DEDICATION

The 1976 Annual Reports of the Town of Croydon is hereby
dedicated to

GEORGE VAINE

It has happened to most of us. A windy, winter morning with the temperature at a frigid twenty below. We reluctantly leave the warmth of the house to drive to work. Into the car, in with the key—two half-hearted groans from the engine—awesome silence. Now, if you were in Concord or Boston or some other Town, you would call the nearest Service Station, wait for three or four hours until a surly mechanic arrived, questioned your intelligence, tried your

patience, finally started your car and presented you with a bill that would appear to be equivalent to one month's payment on his new wrecker.

You are fortunate—you live in Croydon. In Croydon anyone in this situation automatically calls George. In fact, for any mechanical problem, be it a car, tractor, lawn mower, or whatever, people call George. Everyone knows that George will be there and will help.

It is in this vein that George displays his superb skill as a machinist. If he doesn't have the part that is needed, he will make it. Rumor has it that if spark plugs weren't so inexpensive now that he would probably be making new ones himself.

George Vaine was born on April 4th, 1897 in Wallingford, Vermont. He spent the earlier part of his life in Westminster, Vermont. He has worked at many professions; the last one in Vermont was as a Stockholder in the Connecticut Valley Orchards in Westminster. He was in charge of the Managed Storage Area for the Orchard. In 1945 George moved his family to Croydon where he has remained to this day. George opened the garage in Croydon in 1956 with his son, John. George found time while running the garage to serve a term as Selectman.

A large book could be written about all of the situations in which he has helped people. Each one of us has our own stories or has heard many others about his help. If such a book were written, much of it would be about the children in Town. Whenever a bicycle or a go-cart or a home-made wagon has to be fixed, you can be sure that it will end up at Vaine's Garage of Croydon. George has never been too busy to help out a stranger, a friend or a child.

We all owe George a special Thank You for helping to make Croydon a very wonderful place to live.

A paid receipt for your current Resident Tax is necessary to obtain a 'new', 'renewal', or a 'transfer', registration. Many taxpayers are of the erroneous opinion that resident taxes are due only on December first. This is a misinterpretation of RSA 80:1. It is of no consequence that the resident tax bills have not been mailed out, in as much as RSA 80:1 stipulates that "Resident taxes shall be paid to the Collector on demand, without previous notice."

Library Trustee for 3 years	Joyce Walsh
Two Auditors for 1 year	Janice Cummings Janet Pellerin

The Town voted to raise and appropriate a total of \$56,367.51 for expenses of the Town which are itemized on page 14 of this report.

No money was appropriated for Planning, the Newport Hospital, or the Dartmouth-Lake Sunapee Region.

The Town voted to transfer funds from the Revenue Sharing Account to the Capital Reserve for New Equipment, \$2,500; Solid Waste Fund, \$2,500 and any remaining balance to the Tax Map Fund. (We did not receive \$5,000 from Revenue Sharing so it was impossible to transfer this amount in full: \$2,500 was turned over to the Trustees of the Trust Funds for Capital Reserve for new equipment and the balance will be turned over to the Solid Waste Fund. There will not be money for the Tax Map Fund.)

As in previous years, the Selectmen were empowered to hire money in anticipation of taxes.

Th Interim Zoning, Article 27, was passed with little or no comments.

Article 28, to elect the members of the Planning Board was inserted by petition but no one spoke in favor of it and following very little discussion, the Town voted not to change the present policy of appointments by the Selectmen.

The Town voted to transfer the remaining funds from the Special Bridge Account to the Volunteer Fire Department to purchase fire equipment.

Article 30, Federal flood insurance was passed in the affirmative as written.

Article 31, Building permit system was passed in the affirmative as written.

Several items were considered under the last article, Any other business: The motion was made that there would be no smoking at public meetings at the Town Hall. After some discussion, a vote was taken with 25 in favor of 'No Smoking' and 19 in favor of 'Smoking'.

Margaret Weber felt that Harry Porter should be remembered in the Town Report in some manner.

Cecil Dodge has erected a bulletin board at Croydon Flat and was given a rising vote of thanks.

Eileen Avery thanked the Women's Club for providing Baby Sitters so that Mothers could attend the Town Meeting.

Jules Pellerin thanked the Women's Club in behalf of the Town, for the public address system which they have purchased.

