ANNUAL REPORTS
of the
TOWN AND SCHOOL OFFICERS
of the
TOWN OF BARRINGTON, NEW HAMPSHIRE
For the Year Ending December 31, 1976

Cover Illustration

Pictured on the cover is the Boodey Farm, circa 1890, which received two honors this year as a bi-centennial farm.

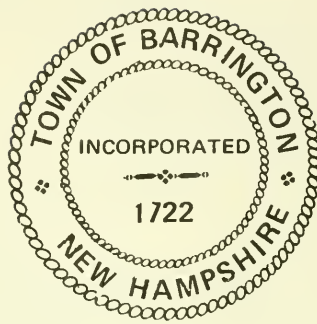

It is among fifty-four in the State of New Hampshire recognized by the N. H. American Bicentennial Agriculture Committee as having been continuously and productively operated by the same family since (or before) 1776. It is also among only fourteen in the State recognized by the New England Green Pastures Committee as having been operated, under the same conditions, as a dairy farm.

The Town of Barrington, in Revolutionary times, could claim six of these fifty-four bicentennial farms as its own, namely:

Boodey Farm	1759
Durgin Farm	1761
Stiles Farm	1761
Berry Farm	1768
Huckins Farm	1771
Arthur McDaniel Farm	1772

and, in addition, the Boodey Farm is the only bi-centennial farm recognized in all of Strafford County as having been operated over two hundred years by the same family strictly as a dairy farm.

Ralph Boodey, seventh owner in a direct line from the farm's original owner, Azariah Boodey, (whose son, Capt. John, bore arms in the Revolutionary War), ably and aptly is serving his town as Chairman of the Barrington American Revolution Bicentennial Committee.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Barrington in the County of Strafford in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the auditorium, Barrington Community Building in said Barrington on Tuesday, the 8th day of March next at 10 of the clock in the forenoon, to act on the following subjects.

Polls open at 10:00 am.

Polls close at 6:00 pm.

Articles of Business at 7:30 pm.

ARTICLE 1 To choose, by ballot and major vote, one Selectman, one Trustee of Trust Funds and one Auditor for three years.

ARTICLE 2 To see if the Town will vote to adopt the amendment to the existing zoning ordinance as proposed by the planning board.

ARTICLE 3 To see if the Town will authorize the Selectmen to appoint all other necessary Town Officers.

ARTICLE 4 To see if the Town will accept the reports of its Officers and Agents.

ARTICLE 5 To see if the Town will authorize the Selectmen to make use of the services of the Strafford County Dispatch Center, and approve expenditure of the sum of \$3,310.00 in support of the Town's action.

ARTICLE 6 To see if the Town will raise and appropriate the sum of \$4,468.50 in support of the Rural District Health Council.

ARTICLE 7 To see if the Town will vote to authorize the Selectmen to cooperate with the Town of Durham in its Regional Incineration Feasibility Study and to raise and appropriate up to \$3,500.00 to cover its share of the cost of the study.

ARTICLE 8 As full time residents and tax-payers of Barrington, we, the undersigned, are entitled to fire protection, utility services, and ambulance services. These rights are jeopardized when our road is impassable for large vehicles (such as fire trucks, oil trucks, light or telephone trucks) due to snow banks. In addition to being a mail and school bus route, the through traffic on this road has tripled in the last two years.

Therefore, we do herewith petition the town of Barrington, to carry out whatever work is needed to widen the full, two-mile, length of Wood Road, from MacDaniel Shore Drive to the Tom Korst residence (formerly the Al Wood home); this work to be done during 1977. (by petition)

ARTICLE 9 To see if the Town will raise and appropriate the sum of \$140,800.00 to carry out the work authorized in Article 8.

ARTICLE 10 To see if the Town will raise and appropriate the ⁵ sum of \$17,602.90 to be used to improve all or portions of various Town roads (re: RSA 241:14).

ARTICLE 11 To see if the Town will raise and appropriate \$5,500.00 for surfacing the following roads in Golder Crest Estates: Oakhill Ln., Maplewood Dr., Mountview Rd., Grummet Hill Rd.

ARTICLE 12 To see if the Town will raise and appropriate the sum of \$1,007.64 for Town Road Aid, State share to be \$6,717.60.

ARTICLE 13 To see if the Town will vote to raise and appropriate the sum of \$50 to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages, as well as the preservation of the natural resources of the town, in cooperation with other towns in the Lakes Region.

ARTICLE 14 To see if the Town will authorize the Selectmen to withdraw from the Revenue Sharing account the sum of \$20,000.00 for the construction of a utility building on town property adjacent to the present dumping facility.

ARTICLE 15 To see if the town will authorize the Selectmen to spend up to \$42,000.00 for the purchase of a Fire Truck, directing the Selectmen to draw \$16,000.00 from trust and \$7,000.00 from Revenue Sharing for a down payment, financing the balance over 4 years.

ARTICLE 16 To see if the Town will authorize the Selectmen to spend up to \$20,000.00 for the purchase of a police cruiser, directing the Selectmen to withdraw \$2,800.00 from trust and \$2,200.00 from the Revenue Sharing Account.

ARTICLE 17 To see if the Town will authorize the Selectmen to spend up to \$20,000.00 for the purchase of a 4-6 yd. dump truck, plow, wing and sander, directing the Selectmen to draw \$2,800.00 from Revenue Sharing for a down payment, financing the balance over 4 years.

ARTICLE 18 To see if the Town will authorize the Selectmen to spend up to \$8,000.00 to acquire from Government Surplus a Road Grader and equip it with a plow and wing, directing the Selectmen to draw the monies from Revenue Sharing.

ARTICLE 19 To see if the Town will authorize the Selectmen to borrow up to \$300,000.00 in anticipation of taxes.

ARTICLE 20 To see if the Town will accept all other items in the budget not covered by articles in the warrant.

ARTICLE 21 To see if the Town will authorize the Selectmen to sell to Roland Gregoire the property acquired by Tax Collectors Deed which was formerly owned by Roland Gregoire for the sum of \$1,012.12.

ARTICLE 22 To see if the Town will vote to give final acceptance to a road known to some as Meadowbrook Road.

ARTICLE 23 To see if the Town will vote to accept Fogarty Rd. after hearing the reports of the Selectmen and their agents.

ARTICLE 24 To see if the Town will classify the Old Canaan Rd. as a Scenic Rd. under RSA 253:17 giving the Conservation Commission responsibility for reviewing proposals under these provisions.

ARTICLE 25 To see if the Town will modify its existing Dog Ordinance by changing the penalty to "First offense \$50, Second offense \$100 and destroying the Dog."

ARTICLE 26 To see if the Town will modify its existing Road Ordinance by changing section 2.1 to increase the minimum size of culverts from 12 inches to 15 inches.

ARTICLE 27 To see if the Town will vote to reclassify that portion of the Cooper Rd. from the Mielke residence to the Nottingham Town line from Class V to Class VI.

ARTICLE 28 To see if the Town will authorize the Selectmen to sell at public auction those items designated as surplus by the Fire Chief and Police Chief.

ARTICLE 29 To see if the Town wishes to continue the services of an Advisory Budget Committee and elect two members for a 3 year term.

ARTICLE 30 To transact any other business that may legally come before said meeting of the Honorable Town Government.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and seventy-seven.

Since 1719 when it was enacted to perambulate the town lines and renew the marks every three years, and later every seven years, the Town of Barrington has made an effort to meet this obligation. Pictured is Steve Lenzi, Road Agent, appointed to the Committee to Perambulate, chiseling "1976" to the Barrington-Madbury town line marker on the Ham Road Extension.

SWAIN'S LAKE DAM REPORT
From Lawrence L. Ketchen
Registered Professional Engineer
To the Board of Selectmen

Board of Selectmen

Barrington, N.H. 03825

re: Swain's Lake Dam

Gentlemen:-

During the past six months I have followed the repair work being carried out on the Swains Lake Dam as an item of professional interest and after your request that I attend the meeting with the representative of the N.H. Water Resources Board on October 13, 1976, I have continued to follow the work in greater detail.

Prior to the October meeting, I had examined the downstream face of the dam for evidence of leakage through the earth core of the dam. I found no evidence of "Piping" or percolation through or under the dam.

During the examination period, the lake surface was held at a level about five feet above the base of the sluice gate floor by means of a gravel and sand bag cofferdam. A corrugated metal pipe was built into the cofferdam to permit flooding the sluice gate forebay. At the October meeting, I requested that the sluice gate be closed and the forebay flooded to the existing lake level. Examination of the downstream face of the granite block sluice gate structure revealed two minor leaks on the right hand side and one on the left side. The representative of the N.H.W.R.B. and I concurred in the finding that these leaks represented percolation in the sluice gate section and not in the dam. Subsequent grouting of the joints between the massive granite blocks forming the overflow and gate structure sealed the leaks and confirmed our earlier conclusions.

I presented the opinion that the forebay floor should be concreted to provide a water cut off at that level and reduce the possibility of hydrestatic uplift on the structure. This proposal was accepted and has now been completed.

The owner of the dam has cut off the trees growing on the dam and has roughed out an access road adjacent to the left (west) embankment.

It is my finding that the dam, sluiceway and gate structure are structurally sound and pose no danger to downstream property of persons.

Two items involving the operation of the dam have been brought to my attention as follows:

1. The use of flashboards to raise the surface of the lake to more convenient or useable levels.
2. Provide an overflow section to relieve or eliminate the possibility of storm flows overtopping the dam structure.

Flashboards are a common method of providing control of levels. A flashboard support structure and properly designed collapsible flashboards will provide the control required and eliminate the possibility of overtopping.

In reviewing the need for an overflow section, I have developed the total drainage area for Swains Lake using U.S.C. & G.S. plans. The area is four and one half square miles, a very small drainage area. There are no streams of size flowing into the lake and it follows that no flow data are available. Peak flood conditions must therefore be developed from precipitation data and consideration of the physical characteristics of the drainage basin. The slopes of the basin sides are gentle and predominately covered with heavy vegetal growth providing high surface detention, infiltration and storage capacity of storm rainfall. The northwesterly end of the basin is marked by a series of small beaver ponds and swamp areas providing additional storage and detention capacity to storm flows.

It is my opinion that the application of any of the standard runoff formulas to this particular drainage basin will result in solutions that will be unreasonably conservative and wasteful. It is my further opinion that an overflow spillway section in addition to the existing sluiceway is not required.

If the dam is offered to the Town of Barrington, the acceptance should be contingent upon satisfactory completion of the following items:

1. Construction of a useable road to provide access to the left embankment.
2. Establishment of appropriate land boundaries for the entire dam structure.
3. Establishment of clear title to the land and water rights by the present owner.
4. Design and construction of an N.H.W.R.B. approved flashboard structure if the operating level of the lake is to be established above the invert of the sluiceway.

Yours very truly,
Lawrence L. Ketchen

REPORT OF THE RURAL DISTRICT HEALTH COUNCIL

The past year has seen an increase in services by the RDHC. As the federal government continues to shorten the length of time allowed the patient to stay in the hospital there is an increased need for health care in the home. The RDHC continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

This is the third year the agency has supported the Referral Coordinator at Frisbie Memorial Hospital. Mrs. Marie Dexter, RN is seeing an increased need and receiving more referrals from doctors, nurses and families for home health care after hospital stay.

The Council continues to provide home health aide service through the contract of the Strafford County Home Health Aide Association. And also with the resignation of Joan Menez, to further her education, the Council hired two part time home health aides in order to cover the area more economically. Gail LaRosa who covers the areas of Farmington, Milton, Middleton, and New Durham, while Roberta LaFrenier covers the Northwood, Nottingham, Deerfield, Barrington and Strafford areas. This enables the Council to better utilize the professional staff while continuing to provide quality care.

The agency's priority is skilled nursing service, but the agency staff conduct adult screening clinics monthly in Northwood, Farmington and this past year started a program at the Milton Health Center with a case load of 221. With 38 cases referred for further treatment. This has proven to be a needed service.

The staff also participates in the after care program in cooperation with the Strafford Guidance Center and Seacoast Counseling Center. Twice a month the Strafford Guidance holds group counseling at the office, and because transportation is such a problem this has been a great help to the patients.

This year with the nationwide immunization program for the Swine Flu the council organized two clinics regionally to cover it's member towns. This involved many hours of planning and organizing for the clinic manager, but both clinics were a great success, with 1,139 immunized at the Farmington clinic and 663 at the Northwood clinic.

The Maternal Child Health Program is a very active one providing physical examinations, immunizations and dental care for children 0-6 yrs enrolled in the Well Child Clinics. The agency staff also provides home visiting to the patients of the Strafford County Prenatal and Family Planning, and the Exeter Area Family Planning program.

The strength of the council lies in the efficiency and dedication of it's staff. With the resignation of Cynthia Blood, Myrtle Walsh and Lucy Myers within the year the Council has been very fortunate to add to their staff Mary Timmons, R.N. and Joann Pearson, R.N., B.S.N. Members of the professional staff

are Mrs. Ardala Houle, R.N., Supervisor Director, Miss Arlene Thorne, R.N. Assist. supervisor and Maternal Child Health nurse, Mrs. Marie Dexter, R.N. Referral Coordinator, Mrs. Barbara Drew, R.N., Mrs. Mary Timmons, R.N., Mrs. Joann Pearson, R.N., B.S.N., Mrs. Kathleen Hanson RPT. The office duties are handled with ease by Mrs. Norma Davis and Mrs. Eleanor Eaton.

As a result of the inflationary times and increase in services provided, it has been necessary, therefore, to increase the per capita request from each town to \$1.35 to enable the Council to continue to provide these greatly needed services.

During the past year the Council has made 464 home visits and 291 Well Child visits with a grand total of 755 for the town of Barrington.

Anyone interested in additional information is urged to contact the RDHC P.O. Box 563, 6 So. Main St. Farmington, NH Tel.: 755-2989 between the hours of 8 A.M. and 4 P.M. Monday through Friday.

REPORT OF THE HEALTH OFFICER

I had the usual nuisance calls which do not really fall under the jurisdiction of the Health Officer, but I did take care of them.

I also had the same recurring health problems from the same places that I have had since I've held this position. If these people would just repair the problem correctly and not piecemeal this situation would not exist.

One problem of concern to me is the growth of our town. With the growth of our town the problems of health increase. The sewage that is being created with the growth of our town is just being discharged into the ground and as the amount grows with the growth of the town it ends up in the water table which most of us use in our wells for drinking and washing.

I would like to see a moratorium on new building, until we take care of the above problem.

Respectfully Submitted,
Health Officer

REPORT OF THE POLICE DEPARTMENT

There were 75 motor vehicle accidents reported to the Barrington Police Department and investigated by them in 1976, 19 in the month of December alone.

84 cases of Breaking and Entering, resulting in thefts and/or vandalism were checked out.

61 arrests and/or summons to Dover District Court were processed. Local officers made 23 court appearances in connection with these arrests in the last six months.

Local business and house security checks totalled 1,622 for 1976.

Barrington officers responded to 461 miscellaneous complaints and 39,088 miles were traveled in the 1974 Plymouth cruiser.

A total of \$200.00 was collected from insurance companies as "Report Fees" on accidents and breaks and the funds were turned into the General Fund.

Police service was extended to assist many ambulance calls and individuals needing emergency transportation to nearby hospitals.

Both the cooperation of the State Police and the services of the Strafford County Dispatch Center have been invaluable in the performance of our duties during the year.

Respectfully Submitted,
Ralph W. Swain
Chief of Police

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

REPORT OF BARRINGTON FIRE DEPT. - 1976

The Barrington Fire Dept. responded to 74 calls during the year as follows: Resuscitator 7, rescue 1, accidents 8, structural fires 5, tree houses 2, chimney fires 8, grass & woods fires 15 and service calls 5.

We responded to 6 calls to assist neighboring towns or cities and received assistance on 4 occasions.

We are encountering problems on the names of the Town roads. Please try to use the names presently on the Town map. Police and ambulance service is also involved. The assignment of names to private roads will also avoid much confusion.

The Red telephone number 664-7700 is an emergency number. Please do not use this for general information.

Care must be used when installing a wood burning stove. Only masonry or U.L. approved metal chimneys are approved by codes. Ordinary stove pipe through a window and up the side of a building is extremely hazardous. The installation of one or several smoke alarms is highly recommended.

We have at least one home intact in Barrington because an alarm had been installed.

Your continuing support is much appreciated by the many members of the Volunteer Dept. who have contributed many hours of their time to provide you this service.

Respectfully Submitted,
Sumner A. Hayes, Chief

REPORT ON THE TAX MAP

The final maps will be at the Town Office by Town Meeting day. Some updating of recent transfers will still be necessary. Also, on some lots, the boundary lines and rightful owners are not known. Fred Drew, surveyor and civil engineer, is doing a lot of research at the Registry of Deeds and the Registry of Probate. We are also searching old Town records and talking to owners of property and others. The map already has been a help to Lawyers, Real Estate Agencies, Town Officials and The Planning and Zoning Boards.

COMMUNITY BUILDING REPORT

With the support of the Selectmen, the use of the gym is free for residents of the Town of Barrington. Residents of Barrington are given priority and any remaining time is used for rental of the facilities. Rental of the gym is on a time available basis. The fee per month is \$50.00 with a minimum fee of \$25.00 for one to two hours per week.

I did a census this year on the number of people using the gym and library, including students of the Barrington school system. The weekly average is 1,985.

 REPORT OF THE TOWN LIBRARY TRUSTEE

During this year, the library lost one of its longest and most faithful friends when Mattie Swain passed away. Family and friends contributed funds to our library in her memory with such a splendid response that we were able to purchase a Compton's Children's Encyclopedia. We are most grateful for this wonderful tribute to a lovely lady.

At last, we have been declared a tax exempt organization, but we elected to pay Social Security tax for our librarians for their benefit in later years.

Due to the Bicentennial activities and the day camp programs in this area, it did not seem feasible to attempt a story hour program this year. We hope to arrange some special summer activities for next summer. Suggestions would be very welcome.

Again this year, no State grant was awarded for book purchases.

Library hours were once more increased to better accommodate our growing patronage. Our fine pool operation with the school continues effectively, and the Bookmobile continues to furnish us with excellent books. I should like to note here that we must pay for all books which are lost from the Bookmobile supply. A surprising number are lost, and our librarians deserve great credit for collecting the cost of these books from the ones who lose them.

Because of the damage to the top of our library table done by thoughtless (I hope) patrons, it became necessary to have the table stripped and refinished, and a plate glass top installed in hopes of preventing further damage.

I wonder whether the doodlers and the gougers realize how 49
many nice new books they deprived themselves of by their des-
tructive action!

BARRINGTON, N.H. HISTORICAL SOCIETY

The paper-bound "Graveyards of Barrington, N.H." was ready for sale, as planned, at the 1976 town meeting. Hard cover copies were available later. Over the year, enough copies have been sold to repay the money advanced by the Bicentennial Committee, and the books are selling across the country, due to reviews in Profiles Magazine and Historical New Hampshire.

The first programs of the year had a Bicentennial flavor: a report of the "March to Quebec", by Mr. and Mrs. Robert Varney; "Revolutionary Soldiers of Barrington", by Louise Williams and Mary Emhardt, and a double billing-- "General Sullivan speaks for himself" and "Molly Stark Writes in Her Diary", by Mr. and Mrs. Phillip Wilcox. May saw the annual meeting, and in June, Robert Whitehouse showed pictures of Old Dover. During the summer members were busy with Bicentennial events and there were no meetings until October, when Frank Drew showed home movies of scenes and activities of the 1938 Barrington Pageant. The November meeting was moved up to October 25, when we were the guests of the Newmarket Historical Society. The December meeting was on Quaker History and Principles by a Quaker couple, Ed and Shirley Leslie.

Programs for further scheduled meetings are available in the Library.

BARRINGTON AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

With the excellent cooperation of nearly every civic group and organization in town, the Barrington American Revolution Bicentennial Committee was able to provide a continuous program throughout the year.

Starting with a New Years Eve Dance December 31 and January 1, sponsored by the Chapel of the Nativity and followed February 12 by the Bicentennial film "These States" the year was under way. On February 22 the Major Waldron Sportmen's Association held an Ice Fishing Derby for children that was very successful. At the regular meetings of the Barrington Historical Society in February, March and April a series of Bicentennial Programs were presented.

During the last two weeks of May the V.F.W. Aux. presented four American Flags, on May 15 at the junction of Routes 9 and 125 for the flag pole at that location, on May 16 to the Green Hill Chapel, on the 21st to the "Busy Bunnies" 4H Club, and the last was for the Cub Scouts of Nottingham on May 25. The Canaan Chapel Ass'n. was host to the Bicentennial Wagon Train at their noon lunch stop May 18. The V.F.W. and the V.F.W. Aux. were in charge of the Memorial Day Parade and Program on May 31st.

June 12 was the date of a very successful House Tour which was arranged by the Barrington Women's Club. The Barrington Snow Goers sponsored a square Dance June 19, which featured a Colonial Dance demonstrated by members of the sea-Coast Region Square Dance Association.

Arthur Neal was in charge of a Horse Pulling Contest held at N Bar H June 26th. This was sponsored by the B.A.R.B.C.; cash prizes were awarded by the committee and trophies donated by local clubs and businesses.

Our Fourth of July weekend started the night of July 2nd with the musical "Flag Waving". This was the combined project of the Barrington and Strafford Churches and was directed by Mrs. Justine Leighton. July 3rd featured an old fashion field day at Calef's Field. Starting at 10:00 with the reading of a proclamation by Selectman W. Richard Burrows the program featured games and contests for both young and old. Russell Fogg was in charge of these activities. Mrs. Louise Williams arranged a Crafts Fair with many area Craftsmen demonstrating their skills. Philip Boodey was responsible for an exhibit of old tools and farm machinery. Many of these were loaned by the New Hampshire Farm Museum, Inc., and were supplemented by artifacts from local farms. Mrs. Norman Arlin and Mrs. William Emhardt arranged a very interesting display of photographs of places and events in Barrington. The night of July 3rd featured a Street Dance at the Barrington School yard. This was arranged by Ronald and Betty Seaver and enjoyed by an orderly and enthusiastic group.

Sunday, July 4th brought special Church Services at all churches, followed by a Community Picnic at the Congregational Grove. At 2:00 P.M. Church bells joined the nation in a salute to the country's 200th Birthday. The bell ringing also signaled the start of a Historic Bus Tour of Barrington. Starting at Calef's Field, five buses furnished by Swain's Bus Service made a three hour tour of the town, pointing out 140 historic and scenic spots. The tour was in the charge of Mr. and Mrs. Richard Warren, Co-Chairmen of that Committee. Signs marking the points of interest were furnished by Clarence Calef. Following the bus tour a delicious Chicken Barbecue was served under the direction of E. Richard Rowell. At 8:00 P.M. the Epsom Band presented a 1½ hour Band Concert, following this a Torch Light Parade marched to Guptill Field where the celebration ended with a gigantic bonfire staged by the Barrington Fire Department.

Two well Attended Black Powder Shoots Were conducted by

the Barrington Anniversary Black Powder Shooters at Ed Beal's range. The first was held July 24 and 25 and the second was on October 16 and 17; Centennial Grange held their Grange Fair with a Bicentennial theme on August 14th.

Canaan Chapel held their annual church service combined with a Bicentennial program on September 19th. Rev. Marshall Stevenson's topic was "Memories of Our Heritage" followed by comments on "Religions in the Days of the Colonies". The program ended with an old fashion hymn sing.

The program committee chaired by Robert Drew was responsible for coordinating the entire program for the year. Raymond Spinney and the Ways and Means Committee conducted several projects to supplement our appropriation. Generous donations from the Barrington Minutemen were also much appreciated.

In order for Barrington to take part in the N.H. Celebration of the Battle of Bennington next August the B.A.R.B.C. will remain on an active basis until September, 1977.

Limited space makes it impossible to name all the individuals who helped make our Bicentennial a success but on behalf of myself and the committee I wish to express our heartfelt thanks to all who took part.

Respectfully submitted,
Ralph J. Boodey, Chairman

REPORT OF THE PLANNING BOARD

In 1976 the Planning Board met 25 times, held two public hearings on proposed changes to the zoning ordinance, approved 23 subdivisions involving 71 lots, conducted a community attitude survey, took a census of persons and buildings in the town and developed the basic data for a comprehensive master plan.

Barrington's rapidly accelerating population growth is the prime causative factor for the increased demand for municipal services, increased need for more classrooms, and increased growth in the tax rate. It is axiomatic that the cost of government grows faster than the growth in population. Each new family requires more in services than it pays in taxes. Part time municipal jobs become full time municipal jobs. Volunteer jobs become paid jobs. More classrooms require more administrators.

Barrington is growing faster than Strafford County or the State of New Hampshire. Under these circumstances all previous projections of growth become meaningless.

During the 1950's Barrington's population remained static ending the decade with 1036 inhabitants. During the 1960's there was a period of general growth in the state. However, while the rate of growth for the state from 1960-1970 was 21.5% and Strafford County 17.8%, Barrington's population grew from 1036 to 1865 an increase of 80%.

Based on the U.S. census figures of 1970 the State Board of Comprehensive planning projected growth for Barrington as;

1975 - 3022	1990 - 3770
1980 - 3250	1995 - 3870
1985 - 3620	2000 - 4070

Barrington's share of the room and meals tax and federal revenue sharing was based on the 1975 3022 projection. A special form was developed (which has been adopted by several other towns) and a group of volunteers took a census of the town in June. They found that the population was 3345, an increase of 79.4% in only six years, surpassing the state's projection for 1980. At the same time the state as whole had grown at a rate of 11.5%. If Barrington continues to grow at this rate it will have a population of almost 6000 in 1982.

The census also revealed that on an average there were 1.18 children per house and .75 children per mobile home. This means that each 22 new houses or 33 new mobile homes will require one new classroom.

More than 80% of Barrington's growth is caused by immigration of persons moving here to get out of the cities, to enjoy its rural living, and its relatively favorable tax rate. The questionnaire distributed at the town meeting showed that a majority of those answering it want Barrington to retain that rural atmosphere, are fearful of too rapid growth, would like to see more light industry in town and are generally satisfied with its municipal services.

REPORT OF
NEIGHBORHOOD YOUTH CORPS
SPEDY PROGRAM

July 7, 1976 the Neighborgood Youth Program started with ten youths: Anthony Nasuti, Barbara Nasuti, Michael Roberts, Sherry Horning, David Horning, Daniel Nasuti, Gladys Young, Robert Nasuti, Debra Hartford and Jessie Carle. The youths all completed their 234 hours in the program.

We thank the Barrington Branch of the Dover Federal and Savings Bank for the donation of a first aid kit.

The Spedy Group cut brush on various roads and at intersections to improve visibility. They enjoyed cutting brush on the causeway because some of the brush fell into the water and with it being a hot day there were plenty of volunteers to go in the water after the brush. On rainy days work benches and shelving were made and painted at the Town Hall by the youths.

The youths cut brush, spread and raked loam and covered the new loam with hay at the Town Ball Park on Smoke Street.

Again this year we met many interesting people while working on the roads. The Burrows family on Back Canaan Road treated us to punch and cookies. The Ralph Boody family took us on a tour of their farm and Mr. Boody explained to us the various operations of the farm.

On the 18th of August the youths were treated to an ice cream party at the Krazy Kone.

Because of the large number of youths in the program Anthony Nasuti served as my assistant and Michael Roberts served as an assistant in training and they performed very well.

Mr. Poison Ivy appeared on the scene again this year but we soon defeated him.

Many thanks to the people who donated things and assisted by words of praise. All these things made the program a success.

REPORT OF THE COORDINATOR FOR EMERGENCY MEDICAL SERVICES

In the Spring of 1976, I was appointed Coordinator for Emergency Medical Services by the Selectmen. My first responsibility was to obtain ambulance service for the Town.

In cooperation with the Durham Ambulance Corps, Benoit Medical Service in Rochester, the Dover Police and Strafford County Dispatch Center, a plan was devised which guarantees ambulance coverage for the Town.

If you require an ambulance, you should call the Strafford County Dispatch Center, 742-4968. They will send an ambulance from either Durham Ambulance or Benoit's, depending where the emergency is. The Dover Police will also provide back-up service. In 1976, Benoit responded to 22 calls and Durham responded to 34 calls.

We also arranged to have the Strafford Dispatch number printed in the telephone book under Town of Barrington in the yellow pages and we had telephone stickers printed, which are still available.

A motion to amend the article to see if the Town will authorize the Selectmen to appoint all other necessary town officers with the exception of the members of the Planning Board, whose members shall be elected by the Townspeople in accordance with RSA Ct. 36:4 as amended. Motion: Mr. Dean

It was voted by the Town not to accept the amendment.

It was voted by the Town that the Selectmen appoint all other necessary town officers.

ARTICLE 4: The Moderator, E. Richard Rowell, requested the report of the Budget Committee prior to accepting a motion.

Mr. G. Pinzari reported that the March 4, 1975 town meeting voted that an informal budget committee be formed and be required to report at the beginning of the Town meeting and as well, at the beginning of the School District meeting. The five people involved are William Dean, Frederick Jackson, George Calef, Alice Garnett and myself. After many hours of meeting to analyze how each item could be cut if necessary, we made recommendations to the Selectmen and are now presenting them to you, the Townspeople who have the authority to tell your elected public officials how much you are willing to spend and what you expect to get for your money.

ARTICLE 4: A motion was made that in view of the fact that the article is one where certain amounts are listed, I move that we consider the budget item by item as listed on Pages nineteen and twenty. Motion: A.H. Calef

An amendment to the motion was made that the Town consider the budget item by item on Pages nineteen and twenty as they are presented with the exception of Article 13 which refers to Article 12.

It was voted by the Town that they consider the budget item by item as listed on Pages nineteen and twenty as they are presented with the exception of Article 13 which refers to Article 12.

A motion was made by Mr. Ramsdell that the meeting be recessed at 11:00p.m. Motion was defeated.

A motion was made to remain in session after 11:00 p.m. Motion carried.

Town Officers' Salaries-Article 4

Recommendation of Budget Committee: That all of the individual salaries be accepted and approved, with the exception of the Treasurer's proposed salary going from \$375.00 to \$600.00. The committee feels that an increase to \$500.00 would be more appropriate. The \$600.00 figure would represent an increase of 60%.

It was voted that the Town raise and appropriate the sum of \$11,475.00 for Town Officers' salaries. Motion Mr. Pinzari.

Town Officers' Expenses

Recommendation of budget committee: That a reduction of \$1,000.00 be made due to the yearly increase in Town Officers' Expenses over the past two years.

Mr. George Musler, Selectman, advised that the additional monies requested are for part of the expenses in anticipation of federal programs being stopped in the middle of the year, June 30th. Should the federal funding cease, the money would be used to cover the expenses for the remainder of the year.

It was voted that the Town raise and appropriate the sum of \$12,850.00 for Town Officers' Expenses. Motion: Mr. Dean.

Election and Registration Expenses

Recommendation of Budget Committee: That they concur with the \$2,000.00 figure. They also recommend that the Moderator be paid at the rate of \$4.00 per hour and the Check Counters at \$2.50 per hour.

It was voted that the Town raise and appropriate the sum of \$2,000.00 for Election and Registration Expenses and approved the recommendation of \$4.00 per hour for Moderator and \$2.50 for Check Counters. Motion: Mr. Musler.

Town Hall and Other Town Buildings

Recommendation of Budget Committee: That they concur with the \$11,100.00 figure.

It was voted that the Town raise and appropriate the sum of \$11,100.00 for Town Hall and other Town Buildings. Motion: Mr. Burrows.

Retirement and Social Security

It was voted that the Town raise and appropriate the sum of \$2,600.00 for Retirement and Social Security. Motion: Mr. Burrows.

Town Tax Map - Reappraisal

It was voted by the Town to raise and appropriate the sum of \$2,000.00 for Reappraisal.

Police Department

Recommendation of Budget Committee: A total appropriation of \$13,184.00. In 1975 the Police Department logged approximately 3,059 hours for a total cost of \$8,603.59. The cost for 1976 we recommend \$9,660.00 an increase of seven per cent for nine hours a day, 365 days a year, or 3,285 hours. We think the figure of \$500.00 for radio repairs is high. A figure of \$300.00 could be used for a radio dispatch center. Of course, there is the occasion when the police do have to talk long distance and that couldn't be handled by a radio. The \$3,000.00 proposed for gas, tires, oil, repairs be reduced to \$2,500.00 and further recommend that the Selectmen press forward with plans to acquire a gas tank and pump for the convenience of Town maintenance and emergency vehicles.

We further recommend the appropriation of the Strafford Dispatch of \$3,022.00 listed under Article 23, and not under Police, be listed under Capital Outlay -- new equipment, and have it properly listed in the Town records for next year.

It was voted that the Town raise and appropriate the sum of \$13,184.00 for Police Department. Motion: Mr. Dean.

Fire Department

A motion was made by Mr. Musler to raise \$8,250.00 for the support of the Fire Department. Recommendation of Budget Committee: A total appropriation of \$7,925.00.

It was voted that the Town raise and appropriate the sum of \$7,925.00 for Fire Department. Motion: Mr. Pinzari.

Insurance

Recommendation of Budget Committee: A total appropriation of \$4,300.00. It was voted that the Town raise and appropriate the sum of \$4,300.00.

It was further recommended by the budget committee that all insurance be consolidated and put out for bid for the entire insurance package, to at least three reputable insurance companies.

Planning and Zoning

Recommendation of Budget Committee: That they concur with the \$4,700.00 figure.

It was voted that the Town raise and appropriate the sum of \$4,700.00 for Planning and Zoning. Motion: Mr. Burrows.

Damages and Legal Expense

A motion was made that the Town raise and appropriate the sum of \$1,500.00 for Damages and Legal Expense. Motion: Mr. Musler.

An amendment to the motion was made that the Town raise and appropriate the sum of \$1,475.00. Motion: Mr. Dean.

It was voted that the Town raise and appropriate the sum of \$1,475.00 for Damages and Legal Expense.

Strafford County Dispatch - Article 23

It was voted that the Town raise and appropriate the sum of \$3,022.00 for Strafford County Dispatch. Motion: Mr. Musler.

Health Department - including Hospital and Ambulance

It was voted that the Town raise and appropriate the sum of \$3,500.00 for Health Department. Motion: Mr. Burrows.

Vital Statistics

It was voted that the Town raise and appropriate the sum of \$200.00 for Vital Statistics. Motion: Mr. Burrows.

Town Dump and Garbage Removal

It was voted that the Town raise and appropriate the sum of \$4,700.00 for Town Dump And Garbage Removal. Motion: Mr. Burrows.

Highways and Bridges

Recommendation of Budget Committee: That we raise \$70,000.00 for summer and winter maintenance, including the work covered under Article 10 and Article 13 and if it is accepted that no additional money be raised.

This recommendation was amended to include the work covered under Articles 10, 11, and 13 and if it is accepted that no additional money be raised. Motion: Mr. Pinzari.

Additional explanation by Budget Committee: If the articles are accepted, there is a total road appropriations for these four line items, \$40,000.00, 16,000.00, 18,000.00, 10,000.00, whatever figures to make a total of \$70,000.00 and when you get to an article such as Article 13, you vote on them on their own merit and vote no specific money to do the work. The money that was appropriated additionally -- the \$30,000.00 we are asking for is under Summer and Winter Maintenance and could be allocated where it should be by the Selectmen in the specific areas. To give you the additional information there would be a total of \$84,000.00 spent and we are asking for a reduction of \$14,000.00 to bring in a total of \$70,000.00. Furthermore, the committee feels that the amount of work is too much for the Road Agent to handle. In other words, it would be increased from \$8,250.00 to \$9,315.00.

A motion was made to further amend the motion that we raise and appropriate the sum of \$70,000.00 for summer and winter maintenance and if accepted that no additional money be raised.

It was voted that the Town raise and appropriate the sum of \$40,000.00 for Town Maintenance - Summer and Winter.

Town Road Aid-Article 8

It was voted that the Town raise and appropriate the sum of \$1,225.01 for Town Road Aid.

Article 9-RSA 241:14

It was voted that the Town raise and appropriate the sum of \$18,843.21 to be used to improve all or portions of various Town roads. (re: RSA 241, section 14).

Upgrade Dirt Roads-Article 10

It was voted that the Town raise and appropriate the sum of \$16,000.00 to Upgrade Dirt Roads.

A motion was made that the meeting be adjourned at 11:45 p.m. and reconvene at 7:30 p.m. March 3, 1976.

TOWN MEETING RECONVENED 7:30 p.m. March 3, 1976

Upgrade Tar Roads - Article 11

A motion was made to raise and appropriate the sum of \$18,000.00 to Upgrade Tar Roads. Motion: Mr. Burrows.

A motion was made to amend the motion to raise and appropriate the sum of \$14,000.00 to Upgrade Tar Roads. Motion: Mr. Magidson.

It was voted by the Town to raise and appropriate the sum of \$14,000.00 to Upgrade Tar Roads.

Libraries

It was voted by the Town to raise and appropriate the sum of \$3,600.00 for Libraries. Motion: Mr. Pinzari.

Public Welfare - Town Poor

It was voted by the Town to raise and appropriate the sum of \$5,000.00 for Town Poor. Motion: Mr. Musler.

Public Welfare - Old Age Assistance

It was voted by the Town to raise and appropriate the sum of \$5,000.00 for Old Age Assistance. Motion: Mr. Musler.

Public Welfare - Aid to Permanently and Totally Disabled

It was voted that the Town raise and appropriate the sum of \$50.00 for Aid to Permanently and Totally Disabled. Motion: Mr. Musler.

Patriotic Purposes - Memorial Day

It was voted that the Town raise and appropriate the sum of \$750.00 for Patriotic Purposes - Memorial Day. Motion: Mr. Musler.

Recreation - Swain's Dam - Article 21

On a closed ballot vote it was voted by the Town not to appropriate the sum of \$25,000.00 for the purchase of the dam and Swain's Lake, all land under the dam, up to thirty feet down, any land under the water belonging to the present owner and all water or rights pertaining thereto. (Voter in favor of the purchase: 83 - Votes against the purchase: 101).

Conservation Commission

Lakes Region Association - Article 25

It was voted by the Town inexpedient to legislate. (To see if the Town will vote to raise and appropriate the sum of \$50.00 to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages, as well as preservation of the natural resources of the town, in cooperation with other towns in the Lakes Region.

Strafford Regional Planning Commission - Article 31

It was voted by the town inexpedient to legislate. (To see if the Town will vote to join the Strafford Regional Planning Commission and the Strafford-Rockingham Regional Council as authorized by RSA 36:46, and raise the sum of \$2,418.00 to cover the Town's share of the expenses during the next fiscal period.) Motion: Mr. Musler.

Debt Service-Principal and Long Term Notes and Bonds

It was voted by the Town to raise and appropriate the sum of \$15,000.00 for Principal and Long Term Notes and Bonds. Motion: Mr. Seaver.

Debt Service - Interest - Long Term Notes and Bonds

It was voted by the Town on amended motion to raise and appropriate the sum of \$4,500.00 for Interest - Long Term Notes and Bonds. Motion: Mr. Musler.

Debt Service - Interest on Temporary Loans

On an amended motion the Town voted to raise and appropriate the sum of \$2,400.00 for Interest on Temporary Loans.

Mrs. Irene Calef addressed the meeting: "I'd like to bring something up here before we get into capital outlay, because it has to do with the figures in the budget. As far as I know it has nothing to do with capital outlay. We have on page thirty-one, under receipts other than current revenue, an amount of \$5,474.92. I don't know what this is for, except that I know that one of these is for a check for \$100.00, for a check that was replaced. There was also \$800.00 that Mr. Peabody paid to the Town for damage to the road. I believe these are listed in these refunds. Now I don't believe this is correct bookkeeping to leave in an amount for a lost check; or made out another check and put it in. If figures are put in under Town Officers' salaries. In fact, these figures are inflated -- every one, in every instance in the Town report is inflated. If the Town Officers' salaries are \$5,700.00 or so, it should be \$5,600.00

and I think these figures should be gone over and corrected to properly reflect the actually received refunds. I am making a motion that this be done.

Mrs. Calef amended the above motion to move that the Selectmen be directed to examine the accounts of the Town, both Expenditures and Receipts, affected by the item categorized as "Refunds", in the amount of \$5,474.92 under heading "Receipts Other Than Current Revenue", on Page 31, of the Town Report. That these accounts be analyzed, the totals corrected and that these corrected totals be published in the Town Report for the year 1976.

It was voted by the Town to accept the motion as amended.

Capital Outlay - New Equipment

Mr. Burrows advised that the \$5,500.00 is for items such as an electric typewriter - \$250.00, a safe - \$800.00, a filing cabinet - \$125.00, one hundred and fifty chairs - \$750.00, six tables - \$250.00, a buffer to maintain floors - \$600.00, money for maintenance of the grounds outside the Town Community Building, a lawn mower - \$120.00, cost of coat racks - \$75.00, a police radio - \$500.00, staging for reaching and replacing lights - \$650.00, and the remainder for the gas tank and pump - estimated \$2,030.00, which brings the total to \$5,500.00 as stated.

It was voted by the Town to raise and appropriate the sum of \$5,500.00 for Capital Outlay - New Equipment. Motion: Mr. Arlin.

Capital Outlay - Fire Truck - Article 20

It was voted by the Town to raise and appropriate the sum of \$5,000.00 for Capital Outlay-Fire Truck. Motion: Mr. Arlin.

Capital Outlay - Police Cruiser - Article 7

It was voted by the Town to raise and appropriate the sum of \$2,000.00 for Capital Outlay - Police Cruiser. Motion: Mr. Garnett.

Article 5

It was voted by the Town to authorize the Selectmen to borrow up to the sum of \$200,000.00 in anticipation of taxes, if necessary.

Article 12

A motion was made to amend this article to: To see if the Town will give final acceptance to the roads in Golden Crest Estates and Meadowbrook Estates, after hearing the reports of the Selectmen. Motion: Mr. Musler.

An amendment to the motion was made by Mr. Dean to see if the Town will give final acceptance on the roads in Golden Crest Estates and table action on Meadowbrook Estates until next year.

It was voted by the Town to give final acceptance on the roads in Golden Crest Estates and table action on Meadowbrook Estates until next year.

Article 13

It was voted inexpedient to legislate. (To see if the Town will raise and appropriate the sum of \$10,000.00 for the paving of the roads in Golden Crest Estates, approved under Article 12. (1.2 miles) Motion: Mr. Kelly.

A motion was made by Mr. Shepherd that the Town re-consider Article 12.

It was voted by the Town not to reconsider Article 12.

A motion was made by Mrs. Calef that the meeting be adjourned and that it re-convene at 7:30 p.m. Wednesday, March 10, 1976. Motion carried.

Meeting adjourned at 11:45 p.m.

TOWN MEETING RE-CONVENED 7:30 P.M. MARCH 10, 1976

A motion was made that the Town ratify the opening and consideration of Articles 12 and 13. Motion: Mr. Jones.

Mr. George Musler advised that he had been on the phone with Town counsel for some of the interested parties here. If you will understand Robert's Rules, it so reads, ratify one of the motions, - rather Articles 12 and 13. And according to legal counsel, that is in order. I'm not familiar with any rule books. I don't dare to interpret it. Counsel said he would stand in the name of the Town behind the proposal. Counsel did recommend that we re-open. He also advised that an article could be re-opened for reconsideration, since it was seemingly of vital importance to an individual.

It was voted by the town not to ratify the opening and consideration of Articles 12 and 13.

Article 17

It was voted by the Town to pass Articles 14, 15 and 16 and act on Article 17, if it was passed. Motion: Mr. Musler.

It was voted that the Town will accept the following roads in Speedwell Pines (so called) area. Lakeshore Drive (so called) starting on the southwest side of Beauty Hill Road and going in south southwesterly for 750 feet (approx.) then turning south southeasterly and going 2,217 feet (approx.) to a terminus. Woodhaven Drive (so called) starting on the southwest side on Beauty Hill Road and going in south southwesterly 401 feet (approx.)

turning south southeasterly for 395 feet (approx.) then turning southwesterly for 440 feet (approx.) and intersecting with Lakeshore Drive (so called) as town roads subject to applicable ordinances on a conditional two-year basis. Motion: Mr. Musler.

Article 14 paragraph 1

An amendment to the article was made by Mr. Burrows as follows: To see if the Town will modify the existing Road Ordinance on acceptance of new streets in the following manner:

1. Remove sections 1(a), 1(b), 2 and 3.
2. Add new sections 1 (a), and 2 which read as follows:
Add new sections "3" and "4".

All cross drainage shall have a minimum diameter of twelve inches and minimum cover of eighteen inches. All driveways should be graded toward the roadway ditchline. Ditches should be no less than one foot deep and sloping toward the road surface. There should be a fifty foot turn-around provided and a minimum of fifty foot right of way should be deeded to the Town.

It was voted by the Town that New Section 1(a) as amended be accepted as follows: It shall be mandatory for the developer or owner to have an article placed in the town warrant for acceptance of new streets when at least eighty per cent of the proposed buildings are completed and occupied on said street, and the following minimum standards of design and construction have been complied with. This does not preclude the developer or owner from submitting an article in the town warrant when less than 80% occupancy exists; nor does it preclude acceptance of such road by majority vote of the town upon petition.

Mr. Rowell moved and seconded that the following paragraph be accepted: "All roads in a sub-division be of the same quality as Town roads leading or passing by the sub-division." Motion was defeated.

It was voted by the Town that New Section 2 be accepted as follows: All cross drainage shall have a minimum diameter of twelve inches and a minimum depth cover of eighteen inches. All driveways shall be graded to drain to roadway ditch. Ditches shall be no less than a foot deep. The slope down from the road surface to the ditch shall be 4:1 where the distance is 0 feet to ten feet and 2:1 where distance is over ten feet.

It was voted by the Town that New Section 3 be accepted as follows: No dead end streets will be accepted unless a turn-around having a minimum radius of 50 feet is provided. A minimum of fifty feet for right of way shall be deeded to the town upon acceptance of road.

It was voted by the Town that New Section 4 be accepted as follows: Pavement type shall be constructed according to state specifications. Motion: Mr. Downar.

Paragraph 2

It was voted by the Town that within thirty days after acceptance by any properly convened Town Meeting, the developer or owner must provide the Selectmen with a warranty deed conveying ownership of the designated right of way or the acceptance is nullified. Motion: Mr. Arlin.

It was moved and seconded that the following paragraph be accepted The passage of this article does not affect subdivisions already approved by planning board. Motion was defeated.

Article 15

A motion was made by Mr. Arlin that the Town create a Trust Fund for the acquisition and maintenance of recreation equipment.

An amendment to the motion was made that the Town create a Trust Fund for the acquisition and maintenance of recreation equipment, the Trustees of Trust Funds to be empowered to withdraw money from the fund with the approval of the Selectmen.

It was so voted by the Town.

It was voted by the Town to discuss and consider out of order Article 30.

Article 30

To see if the Town will vote to place a moratorium on the issuance of building permits for new construction in the Town of Barrington, under conditions described below, from the close of the 1976 Annual Town Meeting until the close of the 1977 Annual Town Meeting, to limit disorderly growth in the Town until the anticipated presentation to the Town of a comprehensive master plan by the Planning Board at the Annual Town Meeting in 1977.

This moratorium shall apply to building lots not fully approved by the Planning Board as of the date of passage of this article. Building lots approved by the Planning Board or having met the requirements for building lots prior to the date of passage of this article are exempted from this moratorium. Motion defeated.

Article 16

It was voted that the Town authorize the Selectmen to take the necessary steps to apply for National Flood Insurance, including adopting whatever resolutions are necessary. Motion: Mr. Pinzari.

Article 18

It was voted by the Town to discontinue that section of the Canaan Road that lies between Rte. 126 (Province Road) and Rte. 9, by the property of one Harold Brown.

Article 19

A motion was made by Mr. Burrows to amend the article as follows: To see if the Town will vote to drop the gate and bars from that two-tenths of a mile from Atwood Road to their driveway. Motion defeated: NO: 73 YES: 49

A motion was made by Mr. Musler to see if the Town will vote to remove the gate and bars from that portion of the road that has been reclassified by petition. Motion was defeated.

Article 22

A motion to amend the article was made by Mr. Curran as follows: To see if the Town will authorize the Selectmen to accept the Swain's Lake Dam, and Water Rights, if donated as a gift, prior the Town meeting of 1977.

A motion was made by Mr. Kelly to vote by secret ballot. Motion was approved. A motion was made by Mr. Musler to vote by secret ballot on both Article 22 and Article 29 at the conclusion of action of the warrant. Motion approved.

Article 24

It was voted by the Town to authorize the Selectmen to sell the Following Town owned property acquired by tax sale and no others in accordance with RSA 80:42:

Article 28

It was voted by the Town as inexpedient to legislate. (To see if the Town will vote to require approval, by majority vote at an annual Town Meeting of the adoption or amendment of any Subdivision Regulation, Master Plan, and/or Building Code in the Town of Barrington, prior to implementation of such Regulation, Plan or Code by any Board or Inspector of the Town. Motion: Mr. Musler.

Article 29

To see if the Town will vote to continue with the services of an Advisory Budget Committee on a continuing basis, without financial compensation to the Committee, and to elect members of such Committee by ballot at the annual Town Meeting as follows:

In 1976, nominate and elect the five members from the Town Meeting floor, as the next-to-last article of business on the Warrant:

In 1977, elect by ballot at the annual Town Election the following:

- One member for a three year term,
- Two members for a two year term,
- Two members for a one year term.

Each year thereafter elect members at the annual Town Election by ballot to fill seats vacated either through expiration of term of office or through resignation or removal for cause.

If a position on the Committee is not filled at the annual Town Election, such position shall be promptly filled by an appointment made by the Town Moderator.

A vacancy created by a member's resignation during term of office shall be promptly filled through appointment by the Selectmen. Such appointee shall serve until the next annual Town Election, at which time a member shall be elected to fill the unexpired term.

An amendment to the above article was made as follows: That there be an advisory budget committee to work with the Selectmen and/or the Town on the budget and with the school board -- school district, and that this committee consist of five people, who would be nominated and elected from the floor under the last article of business, at the Town Meeting. No individual to be allowed to serve more than two years at a time.

It was voted by the Town not to accept the amendment to the original article in the town warrant.

An amendment to the motion was made by Mrs. Gardner that the Town continue with the services of an Advisory Budget Committee on a continuing basis, without financial compensation to the Committee, and to elect members of such Committee at the annual 1976 Town Meeting and each year thereafter, to nominate and elect the five members from the Town Meeting Floor, as the next-to-last article of business on the warrant.

If a position on the committee is not filled at the annual Town Meeting election such position shall be promptly filled by an appointment made by the Town Moderator.

A vacancy created by a member's resignation during term of office shall be promptly filled through appointment by the Selectmen. Such appointee shall serve until the next annual Town Election, at which time a member shall be elected to fill unexpired term.

It was voted by the Town to accept the motion as amended.

Article 33

SCHOOL DISTRICT MEETING - MARCH 8, 1976

At the legal meeting of the inhabitants of the School District of the Town of Barrington, the following action was taken on the School Warrant on Monday, the 8th day of March, 1976.

The meeting at the Town Hall in Barrington was called to order by the Moderator, E. Richard Rowell, at 8:00 PM.

1. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

Mr. Gerald Pinzari of the Advisory Budget Committee informed the meeting that the Committee had met with the School Board and had a number of other meetings. That is how they developed their recommended budget.

On motion made by Walter Lovell and seconded by Patricia Newhall, it was

VOTED: To accept the reports as printed in the Town report.

2. To see if the district will authorize the School Board to make application for and to receive and expend in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, state agencies, private, and/or other sources.
(This must be acted upon each year.)

On motion made by John Nettleton and seconded by Patricia Newhall, it was

VOTED: To accept Article 2 as read.

A motion was made by George Calef to move to Article 8 while it was still early in the evening so the various budget items could be voted on. An objection was raised by Walter Lovell with regards to Articles 5 and 6. If Article 5 passed, Article 6 then asked for what sum of money. If you go to Article 8, you will have passed the budget and wouldn't be able to raise any money. George Calef withdrew his motion.

On motion made by Ron Waldron and seconded by Warner Reinhardt, it was

VOTED: To consider each Article as printed in the School warrant.

3. To see if the district wishes to permit the traditional Lord's Prayer and Pledge of Allegiance to the flag in its elementary schools as authorized by RSA 194:15a, with the provision that pupil participation shall be voluntary.

On motion made by Norman Arlin and seconded by Patricia Newhall to accept the Articles read, an amendment was made by Patricia Newhall and seconded by Sarah Bigelow to read that the District permit a moment of meditation and the Pledge of Allegiance for the opening school exercises in Barrington schools, it was

VOTED: To accept the amendment.

REPORT OF THE SUPERINTENDENT AND
ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Barrington School District:

As of September 20, 1976 the enrollment in the Barrington Schools was distributed as follows:

Elementary School					Middle School				Grand	
Grade	1	2	3	4	Total	5	6	7	8	Total
Pupils	91	66	63	76	296	51	73	67	56	247
										543

In addition the Barrington School District transported the following numbers of pupils to Spaulding High School under the provisions of a ten-year tuition contract:

Grade	9	10	11	12	Total
Pupils	55	56	38	27	176

This does not include the 29 pupils tuitioned to AREA vocational and other schools.

It is interesting to note that when the number of high school pupils cited above are combined with 100 from Nottingham and 90 from Strafford, the idea of a Cooperative High School District becomes interesting. Especially when one considers that the total number of high school age pupils from the three towns totals 366 and represents approximately \$426,376.50 in tuition costs for fiscal 76-77. What I am suggesting is that when the population growth patterns for the next decade in these towns are considered, it becomes evident that we might be able to provide our high school age youngsters with a more meaningful education and accomplish it with less expense by constructing our own small regional high school.

Since I have begun this report on a note of growth and long-range planning, I should perhaps finish the topic, however brief the treatment. There is an article in the warrant calling for the formation of a building committee, a little over one year after the opening of our new Middle School. The reason for this article is simply an exceleration of growth in the school population. As mentioned earlier in this report we commenced the 1976-77 school year with 543 pupils in grades 1-8; we now have 563 pupils, a growth of 3.7% in less than five months. I recently read in a report from the Economic Development division of the New Hampshire Department of Resources and Economic Development (DRED) that Barrington has experienced an 80% change factor in population growth from 1960 to 1970, the fastest change factor in the entire seacoast area. If my estimates and hence, procedures by which we project growth in school population, are correct, Barrington is on the threshold of a growth period which far exceeds the growth experienced by the Salem-Derry area during the late fifties and early to middle sixties.

These conclusions, however tentative, lead me to become convinced of the necessity for more sophisticated town planning. Unless the town addresses itself to the need for an extensive review and strengthening of its zoning ordinance, Barrington may soon become a suburban sprawl area, and it is my humble prediction that time is rapidly running out Indecision on this issue by Barrington citizens will in effect, be a decision... A decision for unbridled growth and spiraling tax rate caused by the demand for the multitude of increased municipal services ranging from schools to police and fire protection to roads, sewage systems, rubbish collection, etc., etc. We need to address this issue of growth and do it quickly.....

When school opened in September, 1976 the Elementary and Middle Schools were organized on the following basis:

Personnel listed above with an (*) are funded Federal Programs at no cost to the school district.

One of the most far-reaching laws to be passed in recent years in terms of the impact it will have on local school district budgets is P.L. 94-142. This Federal law requires that each school district will file an individual plan denoting how handicapped children will be educated either within or on a tuition basis outside of the district. In addition, the district will be responsible for the submission of an individual pupil plan which will specify the educational program for each child. P.L. 94-142, in conjunction with RSA 186 has important implications for school districts across the state. The Special Education program implemented on site in the Barrington Schools is an example of alert policy-formulation by the local School Board. As a general rule and when size and other conditions are right it is less expensive to educate pupils on the local level and the community is usually more satisfied with the result.

I could report further on the \$3200.00 federally funded ESEA (Elementary and Secondary Education Act) grant the district received for Project STAY and the continued progress being made with the Academically Gifted Child program, but all reports must have an end.

In addition to thanking the reader for finishing this report, I wish to express my sincere appreciation to the School Board, pupils, faculty and citizens for the cooperation extended to this office during the past year. We hope to be of greater service to you in the years ahead.

PRINCIPAL'S REPORT

" A role of schools is to broaden the knowledge and experience of children..... The basic building blocks of learning and communication are reading, writing, and arithmetic".

Jonathan Kozol

To the Citizens of Barrington:

Throughout New England and for that matter many other sections of our country, the major theme in education is "Back to Basics". Citizens are requiring a greater accountability from their schools, specifically, a better product; students who can read, write, and do arithmetic. But there is no magical one way to teach these basics. What succeeds with one child will fail with another child especially when our students come to school from such diverse backgrounds and living styles. There must be some flexibility in any program to meet these varying needs of our students. We cannot lock a program into any one specific teaching style or approach.

Your schools are teaching the basics through a variety of programs that range from the traditional classroom approach/program. Last year on a competitive basis, Mr. Clough won for the Barrington School District a Title IV ESEA (National Elementary and Secondary Education Act of 1965) grant in the amount of \$3,200 to implement Project STAY. This year we have implemented/ installed STAY with specific objectives of identifying and providing individualized instruction in reading and mathematics to "high-risk" students, those boys and girls who would not succeed with conventional instruction. In an effort to make the individual subject areas, math and economics, more meaningful and relevant, four of our teachers, Mrs. Frances Cram, Ms. Carrie Marpes, Mrs. Sarah Huckins, and Ms. Lawrice Johnson have developed a DEEP program, (Developmental Economic Education Program) whereby the teaching of math and economics are interrelated and taught from an everyday usage standpoint stressing practicality.

The teachers and I are continuing the process of curriculum development and refinement particularly in the area of basic skills and expected competencies. Our major efforts are and will be aimed at developing competency based instruction. The emphasis is on instruction by levels of competency, i.e., the student will be able to demonstrate satisfactorily that he has mastered writing a sentence and knowing how to add/subtract before he proceeds to writing paragraphs and multiplication/division. Another major emphasis is and will continue to be on the refinement of our reading curriculum and programs stressing with every student the development of basic reading competencies, not just the act of reading, but also developing the ability and skill to "read" unknown words and understand what has been read. For if a child cannot read, he will not be able to do the rest of his work. Reading is all forms of communication: writing, spelling, grammar, and mathematics. As John Holt, author of Why Children Fail, so succinctly put it, "Without the basic tools of communication and arithmetic, children are unarmed and doomed to failure".

In closing, I wish to thank you, the citizens of Barrington, those who have volunteered many invaluable hours as volunteer aides, the teachers, and the School Board who have given many

extra hours of their personal time to make the Barrington School District the excellent system that it is. I also thank you for the warm reception, understanding, cooperation, and help that you have personally given me and my family during our first year in New England.

Sincerely,
Patrick Tyre
Principal, Barrington School District

SCHOOL NURSES REPORT - 1976

After the excitement of opening a new Middle School with a Nurses Office for all to be proud of, the next most pressing item was to present the Health Education Curriculum for 6, 7, & 8th grades.

Notices were sent to newspapers and parents of a "Parents Night" set up with films, cassette tapes & books, with teachers and community people present to explain the outlines to be taught. The School Board, also in session that night expressed disappointment for apathy, as only one parent was interested enough to show up. Needless to say, we went ahead with the proposed outline.

I conducted a Sex Education Workshop in Barrington this fall for interested faculty members of all schools in Union #44. Reports were favorable.

Changes are being made for the coming year. A Teachers Manual to encompass all grades from 1 through 8 is being prepared in Social Health Education. Be aware and informed about your childrens education.

Screening of all students for vision and hearing is conducted on an annual basis and defects reported to parents. Head checks for Pediculosis (head lice) is still under control. Height and weight records are also kept. Because of several dental education programs and clinics conducted, the overall picture for dental health is improving but still has a long way to go.

Most students in grades 1 - 3 brush their teeth after lunch. The third grade uses the Crest program with new tooth brushes, teachers guide and charts. The 4th grade program was conducted by the State dental hygienist, Nancy Gardner for 10 weeks last spring and again this fall with Mrs. Como. This fall Mrs. Florrie Bergeron, dental hygienist conducted a clinic for cleaning and application of topical floride. One hundred (100) elementary school students and 47 Middle School students took advantage of this clinic. The BEA sponsored 18 students who were unable to pay for the service.

The Matching Funds dental clinic is conducted by Dr. Waldron Haley in Dover and sponsored by the Centennial Grange #185 and organizations and businesses in town who generously contribute money for a limited number of students who need fillings and extractions. The State matches monies collected. Volunteer drivers transport students (4 at a time) to appointments.

Pre-school registration was held in April. Screenings were done for vision and hearing, height and weight. Teeth were checked and new tooth brushes were given to each child. I talked with parents concerning medical histories and the need for a physical examination and immunizations before school entry. Sandra Lewis, L.P.N. assisted me in registering the largest class to date.

Considerable time was spent in the classrooms talking about general hygiene & nutrition & tooth care in the primary and elementary grades. I taught two classes in Child Care which included handling, feeding, baby sitting responsibilities and safety etc., as a supplement to Home Economics, to both boys and girls in 7th grade.

An eight week course in First-Aid taught at the 5th grade level was felt to be succesful enough to be repeated again this coming year.

An eight hour Multi-Media First Aid Course was completed for faculty members with 8 certificates earned.

The Scoliosis Screening (curvature of the spine) was held last spring. James Parks, recreational director assisted me in examination of students in the Middle School.

Each student was checked individually and in private. Two possible defects were noted and referred to parents and family physicians for follow-up. This will be an annual screening and considered worth while, even if only one child can be helped to prevent a crippling handicap.

One of the most difficult areas of school nursing is for parents to understand that nurses are not qualified to diagnose illness, injury or prescribe medication.

This fall the State Flu Program directed the N.H. Schools to set up a clinic to immunize Kindergarden and 1st graders. About 50 children received the vaccine before the program was terminated.

Under staff development, I spent 72 hours attending lectures, siminars, work shops and taking a course in Psychology toward certification. All this was possible working on a part time basis.

I have registered for a workshop in "Child Advocacy" in January at St. Anslems College, and for a 3 credit course in Sex Education, home, school, and community, to be given in Concord this winter after school hours as I am now working full time between two schools.

I wish to thank all those Volunteers who have given their time helping me with paper work, clinics and transportation. I also wish to thank the parents, faculty of both schools and school board members for their helpful co-operation during the school year.

REPORT OF THE BARRINGTON SCHOOL DISTRICT

LONG RANGE PLANNING COMMITTEE

This Committee was established at the 1976 School District Meeting "To assess the growth of Town in regard to increase and location of population; taking particular note of children."

1. GROWTH: Barrington's population grew 80% in the 1960's from 1036 to 1865. In the 1970's we have been growing at a rate of more than 130%, having increased 80% in six years, the total school age population (6-17) has grown 60% (475-760), while the grades 1-8 enrollment has grown 47% (383-562) through January 3, 1977. In the six months July, 1976 to January, 1977, Grades 1-8 enrollment has grown 17% (480 to 562)

2. FUTURE GROWTH: Since no one can predict the many factors that produce growth, such as birth rates, the future of New Hampshire and Seacoast area economies, and in-migration to Barrington, the Committee can only offer estimates of what the Town's population will be in the near future. The most important question, of course is when the capacity of the existing two schools (640) will be exceeded. The table below gives projections of the Grades 1-8 enrollments: (A) estimated by the Supervisory Union Last December, (B) figured on the average 10% growth each year of the 6-17 age group indicated by the 1970 and 1976 Census. (C) figured on the average 7.8% growth each year of the actual enrollment.

<u>SCHOOL</u>	<u>SUPERVISORY</u>		<u>GROWTH</u>
	<u>A. UNION</u>	<u>B. 10% GROWTH</u>	<u>C. 7.8%</u>
1977-8	608	591	579
1978-9	667	650	624
1979-80	720	715	673
1980-81	790	787	725

It is likely that the 17% enrollment increase of the last six months was only a temporary phenomenon since the 1976 Census shows that this past Fall's number of First Graders (87) was unexplainably almost 30 more than any previous or projected entering class.

3. SCHOOL BUILDING COMMITTEE: Based on these estimates, we recommend that a School Building Committee be formed. The Committee should prepare for the very distinct possibility that a new school will be needed for September, 1978; while continuing to look at actual growth figures to note any changes that may allow a somewhat later deadline for a new school. Only an unforeseen, drastic slowdown in growth would make it possible to get along without added classrooms after September, 1979. The Long Range Planning Committee has studied the present distribution of population (total and School age) within Barrington and found it basically "centrally weighted", that is, no corner of the Town has a significantly higher population than the other three corners and the heaviest concentration is in towards the Center (Hall, France, Young, Beauty Hill Roads area). We recommend that in deciding the location and size of the next school, full consideration be given to what type of school system will be best for Barrington in the future centralized, decentralized, neighborhood, or other.

4. CENSUS: The Committee strongly recommends that the combining of the school and town census be continued each July by a door-to-door, volunteer effort. The complete, accurate data from last July, especially on pre-school age children, is invaluable. It should be quite simple at the same time to ask for other important information that may benefit the Town (such as the "Survey" questions) and get responses from a high percent of the people. We also recommend that the Planning Board and other Town offices be consulted to arrive at a breakdown of the Town into census areas which will best serve the long range planning needs of the Town, school and otherwise. In addition, the development of a simple system using already existing data to keep the population figures up-to-date between censuses may well be worthwhile.

5. MONITORING GROWTH: While this report has emphasized the growth in school enrollment, it should be remembered that the Town's total population is growing even faster, about 13% a year. The Committee hopes that information on subdivision approvals, building permits (including, if possible, the number of bedrooms), variances and other data from the several Town Offices involved, will be periodically combined to show the exact potential for immediate growth in the town.

Respectfully Submitted,
Long Range Planning Committee

SCHOOL VOLUNTEER PROGRAM

The Barrington School Board would like to publicly recognize those people involved in the School Volunteer Program. Marcie Sprague, Faith Wallace, Donna Anderson have been coordinating it this year.

There were many people who gave many hours in the 75-76 school year without much fanfare, and we apologize for neglecting them. The following names are volunteers who are working in our schools this year helping teachers and children however and wherever they can: Joan Gagnon, Carol Fay, Ginny Adams, Jane Bryson, Faith Wallace, Patricia Julien, Elizabeth Shortle, Katherine Bruner, Doris Landry, Carol Curtis, Merri Jennison, Brenda Childs, Linda Condon, Judy Hayden, Theresa Mangar, Thelma Swallow, Gladys Neal, Francine McCrillis, Julia Millette, Linda Moriarity, Beverly Heffernan, Sandy Lewis, Jill Leahy, Cheryl Whitney, and Donna Anderson.

Thank you
