## · COMMISSIONERS' REPORT

---

To the Citizens of Grafton County :

Your Commissioners herewith present their report together with the report of the Treasurer, Auditor, Superintendent, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician, and Farm Bureau.

The total number of County cases taken care of at the Farm shows an increase of 1,052 weeks over the previous year. The inventory of personal property shows a slight increase of \$722.35 which makes the per capita cost of County poor taken care of at the Farm \$5.10 per week, which includes all expenses of hospital, doctor's fees as well as burial expenses.

Taking care of the poor off the Farm was handled by the State Relief Administration from July 1, 1933, to December 31, 1934. The total amount billed the County by the Relief Administration during this period, which is 25% of the gross cost, amounted to \$46,868.88. Upon checking these bills we found discrepancies on cases which apparently did not belong to Grafton County, reducing this amount to \$43,501.68 which made a saving to the County of \$3,367.20.

The taking care of the County poor off the Farm was returned to the County Commissioners January 1, 1935, the total cost of which was \$148,977.57, which only includes eleven months as it was impossible to include December expenses, with the exception of salaries and expenses paid to investigators and clerks, which is for twelve months. Of the above amount the State of New Hampshire reimbursed the County covering expenditures for the first ten months in the amount of \$66,052.87, leaving a net amount of the County charge \$82,924.70, and as the number on Relief continues about the same it is estimated that 1936 expenses will be in the same proportion.

On June 11, 1935, the Delegation authorized a bond issue of \$20,000 which was estimated to be 50% of the cost to build and equip an addition to the jail, providing that the Federal Government would make a grant covering the balance. In September we were advised that the Federal Government would not make a grant of 50% but if the County would authorize an additional expenditure of \$6,500, making a total of \$26,500, that it would be possible to get a grant from the Federal Government for the balance. This, however, we have never been able to get. In view of the fact that the jail has been over-crowded for the last three years, it is the recommendation of the Commissioners that the County should make the addition as originally planned, bearing the total cost of same, as we believe this is more economical than boarding prisoners in other jails, which is what will have to be done.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews, Superintendent and Matron, and all other employees for the faithful and efficient manner in which they performed their duties.

The Commissioners further wish to extend their thanks to the various County and Town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted,

GEORGE A. PUSHEE,  
FRED PARKER,  
JOHN GADD,  
Commissioners.

Improvements have been continued during the past year. The early spring months were given to re-building the cottage destroyed by fire in December, 1934. The old building was replaced by a two apartment house which, it was thought, might meet the requirements of the future.

An outside coat of paint was applied to the three cottages, and several rooms in the farm house received a much needed renovation.

Work on the pastures was continued, and some time and labor was employed to repair damages caused by erosion. Inmate and House of Correction men furnished a greater part of this labor.

The farm records, as in late years, have been kept with Ross Wilson's kind assistance, and considering poor crops, made a fair showing.

As in the past, we have been well remembered by gifts of candy, magazines, flowers and many other articles for the use of the family. All have been much appreciated and thanks are extended to the donors.

Thanks are also due the Commissioners, Physician, Chaplain and Employees for their aid and co-operation during the year of 1935.

Respectfully submitted,

J. EARLE ANDREWS, Supt.  
ANNE M. ANDREWS, Matron.

---

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1935, and find them correctly cast and properly vouched.

GEO. A. PUSHEE,  
FRED PARKER,  
JOHN GADD,  
Commissioners for Grafton County.

## CHAPLAIN'S REPORT

---

To the Commissioners of Grafton County:

Greetings:

When a young minister was puzzled in a given situation as to what to say, an elderly minister said, "Say a kind word for Jesus." To say a kind word for Jesus in the chapel, the home and the jail has been the privilege of your servant. With what eagerness the message has been received. Truly, "Man does not live by bread alone."

Every other Sunday afternoon during the year we have had worship services in the chapel. These services have been planned so that all could participate in singing, reading of responses and in saying the Lord's Prayer. We have our own little choir that sings with joy and occasionally they give special numbers. The object in these services has been to make them their services with their own participation and expression. Our friends respond gladly.

After the worship service pastoral calls have been made in the hospital and the home of the aged. Who doesn't delight in the call of a friend? How eagerly they have received my calls and welcomed a comforting word and a personal prayer in their behalf. "More things are wrought by prayer than this world dreams of."

"Grow old along with me. The best is yet to be,  
The last of life for which the first was made;  
Our times are in His hand, Who saith 'A whole I  
planned,  
Youth shows but half; trust God; see all, nor be  
afraid'."  
—Robert Browning.

Sincerely and Fraternaly,

GILBERT W. WIETING.

## REPORT OF COUNTY PHYSICIAN

---

To the Commissioners of the County of Grafton :

I submit herewith my report of the clinical affairs of the County Hospital for the year ending December 31, 1935.

Under the management of Superintendent and Mrs. Andrews, the Hospital has completed another successful year. They have been personally interested in every patient and have kept the work of the hospital at a high standard. I would particularly commend them for the harmony that always prevails there.

The hospital has been free from epidemic and contagious diseases.

Besides those in the hospital, many patients have been attended in the Almshouse, Jail and House of Correction. The hospital is open to receive emergency patients at all times, day or night, but before such cases are brought in, one of the Commissioners should be consulted, if possible. It should be remembered that this is a County Hospital and private cases are not admitted.

Patients are under the watchful care of graduate nurses at all times who perform their work with the utmost kindness and sympathy, which is especially desirable in any eleemosynary institution.

Our staff nurses remain the same as last year. Mrs. Christina Clark is our head nurse. Miss Pushee is our operating room nurse and roentgenologist. Miss Applebee is our night nurse. Our orderlies are Mrs. MacDonald and Mr. Young.

A daily average of 26 patients, some of whom are extremely helpless, means a great deal of work for three nurses. I know of no other like institution wherein so many patients are so well cared for with three graduate nurses and two orderlies.

I would gratefully acknowledge the valuable counsel of the Commissioners, the cooperation of the management, and the assistance of all those connected with the institution.

Respectfully submitted,

E. M. MILLER,  
County Physician.

## SUMMARY OF FARM ACCOUNTS OF THE GRAFTON COUNTY FARM

---

For the fourth year a complete set of "Farm Accounts" has been kept at the Grafton County Farm. These accounts are separate from the Institution Accounts and are designed to be of value in operating the farm on a business basis as well as to show the value of the farm to the institution.

The farm, in addition to furnishing the institution with plenty of fresh, wholesome farm products as milk, beef, pork, potatoes and vegetables of all kinds, also furnishes work and serves as recreation grounds for the House of Correction men and inmates. For the year 1935 the farm used 2,560 days of House of Correction labor at 50 cents a day, amounting to a total charge against the farm of \$1,281.50. At times this labor is used in cutting brush, clearing pastures, and other farm work which does not result in much added income.