CROYDON TOWN LIBRARIAN'S REPORT

The Croydon Town Library probably made history this year. We actually discarded more books than we acquired. Miss Susan Palmetier, consultant from the N. H. State Library offered her knowledge of "Weeding" unused books from the library. For three days we went through the books discarding those not used in over ten years. I was more than a little nervous when I saw the empty shelves, but there's room to put a book so it can be seen, not hidden. I received many positive remarks so I think it was a move in the right direction.

As in the past, the Good Neighbor Club donated \$75.00 for the Little Red Wagon, a theatrical group from U.N.H. They performed in July for old and young alike.

Statistics show only 129 new books added to our collection—517 discarded. Books have risen greatly in price and only this amount exhausted our budget. Borrowed books: Juvenile 2,371; adult 1,063; magazines 279; records 17. Our magazine circulation has almost doubled from last year. We offer a good selection: Newsweek; U. S. News and World Report; Consumer Reports; National Geographic; Yankee; Organic Gardening; Profiles; Readers Digest; World; Young Miss; and Highlights.

Bi-weekly films are shown to audiences at the Croydon Village School courtesy of the N. H. State Library.

Our Booksale wasn't very prosperous so the Croydon Volunteer Fire Department received our leftovers for their auction.

I thank you all for the generous gifts: Magazines, cookbooks, memorial gifts. It's through your sharing that we prosper.

Drop by Thursdays from 2:00 to 5:00. In April, evening hours will resume. We're expecting a record year in 1977. Many new faces have been added in 1976, but we've lost a few of our old patrons. Come in and see us, we'll help you in any way we can.

Respectfully,

DONNA LESLIE

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

1976 CROYDON POLICE DEPARTMENT REPORT

The Croydon Police Department would like to thank the residents of Croydon who have supported our police department this past year and before. A police officer's job is a difficult one, being called upon at any time, 24 hours a day, and occasionally these times are inconvenient for the officer, but he will respond to a call because he has sworn to uphold his duties as a police officer and to perform a most vital task that necessitates specialized training. I have attended the New Hampshire Police Standards and Training Council in attempting to gain knowledge which will prepare me to carry on my duties in a highly professional manner. The policeman's job is not one which makes friends and it is not felt only by the officer, but by every member of his family. He therefore, is a most dedicated person to take some of the humiliation and insults which are brought forth by some people, who do not support a police department in a small area like ours.

We thoroughly appreciate all who have called on us to report any suspicious acts going on in town. We would rather be called out anytime and find an incident perfectly intact, than not to have been called out at all, and learn of a crime by someone later, who did not want to get involved at the time.

If you should observe or suspect a crime in our town, PLEASE CALL, Chief Röderick Hansen, 863-2004 or Newport Area Dispatch 863-3232 and they will notify the officer on call.

We would also like to thank the Newport Police Department and the New Hampshire State Police for the cooperation throughout the year in the many ways they have given their assistance in the process of law enforcement, and the "Yankee 5 Watters" for the thoughtful as-

istance when needed, especially at Halloween with added persons on patrol to protect our children during this busy weekend.

NEWPORT AREA HOME HEALTH AGENCY
Newport, New Hampshire

December 22, 1976

To the Board of Selectmen, Town of Croydon:

This letter is meant to accompany the 1977 budget for the Newport Area Home Health Agency. This year we are requesting \$1.50 per capita which is the same as last year. Each town serviced by the agency will be assessed at this same rate. Any individual who is a citizen of the towns covered by the agency who requests services not provided by the agency will be referred to a service which can help him or her.

Certain items in our proposed budget are higher than last year's figures such as salaries, rent, telephone, dues and subscriptions and insurance. We have hired two directors and have found it hard to find and keep qualified personnel it is necessary to pay salaries in line with other nursing salaries in the state. We are slowly raising our salaries for the full and part-time R.N.s' comparable to those at Newport Hospital.

Our new director, Mrs. Roberta Leary, possesses a B.S. in nursing as well as five years experience in Public Health in Norwalk, Connecticut. She comes to us with excellent recommendations. To employ nurses of this caliber, one must pay in accordance with guidelines set up for the New England area.

We have had two moves which in part explains rent and telephone increases, and as in most areas of health services, malpractice insurance rates have increased, both for nursing and for agency liability.

