## COMMISSIONERS' REPORT

---

To the Citizens of Grafton County:

Your Commissioners herewith present their report together with the report of the Treasurer, Auditor, Superintendent, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician, and Farm Bureau.

Although the total number of County cases taken care of at the Farm shows a decrease, there were more in the house of correction, jail and hospital than in the previous year. The inventory of the personal property of the Farm shows a slight increase of \$660.10. The per capita cost for the year was \$4.51 per week, which includes all expenses of hospital, doctor's fees as well as burial expenses. The reduction in this case is due to the fact that we had many more paid patients than in the previous year.

Taking care of the poor off the Farm was handled by the State Relief Administration and the cost to the County will be approximately \$30,000. However, the report only shows an expenditure of \$1,335.42. This is due to the fact that we have been unable to get correct bills from the Relief Administration, so that the bills could be paid and included in the 1934 expenses.

With the State Relief Administration going out of existence on December 31, the County Commissioners, on January 1, 1935, again take on the task of taking care of the needy. We are unable at this time to give any idea of what the cost will be to the County as there is a question as to how much financial aid will be received from the State and Federal Government. However, we intend that food, clothing and shelter will be provided, so that no one will suffer.

There has been a substantial saving in interest paid on indebtedness in the amount of \$3,404.02 as compared with the year 1933. This is due to the fact that we have never been able to borrow at as low a rate as during the present year. We are also pleased to report that there

is a decrease in the County debt of \$48,410.18 as compared with December 31, 1933.

The summary of Farm accounts of the Grafton County Farm has been carried on during the year by Superintendent Earl Andrews and County Agricultural Agent, W. Ross Wilson, which shows an operating profit of \$1,424.63 as compared with \$899.55 for the year 1933, and the Commissioners wish to express their appreciation to Agent W. Ross Wilson for his assistance in carrying on this work.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews, Superintendent and Matron, and all other employees for the faithful and efficient manner in which they performed their duties.

The Commissioners further wish to extend their thanks to the various County and Town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted,

GEORGE A. PUSHEE,  
FRED PARKER,  
JOHN GADD,

Commissioners.

The year 1935 has seen a continuation of the work on farm improvements, such as enlargement of pasture lands and work on barns and stables. Among the latter improvements is the construction of a new bull pen which was a much needed addition. A new coat of paint has been applied to all outside buildings.

In the spring the Turnkey's cottage was finished, providing a modern and comfortable home. Unfortunately this building was destroyed by fire the first of December necessitating the erection of a new building the coming year.

The farm records have been kept, with the kind assistance of County Agent, Ross Wilson, and show a gain over the past few years.

As in previous years, much has been done by outside friends to add to the enjoyment of the family. Many donations of magazines, books, candy, flowers and other gifts have been received. We extend thanks to all of these generous friends.

We also thank the Commissioners, Physician, Chaplain, and Employes for their cooperation during the year.

Respectfully submitted,

J. EARLE ANDREWS, Supt.  
ANNE M. ANDREWS, Matron.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1934, and find them correctly cast and properly vouched.

GEORGE A. PUSHEE,  
 FRED PARKER,  
 JOHN GADD,  
 Commissioners for Grafton County.

## SEPTEMBER TERM

## Indictments

State vs. William Foote — Enticement. Plea guilty. Sentenced to State Prison for not less than one year and one day nor more than three years.

State vs. Earl J. McDonald—Breaking and entering and larceny. Plea guilty. Sentenced to State Prison for not less than one year and one day nor more than three years.

State vs. Arthur Doyer—Assault with intent to commit manslaughter. Plea guilty. Sentenced to State Prison for not less than one year and one day nor more than three years.

In addition to the prosecution of felonies by indictment in the Superior Court there has been the usual routine business of handling appeals from Municipal Courts and also other minor offenses handled in Municipal Courts.

As indicated by the above report over eighty per cent of prosecutions during the year have been breaking, entering and larceny. Nearly all of these cases have occurred in summer homes and camps during the winter. Every offender apprehended has been sentenced to State Prison. There have been no suspended sentences for these offenses, but those apprehended and punished are a very small percentage of the cases investigated by this office. During the year 1934 over a hundred cases of breaking and entering summer camps and cottages have been reported and received attention. Many of these breaks have not been discovered for months after they occurred. In many instances the damage has not been limited to goods and chattels stolen, but acts of vandalism have been perpetrated in valuable summer residences. The Solicitor desires to call the attention of all citizens of the County to the problem of protecting the property of taxpayers in the mountains and around the lakes of Grafton County. It would be impossible to have a large enough force of officers to discover these breaks immediately after they occur, but one experienced investigator familiar with finger print work might be of great aid in apprehending more of the guilty parties. It would not involve great additional expense. Complaints because of lack of protection to their property are constantly received at this office from people who own summer residences and in many instances pay very substantial taxes.

