WARRANT

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.

To the Inhabitants of the Town of PITTSBURG in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Pittsburg on Tuesday, the Thirteenth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To bring in your ballots for the election of one Selectman, for three years; one Road Agent for the Lake District; one Road Agent for the Middle District; one Road Agent for the Lower District; a Town Clerk; a Treasurer; three Auditors; one Overseer of the Welfare; a Library Trustee, for three years; one Trustee of the Trust Funds; and one Supervisor of the Checklist, for one year.

Also, to bring in your ballots on the following questions:

- (1) Are you in favor of changing the term of town clerk from one to three years beginning with the term of town clerk to be elected at next year's regular town meeting?

YES () NO ()

- (2) Are you in favor of splitting up the Middle District and having two road agents, with the Lower District to include from Route 3 up Back Lake Road to and including the Beach Road to Route 3, and also including from the Trading Post north on Route 3 to the so-called Hill Road, and the Lake District to include the remainder of the present Middle District, to take effect at the next regular town meeting?

YES () NO ()

- (3) Are you in favor of recommending to the N.H. Water Resources Board that they continue their present lot-leasing program on the north shore of Lake Francis?

YES () NO ()

- (4) Are you in favor of authorizing the Planning Board to become active again?

YES () NO ()

10. To see if the Town will vote to raise and appropriate the sum of one thousand six hundred eighty-six dollars (\$1,686) for the recataloguing of town library books to match the school's filing system in 1978.
11. To see if the Town will vote to appropriate nineteen thousand dollars (\$19,000) for screened gravel or hot-top to be put on Town Roads, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
12. To see how much money the Town will vote to raise and appropriate in addition to the budget for the maintenance of highways.
13. To see if the Town will vote to appropriate one thousand dollars (\$1,000) for a Recreation Program and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
14. To see if the Town will vote to raise and appropriate five thousand dollars (\$5,000) for the purpose of further study on the town's solid waste disposal problem and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
15. To see if the Town will vote to raise and appropriate seven hundred dollars (\$700) to help support emergency services at the Upper Connecticut Valley Hospital.
16. To see if the Town will vote to raise and appropriate six hundred dollars (\$600) for emergency dispatch services.
17. (BY PETITION) To see what sum of money the Town will vote to raise and appropriate for the purchase of a new ambulance.
18. (BY PETITION) To see if the Town will vote to authorize the Selectmen to withdraw the accumulated funds from the Capital Reserve Fund established for the purpose of purchasing a new ambulance, and apply the funds toward the purchase.
19. (BY PETITION) To see if the Town will vote to authorize the Selectmen to sell the 1973 Chevrolet ambulance when a new one has been purchased.
20. To see what action the Town wants the Selectmen to take with regards to the Town Hall.

21. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept on behalf of the Town, grants of Federal or State aid, or both, as may become available.
22. To see what sum of money the Town will vote to raise and appropriate to purchase a Police Cruiser.
23. To see if the Town will vote to raise and appropriate the sum of three thousand eight hundred forty dollars (\$3,840) to fund the position of Assistant Librarian, currently funded by the C.E.T.A. Program, for the remainder of the year.
24. To see if the Town will vote to have the Selectmen investigate the possibility of the State of New Hampshire taking over the Back Lake Road.
25. To see if the Town will vote to accept the budget and raise money for same.
26. To transact any other business that may legally come before the meeting.

Polls will not close before 6:00 P.M.

Given under our hands and seals, this twelfth day of February in the year of our Lord nineteen hundred and seventy-nine.

PITTSBURG PUBLIC LIBRARY

The Pittsburg Public Library has had an eventful year. We issued twenty new cards to adults and our book circulation was approximately 3500. We now belong to the State Library Development Association. This summer, Mrs. Wilma Robie and CETA workers spent hours recataloguing approximately 5100 books to coincide with the Pittsburg School Library's cataloguing system to make for a more successful merging of the two libraries. We will be moving into the new library this spring and shall be hereafter known as the BREMER POND MEMORIAL LIBRARY.

FIRE DEPARTMENT REPORT

The Pittsburg Fire Department held regular monthly meetings during 1978, as well as training sessions and schools. We held four drills and sent six men to one-day schools on various specialties. We had only six fire calls last year, with two of them out of town. All the calls were chimney fires. We would like to bring to your attention that if you have a wood heating system or are thinking of installing one we have a very fine folder on important things of which you should be aware. Some of the systems that are thrown together could spell cancellation of insurance. The number of structural fires in N.H. caused by wood stoves is rising rapidly and insurance companies are watching it closely.

This year the men of the Department have donated a total of 520 hours on truck maintenance and work around the station. This is time over and above the monthly meetings, drills, and schools. We have equipped the #4 "brush truck" to carry extra equipment for forest fires, emergencies, and lighting. We now have an excellent water source on Mill Street to facilitate our drafting from the river by a road down to it. In the coming year we have plans to improve our water sources in other areas.

We would like to take this opportunity to thank everyone who helped us on our annual equipment raffle. It is used to buy additional equipment, to date over \$2400 worth.

Following is a comparison of alarms answered in 1977 and 1978:

Purpose of Call	1977	1978
Vehicle Calls	2	0
Structural Fires	1	1
Chimney Fires	7	5
Other Calls	1	0
	---	---
Total Calls	11	6

Remember — a smoke detector could save your life, and a fire extinguisher could save your home.

I would like to thank each and every man for a job well done.

Pittsburg Fire Department
Carl T. Carlson, Chief

POLICE DEPARTMENT REPORT

During the year of 1978 the Pittsburg Police Department received 295 calls through the Colebrook Communications Center, 267 radio calls from State Police Troop F and 231 calls at home, making a total of 793 communications from the public and other law enforcement agencies. There were 38 automobile accidents, 13 camps broken into, and 9 thefts during the year. The Department prosecuted 28 motor vehicle cases and gave out 92 warnings.

We assisted N. H. Fish & Game, State Police, U. S. Border and Customs Patrol, and police calls in the towns of Colebrook, Stewartstown, and Clarksville.

At this time I would like to thank everyone in the town of Pittsburg for their cooperation in 1978, and hope that we can all work together in the coming year.

Pittsburg Police Department
Leslie G. Lord, Chief

PITTSBURG AMBULANCE SERVICE ANNUAL REPORT

During 1978 the Pittsburg Ambulance Corps added three new members (all EMT's) making a total of twenty active members.

The Corps sent two EMT members to an EMT seminar at Dartmouth College in June to learn the latest techniques in emergency care. They recorded parts of lectures for benefit of members who could not attend.

Our ambulance is now kept at our new ambulance station which is completed except for the heating system and that should be taken care of soon.

We still have oxygen units available in four different areas of Pittsburg. They are available at Robert Gray's (Indian Stream), Powder Horn Lodge (Back Lake), the Ambulance Station (village), and Martin Hewson's (1st Lake). We are now purchasing extra splints, bandages, and equipment to be stored at the ambulance station for emergencies should our ambulance be out of Town on a run or transfer.

A Blood Pressure Clinic sponsored by Pittsburg Ambulance Corps, Madelene Judd co-ordinator, Northern Coos Community Health with Diane Corbett, R.N., and Viola Bumford, LPN, and various ambulance personnel assisting is held each month in Pittsburg.

A refresher course was given to all EMT's this year and we all attended a CPR course which is required every year.

At present a Red Cross Advanced First Aid and Emergency Care refresher course is being taught by Madelene Judd.

During 1978 we had a total of 95 runs, 48 emergency runs and 47 transfers.

We appreciate the support we have had from the people in Pittsburg and hope we can serve our community efficiently in 1979.

Respectfully submitted,
Eunice Gray, President

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

PITTSBURG SCHOOL DISTRICT

WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Pittsburg qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the 13th day of March, 1979, at 10 o'clock in the forenoon at which time the polls will be open. The School Business Meeting will begin at 1 P.M. or immediately following the Town Meeting should it be extended to the afternoon session, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the ensuing year (s) .
2. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other Officer or Agent of the District.
3. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
4. To see if the District will vote to raise and appropriate a sum of thirty-five thousand dollars (\$35,000.00) for the purpose of face bricking and insulating with styrofoam the north, south and west walls of the new building addition.
5. To see what sum the District will vote to raise and appropriate for grading, draining and improving the existing school grounds.
6. To see if the District will vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500.00) to install additional bleachers in the gymnasium.
7. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.
8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officials, and for the payment of statutory obligations of the District.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Pittsburg this 26th day of February, 1979.