It cannot be over emphasized that the Federal Grant obtained during the latter part of 1976 and to cover 1977 is a one time only, non-renewable grant and has rigid restrictions on its use. The monies from this grant cannot

be used for the maintenance and day to day operational expenses of the agency.

In 1976 we offered immunization clinics held every other month. Three hundred children were seen and a total of 700 immunizations administered.

In our monthly Well Child Clinics over 100 children have been seen on a continuing basis.

There were approximately 1420 visits to patients in 1976. These patients not covered by insurance (Medicare, Medicaide, Blue Cross, Blue Shield) were paid for in accordance with the sliding scale based on ability to pay. No one ever was refused services because of inability to pay.

Mrs. Barbara Ashford, R.P.T. made 300 visits during 1976 in which patients were aided in regaining the use of muscles rendered weak because of strokes, fractures, etc.

We feel that we are rendering to all participating towns a much needed service. Patients no longer need to spend as much time in the hospital as they can recover more rapidly at home in familiar surroundings.

President, Board of Trustees

Very truly yours,

ELEESE B. CONROY

NEWPORT AMBULANCE SERVICE

The Newport Ambulance Service answered 494 calls during 1976. The Ambulance Service, the vehicles, and the crew members are all licensed with the state and meet all regulations. The members are licensed "Emergency Medical Technicians", and Advanced Red Cross members.

Coverage to the area towns has continued this year. Each town that we have covered with service has helped to support the Ambulance Service with tax assistance based on population, at \$2.00 per head. The Ambulance Service hopes to continue service to all communities in our area again in 1977.

The Ambulance Service has also responded to all major fires, in all communities. This is added protection of life and limb to all concerned.

The Newport Police Department has continued to serve as our dispatcher and has proven very valuable to our service and response time. Our telephone number for emergencies is 863-2355.

The crew consists of: Royal Wallace, III, Director; Albert Gobin, Paul Duling, Orren Barton, Mike Patten, Walt Patten, Tom Clough, Gordon Blood, Babe Frye, Terry Frye, Sandra Wallace, Robert Billings, Warren Jensen, Arthur Harris, Jerri-Sue Young, and Gary Nichols.

REPORT OF THE HIGHWAY AGENT

On October 24, 1976, the Board of Selectmen appointed me to the position of Road Agent. The first two months were spent fixing the equipment to be ready for winter and trying to get the roads in shape to plow.

The winter so far has not been too bad as far as snow is concerned, however there has been a lot of sanding that has had to be done.

The equipment is now in fairly good shape. We are doing a lot of preventive maintenance and hope that it will last for a few years more.

Please notice the article in the Town Warrant requesting a new small truck and sand hopper. We feel that if a small truck is bought that this can be used for summer work and for plowing light snow as well as being used to sand with. This will mean less work for the big truck and it can be operated for less than half of the cost of operating the big truck. We feel that the big truck will last for a few years longer by using the small truck for all light work.

I wish to thank everyone who has made this job much easier with their help and cooperation.

JOHN BROWN, JR.

REPORT OF PLANNING BOARD

Due primarily to a lack of activity in the real estate market, very few sub-divisions were processed in the past year.

However, your Planning Board has been very busy with other matters of concern to the town in general.

Preparation of a comprehensive community plan is a major responsibility of the Planning Board. This has required a great amount of preliminary work but is well on its way toward completion.

To promote the health and general welfare of our town and to control indiscriminate growth within our town borders and to prevent any number of violent changes which could seriously affect our tax structure, a great deal of time and effort has gone into the preparation of a revised zoning ordinance to replace the interim zoning ordinance which expires in March 1977. Preliminary hearings on this revised ordinance will be held and the final draft will be ready for presentation at the next Town Meeting.

Because of changing conditions and the enactment of new and the revision of old statutes, we find it necessary to revise certain of our subdivision regulations and to adopt an Access to Highway regulation.

Our primary goal in all these deliberations has been to adopt these regulations to the character of our town and its peculiar suitability for particular uses, in accordance with the wishes of the vast percentage of the residents of our town as determined by a house to house survey, conducted by your planning board.

We take this opportunity to express our gratitude to the Upper Valley-Lake Sunapee Council for their assistance in certain matters.

**REPORT OF
CROYDON VOLUNTEER FIRE DEPARTMENT**

As our Bicentennial year 1976 is drawn to a close, and all of the gay and festive events of two-hundred years of history have come to an end, it is quite appropriate to note that a new page is to be written in our Town's History.

