TAMWORTH 2019 TOWN WARRANT
The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet for the First Session of the Annual Town Meeting at the Tamworth Town House, 27 Cleveland Hill Road, in said Town of Tamworth on **Tuesday, the 12th of March, 2019**, to choose town officers and to vote on other matters required to be on the official ballot. Polls to be open for voting on **ARTICLE #01** at eight o'clock in the forenoon, and to close not earlier than seven o'clock in the evening, and you are hereby notified to meet for the Second Session of the Annual Town Meeting at the Kenneth A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Wednesday, the 13th of March, 2019**, at seven o'clock in the evening for the transaction of all other Town business as specified in the remaining articles of this warrant.

ARTICLE #01 To elect all necessary **Town Officers**, which appear on the official Town ballot for the ensuing year. Open positions (2) Selectmen 3 year term, (1) Treasurer 1 year term, (2) Planning Board members 3 years terms, (1) Trustee of the Trust Funds 3 year term, (1) Cemetery Trustees 3 year term, (3) Library Trustees 3 year terms, (1) Fireward – North 3 year term, (1) Fireward - South 3 year term.

ARTICLE #02 To see if the Town will vote to raise and appropriate the sum of **\$1** and exercise its option to purchase the Tamworth Village Association sewer system, all assets and capital reserves as provided in the license agreement entered into by the Town and the Tamworth Village Association on August 2, 2001. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (4-1)

ARTICLE #03 If Article #02 passes, to see if the Town will vote to authorize the Town to adopt a sewer commission pursuant to RSA 149-I to be governed by a board of three sewer commissioners appointed by the selectmen to serve terms of 1, 2 and 3 years with each succeeding term being for 3 years. (Majority Vote Required)

ARTICLE #04 If Article #02 passes, to see if the Town will vote to raise and appropriate the sum of **\$8,622** to operate the sewer system consisting of operating expenses in the amount of \$5,390 and a capital reserve contribution of \$3,232. This appropriation will be completely funded to the Town through sewer rents set by the Board of Selectmen and charged only to those properties disposing wastewater into the sewer system. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (4-1)

☞ 2019 WARRANT ARTICLES ☜

ARTICLE #05

To see if the Town will vote to raise and appropriate the sum of **\$86,351** for **salary and benefits** for the current year for the position of **Town Clerk/Tax Collector**. **NOTE:** The amount requested under this article shall be used for an annual salary of \$58,000 to include 20 paid days off, FICA and Medicare in the amount of \$4,437, a health and dental insurance premium (the town's health & dental insurance plan currently with 90/10% split for a two person policy) and to include a flexible spending account of \$1,000 all totaled \$17,374 with contributions to the NH State Retirement System at the effective contribution rate (remaining at 11.38% thru June 30, 2019 and 11.17% July 1, 2019 thru December 30, 2019) of \$6,540. (These funds shall only be disbursed as long as the eligibility requirements are met in accordance with the NH Retirement System). Also, if a midterm appointment of a new Town Clerk/Tax Collector should be made a salary and benefit package will be determined by the Board of Selectmen at the time of the appointment. (Majority Vote Required)

The Board of Selectmen **recommends** this article. (5-0)

ARTICLE #06

TAMWORTH 2018 TOWN MEETING MINUTES

The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet for the First Session of the Annual Town Meeting at the K. A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Tuesday, the 13th of March, 2018**, to choose town officers and to vote on other matters required to be on the official ballot, polls to be open for voting on **ARTICLE #01** and **ARTICLE #02** at eight o'clock in the forenoon, and to close not earlier than seven o'clock in the evening and you are hereby notified to meet for the Second Session of the Annual Town Meeting at the Kenneth A. Brett School, 881 Tamworth Road, in said Town of Tamworth on **Wednesday, the 14th of March, 2018**, at seven o'clock in the evening for the transaction of all other Town business as specified in the remaining articles of this warrant.

The Moderator opened the meeting at 7:10pm. He thanked Richard Roberts and the highway department for doing such a nice job yesterday with the weather and throughout the winter. He thanked all those who ran for office and thanked Dave Dinwoodie for his years of service as a WWII veteran, raising a family, owning a welding business, and continuing to contribute to the Town of Tamworth as a volunteer for the Chocorua Library, Town Offices, and Chocorua Church. Dave was asked to lead us in the Pledge of Allegiance and proceeded to give the invocation. The moderator then spoke of a recount requested by Jim Hidden for the Selectmen 3-year term race. The recount will be held at the Tamworth Town Office on Tuesday, March 20th at 4:30pm. The Moderator and Town Clerk welcome the public and feel this recount is a great opportunity in verifying our electronic voting system. The head table was then introduced by the Moderator as well as the Supervisors of the Checklist, Ballot Clerks, and Police Department. The moderator introduced the Advisory Budget Committee and commented that we may be hearing from them during the meeting. The moderator was asked if he would certify the election results. In doing so, the moderator then moved onto the meeting ground rules and the procedure for voting on the Warrant articles. He explained that he had already received a request for two separate secret ballot voting's and would discuss them in do time. The moderator proceeded to ask that the meeting attendees look at Article #13 (page 32) which is by ballot and made reference to the suggestion that the ballot voting was to be open for an hour, and that we could move the KENO Article #13 up. After his discussion with the Selectmen, Town Council & Secretary of State's Office their recommendation was to ask the question on the floor if anyone was opposed to voting on the article without leaving it open for an hour or moving it forward. The moderator hearing no request for that to be done proceeded with the announcement of the results of Article #2 which was on the ballot. The moderator then proceeded to read Article #3

ARTICLE #01

To elect all necessary **Town Officers**, which appear on the official Town ballot for the ensuing year. Open positions (2) Selectmen 3 year terms, (1) Selectman 1 year term, (1) Moderator 2 year term, (1) Town Clerk/Tax Collector 3 year term, (1) Treasurer 1 year term, (1) Supervisor of the

Checklist 6 year term, (2) Planning Board members 3 year terms, (1) Trustee of the Trust Funds 3 year term, (1) Cemetery Trustee 3 year term, (2) Library Trustees 3 year terms, (1) Fireward – East 3 year term, (1) Fireward-At Large 3 year term.

ARTICLE #02

Shall we permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

YES 482 NO 12

ARTICLE #03

To see if the Town will vote to raise and appropriate the sum of **\$85,160** for **salary and benefits** for the current year for the position of **Town Clerk/Tax Collector**. **NOTE:** The amount requested under this article shall be used for an annual salary of \$56,000 to include 20 paid days off, FICA and Medicare in the amount of \$4,284, a health and dental insurance premium (93% of the premium for the Town’s health insurance plan currently with an 80/20% split for a two person policy and 100% of the employee dental insurance) of \$18,503 and contributions to the NH State Retirement System at the effective contribution rate (remaining at 11.38% thru Dec 2018) of \$6,373. (These funds shall only be disbursed as long as the eligibility requirements are met in accordance with the NH Retirement System). Also, if a midterm appointment of a new Town Clerk/Tax Collector should be made, a salary and benefit package will be determined by the Board of Selectmen at the time of the appointment. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded

Discussion

Becky Mason made a motion that the Budget Committee recommends to reduce article by \$30,600 on lines of Town Administration and the \$20,000 for an assistant to the administrator, \$1,700 from the Treasurer Expense for transportation of town funds and having the ability to use the police department, and reducing the Town House line by \$8,900, as \$103,000 would be enough to cover the Town House budget.

Seconded

Discussion

Steve Gray spoke of varying unfunded mandates by the State, and the smaller dripping of some. He spoke of the Town Administration cut effecting the work involved in regards to the pulling of deeds from the registry electronically, and the time involved in doing that, and that the data entry involved needs to be completed in a timely manner. He spoke of the retention of records and the requirements of keeping documents in a variety of formats and the legislative changes over the years. He commented on Kim Trammell the Town Clerks involvement with the Municipal Records Committee and the work involved in the requirements of record retention coupling with the Right to Know requests. He spoke of the changes at the state level and the county levels trickling down to the town level and the increased work load.

Peggy Johnson asked if someone could tell us how this would affect our tax rate so she could have a better idea. Madeline Siniscalchi spoke of expanding office hours to make the office open 5 days a week and then there would be time to get their work done and accomplish what they need to. Jim Hidden spoke of the office personnel working on Mondays. Her recommendation would be to expand the hours instead of hiring another person. If your salary it doesn't matter whether you work 28 or 40 hours.

Voice Vote Taken and too close to call so moderator explained we would go to the cards. Vote taken by raise of hands with cards.

Yes 69 No 80

Amendment does not Pass

Becky Mason made a motion to amend the article to \$688,351 decreasing the article by a total of \$10,600 from lines for Town House \$8,900, and Treasurer Expenses \$1,700.

Seconded

Discussion

Margaret Reiser spoke to address the Town House dollars and what that cut is for. She knows there has been a lot going on with the Town House recently and it seemed to her that we would need to keep the money available to take care of it. Becky Mason addressed the current Town House work pertaining to mold and asbestos, air quality testing, removal of dry wall, tiles, duct work, etc. and the kitchen. Clean up costs have run around \$25,000. The electrical panel is to be replaced for \$2,000 as well as estimates for floors and basement all included in the \$103,000 being proposed to cover repairs, demolition, and replacement costs to get the Town House back up and running.

No Further Discussion

Voice Vote

Amendment Passed

David Little asked that in the Town Meeting House maintenance that the sources to repair be located before any reconstruction is done. David Little spoke of the legacy of the building and the construction of that building architecturally dating back to 1792 and preserving what is there while adapting it to our needs. David would like to offer an amendment that any funds spent on maintaining the Town House follow the guidelines of the Secretary of Interiors standard for the treatment of Historical Properties. The moderator after discussion with Town Council spoke of David's request not being a budgetary request and that it would then fall under the advisement of the Selectmen and would not be voted on.

Further Discussion

Melanie Streeter asked to reduce amended article by \$20,000 to \$668,351 for the assistant to the administrator position because with what they were asking for it could be done by volunteers. The moderator explained that amendments made are to the bottom line and although directed to certain line items it is at the discretion of the Selectmen. Jim Alt agreed with Dan Poirier's comment that this discussion is circling around on something we have already decided. The Moderator hearing no more discussion took a voice vote.

Amendment did not Pass

The Moderator than asked to vote on the amended article in the sum of \$688,351.

Voice Vote Taken on Amended Article Amended Article Passed

ARTICLE #05

To see if the Town will vote to raise and appropriate the sum of **\$818,004** for **Public Safety**: (Majority Vote Required)

Police Department		\$369,931
Ambulance Contracted Services		\$141,489
Fire/Rescue Department	\$286,060	
Ambulance Billing	\$ <u>3,000</u>	\$289,060
Forest Fires		\$ 6,953
Emergency Management		\$ 4,933
Animal Control		\$ 5,638

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded Discussion

David Little asked to amend the Article to \$1,006,004 to Public Safety.