Proceedings of School District Meeting

MARCH 14, 1978

The School District of Pittsburg
County of Coos
State of New Hampshire

The polls were declared open by the Town Moderator at 10 o'clock. After the Town Warrant was read, nominations for School Moderator were requested from the floor by the Clerk. George Noyes nominated Robert Gray - Robert Gray declined. Gordon Covill nominated Burnham Judd - seconded by Forrest Angwin. Voted on by hand ballot. Burnham Judd was voted School Moderator.

The School Moderator read the School Warrant to open the polls. School Meeting began at 1:30 P.M.

The Supplemental Warrant was taken up first:

Article 1.

Motion made by Robert Gray, seconded by Roy Covill, to accept the Article as read. Voted by hand ballot, it was a vote.

Article 2.

Motion made by George Noyes, seconded by Roy Covill, to accept the Article. Voted by hand ballot and was a vote.

Article 3.

Motion made by Robert Gray, seconded by Roy Covill, to accept the Article 3. Voted by hand ballot, was a vote.

Article 4.

Motion was made by Roy Covill, seconded by George Noyes, to accept the Article. Voted by hand ballot, it was a vote.

At this time the Regular School Warrant was taken up:

Article 1.

Voted on through the day.

Article 2.

Motion was made by Robert Gray to make wage the same as town. Seconded by Roy Amey. Voted on by hand ballot, was a vote.

Article 3.

Motion made by Robert Gray, seconded by George Noyes to pass over Article. No discussion. Voted by hand ballot, was a vote.

Article 4.

Article explained by Mallet Anderson and David Garcelon. Motion made by Robert Gray to accept Article, seconded by George Noyes. Voted by hand ballot, was a vote.

Article 5.

Motion made by Roy Amey, seconded by Karen Gray, to indefinitely postpone Article. Voted by show of hands and was a vote.

Article 6.

Motion was made by Harold Pierce, seconded by Robert Gray, to accept the Article as read. Voted by hand ballot and it was a vote.

Article 7.

Discussion was about the Budget for 1978-1979, Capital Outlay, Site \$3,000. Motion was made by Edwin Robie that if there was any surplus money in Building Fund after addition was completed the School Board would get a vote of the Town as to how to spend it. Seconded by Robert Gray. Moderator asked for a show of hands for a vote, it was a vote.

Motion was made by Robert Gray, seconded by Edwin Robie, to remove the \$3,000 figure for Capital Outlay, site from the budget. Voted by hand ballot and was a vote.

Motion made by Robert Gray, seconded by Roy Amey, to accept the Budget as amended. Voted by hand ballot and was a vote.

Article 8.

Motion made by Roy Amey, seconded by Robert Gray, that School Meeting be adjourned. Vote by hand ballot, was a vote.

At 6 P.M. the polls were declared closed by the Moderator. The votes were counted with the following results:

School board - 3 year-term:	Gordon Covill	253
(write-in)	John Shields	2
(write-in)	Charles Colcord	1
(write-in)	Richard Howland	1
(write-in)	Willie Judd	1

SUPERINTENDENT'S REPORT

This past year the State Board of Education adopted a plan outlining the responsibilities of local school districts in establishing an educational accountability program. Included in that program must be steps through which local school districts intend to measure basic pupil skills in the areas of Language Arts, Mathematics, History and Government in grades 4, 8 and 12. In addition, all local plans must be completed and on file with the State Department of Education by June, 1981.

I am pleased to report that the school districts in Supervisory Union No. 7 are well along the way in establishing such an accountability program. This has been accomplished primarily through the efforts of our teachers in each of the local school districts who began the process four years ago. To date, basic skills and competencies have been developed for all grades, 1-12, in the areas of Language Arts and Mathematics. It is planned to have the areas of History and Government completed by September, 1979.

A most important part of the local accountability program is an assessment process whereby it can be determined if pupils are learning basic skills and are able to demonstrate that they have mastered these skills. A summary of testing data compiled for the last four years for grades 1-8 does indicate that pupils in our local schools are indeed learning basic skills. When compared to other pupils on a national level, the majority of local pupils have scored at or above their respective grade levels. Skills measured in the tests used were reading comprehension, spelling, vocabulary, language, math concepts, math computations, math problem solving, social studies and science. Although an in depth analysis of testing data for grades 9-12 has not yet been completed, a preliminary study indicates that pupils in those grades are comparing well with other pupils on a national level.