For it was, with a great many questions and much enthusiasm that a small group of men met at the Town Hall this past April to contemplate the need for organizing a volunteer fire department in the Town of Croydon. After several such meetings, it was decided that we could not and should not labor under the false impression that Fire Departments from our neighboring towns would always be available to our immediate call. We realized that their commitment was to their towns first and Croydon second.

I do not wish or intend to belittle their organizations but to justify ours.

The founding of any organization presents many problems and when finance is one of them the road is all up hill. At the 1976 Town Meeting (\$2,256.67) was transferred from the Special Bridge Fund to a Fire Department Fund which greatly aided in the purchase, from Cornish, of a 1953 Ford pumper truck. Again on (Aug 15, 1976) through the efforts of the District Chief "Bud" Gross we were able to lease a surplus military vehicle from the Department of Resources and of Economic Development. This truck came to us as a cargo carrier, but, through the generous gift of a used fuel tank from Philip Corbett of Corbett Oil Company, Newport, we were again on the move. Our latest venture was a trip to New Jersey to inspect a surplus military fire truck, which is still in the paper work stages at this time.

All of this combined with the purchase of a new portable pump, four hundred feet of fire hose, two Plectron radio receivers and numerous other pieces of fire equipment would never have been possible without the ever present efforts of the Ladies' Auxiliary of the Croydon Volunteer Fire Department who contributed many dollars and considerable time and assistance toward the betterment of Croydon's Fire Department.

Through the able and charitable assistance of Jules Pellerin we were able to rewire the old town sheds and install a used oil fired furnace.

A new overhead door and general upgrading of the sheds made it suitable as temporary headquarters for the Fire Department.

It would be impossible to put into words or itemize the amount of assistance we have received from our neighboring towns and the residents and summer residents of the Town of Croydon. It is hoped they realize our sincere gratitude goes out to each and every one of them.

Our goal for this year is the purchase of a piece of land and possibly the building of a new fire house. Our goal is set too high you say!! Maybe, but with the encouragement and assistance we have been receiving, nothing is impossible.

**LADIES AUXILIARY OF THE
CROYDON VOLUNTEER FIRE DEPARTMENT**

To the townspeople of Croydon, N. H.:

The ladies auxiliary of the Croydon Volunteer Fire Department held their first meeting on April 15, 1976. Election of officers took place: President, Gail Archambault; Vice President, Beryl Sanborn; Treasurer, Marie Newcomb and Secretary, Elsie Dearden.

On May 12, 1976, two Cornish Auxiliary representatives attended our meeting, helping us with basic outlines for forming a new auxiliary. By-laws were also adopted at this time.

The purpose of the auxiliary is to raise money for the Croydon Volunteer Fire Department.

Through the joint efforts of the townspeople, the fire department and the auxiliary, several suppers were held with total assets amounting to \$1,047.26. A July 4th buffet for the chicken barbeque sponsored by Croydon Volunteer Fire Department and auction brought our total assets to \$1,497.54.

These affairs allowed us to purchase several new items for the Auxiliary, plus joint purchase of two plectrons which are communication devices used between Croydon and Newport for fire alert system, and 400 feet of hose. Leaving a reserve for future use.

Respectfully submitted,
ELSIE DEARDEN, Treasurer

THE CROYDON CONGREGATIONAL CHURCH

Over ninety people attended the annual Christmas candlelight service. Men, women, and children came to celebrate the birth of Christ in the true Christmas spirit.

Reverend Arthur Kennan, our minister will be retiring on January 23rd, 1977, after seven years of service with our church. We will be having a new minister, Reverend Anderson, as soon as he is released from his yoke parish in Andover and Salisbury. Reverend Kennan will be missed by all. Reverend Anderson lives in Enfield and will travel to Croydon for our services.

Our church has continued its union with Croydon Flat church having services there in June, July, and August.

A ham supper was put on and very well attended by the townspeople.

The church officers for 1976 were: Minister, Rev. Arthur Kennan; Deacons, Edward Hunt, Jesse Hawkins; Treasurer, Jesse Hawkins; Clerk, Gail Archambault; Mission Representative, Eleanor Hunt; Trustees, Mrs. Willis Ballou, Mrs. Leroy Persons. Services are held at 10:00 A. M. every Sunday and all are invited to attend.