Seconded Discussion

Last year Article #10 was approved to purchase a fire truck. The last sentence of that Article read "In the following year the appropriation of \$188,000 will be contained in the operating budget". David asked to show where the \$188,000 was in the 2018 operating budget for the second year of the capital reserve for the Fire Truck purchase. It is not showing now but was at the public hearing and something had to have changed. Town Administrator Darlene McWhirter received confirmation from the Town Attorney and DRA that the money has been appropriated and will be included in setting the tax rate for 2018. She commented that the blue paper handed out tonight shows that appropriation to be included in the numbers discussed at the public hearing. Steve Gray addressed RSA 32-7(a) and that this is the way it has been confirmed to be done.

No Further Discussion Voice Vote Amendment Not Passed

Becky Mason asked to reduce the warrant article by \$32,456 for the administrators for the Police Dept and Fire Dept.

Moved/Seconded

Peggy Poirier addressed this with the reminder that the police dept was broken for two years and the fact the police are back out on the roads and are seen in front of the school again. During the two years a police

have a single user license and need to increase the licensing necessary to have two more licenses. Vote on amendment of article to total \$821,104.

Amendment Passed

No Further Discussion on Amended Article

Amended Article Passed

ARTICLE #06

To see if the Town will vote to raise and appropriate the sum of **\$1,304,622 for Public Works:** (Majority Vote Required)

Highway Department	\$661,650	
Equipment Purchase	\$170,000	
<u>Road Reconstruction/Repair</u>	<u>\$250,000</u>	
Total Highway		\$1,031,650
Street Lights		\$ 18,000
Well Monitoring & Testing		\$ 6,500
Transfer Station Operations		\$ 248,472

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded

Sue Colton would like to amend this article to add \$2,000 to support several meetings for citizens of this town to discuss ideas on how to improve safety in this town and in our schools.

Seconded No Discussion to amend Article to \$1,306,622

Voice Vote Taken Amendment does not Pass

Becky Mason spoke of clerical typo on this page of a \$50,000 difference between the line item requests total amount and the total amount showing under this article for the Highway Department. Highway Dept line item total should be \$611,650 and not \$661,650. Moderator consulted with Town Council and was advised that no vote needed to be taken.

No further Discussion Article to be voted on in the amount of \$1,304,622

Voice Vote taken Article Passed

ARTICLE #07

To see if the Town will vote to raise and appropriate the sum of **\$24,656 for Health and Welfare:** (Majority Vote Required)

Health Officer	\$ 1,008
General Assistance	\$ 23,648

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded

Discussion

Becky Mason needed clarification as to whether the recently appointed Deputy Health Officer for \$250 was included in this budget. Jim Hidden explained that it should have been as it was discussed prior to putting the final numbers together. No further discussion.

ARTICLE #11

To see if the Town will vote to raise and appropriate the sum of **\$100,000** to be added to the Bridge Capital Reserve Fund. (Majority vote required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

Moved/Seconded Discussion

Jack Waldron asked what bridge and why are we putting money in a bridge capital reserve? Richard Roberts Road Agent addressed that this was for the Bunker Hill Road Bridge and that originally when we started working on this project 3 years ago, bids initially given estimated the cost to be \$250,00-\$300,00. In recently meeting with a new engineer firm this fall they confirmed it would be a total cost closer to \$600,00 to replace it. We already have \$225,00, he is asking for an extra \$100,00 this year as a capital reserve, and \$300,00 next year because he didn't think it was fair to ask for all the money needed in one lump sum in the same year. He asked for the towns support on this as he feels we have a good engineering firm involved and feels we are in a good direction in repairing our bridges & roads.

ARTICLE #13

To see if the town will vote to allow the operation of KENO within the town pursuant to the provisions of NH RSA 284:41 through 51.
(Majority vote required) (Ballot vote required)

The Board of Selectmen **recommend** this article. (No vote taken)

Moved/Seconded

Discussion

Sue Ticehurst cited Division of Health & Human Services (DHHS) statistics, as well as the American Psychiatric Association reports, of addiction and gambling disorders. Although we want to help fund full day kindergarten she wanted to point out other problems that come with KENO, and as we know the State does not always honor its pledges to dedicate funds to specific purposes. Keno is an addictive form of gambling so the question before us is "Is increasing the number of addicted gamblers in our town and state the best way to make life better for children and families; and in particular the children & families of whose members may become addicted?"

David Little being opposed to KENO commented on the fact that 1% of the KENO proceeds is paid to the DHHS which is said to be going to research, prevention, intervention, and treatment of problem gambling. He spoke that the State doesn't give 1% of an income stream away unless it's a real problem. David spoke of the overall impact beyond just the family. He commented that the Town was not going to get any money from KENO, the School is going to receive \$1,100 per pupil for kindergarten, but last week we approved a School budget that averages \$24,500 per pupil so the \$1,100 per student from KENO isn't going to pay for kindergarten.

Willie Farnum commented that KENO was only allowed in an establishment that serves alcohol, and with that said, people's judgement may not be as clear as it should be, and therefore gambling under those situations could be hazardous to one's health.

Moderator explained that he was given requests to have a Secret Ballot Vote for both Articles #14 & #15. The moderator asked to have the #2 tab be used for Article #14 and tab #3 to be used for article #15. He made a motion to address each article and then to have voters place the tabs in the ballot boxes.

Motion Moved/Seconded Article #14 was read by the Moderator

ARTICLE #14

(By Petition) To see if the town will vote to change the organization of the Tamworth Fire-Rescue Department and adopt RSA 154:1, I (a) which provides for a Fire Chief to be appointed by the Select Board with fire fighters appointed by the Fire Chief, and to further, disband and discontinue the Tamworth Board of Firewards, with the Board of Firewards going out of existence and operation one year after adoption of the article by town meeting. (Majority vote required)

The Board of Selectmen **recommend** this article. (No vote taken)

Moved/Second

Discussion

Jim Bowles questioned as to who and why this article was created? Zach Remick spoke to having created this petitioned warrant article and addressed that the Fire Chief would report directly to the Board of Selectmen vs the Firewards. In 2016 the fire dept and rescue were merged and in 2005 the town had hired our first full time Fire Chief. It was stated 747 calls for service in 2017 were recorded with fire & rescue combined.

Jim Bowles spoke about firewards & fire commissions and that under Public Safety and Welfare Chapter 154 RSA 154:1 VII it states "For purposes of this chapter the term "firewards" includes fire engineers and fire commissioners, where applicable." Jim Bowles encouraged voters to keep it the way it is. Stephen Glencross felt that the volunteers input is not taken seriously and they are not listened to. Stephen Glencross spoke of a recent decision regarding the new engine about a comment being made that it comes down to the fireward's votes. Elizabeth McCarthy feels we don't have enough information to vote on this. Jim Bowles argued that 9 out of 12 abutting towns do it this way having firewards. Zach Remick addressed that other volunteers worried about signing the petition for repercussions of being let go. Jim Hidden agreed with Zach Remick's comments and felt that now would be the time to address this since we have combined the fire and rescue. Jim Bowles addressed that fire & rescue is one department now and that he doesn't see the Selectmen as being any less approachable than the fireward's. Diane Bowles addressed this as being more work for the Selectmen and when she arrived 30 years ago that she was welcomed and accepted by the firewards. She felt that the fireward setting was an easier venue than addressing the Selectmen. Evan Shangraw asked of what would be the disadvantages of losing the firewards? Jim Bowles replied of the expertise, the monetary piece, as well as the work load and that a Select Board member is less likely to be out there repairing fire trucks. Joanne Rainville addressed this article to the likings of considering the listening sessions that were done for the police dept. & to be done with this article. Question was called to be moved. The moderator moved the question.

ARTICLE #15

Shall the Town pursuant to RSA 72:81 adopt for a five-year period (5) a “new construction property tax exemption” of fifty percent (50 percent) of the increase in assessed value attributable to construction of new structures, additions, renovations or improvements to existing structures for commercial and industrial uses (as defined by RSA 72:80). If passed, this exemption would take effect in the tax year beginning April 1, 2018. (Majority vote required)

The Board of Selectman **recommend** this article. (Vote 3-0)

Moved/Second

Discussion

Pat Farley Chair of Tamworth Economic Commission spoke of the mission statement of the commission but wanted to address this article as a citizen and not as a member of that group. A current law only allowed Coos County to offer a tax exemption to businesses in their county. More recently HB316 was introduced and approved in the House and then in the Senate to allow the whole state to offer this same exemption. The Governor signed it last June and it was effective this past August. She gave examples of the program and how it would help to grow existing businesses, bring more employment opportunity to the area, and encourage other businesses to come to our town. She addressed those that wouldn't support the financial side of this article to look at the assessment value increases and the reevaluations of those business properties improvements helping in offsetting the tax rate.

Kathi Padgett moved from Nashville, TN having lived there for 30 years and spoke of the shafting Nashville took for doing “tax deals”. She saw American Airlines, Dell, and GM promise jobs, highway interchanges altered, etc. but the plants closed before getting back the money from the tax rebates given.

Peggy Johnson asked about thinking in terms of a broad-based tax and raising money where money is! Rebecca Boyden pointed out 2 other ways to address besides giving businesses a break for projects that may not benefit the town. She would point out improving the tax base in the community with Zoning, and an Income Tax.

John Watkins asked what is Commercial and Industrial uses in RSA 72:80? Town Council read from the RSA in siting that "Commercial uses" shall include all retail, wholesale, service, and similar uses, and "Industrial uses" shall include all manufacturing, production, assembling, warehousing, or processing of goods or materials for sale or distribution, research and development activities, or processing of waste materials. Pat Farley commented that she had asked the question about a Home Business qualifying and that it could.

Becky Mason asked if this was an “All or nothing” if the businesses qualify, and if it is the Selectmen who grant the exemption? Jim Hidden spoke that it was “All” and that he was in favor of this article as being helpful to us in keeping our entrepreneurs and their knowledge here in town, and in retaining our young people in the State of NH.

Geoff Burke spoke against this article as being a Trojan horse for economic predation. Juno Lamb questioned this that without the town first going through the process of what we want to go with as a rural community, that this article feels like a blunt instrument and that there’s a one size fit’s all. Sue Ticehurst was speaking of this being a newer tax incentive passed in 2017 and cautions us to examine this exemption separately from all others. She addressed that anyone could apply and that NH Constitution Article 5 requires that government provide a fair and proportional share of assessment. She pointed out that we need to address this as to what our town would need and not the way it may or may not have worked for another town. If the town drops the exemption, or does not renew it, the business continues to see benefits until their five years are up, but there is no guarantee that a business will continue to pay if the business discontinues. Pat Farley feels there is a lot of emphasis being spoken as if a mean steel company is coming to take over Lake Chocorua rather than the local bakery or smaller/medium businesses that will benefit from growth and opportunity to be better off than they were.