Respectfully submitted,

NORRIS COTTON,  
Commissioner to perform the  
duties of County Solicitor.

## CHAPLAIN'S REPORT

---

Whoso draws near to God one step through doubtings  
dim  
God will advance a mile in blazing light to him.

The beautiful chapel has in all seasons furnished a comfortable place for worship services on alternating Sundays and a favorable surrounding for the memorial services of our dead. The services of song and meditation have ministered not only to the many who attend regularly but also to the occasional convalescent as well as the bed-fast patients in the near-by rooms.

Music does wash away the dust of everyday life and it is on the wings of melody that many hearts are cheered. The call is always, "Sing us a song." All possible music talent has been brought to the friends at the Farm and it has always been most graciously received.

"More things are wrought by prayer than this world dreams of" is true at the Farm as well as anywhere else. There is always a manifest hunger for spiritual things and no one is ever turned down who is asking or looking for the way or the things of God.

Again the young people from the North Haverhill Methodist Church presented a Christmas play on the evening of December 25. The play, "Come Unto Me," and the singing of Christmas Carols added greatly in creating the Yuletide spirit at the Christmas festival.

Personality is the most valuable possession we have at the Farm and to help it grow is the Chaplain's chief concern. There is no barrier of race, creed or denominationalism and the heart of our outlook is summed up in Markham's quatrain:

Here is the truth in a little creed,  
Enough for all the roads we go:  
In love is all the law we need,  
In Christ the only God we know.

Devotedly,

GILBERT W. WIETING.

## COUNTY PHYSICIAN'S REPORT

---

To the Honorable Commissioners of Grafton County:  
Gentlemen:

I herewith submit my report of the clinical affairs of the hospital for the year ending December 31, 1934.

It appears that the hospital is taking good care of the indigent patients sent in, at an unusually small expense to the County. While the hospital was designed for 25 beds, we have averaged 30 patients daily for the year, and at times there has been 37 patients. This overload we have cared for by putting cots in where there seemed to be room.

Our nursing staff consists of three graduate nurses and two hospital orderlies. Two of the graduate nurses are on duty during the daytime and one is on duty at night, so that at all times the patients are under the watchful care of a graduate nurse.

Mrs. Christina Clark is our head nurse. Miss Pushee, a regular daytime nurse, is also competent to do first class X-ray work. Miss Applebee is our night nurse. Mrs. McDonald is orderly for the women patients. Mr. Young is orderly for the men patients.

I believe there is no other hospital like or unlike ours where so much good nursing is done and such good care given with such a small staff of nurses. One reason is that we consider our nurses far above the average and another is that they work harmoniously.

Since many of our patients are of advanced age and without close friends, it would be difficult to overestimate the importance of a kindly and sympathetic staff of nurses. Elderly people removed from their homes for the first time need a great deal of kindness and sympathy, and that's where good nursing begins.

Besides those in the hospital many patients have been attended in the Almshouse, Jail and House of Correction. The hospital stands ready to receive emergency patients at all times, day or night. But

before such cases are brought in one of the Commissioners should be consulted. If impossible to communicate with any of them, Supt. J. E. Andrews will have to be consulted.

I would particularly call your attention to the perfect ventilation of this building. In the matter of ventilation the architects who designed it did a perfect job. They gave us good air without loss of heat which means a very great saving of fuel.

I would particularly commend Supt. and Mrs. Andrews for their success in maintaining complete harmony among all the employees of the institution without which good work cannot be done. The four departments have been kept clean at all times.

For the assistance of the Commissioners I am deeply grateful. To all those who have worked in the hospital I express my thanks.

Respectfully submitted,

E. M. MILLER, County Physician.

## SUMMARY OF FARM ACCOUNTS OF THE GRAFTON COUNTY FARM

---

A complete set of "Farm Accounts" has again been kept by Superintendent Earl Andrews and County Agricultural Agent W. Ross Wilson. The accounts are separate from the official Institution accounts and are designed to help in running the farm in a business-like manner as well as to show the worth of the farm to the institution as far as this can be done by records alone.

In addition to the "farm accounts" the farm affords work and recreation for the inmates and for the House of Correction men. For the year 1934 the farm used 2,272 days of House of Correction labor at 50c a day, or a total of \$1,136 was charged against the farm. At times it is necessary to use this labor on rather unproductive farm work.

In 1932, the first year "farm accounts" were kept, they showed an operating loss of \$333.08; in 1933 an operating profit of \$899.55; and for the year 1934 an operating profit of \$1,424.63.
