle on

which the driver sits astride, activated by an internal combustion engine, and also motorized bicycles, and motor scooters having but two or three wheels in contact with the ground but not exceeding 400cc displacement. ("motorcycles"); those vehicles commonly known as "go" carts.

SECTION 3.

Regulations

1. All motor vehicles as defined in Section 2 being operated upon or within the confines of a race track must be provided with a muffler or similar noise-preventing device.

2. The racing of motor vehicles shall be limited to no more than two scheduled meetings in any given calendar week and shall be permitted only during the following hours:

Fridays: 6:00 P.M. to 11:00 P.M.

In the event a scheduled race is prevented due to weather conditions, the scheduled event may be held at another date only upon the permission of the Selectmen.

3. The individual responsible for the operation of the race track shall be solely responsible for taking all necessary precautions to insure the health and safety of all participants in said scheduled races, all spectators and patrons in attendance thereat and, by doing so, shall take into consideration the general welfare and comfort of the inhabitants of the Town of Alstead. In this regard he shall provide adequate police and security personnel at his own expense.

4. The individual responsible for the operation of the race track shall be solely responsible for, and there shall be in attendance at all times during scheduled racing events, an ambulance and, in the event of any accident requiring the use of said ambulance, the scheduled racing event shall be prohibited until the ambulance returns and is available at the race track. In the event that a scheduled race is stopped because of absence of an ambulance, the schedules, as set forth in Section 3, shall be extended to permit the completion of the scheduled racing event; however in no event will any race be permitted to commence or be permitted to continue running after 12:00 midnight on any given date.

SECTION 4.

Fees for License

Any individual desirous of operating a motor vehicle race track within the Town limits of the Town of Alstead, New Hampshire, prior to the operation of said race track, must first obtain a license from the Selectmen of the Town of Alstead.

The annual licensing fee shall be in the amount of one hundred (\$100.00) dollars to be paid to the proper Town authority on or before the 1st day of May, and said license fee shall be for the use of the Town.

SECTION 5

Revocation of License

The Selectmen of the Town of Alstead may revoke any license so issued by the Selectmen at any time for any cause deemed by the Selectmen to be in contradiction to the intent, spirit and terms of the within regulations.

SECTION 6

Penalties

The individual, firm, association, or corporation violating any provision of the regulations shall be fined not more than twenty-five (\$25.00) dollars for each offense, to inure to such uses as the Town may direct.

SECTION 7

Amendment

The regulations adopted hereunder by the Town of Alstead may be altered, annulled or amended by the Selectmen.

SECTION 8

Effective Date

The within regulations shall be effective upon passage.