Secret Ballot Vote Taken #3 Tab Yes 39 No 119 Article Not Passed

ARTICLE #16

Shall the town adopt the “all veterans’ property tax credit” under RSA 72:28-b? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or was an officer honorably separated from service, and (2) is not eligible for and not receiving the credit for veterans who served in a qualifying war or armed conflict or for veterans with a service-connected disability. If adopted, the credit will be in the amount of \$500.00, which is the same amount as the credit for a veteran who served in a qualifying war or armed conflict. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the Selectmen or the Assessor by April 15 of the tax year. If adopted, this amendment shall become effective as of April 1, 2018. (Majority vote required)

The Board of Selectmen **do not recommend** this article. (Vote 2-1)

Moved/Seconded

Discussion

David Haskell read and addressed the meeting in regards to our military personnel and to the newly enacted RSA 72:28 (b) tax credit as being the same as the old one (RSA 72:28) but without the “wartime” periods. The Selectmen have had a year to determine how many more would qualify for the “All Veteran’s Tax Credit”. David Haskell spoke that the Veterans may have volunteered to join the US Armed Forces but had no choice where or when they served, they should not be deprived of a benefit, they should all be recognized for their service. They all earned it, and all were ready to fight. He stated not to knock a Veteran’s peacetime service by denying them the same benefit as their fellow Veteran’s.

John Wheeler served in US Public Health Service for 8 years which is considered not a Veteran unless you serve in an emergency at which time you would be serving under the US Navy. He feels he is not eligible as it is not a matter of how much we honor veterans but that this is a tax benefit for those that actively served and is a tax burden on everyone else.

David Little asked about tax rate impact as it was not available last year. Jim Hidden commented that a regional study showed 7% increase in the qualifications. Darlene McWhirter commented that it would be 7% of the people already qualified which was a survey of 7-10 other towns. That if we use 10% that would be 14 more people if our town followed that trend. Steve Gray addressed that a legislative bill may have recently passed to allow increments to veteran’s credits and not just the full credit of \$500. Jim Hidden spoke that if possible we may be asking a similar question next year with the increments. Dan Poirier addressed his reason for not in favor of this warrant article because it was voted down last year and NO means NO. He stated if it was re-written under the new guidelines he would support it 100%. William Farnum was against this article because he feels it is the Federal & State Governments responsibility of which they have failed to do and has trickled down to the towns.

(By Petition) To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$6,024** for the support of **White Mountain Community Health Center** to help meet the healthcare needs of the uninsured and underinsured residents of the Town of Tamworth. (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 2-0-1)

ARTICLE #28

(By Petition) To see if the Town of Tamworth will vote to raise and appropriate the sum of **\$1,500** for **MWV Supports Recovery Coalition Recovery Support Programs** (family and peer support programs for substance use disorders). (Majority Vote Required)

The Board of Selectmen **recommend** this article. (Vote 3-0)

Margaret Reiser made a motion to address any other new business that comes before the meeting.

Moved/Seconded

David Haskell made a motion to send a questionnaire with the next 2018 tax bill in regards to the All Veterans Tax Credit according to the new RSA number, and to ask the board of selectmen to consider the new Veterans credit for the 2019 Town Warrant. The moderator explained that this was purely advisory. A Voice Vote was taken on the motion and Voted Down.

Donald Johnson a forester from Chocorua announced that the Chocorua Lake Conservancy, and its predecessors, would be celebrating its 50th Anniversary in 2018 on Saturday June 30th, 2018 with lots of activities for all to attend. The Chocorua Lake Conservancy is a non-profit land trust dedicated to protecting all the natural resources in the 6,000 acres within the Chocorua Lake Basin. These lands are the watershed that covers Chocorua River, the Lakes, and the outlet down to Moores Pond. Most popular lands are the Grove, the island on old Rte. 16, and the public sandy and town beaches. All of this is maintained with no cost to the town.

Juno Lamb thanked all those who volunteer their service in this town and welcomed our new police department. Dan Poirier thanked David Little for his many years of service on the planning board.

Becky Mason asked to consider continuing the Advisory Budget Committee in order to give oversight and overview to inform the voters of their findings and for future town meetings.

William Farnum asked to adjourn meeting.

All in Favor.

Meeting was adjourned at 10:35pm

Respectfully submitted,

Kim Trammell

NH Certified Town Clerk/Tax Collector

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

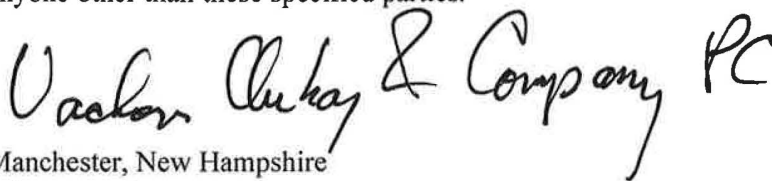

To the Board of Selectmen
Town of Tamworth, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Tamworth, New Hampshire (the Town) as of and for the year ended December 31, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Town's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Manchester, New Hampshire
July 16, 2018

Board of Selectmen

The Board of Selectmen increased its membership by 67% in March of 2018 (as per 2017 Town Meeting's vote) and added 67% more ideas, experience, knowledge, and additional ways to get work done (and an occasional marathon-length meeting).

At home, the Town Office's emphasis on Public Service continues. Town Administrator Darlene McWhirter, Finance Officer Kathy Estabrook and the Selectmen welcomed Robin Frost, long-time Town Manager of Gorham to the staff to handle assessing, among other duties. Her experience and knowledge serve Tamworth well.

Much of what makes Tamworth better is done by volunteers, non-profits, trustees/board members, committees, commissions, interested citizens and the Town employees. Sometimes the appreciation for them and what they do isn't voiced as loud and strong as it should be. We all count on them and are grateful for them and all they do.

The rehabilitation of the Town House, led by The Friends of the Town House, is complete (save a planned HVAC improvement) and has brought two elections, The Farmer's Market and Song Circle, The Craft Fair, Town functions, Rec programs, Contra Dances, etc. back to the Town House. The Friends oversaw all the work (did a considerable amount themselves) and were able to include local tradesmen and women, as well as area businesses whenever possible and financially reasonable. Grants and donations from the Tamworth Foundation, History Center and Ladies Guild were vital parts of getting it done.

Long hours and research by the Advisory Budget Committee, The Rec Program Committee, the newly-organized and active Recycling Committee, the Veteran's Committee, the Municipal Safety Building Committee, the people who attend and bring information and concerns to Selectmen's meetings, those who watch Government Oversight's Tamworth meeting videos and contact Selectmen with issues and suggestions and many others contribute to the well-being of our Town and our neighborhoods.

Some folks report some dimming of the lights in Chocorua, the American Flag is flying on the South Tamworth greensward, DOT rebuilt and opened Butler's Bridge ahead of schedule, Chiefs Colcord and Littlefield and Road Agent Roberts led the work on Tamworth's Hazard Mitigation Plan update with FEMA, and Tamworth is, as ever, looking up.

The Selectmen have identified some goals and projects for 2019 and beyond: researching possible revenue streams, updating town policies, budgeting under new demands such as the collapse of recycling markets, careful consideration of possible cost savings, continued pursuit of regional, cooperative solutions and others.

Respectfully Submitted,
Steve Gray, Chairman
Dan Poirier
Aaron Ricker
Willie Farnum
Becky Mason

Capital Improvement Program Committee Report

Fiscal Years 2019-2024

The Capital Improvement Program (CIP) is a valuable part of town planning and budgeting. Its purpose includes:

- 1) Planning to maintain and improve Tamworth's capital investments,
- 2) Scheduling capital expenditures to "level" the capital budget tax rate wherever possible.
- 3) Recommending specific programs, purchases, projects, schedules, and budgeting to the Selectmen and voters.

The CIP Report includes anticipated expenditures and funding for capital projects for the next 6 years, suggested warrant articles, tax rate effects, descriptions of projects, and detailed information on capital plans in some areas. It is non-binding, advisory, and updated annually. Projects are categorized and prioritized by need and urgency.

The CIP Committee is required to report to the Planning Board and Selectmen annually.

The full CIP Report for FY 2019-2024 is available:

in print: at the Town Offices, Cook Memorial Library, and Chocorua Public Library
on the Town website: www.tamworthnh.org

The full Report includes information about the scheduled program, some definitions and descriptions, goals, graphics, and financial and tax rate information for Tamworth's taxpayers, residents, property owners, and businesses.

The Committee thanks the Town Departments, Boards, Committees, and Commissions for their cooperation, planning, and budgeting on behalf of the Town and its taxpayers, and their assistance and patience in updating the CIP Report with us. The Report includes numerous examples of their efforts to reduce costs, postpone replacements, and carefully plan ahead, resulting in lowering costs while maintaining services and protecting the Town's capital investments.

The CIP Committee welcomes comments, information, and suggestions from the community, and invites anyone who might consider participating as a member of the CIP Committee to contact the Planning Board.

Respectfully submitted,

The CIP Committee:

Melissa Donaldson, Becky Mason, Kathi Padgett, Sheldon Perry, Susan Ticehurst,
Jack Waldron, John Wheeler

911 Emergency Ambulance Services

2018

CarePlus and North Conway Ambulance Service would like to thank the people of Tamworth for trusting in our services. In 2018 we continued to provide emergency 911 coverage for the town working hard to ensure professional ambulance coverage is available twenty-four hours a day.

CarePlus / North Conway Ambulance Service continues to work closely with the Fire Department to ensure professional quality EMS services are available to those who need our care. In 2018 we added a Type 1 Ambulance to our emergency ambulance fleet and added new house lighting/alert system in our facility to alert crews of any call and improve on our response times.

In 2018 CarePlus/North Conway Ambulance Service has responded to 517 requests for ambulance service:

- Advanced Life Support	146
- Basic Life Support	128
- No Transport	158
- Standby Requests	85

Our EMT's and Paramedic's work hard to provide the best care and we appreciate their dedication to providing EMS for the Town of Tamworth and other area communities.

Respectfully submitted,

Eric F Damon
President/CEO

Cemetery Trustees 2018 Report

2018 was the second of a three-year contract for cemetery maintenance contracts. A periodic check on all fifteen locations under contract takes time, effort and communication – both for accolades as well as for constructive criticism. Routine mowing and trimming is reliably good unless the weather challenges keeping on schedule. Spring and fall clean ups, as well as unforeseen events requiring cleanup tend to be costly, mostly because the debris needs to be picked up and hauled away. It has become common to use leaf blowers, but in many places the leaves cannot be blown into the woods because of stone walls. Raking and picking up becomes necessary and more costly.

At the Chapman Cemetery, located by the billboard on the north side of Route 16 in Chocorua, broken posts with bent or missing steel pipe railings were taken down. The posts were reused to make a stacked horizontal wall closest to the road. The appearance is much improved. At the old section of Ordination Rock Cemetery, the hinge post for the gate at Hollow Hill Road broke at ground level and was replaced with a new, old post that was tied by bolt to the granite slab wall. The gates were rehung and now work smoothly. These two projects were hired out at a cost of \$4,000. More repairs of stone and steel infrastructure are planned for 2019 and beyond.