Respectfully submitted,

GAIL ARCHAMBAULT, Clerk

GOOD NEIGHBOR CLUB REPORT

The Good Neighbors Club led an extremely busy Bicentennial year.

We began the year with a Special Open House meeting so that all the town could attend and hear Rita Gross' "Unpublished History of Croydon". Many people attended and we all learned quite a bit about how it was in Croydon.

On Town Meeting Day we had our annual bake sale of items baked by the members and served lunch and dinner to all the workers.

After the formation of our new Fire Department we made a contribution to help the department get started.

For another year the women in the club planted petunias at all the road signs where the ground was plantable.

The club held a Heritage Day at the request of the Bicentennial Committee. On display were many antique items from around town, everything from dishes and kitchen supplies to clothing, dolls, quilts, books and old coins and military paraphenalia, old furniture and rugs. Lemonade, switzel and ginger cookies were sold at 2c a glass, cookies free.

We had quilters quilting, and a wood carver carving, rug braiders, a soap maker and candle dippers as well as a trapper camp made by the Boy Scouts.

Once again the club paid to bring the Little Red Wagon Show to town to entertain the children.

Our annual Bazaar was held as usual in July. This is our big fund raiser every year. With these funds we buy gifts for all Croydon people who are hospitalized, cards when they are sick at home, sympathy gifts for deaths in town, bank accounts for all new born babies, wedding presents for any residents who get married each year and graduation presents for all high school graduates, as well as any other project that we decide on during the year and the annual Christmas Party, gifts and refreshments.

NATIONAL BICENTENNIAL CELEBRATION IN CROYDON 1976

As our nation lit the 200 candles on its birthday cake, each town, city, and individual was asked to celebrate; and Croydon did its share. We started on December 14, 1975 with the presentation of the Bicentennial Flag and Certificate which made us an official Bicentennial Town.

Brush cutting behind the Town Hall in the area to be designated as a park for the use of the townspeople started in late 1975 and early 1976 by volunteers under the direction of Charles Kuhn; notably Cecil Dodge, George Gross, Joseph Howes, Albert Smith, William Smith, Beatrice and Bob Smith. Harry Newcomb made the sign and the family of Viola and Harry Porter donated the backboard, basket & basketball in their honor. The ground having been cleared, Frank Dearden leveled the area with his bulldozer and installed culverts to carry off the excess water. Picnic tables were purchased and play equipment installed for the children. It is only a beginning and we all realize the Park will be a project for years to come.

The essay contest was opened to the school children in grades 7 through 12. Individual prizes were bicentennial silver dollars in graduated amounts. The winners of the contest were Joseph Newcomb, Richard Newcomb, Carol Gross and Sarah Freak. William Greeley had obtained the flag which was flown over our Capitol at Washington and a letter from President Ford. These he presented to the Town of Croydon in honor of the essay contestants. It flew over Croydon on July 4th in memory of his Marine Corps shipmates who have made the supreme sacrifice in all wars. It is hoped that in 100 years it will fly over Croydon again.

The younger school children from grades 1 through 6 had a poster contest with prizes of bicentennial silver dollars. First through third grade winners were Tom Leslie, Michael Bullis, Dean Barnes, with honorable mention going

to Freddie Vaine. Fourth through sixth grade winners were Michelle Ballou, Belinda Durgin, Mark Archambeault with two honorable mentions; Michelle Bourassa and Linda Whipple. All the youngsters at the East Village School were presented Bicentennial pins for having made an effort in the contest.

On display at the Annual Town Meeting was a mock-up of the proposed park. It had been assembled by Mitzi Pellerin, Nancy Brown and Carol Gross.

In late spring Cecil Dodge cut brush in the Pinnacle Cemetery (the oldest cemetery in Town) and also in the Winter Hill Cemetery to make these more attractive to visitors who might be looking up ancestors.

On Saturday, June 26th, the Selectmen sponsored a dance with prizes for the best costumes. Music was furnished by local talent which included William Walsh and singer Jean MacWilliams. The Boy Scouts sold refreshments and a general good time was enjoyed by all who attended.

Following the dance was a 'Turkey Shoot' and black powder contest under the leadership of Paul Doiron. First prize was a Ruger .44 black powder pistol which was won by Jerry Poisson of Newport. It was a nice day and well attended having taken place on the Croydon-Newport town line at the Mt. View Gun Club Range.

