Fryeburg Rescue

The Rescue Unit has been in operation a full year now and we wish to make this report.

We have had some very rewarding experiences and some very sad ones.

A number of us have had the opportunity to work at least one six hour shift in the Emergency Ward at the Maine Medical Center and also at the Bridgton Hospital. Much valuable training has been obtained from working with the doctors and nurses on various cases.

The SMVTI is starting an Emergency Medical Technician course which we hope many of our members can attend. We are striving to have the best trained unit possible and the members are putting in many hours of their own time and money to get this training.

We have had a total of one hundred twenty-two calls this past year. Eighty-four in Fryeburg, fifteen in Lovell, twenty-nine in Brownfield, four in Chatham, and none in Stow. There have been approximately eleven hundred and sixty man hours spent on these calls. This being all volunteer time, we wish to thank everyone for the fine cooperation in keeping the calls within the Emergency nature.

We also wish to thank everyone who has sent donations to the Unit. This money is used to buy special equipment and supplies.

Respectfully submitted,

Roland Wiley, Captain Gerald Kiesman, Secretary

CHATHAM COMMUNITY LIBRARY

The Chatham Community Library has been open approximately three years. There are 16 family memberships at this time. Each family membership is \$1 per year. All work is voluntary. All donations and money from memberships and late charges goes for new books and supplies. The Town of Chatham voted to maintain and heat the building, which is used as a meeting place for other town activities as well as the Library. The Library is open every Wednesday from 1:30 to 3:30 P.M.unless there's a severe storm.

Many new books have been purchased and donated in the past three years. Many children's book were purchased with the Mildred C. Andrews Fund started by her daughter, Ola-Mae Wheaton and her son, Llewyn Dickey and their families and friends. Some were added through donations given in memory of Keat Chandler, Everett and Inez Eastman and Loren Andrews. Other new books were made possible with the help of the Mulford Fund in Fryeburg. Many of our new books are on regional history and crafts.

The State of New Hampshire Bookmobile from Littleton calls at the Library 4 times a year. All books in print are usually available on request. With the selections on the truck and what we have in our own Library, there should be something of interest for everyone who is interested in good reading and reference material.

While the interest in the Library has been good, the potentials could be much greater. Let's make 1973 a year to do more reading. Any questions? Call at the Library or get in touch with Sunny Pitman, Sharon Knox, Karen Cummings or Barbara Eastman.

Barbara E. Eastman, Librarian

REPORT OF THE FOREST FIRE WARDEN & DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A. M. and 5:00 P. M. unless it is raining, except for commercial pusposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires and acres burned - 1972 season:
