The sign on the cover of the annual town report is a replica of the five signs which will be erected soon at the five main entrances to our town. We feel that the signs will convey an expression of welcome to our many visitors as well as expressing the sense of pride we all have for the Town of Hollis. We also consider it meaningful in relation to the bicentennial year which we are commemorating.

The five signs are being presented to the Town of Hollis by The Simonds of Hollis, Inc. and we express our appreciation for the gift.

**MARCH 3, 1976 AT 7:30 P.M.**

**THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN FROM 7:00 A.M. TO 7:00 P.M.**

To the Inhabitants of the Town of HOLLIS in the County of HILLSBOROUGH in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at LOWER TOWN HALL in said HOLLIS on Tuesday, the SECOND day of March, next at 7:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Selectmen and other Town Officers and Committees.
4. To see if the town will authorize the selectmen to borrow money in anticipation of taxes.
5. To see if the town will vote to accept State Aid for the Construction of Class V roads and appropriate the sum of \$1241.50.
6. To see if the town will vote to authorize the Tax Collector to accept pre-payment of taxes in multiples of \$10.00.
7. To see if the town will vote to raise \$25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for forest fire roads.
8. To see if the town will raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for a town shed.
9. To see if the town will raise and appropriate the sum of \$8,000.00 to be placed in capital reserve fund for a front end loader.
10. To see if the town will raise and appropriate the sum of \$7,000.00 to be placed in capital reserve fund for a grader.

11. To see if the town will raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for the Fire House.

12. To see if the town will raise and appropriate the sum of \$7,000.00 to be placed in the capital reserve fund for a new fire truck.

13. To see if the town will raise and appropriate the sum of \$4,000.00 to create a capital reserve fund for a highway dump truck.

14. To see if the town will authorize the Selectmen to expend the funds in the map fund to continue to develop the Tax Map project.

15. To see if the town will raise and appropriate the sum of \$3,304.30 to be given to the Merrimack Valley Home Health Care Association, Inc.

16. To see if the town will raise and appropriate the sum of \$750.00 to be given to the Community Council in Nashua.

17. To see if the town will vote to authorize the withdrawal from the Revenue Sharing fund established under the provision of the state and local assistance act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action Hereon: Police Department \$15,062.56.

18. To see if the town will vote to approve the designation of Plain Road as a scenic road as defined by state law.

19. To see if the town will vote to have the Planning Board set up a fee schedule for plan approvals.

20. To see if the town will vote to discontinue the following roads and all others previously discontinued —

Causeway Road from Baxter Road to Dunklee Pond Road

Baxter Road Extension from Old Wheat Farm to Rocks Place.

Old Flint Pond Road from Broad Street to present Flint Pond Drive.

Deacon Lane Extension from Auclairs to Rocky Pond Road.

Dunklee Pond Road from Farley Road past Shattuck Lane and back to Farley Road.

Mooar Hill Road from No. 76 Mooar Hill Road northerly to Siergiewicz, Bristol and Glover junction, Remainder of road closed in 1954.

Pound Road between Route 122 and Rocky Pond Road

Old road between Proctor Hill Road and Lawrence Lane

Old Road from end of Brown Lane at Beaver Brook Farm to Route 130

Old Road No. 36 Proctor Hill Road to Beaver Brook on Route 130.

Old road at No. 167 Ridge Road to Worcester Road at Beaver Brook

Road from Rideout Road easterly to Nashua River thru Lone Pine Hunters.

Section of Route 130 outside Right of Way between station 106 and station 111-50.

Lund Lane Extension (old highway) from Lorden Drive to junction Route 122 and Federal Hill Road.

21. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and seventy-six.

**DEPARTMENT OF REVENUE ADMINISTRATION  
SEPARATE TAX RATES TO BE PRINTED ON 1975 TAX BILLS  
(RSA 76:11;11-a;13)  
TOWN OF HOLLIS**

<u>Unit of Government</u>	<u>Rate</u>
Municipal	.39
County	.15
School	3.21
Combined Rate (Non-Precincts & Single School Districts - Towns or Cities)	3.75

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1975 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempted by 1970 Special Session for each unit of government.

RSA 76:13 provides that if tax bills are mailed on or before November 1 interest is not charged if payment is made on or before December 1. However, if tax bills are mailed between November 2 and 15 inclusive, interest is not charged if payment is made on or before December 15. In the event that tax bills are not sent until after November 15 interest shall not be charged on taxes paid on or before December 30.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. It is also required by statute that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

DEPARTMENT OF REVENUE ADMINISTRATION  
By: Lloyd M. Price, Commissioner

October 15, 1975

STATE OF NEW HAMPSHIRE  
DEPARTMENT OF REVENUE ADMINISTRATION  
CONCORD, 03301

October 15, 1975

Selectmen of Hollis  
c/o Frank Whittemore, Chm.  
Hollis, New Hampshire 03049

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1975 taxes on the basis of the following figures:

Net Assessed Valuation	\$36,502,315.00
Taxes Committed to Collector:	
Town Property Taxes Assessed	\$1,368,836.81
Precinct Taxes Assessed	
Total Gross Property Taxes	\$1,368,836.81
Less: Est. War. Serv. Tax Cr.	<u>14,000.00</u>
Net Property Tax Commitment*	\$1,354,836.81
Tax Rate	3.75

\*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school and county are as follows:

Net School Appropriations	\$1,181,637.63
County Tax Assessment	\$ 54,287.96

In arriving at the above approved rate the Overlay has been set in the amount of \$13,525.98.

Very truly yours,  
Lloyd M. Price  
Commissioner

OFFICE OF SELECTMEN  
TOWN OF HOLLIS, NEW HAMPSHIRE  
REPORT OF TOWN AUDIT  
Fiscal Year Ending December 31, 1975  
REVENUE SHARING FUND

STATEMENT OF REVENUE, EXPENDITURES, ENCUMBRANCES,  
AND FUND BALANCES

Available Funds, Jan. 1, 1975		26,238.47
Add Revenue:		
Entitlement Payments	10,535.00	
Interest	<u>836.06</u>	
TOTAL AVAILABLE FUNDS		37,609.73
Less Expenditures		
Public Safety	<u>26,238.47</u>	
TOTAL OPERATING/MAINT. EXP.		<u>\$26,238.47</u>
CAPITAL EXPENDITURES	-0-	-0-
TOTAL EXPENDITURES		<u>26,238.47</u>
AVAILABLE UNOBLIGATED FUNDS		
12/31/75		11,371.06

We have examined the accounts and records of the Revenue Sharing Fund of the town of Hollis, N.H. for the fiscal year ended December 31, 1975.

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Hollis, N.H. for the year ended December 31, 1975.

Leonard White  
Roland C. Schellenberg  
Auditors  
Hollis, N.H.

February 6, 1976

## **POLICE DEPARTMENT REPORT**

To: The Citizens of Hollis

I would like to praise our department members for their time, devotion and loyalty to the town; for without these elements a department could not function properly. A word of thanks goes out to the citizen who has given information which has helped suppress the criminal activity in our fine community.

"I hated to call you" certainly not words of wisdom. Please call us; let us be of service, after all it's your police department and I hope it is one you can be proud of, I know that I am.

Thank you for your support and help.

Sincerely,  
Paul A. Bosquet  
Chief

### **SCHOOLS ATTENDED BY CHIEF IN 1975**

Hours of Investigation	1,500

## REPORT OF THE HOLLIS FIRE DEPARTMENT

The Hollis Fire Department answered 121 calls requiring an active response, 50 calls for investigation were handled by the Chief. There were 7 building fires, 4 were serious with 3 doing relative minor damage to the homes involved.

A Fire Prevention Team was formed this year with members Richard Hoar, Clark Lambert and Steven Weeks doing a very good job. I feel this, and the help of all the townspeople, has resulted in our calls being 41 less than last year.

This is very encouraging as our population increases.

During the summer, a water hole was made across from the Elementary School which will help handle a problem at either the Elementary or the Middle Schools. With the cooperation of the Congregational Church a road has been graveled to the water hole next to the Weeks residence, which will help if a problem should arise in the center of town.

Again this year as in the past, State Instructors have given the Department training in the different aspects of fire fighting.

In keeping with the effort to always serve the town better, the project of an Ambulance service has been underway. The Ambulance had been purchased through the Civil Defense and will be operational soon.

A reminder when buying electrical products always look for UL or other brand name approval, if not, then be careful where and how you use these products.

I am asking for your help. There is an Ordinance on record that all homes must post house numbers so that they can be seen from the street. If you need help to find out your number, call 465-2303 or stop at the Communication Center. Also, when you call in a fire or other emergency, please give your full name, street name and house number and the type of emergency.

Roy L. Wilkins,  
Fire Chief

## REPORT OF FOREST FIRE WARDEN

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

### 1975 FOREST FIRE STATISTICS

State: No. of Fires — 718; No. of Acres — 800.

District: No. of Fires — 143; No. of Acres — 88.

Town: No. of Fires — 5; No. of Acres — 3¼.

Winthrop H. Hannaford  
District Fire Chief

Roy L. Wilkins  
Forest Fire Warden

## HEALTH OFFICER'S REPORT FOR 1975

This past year presented some unusual problems to this health officer.

This officer received many calls of rabied raccoons in the area, however we were assured by the Fish and Game Department that these animals were suffering from distemper and not rabies.

There were a few isolated cases of problems with septic systems this past year, which is understandable for those used for many years, but many of these have been in use for two years or less, which indicates a poor job of proper installation was performed by the builders.

How about soap suds on the shores of Flint Pond and Silver Lake!!! This pollution must stop as we cannot tolerate this type of situation. Anyone who knows that they are contributing to water pollution should take it upon themselves to correct this situation immediately. If this health officer has to respond to this same type of complaint, during this next season, some drastic measures will be taken. The State Water Pollution Control Board in Concord will be notified and any violators will be served due process of the law.

Again this year, I would like to encourage people to have their drinking water analyzed. It is possible for a well to test out all right one year and then suddenly become contaminated. There is a fee charged for this analysis, but where family health is concerned it is money well spent.

Hollis Health Officer

Robert F. Sundstrom

## HOLLIS TOWN FOREST

### 1975 ANNUAL REPORT

The Hollis Town Forest continues to provide a modest income from forest projects and a very large benefit from recreational values. All the forestry activity was in the big Dickerman lot on Silver Lake Road. Howard Parkhurst cut more of the low quality hardwood to release the young pines. He also cut about 5,000' of large rough pine for the High School shop.

Two more work days were held in the same area, pruning and thinning the larger pines. A beautiful stand of trees is resulting.

The small gravel pit on the lot provides some income. Eventually, the pit will be reforested.

