### State of New Hampshire

### TOWN WARRANT

To the Inhabitants of the Town of Hillsborough, County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet in Hillsboro-Deering High School Auditorium, in said Town on Tuesday, the 6th day of March, at ten o'clock in the forenoon. Election of officers will take place between ten o'clock in the forenoon and six o'clock in the afternoon. Articles 2 through 28 will be taken up at 7:30 P.M.

Article 1. To choose one Selectman for three years; Town Treasurer, Tax Collector, Town Clerk for one year; Trustee of the Fuller Public Library for three years; Trustee of Trust Funds for three years; Water Commissioner for five years; Fire Commissioner for three years; Fire Commissioner for two years; and all other necessary Town Officers or agents for the ensuing year.

Article 2. To hear the reports of the Town Officers to the Auditors, the reports of the Auditors, Agents, Committees or other Town Officers heretofore chosen or appointed, and to pass any vote relating thereto.

Article 3. To raise and appropriate such sums of money as may be necessary for Town Officers' salaries, Town Officers' expenses, Town Buildings, Street Lighting, and all current expenses of the Town. Sponsored by the Selectmen.

Article 4. To see if the Town will vote to raise and appropriate the sum of Sixty-two Thousand, Nine Hundred Eighty seven Dollars and Seventy-six cents (\$62,987.76) for the building, repairing, and maintenance of highways, bridges, culverts, and sidewalks. Sponsored by the Selectmen.

Article 5. To see if the Town will vote to instruct and empower the Selectmen to borrow such sums of money as may be necessary to meet current expenses of the Town and in anticipation of taxes. Sponsored by the Selectmen.

Article 6. To see if the Town will vote to authorize the Board of Selectmen to sell and convey by deed, under such conditions and to such persons as the Board may consider proper, the title to real estate taken by the Town in default or redemption from tax sale. Sponsored by the Selectmen.

Article 7. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars (\$9,000.00) for the sealing of Town roads in Hillsborough, or take any other action relating thereto. Sponsored by the Selectmen

Article 8. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be applied to the Capital Reserve Fund for the future purchase of Highway Equipment. Sponsored by the Selectmen.

Article 9. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be applied to the Capital Reserve Fund for the future purchase of Fire Department Equipment. Sponsored by the Selectmen and the Fire Commissioners.

Article 10. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to be applied to a Capital Reserve Fund for the future acquisition of a Town Tax Map. Sponsored by the Selectmen, The Planning Board and the Conservation Commission.

Article 11. To see if the Town will vote to appropriate the sum of Two Thousand Dollars (\$2,000.00) from the Sewer Department income for the purpose of operating the Sewer Department for the year 1973, or take any other action relating thereto. Sponsored by the Water Commissioners.

Article 12. To see of the Town will vote to appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) from the Water Department income for the purpose of operating the Water Department for the year 1973, or take any other action relating thereto. Sponsored by the Water Commissioners.

Article 13. To see if the Town will vote to appropriate the sum of Thirty-five Hundred Dollars (\$3,500.00) to be withdrawn, as required, from the Water Sinking Fund for the purpose of improvements to the Water System during 1973. Sponsored by the Water Commissioners.

Article 14. To see if the Town will vote to appropriate the sum of Thirty-five Hundred Dollars (\$3,500.00) to be withdrawn, as required, from the Sewer Sinking Fund for the purpose of improvements to the Sewer System during 1973. Sponsored by the Water Commissioners.

Article 15. To see if the Town will vote to appropriate the sum of Nineteen Thousand, Five Hundred Dollars (\$19,500.00) for the purpose of purchasing a Loader for the Highway Department, and authorize the withdrawal of the amount required for this purpose from the Capital Reserve Account established for the future purchase of Highway Equipment. Sponsored by the Selectmen.

Article 16. To see if the Town will vote to appropriate the sum of Twenty-six Hundred Dollars (\$2,600.00) for the purpose of purchasing a Police Cruiser, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Sponsored by the Selectmen and the Police Chief.

Article 17. To see if the Town will vote to appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the Department of Public Works, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Sponsored by the Selectmen.

Article 18. To see if the Town will vote to appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for the purpose of extension of the Water System in the Town of Hillsborough, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under to provisions of the State and Local Assistance Act of 1972. Sponsored by the Selectmen.

