IN MEMORY
OF
JOHN ANDREW GORDON

We, the Selectmen of the Town of Newmarket, respectfully dedicate this Town Report to the fond memory of John Andrew Gordon.

Mr. Gordon was appointed as a law enforcement officer of the Town of Newmarket in 1894 and appointed its chief in March, 1927 and each successive year until his retirement in May 1956. During these 62 years he fulfilled his duties with firmness but understanding. His memory will always be cherished by the people of Newmarket.

PROGRESS REPORT FROM THE OFFICE OF THE SELECTMEN

The Selectmen respectfully submit to the citizens of the Town of Newmarket, a summary of the projects that were undertaken during the past year.

The survey of the Industrial Park area was computed and a topographical map made giving all the characteristics of this tract of land, together with actual measurements. This project was a must if we are to attract new industry to our town, and the prospects seem to be quite favorable at this time.

The T. R. A. Funds were used to grade and resurface the unfinished section of New Road, approximately one mile.

Additional betterment money was obtained from the State of New Hampshire and used on Route 152 making substantial improvements in two different areas.

A new truck was purchased for the Department of Public Works from capital reserve funds. Bids for the truck were sent out and the contract was awarded to Great Bay Motor Company.

The middle avenue at Riverside Cemetery was graded in preparation for the hot top to be applied later.

Sidewalk construction money was made available this year and three different sections were completed.

Plans and specifications for the primary sewage treatment plant and sewer system are, at the present time, approximately ninety per cent completed and request for the

Federal Aid Funds have been approved and granted. Construction work should start early this spring.

Our regular meetings are held on the first and third Tuesday of each month. All meetings are open to the public and we welcome your attendance. We wish at this time to thank all the townspeople and town officers for their help in making the past year's work a more pleasant and gainful task.

Summary of Findings and Recommendations

February 9, 1966

Board of Selectmen
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, District Court, Trustees of Trust Funds and Special Sewer Construction Fund Account.

FINANCIAL STATEMENTS

Comparative Balance Sheets:
December 31, 1964 — December 31, 1965:

(Exhibit A-1)

Comparative Balance Sheets for the fiscal year ended December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$430,230.70 in 1965.

Analysis of Change in Financial Condition:

(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

	Increase in Net Debt	
Sewer Bonds Issued		\$497,000.00
	Decrease in Net Debt	
Bond Anticipation Notes Paid	\$60,037.50	
Net Budget Surplus	6,731.80	
	<hr/>	
		66,769.30
		<hr/>
Net Increase		\$430,230.70

Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$3,474.66, plus a revenue surplus of \$3,257.14, resulted in a net budget surplus of \$6,731.80.

Summary Statement of Receipts and Expenditures

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

Special Sewer Construction Fund Account:

(Exhibit H)

A statement of the activity in the special sewer construction fund account during the year is included in Exhibit H.

Statement of Bonded Debt:

(Exhibit I)

A statement of outstanding bonded indebtedness as of December 31, 1965, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus

The current surplus (excess of total assets over current liabilities) increased by \$6,731.80, from \$7,836.62 to \$14,568.42 in 1965, as shown herewith:

	12-31-64	12-31-65
Total Assets	\$181,416.29	\$582,505.41
Current Liabilities	173,579.67	567,936.99
Current Surplus	\$ 7836.62	\$ 14,568.42

Conclusion

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

We are happy, beyond simple expression, to report that perseverance in our search for a new source of water has borne sweet fruit. Drilling equipment was brought back to the gravel pit, owned by Mr. Robert Bennett, off the Lee Road with significant results; and 8 days of continuous pumping indicates that a well established in this area will produce one-half million gallons per day. All quality samples have been approved by the State Board of Health and Newmarket appears to have passed another milestone in its history.

Prospects of receiving a grant from the Economic Development Administration, which could reduce our costs by fifty percent, are bright; and the added revenue anticipated as a result of the increased water rates will permit extension of the mains without delay.

Land procurement and development will be our major goal for 1966.

Plans have been made to paint the water storage tank, located on Great Hill, during the coming spring.