At Riverside Cemetery, all the posts installed in the early 2000's were intended to be linked by chain as evidenced by pre-drilled holes for anchors. We plan to install one strand of chain. At Pease Hill Cemetery, the steel pipe rails will be removed, broken granite posts replaced or reset, chain strung between posts and the steel gate replaced.

The work done by the state to rebuild Cleveland Hill Road toppled a large granite slab on the Hollow Hill Road wall. Richard Roberts and his crew came to our aide and reset it. Part of the smaller stone wall along Cleveland Hill Road was rattled down, but easily repaired by the Trustees. In late summer, skunks uprooted sizable sections of sod in the new section of Ordination Rock Cemetery and turkeys followed to glean the left-over grubs and such. These patches will require cultivation and reseeding in the spring.

A restoration day was held in September at Chocorua Cemetery. A small crew of volunteers joined the Trustees to right numerous leaning and downed stones. Once again, we are indebted to Karl Nydigger for his leadership and expertise in this work. We are thankful to John Roberts for supplying the sand for under the stone bases. This annual effort makes a big improvement, but we need more volunteers.

Ongoing projects include 1) Obtaining a right of way from the abutter along the south wall of the Pease Hill Road cemetery to allow vehicle access into the newer section of the cemetery. Currently there is no vehicular access to Pease cemetery; and 2) Making a new access to the Coville West section of the Chocorua cemetery through the stone wall which will provide connection to the East section access.

In 2018, two cemetery plots were sold, the income from which was added to the Cemetery Expendable Maintenance Trust Fund (set up in 2017 as a result of Town Meeting Action) which has a total of \$7950.

For many years, the Trustees have been providing some maintenance to 10 outlier cemeteries without knowing if we in fact own them. After discussion with the New Hampshire Municipal Association and the Selectmen, we plan to go through a process set out in the State statutes to take over the care of the cemeteries. This process requires publication and hearing for public input.

In addition to the contractors, Tracey Antolin of Brownfield, ME and Jeremy Beauchene of Tamworth, we thank the following: The Bearcamp Valley Garden Club and Gordon McCleary for planting and taking care of the Veterans monument flowers, the Boy Scouts for planting flags at veterans' plots in Chocorua, Riverside and Ordination Rock Cemeteries for Memorial Day; John Wheeler for sealing the hemlock rails and posts at the replica Town Pound, the folks at Cook Library who provide our meeting space and help us advertise and coordinate the annual restoration day; and Karl Nydegger for gravestone repair. Finally, we thank the Veterans Committee who have come forward to join the efforts in placing flags for Memorial Day, not only on the graves in the active cemeteries, but in the outlying ones as well.

John Roberts, Mark Albee, and John Wheeler (Chairman)

CONSERVATION COMMISSION

The Tamworth Conservation Commission serves in an advisory capacity to the Board of Selectmen and the Planning Board. It also serves as a ready resource for all residents who have environmental questions. Residents who wish to learn about options for management or protection of their land find the Commission a good place to start. Assistance which the commission is happy to provide ranges from simply answering questions or gathering information to making referrals to actually participating in an easement process, if requested.

Meetings

Regular Commission meetings are held at 7:00 pm on the second Monday of each month in the Town Office. The public is welcome to attend and public input is welcome. Questions, including a request to be on the agenda, can be made via email at: info@tamworthconservationcommision.org.

Membership

Interested residents become commissioners by attending meetings, making their interest known and being recommended by the Commission to the Board of Selectmen. All appointments to the Commission are made by the Board of Selectmen. There are seven members plus alternates; the number of alternates is not limited. As of December 2018 members are William Batchelder, Charlie Townsend, Stephanie Doyle, Chele Miller, Nelson O'Bryan and John Watkins while alternates are Ned Beecher, Eric Dube, Lucy Gatchell, Dexter Harding, and Kit Morgan.

Trails and Managed Lands

Annual maintenance was completed on the town's hiking trails and the Bearcamp field was mowed. One trailhead map box was replaced. The firetower's four panorama photos that identify the major peaks seen from the tower were replaced and the kiosk at the entry road to the tower was updated. In addition, minor repairs were made to the tower itself.

Land Conservation

The annual inspections of properties on which Tamworth holds a conservation easement were completed. Members of the Commission offered support to two landowners who wished to place an easement on a portion of their property. The Commission held a public hearing on the proposal to acquire a 2.5 acre parcel which would be added to the Jackman Pond Wildlife Area; this proposal is still a work in progress.

Environmental

The Commission continued to provide financial support to Green Mountain Conservation Group's Water Quality Monitoring program. Members also received an update on monitoring results from GMCG's Jill Emerson in November. Members of the Commission continue to conduct the required quarterly monitoring of gas emissions—primarily methane—from the closed Durrell Road landfill. Commission members also assisted with the annual Household Hazardous Waste Day collection.

Public Education and Information

The Commission along with the Cook Memorial Library sponsored two talks on wildlife and environmental topics: Eric Masterson spoke on hawk migration and Rick Van de Poll gave a lecture on moths and butterflies. Ned Beecher continued to offer his spring bird walks and Chris Conrod conducted a vernal pool walk. In addition the Commission sponsored a wildflower walk by Barbara Bald. The Commission continued to support Tamworth students who are interested in environmental education programs. In 2018 students were sponsored at Tin Mountain in Albany and at Barry Conservation Camp in Berlin.

For further information, please visit the Commission's web site, www.TamworthConservationCommission.org

Respectfully submitted,
Nelson O'Bryan
Chair, Tamworth Conservation Commission

Cook Memorial Library 2018 Annual Report

Mission Statement: Cook Memorial Library provides educational, cultural, recreational and information resources through the work of its dedicated and knowledgeable staff. It is accessible to all as a welcoming and comfortable center of community activity.

In 2018, the Trustees of the Cook Library updated the library's Strategic Plan. Strategic priorities for the coming year are faster internet, expanding services to older residents, programming for teens, and fostering deeper community connections and understanding. We thank all community members who provided feedback, information, opinions, and shared aspirations as part of the planning process.

Cook Memorial Library in 2018 by the numbers

Items in collection as of December 31:	22,704
Items added:	1,164, 34% were gifts
Items withdrawn:	1,763
Active borrowers:	941 individuals checked something out; 115 people downloaded e-books and audiobooks
Items borrowed:	27,074, 15% (4,026) were interlibrary loans
Visits to library:	17,747
Reference questions answered:	1,705, includes technology assistance
Programs:	266, with attendance of 4,873
Community meetings:	271, with attendance of 1,425

Items available to check out included books, magazines, audiobooks, music CDs, DVDs, equipment, plus downloadable e-books, audiobooks and magazines. The library provided online access to Britannica encyclopedia, articles from Ebsco (funded by the N.H. State Library), Ancestry and HeritageQuest.

Cook Memorial Library held 266 programs in 2018, and program attendance was 68% higher than in 2017. In 2018, weekly baby lapsit times and chess club were added to our recurring programs that included storytimes, book groups for older children and adults, and the Tamworth Maker Club in partnership with 4-H. Our town is fortunate to have many local experts and performers who share their knowledge and talent at programs, presentations, and performances at the library throughout the year. In December, our library likely became the first library in New Hampshire to host a Crankie performance, created and performed by volunteers.

One of our library's greatest strengths is an experienced and talented staff that is dedicated to making the library Tamworth's hub for accessing books and other media, finding information and programs that encourage lifelong learning, and connecting to the community. The Friends of Cook Memorial Library are another of our library's great assets. Friends members support innovation and raise funds that help to provide programs, equipment, supplies, staff development, downloadable books, and library materials.

In 2018, part of the planned exterior painting project was completed. After months of searching for an EPA-certified contractor willing to provide a quote, two estimates for completing the older, lead-painted portion of the building were received, one in November 2018 and one in January 2019. These estimates were higher than expected, and Trustees opted to include the cost of completing the exterior painting in the 2019 operating budget.

Library Trustees voted to carry over the following 2018 unexpended funds to the 2019 budget: \$73.72 Barbara Fromm Memorial Fund; \$333.33 Susan Chiaradonna Memorial Fund; \$125.00 Sharon Malenfant Memorial Fund; \$1,385.37 income from library Trust Funds; \$126.31 NH Public Deposit Investment Pool; \$350.72 copier/fax income less expenses; \$732.08 income from fees, donations, and sales; and \$1,058.47 Friends of CML funding support.

Everyone is welcome at the library, and we welcome your feedback and suggestions. See our website <https://tamworthlibrary.org> for hours, contact information, events, services, and access to library catalogs and online resources.

Respectfully submitted,

Mary Cronin, Library Director

2018 Annual Report

Dear Citizens of Tamworth,

As one of its missions, the Tamworth Economic Development Commission has continued to encourage the growth of our many existing businesses throughout 2018 and happily report the expansion of several of them!

The Commission held its second Tamworth Street Fair! Despite the deluge from the sky throughout the day, many of the registered businesses were present and rain-coated pedestrians braved the heavy rains. The Street Fair has become an annual event on the first August weekend. Our continual goal is to include as many of the town businesses as possible and provide a unique opportunity for them to market their companies to lots of people! Many red balloons lined Main Street for an exciting day filled with food, music and the unique offerings of diverse products and helpful services from our town. Many people have helped us in making the Street Fair a success: Fire Department, Police Department, Boy Scouts, the Farmers Market, and especially Scott Aspinall and the Behr's who made parking space available for our visitors. Many thanks to all!

Over several of the last few years, the Economic Development Commission has supported and encouraged the development of a senior housing center, a project that is currently led by Jo Anne Rainville. We look forward to a successful conclusion to this project.

To encourage the concept of 'buying local' we produce a booklet for residents that contain the contact information for not only the businesses and non profit groups in town but also the agencies that would be helpful to newcomers. This information can also be found on our website: Tamworthedc.com. In addition, we have created a Tamworth brochure which is placed in local restaurants and stores so visiting tourists can be aware of the various local inns, stores, recreational areas and restaurants Tamworth offers.

Realizing the importance of efficient marketing to encourage the growth of Tamworth businesses, the Commissioners hosted the very successful Tech Forum, a program that was spread over four months from January to April to familiarize companies with the beneficial tools to facilitate their marketing efforts. The topics were: Facebook, Instagram, Excel and Website Design.

In 2019, we look forward to bringing you a series of Forums beginning in March entitled “Age Friendly Tamworth”. Watch for details soon!

Your Economic Development Commission is preparing to have another busy, productive year in 2019!!!

Sincerely yours,

The Tamworth Economic Development Commission Board: Pat Farley, Chair; Kelly Goodson, Vice Chair; Barb Bloomberg, Recording Secretary; Mary Phelps, Kimball Packard, Dan Poirier, Erica Boynton and Alternates: Trish Chaput and John Ferreira.

**Town of Tamworth
2018 Report on the
Mt. Washington Valley Economic Council**

For more than 28 years the Economic Council, serving all communities in Mt. Washington Valley, has been dedicated to the expansion of business opportunities, providing skills training and facilitating a public forum for issues critical to the future of our communities. The Council's Business Incubator strives to provide economical, efficient and productive support to businesses that help to diversify our local retail and recreation economy.

