Selectmen's Report

Dr. Horton is a man of many accomplishments—when we were in need of pictures of the Town Library and the Honor Roll for the Town Reports he loaded his camera, turned down his ear flaps and braving the January weather returned with our cover picture of the Library and the inside back cover picture of the Honor Roll—many thanks. Katherine Wood, former librarian, has kindly furnished the interior picture of the Library appearing inside the front cover.

You will, no doubt, remember that last year's warrant, Article #15, raised \$100.00 for repairing the Honor Roll. This has been accomplished with a bronze plaque and although the appropriation was exceeded by \$80.00, the committee felt it the proper thing to do considering the permanent nature of bronze. Octave Laflamme, known to most of us as Joe, donated his services for setting the plaque in the stone monument. Joe is the same mason who built the fieldstone monument back in 1947.

THIS YEAR'S WARRANT

Articles #20 through #23, if approved, would provide \$1,795.00 as Randolph's share in building a new runway at the Whitefield Regional Airport. Towns in the area are being asked to contribute in proportion to their size and valuation. If everything goes as planned these new facilities at Whitefield will be capable of handling commercial flights of planes having 35 passenger capacity. Also more land is available should business warrant the use of larger planes. This is a "one shot deal" for raising money to match Federal funds for this new construction. All maintenance costs are being taken care of by the town of Whitefield. Good air transportation to our area cannot help but be a benefit to our town.

Considering the present lack of public transportation we feel you should give serious consideration to these articles.

Article #24—For a number of years we have, by means of Capital Reserve Funds, been holding money earmarked for "Swimming Pool" and "Parks and Playgrounds." It seems to us that the time has come to put this money to work. As you know, much progress has been made within the last year at the swimming pool and the general area turned over to the town by the Ravine House Committee. Contributions from a great number of people have made possible improvements at the pool and the near completion of an 8 acre lake. We feel that these Reserve Funds should be turned over to the Randolph Foundation to be used as the need arises for the swimming pool and the recreation area.

Emergency repairs for Grey Knob Cabin caused an overdraft of \$236.00. This would have cost the town more, but for a generous donation from Mr. and Mrs. Goetze. Other repairs are necessary and it was expected to ask for an increase in the appropriation, however through the efforts of Mr. Goetze and the resulting generous contributions received the work will be accomplished without an increase in town appropriations. It is felt the usual amount of \$200.00 will be sufficient this year.

An overdraft of some \$600.00 makes the usual appropriation for the Fire Department seem a bit out of place. Last year was unusual in that a prolonged drought brought on a fire ban and the resulting patrolling along with more than the usual number of fires for the year greatly raised costs. However the State will be reimbursing the town for a good share of this. We expect the coming year to be more normal and feel that the usual \$300.00 will suffice.

CHANGES IN OWNERSHIP

Mrs. Belle McClintock to Mr. Heywood Alexander
 Mrs. Harris to Mr. and Mrs. Hershner Cross
 Mrs. Nona Lane to Mr. Stephen Weston
 Mr. Willard Kelly to Edgar and Cecile Palmer
 Mrs. Caroline Harris to Mr. R. Ammi Cutter
 Mr. Fred Corrigan to Mr. Robert Corrigan

A sincere welcome, on behalf of the Town, to these new home owners and residents.

Improvements and additions to homes were made this past year by a number of year-round and summer residents. Among these are: Glenn M. Lowe, Curtis Bader, Heywood Alexander, Harvey Webster, Dr. Horton at the Nickerson cottage and A. L. Risley in converting the former Carlton Brook Teahouse into a summer home.

March 10, 1964 is Presidential Primary as well as Town Meeting day in New Hampshire. Randolph polls will be open for Primary voting from 9 a.m. to 1 p.m. Town Meeting will open at 10 a.m. and Randolph School Meeting opens at 11 a.m. It is hoped that as many as possible will remain for the School Meeting.

The Ravine House Property

It will be remembered from the Annual Report of last year that the land once owned by the Ravine House and bought for the Town by a number of individuals was divided into two parts and the part south of the highway conveyed to the Town as soon as possible.

On that part during the last year work has proceeded in the building of a lake, the dimensions of which will be just less than eight acres. The last shovelful of earth was laid on the dam in January of 1964, though early in the spring it may be necessary to do a little more filling and leveling in places where the frost will have left unevenness.

The lake will not be completed, however, until the dam has been given a cover of vegetation. According to the U.S. Soil Conservation Service, which has been assisting us with the project from the beginning, we shall need for this purpose ground magnesium limestone, fertilizer, mulch hay, and special seeding mixture. The water, it is expected, will be run into the lake in the springtime so that it may be enjoyed this summer, but the seeding operation may continue through August.

After the lake is finished there will be need to turn attention to the rest of the land south of the highway in order to convert it into a notable wildlife and recreational center. For this we shall need special gifts from individuals and others, and application has already been made by the Town to the appropriate U.S. department for financial aid.

Moneys already received and expended are recorded in a separate account. The attention of readers is directed to the financial report for the past year to be found on another page of this Annual Report.