More fire access roads were improved under the direction of Ted Chamberlain. A small grant from the state helps this project.

Many thanks to all our volunteer workers. Watch for announcements of more work days.

## HOLLIS TOWN FOREST--1975

### FINANCIAL REPORT

#### Income

Pine stumpage--school	\$250.00
Cordwood stumpage--Parkhurst	15.75
Gravel--Towne	106.75
<b>TOTAL</b>	<u>\$372.50</u>

## REPORT OF CEMETERY COMMISSION – 1975

The Cemetery Commission, through its continued meetings during the year, is pleased to report the following accomplishments for 1975 and goals for 1976:

### ACCOMPLISHMENTS:

1. Continuance of filling in of details on the survey of the old section of the East Cemetery.
2. Continuance of updating permanent record system.
3. Completion of deed form for the sale of lots.
4. Consolidation of the Town and Cemetery Commission forces, in which move Roy L. Wilkins became supervisor and assumed the duties of Sexton.
5. Near completion of fence repairs at South Cemetery.
6. Completion of digging test holes in the East Cemetery to determine soil composition.
7. Continuance of improvements and upkeep of all cemeteries.
8. Purchase of new trimmer.

### GOALS FOR 1976:

1. Completion of East Cemetery survey.
2. Continuance of updating permanent record system.
3. Printing and distributing of deeds to as many lot owners as feasible.
4. Regrading of land and laying out of new lots in East Cemetery.
5. Spraying and eliminating of devil's paint brush in East Cemetery and of poison ivy in all cemeteries.

Respectfully submitted,

Hollis Cemetery Commission  
Percy L. Snow, Chmn.  
Elizabeth P. Brocklebank, Sec.  
Laurie L. Harris  
W. Boyd Weston  
Wendell C. Wright

**STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS**

John O. Morton Building, Concord, N.H.

July 9, 1975

Mr. Frank Whittemore, Chairman  
Hollis Board of Selectmen  
Town Office  
Hollis, New Hampshire 03049

Dear Mr. Whittemore:

Through the years we have discussed reconstruction of the West Hollis Road Bridge over the Nissitissit River as a State Aid Bridge Project. We were never successful in raising the town share of cost.

A new Federal Aid Off-System Program has just been approved as described in the attached pamphlet. Because of your interest, we want you to consider the above bridge as a likely candidate before we are swamped with requests from other towns.

Our previous estimate was \$214,000 in 1974, and to be on the safe side I will raise this to \$250,000 as a federal project. The details work out as follows:

Estimated Cost	\$250,000
Federal Aid 70%	\$175,000
Town & State 30%	\$75,000

The town and state share would be divided as follows:

Town share 1/3	\$25,000
State Share 2/3	\$50,000

Is there any chance that you could find, raise or transfer the town share of \$25,000? I would be happy to help move the project along. This is a good chance to take advantage of a new program before we get swamped with requests from other towns.

Sincerely yours,  
Floyd L. Avery  
Secondary Roads Engineer

**STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS**

John O. Morton Building, Concord, N.H.

December 10, 1975

State Highway Aid is available to Hollis during 1976 in these categories:

**TOWN ROAD AID, APPORTIONMENT A FUNDS**

Chapter 241, Section 2 of the Revised Statutes Annotated, as amended, provides for Class IV and V Construction, Reconstruction or Betterment Aid. Any town applying for such aid shall raise, appropriate or set aside an amount equal to not less than fifteen percent of the apportionment made to it in Apportionment A.

If the above aid is desired, your town must raise \$1,241.50 and the State will contribute \$8,276.68.

**HIGHWAY SUBSIDY**

Chapter 241, Section 14 of the Revised Statutes Annotated as amended, provides a highway subsidy for maintenance, construction and reconstruction of Class IV and Class V highways in towns and cities.

Your subsidy payments for 1976 will be as follows: January \$5,349.64, April \$5,349.65, July \$5,306.03, and October \$5,306.03; a total of \$21,311.35.

Please note that you are, by statute, required to maintain accurate records of your expenditures. Audited reports will be required on a state fiscal year basis, July 1 to June 30, and intermediate reports may also be necessary.

If you have any questions please feel free to call.

Sincerely yours,  
Floyd L. Avery  
Secondary Roads Engineer

**STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF RESOURCES AND ECONOMIC DEVELOPMENT**  
**DIVISION OF FORESTS AND LANDS**

December 19, 1975

Board of Selectmen  
Town of Hollis  
New Hampshire

Gentlemen:

Funds were appropriated by your municipality in 1975 to assist the Division of Forests and Lands in the joint state and town program to protect the aesthetic and economic values of New Hampshire's white pine resources from the white pine blister rust disease. The following financial statement shows the total program expenditure and accomplishment in 1975. Your municipal cost and the amount of acreage that received attention is also included.

**1975 FINANCIAL STATEMENT**

**White Pine Blister Rust Control Program**

Total Municipal Program Contributions . . . . .	\$ 14,247.00
Special Federal Funds . . . . .	757.00
State Program Contribution . . . . .	<u>108,047.00</u>
Total BRC Program Cost . . . . .	\$123,051.00
Your Municipal Appropriation . . . . .	\$147.00
Amount of Appropriation Expended . . . . .	\$147.00

**1975 WHITE PINE BLISTER RUST CONTROL  
PROGRAM ACCOMPLISHMENTS**

Acreage Examined for Hazardous BR Conditions . . . . .	354,221
Acreage Requiring Treatment . . . . .	32,492
Acreage Treated and Rendered Safe in your Municipality . . . . .	774

If you should wish further details on this disease control program, contact this office.

Sincerely yours,  
Theodore Natti  
Director

**NASHUA COMMUNITY COUNCIL**

January 27, 1976

Chairman Board of Selectmen  
Town of Hollis  
Monument Square  
Hollis, N.H.

Dear Sir:

The Nashua Community Council requests the Town of Hollis to give consideration to funding them \$1,000. This amount represents an increase of \$500 over the amount granted in 1974, and is based on Community Council's actual history of treating nearly twice as many clients from Hollis in 1975 than in 1974.

We appreciate your continued support.

Very truly yours,  
Zlatko M. Kufinec, M.D.  
Executive Director

**DOG OFFICER'S REPORT – 1975**

There are still too many dogs without identification. Some have been found to belong to Hollis Residents.

There were 431 phone calls, most of these were complaints. 72 dogs were hit by motor vehicles. 15 dogs were disposed of at owners request.

Dog Officer  
Ernest G. Pratt

## HOLLIS PLANNING BOARD ANNUAL REPORT 1975

Implementation of The Master Plan Task Force recommendations reported at the Town Meeting in "Orderly Growth, Hollis, N.H." were given priority attention by the Planning Board. Changes to the Town's Zoning Site Plan Review and Historical District Ordinances were developed, discussed at hearings and voted at the special Town Meeting held June 10, 1975. Significant changes were accepted, others rejected by decisive margins while many non controversial items lost by 5 votes or less on a relatively large vote of 780.

Approval of the Elderly Housing amendment will make possible a significant addition to the community. It is anticipated that a proposal will be before the Board for such a development sometime in 1976 which can be recommended to the Town for approval.

The expanded business district in the center of Town should provide numerous opportunities for desirable business development. Indeed some development (Ladd Place) has already begun and more plans are known to be on the drawing board.

Perhaps the most significant Zoning Ordinance change approved was the Residential Construction Limitation Amendment. This is a unique Zoning Ordinance concept which we believe will have a significant influence on the future growth rate of the town. The latest population projection received (from the State of New Hampshire Office of Comprehensive Planning) suggests that Hollis has the potential for a population increase from 3,270 in 1975 to 6,610 by 1980 and to 9,760 by 1985. Hollis will grow to be sure, but we hope at a rate which can be assimilated by the community economically and socially.

Land Subdivision activity slowed significantly this past year. Forty-three new house lots were approved this year. One major subdivision of 14 lots at the south west end of Silver Lake was in process at year end, unapproved.

The Property Map Project has progressed significantly this past year. Austin Chandler has completed mapping the highly congested area around Silver Lake.

Hanson Way was established as a new street by the Selectmen to better identify property locations northerly and adjacent to Wallaces Grove.

Truell Road has been completely resurveyed and reeded to the Town correcting significant discrepancies in the original description. Defects in the title to the Road ROW have also been cleared in the process.

Mapping difficulties related to the Hollis-Milford Town line have been resolved by remeasuring the Town Line from the north east corner of the Big Dickerman Forest Lot to the Brookline Line, a distance of over two miles. Approximately 500 feet remain to complete this project.

It is now expected that maps of Silver Lake and vicinity, the Town Center, and Flint Pond will be completed and presented to the Town by Mr. Chandler sometime in April. Our sincere appreciation goes to Mr. Chandler for the many hours he has contributed to this project as a volunteer over the past year and prior years. It has been a pleasure to support him in this effort searching and copying deeds at the Deed Registry and making field measurements to clarify available data.

Regular Planning Board Meetings are held on the 3rd Monday of each month at the Town Hall starting at 7:30 p.m. all meetings are open to the Public.

Fred Q. Gemmill,  
 Chairman  
 Hollis Planning Board

## REPORT FROM THE SOUHEGAN REGIONAL

### LANDFILL DISTRICT

Since the agreement with the towns of Mont Vernon, Amherst, Brookline and Hollis was adopted at their respective town meetings, the Souhegan Regional Landfill District Committee has spent much time and effort in producing what it feels at this time is the best overall approach to solving the member towns' household refuse disposal problems.

Because this District and committee are the first of their kind in the state (formed according to RSA 53B) and perhaps the first such organization in New England, little if any information was available for guidance; thus more time and money were spent on the necessary "start-up;" i.e., engineering, consultation, legal fees and site preparation, etc., than originally estimated. This, however, is both prudent and advantageous for it assures us of the protection of the environment and of the most inexpensive approach to solid waste disposal both in initial capital outlay and estimated operating costs.

Despite setbacks, we will, at the time of this publication, have seen the landfill in operation and the sending towns' transfer stations newly established and ready to serve the communities.

There will be problems to be worked out, as with any new system, so we ask the towns' patience and cooperation during these coming months. We welcome any public participation, comments or suggestions. We submit the following review of expenditures for our fiscal period of July 1, 1975 to December 5, 1975, and also committed expenditures for the remainder of our fiscal year to June 30, 1976.

## HOLLIS HISTORIC DISTRICT COMMISSION

### 1975 ANNUAL REPORT

The highlight of 1975 for the Historic District Commission was the town's passage of the revisions to the Historic District Ordinance. The commission feels that the new ordinance will assist applicants in the presentation of plans, because it is considerably more specific about details and materials which the commission considers in the reviewing of plans. The new ordinance also includes the expanded town center and business district within the Historic District. The commission believes that the enlarged area will help in preserving and enhancing the existing historic qualities of the town center. The inclusion of the business district will also help to maintain and extend these architectural qualities into an area that will surely be facing new development pressures.