Article 19. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for operating a recreation program for children. Sponsored by the Selectmen and the Park Board.

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the support of the Little League Team. Sponsored by the Selectmen and the Park Board.

Article 21. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) for the support of Band Concerts for the coming season. Sponsored by the Selectmen.

Article 22. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be applied on the account of the Hillsboro District Nursing Association. Sponsored by the Selectmen.

Article 23. To see if the Town will vote to raise and ap-

propriate the sum of Six Hundred, Seventy-Five Dollars (\$675.00) to aid the Concord Hospital in Concord, New Hampshire. Sponsored by the Selectmen.

Article 24. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be applied to the Conservation Commission Fund towards the cost of acquiring land and other conservation purposes in the interest of the Town. Sponsored by the Conservation Commission.

Article 25. To see if the Town will vote to designate approximately 2.3 (two and three-tenths) miles of the Shedd-Jones Road from Route 31 to Center Road, and approximately 3 (three) miles of Dean Hill Road from North Road to Sand Knoll Road as Scenic Roads under the Scenic Roads Law as specified in Chapter 455, New Hamsphire RSA 253:17 and RSA 253:18. Sponsored by the Conservation Commission and the Selectmen.

Article 26. To see if the Town will vote to raise and appropriate the sum of Thirteen Hundred and Sixty-one Dollars (\$1,361.00) for membership in the Monadnock Region Association, or take any action in relation thereto. Sponsored by the Selectmen.

Article 27. To see if the Town will vote to ratify the action of the Selectmen in entering into a Purchase and Sale Agreement with Shasta Industries, a subsidiary of W. R. Grace & Company, for the sale of 22.8 acres of land pursuant to the authority granted by a special meeting of the Town held April 4, 1963, and authorize the Selectmen to give a deed pursuant to said Purchase and Sale Agreement, or to take any other action in relation thereto. Sponsored by the Selectmen.

Article 28. To transact any other business that may legally come before said meeting.

Given under our hands this ninth day of February in the year of our Lord, Nineteen Hundred and Seventy-three.

> LAWRENCE O. FISHER MAURICE A. PARKER JR. JOSEPH W. COOPER Selectmen of Hillsborough, N.H.

A true copy of Warrant — Attest: LAWRENCE O. FISHER MAURICE A. PARKER JR. JOSEPH W. COOPER SELECTMEN OF HILLSBOROUGH, N. H. Looking back at the happenings of the year 1972 in Hillsborough, one immediately realizes the great job that Chairman Bill Dumais, Walter Taft and Hank Woods did in making our 200th Anniversary Celebration a tremendous success. As is always the case, many other civic minded people and organizations contributed; many thanks to all.

During late December, the Selectmen began negotiations with Shasta Industries, Inc., whereby a new manufacturing facility will be built at the Town's Industrial Park. Plans are that 40,000 square feet of manufacturing space will be built. Travel trailers will be manufactured here, and initially approximately 50 people will be employed. A warrant article will be offered to the voters to ratify the agreements made by the Selectmen on behalf of the Town of Hillsborough.

Revenue sharing monies, \$30,660.00, have been received and placed in a separate savings account by the Selectmen, as required. Proposals as to how the monies can best be spent to beneft the Town's finances and needs will be included in the town warrant as follows:

1. Extension of Water mains to the Industrial Park

2.

\$12,000.00 2,600.00

3. Organization of the Department of Public Works

Replacing the Town Police Cruiser

15,000.00

Articles in the Town Warrant that particularly need your consideration are; purchase of Pay-Loader for the Highway Department; TRA road building to the Industrial Park; establishment of scenic roads within the Town; capital reserve appropriations; and recreational programs.

The budget prepared for 1973 shows a larger outlay in Town monies, but will be approximately \$30,000.00 less than raised by taxation for the 1972 budget. This is mainly due to using Federal Revenue Sharing and Capital Reserve accounts for capital outlays. Broadening the tax base with new assessments, increased revenue from our income areas, plus revenue sharing monies, makes the Town's financial picture very favorable.

We have been led to believe that funding for the Sewage Treatment facility will be as of July, 1974. If this becomes a fact, we will prepare plans for your approval.