Although the testing data is indeed encouraging for the majority of our pupils, attention has to be given to that percentage of pupils who consistently score below grade level due to their lack of mastery of certain basic skills or because of learning disabilities. Also, it is vital that special attention be given to that small group of gifted pupils who consistently score higher than their respective grade levels. Title I remedial programs, classroom teacher aides, special education programs, along with individualized classroom teacher attention, have done much to help pupils with learning difficulties.

An increasing problem, however, is the allocation of classroom time a teacher can devote to individualized instruction and still present regular learning programs. This problem is further compounded by the concept of "mainstreaming" whereby educationally and emotionally handicapped pupils are no longer confined to special education classrooms for the entire school day but are returned to regular classrooms under an Individualized Education Plan. Here again classroom teacher aides are helping to alleviate this problem to some degree particularly in those grades with large pupil enrollments. Much remains to be done, however, in the area of providing special individualized instructional materials and resources to the classroom teacher if we are to meet the needs of

all handicapped youngsters and still maintain and improve regular education programs.

I extend my thanks to the educational staff in our local schools for their cooperation and excellent performance in working toward and achieving the educational goals of the school districts and to the members of the local School Boards for their dedicated service.

Respectfully submitted,

Stephen E. Dehl
Superintendent of Schools

GUIDANCE COUNSELOR'S REPORT

The bulk of the Guidance Officer's time this past year was devoted to the areas of: career education in grades 2, 4 and 8; developing a system of parental interviews to assist in 9th grade enrollments; and implementation of PL94-142.

Having been awarded a grant under Title IV (C), teachers in the 2nd, 4th and 8th grades have been busy writing a curriculum of career education. The Guidance Counselor has been designated as the Project Director and Serves as a liaison between the school boards and the executive and advisory committees. The career program has adopted the title of "Project Choice," which stands for Challenging Habitudes by providing Opportunities and Interest in Career Education. The basic premise of this project is to attempt to provide each student with a greater and fuller background of career information and choices before they choose their high school courses of study.

This last year all parents of the Colebrook Elementary Eighth Grade were afforded the opportunity to have a conference with the Guidance Counselor to discuss the courses of studies their children would be selecting for the next year. The conferences were scheduled both during the school day and at night so as to make it easier for the parent who works to participate in this program. It is hoped that this program will be broadened to include Pittsburg and Stewartstown this coming year.

Finally, the recent trend of the high school graduates within Supervisory Union 7 favoring the choice of technical schools over liberal arts colleges or four-year colleges seemingly continues. A close inspection of the graduates of Colebrook Academy and Pittsburg High School would disclose that between 5% and 8% went to four-year colleges, 12% to 14% to technical schools, 5% to nursing schools, 4% to 10% to business schools, 4% to beauty schools, and 15% to 20% to the armed forces. This still leaves between 50% and 61% of the graduating classes entering the world of work.

Respectfully submitted,

Oliver B. Martins
Guidance Counselor
Supervisory Union No. 7

SCHOOL HEALTH REPORT

In both Stewartstown and Pittsburg the health programs are planned to maintain the highest of health standards as required by the State of New Hampshire. These programs greatly depend upon the support and interest of all parents. Parent concern and cooperation is immensely appreciated and always encouraged.

This year Dr. Majorie Parsons and Dr. William Gifford have again provided us with medical care and their professional advice for our students.

Through the combined efforts of our health team, the following services were again performed:

1. Height, weight and dental check.
2. Hearing and vision testing.
3. Thorough physical examinations as standard requirements for grades 4, 8, 11 and new students as well as all students participating in athletics.
4. Tuberculin testing as needed for students.
5. Immunization Clinics to update students' health records to state requirements.
6. Urine testing for students in grades 4, 8 and 11.
7. Scoliosis (curvature of the spine) screening clinic for grades 5, 6 and 7.
8. First Aid and Emergency care.
9. Phone and letter contacts for follow-ups on health care and health care problems.
10. Home visits.
11. Encouragement and aid in promoting good mental health.
12. Health instruction and counseling and supervision of general health.

The North Country Education Service provides speech therapy to students needing assistance with speech/hearing related problems.

The New Hampshire Division of Public Health will sponsor a pre-school hearing and vision clinic in mid-May for early detection of visual/hearing problems.

Still in force is the Sight Conservation Program provided by the State of New Hampshire. They help students receive vision examinations and glasses where financial assistance is needed.

Crippled Children's Services provide orthopedic examinations and treatments at clinics for all our students.