The commission continued to meet on receipt of applications, rather than on a monthly basis. There were few applicants this year, with only several applications for residential alterations and two business applications being reviewed by the commission.

Although copies of the new ordinance have not been reprinted, the commission plans to do this in conjunction with the planning board after this year's town meeting. The commission welcomes any questions about the new ordinance and is happy to discuss plans on an informal basis prior to formal application.

Historic District Commission

Richard Hardy  
Chairman

**REPORT OF THE HOLLIS  
BICENTENNIAL REVOLUTIONARY COMMISSION 1975**

**RECEIPTS:**

Town of Hollis	500.00
4/20/75 Sale of Hats, Flags & Refreshments	117.17
Donation A. Whelton	12.00
Sale of Stationery	192.00
July 4 Chicken Barbecue	1,193.18
Total Receipts	\$2,014.35

**EXPENSES:**

4/20/75 Films, Bunting Flags, Hats, etc.	125.39
Costume Material Gen. Stark Day	24.39
Stationery Printing	165.00
July 4 Chicken Barbecue	1,056.13

Balance on Hand 12/31/75	\$ 589.26

**BICENTENNIAL COMMITTEE REPORT**

Your Bicentennial Committee, comprised of Philip E. Brickley, Chairman, Mrs. Robert Hackett, Vice Chairman, Mrs. Zeb Alford, Mrs. Edmund C. Beebe, Jr., Mrs. Roscoe L. Brown, Mrs. Philip E. Brickley, Mrs. David Caldwell, Mrs. Robert I. Davison, Mrs. Gerard Desrosiers, Mrs. Malcolm Dunbar, Mr. Clark Lambert, Mrs. Harris G. Le Roi, Mr. Roland Schellenberg, Dr. & Mrs. John Singer, Mrs. Jeffrey P. Smith and Mrs. Donald Young, has produced the following entertainments and divertissements for the Celebration of the American Revolutionary Bicentennial of the Town of Hollis, New Hampshire 1975.

On April 19, 1975 the committee commemorated the departure of 96 Hollis Militia men to Bunker Hill. There were over 250 people present.

Historical movies and refreshments were provided afterwards in the Town Hall.

On July 4 – the Committee provided a barbecued chicken dinner for 315 people, the Town Band played delightfully, as did a jazz band from the High School. Following dinner there was square dancing and then a Bonfire.

The afternoon activities included a pet show, Horribles Parade and a Field Day for all ages.

The Town provided us with \$500.00, and as of 12/31/75, the balance on hand was \$589.26.

Balance statement attached.

## **CAPITAL IMPROVEMENTS PROGRAM**

The Community's comprehensive plan should provide the basic information necessary to develop a continuing capital improvements program.

Experts in municipal operation have concluded that planning and financing of major municipal improvements cannot be carried out effectively on a year-by-year basis. Communities engaged in capital improvements programming have found the six-year programming period to be the most practical. The first year of any given six-year capital improvements program is referred to as the capital budget. While the overall program serves merely as a guide to the community, the capital budget is of immediate concern to the community, as it must be formally adopted and incorporated in the annual municipal budget. The capital improvements program is a continuous program. In each annual review and updating, one year is dropped and a year is added. The first year of the updated program then becomes the new capital budget.

The town of Hollis is now confronted with the increasingly difficult task of providing essential services with limited finances in a rapidly developing community. In recognition of the problems facing the Town, the Selectmen established a Capital Improvements Committee. In establishing this committee, the Selectmen endorsed the concept of a capital improvements program for the following reasons:

- 1) It provides a means of assuring that projects will be carried out in accordance with predetermined priorities of need and with the community's ability to pay;
- 2) It provides consistent review and evaluation of all projects, including those not previously anticipated but judged to be in the best interest of the community;
- 3) It allows time to design projects and prepare plans well in advance of construction;
- 4) It focuses attention on community goals, needs, and capabilities.

### **CAPITAL IMPROVEMENTS PROGRAM COMMITTEE**

The Capital Improvements Program Committee was established by the Selectmen in July of 1975 to assist in the formulation, adoption, and execution of a long-range capital improvements program for the Town. The committee is responsible to the Selectmen and will submit its recommended program to them. However, most of the committee's time will necessarily be spent working with the various town departments, boards, and commissions.

## COMMITTEE OBJECTIVES

The committee will seek to reach its goal of assisting in the formulation, adoption, and execution by the town of a long-range capital improvements program by pursuing the following objectives:

- 1) Come up with recommendations on capital improvement priorities which serve the community as firm guidelines in carrying out its long-range planning program.
- 2) Carry on a continuing public relations and public education program in order that the citizens, town officials and departments are kept fully informed of what the committee is trying to do, and what a capital improvements program is all about.
- 3) Gain the full support and cooperation of the departments, and the town officials as a prerequisite to achieving the committee's overall goal.
- 4) Support the utilization of the comprehensive plan which will serve as the basic guideline for up-dating and revising the capital improvements program on an annual basis.
- 5) Develop a standardized method or process for evaluating projects on a priority basis including criteria to be used in the process.
- 6) Assist in the establishment of a systematic approach to the processing of proposed projects from time of initiation on through to completion.
- 7) Assist the town officials and the department heads in explaining the proposed capital budget in conjunction with the public hearing on the town budget.

The Committee's first task in developing a feasible program will be to establish a definition of "capital improvement" so that each department will have a guideline by which to prepare its capital improvement requests.

"A capital improvement shall be any project requiring an expenditure by the Town of over \$2,000 and which falls within one of the following categories:

- 1) The purchase, construction, replacement, or rehabilitation of any physical facility for the community with an anticipated life in excess of ten years;
- 2) The purchase of equipment for any physical facility when first erected or acquired;
- 3) The acquisition of property of a permanent nature;
- 4) The acquisition of land or interests in land;

- 5) The construction of public facilities such as highways, water, and sewage lines;
- 6) Any other expenditures which increase the physical assets of the community;
- 7) Surveys or studies relative to the aforesaid items or of significant value to the community;
- 8) The purchase of wheeled vehicles or motorized equipment which are not included in the Town's capital equipment reserve fund."

In order to evaluate each proposed capital improvement project with other projects for the same department, and with projects for other departments, the committee will utilize the following priority categories:

- "A) Essential (highest priority) – Projects which are required to complete or renovate a major public improvement; projects which will remedy a condition dangerous to the health, safety, and welfare of the public; or projects which will provide facilities for a critically needed community program.
- B) Desirable (second priority) – Projects which will benefit the community; whose validity of planning and timing have been established.
- C) Acceptable (third priority) – Projects which are adequately planned, but which can be postponed if budget reductions are necessary.
- D) Deferrable (fourth priority) – Projects which are definitely recommended for postponement or eliminated from the capital improvements program since they pose serious questions of adequate planning, proper timing, or community need."

Other criteria, including availability of state and federal funds, ability to produce additional revenues or reduce operating expenses, conservation of recreational value, and social or economic value to the community, will be utilized in the analysis of individual projects.

The Committee feels that using the above priority categories as a guide, and following a more systematic process in the review of all proposed projects, capital improvements can be more logically programmed.

CAPITAL NEEDS COMMITTEE  
Arthur Krulick, Chrmn.  
Frederick Pitman  
Charles C. Sipe

## HOLLIS CONSERVATION COMMISSION

### 1975 ANNUAL REPORT

The primary objective of the Conservation Commission at this time is to acquire available properties that will insure protection of watershed and wetland areas, and to acquire land abutting existing town property.

In keeping with these objectives, early this year the Commission acquired from the Wright heirs an 8.5 acre tract of land which is adjacent to the previous year's gift of land from Pearl C. Rideout. Also, an additional 4 acres adjacent to both these properties has just been purchased. Townspeople are reminded that most property bought for the town by the Commission is eligible for 50% matching federal funds, thus making it possible for the town's appropriations to go twice as far.

This past summer, Commission members coordinated their town conservation efforts with that of the contractor reconstructing the Proctor Hill section of Route 130. By supervising the proper disposal of the old roadbed, the Commission also insured the preservation of the Beaver Brook and Rocky Pond Brook wetland areas.

The Conservation Commission land in back of the Elementary School is used as a school nature study area. The Hollis Commission has an agreement with the Public Service Company to keep the brush cut underneath the power line running through this property, so that it will not be necessary for Public Service to spray and kill all vegetation. This past year, the students of the Middle School helped the Commission cut the brush under this line.

In the fall, the Commission held several successful work days to improve the forests on town properties. Hollis youth groups such as the Boy Scouts and the Rangers and their parents have pruned trees, cut brush and made trails. More work days will be held this coming year, and volunteer workers are invited to join us in improving town properties. The experience may be profitable to the volunteers as well as to the town, as they may learn more about how to improve their own woodlots. Boundary lines and markers for three existing town properties have been re-marked for clear identification, and other lots will be done in the future.

The Commission wishes to express its appreciation to Mr. Austin Chandler for his continuing efforts in remapping wetland areas for the town. Mr. Chandler has donated many hours of labor researching property lines to make up an accurate and up-to-date property map. His help has

been invaluable to the Commission.

We wish to thank the townspeople for their continuing support of our conservation efforts for the town. Future generations will be grateful and benefit from your foresight.

Robert Sheldon, Chairman  
Claire Goulder, Secretary  
Jeffrey Smith, Treasurer  
Roland Schellenberg

Hollis Conservation

### REPORT OF THE HIGHWAY DEPARTMENT

This has been a very busy year for your Highway Department, with the making and installing of Road Signs and Grading and Graveling all the dirt roads.

A project on Hayden Road that was started 3 years ago with T.R.A. funds, has been completed with the mixing and sealing, 6/10 of a Mile.

11 Miles of our black roads were also Sealed.

A new Pole Shed at the new land site off 122 was constructed to store our sand and salt in, and a road was built at the dump site for the Sanitary Land Fill.

The Track had some work and leveling done for the Parks and Playgrounds.

We have located some gravel in town with the hopes of purchasing land for protection in the years ahead.

There is a lot of brush to be cut along with other projects, and as soon as we can we will get to these problems. I would like to thank all the townspeople for being patient and understanding when the roads need grading or plowing, sanding or salting, as we try to take care of the School Bus Routes first.

If any of you have a problem about our roads, please call either 465-2303 or 465-2450, leave the message and they will get in contact with me.