Respectfully submitted,

LAWRENCE O. FISHER, Chairman MAURICE A. PARKER, JR. JOSEPH W. COOPER Selectmen of Hillsborough

RITA MORGAN, LIBRARIAN

#### PARK BOARD REPORT

#### 1972

The Hillsboro Park Board has under its supervision the following town areas; Manahan Park, Beard's Brook Beach, Grimes Field, Butler Park and the public beach right-of-way at Emerald Lake.

Manahan Park has perhaps seen the most change and improvement during 1972. The boat landing has been black topped and the brush cut around the area. Brush has also been cut away from the beach parking lot. The clearing and the removal of the brush could not have been done without the generous help of both the Lion's Club and the local division of the National Guard. The National Guard also cleared brush from the beach road. Many people came to aid in the park's beautification including some counselors from Camp Wediko who cleared brush at the historic Witch's Hole.

It has been long realized that many people were not able to use the Manahan beach area because of the steep and often rocky path leading from the parking lot. Thus a new 1125 foot road leading to the beach and a 25 x 100 foot parking lot has been contracted for by the lowest bidder, Raymond Daniels. A reality for beach goers in 1973; to drive down to the beach and park in close proximity to the water. New Direction signs were put up throughout the park to insure safe driving, along with resurfaced roads of gravel.

The summer swimming program proved to be most successful under the able direction of Thomas Walton. Mary Jane Colton did a fine job as instructor-life guard. A special thanks goes to the swimming volunteers who aided in making the beach program a success; Mrs. Louise Crossman, Mrs. Bobbi Pletcher, Heather Miller and Mickey Grimes. Aiding in the fun was the more durable raft with cover and new sturdy ladder.

At Beard's Brook, the town hauled gravel to the parking area which made the beach a more sightly spot. Swimming will continue to be at your own risk at Beard's Brook. An ordinance was passed to the effect that "no overnight camping be allowed in any town park without permission from the Park Board."

Grimes field was the scene of many activities from High School sports, bicentennial celebrations to ice skating. The high school baseball team used the big diamond this past spring. Coach Keith Bean and some school boys rototilled the area, spread loam between the baselines and added clay at the pitcher's mound. Norman Cote, Ted Garfield and team members graded and spread loam on the little diamond for softball. A special thanks goes to Clark Smith who managed the Little League team as well as the farm team with the help of Janet Crowley. The Little League will need a coach for the 1973 season as will the farm team and the pee wee team if Hillsboro is to have these teams for the boys. A sponsor will also be needed for the 1973 Little League season. Hillsboro is the only town within its league that does not sponsor its own team. Thank you goes to Zeke's Diner who has been the team's sponsor until now.

The soccer field was marked out and new goal posts placed in position by the school boy team under the supervision of Coach Tozer. The tennis court had new backstops of chicken wire screening to prevent the tennis balls from going too far afield.

Ice skating is popular with the long cold winters we endure. To make skating more available to all, a skating rink has been created at Grimes Field with the solid help of some local townspeople. Dennis Dumont, Don Mellon, Rick Mellon, Keith Bean, Harold Grimes and Dude Kemp layed out the rink, leveled the surface, piled the snow to form the banks and flooded the rink with the use of the Fire Department's hose. Lights were installed to enable everyone an opportunity to skate and have fun; a place for hockey and a place for family skating.

This past year has seen many improvements in your recreational facilities. Is is the hope of your Park Board that you will take pride in these facilities and use them often with care.

#### PLANNING BOARD REPORT

During 1972, the Planning Board met regurlarly twice a month, the first meeting of each month primarily devoted to processing subdivisions and the second meeting largely concerned with planning for land use and the orderly development of the Town. When necessary, the Board held special meetings including one with the Conservation Commission and three with the Deering Town Planning Board.

Forty-six subdivisions, four more than in 1971, were processed during the year, three of which involved Public Hearings; three were denied and two were referred to the Board of Appeals for final disposition.

Two filing systems have been purchased, including a large one for storing maps, which has added to the efficiency of the Board's work.

Another important aspect of the Board's functioning is concerned with planning for the future of the Town and the possibility of some kind of zoning ordinance. In line with the Planning Enabling Legislation of the Revised Statutes of the State of New Hampshire, the Vice-Chairman has worked up a series of maps showing (1) Current Land Use and (2) Population Density. To these have been added a Soil Map and a Contour Map of the Town. These maps are on display in the Board Meeting Room of the Town Office.