This whole enterprise has received notice at the national level. Secretary Orville L. Freeman of the Department of Agriculture at a meeting of the State Extension Directors held in Washington on December 12, told of the department's teamwork and as one of three illustrations (the two others being from Wyoming and from Nebraska) spoke of the cooperation between the technical action panel of the Rural Areas Development Committee of Coos County with the Town of Randolph. The Town, he said, "wanted to convert 60 acres into a public recreation center with an 8-acre lake as a prominent feature. Public-spirited citizens put up the money to finance the venture without invading tax funds. Leslie Blaisdell, Soil Conservation Service, and his aides planned the recreation and wildlife facilities. S. C. S. supervised all engineering for the lake—from blueprints to actual digging. County Forester John E. Sargent, representing U. S. D. A.'s Forest Service, and other members of

the technical action panel helped in their specialities. Coos County Extension Agent Dwight G. Stiles, who also serves as secretary of the county R. A. D. Committee, provided consultant services. Things are looking up for rural America."

The Town of Randolph will undoubtedly be happy to contribute to this general improvement of rural America—especially if the federal government will cooperate in the little matter of financing already noted. The Town is indeed already greatly indebted to the men whose names were mentioned by the Secretary.

As for the land north of the highway, this is now in process of being turned over to the Randolph Foundation, which has lately been granted tax-deduction status by the federal government. The intention is to keep certain parts of this land intact, such as the area around the spring and possibly the level space on which the Ravine House once stood, and as soon as possible to sell the rest to individuals, so that it may yield taxes to the Town.

Report of Librarian

The capacity of the Randolph Public Library has now been established at about 2,500 volumes, of which adult fiction constitutes roughly 40%, non-fiction and juvenile book 30% each. In order to maintain this balance the collection must be weeded constantly, older books removed as new ones are added. This year 110 new titles were added and 99 old ones discarded.

Gifts were received from The Appalachian Mountain Club (the 1963 edition of the Guide to the White Mountains), Dr. and Mrs. Vaughan Dabney, Mr. A. L. Davis, Mrs. Allan Huntington, Dr. A. S. Pease, Mr. A. L. Risley, Mr. and Mrs. H. E. Rowley, Dr. Richard G. Wood, and the Home Demonstration Group of Randolph.

The following titles were added to the Randolph Authors shelf: "Impressions of the Vatican Council" by Dr. Douglas Horton; "Favorite Children's Stories from China and Tibet" by Mrs. Lotta C. Hume; and "Notes on the Botanical Exploration of the White Mts." by Dr. A. S. Pease.

Dr. Wood donated several items of historical interest: two pictures of old Gorham hotels; a map of Randolph with no date but probably made between 1860 and 1875; a Concord coach poster; and a Brady photograph of Thaddeus S. C. Lowe taken during the Civil War. These were all photostat copies of originals.

The catalog project continued along the lines laid out last year; the Home Demonstration Group donated 14 hours to making shelf cards for the non-fiction and the librarian completed the final catalog cards for the fiction and children's books.

The Library was officially open 50 hours for a total circulation of 457 volumes, an increase over last year of 25%. Thirteen families borrowed 162 books for winter reading.

Report of the Superintendent

FOREWORD

To the School Board and Citizens of the Randolph School District:

In the instructional area several new programs have been initiated in the Gorham schools. These programs include the Ungraded Primary System, classes for the intellectually handicapped and a third teacher in high school English. In the study process, that will last for two years, is a more modern approach to elementary arithmetic. All of these new instructional improvements tend to improve the quality of the teaching-learning process.

Budget and Warrant

Your budget as proposed by the School Board is recommended to be \$14,776.38. This represents an increase of \$281.30 as compared to a present operating budget of \$14,495.08.

The Warrant contains an article authorizing the District to raise and appropriate \$1,500.00 toward the existing Capital Reserve Fund for bus purchase. If approved, the amount in Capital Reserve would total \$3,000.00. Your School Board and I think it best to place definite amounts of money into Capital Reserve rather than unexpended balances. With a tuition budget it is difficult to estimate a June balance in January.

Our amount of balance last year was \$6,130.54. Of this amount, \$1,500.00 was placed in Capital Reserve. Our balance in June, 1964 could be \$5,000.00. The June, 1964 balance will be used to reduce the school tax assessment.

Tuition Contract

The School Boards of Gorham and Randolph recently concluded a three year tuition contract as authorized by the Districts last year. We expect State Board approval of the contract soon. In all probability, the State will pay for Randolph and Shelburne pupils attending the Area Vocational Program at Berlin.

Tuition rates for 1964-65 and the present rates for 1963-64 are listed below:

High School	\$470.00	\$445.00
Junior High	350.00	330.00
Elementary	270.00	313.00
Kindergarten	125.00	156.00

Enrollment

The Randolph School District had on January 30, 1964 the following distribution of pupils in Gorham Public Schools:

Kindergarten	0
Grade 1	2
Grade 2	3
Grade 3	2
Grade 4	1
Grade 5	2
Grade 6	2
Grade 7	4
Grade 8	5
Grade 9	1
Grade 10	2
Grade 11	0
Grade 12	3
	<hr/>
Totals on Jan. 30, 1964	27

One student is presently attending Grade 11 in Berlin High School.

Conclusion

The State of New Hampshire is going through an extensive reorganization program. This reorganization will be continuing for the next several years. Mounting costs and enrollments at local and state level have necessitated an emerging change in the state educational administrative structure. Most districts can visualize increased costs at the local level over the next decade. Randolph will find itself in the same position. This problem becomes more acute within an unstable economic environment.

Yours truly,

LEON J. LAKIN
Superintendent of Schools