Respectfully Submitted,  
Roy L. Wilkins,  
Road Agent

## 1975 REPORT OF BUILDING INSPECTOR

Family Residences	45
Additions to Residences	24
Garage	9
Barns	8
Addition to Barn	2
Addition to Shop	1
Storage Buildings	4
Addition to Cellar	1
Horse Stables	2
Pool, Cabana and Fence	6
Pool and Fence	4
Reissued Residence	1
Addition to Garages	2
Professional Building	1
Sign	1
Farm Sales Stand	1
Sewage Permits (Repairs)	10

The 45 permits for residences are 3 less than last year. The estimated cost of construction this year was \$2,024,965 compared with last year's figure of \$2,197,450. These figures are for all of the above categories.

On December 8, Clarence Howe of Ranger Road relinquished his position as building inspector to Ralph Hardy of Pepperell Road. On January 12, J. Clark Lambert of Van Dyke Road was appointed to fill the vacancy.

At a Special Town Meeting, June 10, 1975, the voters approved changes in the zoning ordinance. Among others – to limit building permits to one, to a holder of 10 acres or less; two to a holder of 10 but less than 25 acres; three to a holder of 25 but less than 50 acres; four to a holder of 50 or more acres, in any building year. A building year is from April 1 to the next March 31.

Ralph Hardy  
Interim Inspector

**NASHUA REGIONAL PLANNING COMMISSION  
TOWN REPORT FOR HOLLIS  
GENERAL INFORMATION**

The Nashua Regional Planning Commission is an agency of local government run jointly by the towns of Amherst, Brookline, Hollis, Hudson, Litchfield, Lyndeborough, Merrimack, Milford, Mont Vernon, Pelham, Wilton, and the City of Nashua. Its main purpose is to provide assistance to member communities in solving local problems as well as to provide a means for communities to work together in solving problems of mutual interest or which affect two or more of the member communities. The Commission employs a professional staff to supply advisory technical assistance to the member communities on planning projects and programs and other community issues.

The Nashua Regional Planning Commission is directed by a board of local residents who are appointed by the Selectmen of each member town and the Mayor of Nashua. This citizen board is responsible for setting the policy of the Commission, deciding financial and program matters, and hiring the staff of the agency. The Commission's activities are financed in part by a local contribution from each member community. This contribution is based on the 1970 census of population at a rate of \$.25 per resident and is a requirement for membership in the Commission. These local funds are supplemented through participation in various state, federal and private programs.

During 1975 the Nashua Regional Planning Commission continued to provide assistance to member communities. It has provided:

1. Research areas of local concern and develop resources that will be useful to member communities, such as;
  - population projections and analyses of growth trends
  - up-to-date aerial photography
  - model land use regulations (Wetlands, Non-Residential Site Plan Review, Open Space Residential-Cluster Development)
  - Open Space Planning Workbook
  - Newsletter (NRPC Reporter)
  - Quarterly Planning Boards meeting
  - reporting on land use legislation and recent court decisions
2. Provide advisory technical assistance upon the request of member communities on local matters, such as;
  - the review of subdivisions and other development proposals
  - the planning for and acquisition of open space and recreation facilities

- the preparation of applications for state and federal financial assistance for local projects
  - street layout and engineering and other transportation related matters
  - local government administration and management
  - long-range master planning
3. Coordinate plans on matters which relate to more than a single community, such as;
- water supply and sewage disposal
  - transportation
  - open space and recreation
  - and other areas in which regional coordination is necessary in order to qualify member communities to receive state and federal financial assistance

### **SPECIAL PROGRAMS**

Transportation: In addition to covering general transportation issues as part of comprehensive area wide planning, the Commission has been officially designated as a Metropolitan Planning Organization (MPO) by the Governor.

As MPO, the Commission undertakes comprehensive, continuing and cooperative transportation planning for five municipalities: Hudson, Hollis, Litchfield, Merrimack and Nashua, which hold over 75% of the area's population. This maintains their eligibility for full federal aid for highway construction, serving the whole Nashua region.

This transportation planning program is 100% funded by US Dept. of Transportation, and serves to double the Commission's planning capability, with a considerable advantage to the whole area. Much of the work can be applied to non-transportation planning activities, releasing planning resources that can be directed elsewhere.

### **SERVICES PROVIDED TO HOLLIS**

During the past year several services were provided specifically to the Town of Hollis. NRPC staff assisted the Master Planning Task Force in completing the "1975 supplement to the Comprehensive Plan for the Town of Hollis". Assistance included regular meetings with the Task Force, research, preparation of planning alternatives, drafting of proposed ordinances, and preparation and revision of reports.

Periodic assistance was also provided to Planning Board members on various aspects of Planning Board administration, sub-division review, adoption of building and life safety codes, recent changes in state planning legislation, and also in the use of recent aerial photography.

## BOARD OF ADJUSTMENT

This is the Annual Report of the Hollis Zoning Board of Adjustment for the year 1975.

Nine meetings were held and nine cases were presented and resolved as indicated below:

### Case 75-1. Roderick Ferland

Variance to display and sell wood stoves in his breezeway at 55 Pierce Lane. Variance denied.

### Case 75-2. Ronald C. Mann

Variance to repair transmissions in garage at Route 111 and Pineola Drive. Variance granted with restrictions.

### Case 75-3. Harold E. Mitchell

Variance to build a retirement home on a non-conforming lot off Route 111 at Runnell's Bridge. Variance denied.

### Case 75-4. Burton W. Thomas, Continental Telephone Co.

Special exception to enlarge facilities on Broad Street, requiring purchase of land. Special exception granted.

### Case 75-5. Van C. Watton

Variance to alter small building as living quarters for son and daughter-in-law at 29 Main Street. Variance denied.

### Case 75-6. Woodmont Orchards

Special exception to remove sand and gravel at RFD No. 1 (Silver Lake Road). Special exception granted subject to limitation of quantity and renewal at end of 1975.

### Case 75-7. Herman O. Leclair.

Variance to erect a carport at 148 Nartoff Road. Variance granted.

### Case 75-8. Albert Brunelle

Variance to renovate and alter residence at 125 Silver Lake Road. Variance granted subject to restrictions.

### Case 75-9. Gerald W. Holmberg, Jr.

Special exception for removal of sub-soil. Special exception granted for calendar year 1976 subject to restriction.

K.L. Walters, Clerk  
Robert Pollard, Chmn.  
Wendell Wright  
Franklin Worcester  
Janet Fimbel

Treasurer

## HOLLIS RECREATION COMMISSION 1975 TOWN REPORT

The Recreation Commission year began with the registration of nearly 60 youngsters for ski lessons during January, 1975 and ended with the registration of the same number for ski lessons in January, 1976. As in the past, the lessons were given at the Indian Head Ski Area in Pepperell.

The Saturday Morning Basketball Program runs from December thru February. We divide the boy participants into two age groups, with the younger boys (age 9 thru the 6th grade) playing from 8:30 to 10:00 and the older boys (7th grade thru 12th) playing from 10:00 to 12:00.

The younger group has 17 boys learning the basics of basketball through instruction and game experience. The instructors are Dave Jeynes, Gary Brenden, and Jack Law. The older boys, this season, have formed teams and play an intraleague schedule, much the same as the Senior Bidy League in the larger cities. Each Saturday we start with an instructional period and then play both half-court and full-court games. The School Department has allowed us to use the electric scoreboard and this has helped to make the games more official. Coaches and referees for this program are John Gray, Dave April, Gary Brenden, Phil Buswell, Paul Rousell and Pete Lubinsky. There are 27 boys in this program.

Interest in the Girl's Basketball Program has fallen off this year to where only 8 girls have signed up to play. We hope to build this program back up to when we had 20 girls playing. The instructors are Milly Lyford, Jacquie Leitch, and Martha Parkhurst.

The Old Men's Monday Night Basketball has again proven popular as over 25 men have enjoyed this two hours of physical aggravation once a week. We play at the Middle School at 7:30 from November to May and welcome all who wish to play.

Our annual Ski & Skate Swap was held with the usual bargains available. Comments heard during the Swap lead us to believe this is one of the most appreciated services we perform for the community. We hope to run another Swap in the Spring for bicycles and other sports equipment.

A young-mens team has been entered in the Tri-Mountain Basketball League from the town of Hollis and is named the Hollis-Valicenti Team. Thanks to Dave Cook for organizing the team and to Valicenti Realtors for sponsoring the team.

Swimming lessons were held again at Silver Lake Park under the auspices of the American Red Cross. More than two hundred youngsters

participated. Nancy Swift, Pat Burant, Julie LaVerne, and Candy Noyes put a great deal of work into this program. This is the last year the Red Cross can offer these lessons under the present arrangement and we would be interested in your suggestions as to how we could continue to offer these most important lessons.

Under the direction of Barbara Madsen the Girl's Softball Program has grown from 1 team with 10 girls to 5 teams with 65 girls in three years. This program is run with the financial aid of town sponsors and they were Hollis Auto, Lorden Oil, Meeting House, Simonds Realtors, and Valicenti Realtors. Coaches for the teams were Ellen Davison, Janet Pitman, Jacquie Leitch, Marilyn Fontana, Gerri Zandi, Lynn Zarlengo, Jan Norton, Carol Jorgenson, Sue Bergen, and Nancy Jambard. Thanks also go to Lil Pirog for the post-season cookout.

New this season was participation in a 5-team Southern New Hampshire Junior Girl's Softball League. Both a Junior team for girls in the 4th thru 6th grade, and a Senior team for girls from the 7th grade thru age 15 were formed. Helping with the Junior girls were Jan Norton, Carol Birch, Terry Auer, and Carl Beers, and helping with the Senior team were Jacquie Leitch and Barbara Madsen.

Umpires for both the regular season and the Summer League were Linc Brigham, Don Jacobs, Steve Coleman, Ralph Madsen, Ed Pirog, Pete Lubinsky and Emile Carignan. Along with thanks to these people go our appreciation to the many parents who drove many miles bringing the players to and from the away games.

Interest in the Babe Ruth League Baseball Program has grown to where two teams were needed this year. This program is for boys from 13 to 15 years old and runs from May thru July. Coaches were Gerry Wilkins, Tom Lapierre, and Ron Raitt. Gerry is retiring this year as Babe Ruth coach and we wish to acknowledge his many years of service to this program.

The Little League Program added two new teams this season and has now grown to 9 teams with over 150 boys and girls participating. T-Ball was introduced to the Minor League Program this season in hopes of adding more action to the games. This is so the players would have more chance to swing, throw, field and run and thus have more fun. We feel this was accomplished with the T-Ball concept and plan to use the same program in 1976.

