## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Nelson:

I herein submit my thirteenth annual report as superintendent of schools.

It seems right and proper to utilize a little space in this report to bring before the parents and citizens some of the objectives of the public school system today: (1) To develop a sound mind in a strong and healthy body. (2) To develop the ability to read and write, to think and put that thought into action. During the year we have tried not only to teach the mechanics of reading but also the getting of the thought from the printed page and then expressing it in an effective way to the listener. That is we are emphasizing more oral reading. (3) We recognize the need of more effective teaching of technical grammar as well as the use of correct expressions of the Mother tongue. (4) The use of leisure time for worthy activities and pleasures. (5) The development of a fine spiritual character that is trusted and admired.

To the development of these objectives and others not mentioned we invite your cooperation, support and suggestions.

### ORGANIZATION FOR YEAR 1934-1935

School	Teacher	Enrollment
Munsonville	Gladys H. Britton	17
Nelson Center	Mrs. B. E. Carter	12

### PROMOTIONS

The following numbers of promotions in respective grades were made in June:

Grade	I	II	III	IV	V	VI	VII	VIII
Munsonville,	1	2	2	0	3	4	1	4
Nelson Center,	1	1	1	0	0	2	1	1
Totals,	2	3	3	0	3	6	2	5

These promotions were made on the following points: Regularity of attendance, term rank, standard tests and examinations given by the teachers.

Metropolitan Achievement tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

All the pupils maintained creditable standing in their respective grades.

At the close of the year in June, four pupils were graduated from the eighth grade. Diplomas were given to the following: Beverly J. McClure, Marion Georgina, Ruth Richardson and Linnea Wilder. The class parts were interesting and the exercises given by members of the school entertaining and pleasing. Much credit is due the teacher and pupils.

#### ORGANIZATION FOR YEAR 1935-1936

School	Teacher	Enrollment
Munsonville	Mrs. Pearl Fuller	29
Nelson Center	Mrs. B. E. Carter	13

Both schools are well organized, the attendance is excellent, the progress of the respective grades is normal, the attitude and interest of pupils give promise for a successful year.

In conclusion, I wish to thank the school board, teachers and parents for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.

## SCHOOL NURSE'S REPORT

To the Superintendent of Schools:

The routine inspection of each pupil's scalp, teeth, throat, skin, posture and general hygiene began with the opening of the school year. The general appearance of the children does not indicate lack of nourishment. There are always a few who need special food.

The growth and height chart with the periodic weighing and measuring furnishes a strong desire to practice rules which are simple but most important for health and normal growth.

Dr. Grimes conducted a successful school dental clinic in December. The pupils who took advantage of this opportunity received 100 per cent dental certificates.

I wish to thank the school board and local officials for their splendid cooperation.

Respectfully submitted,  
 MARGARET E. HARRIS,
