Preventing Forest Fires Is Our Responsibility

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and aesthetic values in the 2,200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control - pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.
In 1962 we had 0 fires.
We burned 0 acres.
Permits issued. 72

Annual Report of the Superintendent of Schools

To the Board of Education and Citizens of the Hill School District:

I herewith submit my fourth annual report as your Superintendent of Schools.

The retirement of Mrs. Ruth Rounds after many years of teaching in Hill was a real loss to the teaching profession and to the pupils of our town. Mrs. Robert Gilbreth stepped in and carried on for the remainder of the year.

At the close of the last school year Miss Cote resigned to accept a teaching position in Salem, New Hampshire.

Miss Patricia LaPlante, a graduate of Plymouth Teachers College with teaching experience in Chichester, New Hampshire, came to Hill at the start of this school year to teach grades one and two.

Mrs. Grace Colby, who has been teaching in Bristol, joined the Hill staff replacing Miss Cote as teacher in grades three and four.

Mr. Hazen, who took over the responsibilities of Mrs. Rounds upon her retirement, continues teaching grades five and six. Mrs. Hilda Greene continues as Music Teacher and Miss Moynihan as School Nurse.

The pleasant atmosphere so evident in school last year with the opening of the additional room continues in evidence this year. Visiting the school is a very pleasant experience. One notes teachers and pupils busy with the work to be done in a relaxed atmosphere. This is so different from two years ago when a harried teacher could not find time to help her children because of so many grades in one room.

We are continuing to emphasize reading with our children as we feel this subject to be basic to their success in all other subjects. Educational television is also being used. This adds to our school program in many ways that would be lost to us without this program.

The total appropriation for the next fiscal year is \$46,794.81. This amount of money is considered necessary to adequately serve the educational needs of the children of Hill.

At this time I would like to express my appreciation for the support given our education system by the Board of Education and Citizens of Hill.

Respectfully submitted,

HERMAN N. DONEGAN

Superintendent of Schools