Scores of townspeople gave their time in the running of the Little League program, and from all the children we say thank you. Coaches

were Ray Bellefeuille, Jack Boland, Bob Cook, George Boggis, Norm Beaulieu, Fred Burant, Ed Karjanen, Bob Sheldon, Pete Giorgi, Art Potry, Bob Sweeney, Tim Quinn, Bill Roberts, Dave Newkirk, and Jack Law. Umpires were Jane Hall, Rod Ferland, Mike Grady, Blair Lamont, Chris Saunders, Wayne George, Jim Radcliff, Pete Johnson, and Gery Gilbert.

An All-Star team was selected to play in the Nashua Area Little League Tournament. The players were Don Willette, Eric Leppanen, David Lapierre, Ricky Lapierre, Ronald Soifert, Bill Quinn, Mark Kinsley, Mike Jorgenson, Steve Jambard, Brian Duffy, Mike Collins, David Hughes, Brian Law, James Kallfelz, John Kallfelz, Mike Cote, and Paul Dawson. Equipment manager was Paul Seager and the coaches were Bill Roberts, Bob Sweeney, Tom Lapierre, and Jack Law.

The Beebe-Nichols Little League Field is slowly taking shape. A back-stop with overhang was purchased and installed. A shed was donated to the Little League Program by Mrs. Clarence Cudworth and modified into an equipment box by George Boggis. Donated at the end of the summer were two scoreboards — one from the Coca Cola Bottling Co., and one from the Bronze Craft Co.

In the fall of the year the Commission was presented with the opportunity to purchase used Little League uniforms for the Major League teams. Thanks to a generous donation by the Flint Pond Improvement Association we were able to make this purchase.

The tennis season was very active again this year thanks to Dot Colson and her Tennis Committee. The members are Roselinda McGonagle, Ed Johnson, Paul Rousell, and Dick Birch. Several tournaments were held for Hollis residents and all were well attended. Tennis lessons were also well received by both youngsters and adults. The instructor, Jack Cosulik, also served as the Coach for the Junior (10yr-14yr) Tennis Team and the Senior (15-18) Tennis Team. This program ran throughout most of the summer and the members had excellent instruction which showed in the league standings. The Senior Team members were Mark Madsen, Jim Squires, Peter Rousell, Chris Whelton, Carol Johnson, Lisa Wherli, Kim Colson, and Heather Colson. The Junior Team members were Jerry Jorgenson, Mike Jorgenson, Tiger Rusch, Lynn Reed, Marie Whelton, and David Wherli.

During the summer three programs were run at the schools by the Commission. An Outward Bound Program was held behind the Elementary School with 30 boys and girls learning about working in the outdoors from instructor Dave Dupont.

Indoor summer basketball was tried on a trial basis under the direction of John Cleary. The High School gym was used for this program. The attendance at the gym was not what we had hoped it would be and there is some question as to running the program in 1976. Regardless, we thank John for his interest in helping our children.

Mrs. Nancy Swift directed once again the Arts & Crafts Program and was assisted by Terry Auer and Martha Pitman. More than two hundred children participated in these classes held at the Elementary School.

More work was done on the track at the Beebe-Nichols Field. By fall of 1976 we hope to have the track and infield ready for town and school use. Thanks to Roy Wilkins for the time and energy he has put into this project.

Thanks also to Shirley Cohen and her volunteers for keeping the Girl's Field Hockey Program in full operation. We hope to have a better field for the girls in 1976.

A swing set was purchased for the Beebe-Nichols Field and will be installed this Spring. A general playground area is planned for between the tennis courts and the track. Each year we hope to purchase one or two pieces of equipment to develop a park where the younger children can play while their parents and older brothers and sisters are involved in other activities at the field.

Late in the year Don Spence asked us to find a replacement for him on the Commission because of his work schedule. Don has been a member of the Recreation Commission for many years and we greatly appreciate the work he has done for our town. Tom Lapierre has taken Don's place and is already hard at work.

The Recreation Commission would like to thank the great many people who have helped in the various activities during the past year. Many have been mentioned in this report and unfortunately many have been omitted. The children and adults of this community are most appreciative of your efforts, and we hope you had fun working with us.

Respectfully submitted,  
Hollis Recreation Commission  
Jack Law, Chmn.  
Mildred Lyford, Treas.  
Nancy Swift, Sec.  
David Jeynes  
Thomas Lapierre

## MERRIMACK VALLEY HOME HEALTH CARE ASSOCIATION, INC.

### ANNUAL REPORT 1975

"Alternatives to institutionalization" has become a familiar phrase--a phrase that has turned the attention of communities to ways of caring for people at home. The negative effect of inappropriate or inadequate institutional care for the aging, ill, handicapped, retarded and dependent and neglected children has become very apparent. Emphasis on care of individuals and families at home has focused attention on services that make such care possible -- comprehensive home health care associations.

We are happy to note that our agency offers a broad range of services through its 18 staff members. 1,143 nursing visits, 12 physical, occupational or speech therapy visits, 16 social service visits and 800 homemaker/home health aide visits taking 1459½ hours were provided to residents of Hollis in 1975. In addition 17 telephone consultations were provided, 97 children attending clinics received 166 immunizations in the 10 hours of clinic services.

Financial problems arose early in the year which necessitated re-evaluation of programs and costs. Though our costs per visit have essentially audited to the same figures as previously, we are finding more people with financial problems who need care but are not able to pay any or only partially for care. Over 62 free visits and over 2800.00 of partial fees were given in Hollis. Broad based funding from many sources continues to require constant search and proposal formulation.

Our Board of Directors continues to be an active group of twenty-one residents of the towns we serve. 1975 Hollis board members are: Mrs. Philip Brickley, Mrs. Gilbert Bucknam, Mrs. Kenneth Trow, Mrs. Robert Hackett and Mrs. Richard Jenney.

We welcome volunteer help, requests for information and suggestions on how we may serve you, the community, more effectively. If you have a problem or know of someone who does, we are available through a phone call to our office.

424-3822

## ANNUAL TOWN MEETING

MARCH 4, 1975

The meeting was called to order by Moderator Roger Hammond at 7:30 A.M. for voting under Article One for the election of Town Officers. A Motion by David Sherman to recess the meeting, except for Article One and reconvene the meeting at 7:30 P.M. March 5 in Walters Auditorium. Seconded. Carried. Voting continued until 7:05 P.M. The vote was announced at 10:00 P.M. when the meeting was recessed.

1838 on checklist      639 voted.

The meeting was reconvened at 7:35 P.M. by Moderator Hammond in Walters Auditorium March 5, 1975.

ARTICLE 2. — Motion by Frank Whittemore to defer voting on this article until after action on Article 28. Seconded. Carried.

Richard Walker explained the budget. He called attention to the article on Land Assessment on page 77 of the Town Report. He went over the Comparative Statement. The Selectmen will use a computer in making up the assessment book. It will cost \$3,000.00 to rewire the Town Hall, and an estimate of \$8,300.00 to make three town offices in half of the lower Town Hall. The increase in the Police Budget is for a third full time officer, in the Fire Dept. Budget, is money for new equipment and also for a water hole across the street from the Elementary School. The hourly pay for workers in the Community Center is increased from \$2.50 an hour to \$2.90 an hour. There is to be added \$500.00 to the Dump Budget as printed, and also to the Street Lighting Budget.

Under Recreation Jack Law asked for \$3,500.00 to complete the track adjacent to the tennis courts. Under Patriotic Purposes, Phil Brickley asked for \$500.00 for a bicentennial celebration on July 4th.

ARTICLE 3. — Motion by Jim Belanger to accept the reports of Selectmen and other Town Officers and Committees as printed in the Town Report. Seconded. Carried.

ARTICLE 4. — Motion by Frank Whittemore to authorize the selectmen to borrow money in anticipation of taxes. Seconded. Carried.

ARTICLE 5. — Motion by Jim Belanger to accept State Aid for the construction of Class V roads and appropriate the sum of \$1,257.22 to pay the town's share. Seconded. Carried.

ARTICLE 6. — Motion by Jim Belanger to authorize the Tax Collector to accept pre-payment of taxes in multiples of \$10.00. Seconded. Carried.

ARTICLE 7. — Motion by Jim Belanger to raise \$25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for forest fire roads. Seconded. Carried.

ARTICLE 8. — Motion by Jim Belanger to raise and appropriate the sum of \$2,000.00 to be placed in capital reserve for a town shed. Seconded. Carried.

ARTICLE 9. — Motion by Richard Drisko to raise and appropriate the sum of \$3,000.00 to be placed in capital reserve fund for a payloader. Amendment by Frank Whittemore to call it a loader instead of a payloader. Seconded. Carried with the amendment.

ARTICLE 10. — Motion by Roy Wilkins to raise and appropriate the sum of \$5,000.00 to be placed in capital reserve fund for a grader. Seconded. Carried.

ARTICLE 11. — Motion by Clark Lambert to raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for the Fire House. Seconded. Carried.

ARTICLE 12. — Motion by Charles Johnson to raise and appropriate the sum of \$20,000.00 to be placed in capital reserve fund for the purchase of a fire truck. Seconded. Carried.

ARTICLE 13. — Motion by Roy Wilkins to authorize the Selectmen to expend the funds from the Fire Engine capital reserve fund. Seconded. Carried.

ARTICLE 14. — Motion by Fred Gemmill to authorize the Selectmen to expend the funds from the Town Hall capital reserve fund. Seconded. Carried.

ARTICLE 15. — Motion by Dorothy Gemmill to authorize the Selectmen to expend funds from the map fund to continue developing the tax map. Seconded. Carried.

ARTICLE 16. — Motion by Robert Fiero to authorize the Selectmen to expend the funds from the capital reserve fund for use in the solid waste disposal project. Seconded. Carried.

ARTICLE 17. — Motion by Patricia Roberts to raise and appropriate the sum of \$1,800.00 to be given to the Merrimack Valley Home Health Care Association, Inc. Seconded. Carried.

ARTICLE 18. — Motion by Jane McAllister to raise and appropriate the sum of \$500.00 to be given to the Community Council in Nashua. Seconded. Carried.

ARTICLE 19. — Motion by Roland Schellenberg to authorize the withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon: Police Department - \$26,283.47. Seconded. Carried.

ARTICLE 20. — Motion by Stephen Kolinko to approve the designation of Hatden Road as a Scenic Road as defined by State Law. Seconded. Carried.

ARTICLE 21. Motion by William Roberts to reconvey to Pearl C. Rideout two tracts of land and an easement-one tract consisting of .678 acres shown as Revision No. 1 on Sheet 2 of 2 Subdivision Plan, property of Pearl C. Rideout, Hollis, N.H., to be recorded in Hillsborough County Registry of Deeds, reserving to the Town a 50 foot right of way over said tract.

The second tract consisting of 2.107 acres shown as Revision No. 1 on Sheet 1 of 2 Subdivision Plan of Pearl C. Rideout, Hollis, N.H., to be recorded in Hillsborough County Registry of Deeds.