Located at the Tech Village, some of the services provided by the Council include:

Revolving Loan Fund – This year there are 21 active loans in the valley. The loan portfolio of \$1.1 million supports starter businesses and those at a critical point of transition in their growth. The fund has made loans to over 80 businesses totaling some \$6.2 million over its lifetime.

Boot Camps – Through technology education and business skills training, the popular Boot Camps improve management and staff skills and offer workshops on a wide variety of development needs that are both affordable and convenient.

Eggs & Issues – This monthly Business Leaders' breakfast meeting features keynote speakers who help stimulate entrepreneurship, networking and critical issues information among the business community.

S.C.O.R.E. (Service Corps of Retired Executives) – This service provides free and confidential business guidance and/or planning from seasoned experts. Whether a fledging business or one preparing for growth, SCORE offers invaluable support to businesses in need of sound business plans or developing marketing/operating strategies.

The Economic Council is funded through a combination of grants, loan fund interest income, membership dues, corporate sponsorships and town memberships like Tamworth's. It is a vital part of our local economic development and welcomes our support.

Respectfully submitted,

Pat Farley – Tamworth Representative

Emergency Management Director Annual Report

2018 was a very busy year for the Emergency Management Director, (EMD). Along with ongoing operations and training and with the help from all Town Departments, we completed the Hazardous Mitigation Plan which is a five year requirement. The HAZ-MIT plan update was paid for by a grant through the State of New Hampshire Home Land Security and Emergency Management, (HSEM) and the Federal HSEM. Thank you to all of the Town Departments and individuals who contributed to the Plan. Their participation was vital in not only developing a comprehensive plan, but also in the number of hours required to achieve our soft match portion for the grant funding.

Thank you to all Departments who contributed their time and statistics for the October 29th, 2017 storm which was a Presidential Disaster Declaration. With everyone's hard work the Town of Tamworth was reimbursed approximately \$65,000.00 from the Federal HSEM to offset expenses incurred.

Terrorism

"The unlawful use or threatened use of force or violence against individuals or property in an attempt to coerce or intimidate governments or societies to achieve political, religious or ideological objectives".

If you see something, say something. Tamworth, being a rural community does not exclude us from being targeted for terrorism. Current trends are young adults being radicalized primarily through social media. Any public gatherings are soft targets for these individuals. Current trends are vehicles being used as a weapon, Pyro-Terrorism, which is Fires being set either in buildings or in the urban environment and Homemade Explosive Devices. Information from the general public is an effective weapon in thwarting a terrorist plan. Please be vigilant and do not hesitate to share any information or suspicious activity.

Let's all have a safe 2019.

Sincerely,
Richard Colcord, EMD

Annual Town Report

Respectfully remembering a very active member of the Tamworth Fire and Rescue Department who served his Community and Country for many years. I could not possibly mention all that Dave has given in his life time. Amongst his numerous accomplishments in his life, Dave became a member of Tamworth Fire in 1962. Dave became a Fireward in 1964 and was still serving in that capacity right up until the day he died. Dave was also a founding member of the Tamworth Rescue Squad and the Ossipee Valley Mutual Aid Association. I could fill a book about Dave. I respectfully thought of Dave as a library of information. I could either "Google it", or I could ask Dave, which was like going to the library for historical information without spending the time going through archives. David taught a lot of us to treat people the way you would like to be treated. Rest in peace David, you deserve it.

TAMWORTH FIRE / RESCUE DEPARTMENT

RICHARD J COLCORD, CHIEF OF THE DEPARTMENT

132 CHINOOK TRAIL, TAMWORTH NH 03886

STATION: (603) 323-8874, FAX: (603) 323-9974

EMAIL: CHIEFCOLCORD@TAMWORTHFD.ORG

Tamworth Fire and Rescue answered 643 calls for service in 2018. This is a higher than average call volume for us compared to years past with the majority of calls being Emergency Medical Service, (EMS) related. Calls for service were as follows:

- 11 Building or vehicle fires, this includes four Mutual Aid calls
- 397 EMS calls
- 62 Fire Alarm/CO activation, with or without fire/CO
- 16 Authorized and Un-Authorized burning
- 51 Motor Vehicle Collisions, with or without personal injuries
- 69 Service calls and Good Intent calls
- 5 Chimney Fires, contained to the flue or chimney
- 7 Search for lost person or carry out
- 13 Power lines down or Tree on wires
- 3 Forest Fires
- 9 Hazardous conditions, no fire

The majority of homes and businesses that I go into for whatever reason do have functioning smoke and CO detectors. I have noticed an improvement from past years. Keep up the good work and do not get complacent in regard to Fire and Life Safety issues in your homes.

One major life safety issue which is especially prevalent this time of year due to snow accumulation is that it is hard to locate a residence. If we can't clearly see your assigned E911 home identification number, it may take us longer to get to you. Numbers which are covered in snow are not helpful to us. We highly recommend that you purchase the signs which we offer here for \$18.00 each. When you are driving on any major roadway, signs are reflective green background with reflective white lettering. This is proven to be the most visible combination and the easiest to read.

I would like to congratulate and thank four members who completed Certified Firefighter One this past year. Michael Bowles, Rusty White, Nick Colcord and Matt Tavares spent 142 hours of curriculum and cognitive instruction plus numerous practical days. Most of the training took place at Center Ossipee Fire

EMAIL: CHIEFCOLCORD@TAMWORTHFD.ORG

Department. A considerable amount of the required training was conducted at the New Hampshire Fire Academy in Concord or in Bethlehem. These members often spent evenings studying on their own or with more experienced members. I am very pleased and impressed with their dedication to achieve this certification. Often they would have to attend the New Hampshire Fire Academy in Concord on a Monday evening so they would not get home until late at night and still have to perform their regular jobs the following day.

I would like to acknowledge and thank Jacy Baumann for her dedication in achieving National Registry as an Emergency Medical Technician. Certification requires around 160 hours not including travel to and from class and practical exams.

Starting February 9th we have seven members starting National Registry Emergency Medical Responder course which is being held in Center Ossipee. We also have four members working with surrounding towns to establish a Search and Rescue Team in cooperation with New Hampshire Fish and Game Department. This team will specialize in Searching for missing persons and for wilderness carry out and rescues.

As always, I would like to thank all of the Town Departments for their help throughout the past year. The Office Staff at the Town Office are always very helpful and pleasant to work with. The Town Road Crew has always been and continues to be very generous to the Fire and Rescue Department. I can't thank Richard's entire crew enough. It is so nice knowing that we have an outstanding Police Department. Every resident should be very proud of the high caliber team that Chief Littlefield has established. The Chief, the Sergeant, the Patrolman and the part time Officer have been excellent to work with. It is reassuring that on EMS and Fire calls we know that they are there to help out. They all have demonstrated a very professional, courteous and willingness to lend a hand when needed. I think of some EMS calls where we have been shorthanded and their willingness to help out has been extremely appreciated. Whether it be simply getting a piece of equipment from the Ambulance to helping out with CPR. I sincerely thank each one of them. I would also like to thank the Select Board for their professionalism and the willingness to work so well with the Fire and Rescue Department on numerous issues over the last year. I would also like to thank and acknowledge the West Ossipee Fire

Department. Chief Huddleston often invites us to participate in their trainings and allowed us to operate from their Station for a multiple day Search and Rescue event which was helpful due to the geographical location.

With all of my heart and soul, I would like to thank each and every member of the Tamworth Fire and Rescue Department! The amount of participation from some members fluctuates from time to time due to other commitments, either for their full time work or family life. That is O.K. Members participate as much as they can, I can't ask for more than that and I truly appreciate their dedication, motivation and all of the help they have provided me. There are countless hours that these Volunteers commit to the Department.

Burn permits can be obtained from the Central Fire Station, The Town Office or on line at: <https://nhdfweb.sovsportsnet.net/>

In closing, a sincere thank you to all of the residents for your continued support. Please make 2019 a safe year. Again, do not get complacent in regards to Fire and Life Safety issues around and in your home. I am always available for any questions, guidance or concerns.

Very sincerely,

Richard Colcord, for all of the members of the Tamworth Fire and Rescue Department

You know I had to report and comment on the importance of Smoke and CO detectors:

- Smoke alarms provide an early warning of a fire, giving people additional escape time. In 2012-2016, smoke alarms were present in three-quarters (74%) and sounded in more than half (53%) of the home fires reported to U.S. fire departments.
- Almost three of every five home fire deaths resulted from fires in homes with no smoke alarms (40%) or no smoke alarms that were working (17%).
- The death rate per 1,000 reported home fires was more than twice as high in homes that did not have any working smoke alarms (12.3 deaths per 1,000 fires), either because no smoke alarm was present or an alarm was present but did not operate), as it was in homes with working smoke alarms (5.7 per 1,000 fires).
- In fires in which the smoke alarms were present but did not operate, more than two of every five (43%) of the smoke alarms had missing or disconnected batteries.

Report of Forest Fire Warden and State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

In 2019, we will be recognizing Smokey Bear's 75th birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **“Remember, Only You Can Prevent Wildfires!”**

As we prepare for the 2019 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.nhfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

2018 WILDLAND FIRE STATISTICS

(All fires reported as of December 2018)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2018	53	46	91
2017	65	134	100
2016	351	1090	159
2015	143	665	180
2014	112	72	53

* Unpermitted fires which escape control are considered Wildfires.

CAUSES OF FIRES REPORTED

Friends of the Town House

In December of 2017 we made a couple of simple requests to the Board of Selectmen, with regards to cleaning the town house and holding a rummage sale, with the money raised going toward a new refrigerator.

After our first full walkthrough of the town house in early January 2018 we informed the Selectmen that there was mold and flooding issues in the basement. At Town meeting the residents of Tamworth voted to appropriate funds to resolve some of the many issues at the Town House.

As volunteers, we have spent the last year meeting with contractors, getting estimates, and contributing to every aspect of the clean up and repair of the building. We have attended every Selectmen's meeting since then to provide updates, and pass along estimates that allowed the Selectmen to decide how to best spend the money on repairs.

From top to bottom the building has had mold remediation, asbestos tiles removed, kitchen renovations, new windows and doors, window shades, floor refinishing, new treads on stairs, new basement stairs, new lights and electric panel, and outside drainage work that is still in progress and will be completed in the spring.

We provided the Selectmen with a completed grant application to the Tamworth Foundation, and the Town was awarded \$18,034.00 for upstairs windows, LED light fixtures, padded folding chairs, windows and a door for the basement. The Tamworth Ladies Guild generously paid for the new window shades on the main floor and the Tamworth History Center helped resupply some of the kitchen utensils.

With our assistance on July 30, 2018 the Town House was placed on the New Hampshire State Register of Historic Places.

We are also part of the local craft group that holds craft sales at the Town House every Saturday during the summer months. With the table rental fees we have purchased 13 new tables, cleaning supplies and 2 bulletin boards for the Town House.

We were committed to seeing this historical building restored to a condition in which it was safe and pleasant to use. We are happy to report that we had the rummage sale in May and we were able to purchase the new refrigerator.