Members of the Board of Water Commissioners appeared before the Committee on House Bill #486, in Concord, to protect the rights of the Town of Newmarket to waters of the Lamprey River. The Town of Durham, through this Bill, was attempting to legalize their claim to all the waters of the Lamprey River and its tributaries.

Marshalling forces with the Selectmen, the Planning Board and representatives of the Macallen Company, the Commissioners stated the case for Newmarket; and the united voices of speakers, municipal and industrial, was instrumental in having the House Bill returned to the House for revision.

We are grateful for the support provided by those already mentioned and to representatives of the Towns of Lee, Epping and Raymond for their interest and sincerity of expression.

We wish to extend our thanks to all Municipal units and individuals for the support extended us in the past year; it is vital to success.

Respectfully submitted

LIBRARY REPORT

We are pleased to announce that the Newmarket Public Library has become a charter member of the New Hampshire State Library Development Program.

The purpose of this program is to enable independent public libraries to work together voluntarily to provide better library services and resources for the citizens of the community.

Our membership makes it possible for us to purchase books in the most economical manner. A proportion of our local funds are deposited with the State Treasurer for this purpose. We are also entitled to centralized cataloging, for which there is no charge for this service. As an affiliated member, we are entitled to representation in the District Advisory Council. Our readers may have their borrowers cards validated when presented at any other state affiliated library.

It is with sincere appreciation that we acknowledge the gift of one-hundred dollars from the American Home Department of the Newmarket Woman's Club. This money will be used toward the purchase of a third metal book stack.

We wish to express our thanks to the Daughters of the American Revolution for their book gift.

Requested police escorts (bank emergencies)		58

Business buildings doors and windows checked, total of 144, checked twice at night. 251 found unlocked, 75 secured, 31 times the owners notified to secure them.

There was an increase of buildings found ensecured in 1965 over 1964. This shows that some of you businessmen have not cooperated with the police department after we have checked your property constantly and have alerted you to this fact. How about more cooperation in 1966?

The motor vehicle violations dropped slightly in 1965 over 1964. The crimes and offenses dropped considerably in 1965 over 1964 (22 per cent).

1965 was another good year as to the number of fire calls. This must be from the good home fire prevention programs. Let's hope this continues as cooperations like this helps to lower the cost of fire protection.

This year was another dry one and we had only 19 calls for brush and grass fires; the largest one being at the dump that burnt about one and a half acres of swamp land. Most fires are spotted immediately and damage is kept to a minimum. "Let's remember" a burning permit is always necessary and to obtain one call 659-3286 or 659-3216. This saves us a lot of time as all smoke is reported to us from the state fire towers.

This year we had two men attend the fire training school at Fitzwilliam, N.H. and one man that attended the school at Lily Pond at Lakeport, N.H. This year we paid travelling expense and entry fees; Previous years the men have paid this themselves. By doing this we hope to get more men to attend. They learn different phases of fire fighting as something new is always being added. We hold our training

meetings the first Wednesday of every month and the ideas the men get from these schools are practiced.

This year we bought 600 ft. of 1 1/2 inch hose, protective clothing, hose table and two hydrant gates. We have changed our techniques of hooking up to a hydrant and these were needed.

Let's not forget, if anyone has any ideas that will benefit the fire department; contact any one of the board of engineers as we want to maintain a good efficient department.

REPORT OF CIVIL DEFENSE

Your Civil Defense Director is happy to report that a shelter has been approved in the Macallen Company by the Army Corp of Engineers and the Civil Defense Director, Concord, New Hampshire. Previously spaces for 211 persons were available and emergency rations stocked. In 1965 a new survey was made by the Army Corps of Engineers and they increased the capacity of the shelter to 717 spaces. The Civil Defense Director of Concord has notified our local director that emergency rations for 717 persons will be stocked as soon as they are available.

The town hall will be used as the headquarters of Civil Defense. Applications are being made thru the Army Corp of Engineers for a hardened base (fall-out shelter). When these facilities are approved, the town will be eligible to receive matching funds (50-50) for all communications equipment; which will include the Fire Department, Police Department, and Highway Department.

Our aims for the coming year are to get this hardened base approved.

Respectfully submitted,

GEORGE HAUSCHEL

Civil Defense Director