The easement consisting of a 5 foot path along the east boundary of land heretofore conveyed by Pearl Rideout to the Town and across land of Pearl C. Rideout as shown on Sheet 1 of 2 of the above referred to Plan.

Such plans will be available for inspection at the Town Hall prior to and during Town Meeting. Seconded. Amendment by Robert Sheldon to give a vote of thanks to Pearl C. Rideout for this land which was given as a memorial to Mr. and Mrs. Lewis Rideout. Seconded. Carried with the amendment.

ARTICLE 22. — Motion by Robert Fiero to authorize the Selectmen to apply for, contract for, and accept aid relative to disaster should the need arise. Seconded. Carried.

ARTICLE 23. — Motion by Fred Gemmill to specifically accept and discontinue the dedicated right of way on the north branch of the Blood Crossing Road from the Nashua - Hollis line to the foot of the Farley Farm driveway, approximately 150 feet. Seconded. Carried.

ARTICLE 24. — Motion by Fred Gemmill to discontinue the road leading from No. 137 South Merrimack Road easterly: long known as Glover Lane. Seconded. Carried.

ARTICLE 25. — Motion by Dick Walker to authorize the Selectmen to appoint a Sexton rather than have him an elected official. Seconded. Carried.

ARTICLE 26. – Motion by Charles Johnson to accept this article, namely:

Whereas, under the provisions of Section 8 of the U.S. Housing Act of 1937, as amended, the United States of America, acting through the Secretary of Housing and Urban Development, is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make payments to owners:

NOW, THEREFORE, be resolved by the TOWN MEETING of the Town of Hollis, N.H. as follows:

That the New Hampshire Housing Commission be authorized to operate in the Town of Hollis, N.H. That said New Hampshire Housing Commission is authorized to sponsor a project, under Section 8 of the U.S. Housing Act of 1937, as amended, for any of the following dwelling accommodations or a combination thereof: (a) existing standard housing; (b) rehabilitation housing; (c) newly constructed housing; the total amount of the foregoing not to exceed 20 dwelling units. Seconded. After much discussion a standing vote was taken. YES 113. NO 61. Carried.

ARTICLE 27. – Motion by Clarence Howe to authorize the trustees of the Trust Funds to transfer the Charles Nichols Legacy created in 1929 for the care of the Public Square to the present Nichols Fund for investment purposes. Seconded. Carried.

ARTICLE 28. – Motion by Phil Brickley to authorize the Trustees of the Trust Funds to transfer the Hollis Historical Society Funds to the Society to use at its discretion. Seconded. Carried.

ARTICLE 2. – Motion by Dick Walker to accept the budget as printed with the addition of \$500.00 for the Dump, \$500.00 for Street Lighting, \$3,100.00 for the track, and \$500.00 for a bicentennial celebration. Seconded. Amendment by Jack Boyd to delete the \$3,100.00 for the track. Seconded. Standing vote on this amendment. YES 85, NO 49. Amendment by Clarence Howe to delete \$8,000.00 from the budget for Town Dump & Garbage Removal. Seconded. A ballot vote on this amendment. YES 48, NO 94. The budget was accepted as printed with the addition of \$1,500.00 as voted in the amendments.

ARTICLE 29. – Motion by Roland Schellenberg to adjourn this meeting. Seconded. Carried.

The meeting was adjourned at 11:40 P.M.

A true copy of record – attest  
Bertha E. Duncan, Town Clerk

**SPECIAL TOWN MEETING – JUNE 10, 1975**

The assistant Moderator, Warren Towne, opened the polls at 7:00 A.M. for voting which continued until 7:15 P.M. The vote was announced at 9:15 P.M. and the meeting adjourned.

805 Ballots cast      1859 on checklist

**ZONING ORDINANCE**

**1. Zoning Map and District Amendments**

A. Are you in favor of adopting the following changes to the official Zoning Map, Section 1A Zoning Map and Districts proposed by the Planning Board?

- 1) Enlarge District 2 – Agriculture and Business on the north side of Ash Street and Proctor Hill Rd.
- 2) Enlarge District 7 – Town Center as shown on the revised Zoning Map.
- 3) Add a new District 10 – Water Supply Conservation Area.
- 4) Revise District 9 – Wetland Conservation Areas by adding Amendment No. 1 dated December 5, 1974 to the Wetland Conservation Areas Map.

**YES 442      NO 328**

B. Are you in favor of adopting the amendment proposed by the Planning Board to enlarge District 4 – Industrial by adding a new area west of Runnells Bridge Road (Route 111)?

**YES 451      NO 323**

**2. General Zoning Ordinance Amendment**

Are you in favor of adopting amendments to the following sections of the Zoning Ordinance as proposed by the Planning Board other than the amendments to be voted on separately?

**SECTION II Definitions**

Para. 13 Public Rights-of-Way

**SECTION III General Provisions**

Para. 5 Signs

Para. 12 Vehicular Access

Para. 13 Exterior Lighting

**SECTION IV District 1 Residential and Agricultural**

Para. 6 Residential Buildings

Para. 7 Setbacks

Para. 9 Backland use for single-family dwelling-setbacks

Para. 10 Planned Unit Development

SECTION V District 2 Agricultural and Business  
 Para. 3 Setbacks and Parking  
 SECTION VI District 3 Recreational  
 Para. 2 Single Family Dwellings  
 SECTION VII District 4 Industrial  
 Para. 5 Junk Yards and Outside Storage  
 Para. 6 Building Lots  
 SECTION VIII D District 9 - Wetland Conservation Areas  
 Para. 1 General

Are you in favor of adopting amendments to the Site Plan Review Ordinance to clarify data to be submitted under Section 1, Para. 8 and to add Section II Procedure as proposed by the Planning Board?

YES 360 NO 363

**HISTORIC DISTRICT ORDINANCE**

**9. Historic District and Regulations Amendment**

Are you in favor of adopting the amendments to the Historical District which enlarge the district and include the Business and Agricultural District within the Town Center and other revisions to the Historical District Ordinance as Proposed by the Planning Board and the Historic District Commission?

YES 412 NO 359

A true copy of record - attest  
Bertha E. Duncan, Town Clerk

## SELECTMEN'S REPORT 1975

As we review the year 1975 in Hollis, it becomes apparent that much progress was made in all areas. The pressures of the recession and double-digit inflation were felt here as throughout the country and certainly concerned us all. As the year drew to a close, with an improvement in the economic climate and a decrease in the rate of inflation, our efforts to improve town services, at the least extra cost, appear justified.

Certainly an era ended at Town Meeting in March '75, with the retirement of our long time friend and department head, Charles Dow. The Town, aware of the additional cost of upgrading the highway system, is most pleased with the leadership shown by new road agent, Roy Wilkins, in meeting this challenge.

A new problem arose this year with the phasing out of area ambulance service. As so many times in the past, townspeople have risen to the occasion and are training to staff and operate a town owned ambulance for emergency service at no cost to the person to be transported. As of this date over \$7,000 has been donated towards equipping the Navy surplus vehicle. All this is being done under the primary direction of the Hollis Fire Dept.

The new Capital Needs Committee, Arthur Krulik, Fred Pitman and Charles Sipe, have set up on a priority basis, a 7 year capital improvements program for the town of Hollis. Mention is made of this elsewhere in the Town Report. In '76 the sum of 9,000 is being asked to install a new heating system in the Town Hall. (+\$2,000 for office furniture for the town offices.) This year, 1975, the entire wiring system for the hall was updated and improved in conjunction with the construction of the new

Selectmen, Tax Collector, Town Clerk and Committee offices. The Hollis Women's Club has embarked on an ambitious program of fund raising to renovate and redecorate the upper Town Hall.

The Town Map program is approaching completion under the eagle eye of project head Austin Chandler. The Selectmen are continually amazed at Mr. Chandler's total commitment to this task. The unremitting efforts of Fred Gemmill, Jeff Smith and many others have given Austin much information needed to fill in the remaining property lines.

The visit to Hollis on the evening of February 7th, 1976, of President Gerald Ford at the Bicentennial Ball was a fitting climax and a never-to-be-forgotten evening for the Board of Selectmen and all the townspeople present.

The Board reports that as '75 drew to a close the total value of assessed property had increased this year from \$31,892,595. to \$36,502,315. This represents a net gain of \$4,609,720. and kept the increase in the tax rate to \$1.50 in raising the budget increase for '75 of \$219,603.39. We were not encouraged by the sparse attendance at both the school and town budget hearings February 3, and 4, 1976. We sincerely ask for a much more comitted input by the taxpayers in the budgetary process in the ensuing year.

Frank Whittemore, Chmn.  
Richard Walker  
Philip Mercer, Sec.

Board of Selectmen

## VITAL STATISTICS

## BIRTHS

Date, Place of Birth, Name of Child, Name of Father,  
Maiden Name of Mother

### 1974

## REPORT OF HEALTH SUPERVISION 1974-75

### School Physicians

Frederick B. Berrien, M.D., John Vore, M.D.

School Nurse: Inez D. Morrison, R.N., B.S.

Health Aide: Dorothy Thistle, R.N.

Physicals done:	431
Defects Found:	
Eyes	2
Genito-urinary	8
Neurological	3
Allergy	1
Heart	7
Orthopedic	11
Dental	3
Ears	5
Skin	7
Circulatory	2
Gastro-intestinal	4
Tuberculin Tests	170
Chest X-Rays	2
IMH Prophylaxis	1
Mother-daughter Cancer Detection Program	45

### REPORT OF SCHOOL NURSE-TEACHER

Vision Tests		548
Defects	17	
Hearing Tests		587
Defects	8	
Heights and Weights		717
Head Inspections		530
Dental Screenings		77
PSVS		106
Referred for follow-up	1	
PSHS		110
Referred for follow-up	9	

## COMMUNICABLE DISEASES

Strep throat	19
Ringworm	1
Impetigo	2
Pinworms	2
Pediculosis	7
Chicken Pox	19
Other follow-ups:	
Heart	1
Blood sugar	1
Skin rash	1
Nose	1
Neurological	1
First Aids:	4260

### TITLE I

1974 – 1975

#### SUPERVISORY UNION NO. 41 AND NO. 40

Allocation:		
Amherst		10,099.00
Brookline		3,474.00
Hollis		10,184.00
Milford		18,317.00
Mont Vernon		554.00
Total		<u>\$42,628.00</u>
Expended 1974-75:	33,088.60	
Committed	<u>3,086.19</u>	
		<u>36,174.79</u>
Balance		\$ 6,453.21*

\*An estimated carryover in the amount of \$2,556 is to be used in 1975-76 primarily due to late notification of additional funding.