The Friends of the Town House
Casslyn Cook
Linda Cook
Barbara Walker
Melanie Streeter

HIGHWAY DEPARTMENT - ROAD AGENT

The Tamworth Highway Department was able to accomplish many projects in 2018. The projects include re-building and paving of Gardner Hill Road and the paving of Durrell Road

We continued other needed maintenance as time allowed, to include: replacing culverts, ditching work, tree trimming and removal, patching, roadside mowing, sweeping and crack sealing, road sign repair and replacement among other ongoing projects.

If funding is approved for 2019, we plan on a top coat of paving for Gardner Hill Road and rebuilding Washington Hill Road.

I would like to thank the road crew for all their hard work in 2018, as well as the sub contractors for their work. Thank you to Chief Colcord and Chief Littlefield as well as the Board of Selectmen and town office staff for their support.

Respectfully Submitted,

Richard Roberts
Road Agent

Municipal Building Committee

The Municipal Building Committee started meeting in November after a yearlong pause. The goal of the committee is to look at the current buildings' conditions, size and limitations for the future use of Town departments, to determine what, if anything needs to be done to them to bring them up to code, and what the costs would be.

The committee is looking at what the cost of building a new municipal building to house the departments would be, and what departments should be housed there. The cost effectiveness of doing repair, expansion, code updating verses new building will be taken into account before any requests are made of the voters for funds to build or renovate buildings.

In 2017, the town appropriated \$10,000 in an article to perform a needs assessment and plan for a future Public Safety Building. As of December 31, 2018, there is \$8,607 in the 5-year non-lapsing account.

Minutes of the committee are on the town website www.tamworthnh.org for those who are interested. Meetings are held once a month and are open to the public.

Committee members are: Fire Chief Richard Colcord, Police Chief Dana Littlefield, Rebecca Mason, Selectmen's Representative, Jack Waldron, from the Capital Improvement Program Committee, and Ron Remick, from the public. We would also like a member from the Planning Board. Chris Conrod is our secretary and William Farnum serves as Chair of the committee.

Planning Board

During 2018, the Tamworth Planning Board conducted 12 regular monthly meetings and 4 work sessions.

At the regular meetings, the board held 11 public hearings:

- 3 Boundary Line Adjustment (2 approvals)
- 4 Subdivision (4 approvals)
- 3 Scenic Road Regulation (3 approvals)
- 1 Design Review Phase (Boundary Line Adjustment)

The Planning Board also approved 2 lot mergers and this year's Capital Improvement Program report.

Beyond attending to the public hearings at our regular meetings, the Planning Board updated our Regulations for the Subdivision of Land and the associated submission requirements. Master Plan review sessions were scheduled for selected town departments and a plan was formulated for updating our Personal Wireless Service Facilities Ordinance (PWSF).

During the work sessions, the Planning Board discussed the impact of a private septic system on density within the Tamworth village, the review of the implementation of the Master Plan by department, updating our "Cell Tower" (PWSF) ordinance and georeferencing as it impacts updating the tax maps.

The minutes to all our meetings are available to the public via the town website. The public is always welcome at any Planning Board meeting, typically held on the fourth Wednesday of the month, 7 PM at the town office building.

Our members:

Sheldon Perry- Chair, Becca Boyden- Vice Chair, Andy Fisher- Secretary, Eric Dube- Treasurer, Pat Farley, Kathi Padgett, Aaron Ricker- Selectmen's Representative, alternates Dom Bergen and Nicole Maher-Whiteside. Melissa Donaldson is our clerk.

Lakes Region Planning Commission

The Lakes Region Planning Commission is a voluntary organization of 30 member municipalities within one of the 9 regional planning areas established by state legislation under NH RSA 36:45. Regional planning commissions strive to respond to and shape the pressures of change in a meaningful way, both locally and regionally, through communication, joint initiatives, and planning.

With a regional planning area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC's professional staff provide regional planning services in the areas of transportation, land use, economic development, watershed management, and natural resource protection; local technical assistance with master plans, capital improvement plans, hazard mitigation plans, ordinance review, and circuit rider consulting; GIS mapping services; data collection and analysis; and review of Developments of Regional Impact.

In May 2018, we expanded our boundaries with the transfer of the Town of Plymouth to our planning region. After Plymouth's request to change planning regions was approved by New Hampshire's Office of Strategic Initiatives and an Executive Order was issued by the Governor, we welcomed Plymouth as our newest municipal member.

Tamworth's Representatives to the LRPC

Commissioners:

Patricia Farley, Aaron Ricker

Transportation Technical Advisory Committee (TAC):

John Gotjen, David Bowles (*Alternate*)

Highlights of the LRPC's activities during the past year are listed below.

LOCAL SERVICES — Tamworth Highlights

- ◆ Provided technical land use planning assistance to the Planning Board regarding possible subdivision regulation amendments to address clustered small house development issues.
- ◆ Prepared development constraints maps for Planning Board and revised parcel attributes accordingly.
- ◆ Participated in Broadband Forum in Tamworth.
- ◆ Input key destinations and distributed Quantitative Assessments of Bicycling Suitability map to the Town.
- ◆ Enabled Town electricity savings of \$1,084 through our Regional Electricity Aggregation initiative.
- ◆ Coordinated our annual regional Household Hazardous Waste Collection in Summer 2018 with Tamworth as one of 25 participating member communities for a substantial group savings. This enables residents to safely dispose of their household hazardous waste as a means of protecting the region's groundwater that we depend on for drinking water, domestic use, and tourism.
- ◆ Facilitated bulk purchase and distribution of NH Planning and Land Use Regulation books for the Town at a substantial discount.

REGIONAL SERVICES — 2018 Highlights

- ◆ **Regional Purchasing Initiatives** | Created the opportunity for participating towns and school districts to save combined totals of \$159,938 in Electricity costs and \$10,123 in Oil & Propane costs

by initiating a program to reduce individual town costs using the power of aggregate purchasing. While each town signs their own contracts directly with the chosen supplier, the more that participate, the greater the potential savings. We continue to research potential shared services and future cooperative buying opportunities, based on member input, on items such as Catch Basin Cleaning, School Bus Transportation, and Cell Phone Service.

- ◆ **Economic Development** | Pursued workforce development and growth opportunities for the region in coordination with regional economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC), and Wentworth Economic Development Corporation.

Brownfields—Provided environmental assessment and consulting on brownfields properties, including the former Laconia State School, to encourage redevelopment through the EPA Brownfields Program.

Northern Border Regional Commission (NBRC)—Provided grant administration for NBRC grant projects in three communities.

- ◆ **Developments of Regional Impact** | Responded to requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and provided updated LRPC guidelines to members through their Commissioners.
- ◆ **Education** | Convened 6 area commission meetings, including an annual meeting with over 120 people and a legislative night. Meetings featured guest speakers covering a variety of topics including *From Brownfields to Whitewater Parks* and *Becoming Age-Friendly Communities*. At our 2018 Annual Meeting we recognized 9 individuals from 7 municipalities with wards across 3 categories for outstanding service to their communities.
- ◆ **Solid Waste** | Provided technical training and educational programs for solid waste managers and local officials through a USDA Solid Waste & Water grant award and submitted a grant application for funding for next year. Coordinated our 32nd annual Household Hazardous Waste Collection with 25 participating member communities held in 8 locations resulting in the removal of 35 tons of hazardous waste just from residents.
- ◆ **Transportation** | Completed Franklin to Concord regional Transit Study creating a regional transit feasibility study template to use in the future.

TAC (Transportation Technical Advisory Committee)—Coordinated and conducted monthly meetings of the Commission’s technical advisory committee on Transportation to enhance local involvement in regional transportation planning and project development.

Public Transportation—Provided assistance to the Carroll County Regional Coordinating Council and the Mid-State Regional Coordinating Council.

RSMS/SADES—Assisted communities with Road Surface Management Systems (RSMS) analysis and conducted culvert and catch basin inventories.

Road Safety Audits—Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities.

Scenic Byways Advisory Committee—Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences.

TIP (Transportation Improvement Program) **& TYP** (Ten Year Plan)—Worked with member towns and NHDOT to prioritize transportation improvements in the region.

Traffic Counts—Conducted over 144 annual traffic counts around the region.

◆ **Watershed Management** |

Pemi Watershed—Provided technical and administrative support to the Pemigewasset River Local Advisory Committee (PRLAC); coordinated and staffed monthly meetings; and maintained their website. PRLAC is a state-chartered advisory committee under NH RSA 483, the Rivers Management & Protection Program (RMPP).

Lake Waukegan and Lake Winona Watershed—Completed Restoration Plan review and created hazardous spill/flow map.

Squam Lakes Watershed and Winnisquam Watershed—Provided contractual services to Squam Lakes Association for facilitation, analysis, and recommendations for Phase I of the Squam Lakes Watershed Plan and to NH Department of Environmental Services for the Winnisquam Watershed Plan Phase I.

2018 HOUSEHOLD HAZARDOUS WASTE COLLECTION

By the Numbers...

⇒ One regional planning commission • One summer • One day of downpours.....	1
⇒ Number of dates.....	2
⇒ Locations.....	8
⇒ Participating communities.....	25
⇒ Years of collections.....	32
⇒ Tons of hazardous substances properly disposed of.....	35
⇒ Percentage of NH’s surface water contained within the Lakes Region.....	40
⇒ Number of volunteers (80+).....	80
⇒ Estimated number of vehicles.....	1,600
⇒ Estimated number of households.....	1,700

Protecting the Lakes Region of New Hampshire..... Priceless

The LRPC thanks the people of the Town of Tamworth for their recognition and support of regional planning.

Respectfully submitted,
Jeffrey Hayes, Executive Director

Dana Littlefield

ANNUAL REPORT

As always, I want to thank the community for their continual support of our department and their cooperation to help make our community a safer place. With the help of neighborhood watch members, we were able to address a couple problem areas in Town, this past year. This community effort goes a long way in assisting us to build the information needed to address these problems appropriately. We cannot speak to this enough. In many cases community members are the first line of defense in providing timely and helpful information, so that we may resolve issues accordingly. Again, we thank you for your help and support.

One of the programs we rolled out this past Spring was our “Ice Cream/Cookie Ticket” program. This program awarded kids, who were found wearing their bicycle helmets, with a card that allowed them to either get a free ice cream cone at The Other Store, or a free cookie/cupcake at Batter Up Bakery. We appreciate the donations by these local businesses to help us promote safety in our community and look forward to partnering with other businesses that may be able to help in this way. We continue to grow as a department and seek other community programs that will help create proactive awareness to addressing safety concerns in our community.

As we considered our budget for this year we looked at various options to help the Town be fiscally responsible, yet be able to continue to provide the level of service needed. Originally, we had proposed funding for grants we were awarded to help us purchase a new post mounted radar sign, as well as computer equipment for our cruiser, and enforcement details. However, due to the requirement for these grants to be 100% appropriated and later be reimbursed for half, it was in the best interest to decline the grants and return

them to the State. Instead, we will seek to find grants locally that will offer full funding for the equipment we need.