The New Hampshire Bureau of Dental Health has once again presented their Dental Disease Prevention Program to our schools. In their program, for students in grades 1-6, there is first examination by a state dental hygienist and instruction in proper brushing techniques and also flossing for grades 4-6. The students carry out daily brushing and flossing under teacher supervision. There is weekly use of red food coloring tablets to detect plaque and use of a fluoride rinse once a week. The purpose of this program is to develop good oral hygiene habits and to eliminate plaque, therefore, reducing dental disease.

The Portsmouth Rehabilitation Center is available to our area by mobile unit for evaluation of students having failed hearing screening at school.

Upper Connecticut Valley Mental Health Services provide their professional services for students needing help.

Our students received a nutrition course sponsored by the Extension Program which was highly informative and interestingly presented.

A reminder to all parents of children who will be entering first grade. Please note the requirements of the State Department of Education for immunization and preparation of your child prior to entry. Your child could be refused entry in school until the necessary requirements are fulfilled if he or she should lack some of them. Therefore, we strongly urge all parents to take advantage of pre-school clinics available to them to prepare their children for school entry. The requirements are as follows:

1. Physical examination.
2. Tuberculin test within one year prior to school entry.
3. Diphtheria, pertussis, and tetanus vaccine series (4 needed as a minimum for entrance).
4. Oral polio vaccine series (4 needed for entrance).
5. Rubella (German Measles) vaccine.
6. Rubeola (Measles) vaccine.

Only with parental involvement to enhance school health team efforts may our health programs work and improve each year. This combined working together for school health programs is the only key to its being successful and productive for our students.

Respectfully submitted,

Kathleen B. Fellows, L.P.N.
School Nurse

PITTSBURG-CLARKSVILLE TITLE I ESEA

The Pittsburg-Clarksville Title I program is a federally funded project designed to provide special help for children in the following areas: (1) remedial reading in grades one through three; (2) a pre-school program that provides (a) reading readiness, (b) pre-school math skills, and (c) early development of social skills.

A needs assessment conducted in 1978, called for a pre-school program and help in reading, especially in grades 1-3. The results of the needs assessment were tabulated by the principal and the Parent Council, and included in the Title I application in May.

A national standardized test, given in the fall and in the spring, determines a child's eligibility for the program.

Children who are eligible for help in grades 1-3 meet with the Title I teacher for special help in reading for one hour, for each grade, each school day. The lesson, previously taught, is reinforced by the Title I teacher. Emphasis is placed on phonics, comprehension, vocabulary, and spelling. Correct usage of the English language is stressed in all oral and written learning situations.

The Title I teacher spends each afternoon of each school day in individual homes with pre-school children where pre-school skills are taught. There are group meetings for pre-schoolers, twice each week, in the Title I classroom at the Pittsburg School. At that time, activities are designed to help pre-schoolers develop confidence, social skills, and self-discipline. The children learn to correctly use and share school materials. Music and dramatizations are part of their program. A Title I library and library nook are part of the Title I room. Pre-schoolers have stories read to them and they are encouraged to become interested in books.

A "May Presentation" finished last year's program. At that time, diplomas were awarded to pre-schoolers and certificates of merit to Title I children in grades 1-3. Eighty-five parents, friends and teachers attended the "May Presentation." A similar program will be held in May, 1979.

A field trip to Fantasy Farm in June concluded the program. Many mothers helped chaperone the trip. A field trip will conclude 1979's program also.

The projected gain of 7NCE's was obtained by 96% of the children participating in the project with much higher gains by some children.

On December 7th, the Pittsburg-Clarksville Title I conducted a workshop at the statewide Title I meeting in Laconia. Miss Kinney did the presentation "A Pre-School Program in a Rural Community." It was well received and a commendation was received from the Title I coordinators at Concord. Special thanks go to Elizabeth vonDohrmann, Chairperson, and Laurel Amey and Louis Lemieux, Title I Parent Council, who gave help and made suggestions that aided in the success of that workshop presentation.

In 1977 and 1978 Title I children, with the first and second grades, journeyed to the Coos County Nursing Home for a program of Christmas songs and carols. Title I pre-school children performed at

the school Christmas program in 1977 and 1978.

Cooperation from teachers in grades 1-3 has helped to make a well co-ordinated reading program. Parent involvement and the help of the Parent Council has helped greatly with the success of the pre-school program. Miss Elaine Kinney, a certified Title I teacher, has worked conscientiously for the program. Thank you all.

Respectfully submitted,

Kate Lord, Project Director