## SYNOPSIS OF HOLLIS SCHOOL DISTRICT MEETING

MARCH 3, 1975

The Hollis School District held its annual meeting at the Walters Auditorium with approximately 300 in attendance. Moderator Hammond called the meeting to order at 8:00 P.M. with the reading of the call of the warrant and introduced the school board, school administration, budget committee and checklist supervisor. Invocation was given by Reverend George Faul, Hollis Congregational Church.

1. Voted to act on this article with Article 7.
2. Voted to accept all reports as printed in the School Report.
3. Voted to pass over this article without action.

4. Voted to authorize the School Board to make application for and accept on behalf of the School District any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

5. Voted that the School Board continue studying the feasibility of the N.H. Educational Voucher Plan as it would apply to Hollis, and make a recommendation to be voted on at the annual school district meeting in 1976.

6. Article to raise and appropriate the sum of \$7,927 to hire a physical education teacher for the Hollis Middle School was defeated by voice vote.

7. Mr. Lutz moved that the district raise and appropriate the sum of \$1,521,460.09 for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of the statutory obligations of the district. Seconded. Voted by voice vote.

8. The motion to adopt the articles was declared by the moderator to have been adopted in the affirmative. On a motion from the floor, duly seconded, the meeting was recessed at 10:10 P.M. until after the close of the balloting on 3/4/75.

A true record attest:

W. Boyd Weston,  
Clerk  
Hollis School District

## ADMINISTRATIVE REPORTS

### REPORT OF THE SUPERINTENDENT

As the people of the United States celebrate the Bicentennial, one is prompted to recall those historical moments which left an indelible mark on the course of events that followed. In the main, the emphasis has been on political and military activities of the Revolutionary Period, which is in keeping with the spirit of the celebration. However, while it is true that the nation owes a great debt to those patrons who espoused the cause of liberty, there were social movements which should not go unobserved, even though they occupied a small segment of public involvement at the time they surfaced and continued to grow. It is probably due to the fact that social movements develop through the years, and depend upon the contributions of many, that they cannot have the same immediate impact as other happenings which tend to occupy smaller, concise, easy to identify, compartments of time.

The education of young people has been a concern through the ages, and occupied the attention of our earliest settlers. In 1642, the Massachusetts colonial legislature enacted the first compulsory education law in America. The law provided that "the selectmen in every town shall have the power to take account of all parents and masters as to their children's education and employment... They (the selectmen) are to see that the children can read and understand the principles of religion and the capital laws of the country..."

The faith in education held by the colonists has grown firmer as the years have gone by. It has endured wars, depressions and other upheavals, and has always moved to greater heights. It has been buttressed by two beliefs: (1) that the welfare, progress and perpetuity of society are determined largely by the education of the people, and (2) that the individual can best realize his potentialities in happiness and accomplishment through education.

Compared with the initial thrusts of our forebears, education today can be compared with the largest industries, costing about 110 billion dollars in 1974-75 for elementary and secondary schooling. The one-room school house long ago gave way to more complex organizational forms and an increasing number of individuals are acquiring more than a secondary education. The idea that a college education is terminal has been dissipated; continuing education programs are available to all, regardless of degree status.

However, to state that education has reached a stage in development that places it beyond the pale of criticism is to deny the fact. In addition to increased spending at state and local levels, the federal government has funded massive programs during the past two decades. Panaceas in some cases have become pancakes -- all of the effervescence and exuberance that was so manifest when certain programs were undertaken having disappeared or otherwise evaporated. Critics not only have consisted of the laity, but professionals as well, leaving the man on the street breathless and wondering to where it will eventually lead.

In consequence of the growing concern for the manner in which public monies are being spent, steps are being taken by school boards, administrators and governmental bodies to find ways and means of being able to relate the expenditures for education with its outcomes. Essentially, we will have to address ourselves to what we are attempting to teach, to whom and why; the instructional approaches being used and why; and, to what degree we are succeeding. Because educating the young is not an exact science, the process will take time and will require diligence on the part of teachers, administrators, school boards and the general public. Results will not always be immediate, nor will the outcomes in one school district necessarily point the way to another.

To the end of developing better procedures and reporting practices, your school board and school administrators have formulated objectives and goals for the individual school as well as for the district. In turn this will lead to new budgetary procedures which will reflect specific program costs as opposed to the more traditional budget format which groups expenses by function rather than by program.

For those of us who will not be here two hundred years from now, it is very unlikely that the critics of education will have been put to rest. Whatever the concerns might be, it is predictable that there will be commentaries -- pro and con -- as long as there are people who care about the education of the generations to follow. As we no longer express much interest in the "Old Deluder Satan Act", passed by Massachusetts in 1647, we hope that these things that occupy our minds now will have been in some measure, if not completely, resolved. It would represent progress, no matter how slow.

## HOLLIS ELEMENTARY SCHOOL

The 1974-75 school year has been extremely rewarding in many ways. Several new programs have been developed for both pupils and parents.

We've had very few staff changes this year. Our only changes have been the transfer of Lorraine Cadwallader from sixth grade to second grade, Martha Cray from second grade to the Learning Center, and Wendy Lehmann who works in Learning Disabilities as a replacement for Cynthia McDowell, who is on maternity leave.

We hired Myra Krulik as an aide to replace June Burns and Candy Noyes to fill the new aides position approved in last years budget.

In late January, ten elementary staff members participated in Dr. Thomas Gordon's Teacher Effectiveness Training Course. This was offered by Gary Miller in a series of ten three hour sessions. The course introduced teachers to ways of working with children in a manner that would create less conflict between pupil and teacher by making the child part of the planning process.

Ellie Harriger, Physical Education Teacher, organized another very successful gymnastics show. The youngsters worked very hard and made great gains over the course of one year in their gymnastic abilities and showmanship. This is a real tribute to the instructional ability of Miss Harriger and the rapport she has developed with the students.

Miss Harriger has organized an after-school intramural program for the elementary school pupils. It is broken into three twelve week sessions and offers various choices of activities in each session. When students signed up for the two day gymnastics program we were faced with 125 youngsters. Since it was impossible to handle this number of youngsters in the two scheduled sessions, Miss Harriger redesigned her daily program to include gymnastics in the lower grades.

The fifth grade Civics Club was very active this past year in providing services for the community and the school. The Annual Hollis Clean-Up Day was coordinated by the youngsters working with the Hollis Woman's Club and Jeffrey Smith. The youngsters arranged for trucks for each route, solicited donations for food, handled advance publicity and made arrangements for disposal of trash at the dump.

The fifth graders were responsible for the developing of a yearbook, which was sold to elementary students. A special thanks to James Hawkins for taking pictures for the yearbook.

The yearbook will be printed again this year but the students ran a Christmas Fair to earn money for every student to have a free yearbook.

The youngsters organized the Christmas Fair, made articles to sell, developed games, contacted parents for food, plant and flea market materials for their respective tables. The Hollis Congregational Church donated plants and articles for the youngsters' tables. The fair was very successful as the students made \$614.00. A special thanks to all the parents who worked with their youngsters, to Jeanne Smith and John Coleman for their assistance, and especially to Carole Aliskevicz, Terry Berthelette and Jane Savage for making the fair so successful.

The Civics Club presented a black and white portrait of Jeffrey Smith to the school which was hung in the school library. The picture was donated by Arthur Whitty and the frame and gold name plate were given by the students in appreciation of all the help Mr. Smith has given them. Ann Squires presented the picture at the town's special Jeffrey Smith Day ceremonies.

The Civics Club has continued the program of having classroom teachers select a student and citizen of the month. Each student selected receives a printed certificate and their names are posted in the Library.

After reviewing many math programs the staff and administration selected the Scott Foresman math program. A one-day workshop was held to train the teachers in the process of using the math program. Texts were purchased for grades one through three and will be purchased for grades four and five next year. This new program has more drill on basic facts, units on money and introduces metric measurement.

During the summer work was done on the Social Studies and Science curriculum. The elementary staff worked with the Middle School staff to coordinate the Science and Social Studies into a continuous program from grade one through eight.

A new program has been developing very nicely under the watchful eye of Martha Cray. The Learning Center is located in the library and serves the needs of her thirty five youngsters and those who visit the Learning Center.

The program was developed to meet the needs of youngsters who were achieving well in standardized testing, have above average potential and receive the support of the classroom teacher through a written recommendation.

Miss Cray talked with parents and students to develop an individual program for each youngster. The youngsters meet one full morning per week with Miss Cray to work on individual projects.

Some of these students have shown a tremendous change in attitude toward school and have developed excellent projects.

Miss Cray will be training parent volunteers to develop Creative Writing Centers for use in the classrooms to assist in developing writing and language skills in all grades.

Mrs. Helene Ring, Guidance Counselor, has worked with small groups, individuals, and classroom groups in counseling sessions. Mrs. Ring held a series of meetings with parents to discuss ways of more effectively dealing with their children and exposed parents to a better way of communicating with their youngster.

A very active group of parents has helped in establishing a parents of Children With Special Needs Group which meets on the second Tuesday of each month. The group provides speakers, and other programs to help in providing education to the community and provide support for parents of all youngsters who have special needs.

A special thanks to all parents for their support through the volunteer program and especially to Jane McAllister and Nancy Dunbar the Coordinators of the Hollis Area School Volunteer Program.

The remainder of the elementary report was prepared and written by Nancy and Jane.

For many years townspeople have been volunteering in the Hollis schools. The earliest volunteering was done in the hot lunch program. In the fall of 1972, Gordon Bean, Elementary School principal, worked with Marge Navaroli to establish a diversified and expanded school volunteer program. Mrs. Navaroli coordinated area chairmen who were responsible for various types of volunteering. This system has been continued.

During the school year ending June, 1975, two coordinators organized twelve chairmen who were responsible for volunteers in the following areas: Elementary hot lunch (59 vols), Middle School hot lunch (21 vols), High School hot lunch (20 vols), Elementary classroom tutors and aides (18 vols), Middle School tutors (7 vols), High School tutors (8 vols), Elementary and Middle School library (24 vols), Elementary music (2 vols), Elementary nature walks (26 vols), Elementary and Middle School physical education and art (12 vols), Elementary and Middle School room mothers (22 vols), weekly school Bulletin (19 vols). Many volunteers served in more than one area, but a total of 165 individuals contributed 5,967 volunteer hours to our schools.

Volunteers had an opportunity to learn as well as to offer service. Teacher workshops were open to active volunteers. Staff members were encouraged to share ideas and materials with the volunteers.

The Hollis Area Volunteer Program is part of the New Hampshire School Volunteer Project. Local volunteers took part in regional workshops. The two coordinators attended meetings at the state level with other volunteer coordinators, as well as meeting regularly at the district level with the superintendent.