The Board is in the process of formulating a Questionnaire to be circulated throughout the Town in order to determine in what direction the people want their commuity to develop.

In 1972 a joint Dump Study Committee from the Hillsboro and Deering Planning Boards (from Hillsboro: Adolf Baer Jr. and Nelson Maine; from Deering: John Snow and Willis Merrill, Chairman) was set up to consider alternatives to the burning of solid waste material now in use, a process which will be prohibited within one or two years.

The Committee considered in detail several different methods of disposal. They investigated many sites in both Hillsboro and Deering. As a result of exhaustive study and many meetings, it appears that a Sanitary Landfill is the most economical and practical method for the Towns to create at this time. The Committee further recommends that before a new site is purchased, the existing dump site be considered as the location of a Sanitary Landfill.

During the Fall of 1972, Adolf Baer attended a weekly seminar on Planning, sponsored by the Office of State Planning. Members have also attended meetings of the New Hampshire Internal Flood Plain Study Commission and the South-West New Hampshire Planning Commission. The Board was represented by Donald Mellon on the Town Commission to study a plan for a Public Works Department.

> Respectfully submitted, STEPHEN P. MAYO Chairman RAYMOND SPRAGUE VICE-CHAIRMAN CHARLOTTE CRANE Secretary ADOLF BAER, JR. NELSON MAINE DONALD MELLEN MAURICE PARKER, JR. Ex officio

HILLSBORD PLANNING BOARD

The Conservation Commission's 1972 membership saw the loss of Mrs. Annette Cottrell in January because of expiration of term of appointment, and Mr. Edward Devlin in May because of moving away from Hillsboro. We were fortunate in obtaining Mrs. Barbara Soper and Mr. Mark Matz to serve in their places.

Ten more trees were planted and these, and all previous plantings were fertilized spring and fall. Many thanks are given to the Hillsboro Fish and Game Club who provide the financial support for this project and to Commission member Don Bonnette who has been in charge. This project is going well and the Commission hopes to keep it operative as long as possible.

CONTOOCOOK RIVER PROPERTY. After receiving custodianship of the 100 foot strip along the Contoocook from the Town at last year's Annual Meeting, the Commission walked the property to determine its possibilities. Several visits were made by various members, and cutting and piling of brush has begun. The Commission is presently attempting to get the land surveyed and trails laid out with the assistance of the State Forestry Department. It is hoped that we will be able to have several loops and cross trails of various lengths. The Bird and Garden Club very kindly did some work and have offered to do some planting and identfication of various trees and shrubs in the coming year. The trail is open to the public and will be available to children with proper supervision.

GLEASON'S FALLS and HOUSE ROCK. The Commission cleaned up and kept in shape these two areas which are also available for public use. The railings on the bridge at Gleason's Falls were repaired at the Commission's instigation, though it may be necessary in the near future to do some repair work on the stonework.

CAN RECYCLING. This effort seems to be going well now that the public has a better understanding of how the cans must be prepared for recycling. By the time this report is in print, we hope to have sent in the required 20 barrels (transported by the National Guard, and the money received from them will be divided between the Rescue Squad and the 744th Transportation Company of the National Guard in Hillsboro. The Commission wishes to thank Mr. George Barrett who has helped so greatly in keeping this program going.

JUNKER REMOVAL. The removal of junkers seems to

have been the most popular of all the programs initiated by the Conservation Commission. Approximately 100 junk cars have been removed from in and around Hillsboro. The Commission wishes at this time to give full credit and many thanks to the local unit of the National Guard without whom this project would have been impossible. We expect that by the time you read this the junkers that have been collected at the dump will have been crushed and removed for sale as scrap. The Rescue Squad whose members have assisted on weekends in guiding the Guard to the various locations of the junkers will receive half the money realized by the sale and the National Guard's Recruiting and Retention Fund will receive the other half. We hope to continue this work until all junk cars are removed from our area.

Mr. Chuck Hall of the Hillsboro-Deering School was sent to the Conservation Camp at Plymouth, New Hampshire by the Commission. His plans for school programs resulting from his attendance will multiply the benefits of the Camp to many local students.

Three members attended the Annual Meeting of the Hillsborough County Conservation Commissions at Bedford and Member Clayton Buker attended the hearing on proposed Flood Plain Legislation held in Keene. A column "Conservation Comments" was instituted in the *Messenger* by Charles Allen to keep the public informed on local and national environmental problems.