Sunday services at the Croydon Flat Church were arranged by Veronica Newcomb with patriotic hymns.

Church bells at both churches rang at 2 p. m. on July 4th in conjunction with bells across America. In Croydon it was the signal for the parade to commence. They convened at what was formerly Green Acres Ice Cream Co. and continued through Town on Route #10 to the new Park for the dedication ceremony. It was not the first parade ever held in Croydon, but the first one in many years. The parade chairman, Frank Holmes, did a commendable job and both participants and spectators enjoyed it. The people then assembled at the newly created Park behind the Town Hall and School. This land, which had been donated to Croydon some years ago by Ivor Muzzey, was named in honor of his Mother, Sadie Muzzey. Sadie

was a school teacher, librarian and postmistress in Croydon for many years. Russell Muzzey III, grandson of Mrs. Muzzey made the dedication speech.

The newly created Volunteer Fire Department had barbecued chicken cooking fragrantly on the lawn and the Ladies Fire Auxiliary were inside the hall with assorted salads, spaghetti, baked beans, hot and cold beverages and dessert. . . It was a feast indeed!

Sullivan County's bicentennial quilt, sponsored by the Helping Services Council of Sullivan County, had a square from Croydon. The little brick school at Croydon East Village was drawn by Peggy Hawkins, appliqued by Jean Dodge and embroidered by Rita Gross.

The last main event held was "Heritage Day" sponsored by the Good Neighbor Club. There were tables in the hall with numerous and sundry exhibits, tools of the past, antiques and souvenirs. There were exhibits inside and out of candle dipping, soap making, rug braiding, quilting, wood carving, and spinning. The boys scouts had a trapping tent set up outside and refreshments included old fashion switzel, as well as lemonade and home made ginger cookies.

Looking for a lasting souvenir was not easy but the Committee decided that having Croydon's earliest history reprinted would be worthwhile. The Argus-Champion of Newport reprinted John Cooper's "Sketch of Croydon". They will be available for sale as long as the supply lasts. Any receipts from this sale of souvenirs from this year on will be turned over to the Sadie Muzzey Memorial Park Fund.

So many people participated in these series of events that it is impossible to give full credit to all. It is to Croydon's credit that our citizens took such an interest and gave so generously of their time and talents to say,

"My Country, the United States of America. . . .

HAPPY BIRTHDAY . . ."

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Croydon:

The present enrollment in Grades 1-3 is 21:

Grade 1 - 11
Grade 2 - 2
Grade 3 - 8

Five students in Grades 1-3 are attending school in Newport with the tuition paid by the parents. Census reports call for six students to enter Grade 1 next year. If no others appear this will make a total enrollment under twenty.

Mrs. Rosemary Aldrich is again teaching the Village School and is assisted by Mrs. Donna Leslie as Teacher-Cafeteria Aide.

Miss Geraldine Elmer makes weekly visits for music instruction.

The School Lunch Program is now fully operative and has become a vital part of the school operation. Much credit should be given to Donna Leslie who has worked many hours to make the program a success and still stay within tight financial limits. Reports indicate the program is well accepted by students and parents.

As tuition charges increase for those students in Grades 4-12, it may be of interest to compare the cost of operating the Village School as compared to other elementary schools throughout the state. For the 1975-76 school year:

STATE AVERAGE (Elementary)	\$1,061
CROYDON'S COST (Grades 1-3)	\$1,106

With 154 school districts operating elementary schools in New Hampshire, the per pupil cost was higher in 35 districts and lower in 118 districts.

The over-all progress within the school is favorable. The staff is innovative and is making good use of equipment and instructional space. Positive parental support is evident and is appreciated.

Respectfully submitted,
GORDON B. FLINT
Superintendent of Schools

To the Inhabitants of the School District in the Town of Croydon, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 3rd day of March 1977 at 7:30 p. m. to act upon the Articles set forth in this Warrant—not covering the election of District Officers. Said Officers will be elected on the 8th day of March 1977 at Town Meeting in said Town Hall and voting will be by official ballot and check-lists.

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose a Member of the School Board for the ensuing three years.

Article 5. To choose an Auditor for the ensuing year.

(Articles 1, 2, 3, 4, and 5 will be acted upon at Town Meeting.)

Article 6. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

Article 8. To transact any other business that may legally come before this meeting.

Given under our hands at said Croydon this seventh day of February 1977.