We are pleased with the acceptance by both town and schools of the efforts of the school volunteers. In 1976, we look forward to recruiting volunteers from an ever-widening circle of townspeople. This includes residents who may not have children in our schools, but who certainly have an interest and much to offer. We plan to expand our community resource file of persons willing to share at school their special talents and experiences.

Believing that volunteer activity enriches the educational experiences of our children, and that involved citizens are best informed, we continue toward the goal of public education as a cooperative community effort.

## HOLLIS MIDDLE SCHOOL

The Hollis Middle School concerns itself with the following functions:

(1) Build the curriculum from the Hollis Elementary School program and continue to offer a general program of education.

(2) Provide the students with exploratory opportunities to meet the challenge of their widening range of interests and to serve as guides to career pursuits.

(3) Prepare students for the more specialized program of the senior high school.

(4) Promote, develop, and nurture individual differences and provide an educational structure to meet these individual social and scholastic needs.

During the summer, James Hawkins, Carl Shaw, Charles Twichell, Michael Gormalley, Lillian Lund and Debra Hardy reviewed the Science and Social Studies program, with members of the Hollis Elementary School staff. The purpose was to study and restructure the curriculum, providing for continuity in grades one through eight.

The present school year opened with the return of four teachers from leaves of absence, Mary Lou Jackson, Debra Hardy, Lillian Lund and Louise Rankins. New staff members include, Paul Russo, grade 6, Francis McSweeny, math-science grade 7-8, Mary Jenkins, Learning Disabilities, grades 6-8. In November, Joan Crooker was hired to replace Carol Angle, teacher in grade 6, who resigned due to her husband's transfer.

The Hollis Middle School is committed to the operation of a comprehensive, after-school sports program. The program has been organized by Miss Eleanor Harriger with assistance from classroom teachers. It has been designed to achieve maximum student participation, varying from 65 to 125 students per week, depending on the activity. The Brookline School Board has provided a late bus, enabling their students to participate. Our sixth and seventh grade students attended a week long conservation camp at Camp Union in Greenfield, N.H. and Ocean Park, Maine. The sixth graders were scheduled to attend camp with the Brookline sixth graders thereby, assisting the transition process for the Brookline students. They explored the inter-relationship of the forest, field and water communities. The seventh graders were asked to draw similarities and differences between the fresh water environment with the salt water environment found at Ocean Park.

As a result of Title II funds the school has acquired materials in the area of Career Education. The History and Humanities Depts. have expanded their units in Career Education to utilize these materials.

The Home Economics Dept. has been expanded to allow one class of boys cooking, while the Shop Dept. has included one class of girls shop. To be in compliance with Title IX, we must offer these courses without regard to sex, next year.

The Physical Education Dept. has modified its curriculum to allow each student to select from a variety of activities during each trimester. This change has been extremely successful.

The Science Dept. has included in its curriculum, units in health education, to comply with changes in the State Dept. of Education requirements.

We have been fortunate, to receive a grant from Title VI, to hire a full time music teacher. This action has improved the music program at all three schools, making more time available for the elementary and high school teachers, at their respective schools.

Mrs. Helene Ring has organized tutors from grade eight to assist at the elementary school. This program has been highly successful for both schools.

We have expanded services available to students, with learning disabilities, Mary Jenkins has set up training sessions for volunteers. Her organizational ability has been a tremendous asset to the students.

Mrs. Wilma Sherman has been responsible for a program, set up to provide opportunities for our "gifted" students. Programs are planned to provide challenging experiences beyond their course work requirements, for these students.

We would like to thank all the volunteers for their help. So much more was accomplished by the generous contribution of their time.

## HOLLIS AREA HIGH SCHOOL

The enrollment at Hollis Area High School on December 31, 1975 was 456 students, distributed by grades as follows:

Grade 9 . . . . .	132
Grade 10 . . . . .	127
Grade 11 . . . . .	95
Grade 12 . . . . .	102

There were 141 tuition students from Brookline and 1 from Nashua. The High School student population increased by approx. 13½%, largely due to the difference of the graduating class and the larger incoming Freshman class. However, there are an increasing number of families moving into the school district and many students enter school at different times during the school year.

Two new teachers were added to the High School staff to meet the needs of students, one additional teacher in mathematics and one in science. A library media assistant, Dan Wallace, made possible via a TITLE VI federal grant is presently employed, primarily concerned with audio-visual materials and equipment.

New teachers and their areas of responsibility are listed as follows: Mr. Erik Crisman (Keene State) was added to the science department and teaches biology. Miss Armato (UNH) teaches geometry in place of Miss Bunnell, who resigned to teach near her husband's residence in Groveton, N.H. Miss Carnahan (UNH) replaces Mr. Flewelling in Music, who resigned to enter a pre-med program at the Univ. of Toronto. Mrs. Amaya has recently resigned to transfer with her husband to Iran. She will be replaced by Mrs. Silva (Sacred Heart Univ. Conn) 3 years experience at Nashua High School, who will assume her humanities classes.

High Schools in the New England area are evaluated once every ten years for purposes of accreditation, and on May 5, 6, 7, 1975, a team of 24 teachers, administrators, counselors, and state department educators visited the school. The three day visit culminated a 2 year preparation period and resulted in one (1) lists of commendations, (2) lists of recommendations for improvement, and (3) a recommendation for accreditation to the New England Association of Schools and Colleges. The evaluation report will be published in its entirety by the Nashua Telegraph. The N.E.A.S.C. has voted to award the High School a 5 year accreditation status, and upon successful completion of a two and five year report, accreditation will be granted for another five years. The five

year status awarded to Hollis was above the average status granted by the N.E.A.S.C., and further, the evaluating team was highly complimentary concerning the atmosphere for learning at our school. Of course, improvements are still needed and lists of recommendations were given - many of which have been implemented at the present time. The report was also complimentary to our support services, such as the custodial and kitchen staffs and to our secretaries and aides, and to the town in general for its financial support to the school system.

The Curriculum has been strengthened through our use of the Nashua and Milford Vocational Schools. Two students are presently going to Milford part-time and more travel to Nashua in the afternoons to take courses not offered in our curriculum.

The Humanities program most obvious change is evident in SPILE Magazine. This program has been so successful that humanities teachers have given workshops throughout the N.E. area. Electives in geography, religion and art, as well as courses in writing and literature have been added. The mathematics program has added consumer and industrial math, and probability for college students. The science curriculum now includes environmental courses, health and first aid, and additional sections of chemistry and physics. The music program staged a musical, "BYE, BYE BIRDIE" in cooperation with the humanities staff and much support from the townspeople. The program was well-received by everyone, especially the participants, and offered a new experience to many of our students.

Our work experience and intern programs continue to provide off-campus experiences to our students that help them gain perspectives not available in the classroom.

The athletic teams continue to be highly competitive, with Track teams taking 3rd in X-Country, 5th in Winter Track, and 3rd in Spring Track at the State Meets. The soccer team played their best games against the best teams but missed a tournament berth. Both boys and girls basketball teams played in the state tournament, and the J.V. boys enjoyed a tremendous undefeated season, coached by Charles Twichell. Girls J.V. basketball has been added to the program; field hockey will become a varsity sport next year and individuals are again expected to compete for the state tennis championship. The athletic program continues to provide healthy experiences for a large portion of our student body and contributes to high student morale, however, we are becoming concerned with our ability to be competitive due to the discontinuance of interscholastic sports at the middle school.

The "white building" is used increasingly as our student population grows, and it was critically viewed by the evaluation committee. The building either needs to undergo major surgery or should be laid to rest with proper dignity. It has served the town well in the past, and could do so again. It would be a great idea to go back to the good old days and have a "barn raising," where the townspeople could get together for a period of time and with the proper donation of time and materials the "white building" could be restored to proper cure.

On Thursday evening, June 12, 1975, 81 seniors graduated on the front lawn of the high school. The welcome speech by Senior Class President Diana Saunders initiated the ceremony. The Salutatory Address by Kathryn Moody and the Valedictory Address by Timothy Ballard were well received, as they dealt with the responsibilities of young people. Former faculty member John McLaughlin delivered the Commencement Address. The awards and honors earned by the graduating class follows:

#### GRADUATION AWARDS – 1975

D.A.R.	Susan Lynn Gondola
John H. Hills Class of 1968	
Memorial Scholarship Award	Timothy Ames Ballard
Keene State Honor Scholarship	Donna Sullivan

## REPORT OF THE SCHOOL NURSE

Due to the rapid increase in school enrollment, it is becoming more and more difficult to provide total health evaluation and followup of all students, or to anticipate their health needs. However, Mrs. Thistle and I are continuing to emphasize preventative medicine and early identification of variations from the norm of good health. This year's program has been expanded to include Scoliosis Screening of all children in grades 5-8. Several children have been referred to private physicians. Some needed further follow-up and minimal care, which is being provided by their physicians. Others will be watched for any further change in their conditions. Hopefully, this early identification will eliminate the possibility of a serious problem in later years.

The incidence of communicable disease has been greatly reduced, possibly due in part to the State's regulation governing comprehensive immunizations of all in-coming first graders. Those of us who remember diseases like polio and measles and their complications can really appreciate the value of this move, and the freedom from fear that it brings to today's parents. We continue to see cases of strep throat, "flu", colds, etc. but with proper identification and care, these will be kept to a minimum. The same thing is true of the parasitic diseases such as pediculosis or head lice.

Physical examinations are done by the School Physician on all potential interscholastic athletes, all 7th graders and 11th graders and are available to all in-coming first graders. Last year 391 physicals were done. Any deviations were referred to families for follow-up by the family physician.

Vision and hearing screenings are conducted on all children at the Elementary and Middle Schools and at the High School as time and equipment permit. Parents are advised of test results that are not within normal limits and are responsible for follow-up care.

Dental screening is conducted in the first grade by Dr. Frank Quaratiello and parents advised of the children's dental needs. Good dental health is encouraged at all elementary grade levels with special programs at grades 1, 3 and 4. Last year a new program was introduced into grade 4 by the State Dental Hygienists. The program depended on the cooperation of the students, their parents and the 4th grade teachers. Great emphasis was placed on nutrition, especially appropriate snack foods and the children participated in a tooth brushing program each day after lunch. The children seemed enthusiastic about the program and have, hopefully, established some good health habits that will be with them for years.

Health education continues, both formally and informally, in the classroom as well as in the Health Offices. Prevention and early identification will always be more valuable than the best treatment once a defect is established. The Health Department is continuing to provide students with the tools that they need to reach their optimum physical, mental and emotional well being. In this way we are hoping that each child will reach his or her full potential and lead a useful life.

Inez Morrison

School Nurse
