At the school meeting held in March 1914 it was voted to raise the sum of one hundred dollars to insert windows in the back part of school room and to improve the heating facilities of the South Newbury schoolhouse.

During the past year there has been two windows inserted in east end of school room, same size and lights like others already in use. Chimney taken down to where it was considered in good condition, there relaid with new brick. The walls of school room and entry have been painted, the ceiling given two coats of muresco, desks and seats newly dressed, floors oiled, one entire new funnel and the other new and old material repaired and inserted into the chimney independent of each other, one coat of paint on outside, south side and west end. Have used of the sum raised ninety-two dollars and eighty-eight cents (\$92.88) Balance unexpended at this date \$7.12.

We wish to thank Mrs. Mark Shultis for the eight new window curtains presented to the same school.