The Commission has been involved in investigating other areas of concern such as glass recycling; reclamation of waste paper; and the possibility of setting up a "Water Watch" on local streams and water bodies.

Your Commission has derived considerable satisfaction in the completion of some projects and has felt some frustration in others. Any suggestions or volunteer help would be greatly appreciated. Our meetings are open to the public and we would welcome your opinions and suggestions at any time.

Respectfully submitted,

Hilslborough Conservation Commission

A total of 134 calls were handled by the Hillsboro Rescue Squad during 1972 assisting area townspeople for various emergencies. Following a plea made by the Squad regarding non-emergency calls, townspeople responded in their usual cooperative manner, and the number of nonemergency calls was greatly reduced.

1972 was a year of change for all emergency personnel and vehicles in the state, due to recent legislation. The Squad was aware of these changes when the new ambulance was purchased nearly two years ago and all safety features, equipment, etc. were included in the purchase to meet the new regulations. This year the service itself and all vehicles received licenship and 12 Squad members completed the Emergency Medical Training Course as required.

A major 1972 expense for the Squad came under the category of communications. A new radio now enables the ambulance driver to have direct contact with all hospitals as well as State and Local Police. Previously, all communications were handled with the telephone operator acting as a go-between.

The Squad also purchased a second hand box trailer from Law Motor Freight which is kept behind Wyman's Garage for paper storage.

Through donations, memorials, paper drives and the sale of extinguishers, the Squad manages to remain free of tax money support from the town. The Squad not only pays for its own supplies and equipment but insurance, vehicle maintenance and medical education as well.

The generosity and cooperativeness from the community is sincerely appreciated and is an incentive to continue the volunteer, non-profit emergency rescue project.

#### FIRE DEPARTMENT REPORT

The year 1972 was a busy year for the Hillsboro Fire Department. There were 49 calls in all:

- 21 Building
  - 1 Chimney
- 1 Grass Fire
- 10 Car and Spilled Gas
- 2 Assistance to other Towns
- 14 Miscellaneous (Dump, Stand-by, Training and Testing, Etc.)

There were no major fires but several serious fires that could have become catastrophic such as the fire in April at Millstone Spinners. The Town of Deering had six fires (4 Building, 1 Car and 1 Grass). Fire Chief Dumais provided all help possible and was always cooperative.

During 1972 the department accepted with regrets the retirement resignations of five veteran firemen with a combined service record of more than a hundred years. Retiring last September were Wilfred Dunlap, Joseph Holley, Erwin Holdner and Clayton Goss. The retirements resulted in several promotions within the department: Donald Mc-Culloch and Eugene Livingston to Deputy Chiefs; Eugene Edwards, Captain of Hook and Ladder Company; Jerry Totte, First Lieutenant and Everett Chamberlain, Second Lieutenant of Hook and Ladder; Hershel Murdough, First Lieutenant and Wilfred Randall, Second Lieutenant of Eagle Hose Company.

The annual Firemen's Dinner was held last fall with honored guests being retired firemen. Also as guests were several chiefs and firemen from surrounding towns. Each guest indicated their pleasure at the invitation and their enjoyment at the dinner which was held at the Masonic Temple.

The new Maxim Fire Truck arrived and is fulfilling all expectations.

A highlight of the 1972 year was the department's participation in Hillsboro's Bicentennial observance held in July. Two firemen - Don McCulloch and Eb Chamberlain were on the official committee and were in charge of our successful role in the celebration. Our annual muster activities, usually held in May, were postponed and held Saturday and Sunday of the Bicentennial. In addition to the fun and excitement of the celebration, special planning prior to the observance allowed for precautionary fire safety measures taken during the weekend. Thankfully there were no major emergencies to mar the jubilant celebration.

The Fire Department Rescue Squad had a busy year and their performance was once again simply amazing. They spend many hours training and working on equipment. See this separate report on another page.

From Deputies McCulloch and Livingston, our greatest thanks for the cooperation extended to us by the men of the Hillsboro Fire Department.

### and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-Town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the Town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

| STATE    | 410 | fires | 361              | acres | burned |
|----------|-----|-------|------------------|-------|--------|
| DISTRICT | 90  | fires | $135\frac{1}{2}$ | acres | burned |
| TOWN     | 3   | fires |                  |       |        |