This past year was a busy year and was not without its challenges. We headed into the summer months, our busiest time of year, short staffed, but managed to continue to do our best to provide the level of service needed to this Town. One of the matters we discussed when putting together our budget, was the need to add a fourth officer. With the population approaching 3,000 and increasing two-fold during summer months, we believe this is a necessary conversation. This eventual addition is important to providing consistent coverage seven days a week, and further to allow a more even disbursement of caseloads amongst officers. Furthermore, and most importantly, the additional officer will help to allow us to be more proactive in the community with things such as: more consistent involvement in the school, increased neighborhood patrols, more support for community programs, and more help with addressing the opioid crisis that we see growing in our community. We understand that adding staffing comes at a greater cost to the Town, hence we tabled the discussion for this year, but will look to coming years to continue to promote the need for staffing increase.

As I mentioned last year, our employees are our most valuable asset. I commend Sergeant Jamie Sheehy for her extra efforts during our staffing shortages, her continued efforts to provide good community policing, and the professional and polite courtesy she continues to provide to our community members. Furthermore, Sergeant Sheehy recently became a certified L.E.A.D. (Law Enforcement Against Drugs) instructor and will be instructing students at the elementary school. The program is designed to help students build appropriate relationships and make good and healthy choices for their life. This program has grown tremendously throughout the State and seeks to

replace the outdated D.A.R.E. program. We believe early interaction for students with Law Enforcement, in a positive setting, helps to build trust and relationships as they move forward in their lives and become contributing members of society.

I also would like to commend Linda Eldridge, our Administrative Assistant, who provides the department with a wealth of knowledge and years of experience. Linda is an integral part of “greasing the wheels” and helping us to move forward. Linda’s efficiency and professionalism is unmatched, and without her the department would be at a great loss to the services we provide. At the end of October, we welcomed aboard Officer Karl Koch, who came to us from Tuftonboro Police Department. Officer Koch has years of experience working in a small town setting, and has integrated well into our community and our proactive community policing approach. If you see him out there, be sure to welcome him to our Town.

On behalf of Sergeant Jamie Sheehy, Officer Karl Koch, Administrative Assistant Linda Eldridge, Animal Control Officer Kevin Newberry, and myself, we would like to thank you for your continued support of our department. If you haven’t already, please take a minute to follow our page on Facebook ([Facebook.com/TPDNH/](https://www.facebook.com/TPDNH/)), as we seek to keep the Town informed of; emergent issues, upcoming events, known hazards, and friendly reminders. As always feel free to pick up the phone and call us with any concerns, complaints, or friendly support you have to offer.

Thank You and Be Safe,

Dana Littlefield, Chief of Police

Duty, Honor, Community

Recreation Department

2018 was a busy year for the Tamworth Recreation Department. Activities, programs, sports and trips were enjoyed by Tamworth residents of all ages.

The Family Day July 4th celebration was held in HOT weather this year. The parade had 10 outstanding floats and was about average in size. The daytime attendance for the activities at the K. A. Brett School was down this year due to the heat. The fireworks at night had a huge audience as always. Even Better Medicine provided music during the day followed by Jonathan Sarty at night.

The summer program was safe and fun as always. The program was open to all Tamworth children ages 7-14. Thank you to Cook Library for including us in their programs once again. Field trips were taken to Lost River Gorge, Storyland, Smitty's Cinema, Saco Valley Lanes, Knockerball, Aqua Boggan, Portland Sea Dogs, Blitz Air Park, Whale's Tale, Wallis Sands, Clark's Trading Post and Fun Town. Many of the children would not be able to visit these attractions without the summer program. On days with no field trips, we are at the K. A. Brett School with access to all the facilities there.

The Recreation Department offers adult basketball, tennis, pickle ball, T-ball, girls softball, flag football, squeaky sneakers, living strong and unified basketball. Any suggestions for new programs, please call 556-3199. We are always open to new ideas.

The Recreation Department maintains the soccer and baseball fields at 104 Durrell Road, Remick Park, the lawns at the Town House and Town Office and the tennis courts at the school. One of the tennis courts is lined for pickle ball.

Again, any ideas for new activities, sports or programs are always welcomed.

Respectfully submitted,

H. Parker Roberts
Recreation Director

Tamworth Red Cross Swim Program

The summer of 2018 saw 175 children participate in the Tamworth Swim Program at White Lake State Park. The weather is always “interesting” at the lake, but we managed regardless!! There is nothing like a “White Lake Day” with white caps and wind to bring out the best in all of us! It is always a pleasure to see familiar faces return year after year and welcome new ones each summer.

The success of the Swim Program is based on many contributing factors. The Town of Tamworth and the Tamworth Foundation, who each year continues to generously support the Swim Program financially. The parents, grandparents, and childcare providers who make the sacrifice to ensure that the children are able to attend. The staff at White Lake State Park is gracious in their assistance to the program and the use of their facilities for the Swim Program.

The instructors working with the children on a part-time and full-time basis were Ida Robinson, Jessica Mason, Tayghan Gelinias, Jorja Streeter, Linnea Ripps, Martha Chandler and Brenda Robinson. We cannot say “Thank You” often enough to, Steve Gray. He is extremely supportive in countless ways to our program. A special “Thank You” to Dana Cullen for help on our raft days.

Our sincere thanks to all who work to make the Swim Program a continuing success!! We look forward to continuing to offer lessons for many more years to both Tamworth children and children in surrounding communities. May they all have the pleasure of learning to swim, be safe in and around the water and make swimming a part of their lives for their lifetime.

Respectfully Submitted:

Brenda R Robinson
Director, Tamworth Swim Program

Tamworth Community Nurse Association 2018 Report

Statistics		Services	
Home and Office Visits	2,780	Vital Sign Checks	1,122

		Wound Care/Suture Removal	396
		Consults/Education	3721
		Skin/Nail Issues/Foreign Body Extracts	103
		Nutrition Issues/Meals	12,668
		Acute Ills/Strep Tests/Nebulizer	204
		Emergency Calls	100+
		Life Saving Interventions	5
		Injections/Medication Administration	519
		Community Service	5,000+

Our staff is made up of Pam Martin our part-time LPN, Marletta Maduskuie our Administrative Assistant who also coordinates our Meals on Wheels program. Peg Ross helps with clerical duties as well as serving as an additional phlebotomist 6 hours a week. We are also fortunate to have Dr. Brian Irwin of Tamworth Family Medicine as our Medical Director.

At TCNA we always manage to keep busy. In addition to direct patient care, we offered educational classes on a wide variety of topics such as Hearing Loss, Preventing Epidemics, Kate Kennedy author of “The Mask a Journey with Melanoma” and Dr. Hubble presented a program we called Tick Talk. The programs we offer are always geared toward benefitting our community at large. Our Outreach Committee is busy planning programs for 2019. If you have a suggestion or idea about topics you would like to see covered, please contact our office and share your input with us.

This was the last year of a 3-year grant TCNA and the Tamworth Farmers Market were awarded by the generosity of the Harvard Pilgrim Health Care Foundation. It allowed the Farmers Market to offer a *Double Your Dollars program* in order that recipients of the Supplemental Nutritional Assistance Program (SNAP) could purchase healthy locally grown foods for ½ the price. The HPHCF also allowed us to hire an Outreach Coordinator to help individuals understand SNAP benefits as well as get the word out about the offerings of our wonderful Market. We partnered with the K. A. Brett School on after-school cooking programs and provided a garden coordinator to increase production of the school’s garden as well as teach gardening techniques. We also worked with the Tamworth Food Pantry and provided food for cooking classes. This was a win-win opportunity for all Tamworth residents.

For almost a century now, the TCNA has offered Tamworth residents a wide range of services — with no fee for service. We try to save you money. For instance, many of you need to be on blood thinners for a variety of reasons: this test would cost \$175.00 at a local hospital. You can have this test done in our office at no charge. In addition, many residents take advantage of ordering medical supplies that are not covered by insurance through our office and have realized considerable savings over the retail market. We also have equipment available to loan out. Before you rent a wheelchair, purchase a high-rise toilet seat, buy crutches or a walker, call us, no matter what your healthcare need. There’s a good chance we can help. Much of our work is unseen. We work cooperatively with our Towns Health Officers and our Welfare Department. We make connections so the homeless can find shelter and we work with our Tamworth Police Department for safety checks or if something seems awry.

The handicap accessible TCNA Office located at the back of the Town Office Building is open Monday through Thursday from 9am to 1pm and from 9am to 11am on Friday. A nurse is available in the office weekdays from 9 to 11 or by appointment. All issues are treated with strict confidentiality. We assist people of all ages from newborns to seniors with no regard to economic strata. Stop in or contact us at 323-8511 or tamworthnurses@yahoo.com.

Our Board of Directors meet regularly to direct agency functions and operations, handle financial matters, as well as assisting with fund raising events. The 2018 members of our Board of Directors were Mary Watkins Chairman, Leslie Johnson Vice-Chair Pro Temp, June Aprille Treasurer, Bob Seston Advisor to our Finance Committee, Nina Perry Secretary and PR person, Lorraine Streeter, Neysa Packard, Beth McCarthy, Ed Parsons, and Maud Anderson. The TCNA Board receives little recognition, but their steadfast leadership of this fine organization makes our services possible.

We coordinate Meals on Wheels, an essential service to town residents who would be hungry or at risk of malnutrition. This program also serves as a regular safety check. There were 12,297 (up by 20% from last year) meals delivered to town residents in 2018 by our much-appreciated volunteer drivers. We always need more volunteers to work a flexible schedule once a month. It only takes two

hours to complete a route, serving others is rewarding. If you know someone who could benefit by receiving Meals on Wheels please contact us.

TCNA continues to function as the Salvation Army Unit station for the area. Emergency funds are available for Tamworth and Sandwich residents in need. This year we have assisted people by providing medication, therapy, groceries, medical equipment and heating fuel.

During the holidays, we deliver gifts to our clients. Special thanks to The Tamworth Community Christmas Project for their support to this program. We also worked closely with St. Andrew's Food Pantry in distributing more than twenty Thanksgiving food baskets.

TCNA interacts and coordinates services with the Tamworth Caregivers, ServiceLink, Tri-County Cap, and RSVP, to name a few. These organizations have provided support to many area residents and serve as important members of the health care team.

The Tamworth Community Nurse Association is a private, not for profit, non-certified company. This means we do not bill individuals, Medicare/Medicaid or insurance companies. Much preventative care and social service support your neighbors need to maintain healthy lives, is not covered by insurance companies. Regional health agencies, including the VNA, regularly contact us to care for patients in Tamworth whose coverage has been terminated. TCNA saves money for our clients while providing services and support.

It is the mission of TCNA to care for all Tamworth residents, including those who may fall between the cracks of the health care system. We provide a safety net and we are well known to area hospital discharge planners and work cooperatively with them to provide optimal home care. Because we are not Medicare certified we do not provide ancillary services such as occupational, physical, and speech therapy, home health aides/homemakers, and hospice. For these services we rely on area agencies such as the VNAs, and out-patient Physical Therapy offices. Close communication and collaboration allow us to provide continuity and holistic care.

As always, we deeply appreciate the support of the people of Tamworth and pledge to continue our efforts to work for the health and well-being of the community and of each Tamworth resident.

Respectfully submitted,

Jo Anne M. Rainville, RN
Executive Director

TCNA – Where compassion counts.

TAMWORTH OUTING CLUB

The Tamworth Outing Club had an outstanding year in 2018. With an active board of fourteen members, TOC quietly provides many opportunities for the community, for young and old alike. Highlights of the year include our Junior Ski Program and Junior High Ski Team, grooming of the cross country ski trails, successful contradances, Cal Ripken and Home Run League/Babe Ruth Baseball, and manning the White Lake checkpoint for Reach the Beach. Due to last year's mild winter, we were unable to hold the Sled Dog Races on Chocorua Lake, but our fingers are crossed that mother nature will cooperate in 2019.

One of the Outing Club's biggest commitments is to the Junior Ski program. The program includes instruction on Friday afternoons for six weeks in January and February. Students may choose Nordic skiing, Alpine skiing, or snowboarding. Alpine skiing and snowboarding take place at King Pine Ski Area in Madison, while Nordic skiing occurs on various local trails. The ski program culminates in March with "Snow Day" at Attitash, Cranmore and King Pine for Alpine skiers and Whittaker Woods for Nordic skiers. The Outing Club wishes to thank The Tamworth Foundation for their generous support, enabling 113 students to participate in the program. 48 volunteers worked to make this program possible to the children of Tamworth.

TOC also organizes and supports the Cal Ripken and Home Run League/Babe Ruth Baseball programs, with over 50 children participating. Players range in age from seven to sixteen. Games were played in Tamworth and surrounding towns such as Madison and Conway. TOC would like to thank the citizens of Tamworth for approving last year's request to help fund the baseball program.

The Outing Club sincerely appreciates all those hearty souls who have volunteered for the ski/snowboard program, the baseball program, and Reach the Beach. We look forward to another successful year, providing the town of Tamworth with many activities.

Respectfully,

Anne Chant
President, Tamworth Outing Club

Town Clerk/Tax Collector

It has been 13 years as an elected official and 11 years for my past Deputy and now presently appointed, Assistant Clerk Libby Hauser. We both would like to thank you for continuing to give us an opportunity to serve you, and to have you welcome our new Deputy Jennifer Hurd. Jenn has been training in the office during the 2018 year and some of you may have met her when having come into the office over the past year. As we continue to keep our residents updated and informed of any legislative changes over the course of each year, our attendances of workshops & conferences are listed below:

March 21st & 28th – “New” Deputy Tax Collectors Spring Workshop
March 27th – “New” Deputy Town Clerks ElectioNet Training
April 2nd & 9th – “New” Deputy Town Clerks Spring Workshop
April 4th – Tax Collectors Spring Workshop Concord, NH
April 24th – 27th – “New” Deputy Town Clerk MAAP Training
May 8th – “New” Deputy Town Clerk Vital Records Training
June 13th – NH City & Town Clerks Regional Conference
August 14th – Town Clerk State Election Law Training
September 19th – 21st - NH Tax Collectors Assoc. Annual Conference
September 27th – Virtual Town Hall Website Training
October 24th- 26th – NH City & Town Clerks Assoc. Annual Conference

On May 7th, 2018 the town acquired (free of charge) 4 units with shelf rollers that would safely house our historical record books. On May 30th, a representative from Dupont Storage Systems assessed the Town’s needs to aid in designing a shelving system that would double the current space available for retention of the past, present, and future records. The shelving units acquired were incorporated into the design of the shelving floor plan, and the Tamworth Foundation Fund previously established for the town’s preservation project will help to cover some of the shelving expenses when implemented in the future. In 2018 we did call on the disbursement of some of those preservation funds for the cost to preserve Tamworth’s Record Book Volume 6, housed in the Town Vault.

The on-line payment services and over-the-counter credit card activity continue to increase, and in 2018 collected revenues were \$466K with these services. The 2018 annual revenue increased to \$10.8K from the Municipal Agent Fee, and a \$.50 increase to that fee is being implemented (10 years later) as of Jan. 1st, 2019, from \$2.50 to \$3.00.

In closing, I’d like to thank Assistant Clerk/Collector Libby and our new Deputy Jennifer who both are here to competently help in covering the office duties. I’d like to again remind all dog owners to renew their dog’s license by April 30th. I would also encourage residents when in our office to sign up for our newer “E-mail” Notification option for future Motor Vehicle Registration and Dog Licensing reminders, avoiding time and expenses in “mailing” reminder notices, and saving taxpayers money. As always please feel free to contact us at tctx@tamworthnh.org, or call 323-7971 x12.

Respectfully Submitted, Kim Trammell
NH Certified Town Clerk/Tax Collector

TRANSFER STATION

In the year of 2018 we received and shipped away 1207.92 tons of trash and recyclables.

We shipped:

M.S.W. (Household trash)	728.93	Tons
Paper	31.18	Tons
Cardboard	43.99	Tons
Co-mingled	22.08	Tons
Aluminum Cans	4.62	Ton
Glass	73.31	Tons
C&D / Bulky	284.01	Tons
Scrap Metal	19.80	Tons
Electronics	9.43	Tons

In addition to the items listed above we also received and shipped 104 refrigeration units and 360 tires.

The sale of our recyclables (paper, cardboard, aluminum cans and scrap metals) paid the Town \$51,354.42 for the year 2018.

I would like to thank all our town residents for all their efforts to make our recycling program a success. As we all know, due to the change in markets and shipping costs, we have had to temporarily stop some of our recycling efforts. Hopefully in the near future we will be able to return to our previous recycling program.

Respectfully Submitted,

Glenn Johnson Sr.
Transfer Station Manager

Treasurer's Report

For the total withdrawals, deposits, interest accrued, and account balances, please refer to the Treasurer's Financial Report in the financial section of this Annual Report book.

During 2018, the interest rate on the money market account, which is the Town's largest interest bearing account, was raised from .65 % to 1.36 %. For 2019, the interest on the money market account will be raised to 1.4 %.

A Certificate of Deposit was opened in October of 2018 with a starting balance of \$250,000, with an interest rate of 2.05 %.

In 2017, total interest earned on town accounts totaled \$12,757.51. With the higher interest rates, total interest in 2018 was \$26,646.05.

I have very much enjoyed my first year as the Tamworth Town Treasurer. Everyone at the Town Office is a pleasure to work with. I would especially like to thank Darlene, Kathy, Kim, Robin, Libby and Jen for being kind and helpful as I learn the ins and outs of my job. Also, thank you very much to Allie Kaplan-Thompson and Barb Bloomberg for serving as Deputy Treasurers. I have learned a lot about town finances in the past year, and if re-elected, look forward to the chance to learn more.

Respectively submitted,

Annie Burke

Tamworth Town Treasurer

Trustees of Trust Funds

As Trustees of Trust Funds, we are responsible for the custody and investment of \$1,020,162.98 in capital reserve and trust funds serving public purposes. A summary of these funds is shown on the accompanying schedule. As of December 31, 2018, we were holding \$720,678.12 of capital or expendable reserve funds and \$299,484.86 of trust funds at historic cost in accounts with the custodians. Capital reserve funds are funds raised by vote at town meetings for specific uses such as bridge repair or special education. At the 2017 Town Meeting, an expendable reserve fund for cemetery maintenance was approved obviating additional individual perpetual care trusts into the future. Trust funds comprise private money donated or paid to the town for specific public purposes, including cemetery perpetual care.

Our adopted investment policy, affirmed annually by the Trustees in accordance with state regulation, recognizes that reserve funds can be expended in the near term and therefore ought to be kept in liquid form with preservation of principal paramount. Capital and expendable reserves are invested through the NH Public Deposit Investment Pool and yielded \$12,226.36 in interest during the year at the modest rates currently available, a 2.28% yield earned in December, nevertheless an improvement over 2017.

On the other hand, trust funds have a long-term investment horizon, often with the possibility of expending only income but not principal. With a view to protecting the long-term value of the principal from erosion due to inflation and to improving on the flow of income, the Trustees engaged professional investment management for the trust funds in December, 2014. Bearing Point Wealth Partners, Hampton, NH, has discretionary investment authority over the trust funds under the terms of an investment management agreement providing for investment in a portfolio of income oriented equity and fixed income ETFs and mutual funds.

In 2018, the trust funds portfolio earned \$9,765.46 net of management fees. The net yield on average principal was 3.14%. We distributed \$8,617.92 from income to the spending agents of the funds—Cook Library, Brett School, TCNA, and the Town General Fund to help pay for the work the Cemetery Trustees did maintaining the perpetual care lots. Distributed and realized net capital losses of \$5,872.32 reduced principal. Unrealized gains decreased by \$13,461.25 during 2018, to a level of negative \$4,135.86, bringing the market value of trust funds to \$295,349.00. The Trustees monitor the portfolio's ongoing performance as managed by Bearing Point on at least a quarterly basis. The overall return on the portfolio was -3.09% as compared to the benchmark of -1.63%, perhaps due to the portion carried in equities exceeding the amount used to calculate the benchmark return.

Bearing Point also provides accounting and reporting services, such as the accompanying schedule and other state required forms. The annual fee of \$1,560.57 paid to Bearing Point amounts to 0.5% of market value and is paid out of income produced by the portfolio. It should be noted that Bearing Point

derives no other benefit from this relationship than the aforementioned 0.5% fee, and that custody of the assets in the portfolio resides with National Advisors Trust, Overland Park, KS as part of the relationship at no cost to the Trustees.

Respectfully submitted,
Robert Seston
Dr John Watkins
John Wheeler, Chairman

Zoning Board of Adjustment

The Tamworth Zoning Board of Adjustment (ZBA) is empowered by NH RSA 674:33 to hear appeals to any administrative decisions on town regulations adopted pursuant to NH RSA 674:16. In addition, the ZBA is empowered to grant variances and, if specifically allowed in the regulation, special exceptions. The Town currently has two ordinances that are subject to appeal to the ZBA: the Tamworth Floodplain Development Ordinance and the Town of Tamworth Personal Wireless Service Facility Ordinance. The members of the ZBA are appointed by the Board of Selectmen.

The ZBA is currently in a state of dormancy. The last case to come before the Board was settled in 2012, with some minor follow-up action in 2013. There were no meetings during 2018.

At present, the ZBA has two out of five board member seats filled and no alternates. The 2018 Board roster consisted of Dan Rowe and Bruno Siniscalchi. Their terms expire in March of this year. Town employee Chris Conrod serves as ZBA Secretary when necessary.

ZBA Rules of Procedure and all application forms are available for download from the town website. Meeting and hearing minutes, as well as case files, are available for inspection at the Town Offices.

Respectfully submitted,

Chris Conrod
ZBA Secretary
